27 commissioner shall submit to the division of criminal justice services
28 two sets of fingerprints of all employees and prospective employees as
29 defined in subdivision three of section eleven hundred twenty-five of
30 this chapter received from a school district, charter school or board of
31 cooperative educational services and of all employees and prospective
32 employees received from nonpublic and private elementary and secondary
33 schools pursuant to title two of this chapter, and the division of crim-
34 inal justice services processing fee imposed pursuant to subdivision
35 eight-a of section eight hundred thirty-seven of the executive law and
36 any fee imposed by the federal bureau of investigation. The division of
37 criminal justice services and the federal bureau of investigation shall
38 forward such criminal history record to the commissioner in a timely
39 manner. For the purposes of this section, the term "criminal history
40 record" shall mean a record of all convictions of crimes and any pending
41 criminal charges maintained on an individual by the division of criminal
42 justice services and the federal bureau of investigation. All such crim-
43 inal history records sent to the commissioner pursuant to this subdivi-
44 sion shall be confidential pursuant to the applicable federal and state
45 laws, rules and regulations, and shall not be published or in any way
46 disclosed to persons other than the commissioner, unless otherwise
47 authorized by law.

48 2. No cause of action against the commissioner, the department or the
49 division of criminal justice services for damages related to the dissem-
50 ination of criminal history records pursuant to this section shall exist
51 when the commissioner, department or division of criminal justice
52 services has reasonably and in good faith relied upon the accuracy and
53 completeness of criminal history information furnished to it by quali-
54 fied agencies. The provision of such information by the division of
55 criminal justice services shall be subject to the provisions of subdivi-
56 sion sixteen of section two hundred ninety-six of the executive law. The

1 consideration of such criminal history record by the commissioner shall
2 be subject to article twenty-three-A of the correction law.

3 3. (a) Clearance. After receipt of a criminal history record from the
4 division of criminal justice services and the federal bureau of investi-
5 gation the commissioner shall promptly notify the appropriate school
6 district, charter school, board of cooperative educational services, or
7 nonpublic or private elementary or secondary school whether the employee
8 or prospective employee to which such report relates is cleared for
9 employment based upon his or her criminal history. All determinations to
10 grant or deny clearance for employment pursuant to this paragraph shall
11 be performed in accordance with subdivision sixteen of section two
12 hundred ninety-six of the executive law and article twenty-three-A of
13 the correction law. When the commissioner denies an employee or a
14 prospective employee clearance for employment, such employee or prospec-
15 tive employee shall be afforded notice and the right to be heard and
16 offer proof in opposition to such determination in accordance with the
17 regulations of the commissioner.

18 (b) Conditional clearance. When the commissioner receives a request
19 for a determination on the conditional clearance of a prospective
20 employee, the commissioner, after receipt of a criminal history record
21 from the division of criminal justice services, shall promptly notify
22 the prospective employee and the appropriate school district, charter
23 school, board of cooperative educational services, or nonpublic or
24 private elementary or secondary school that the prospective employee to
25 which such report relates is conditionally cleared for employment based
26 upon his or her criminal history or that more time is needed to make the
27 determination. If the commissioner determines that more time is needed,
28 the notification shall include a good faith estimate of the amount of
29 additional time needed. Such notification shall be made within fifteen
30 business days after the commissioner receives the prospective employee's
31 fingerprints. All determinations to grant or deny conditional clearance
32 for employment pursuant to this paragraph shall be performed in accord-
33 ance with subdivision sixteen of section two hundred ninety-six of the
34 executive law and article twenty-three-A of the correction law.

35 3-a. Upon request from an employee or a prospective employee who has
36 been cleared by the commissioner for employment and/or certification,
37 the commissioner shall have the authority to forward a copy of such
38 criminal history record to the city school district of the city of New
39 York by the most expeditious means available. Furthermore, upon notifi-
40 cation that such prospective employee is employed by the city school
41 district of the city of New York, the division of criminal justice
42 services shall have the authority to provide subsequent criminal history
43 notifications directly to the city school district of the city of New
44 York. Upon request from an employee or a prospective employee who has
45 been cleared for licensure and/or employment by the city school district
46 of the city of New York, such school district shall have the authority
47 to forward a copy of the employee's or prospective employee's criminal
48 history record to the commissioner, by the most expeditious means avail-
49 able, for the purposes of this section. Furthermore, upon notification
50 that such employee or prospective employee is employed by a school
51 district outside the city of New York, the division of criminal justice
52 services shall have the authority to provide subsequent criminal history
53 notifications directly to the commissioner.

54 4. The fee provisions of subdivision two of section three thousand
55 four-b of this chapter shall apply to criminal history records searches
56 conducted pursuant to this section; provided however that, notwithstand-

ing the provisions of any other law: (a) the fees associated with an employee participating in a public assistance employment program, pursuant to title nine-B of article five of the social services law, or receiving employment services through the federal temporary assistance for needy families block grant pursuant to appropriations to the office of temporary disability assistance, shall be paid by the social services district making such employment placement or assignment and the cost of such fees, if not subject to full reimbursement under such federal block grant, shall be deemed to be an employment services administrative expense. In no event shall such a participant described herein be required to personally pay any fee imposed by the division of criminal justice services or the federal bureau of investigation or any other fee for the purpose of conducting a criminal history records search; and (b) any prospective employee, including, notwithstanding any provision of law to the contrary, a prospective employee applying for a position in a school district within a city with a population of one million or more, may submit a request to a governing body of a school district, on a form prescribed by the commissioner, that the fees imposed for conducting a criminal history records check be waived. Such governing body may grant such a request if such governing body determines that payment of such a fee would impose an unreasonable financial hardship on the applicant or his or her family and, upon such determination, the governing body shall pay such fee on behalf of the prospective employee to the appropriate authority.

5. The commissioner and the division of criminal justice services shall enter into an agreement for the purposes of implementing the provisions of this section.

6. Nothing in this section shall be construed or interpreted to alter or in any way diminish the integrity of collective bargaining agreements negotiated between an employer and any certified or authorized collective bargaining agent, with respect to payment of fees for criminal history records searches, nor to diminish any rights pursuant to such agreements.

§ 3. Subdivision 3 of section 3035 of the education law, as amended by section 8 of chapter 630 of the laws of 2006, is amended to read as follows:

3. After receipt of a criminal history record from the division of criminal justice services and the federal bureau of investigation the commissioner shall promptly notify the appropriate school district, charter school, board of cooperative educational services, or nonpublic or private elementary or secondary school whether the employee or prospective employee to which such report relates is cleared for employment based upon his or her criminal history. All determinations to grant or deny clearance for employment pursuant to this subdivision shall be performed in accordance with subdivision sixteen of section two hundred ninety-six of the executive law and article twenty-three-A of the correction law. When the commissioner denies an employee or a prospective employee clearance for employment, such employee or prospective employee shall be afforded notice and the right to be heard and offer proof in opposition to such determination in accordance with the regulations of the commissioner.

§ 4. Section 3001-d of the education law, as added by chapter 630 of the laws of 2006, is amended to read as follows:

§ 3001-d. Criminal history record checks and conditional appointments; nonpublic and private schools. 1. a. "Employee" shall mean any employee or prospective employee of a nonpublic or private elementary or second-

2 pursuant to this section, or employee of a contracted service provider
3 or worker placed within such school under a public assistance employment
4 program, pursuant to title nine-B of article five of the social services
5 law, and consistent with the provisions of such title for the provision
6 of services to such school, its students or employees, directly or
7 through contract, whereby such services performed by such person involve
8 direct student contact. Any nonpublic or private elementary or secondary
9 school which elects to submit for review criminal history information
10 concerning employees and/or prospective employees must do so with
11 respect to each such employee or prospective employee, as defined in
12 this paragraph, in accordance with this section.

13 b. "Volunteer" shall mean any person, other than an employee, who
14 provides services to a nonpublic or private elementary or secondary
15 school which elects to require the fingerprinting of prospective employ-
16 ees pursuant to this section, which involve direct student contact.

17 2. Any nonpublic or private elementary or secondary school may
18 require, for the purposes of a criminal history record check, the fing-
19 erprinting of all employees and/or prospective employees pursuant to
20 section three thousand thirty-five of this article, who do not hold
21 valid clearance pursuant to such section or pursuant to section three
22 thousand four-b of this article or section five hundred nine-cc or
23 twelve hundred twenty-nine-d of the vehicle and traffic law. Prior to
24 initiating the fingerprinting process, the employer or prospective
25 employer shall furnish the applicant or employee with the form described
26 in paragraph (c) of subdivision thirty of section three hundred five of
27 this chapter and shall obtain the employee's or applicant's consent to
28 the criminal history record search. Every set of fingerprints taken
29 pursuant to this section shall be promptly submitted to the commissioner
30 for the purposes of clearance for employment.

31 3. (a) Any nonpublic or private elementary or secondary school may
32 conditionally appoint a prospective employee. A request for conditional
33 clearance may be forwarded to the commissioner along with the prospec-
34 tive employee's fingerprints. Such appointment may be delayed until
35 notification by the commissioner that the prospective employee has been
36 conditionally cleared for employment and shall terminate when the
37 prospective employer is notified of a determination by the commissioner
38 to grant or deny clearance, provided that if clearance is granted, the
39 appointment shall continue and the conditional status shall be removed.
40 Prior to commencement of such conditional appointment, the prospective
41 employer shall obtain a signed statement for conditional appointment
42 from the prospective employee, indicating whether, to the best of his or

44 conviction in any jurisdiction outside the state.

45 (b) Any nonpublic or private elementary or secondary school may make
46 an emergency conditional appointment when an unforeseen emergency vacan-
47 cy has occurred. When such appointment is made, the process for condi-
48 tional appointment pursuant to paragraph (a) of this subdivision may
49 also be initiated. Emergency conditional appointment may commence prior
50 to notification from the commissioner on conditional clearance and shall
51 terminate when the prospective employer is notified by the commissioner
52 regarding conditional clearance, provided that if conditional clearance
53 is granted, the appointment may continue as a conditional appointment.
54 Prior to the commencement of such appointment, the prospective employer
55 must obtain a signed statement for emergency conditional appointment
56 from the prospective employee, indicating whether, to the best of his or

1 her knowledge, he or she has a pending criminal charge or criminal
2 conviction in any jurisdiction. An "unforeseen emergency vacancy" shall
3 be defined as: (i) a vacancy that occurred less than ten business days
4 before the start of any school session, including summer school, or
5 during any school session, including summer school, without sufficient
6 notice to allow for clearance or conditional clearance; (ii) when no
7 other qualified person is available to fill the vacancy temporarily; and
8 (iii) when emergency conditional appointment is necessary to maintain
9 services which the school is legally required to provide or services
10 necessary to protect the health, education or safety of students or
11 staff.

12 (c) Each nonpublic or private elementary or secondary school, which
13 elects to fingerprint employees and/or prospective employees pursuant to
14 subdivision two of this section, shall develop a policy for the safety
15 of the children who have contact with an employee holding conditional
16 appointment or emergency conditional appointment.

17 4. Fees. Notwithstanding any other provision of law to the contrary,
18 the commissioner is authorized to charge additional fees to applicants
19 for certificates pursuant to this section in an amount equal to the fees
20 established pursuant to law by the division of criminal justice services
21 and the federal bureau of investigation for the searches authorized by
22 this section.

23 § 5. This act shall take effect on the one hundred eightieth day after
24 it shall have become a law; provided that the amendments to paragraphs
25 (d) and (e) of subdivision 30 of section 305 of the education law made
26 by section one of this act, shall not affect the repeal of such
27 provisions and shall expire and be deemed repealed therewith; and
28 provided further that the amendments to subdivision 3 of section 3035 of
29 the education law made by section two of this act shall be subject to
30 the expiration of such subdivision when upon such date the provisions of
31 section three of this act shall take effect.
