The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The retirement and social security law is amended by adding a new section 607-i to read as follows:

§ 607-i. Performance of duty, disability retirement for chief fire marshals, assistant chief fire marshals, division supervising fire marshals, supervising fire marshals, fire marshals and fire marshal trainees in Nassau county. a. 3 c. Application for a performance of duty disability retirement allow-
4 ance for such a member may be made by:

5 1. Such member; or

6 2. The head of the department in which such member is employed; or

7 3. Any person acting on behalf of and authorized by such member.

8 d. 1. After the filing of such an application, such member shall be
9 given one or more medical examinations. No such application shall be
10 approved, however, unless the member or some other person on his or her
11 behalf shall have filed written notice in the office of the comptroller
12 within ninety days after such occurrence which is the basis for the
13 disability incurred in the performance of duty, setting forth:

14 (a) The time and the place of such occurrence; and

15 (b) The particulars thereof; and

16 (c) The nature and extent of the member's injuries; and

17 (d) His or her alleged disability.

18 2. The notice herein required need not be given:

19 (a) If the notice of such occurrence shall be filed in accordance with
20 the provisions of the workers' compensation law of any state within
21 which a participating employer in Nassau county shall have its employees
22 located or performing functions and duties within the normal scope of
23 their employment; or

24 (b) If the application for performance of duty disability retirement
25 is filed within one year after the date of the occurrence which forms
26 the basis for the application; or

27 (c) If a failure to file notice has been excused for good cause shown
28 as provided by rules and regulations promulgated by the comptroller.

29 e. If the comptroller determines that the member is physically or
30 mentally incapacitated for the performance of duty pursuant to subdivi-
31 sion b of this section and ought to be retired, such member shall be so
32 retired. Such retirement shall be effective as of a date approved by the
33 comptroller.

34 f. The annual retirement allowance payable upon retirement for disa-
35 bility incurred in the performance of duty shall be a pension of one-
36 half of his or her final average salary plus an annuity which shall be
37 the actuarial equivalent of the member's accumulated contributions, if
38 any.

39 g. If the member, at the time of the filing of an application under
40 the provisions of subdivision c of this section, is eligible for a
41 service retirement benefit, then and in that event, he or she may simul-
42 taneously file an application for service retirement in accordance with
43 the provisions of section seventy of this chapter, provided that the
44 member indicates on the application for service retirement that such
45 application is filed without prejudice to the application for the
46 retirement for disability incurred in performance of duty.

47 h. Any benefit provided pursuant to this section shall not be consid-
48 ered as an accidental disability benefit within the meaning of section
49 sixty-four of this chapter.

50 i. Any benefit payable pursuant to the workers' compensation law to a
51 member receiving a disability allowance pursuant to this section shall
52 be in addition to such retirement for disability incurred in performance
53 of duty allowance.

54 j. A final determination of the comptroller that the member is not
55 entitled to retirement benefits pursuant to this section shall not in
56 any respect be, or constitute, a determination with regard to benefits

1 payable pursuant to section two hundred seven-a of the general municipal
2 law.

3 § 2. All costs associated with implementing the provisions of this act
4 shall be borne by Nassau county.

5 § 3. All past service costs incurred due to implementing the
6 provisions of this act will be borne by Nassau County, and may be amor-
7 tized over a 10 year period.

8 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant any Nassau County Tier 3, 4, 5 and 6 chief fire marshal, assistant chief fire marshal, division supervising fire marshal, supervising fire marshal, fire marshal and fire marshal trainee an enhanced disability benefit for injuries sustained in the performance of duty. The benefit for a performance of duty disability would be 50% of final average salary.

If this bill is enacted during the 2019 legislative session, we anticipate that there will be an increase of approximately \$30,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2020. In future years, this cost will vary as the billing rates and salary of affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$197,000 which will be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2020. If Nassau County elects to amortize this cost over a 10 year period, the cost for the first year would be approximately \$26,000.

These estimated costs above are based on 35 fire marshals employed by Nassau County with a total estimated annual salary of approximately \$4.4 million for the fiscal year ending March 31, 2018.
