(2) If under a liability policy issued or delivered in this state, an insurer shall disclaim liability or deny coverage including a disclaimer or denial because the insurer rescinded or cancelled coverage pursuant to section three thousand four hundred fifty-seven of this article, for death or bodily injury arising out of a motor vehicle accident, including any claim for personal injuries under an uninsured motorist endorsement by any occupant of a motor vehicle or other person involved in an accident that was staged to defraud an insurer who is without knowledge of the staging or fraudulent intent of the accident, or any other type

of accident occurring within this state, it shall give written notice as soon as is reasonably possible of such disclaimer of liability or denial of coverage to the insured and the injured person or any other claimant.

§ 3. Paragraph 1 of subsection (f) of section 3420 of the insurance law, as amended by chapter 305 of the laws of 1995, is amended to read as follows:

(1) No policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any natural person arising out of the ownership, maintenance and use of a motor vehicle by the insured shall be issued or delivered by any authorized insurer upon any motor vehicle then principally garaged or principally used in this state unless it contains a provision whereby the insurer agrees that it will pay to the insured, as defined in such provision, subject to the terms and conditions set forth therein to be prescribed by the board of directors of the Motor Vehicle Accident Indemnification Corporation and approved by the superintendent, all sums, not exceeding a maximum amount or limit of twenty-five thousand dollars exclusive of interest and costs, on account of injury to and all sums, not exceeding a maximum amount or limit of fifty thousand dollars exclusive of interest and costs, on account of death of one person, in any one accident, and the maximum amount or limit, subject to such limit for any one person so injured of fifty thousand dollars or so killed of one hundred thousand dollars, exclusive of interest and costs, on account of injury to, or death of, more than one person in any one accident, which the insured or his legal representative shall be entitled to recover as damages from an owner or operator of an uninsured motor vehicle, unidentified motor vehicle which leaves the scene of an accident, a motor vehicle registered in this state as to which at the time of the accident there was not in effect a policy of liability insurance, a motor vehicle for which the policy of insurance has been rescinded or cancelled pursuant to section three thousand four hundred fifty-seven of this article, a stolen vehicle, a motor vehicle involved in an accident which was staged to defraud an insurer, except such vehicle owned and operated by the perpetrator or perpetrators of such accident, a motor vehicle operated without permission of the owner, an insured motor vehicle where the insurer disclaims liability or denies coverage or an unregistered vehicle because of bodily injury, sickness or disease, including death resulting therefrom, sustained by the insured, caused by accident occurring in this state and arising out of the ownership, maintenance or use of such motor vehicle. No payment for non-economic loss shall be made under such policy provision to a covered person unless such person has incurred a serious injury, as such terms are defined in section five

1 thousand one hundred two of this chapter. Such policy shall not dupli-
2 cate any element of basic economic loss provided for under article
3 fifty-one of this chapter. No payments of first party benefits for basic
4 economic loss made pursuant to such article shall diminish the obli-
5 gations of the insurer under this policy provision for the payment of
6 non-economic loss and economic loss in excess of basic economic loss.
7 Notwithstanding any inconsistent provisions of section three thousand
8 four hundred twenty-five of this article, any such policy which does not
9 contain the aforesaid provisions shall be construed as if such
10 provisions were embodied therein.

11 § 4. Subparagraph (A) of paragraph 2 of subsection (f) of section 3420
12 of the insurance law, as separately amended by chapters 547 and 568 of
13 the laws of 1997, is amended to read as follows:

14 (A) Any such policy shall, at the option of the insured, also provide
15 supplementary uninsured/underinsured motorists insurance for bodily
16 injury, in an amount up to the bodily injury liability insurance limits
17 of coverage provided under such policy, subject to a maximum of two
18 hundred fifty thousand dollars because of bodily injury to or death of
19 one person in any one accident and, subject to such limit for one
20 person, up to five hundred thousand dollars because of bodily injury to
21 or death of two or more persons in any one accident, or a combined
22 single limit policy of five hundred thousand dollars because of bodily
23 injury to or death of one or more persons in any one accident. Provided
24 however, an insurer issuing such policy, in lieu of offering to the
25 insured the coverages stated above, may provide supplementary
26 uninsured/underinsured motorists insurance for bodily injury, in an
27 amount up to the bodily injury liability insurance limits of coverage
28 provided under such policy, subject to a maximum of one hundred thousand
29 dollars because of bodily injury to or death of one person in any one
30 accident and, subject to such limit for one person, up to three hundred
31 thousand dollars because of bodily injury to or death of two or more
32 persons in any one accident, or a combined single limit policy of three
33 hundred thousand dollars because of bodily injury to or death of one or
34 more persons in any one accident, if such insurer also makes available a
35 personal umbrella policy with liability coverage limits up to at least
36 five hundred thousand dollars which also provides coverage for supple-
37 mentary uninsured/underinsured motorists claims. Supplementary
38 uninsured/underinsured motorists insurance shall provide coverage, in
39 any state or Canadian province, if the limits of liability under all
40 bodily injury liability bonds and insurance policies of another motor
41 vehicle liable for damages including, but not limited to a vehicle for
42 which the policy of insurance has been rescinded or cancelled pursuant
43 to section three thousand four hundred fifty-seven of this article, a
44 motor vehicle involved in an accident which was staged to defraud an
45 insurer, except such vehicle owned and operated by the perpetrator or
46 perpetrators of such accident, are in a lesser amount than the bodily
47 injury liability insurance limits of coverage provided by such policy.
48 Upon written request by any insured covered by supplemental
49 uninsured/underinsured motorists insurance or his duly authorized repre-
50 sentative and upon disclosure by the insured of the insured's bodily
51 injury and supplemental uninsured/underinsured motorists insurance
52 coverage limits, the insurer of any other owner or operator of another
53 motor vehicle against which a claim has been made for damages to the
54 insured shall disclose, within forty-five days of the request, the bodi-
55 ly injury liability insurance limits of its coverage provided under the
56 policy or all bodily injury liability bonds. The time of the insured to

1 make any supplementary uninsured/underinsured motorist claim, shall be
2 tolled during the period the insurer of any other owner or operator of
3 another motor vehicle that may be liable for damages to the insured,
4 fails to so disclose its coverage. As a condition precedent to the obli-
5 gation of the insurer to pay under the supplementary
6 uninsured/underinsured motorists insurance coverage, the limits of
7 liability of all bodily injury liability bonds or insurance policies
8 applicable at the time of the accident shall be exhausted by payment of
9 judgments or settlements.

11 law is amended to read as follows:

22 hundred fifty-seven of this chapter, within the United States, its
23 territories or possessions, or Canada; and (ii) an insured motor vehicle
24 or motorcycle outside of this state and within the United States, its
25 territories or possessions, or Canada.

26 § 7. Paragraph (a) of subdivision 1 of section 313 of the vehicle and
27 traffic law, as amended by chapter 569 of the laws of 1981, is amended
28 to read as follows:

29 (a) ~~[No]~~ Except as provided for in section three thousand four hundred
30 fifty-seven of the insurance law, no contract of insurance for which a
31 certificate of insurance has been filed with the commissioner shall be
32 terminated by cancellation by the insurer until at least twenty days
33 after mailing to the named insured at the address shown on the policy a
34 notice of termination by regular mail, with a certificate of mailing,
35 properly endorsed by the postal service to be obtained, except where the
36 cancellation is for non-payment of premium in which case fifteen days
37 notice of cancellation by the insurer shall be sufficient, provided,
38 however, if another insurance contract has been procured, such other
39 insurance contract shall, as of its effective date and hour, terminate
40 the insurance previously in effect with respect to any motor vehicles
41 designated in both contracts. No contract of insurance for which a
42 certificate of insurance has been filed with the commissioner in which a

47 insured at the address shown on the policy a written notice of its
48 intention not to renew. No such contract of insurance in which the named
49 insured is not a natural person or the motor vehicle is used predomi-
50 nantly for business purposes shall be non-renewed by an insurer unless
51 at least twenty days in advance of the renewal date the insurer mails or
52 delivers to the named insured at the address shown on the policy a writ-
53 ten notice of its intention not to renew. All notices of non-renewal
54 shall be sent by regular mail with a certificate of mailing, properly
55 endorsed by the postal service to be obtained. Time of the effective
56 date and hour of termination stated in the notice shall become the end

1 of the policy period. Every notice or acknowledgement of termination for
2 any cause whatsoever sent to the insured shall include in type of which
3 the face shall not be smaller than twelve point a statement that proof
4 of financial security is required to be maintained continuously through-
5 out the registration period and a notice prescribed by the commissioner
6 indicating the punitive effects of failure to maintain continuous proof
7 of financial security and actions which may be taken by the insured to
8 avoid such punitive effects.
