

STATE OF NEW YORK

6404

2019-2020 Regular Sessions

IN ASSEMBLY

March 7, 2019

Introduced by M. of A. CRESPO -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to clarifying the recordkeeping requirements for the earned income tax credit and the enhanced earned income tax credit

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subsection (d) of section 606 of the tax law is amended by
2 adding a new paragraph 8 to read as follows:

3 (8) Income documentation. Any taxpayer who receives more than fifty
4 percent of his or her income in cash who is claiming the credit under
5 this subsection may follow the income documentation standards set forth
6 in section six hundred fifty-eight-a of this article when applicable.

7 § 2. Subsection (d-1) of section 606 of the tax law is amended by
8 adding a new paragraph 9 to read as follows:

9 (9) Any taxpayer who receives more than fifty percent of his or her
10 income in cash who is claiming the credit under this subsection may
11 prove his or her income by following the income documentation standards
12 set forth in section six hundred fifty-eight-a of this article when
13 applicable.

14 § 3. The tax law is amended by adding a new section 658-a to read as
15 follows:

16 § 658-a. Income documentation concerning the earned income credit. In
17 conjunction with the requirements set forth in this chapter, the
18 provisions of this section shall apply to any taxpayer claiming the
19 earned income credit as set forth in subsection (d) of section six
20 hundred six of this article.

21 (a) Income documentation standards for cash earners. If the taxpayer
22 is employed in one or more occupations where such taxpayer receives more
23 than fifty percent of his or her income in cash, such taxpayer may prove
24 his or her income by producing one of the following verifications:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD10287-01-9

1 (1) Permanent books, accounts or records kept in a manner consistent
2 with the recordkeeping practices of the industry in which the taxpayer
3 works. For the purposes of this section, "permanent books, accounts or
4 records" shall mean paper or electronic documents that reflect the
5 amount and source of all income earned from paid employment.

6 (A) Examples of permanent books, accounts or records shall include,
7 but shall not be limited to (i) bank statements from financial insti-
8 tutions, (ii) electronic ledgers or spreadsheets that document the date
9 of each entry, or (iii) handwritten accounts maintained in a bound
10 ledger.

11 (B) A different ledger shall be maintained for each tax year's cash
12 earnings records, and each record shall be maintained for at least three
13 years after the tax year for which it was submitted.

14 (C) Entry requirements for handwritten ledgers. (i) A handwritten
15 ledger documenting the taxpayer's income shall list, in chronological
16 order, an entry for each transaction for which such taxpayer earns money
17 with information that includes, but is not limited to:

18 (I) the amount of money earned;

19 (II) the approximate time and date on which the money was earned; and

20 (III) a brief description or list of the task or tasks performed for
21 the money earned.

22 (ii) Such record may include entries for work-related expenses and
23 each such entry shall include, but is not limited to:

24 (I) the amount of the work-related expense;

25 (II) the approximate time and date the work-related expense was
26 incurred;

27 (III) the nature of the work-related expense; and

28 (IV) the date on which the entry was made.

29 (iii) An entry for any transaction shall be made as soon as possible
30 after the transaction occurred.

31 (2) Additional acceptable income verification documents. In the
32 absence of permanent books, accounts or records, a tax filer may verify
33 income by producing two or more of the following:

34 (A) A signed letter from the taxpayer's employer stating wages paid;

35 (B) Statements from a financial institution that demonstrate regular
36 deposits of earnings;

37 (C) Receipts from work supplies, including but not limited to uniforms
38 and materials needed to complete a specific job;

39 (D) Receipts from licensing or certification fees, membership dues, or
40 other professional dues;

41 (E) Receipts from work-related expenses, including but not limited to
42 transportation costs and child care;

43 (F) A sworn affidavit, signed by the taxpayer, stating such taxpayer's
44 position or title, the number of weeks worked, the number of hours
45 worked per week, the wages earned, and a brief description of the work
46 performed. A separate notarized affidavit shall be completed for each
47 job;

48 (G) An income and expenses worksheet completed with a certified tax
49 professional.

50 (b) Errors or omissions. Omissions or failures to correct entries
51 shall not be sufficient in and of themselves to render a taxpayer's
52 records as inadequate to validate such taxpayer's income for the rele-
53 vant tax year.

54 (c) Presumption of accuracy and completeness. (1) Provided that the
55 minimum standards set forth in this section are met, and unless the
56 department has affirmative evidence to directly contradict the taxpay-

1 er's return, the department shall presume the accuracy and completeness
2 of the record and the good faith of the taxpayer.

3 (2) The particular format of the record shall not be used as evidence
4 of insufficient recordkeeping or bad faith on the part of the taxpayer.

5 (3) A mid-year change in the format of recordkeeping within a single
6 ledger shall not be considered evidence of incomplete recordkeeping or
7 bad faith if such change indicates an attempt to improve upon record-
8 keeping.

9 (d) Report. (1) On or before June thirtieth next succeeding the date
10 on which this section shall have become a law, and annually thereafter,
11 the commissioner shall submit a written report regarding taxpayers who
12 claim the earned income credit as set forth in subsection (d) of section
13 six hundred six of this article and who are paid principally in cash.

14 (2) The report must contain the following information about the earned
15 income credit claimed under this article during the previous calendar
16 year:

17 (A) the number of cash earners claiming the credit;

18 (B) the number of cash earners claiming the credit who are sent desk
19 audit inquiry letters;

20 (C) the number of responses to the audit inquiry letters that the
21 department receives;

22 (D) the number of cash earners claiming the credit who are audited and
23 receive the credit as a result; and

24 (E) the number of cash earners claiming the credit who are audited and
25 are denied the credit as a result.

26 (3) The credit report may also contain any other information that the
27 commissioner deems to be useful in evaluating the use of the credit by
28 cash earners. The information included in the credit report will be
29 based on the information filed with the department during the previous
30 calendar year, to the extent that it is practicable to use that informa-
31 tion.

32 § 4. This act shall take effect on the one hundred twentieth day after
33 it shall have become a law. Effective immediately, the commissioner of
34 taxation and finance is authorized to make any addition, amendment
35 and/or repeal of any rule or regulation necessary for the implementation
36 of this act on its effective date on or before such date.
