IN ASSEMBLY

March 7, 2019

Introduced by M. of A. WEPRIN -- read once and referred to the Committee on Correction

AN ACT to amend the correction law, in relation to the department of correction and community supervision's role with respect to discharge planning to assist inmates in obtaining housing before release to community supervision

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 5 of section 201 of the correction law, as added by section 32 of subpart A of part C of chapter 62 of the laws of 2011, is amended to read as follows:

5. The department shall assist inmates eligible for community supervision and inmates who are on community supervision to secure employment, educational or vocational training, and housing. **Prior to release, the department shall assist such inmates to secure housing by engaging in all necessary discharge planning, including but not limited to exploring all types of housing resources available and potentially available to the inmate. In every instance that the department's discharge planning results in release to temporary housing in a shelter regulated pursuant to 18 NYCRR Parts 491 and 900, the department shall (a) reimburse the local social services district for the cost of providing such temporary housing in a shelter, (b) provide a report to the local social services district thirty days prior to such discharge that shall include a description of all discharge planning undertaken for the individual inmate, and (c) once every thirty days following discharge until the inmate is no longer subject to parole, provide a report to the local social services district describing all continuing assistance the department has provided to the inmate to obtain housing that is not to temporary housing in a shelter regulated pursuant to 18 NYCRR Parts 491 and 900 and does not violate the terms of the inmate's parole.**

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
