

STATE OF NEW YORK

6975

2019-2020 Regular Sessions

IN ASSEMBLY

March 29, 2019

Introduced by M. of A. RAMOS -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the civil practice law and rules, the state finance law, the correction law, the education law and the mental hygiene law, in relation to defining offenses involving criminal street gangs, creating the criminal street gang prevention fund, and providing for gang prevention services in schools; and to repeal sections 120.06 and 120.07 of the penal law, relating to offenses of gang assault

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and purpose. The legislature hereby
2 finds that New York laws are insufficient regarding the prosecution of
3 criminal street gangs and the protection of public order and individual
4 safety against gang-related violence, because of the lack of programs
5 and activities specifically designed to prevent the growth of criminal
6 street gangs, facilitate prosecution and punishment of members of criminal
7 street gangs, and punish those who solicit others to participate in
8 criminal street gangs and in acts of gang-related violence or who
9 provide support or resources to those who commit or encourage the
10 commission of such acts.

11 The legislature further finds that the threat of violence and the
12 disruption of public order and safety presented by criminal street gangs
13 have reached a crisis point that threatens the right of residents of
14 this state to be secure and protected from fear, intimidation, and physical
15 harm.

16 The legislature therefore finds and declares that it is in every sense
17 in the public interest to establish a comprehensive approach to the
18 protection of public order and individual safety against criminal street
19 gangs and gang-related violence, by severely criminalizing such activities,
20 by creating anti-crime programs that focus on patterns of criminal

3. Notwithstanding any other provision of law, when a person is convicted of the crime of participation in a criminal street gang related offense pursuant to this article and the specified offense is a class B felony:

39 members, and other educational personnel into the staff development
40 plans, and shall, upon request, assist any school in developing compre-
41 hensive gang violence in-service training programs. Such information and
42 guidelines, to the maximum extent possible, shall encourage schools to
43 avoid duplication of effort by sharing resources; adapting or adopting
44 model in-service training programs; developing joint and collaborative
45 programs; and coordinating efforts with existing state and local gang
46 violence staff development programs, county and city law enforcement
47 agencies, and other public and private agencies providing gang violence
48 prevention, or other related services at the local level.

49 The department shall additionally assist schools in qualifying for the
50 receipt of federal and state funds to support their gang violence
51 prevention in-service training programs. The department shall consult
52 with the division of criminal justice services regarding gang violence.

53 The term "gang violence prevention in-service training" as used in
54 this section means the presentation of programs, instruction, and
55 curricula that will help educators develop competencies in interacting
56 in a positive manner with children and youth to assist them in develop-

It shall also include methods that will help educators interact with and educate parents of at-risk youth concerning the risks associated with, and warning signs of, gang affiliation.

§ 1211. Model gang violence curriculum; prevention activities. 1. The department, in collaboration with the division of criminal justice services, shall develop a model gang violence prevention curriculum for use in schools, and shall provide for an independent biennial evaluation of the curriculum and of pupil outcomes.

2. Any other provision of any other law to the contrary notwithstanding, the governing board of any school district may adopt or rescind a reasonable dress code policy that requires pupils to wear a schoolwide uniform or prohibits pupils from wearing "gang-related apparel" if the governing board of the school district approves a plan that may be initiated by an individual school's principal, staff, and parents and determines that the policy is necessary for the health and safety of the school environment. Individual schools may include the reasonable dress code policy. The governing board shall provide a method whereby parents may choose not to have their children comply with an adopted school uniform policy. No pupil shall be penalized academically or otherwise discriminated against nor denied attendance to school if the pupil's parents chose not to have the pupil comply with the school uniform policy. The governing board shall continue to have responsibility for the appropriate education of such pupils. The commissioner shall adopt rules and regulations to carry out the intent and purposes of this section.

All such funds shall

1 be disbursed to non-profit agencies that comply with the program
2 requirements and who meet funding criteria.

3 2. Grants disbursed pursuant to this section may enhance but shall not
4 supplant local, state, or federal funds that would otherwise be avail-

6 crime, or violence. Grants shall be awarded pursuant to a request for
7 proposals that informs applicants of the purposes and availability of
8 funds to be awarded and solicits proposals to provide services consist-
