

STATE OF NEW YORK

6994

2019-2020 Regular Sessions

IN ASSEMBLY

April 3, 2019

Introduced by M. of A. REILLY -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT directing the port authority of New York to study the alignment of the Outerbridge Crossing, in order to widen the bridge and increase the flow of traffic

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. 1. The port authority of New York shall conduct a study to
2 explore the alignment of the Outerbridge Crossing in order to examine
3 the feasibility of physically widening such bridge, which would result
4 in an increase in the flow of traffic.

5 2. Such study shall examine the alignment of the Outerbridge Crossing,
6 with attention to the surrounding private property in the area in which
7 the bridge is located and to determine which of those properties would
8 need to be acquired by the port authority of New York in order to effi-
9 ciently expand the bridge to accomplish the goal of increasing the flow
10 of traffic.

11 3. Prior to the expiration of its existing study into the Outerbridge
12 Crossing, the port authority of New York shall issue a report of its
13 findings on the alignment of the Outerbridge Crossing to the governor,
14 the temporary president of the senate and the speaker of the assembly of
15 the state of New York, as well as to the governor of the state of New
16 Jersey. Such report shall include, but not be limited to, the following:

17 (a) actions that can be implemented by the port authority immediately,
18 a plan of action for such implementation, and the estimated cost of the
19 implementation plan; and

20 (b) which, if any, surrounding property would need to be acquired and
21 the estimated cost of acquiring such property.

22 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
