STATE OF NEW YORK

7246--A

2019-2020 Regular Sessions

IN ASSEMBLY

April 18, 2019

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the social services law and the public health law, in relation to medication for the treatment of substance use disorders

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 2 of section 365-a of the social services law 2 is amended by adding a new paragraph (gg) to read as follows:

3

8

9

10

20

- (gg) all United States food and drug administration approved forms of medication assisted treatment prescribed according to generally accepted national professional guidelines for the treatment of a substance use disorder. Such medication assisted treatment shall not be subject to any prior authorization mandate.
- § 2. Subdivision 26-b of section 364-j of the social services law, as added by section 4 of part B of chapter 69 of the laws of 2016, is amended to read as follows:
- 26-b. Managed care providers shall not require prior authorization for 11 12 [an initial or renewal prescription for buprenorphine or injectable 13 naltrexone for detoxification or maintenance treatment of opioid 14 addiction unless the prescription is for a non-preferred or non-formu-15 lary form of the drug or as otherwise required by section 1927(k)(6) of 16 the Social Security Act any United States food and drug administration approved forms of medication assisted treatment prescribed according to 17 generally accepted national professional quidelines for the treatment of 18 19 a substance use disorder.
- § 3. Subdivision 10 of section 273 of the public health law, as added 21 by section 5 of part B of chapter 69 of the laws of 2016, is amended to read as follows: 22
- 23 10. Prior authorization shall not be required for [an initial or 24 renewal prescription for buprenorphine or injectable naltrexone for

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
