2019-2020 Regular Sessions

## IN ASSEMBLY

April 18, 2019

Introduced by M. of A. HAWLEY -- read once and referred to the Committee on Local Governments -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the local finance law, in relation to the establishment of an electronic open auction public bond sale pilot program solely for certain municipalities; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The local finance law is amended by adding a new section  
2 58.20 to read as follows:

3 § 58.20 Electronic open auction public bond sale pilot program; munici-  
4 palities. a. As used in this section:

5 1. "Municipality" means the county of Genesee.

6 2. "Nationally recognized electronic securities bidding service" means  
7 a bidding service that is recognized nationally by municipal users of  
8 electronic securities bidding services as providing an accurate, secure  
9 and reliable on-line bidding system.

10 3. "Open auction" means a bond sale procedure that allows a bidder to  
11 receive information with respect to the status or rank of its bids prior  
12 to the conclusion of the bid submission period and improve its bid by  
13 submitting a bid at a lower interest rate, as a result of the received  
14 information in accordance with the municipality's notice of such bond  
15 sale circulated in accordance with applicable requirements of this chap-  
16 ter.

17 4. "Program" means the electronic open auction public bond sale pilot  
18 program established pursuant to this section.

19 b. There is hereby established an electronic open auction public bond  
20 sale pilot program solely for municipalities, authorizing municipalities  
21 to conduct open auction public bond sales through any nationally recog-  
22 nized electronic securities bidding service.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD10912-07-9

1 c. The chief fiscal officer of a municipality may accept electronic  
2 bids submitted in the form of open auctions conducted through a  
3 nationally recognized electronic securities bidding service which shall  
4 be deemed to be the designated receiving device. Notice of any bond sale  
5 shall provide for the manner in which the bid submission period may be  
6 extended and the basis for determination of the winning bidder.

7 d. Notwithstanding the provisions of section three hundred five of the  
8 state technology law or any other law, the notice of sale may contain a  
9 provision that bids will only be accepted electronically in the manner  
10 provided in such notice of sale.

11 e. The municipality's chief fiscal officer shall administer the  
12 program and may utilize the program in accordance with the powers here-  
13 tofore or hereafter delegated to the chief fiscal officer by the legis-  
14 lative body of the municipality. Except as modified by this section,  
15 each municipal program shall comply with this chapter and all other  
16 applicable laws related to the sale of bonds.

17 f. The municipality's chief fiscal officer shall review the electronic  
18 open auction bidding process to ensure that the bond sale was completed  
19 in a timely fashion; and the sale was completed without errors.

20 g. 1. The municipality shall, on or before February first of each  
21 year, conduct annual evaluations of its pilot program or programs with a  
22 summary evaluation at the end of the two year open auction pilot  
23 program. The municipality shall submit the evaluations to the state  
24 comptroller.

25 2. Such report shall include, but not be limited to: (i) the cost of  
26 using an open auction platform; (ii) a bidding activity report detailing  
27 the winning bidder, the number of bidders, the number of bids, the  
28 number of bid improvements, and the number of auction extensions (if  
29 any); and (iii) any savings achieved through the open auction. Any  
30 savings shall be calculated by determining the cost differential between  
31 the initial bid submitted and the winning bid in an open auction. If the  
32 initial bid submitted is the ultimate winning bid, the open auction  
33 savings would be zero dollars.

34 3. Annually, the state comptroller shall compile all the information  
35 received from municipalities pursuant to this paragraph, and, on or  
36 before April first of each year, submit such compiled information to the  
37 legislature, the temporary president of the senate, the speaker of the  
38 assembly, the minority leader of the senate and the minority leader of  
39 the assembly.

40 § 2. This act shall take effect immediately, and shall expire and be  
41 deemed repealed 2 years after such date.
