10 nation shall remain in effect until revoked or changed by the military

12 education shall transmit the military ballot application or military

28 5. The military voter shall mark the military ballot provided for in  
29 this article in the same manner as an absentee ballot. After marking the  
30 ballot, he or she shall fold such ballot and enclose it in the inner  
31 affirmation envelope bearing the military voter's affirmation on the  
32 outside of the envelope and seal the envelope. He or she shall then sign  
33 the affirmation, with the blanks properly filled in. The inner affirma-  
34 tion envelope containing the military ballot shall then be inserted in  
35 the outer envelope addressed to the appropriate board of education,  
36 which shall be mailed or personally delivered to the appropriate board  
37 of education within the time limits provided by this article.

38 6. The board of education shall cause all military ballots received by  
39 it before the close of the polls on election day and showing a cancella-  
40 tion mark of the United States postal service or a foreign country's

54 tions and questions to be voted for on such ballots. If at a later date  
55 the nomination of any candidate named on a military ballot is found  
56 invalid, the ballot shall still be valid, but no vote cast for any such

1 candidate on such ballot shall be counted at the election. The failure  
2 of any school board to include the name of any candidate or any proposi-  
3 tion or question on the military ballot shall in no way affect the  
4 validity of the election with respect to the office for which the nomi-  
5 nation was made or the validity of the military ballot as to any other  
6 matter.
