53 (c) Nothing in this section shall be construed to require an original

23 notice, why a proceeding should not be instituted against such person.
24 Such notice by the attorney general shall be delivered by certified mail
25 and by first-class mail with proof of mailing. In a proceeding in which
26 the attorney general seeks preliminary relief, such notice shall not be
27 required upon a finding by the attorney general that such notice is not
28 in the public interest.

29 (c) In connection with any proposed proceeding under this section, the
30 attorney general is authorized to take proof and make a determination of

44 equipment manufacturer and its authorized repair provider related to
45 either party's compliance with an existing authorized repair agreement,
46 an authorized repair provider shall have all the rights and remedies
47 provided in this section.

48 § 3. This act shall take effect on the one hundred twentieth day after
49 it shall have become a law and shall apply with respect to equipment
50 sold or in use on or after such date.
