44 § 2. Paragraph (g) of subdivision 1 of section 1193 of the vehicle and  
45 traffic law, as amended by section 57 of part A of chapter 56 of the  
46 laws of 2010, is amended to read as follows:

47 (g) Condition of probation and conditional discharge; ignition inter-  
48 lock device requirements; alternative sentence. (1) For the purposes of  
49 this subdivision, "ignition interlock monitor" shall mean a person  
50 designated by the county where a conviction for a violation of section  
51 eleven hundred ninety-two of this article shall have occurred who moni-  
52 tors compliance with the provisions of section eleven hundred ninety-  
53 eight of this article and the concurrent regulations related thereto, by  
54 participants in the ignition interlock program.

55 (2) In addition to the imposition of any fine or period of imprison-  
56 ment as set forth in this subdivision and to any license sanction

1 imposed pursuant to subdivision two of this section, the court shall  
2 sentence such person convicted of, or adjudicated a youthful offender  
3 for, a violation of subdivision two, two-a, three or four-a of section  
4 eleven hundred ninety-two of this article to a period of probation or  
5 conditional discharge, the conditions of which shall include the follow-  
6 ing:

7 (i) an express prohibition on the operation of any motor vehicle with-  
8 out a functioning ignition interlock device for a period of twelve  
9 months or longer, as set forth in this paragraph or in paragraph (c) of  
10 subdivision one-a of this section; and

11 (ii) such person shall install and maintain in accordance with the  
12 provisions of section eleven hundred ninety-eight of this article, an  
13 ignition interlock device in the motor vehicle most frequently operated  
14 by such person for a period of twelve months or longer as set forth in  
15 subparagraph three of this paragraph, including the one hundred eighty  
16 days after a license has been restored. A declaration from the ignition  
17 interlock monitor on a form provided by the commissioner, certifying  
18 that such person has operated such motor vehicle free of any violations  
19 as set forth in paragraph (i) of this subdivision for a period of one  
20 hundred twenty consecutive days after the restoration of the operator's  
21 license, shall be deemed to have satisfied the conditions of probation  
22 or conditional discharge relating to the ignition interlock requirements  
23 set forth in this paragraph. The period of interlock restriction shall  
24 commence on the date that such ignition interlock device shall have been  
25 installed.

26 (3) Notwithstanding the provisions of subparagraph two of this para-  
27 graph and subdivision two of this section relating to license sanctions,  
28 a court may impose an alternative sentence upon such person convicted  
29 of, or adjudicated a youthful offender for, a violation of subdivision  
30 two, two-a, three or four-a of section eleven hundred ninety-two of this  
31 article, a period of probation or conditional discharge, the conditions  
32 of which shall include the following:

33 (i) a prohibition from operating any vehicle without a functioning  
34 ignition interlock device for a period of twelve months or longer as set  
35 forth in subparagraph four of this paragraph; and

36 (ii) an order that such person install and maintain, in accordance  
37 with the provisions of section eleven hundred ninety-eight of this arti-  
38 cle, an ignition interlock device in the motor vehicle most regularly  
39 operated by such person for a period of twelve months. A declaration  
40 from the ignition interlock monitor on a form provided by the commis-  
41 sioner, certifying that such person has operated the motor vehicle free  
42 of any violations as set forth in paragraph (i) of this subdivision for  
43 a period of one hundred eighty consecutive days shall be deemed to have  
44 satisfied the conditions of probation or conditional discharge relating  
45 to the ignition interlock requirements as set forth in this paragraph.  
46 The period of interlock restriction shall commence on the date that such  
47 ignition interlock device shall have been installed. The alternative  
48 sentence set forth herein shall not be imposed on any offender subject  
49 to the additional penalties set forth in subdivision one-a of this  
50 section or who shall have also been convicted of a violation of any  
51 provision of article one hundred twenty or one hundred twenty five of  
52 the penal law involving the operation of a vehicle.

53 (4) When a sentence is imposed pursuant to subparagraph two or three  
54 of this paragraph, in no event shall the commissioner restore the  
55 license of any such person until the commissioner receives certification  
56 by the ignition interlock monitor that such person shall have operated

1 the motor vehicle free of any violations set forth in paragraph (i) of  
2 this subdivision for a period of one hundred twenty days for a sentence  
3 imposed pursuant to subparagraph two of this paragraph and for a period  
4 of one hundred eighty consecutive days for a sentence imposed pursuant  
5 to subparagraph three of this paragraph. A violation of any of the  
6 provisions of paragraph (i) of this subdivision shall cause the respec-  
7 tive period of operation to reset from the date of any such violation.

8 (h) Driving while ability impaired by alcohol; ignition interlock  
9 device requirement. Notwithstanding any other provision of law to the  
10 contrary, when a person shall be charged with a violation of subdivision  
11 two, two-a, three, or four-a of section eleven hundred ninety-two of  
12 this article and a plea of guilty shall have been entered in satisfac-  
13 tion of such charge to a violation of subdivision one of section eleven  
14 hundred ninety-two of this article, the conditions of such plea shall  
15 include an express prohibition on the operation of any motor vehicle  
16 without a functioning ignition interlock device for a period of six  
17 months, and such person shall install and maintain an ignition interlock  
18 device for a period of not less than six months on the motor vehicle  
19 operated most frequently by such person. A declaration from the ignition  
20 interlock monitor on a form provided by the commissioner, certifying  
21 that such person has operated the motor vehicle free of any violations  
22 as set forth in paragraph (i) of this subdivision for a period of ninety  
23 consecutive days after the date of installation, shall be deemed to have  
24 satisfied the conditions of such plea relating to the ignition interlock  
25 requirements set forth in this paragraph. The period of interlock  
26 restriction shall be deemed to commence from the date such ignition  
27 interlock device shall have been installed. If such person is found to  
28 have violated the terms of the use of such ignition interlock device as  
29 set forth in paragraph (i) of this subdivision, such ninety day period  
30 shall reset from the date of any such violation.

31 (i) Violations of ignition interlock requirements. For purposes of  
32 paragraphs (g) and (h) of this subdivision, the following shall be  
33 deemed a violation of the ignition interlock device requirements:

34 (1) any violation of the provisions of subdivision nine of section  
35 eleven hundred ninety-eight of this chapter; or

36 (2) a certified violation on a form provided by the commissioner that  
37 such person has:

38 (i) attempted to start his or her vehicle with a blood alcohol concen-  
39 tration level of .04 or more, unless a subsequent test performed within  
40 ten minutes thereafter registers a blood alcohol concentration level  
41 lower than .04 and the digital image provided confirms that the same  
42 person provided both samples;

43 (ii) failed to take any random test, unless a review of the digital  
44 image confirms that such vehicle was not occupied by the driver at the  
45 time of the missed test;

46 (iii) failed to pass any random re-test with a blood alcohol concen-  
47 tration level of .025 or lower, unless a subsequent test performed with-  
48 in ten minutes registers a blood alcohol concentration level lower than  
49 .025, and the digital image confirms that the same person provided both  
50 samples; or

51 (iv) failed to appear at the ignition interlock device vendor when  
52 required for maintenance, repair, calibration, monitoring, inspection,  
53 or replacement of such device. A certificate of violation shall be  
54 accompanied by a contemporaneous digital image verifying the identity of  
55 the violator.

(j) Ignition interlock device requirements; terms of imprisonment. When a sentence imposed pursuant to this subdivision includes a term of imprisonment, the satisfaction of such term of imprisonment shall not reduce or otherwise limit the requirements set forth in paragraph (g) of this subdivision.

(k) Demonstration of regular and consistent use. During the period of authorized use of a motor vehicle with an ignition interlock device pursuant to the provisions of this subdivision, the person so authorized shall demonstrate regular and consistent use of the ignition interlock device, evidenced by no fewer than thirty blood alcohol concentration level tests of less than .02 per each thirty-day period of such use.

(l) The office of probation and correctional alternatives shall recommend to the commissioner of the division of criminal justice services regulations governing the monitoring of compliance by persons ordered to install and maintain ignition interlock devices to provide standards for monitoring by departments of probation, and options for monitoring of compliance by such persons, that counties may adopt as an alternative to monitoring by a department of probation.

§ 3. Paragraph (c) of subdivision 1-a of section 1193 of the vehicle and traffic law, as amended by chapter 669 of the laws of 2007, is amended to read as follows:

(c) A court sentencing a person pursuant to paragraph (a) or (b) of this subdivision shall: (i) order, as a condition of such sentence, the installation of an ignition interlock device approved pursuant to section eleven hundred ninety-eight of this article in ~~[any]~~ the motor vehicle ~~[owned-or]~~ most frequently operated by the person so sentenced. Such devices shall remain installed during any period of license revocation required to be imposed pursuant to paragraph (b) of subdivision two of this section, and, upon the termination of such revocation period, for an additional period as determined by the court, but in no event less than twelve months; and (ii) order that such person receive an assessment of the degree of their alcohol or substance abuse and dependency pursuant to the provisions of section eleven hundred ninety-eight-a of this article. Where such assessment indicates the need for treatment, such court is authorized to impose treatment as a condition of such sentence except that such court shall impose treatment as a condition of a sentence of probation or conditional discharge pursuant to the provisions of subdivision three of section eleven hundred ninety-eight-a of this article. Any person ordered to install an ignition interlock device pursuant to this paragraph shall be subject to paragraph (j) of subdivision one of this section and the provisions of subdivisions four, five, seven, eight and nine of section eleven hundred ninety-eight of this article.

§ 4. Subdivisions 1, 2, 3, 4 and 5 of section 1198 of the vehicle and traffic law, subdivisions 1, 2, 3, 4 and paragraph (a) of subdivision 5 as amended by chapter 496 of the laws of 2009, paragraph (a) of subdivision 4 as amended by chapter 169 of the laws of 2013, and subdivision 5 as amended by chapter 669 of the laws of 2007, are amended to read as follows:

1. Applicability. The provisions of this section shall apply throughout the state to each person required or otherwise ordered by a court as a condition of sentence, plea, probation or conditional discharge, which shall prohibit the operation of a motor vehicle without a functioning ignition interlock device and requires such person to install and ~~[operate]~~ maintain an ignition interlock device in ~~[any]~~ the vehicle ~~[which he-or-she-owns-or-operates]~~ most frequently operated by such person.

2. Requirements. (a) In addition to any other penalties prescribed by law, the court shall require that any person who has been convicted ~~[of]~~ or adjudicated a youthful offender for a violation of subdivision two, two-a ~~[or]~~, three or four-a of section eleven hundred ninety-two of this article, or any crime defined by this chapter or the penal law of which an alcohol-related violation of any provision of section eleven hundred ninety-two of this article is an essential element, ~~[to]~~ shall not operate a motor vehicle without an ignition interlock device and shall install and maintain, as a condition of plea, sentence, probation or conditional discharge, a functioning ignition interlock device in accordance with the provisions of this section and, as applicable, in accordance with the provisions of subdivisions one and one-a of section eleven hundred ninety-three of this article; provided, however, the court may not authorize the operation of a motor vehicle by any person whose license or privilege to operate a motor vehicle has been revoked except as provided herein. For any such individual subject to a sentence of probation, installation and maintenance of such ignition interlock device shall be a condition of probation.

(b) Nothing contained in this section shall prohibit a court, upon application by a probation department, from modifying the conditions of probation of any person convicted of any violation set forth in paragraph (a) of this subdivision prior to the effective date of this section, to require the installation and maintenance of a functioning ignition interlock device, and such person shall thereafter be subject to the provisions of this section.

~~[(c) Nothing contained in this section shall authorize a court to sentence any person to a period of probation or conditional discharge for the purpose of subjecting such person to the provisions of this section, unless such person would have otherwise been so eligible for a sentence of probation or conditional discharge.]~~

3. Conditions. (a) ~~[Notwithstanding any other provision of law]~~ Except as provided for sentences imposed pursuant to paragraph (g) of subdivision one of section eleven hundred ninety-three of this chapter, the commissioner may grant a post-revocation conditional license, as set forth in paragraph (b) of this subdivision, to a person who has been convicted of a violation of subdivision two, two-a ~~[or]~~, three or four-a of section eleven hundred ninety-two of this article and who has been sentenced to a period of probation or conditional discharge, provided the person has satisfied the minimum period of license revocation established by law and the commissioner has been notified that such person may operate only a motor vehicle equipped with a functioning ignition interlock device. No such request shall be made nor shall such a license be granted, however, if such person has been found by a court to have committed a violation of section five hundred eleven of this chapter during the license revocation period or deemed by a court to have violated any condition of probation or conditional discharge set forth by the court relating to the operation of a motor vehicle or the consumption of alcohol. In exercising discretion relating to the issuance of a post-revocation conditional license pursuant to this subdivision, the commissioner shall not deny such issuance based solely upon the number of convictions for violations of any subdivision of section eleven hundred ninety-two of this article committed by such person within the ten years prior to application for such license. Upon the termination of the period of probation or conditional discharge set by the court, the person may apply to the commissioner for restoration of a

1 license or privilege to operate a motor vehicle in accordance with this  
2 chapter.

3 (b) Notwithstanding any inconsistent provision of this chapter, a  
4 post-revocation conditional license granted pursuant to paragraph (a) of  
5 this subdivision shall be valid only for use by the holder thereof, (1)  
6 [~~enroute~~] en route to and from the holder's place of employment, (2) if  
7 the holder's employment requires the operation of a motor vehicle then  
8 during the hours thereof, (3) [~~enroute~~] en route to and from a class or  
9 course at an accredited school, college or university or at a state  
10 approved institution of vocational or technical training, (4) to and  
11 from court ordered probation activities, (5) to and from a motor vehicle  
12 office for the transaction of business relating to such license, (6) for  
13 a three hour consecutive daytime period, chosen by the department, on a  
14 day during which the participant is not engaged in usual employment or  
15 vocation, (7) [~~enroute~~] en route to and from a medical examination or  
16 treatment as part of a necessary medical treatment for such participant  
17 or member of the participant's household, as evidenced by a written  
18 statement to that effect from a licensed medical practitioner, (8)  
19 [~~enroute~~] en route to and from a class or an activity which is an  
20 authorized part of the alcohol and drug rehabilitation program and at  
21 which participant's attendance is required, and (9) [~~enroute~~] en route  
22 to and from a place, including a school, at which a child or children of  
23 the participant are cared for on a regular basis and which is necessary  
24 for the participant to maintain such participant's employment or enroll-  
25 ment at an accredited school, college or university or at a state  
26 approved institution of vocational or technical training.

27 (c) The post-revocation conditional license described in this subdivi-  
28 sion may be revoked by the commissioner for sufficient cause including  
29 but not limited to, failure to comply with the terms of the condition of  
30 probation or conditional discharge set forth by the court, conviction of  
31 any traffic offense other than one involving parking, stopping or stand-  
32 ing [~~or~~], conviction of any alcohol or drug related offense, misdemeanor  
33 or felony, any violation of section five hundred eleven of this chapter  
34 or section eleven hundred ninety-two of this article with respect to  
35 operating a motor vehicle without an ignition interlock device when  
36 required to do so, or failure to install or maintain a court ordered  
37 ignition interlock device.

38 (d) Nothing contained herein shall prohibit the court from requiring,  
39 as a condition of probation or conditional discharge, the installation  
40 of a functioning ignition interlock device in any vehicle owned or oper-  
41 ated by a person sentenced for a violation of subdivision two, two-a,  
42 [~~or~~] or four-a of section eleven hundred ninety-two of this [~~chap-~~  
43 ~~ter~~] article, or any crime defined by this chapter or the penal law of  
44 which an alcohol-related violation of any provision of section eleven  
45 hundred ninety-two of this [~~chapter~~] article is an essential element, if  
46 the court in its discretion, determines that such a condition is neces-  
47 sary to ensure the public safety. Imposition of an ignition interlock  
48 condition shall in no way limit the effect of any period of license  
49 suspension or revocation set forth by the commissioner or the court.

50 (e) Nothing contained herein shall prevent the court from applying any  
51 other conditions of probation or conditional discharge allowed by law,  
52 including treatment for alcohol or drug abuse, restitution and community  
53 service.

54 (f) The commissioner shall note on the operator's record of any person  
55 restricted pursuant to this section that, in addition to any other

1 restrictions, conditions or limitations, such person may operate only a  
2 motor vehicle equipped with an ignition interlock device.

3 4. Proof of compliance and recording of condition. (a) Following  
4 imposition by the court of the use of an ignition interlock device as a  
5 condition plea, sentence, of probation or conditional discharge it shall  
6 require the person to provide proof of compliance with this section to  
7 the court and the probation department or other monitor where such  
8 person is under probation or conditional discharge supervision. A claim  
9 by such person that he or she has good cause for not installing an  
10 ignition interlock device shall be made to the court at or before  
11 sentencing, in writing in the form of a sworn affidavit signed by such  
12 person asserting under oath that he or she is not the registered or  
13 titled owner of any motor vehicle and will not operate any motor vehicle  
14 during the period of restriction, or that such person does not have  
15 access to the vehicle operated by such person at the time of the  
16 violation of section eleven hundred ninety-two of this article, or that  
17 the registered owner of that vehicle or any vehicle registered to such  
18 person's household will not give consent for the installation of an  
19 interlock device on his or her vehicle. The affidavit shall include a  
20 statement regarding whether such person owned any motor vehicle on the  
21 date of the underlying violation of section eleven hundred ninety-two of  
22 this article and whether ownership of any of those vehicles has been  
23 transferred to another party by sale, gift or any other means since the  
24 date of said violation. The affidavit shall also include a statement  
25 from such person that he or she has not and will not transfer ownership  
26 of any vehicle to evade installation of an ignition interlock device,  
27 the address of such person's employment, if applicable, and how such  
28 person intends to travel to that location during the period of  
29 restriction. The person also may include any other facts and circum-  
30 stances he or she believes to be relevant to the claim of good cause.  
31 The court shall make a finding whether good cause exists on the record  
32 and, if good cause shall be found, issue such finding in writing to be  
33 filed by such person with the probation department or the ignition  
34 interlock monitor, as appropriate. In the event the court denies such  
35 person's claim of good cause on the basis of the affidavit filed with  
36 the court, such persons shall be given an opportunity to be heard. Such  
37 person shall also be permitted to waive the opportunity to be heard, if  
38 he or she chooses to do so. If [the] a person shall be ordered to  
39 install and maintain an ignition interlock device, and such person fails  
40 to provide for such proof of installation, absent a finding by the court  
41 of good cause for that failure which is entered in the record, the court  
42 may revoke, modify, or terminate the person's sentence of probation or  
43 conditional discharge as provided under law. [Good cause may include a  
44 finding that the person is not the owner of a motor vehicle if such  
45 person asserts under oath that such person is not the owner of any motor  
46 vehicle and that he or she will not operate any motor vehicle during the  
47 period of interlock restriction except as may be otherwise authorized  
48 pursuant to law.] "Owner" shall have the same meaning as provided in  
49 section one hundred twenty-eight of this chapter.

50 (b) When a court imposes the condition specified in subdivision one of  
51 this section, the court shall notify the commissioner in such manner as  
52 the commissioner may prescribe, and the commissioner shall note such  
53 condition on the operating record of the person subject to such condi-  
54 tions.

55 5. Cost, installation and maintenance. (a) The cost of installing and  
56 maintaining the ignition interlock device shall be borne by the person

1 subject to such condition unless the court determines such person is  
2 financially unable to afford such cost whereupon such cost may be  
3 imposed pursuant to a payment plan or waived. In the event of such  
4 waiver, the cost of the device shall be borne in accordance with regu-  
5 lations issued under paragraph (g) of subdivision one of section eleven  
6 hundred ninety-three of this article or pursuant to such other agreement  
7 as may be entered into for provision of the device. Such cost shall be  
8 considered a fine for the purposes of subdivision five of section 420.10  
9 of the criminal procedure law. Such cost shall not replace, but shall  
10 instead be in addition to, any fines, surcharges, or other costs imposed  
11 pursuant to this chapter or other applicable laws.

12 (b) The installation and service provider of the device shall be  
13 responsible for the installation, calibration, and maintenance of such  
14 device.
