applying for or renewing a license for hunting, fishing, or trapping issued pursuant to title seven of article eleven of the environmental conservation law, be provided space so that such applicant may register in the donate life registry for organ, eye and tissue donations pursuant to section forty-three hundred ten of this chapter with the following stated in clear conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application or renewal, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under sixteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry. Where an applicant has previously consented to make an anatomical gift or is registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration.

§ 3. Section 11-0713 of the environmental conservation law is amended by adding a new subdivision 7 to read as follows:

7. The commissioner shall provide, on each form for purchase or renewal of a license pursuant to this title, space for the applicant to register in the donate life registry for organ, eye and tissue donations established pursuant to section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

Failure to check a box shall not be construed to imply a wish not to donate. In the case of an applicant under sixteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry. Where an applicant has previously consented to make an anatomical gift or is registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration.

§ 4. This act shall take effect immediately.
