It shall be the duty of the officer conducting the investigation before the grand jury, the head of a state department, the chairman of the temporary state Commission or other state agency of the state of New York or the state of New Jersey, the organized crime task force in the department of law of the state of New York, the head of a city department or other city agency before which the refusal occurs to send notice of such refusal, together with the names of any firm, partnership or corporation of which the person so refusing is known to be a member, partner, officer or director, to the commissioner of transportation of the state of New York or the state of New Jersey, or the commissioner of general services as the case may be, and the appropriate departments, agencies and officials of the applicable state, political subdivisions thereof or public authorities with whom the persons so refusing and any firm, partnership or corporation of which he or she is a member, partner, director or officer, is known to
have a contract. However, when such refusal occurs before a body other than a grand jury, notice of refusal shall not be sent for a period of ten days after such refusal occurs. Prior to the expiration of this ten-day period, any person, firm, partnership or corporation which has become liable to the cancellation or termination of a contract or disqualification to contract on account of such refusal may commence a special proceeding at a special term of the supreme court of New York or superior court of New Jersey, held within the judicial district in which the refusal occurred, for an order determining whether the questions in response to which the refusal occurred were relevant and material to the inquiry. Upon the commencement of such proceeding, the sending of such notice of refusal to answer shall be subject to order of the court in which the proceeding was brought in a manner and on such terms as the court may deem just. If a proceeding is not brought within ten days, notice of refusal shall thereupon be sent as provided in this paragraph.

(e) Removal of disqualification of public contractors by petition. (i) Any firm, partnership or corporation which has become subject to the cancellation or termination of a contract or disqualification to contract on account of the refusal of a member, partner, director or officer thereof to waive immunity when called to testify, as provided in paragraph (d) of this subdivision, may, upon ten days' notice to the attorney general of the state in which the refusal occurred and to the officer who conducted the investigation before the grand jury or other body in which the refusal occurred, commence a special proceeding at a special term of the supreme court of New York or superior court of New Jersey held within the judicial district in which the refusal occurred for a judgment discontinuing the disqualification. Such application shall be in the form of a petition setting forth grounds, including that the cooperation by petitioner with the grand jury or other body at the time of the refusal was such, and the amount and degree of control and financial interest, if any, in the petitioning firm, partnership or corporation by the member, partner, officer or director who refused to waive immunity is such that it will not be in the public interest to cancel or terminate petitioner's contracts or to continue the disqualification, as provided in paragraph (d) of this subdivision. A copy of the petition and accompanying papers shall be served with the notices to be given pursuant to this subdivision.

(ii) Upon the filing of a petition described in subparagraph (i) of this paragraph the court may stay as to petitioner, pending a decision upon the petition, the cancellation or termination of any contracts resulting from such refusal upon such terms as to notice or otherwise as may be just.

(iii) At least two days prior to the return day, the officer who conducted the investigation before the grand jury or other body and the attorney general may file answers to the petition or apply for judgment dismissing the petition as a matter of law. On or before the return day the petitioner may file a reply to the answer.

(iv) Upon the return day the court may, upon the petition and answer and other papers filed, forthwith render such judgment as the case requires, or if a triable issue of fact is duly raised, it shall forthwith be tried before a court sitting without a jury or before a referee. The provisions of statute or rule governing references in an action shall apply to a reference under this subdivision.

(v) The court shall render judgment dismissing the petition on the merits or discontinuing the disqualification upon the ground that the public interest would be served by its discontinuance, and granting such
other relief as to the cancellation or termination of contracts as may be appropriate, but without costs to petitioner.

(f) Statement of non-collusion in bids or proposals to the Commission.

4. No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition."

(ii) A bid shall not be considered for award nor shall any award be made where the provisions of subparagraph (i) of this paragraph have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefor. Where the provisions of subparagraph (i) of this paragraph have not been complied with, the bid shall not be considered for award nor shall any award be made unless the Commission or official thereof determines that such disclosure was not made for the purpose of restricting competition. The fact that a bidder (A) has published price lists, rates, or tariffs covering items being procured, (B) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (C) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure.

(iii) Any bid hereafter made to the Commission by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is utilized, and where such bid contains the certification referred to in subparagraph (i) of this paragraph, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.
