

STATE OF NEW YORK

8521

2019-2020 Regular Sessions

IN ASSEMBLY

August 7, 2019

Introduced by M. of A. COLTON -- read once and referred to the Committee on Energy

AN ACT to amend the public buildings law, in relation to authorizing the use of cool roofs on new or substantially renovated state-owned buildings

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The section heading and subdivision 1 of section 83 of the
2 public buildings law, as added by chapter 380 of the laws of 2009, are
3 amended to read as follows:

4 Agency green building and cool roof construction requirements. 1.
5 ~~[The]~~ (a) For purposes of minimizing the consumption of energy and
6 providing for the efficient utilization of resources expended in the use
7 and occupancy of state buildings, the construction of new buildings and
8 the substantial renovation of existing buildings shall comply with such
9 green construction requirements and procedures as shall have been estab-
10 lished by the office in regulations pursuant to subdivision two of this
11 section.

12 (b) For the purpose of increasing solar reflectance and thermal emit-
13 tance of agency buildings, new construction of agency buildings with
14 flat roofs or substantial renovation of the roof subsystem of agency
15 buildings with flat roofs shall comply with the cool roof standards and
16 regulations promulgated by the office pursuant to subdivision two of
17 this section. Such standards and regulations shall require the use of
18 materials and/or methods including, but not be limited to:

19 (i) Inherently cool roofing materials such as white vinyl;

20 (ii) Coated roofs and white paint based products;

21 (iii) Green roofs using plant-based materials for insulation cover.

22 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
