1 lease or operation of any critical infrastructure owned by the state or  
2 public authority would threaten public security;

3 § 2. The executive law is amended by adding a new section 716-a to  
4 read as follows:

5 § 716-a. Critical infrastructure advisory council. 1. There is hereby  
6 established a critical infrastructure advisory council consisting of the  
7 commissioner of the division of homeland security and emergency services  
8 who shall act as chair of the council, the commissioner of transporta-  
9 tion, the superintendent of state police, the chair of the public  
10 authorities control board, a member appointed by the temporary president  
11 of the senate and a member appointed by the speaker of the assembly. The  
12 temporary president of the senate and the speaker of the assembly shall  
13 have ninety days from the effective date of this section to appoint  
14 members to this council.

15 2. (a) A firm or corporation proposing to purchase or lease critical  
16 infrastructure owned by a state or public authority shall notify the  
17 commissioner within ninety days of the proposed transfer of rights to  
18 such critical infrastructure. Such notice shall include:

19 (i) the nature of transfer from the state or public authority to the  
20 transferee including the identification of what rights will be trans-  
21 ferred, the duration of transfer and reason for such transfer as given  
22 by the state or public authority or corporation transferring an electric  
23 generating facility; and

24 (ii) management and ownership details of the firm or corporation  
25 including shareholders, corporate officers and designation of who will  
26 be responsible for security at the facility; and

27 (iii) a proposal for security measures to be taken at the facility  
28 including security plans to prevent a terrorist attack and screening of  
29 personnel including any criminal background checks.

30 (b) Within thirty days of the initial notification the proposed trans-  
31 feree may submit an addendum to the original notice.

32 3. Within ninety days of notice to the commissioner of the division of  
33 homeland security and emergency services, the division of homeland secu-  
34 rity and emergency services shall evaluate the proposed transfer includ-  
35 ing the security plan and criminal history of those with operational  
36 responsibility of the facility including chief security personnel and  
37 shall submit a report to the critical infrastructure advisory council.

38 4. Within sixty days of submission of the report, the critical infras-  
39 tructure advisory council shall, by majority vote, choose to prohibit or  
40 approve the transfer of the rights of critical infrastructure. The coun-  
41 cil shall inform the proposed transferee of its decision including  
42 specific reasons why the transfer is declined. The transferee may resub-  
43 mit its proposal within thirty days of the decision to address any  
44 specific reason for declination. The committee may choose to accept or  
45 decline any resubmission by majority vote within thirty days of such  
46 resubmission.

47 5. Upon the approval of transfer, the transferee shall file a yearly  
48 statement from the date of transfer, changes to its security plan and  
49 any changes in corporate officers or security management personnel.

50 6. The provisions of subdivisions two, three, four and five of this  
51 section shall not apply in any respect to, nor shall the critical  
52 infrastructure advisory council have any authority in connection with,  
53 any purchase, lease, transfer of rights, or other transaction that will  
54 be the subject of a notice filing with the Federal Committee on Foreign  
55 Investment in the United States (CFIUS).

1     § 3. Section 66 of the public service law is amended by adding a new  
2 subdivision 29 to read as follows:

3     29. The commission shall consult with the division of homeland securi-  
4 ty and emergency services when there is a proposed sale or lease of an  
5 electric generating facility.

6     § 4. Subdivision 5 of section 86 of the public officers law, as added  
7 by chapter 403 of the laws of 2003, is amended to read as follows:

8     5. "Critical infrastructure" means systems, assets, places or things,  
9 whether physical or virtual, so vital to the state that the disruption,  
10 incapacitation or destruction of such systems, assets, places or things  
11 could jeopardize the health, safety, welfare or security of the state,  
12 its residents or its economy and shall include but is not limited to  
13 nuclear facilities, power plants, telecommunications systems, mass  
14 transportation systems, public roadways, railways, bridges and tunnels,  
15 marine terminals, airports, heliports and other aircraft facilities,  
16 water suppliers, as defined in subdivision one of section eleven hundred  
17 twenty-five of the public health law, prisons and jails.

18     § 5. This act shall take effect immediately.
