STATE OF NEW YORK

8940

IN ASSEMBLY

January 2, 2020

Introduced by M. of A. BENEDETTO -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law in relation to establishing the "New York patients' right to know act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. Short title. This act shall be known and may be cited as the "New York patients' right to know act".
- \S 2. The education law is amended by adding a new section 6533 to read 4 as follows:
- § 6533. Patients' right to know. 1. A physician found guilty of any category of professional misconduct as specified in subdivision two of this section, under the procedures prescribed in section two hundred thirty of the public health law, shall provide to all patients a disclosure which includes:
- 10 (a) the penalties imposed upon such physician pursuant to section two 11 hundred thirty-a of the public health law, as added by chapter 606 of 12 the laws of 1991, and the duration of such penalties;
- 13 <u>(b) the office of professional medical conduct's contact information;</u>
 14 <u>and</u>
- 15 (c) an explanation of how patients can find further information about 16 such physician's history of misconduct on the office of professional 17 medical conduct's internet website.
- 2. A physician found guilty of professional misconduct under any of the following subdivisions of section sixty-five hundred thirty of this article shall provide to all patients the disclosure required by subdivision one of this section:
- 22 <u>(a) professional misconduct under paragraph (a) of subdivision nine</u> 23 involving a criminal conviction where:
- 24 <u>(i) such criminal conviction was for any sex offense under article one</u> 25 <u>hundred thirty of the penal law, and where such sex offense was commit-</u> 26 <u>ted against a patient of such physician; or</u>
- 27 (ii) such criminal conviction was for any other act resulting in harm 28 to a patient;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
