8977

## IN ASSEMBLY

January 7, 2020

Introduced by M. of A. LUPARDO -- read once and referred to the Committee on Agriculture

AN ACT to amend the agriculture and markets law and the public health law, in relation to hemp, cannabinoid hemp, and hemp extract; and to repeal certain provisions of the agriculture and markets law relating thereto

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Articles 29 and 29-A of the agriculture and markets law, 2 article 29-A as added by a chapter of the laws of 2019 amending the 3 agriculture and markets law relating to the growth of industrial hemp 4 and the regulation of hemp extract, as proposed in legislative bills 5 numbers S.6184-A and A.7680-A, are REPEALED and a new article 29 is 6 added to read as follows:

7		ARTICLE 29
8		GROWTH OF HEMP
9	Section 505.	Definitions.
10	<u>506.</u>	Growth, sale, distribution, transportation and processing
11		of hemp and products derived from such hemp permitted.
12	507.	Prohibitions.
13	508.	Regulations.
14	<u>509.</u>	Hemp grower's authorization, license; fees; requirements.
15	<u>510.</u>	Granting, suspending or revoking licenses.
16	<u>511.</u>	Proceedings to review.
17	<u>512.</u>	Transferability; change in ownership or control.
18	<u>513.</u>	Access to criminal history information through the division
19		<u>of criminal justice services.</u>
20	<u>514.</u>	Records.
21	<u>515.</u>	Aids to enforcement.
22	<u>516.</u>	Compliance action plan.
23	<u>517.</u>	Penalties.
24	<u>518.</u>	Remedies.
25	<u>519.</u>	Hemp economic development.
26	<u>520.</u>	Hemp data collection and best farming practices.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD11646-11-0

1	<u>521. Severability.</u>
2	<u>§ 505. Definitions. As used in this article:</u>
3	1. "Hemp" means the plant Cannabis sativa L. and any part of such
4	plant, including the seeds thereof and all derivatives, extracts, canna-
5	binoids, isomers, acids, salts, and salts of isomers, whether growing or
6	not, with a delta-9 tetrahydrocannabinol concentration of not more than
7	three-tenths of a percent on a dry weight basis.
8	2. "Institution of higher education" means:
9	(a) any of the colleges and universities described in subdivision
10	three of section three hundred fifty-two of the education law;
11	(b) a college established and operated pursuant to the provisions of
12	article one hundred twenty-six of the education law, and providing two-
13	year or four-year post-secondary programs in general and technical
14	educational subjects and receiving financial assistance from the state;
15	(c) the city university of New York, as defined in subdivision two of
16	section sixty-two hundred two of the education law; and
17	(d) a not-for-profit two or four-year university or college given the
18	power to confer associate, baccalaureate or higher degrees in this state
19	by the legislature or by the regents under article five of the education
20	law.
21	3. "License" means a license, permit or registration issued pursuant
22	to this article.
23	4. "Processing of hemp in connection with its growing and cultivation"
24	means the growing, cultivation, cloning, harvesting, drying, curing,
25	grinding and trimming of hemp plants.
26	§ 506. Growth, sale, distribution, transportation and processing of
27	hemp and products derived from such hemp permitted. 1. Notwithstanding
28	any provision of law to the contrary, hemp and products derived from
29	such hemp are agricultural products which may be grown, cultivated,
30	produced, processed, manufactured, possessed in the state, and sold,
31	distributed, or transported in the state, pursuant to authorization
32	under federal law, the provisions of this article, article
33	thirty-three-B of the public health law or any other state law.
34	2. Notwithstanding any provision of law to the contrary restricting
35	the growing or cultivating, processing, manufacturing, sale, distrib-
36	ution or transportation of hemp and products derived from such hemp, and
37	subject to authorization of the growth and cultivation of hemp under
38	federal law, the commissioner may: (a) authorize the growing, cultivat-
39	ing, processing and manufacturing of hemp as part of agricultural pilot
40	programs conducted by the department or an institution of higher educa-
41	tion to study the growth and cultivation, sale, distribution, transpor-
42	tation, processing and manufacturing of such hemp and products derived
43	from such hemp provided that the sites and programs used for growing or
44	cultivating hemp are authorized by, and registered with, the department;
45	and (b) license the growth and cultivation of hemp, including the proc-
46	essing of hemp in connection with its growing and cultivation, and the
47	sale of hemp plants or hemp seed.
48	§ 507. Prohibitions. 1. Except as authorized by federal and state law,
49 50	and rules and regulations promulgated thereunder, the growth, culti-
50	vation, sale, distribution or export of hemp is prohibited.
51	2. Hemp produced outside the state and sold or distributed in the
52	state shall meet all standards established for hemp under state law,
53 E4	rules and regulations.
54 55	§ 508. Regulations. The commissioner is hereby authorized to adopt,
55	amend, promulgate and issue rules and regulations consistent with the
56	provisions of this article, including, but not limited to:

1	<u>1. The authorization or licensing of any person who may acquire or</u>
2	possess hemp plants or viable seeds, grow or cultivate hemp plants, or
3	sell, purchase, distribute, or transport such plants, plant parts, or
4	seeds;
5	2. Reasonable license fees and duration of licensure, which shall be
б	<u>at least three years;</u>
7	3. Maintaining relevant information regarding land on which hemp is
8	produced within the state, including the legal description of the land
9	and its latitude and longitude, for a period of not less than three
10	<u>calendar years;</u>
11	4. The procedure for testing of hemp produced in the state for delta-9
12	tetrahydrocannabinol levels, using post decarboxylation, other similarly
13	reliable methods, or any other method authorized by the United States
14	department of agriculture;
15	5. Procedures for effective disposal of hemp plants or products
16	derived from hemp that are produced in violation of this article or its
17	rules and regulations;
18	6. Procedures for conducting sampling of hemp to verify that hemp is
19	not produced in violation of this article or its rules and regulations;
20	7. Such other matters that are necessary or appropriate for the state
21	to obtain approval from the United States department of agriculture to
22	assume primary regulatory authority over the production of hemp, pursu-
23	ant to federal law;
24	8. Such other matters that are necessary or appropriate for the admin-
25	istration of agricultural pilot programs of the department or insti-
26	tutions of higher education or the regulation of program participants or
27	their activities;
28	9. Record keeping and any reporting requirements;
29	10. Reasonably necessary security measures;
30	11. Standards, practices or requirements for the growth, cultivation
31	and the processing of hemp in connection with its cultivation, as neces-
32	sary, depending upon the hemp's intended use; or
33	12. Such other rules and regulations as the commissioner deems appro-
34	priate or necessary.
35	§ 509. Hemp grower's authorization, license; fees; requirements. 1. No
36	person shall: (a) grow, cultivate, process, produce, sell or distribute
37	hemp in the state unless authorized by the commissioner as part of an
38	agricultural research pilot program established under this article; or
39	(b) grow, cultivate and process hemp in connection with its growing and
40	cultivation or sell hemp plants or hemp seed unless licensed by the
41	commissioner. Mere transportation, such as by common carrier or another
42	entity or individual, does not constitute activity subject to licensing
43	under this article.
44	2. A hemp grower license does not authorize the processing or retail
45	sale of hemp for human consumption, as defined in section thirty-three
46	hundred ninety-eight of the public health law, unless the licensee also
47	obtains a cannabinoid hemp processor license, cannabinoid hemp retailer
48	license, or any other license required pursuant of article
49	thirty-three-B of the public health law.
50	3. Applications for licenses, authorizations or a modification there-
51 52	of, as set out in regulation, shall be upon a form specified by the
52 52	commissioner, accompanied by a reasonable application fee for new appli-
53 E4	cations or significant modifications to an application, which shall be
54	established by regulation and which may be made non-refundable by regu-

55 <u>lation.</u>

1 4. The commissioner may also assess a reasonable authorization or licensing fee established by regulation, scaled to cover the estimated, 2 3 or if known, actual costs of inspections, regulatory testing and other 4 administrative expenses of the authorized or licensed activity, which 5 fee shall be paid prior to the issuance of the authorization or license. б 5. The applicant, if an individual, shall be asked to furnish together 7 with the application evidence of his or her good moral character and, if 8 an entity, the applicant shall be asked to furnish together with the 9 application evidence of the good moral character of the individuals who 10 have or will have substantial responsibility for the licensed or author-11 ized activity and those in control of the entity, including principals, officers, or others exercising such control. The names of such individ-12 13 uals shall be set forth in the application. 14 6. The applicant shall furnish evidence of his, her or its experience and competency, and that the applicant has adequate facilities, equip-15 16 ment, process controls, testing capability and security, to grow, culti-17 vate and process hemp in connection with its growing and cultivation or 18 to sell hemp plants or hemp seed. 19 7. The department shall provide an application for renewal of any 20 license issued under this article not less than ninety days prior to the 21 expiration of the current license. A renewal application shall be submitted to the commissioner at least thirty days prior to the expira-22 tion of the authorization or license, on a form or forms provided by the 23 24 commissioner for such purpose. 25 § 510. Granting, suspending or revoking licenses. After due notice and 26 opportunity to be heard, as established by rules and regulations, the 27 commissioner may decline to grant a new license, impose conditions or limits with respect to the grant of a license, modify an existing 28 29 license or decline to renew a license, or suspend or revoke a license 30 already granted, whenever the commissioner finds that: 31 1. A material statement contained in an application is or was false or 32 misleading; 33 2. The applicant or licensee, or a person in a position of management and control thereof or of the licensed activity, does not have good 34 35 moral character, necessary experience or competency, adequate facilities, equipment, process controls, testing capability or security, to 36 grow, cultivate and process hemp in connection with its growing and 37 38 cultivation or to sell hemp plants or hemp seed; 39 3. After appropriate notice and opportunity, the applicant or licensee has failed to produce any records or provide any information required by 40 41 this article, the rules and regulations promulgated pursuant thereto or 42 demanded by the commissioner, reasonably related to the administration 43 and enforcement of this article; 44 4. The applicant or licensee, or any officer, director, partner, or 45 other person exercising any position of management or control thereof 46 has willfully failed to comply with any of the provisions of this arti-47 cle or rules and regulations promulgated pursuant thereto or other law of this state applicable to the licensed activity; or 48 49 5. The licensee has failed to comply with its compliance action plan established under section five hundred sixteen of this article. 50 51 § 511. Proceedings to review. The action of the commissioner in refusing to grant or renew a license, or in revoking or suspending a license, 52 53 or in conditioning or limiting the granting or renewal of a license, may 54 be reviewed in the manner provided by article seventy-eight of the civil practice law and rules, and the decision of the commissioner shall be 55 56 final unless within four months from the date of service thereof upon

the party affected thereby a court proceeding is instituted to review 1 2 such action. The pleadings upon which such review proceeding is insti-3 tuted shall be served in the manner specified in the civil practice law 4 and rules, unless a different manner of service is provided in an order 5 to show cause granted by the supreme court. б § 512. Transferability; change in ownership or control. 1. Licenses 7 issued under this article are not transferable, absent written consent 8 of the commissioner. 9 2. A license shall become void by a change in ownership, substantial 10 corporate change or change of location or acreage grown without prior 11 written approval of the commissioner. The commissioner may promulgate rules and regulations allowing for certain types of changes in ownership 12 13 without the need for prior written approval. 14 § 513. Access to criminal history information through the division of criminal justice services. In connection with the administration of 15 16 this article, the commissioner is authorized to request, receive and 17 review criminal history information through the division of criminal justice services, referred to as "the division" for the purposes of this 18 19 section, with respect to any person seeking authorization under this 20 article to undertake a hemp pilot project or a hemp license; and/or each 21 individual who has substantial management responsibility for the authorized or licensed activity or those in control of the entity, including 22 principals, officers, or other such persons. Those persons for whom 23 criminal history information is sought shall promptly submit to the 24 division his or her fingerprints in such form and in such manner as 25 26 specified by the division, for the purpose of conducting a search iden-27 tifying criminal convictions and pending criminal charges and returning a report thereon in accordance with the procedures and requirements 28 29 established by the division pursuant to the provisions of article thir-30 ty-five of the executive law, which shall include the payment of the 31 specified processing fees for the cost of the division's full search and retain procedures and a national criminal history record check for such 32 33 information. The commissioner, or his or her designee, shall submit such 34 fingerprints and the processing fee to the division. The division shall 35 forward to the commissioner a report with respect to the person's previous criminal convictions and pending criminal charges, if any, or a 36 statement that the person has no such previous criminal history accord-37 ing to its files. Fingerprints submitted to the division pursuant to 38 this section may also be submitted to the federal bureau of investi-39 gation for a national criminal history record check as described in this 40 41 section. If additional copies of fingerprints are required, the person 42 to be fingerprinted shall furnish them upon request. 43 § 514. Records. Every licensee shall keep, in such form as the commis-44 sioner may direct, such records as may be required pursuant to rules and 45 regulations promulgated pursuant to this article. 46 § 515. Aids to enforcement. 1. All licensees shall be subject to reasonable inspection by the department and a person who holds a license 47 must make himself or herself, or an agent thereof, available and present 48 for any inspection required by the department. The department shall make 49 reasonable accommodations so that ordinary business is not interrupted, 50 51 and safety and security procedures are not compromised by the 52 inspection. 53 2. The commissioner may promulgate rules and regulations to aid in the 54 enforcement of this article, provided such enforcement tools, remedies 55 and/or procedures are available to the commissioner for enforcement with

1	respect to similar licensed practices or prohibited conduct under this
2	chapter, and/or the civil practice law and rules.
3	§ 516. Compliance action plan. If the commissioner determines, after
4	notice and an opportunity to be heard, that a licensee has negligently
5	violated a provision of this article or its rules or regulations, that
6	licensee shall be required to comply with a corrective action plan
7	established by the commissioner to correct the violation by a reasonable
8	date and to periodically report to the commissioner with respect to the
9	licensee's compliance for a period of no less than the next two calendar
10	years following the commencement date of the compliance action plan.
11	Notwithstanding the above, this provision shall not be applicable to a
12	research partner conducting hemp research pursuant to a research partner
13	agreement, the terms of which shall control.
14	§ 517. Penalties. Notwithstanding the provisions of any law to the
15	contrary, except section five hundred sixteen of this article, the fail-
16	ure to comply with a requirement of this article, a rule or regulation
17	promulgated thereunder, or the research agreements entered into by those
18	conducting department authorized research may be punishable by a civil
19	penalty of not more than one thousand dollars for a first violation; not
20	more than five thousand dollars for a second violation within three
21	years; and not more than ten thousand dollars for a third violation and
22	each subsequent violation thereafter, within three years.
23	§ 518. Remedies. The commissioner may institute such action at law or
24	in equity as may be necessary to enforce compliance with any provision
25	of this article or of any rule or regulation applicable thereto or
26	promulgated thereunder in a manner consistent with this chapter and/or
27	the civil practice law and rules.
28	§ 519. Hemp economic development. To the extent the commissioner
29	believes it to be necessary, the commissioner shall consult and cooper-
30	ate with the New York state urban development corporation with respect
31	to the funding and support of research concerning hemp and businesses
32	involved in growing, cultivating, and processing hemp for food, fiber,
33	cannabinoid content, construction materials and other uses.
34	§ 520. Hemp data collection and best farming practices. 1. The commis-
35	sioner shall have the power to collect and publish data and research
36	concerning, among other things, the growth, cultivation, production and
37	processing methods of hemp and products derived from hemp and work with
38	the New York state college of agriculture and life sciences at Cornell
39 40	pursuant to section fifty-seven hundred twelve of the education law and
40 41	<u>Cornell</u> cooperative extension pursuant to section two hundred twenty- four of the county law to promote best farming practices for hemp which
41 42	are compatible with state water quality and other environmental objec-
43	tives.
44	2. The department, in conjunction with the department of environmental
45	conservation, shall promulgate all necessary rules and regulations, as
46	well as a process for approval, governing the safe production of hemp,
47	including, but not limited to, environmental and energy standards and
48	restrictions on the use of pesticides.
49	<u>§ 521. Severability. If any provision of this article or the applica-</u>
50	tion thereof to any person or circumstances is held invalid, such inva-
50 51	lidity shall not affect other provisions or applications of the article
52	which can be given effect without the invalid provision or application,
53	and to this end the provisions of this article are declared to be sever-
54	able.
55	§ 2. The public health law is amended by adding a new article 33-B to

56 read as follows:

1	ARTICLE 33-B
2	REGULATION OF CANNABINOID HEMP AND HEMP EXTRACT
3	Section 3398. Definitions.
4	3398-a. Rulemaking authority.
5	3398-b. Cannabinoid hemp processor license.
6	<u>3398-c. Cannabinoid hemp retailer license.</u>
7	<u>3398-d. Cannabinoid license applications.</u>
8 9	<u>3398-e. Information to be requested in applications for</u>
9 10	licenses.
11	<u>3398-f. Fees.</u> <u>3398-g. Selection criteria.</u>
12	<u>3398-h. License renewal.</u>
13	<u>3398-i. Form of license.</u>
14	<u>3398-j. Transferability; amendment to license; change in owner-</u>
15	ship or control.
16	<u>3398-k. Granting, suspending or revoking licenses.</u>
17	3398-1. Record keeping and tracking.
18	3398-m. Packaging and labeling of cannabinoid hemp and hemp
19	extract.
20	<u>3398-n. Processing of cannabinoid hemp and hemp extract.</u>
21	3398-o. Laboratory testing.
22	3398-p. New York hemp product.
23	3398-q. Penalties.
24	3398-r. Hemp workgroup.
25	3398-s. Prohibitions.
26	3398-t. Special use permits.
27	<u>3398-u. Severability.</u>
28	§ 3398. Definitions. As used in this article, the following terms
29	shall have the following meanings, unless the context clearly requires
30	otherwise:
31	1. "Cannabinoid" means the phytocannabinoids found in hemp and does
32	not include synthetic cannabinoids as that term is defined in subdivi-
33	sion (g) of schedule I of section thirty-three hundred six of this chap-
34	<u>ter.</u>
35	2. "Cannabinoid hemp" means any hemp and any product processed or
36	derived from hemp, that is used for human consumption provided that when
37	such product is packaged or offered for retail sale to a consumer, it
38	shall not have a concentration of more than three tenths of a percent
39	<u>delta-9 tetrahydrocannabinol.</u>
40	3. "Used for human consumption" means intended by the manufacturer or
41	distributor to be: (a) used for human consumption for its cannabinoid
42	content; or (b) used in, on or by the human body for its cannabinoid
43	content.
44	4. "Hemp" means the plant Cannabis sativa L. and any part of such
45	plant, including the seeds thereof and all derivatives, extracts, canna-
46	binoids, isomers, acids, salts, and salts of isomers, whether growing or
47	not, with a delta-9 tetrahydrocannabinol concentration (THC) of not more
48	than three-tenths of a percent on a dry weight basis. It shall not
49	include "medical marihuana" as defined in subdivision eight of section
50	thirty-three hundred sixty of this chapter.
51	5. "Hemp extract" means all derivatives, extracts, cannabinoids, isom-
52 52	ers, acids, salts, and salts of isomers derived from hemp, used or
53 E4	intended for human consumption, for its cannabinoid content, with a
54 55	<u>delta-9 tetrahydrocannabinol concentration of not more than an amount</u> <u>determined by the department in regulation. For the purpose of this</u>
55 56	article, hemp extract excludes (a) any food, food ingredient or food
50	arciers, nemp extract excrudes (a) any rood, rood ingreatent of rood

1	additive that is generally recognized as safe pursuant to federal law;								
2	or (b) any hemp extract that is not used for human consumption. Such								
3	excluded substances shall not be regulated pursuant to the provisions of								
4	this article but are subject to other provisions of applicable state								
5	law, rules and regulations.								
б	6. "License" means a license issued pursuant to this article.								
7	7. "Cannabinoid hemp processor license" means a license granted by the								
8	department to process, extract, pack or manufacture cannabinoid hemp or								
9	hemp extract into products, whether in intermediate or final form, used								
10	for human consumption.								
11	8. "Processing" means extracting, preparing, treating, modifying,								
12	compounding, manufacturing or otherwise manipulating cannabinoid hemp to								
13	concentrate or extract its cannabinoids, or creating product, whether in								
14	intermediate or final form, used for human consumption. For purposes of								
15	this article, processing does not include: (a) growing, cultivation,								
16	cloning, harvesting, drying, curing, grinding or trimming when author-								
17	ized pursuant to article twenty-nine of the agriculture and markets law;								
18	or								
19	(b) mere transportation, such as by common carrier or another entity								
20	<u>or individual.</u>								
21	§ 3398-a. Rulemaking authority. The commissioner may make regulations								
22	pursuant to this article for the processing, distribution, marketing,								
23	transportation and sale of cannabinoid hemp and hemp extracts used for								
24	human consumption, which may include, but not be limited to:								
25	1. Specifying forms, establishing application, reasonable adminis-								
26	tration and renewal fees, or license duration;								
27	2. Establishing the qualifications and criteria for licensing, as								
28	authorized by law;								
29	3. The books and records to be created and maintained by licensees and								
30	lawful procedures for their inspection;								
31	4. Any reporting requirements;								
32	5. Methods and standards of processing, labeling, packaging and								
33	marketing of cannabinoid hemp, hemp extract and products derived there-								
34	from;								
35	6. Procedures for how cannabinoid hemp, hemp extract or ingredients,								
36	additives, or products derived therefrom can be deemed as acceptable for								
37	sale in the state;								
38	7. Provisions governing the modes and forms of administration, includ-								
39	ing inhalation;								
40	8. Procedures for determining whether cannabinoid hemp, hemp extract or ingredients, additives, or products derived therefrom produced								
41 42	outside the state or within the state meet the standards and require-								
42 43	ments of this article and can therefore be sold within the state;								
43 44	9. Procedures for the granting, cancellation, revocation or suspension								
44 45	of licenses, consistent with the state administrative procedures act;								
45 46	10. Restrictions governing the advertising and marketing of cannabi-								
40 47	noid hemp, hemp extract and products derived therefrom; and								
48	11. Any other regulations necessary to implement this article.								
49	§ 3398-b. Cannabinoid hemp processor license. 1. Persons processing								
49 50	cannabinoid hemp or hemp extract used for human consumption, whether in								
50 51	intermediate or final form, shall be required to obtain a cannabinoid								
52	hemp processor license from the department.								
53	2. A cannabinoid hemp processor license authorizes one or more specif-								
54	ic activities related to the processing of cannabinoid hemp into								
55	products used for human consumption, whether in intermediate or final								
56	form, and the distribution or sale thereof by the licensee. Nothing								

9

1	have a shall assume a semaching is how as seen from as seen in a								
1	herein shall prevent a cannabinoid hemp processor from processing,								
2	extracting and processing hemp products not to be used for human								
3	consumption.								
4	3. Persons authorized to grow hemp pursuant to article twenty-nine of								
5	the agriculture and markets law are not authorized to engage in process-								
6	ing of cannabinoid hemp or hemp extract without first being licensed as								
7	a cannabinoid hemp processor under this article.								
8	4. This article shall not apply to hemp, cannabinoid hemp, hemp								
9	extracts or products derived therefrom that are not used for human								
10	consumption. This article also shall not apply to hemp, cannabinoid								
11	hemp, hemp extracts or products derived therefrom that have been deemed								
12	generally recognized as safe pursuant to federal law.								
13	5. The commissioner shall have the authority to set reasonable fees								
14	for such license, to limit the activities permitted by such license, to								
15	establish the period during which such license is authorized, which								
16	shall be two years or more, and to make rules and regulations necessary								
17	to implement this section.								
18	6. Any person holding an active research partnership agreement with								
19	the department of agriculture and markets, authorizing that person to								
20	process cannabinoid hemp, shall be awarded licensure under this section,								
21	provided that the research partner is actively performing research								
22	pursuant to such agreement and is able to demonstrate compliance with								
23	this article, as determined by the department, after notice and an								
24	opportunity to be heard.								
25	§ 3398-c. Cannabinoid hemp retailer license. 1. Retailers selling								
26	cannabinoid hemp, in final form to consumers within the state, shall be								
27	required to obtain a cannabinoid hemp retailer license from the depart-								
28	ment.								
28 29									
29	2. The commissioner shall have the authority to set reasonable fees								
29 30	2. The commissioner shall have the authority to set reasonable fees for such license, to establish the period during which such license is								
29 30 31	2. The commissioner shall have the authority to set reasonable fees for such license, to establish the period during which such license is authorized, which shall be one year or more, and to make rules and regu-

Cannabinoid license applications. 1. Persons shall apply for a license under this article by submitting an application upon a form supplied by the department, providing all the relevant requested information, verified by the applicant or an authorized representative of the applicant. 2. A separate license shall be required for each facility at which processing or retail sales are conducted; however, an applicant may submit one applicant shall remit with its application the fee for each requested license, which shall be a reasonable fee. § 3398-e. Information to be requested in applications for licenses. 1. The commissioner may specify the manner and form in which an application shall be submitted to the department for licensure under this article. 2. The commissioner may adopt regulations establishing what relevant information shall be included on an application for licensure under this article. 2. The commissioner may include, but is not limited to: information, including the corporate structure; evidence of good moral character; financial statements; information about the premises to be licensed; and any other								

1	person signing such application shall verify it as true under the penal-
2	ties of perjury.
3	4. All license applications shall be accompanied by a check, draft or
4 5	other forms of payment as the department may require or authorize in the reasonable amount required by this article for such license.
6	5. If there be any change, after the filing of the application or the
7	granting, modification or renewal of a license, in any of the material
8	facts required to be set forth in such application, a supplemental
9	statement giving notice of such change, duly verified, shall be filed
10	with the department within ten days after such change. Failure to do so,
11	if willful and deliberate, may be grounds for revocation of the license.
12	<u>§ 3398-f. Fees. The department may charge licensees a reasonable</u>
13	license fee. Such fee may be based on the activities permitted by the
14	license, the amount of cannabinoid hemp or hemp extract to be processed
15	or extracted by the licensee, the gross annual receipts of the licensee
16	for the previous license period, or any other factors reasonably deemed
17	appropriate by the department.
18	§ 3398-g. Selection criteria. 1. The applicant, if an individual or
19	individuals, shall furnish evidence of the individual's good moral char-
20	acter, and if an entity, the applicant shall furnish evidence of the
21	good moral character of the individuals who have or will have substan-
22	tial responsibility for the licensed or authorized activity and those in
23	control of the entity, including principals, officers, or others with
24	such control.
25	2. The applicant shall furnish evidence of the applicant's experience
26	and competency, and that the applicant has or will have adequate facili-
27	ties, equipment, process controls, and security to undertake those
28	activities for which licensure is sought.
29	3. The applicant shall furnish evidence of his, her or its ability to
30 31	comply with all applicable state and local laws, rules and regulations. 4. If the commissioner is not satisfied that the applicant should be
31 32	issued a license, the commissioner shall notify the applicant in writing
33	of the specific reason or reasons for denial.
34	5. No license pursuant to this article may be issued to an individual
35	under the age of eighteen years.
36	§ 3398-h. License renewal. 1. Each license, issued pursuant to this
37	article, may be renewed upon application therefor by the licensee and
38	the payment of the reasonable fee for such license as specified by this
39	article.
40	2. In the case of applications for renewals, the department may
41	dispense with the requirements of such statements as it deems unneces-
42	sary in view of those contained in the application made for the original
43	license.
44	3. The department shall provide an application for renewal of any
45	license issued under this article not less than ninety days prior to the
46	expiration of the current license.
47	4. The department may only issue a renewal license upon receipt of the
48	specified renewal application and renewal fee from a licensee if, in
49	addition to the selection criteria set out in this article, the
50	licensee's license is not under suspension and has not been revoked.
51	§ 3398-i. Form of license. Licenses issued pursuant to this article
52	shall specify:
53	1. The name and address of the licensee;
54	2. The activities permitted by the license;
55	3. The land, buildings and facilities that may be used for the
56	licensed activities of the licensee:

1	4. A unique license number issued by the department to the licensee;
2	and
3	5. Such other information as the commissioner shall deem necessary to
4	assure compliance with this chapter.
5	§ 3398-j. Transferability; amendment to license; change in ownership
б	or control. 1. Licenses issued under this article are not transferable,
7	absent written consent of the commissioner.
8	2. Upon application of a licensee, a license may be amended to add or
9	delete permitted activities.
10	3. A license shall become void by a change in ownership, substantial
11	corporate change or change of location without prior written approval of
12	the commissioner. The commissioner may make regulations allowing for
13	certain types of changes in ownership without the need for prior written
14	approval.
15	§ 3398-k. Granting, suspending or revoking licenses. After due notice
16	and an opportunity to be heard, established by rules and regulations,
17	the commissioner may decline to grant a new license, impose conditions
18	or limits with respect to the grant of a license, modify an existing
19	license or decline to renew a license, and may suspend or revoke a
20	license already granted after due notice and an opportunity to be heard,
21	as established by rules and regulations, whenever the commissioner finds
22	that:
23	1. A material statement contained in an application is or was false or
23 24	misleading;
25	<u>2. The applicant or licensee, or a person in a position of management</u>
26	and control thereof or of the licensed activity, does not have good
20 27	moral character, necessary experience or competency, adequate facili-
27 28	ties, equipment, process controls, or security to process, distribute,
29	transport or sell cannabinoid hemp, hemp extract or products derived
30	therefrom;
31	3. After appropriate notice and opportunity, the applicant or licensee
32	has failed or refused to produce any records or provide any information
33	required by this article or the regulations promulgated pursuant there-
34	to;
35	4. The licensee has conducted activities outside of those activities
36	permitted on its license; or
37	<u>5. The applicant or licensee, or any officer, director, partner, or</u>
38	any other person exercising any position of management or control there-
39	of or of the licensed activity has willfully failed to comply with any
40	of the provisions of this article or regulations under it and other laws
41	of this state applicable to the licensed activity.
42	§ 3398-1. Record keeping and tracking. Every licensee shall keep, in
43	such form as the commissioner may direct, such relevant records as may
44	be required pursuant to regulations under this article.
	<u>§ 3398-m. Packaging and labeling of cannabinoid hemp and hemp extract.</u>
45	
46	1. Cannabinoid hemp processors shall be required to provide appropriate
47	label warning to consumers, and restricted from making unapproved label
48	claims, as determined by the department, concerning the potential impact
49 50	on or benefit to human health resulting from the use of cannabinoid
50	hemp, hemp extract and products derived therefrom for human consumption,
51	which labels shall be affixed to those products when sold, pursuant to
52	rules and regulations that the department may adopt.
53	2. The department may, by rules and regulations, require processors to
54	establish a code, including, but not limited to QR code, for labels and
55	establish methods and procedures for determining, among other things,
56	serving sizes or dosages for cannabinoid hemp, hemp extract and products

derived therefrom, active cannabinoid concentration per serving size, 1 2 number of servings per container, and the growing region, state or coun-3 try of origin if not from the United States. Such rules and regulations 4 may require an appropriate fact panel that incorporates data regarding 5 serving sizes and potency thereof. б 3. The packaging, sale, or possession of products derived from canna-7 binoid hemp or hemp extract used for human consumption not labeled or 8 offered in conformity with regulations under this section shall be 9 grounds for the seizure or quarantine of the product, the imposition of 10 a civil penalty against a processor or retailer, and the suspension, 11 revocation or cancellation of a license, in accordance with this arti-12 cle. § 3398-n. Processing of cannabinoid hemp and hemp extract. 1. No 13 14 processor shall sell or agree to sell or deliver in the state any cannabinoid hemp, hemp extract or product derived therefrom, used for human 15 16 consumption, except in sealed containers containing quantities in accordance with size standards pursuant to rules adopted by the commis-17 sioner. Such containers shall have affixed thereto such labels as may be 18 required by the rules of the department. 19 20 2. Processors shall take such steps necessary to ensure that the 21 cannabinoid hemp or hemp extract used in their processing operation has only been grown with pesticides that are registered by the department of 22 environmental conservation or that specifically meet the United States 23 environmental protection agency registration exemption criteria for 24 25 minimum risk, used in compliance with rules, regulations, standards and 26 guidelines issued by the department of environmental conservation for 27 pesticides. 3. All cannabinoid hemp, hemp extract and products derived therefrom 28 29 used for human consumption shall be extracted and processed in accordance with good manufacturing processes pursuant to Part 117 or Part 111 30 31 of title 21 of the code of federal regulations, as may be defined, modi-32 fied and decided upon by the commissioner in rules or regulations. 33 4. As necessary to protect human health, the department shall have the 34 authority to: (a) regulate and prohibit specific ingredients, excipients 35 or methods used in processing cannabinoid hemp, hemp extract and products derived therefrom; and (b) prohibit, or expressly allow, 36 certain products or product classes derived from cannabinoid hemp or 37 38 hemp extract, to be processed. § 3398-o. Laboratory testing. Every cannabinoid hemp processor shall 39 contract with an independent commercial laboratory to test the hemp 40 41 extract and products produced by the licensed processor. The commission-42 er shall establish the necessary qualifications or certifications 43 required for such laboratories used by licensees. The commissioner is 44 authorized to issue rules and regulations consistent with this article 45 establishing the testing required, the reporting of testing results and 46 the form for reporting such laboratory testing results. The department has authority to require licensees to submit any cannabinoid hemp, hemp 47 48 extract or product derived therefrom, processed or offered for sale within the state, for testing by the department. This section shall not 49 obligate the department, in any way, to perform any testing on hemp, 50 51 cannabinoid hemp, hemp extract or product derived therefrom. 52 § 3398-p. New York hemp product. The commissioner may establish and 53 adopt official grades and standards for cannabinoid hemp, hemp extract 54 and products derived therefrom, as he or she may deem advisable, which are produced for sale in this state and, from time to time, may amend or 55 56 modify such grades and standards.

1 § 3398-g. Penalties. Notwithstanding the provision of any law to the 2 contrary, the failure to comply with a requirement of this article, or a 3 regulation thereunder, may be punishable by a civil penalty of not more 4 than one thousand dollars for a first violation; not more than five 5 thousand dollars for a second violation within three years; and not more б than ten thousand dollars for a third violation and each subsequent 7 violation thereafter, within three years. 8 § 3398-r. Hemp workgroup. The commissioner, in consultation with the 9 commissioner of the department of agriculture and markets, may appoint a 10 New York state hemp and hemp extract workgroup, composed of growers, researchers, producers, processors, manufacturers and trade associ-11 ations, to make recommendations for the industrial hemp and cannabinoid 12 13 hemp programs, state and federal policies and policy initiatives, and 14 opportunities for the promotion and marketing of cannabinoid hemp and hemp extract as consistent with federal and state laws, rules and requ-15 16 lations. 17 § 3398-s. Prohibitions. 1. Except as authorized by the United States food and drug administration, the processing of cannabinoid hemp or hemp 18 19 extract used for human consumption is prohibited within the state unless 20 the processor is licensed under this article. 21 2. Cannabinoid hemp and hemp extracts used for human consumption and grown or processed outside the state shall not be distributed or sold at 22 retail within the state, unless they meet all standards established for 23 24 cannabinoid hemp under state law and regulations. 25 3. The retail sale of cannabinoid hemp is prohibited in this state 26 unless the retailer is licensed under this article. 27 § 3398-t. Special use permits. The commissioner shall have the authority to issue temporary permits for carrying on any activity related to 28 29 cannabinoid hemp, hemp extract and products derived therefrom, licensed 30 under this article. The commissioner may set reasonable fees for such 31 permits, to establish the periods during which such permits are valid, 32 and to make rules and regulations to implement this section. 33 § 3398-u. Severability. If any provision of this article or the application thereof to any person or circumstances is held invalid, such 34 35 invalidity shall not affect other provisions or applications of this article which can be given effect without the invalid provision or 36 application, and to this end the provisions of this article are declared 37 38 to be severable. 39 § 3. Subdivision 21 of section 3302 of the public health law, as added by chapter 878 of the laws of 1972 and as renumbered by chapter 537 of 40 41 the laws of 1998, is amended to read as follows: 42 21. "Marihuana" means all parts of the plant of the genus Cannabis, 43 whether growing or not; the seeds thereof; the resin extracted from any 44 part of the plant; and every compound, manufacture, salt, derivative, 45 mixture, or preparation of the plant, its seeds or resin. [It does not include] The term "marihuana" shall not include: 46 47 (a) the mature stalks of the plant, fiber produced from the stalks, 48 oil or cake made from the seeds of the plant, any other compound, manu-49 facture, salt, derivative, mixture, or preparation of the mature stalks 50 (except the resin extracted therefrom), fiber, oil, or cake, or the 51 sterilized seed of the plant which is incapable of germination  $[-]_{:}$ (b) hemp, as defined in subdivision one of section five hundred five 52 53 of the agriculture and markets law; 54 (c) cannabinoid hemp as defined in subdivision two of section thirty-55 three hundred ninety-eight of this chapter; or

1	<u>(d)</u>	hemp	extract	as	defined	l in	subdivision	five	of	section	<u>thirty-</u>
2	three	hundred	l ninety-	eight	of thi	s c	hapter.				

3 § 4. This act shall take effect on the same date and in the same 4 manner as a chapter of the laws of 2019 amending the agriculture and 5 markets law relating to the growth of industrial hemp and the regulation 6 of hemp extract, as proposed in legislative bills numbers S.6184-A and 7 A.7680-A, takes effect; provided, however, that section two of this act 8 shall take effect May 1, 2020; and provided further, however, that 9 sections 3398-b, 3398-c and 3398-s of article 33-B of the public health 10 law as added by section two of this act shall take effect January 1, 11 2021.
