1 outside the state and who subsequently brings such property into this  
2 state for use here or (2) who was a nonresident and subsequently becomes  
3 a resident and brings the property into this state for use here, any  
4 remaining receipts due or consideration to be given after such lessee  
5 brings such property into this state shall be subject to tax as if the  
6 lessee had entered into or exercised such lease, option to renew or  
7 similar provision, or combination thereof, for the first time in this  
8 state and the relevant provisions of sections eleven hundred ten  
9 concerning imposition and computation of tax, eleven hundred eighteen  
10 concerning exemption from use tax for tax paid to another jurisdiction,  
11 eleven hundred thirty-two concerning presumption of taxability and  
12 conditions for registration and eleven hundred thirty-nine concerning  
13 refunds, of this article, shall be applicable to any sales or compensat-  
14 ing use tax paid by the lessee before the lessee brought the property  
15 into this state, except to the extent that any such provision is incon-  
16 sistent with a provision of this subdivision. For purposes of this  
17 subdivision, (1) a lease for a term of one year or more shall include  
18 any lease for a shorter term which includes an option to renew or other  
19 like provision (or more than one of such option or other provision)  
20 where the cumulative period that the lease, with or without such option  
21 or provision, may be in effect upon exercise of such option or provision  
22 is one year or more and (2) receipts due and consideration given or  
23 contracted to be given under any such lease or other provision for  
24 excess mileage charges shall be subject to tax as and when paid or due.

25 § 2. Subdivision (q) of section 1111 of the tax law, as added by  
26 section 2 of part TT of chapter 59 of the laws of 2015, is amended to  
27 read as follows:

28 (q) (1) The exclusions from the definition of retail sale in subpara-  
29 graph (iv) of paragraph four of subdivision (b) of section eleven  
30 hundred one of this article shall not apply to transfers, distributions,  
31 or contributions of an aircraft or a vessel, except where, in the case  
32 of the exclusion in subclause (I) of clause (A) of such subparagraph  
33 (iv), the two corporations to be merged or consolidated are not affil-  
34 iated persons with respect to each other. For purposes of this subdivi-  
35 sion, corporations are affiliated persons with respect to each other  
36 where (i) more than five percent of their combined shares are owned by  
37 members of the same family, as defined by paragraph four of subsection  
38 (c) of section two hundred sixty-seven of the internal revenue code of  
39 nineteen hundred eighty-six; (ii) one of the corporations has an owner-  
40 ship interest of more than five percent, whether direct or indirect, in  
41 the other; or (iii) another person or a group of other persons that are  
42 affiliated persons with respect to each other hold an ownership interest  
43 of more than five percent, whether direct or indirect, in each of the  
44 corporations.

45 (2) Notwithstanding any contrary provision of law, in relation to any  
46 transfer, distribution, or contribution of an aircraft or a vessel that  
47 qualifies as a retail sale as a result of paragraph one of this subdivi-  
48 sion, the sales tax imposed by subdivision (a) of section eleven hundred  
49 five of this part shall be computed based on the price at which the  
50 seller purchased the tangible personal property, provided that where the  
51 seller or purchaser affirmatively shows that the seller owned the prop-  
52 erty for six months prior to making the transfer, distribution or  
53 contribution covered by paragraph one of this subdivision, such aircraft  
54 or vessel shall be taxed on the basis of the current market value of the  
55 aircraft or vessel at the time of that transfer, distribution, or  
56 contribution. For the purposes of the prior sentence, "current market

1 value" shall not exceed the cost of the aircraft or vessel. See subdivi-  
2 sion (b) of this section for a similar rule on the computation of any  
3 compensating use tax due under section eleven hundred ten of this part  
4 on such transfers, distributions, or contributions.

5 (3) A purchaser of an aircraft or a vessel covered by paragraph one of  
6 this subdivision will be entitled to a refund or credit against the  
7 sales or compensating use tax due as a result of a transfer, distrib-  
8 ution, or contribution of such aircraft or vessel in the amount of any  
9 sales or use tax paid to this state or any other state on the seller's  
10 purchase or use of the aircraft or vessel so transferred, distributed or  
11 contributed, but not to exceed the tax due on the transfer, distrib-  
12 ution, or contribution of the aircraft or vessel or on the purchaser's  
13 use in the state of the aircraft or vessel so transferred, distributed  
14 or contributed. An application for a refund or credit under this subdivi-  
15 sion must be filed and shall be in such form as the commissioner may  
16 prescribe. Where an application for credit has been filed, the applicant  
17 may immediately take such credit on the return which is due coincident  
18 with or immediately subsequent to the time the application for credit is  
19 filed. However, the taking of the credit on the return shall be deemed  
20 to be part of the application for credit. Provided that the commissioner  
21 may, in his or her discretion and notwithstanding any other law, waive  
22 the application requirement for any or all classes of persons where the  
23 amount of the credit or refund is equal to the amount of the tax due  
24 from the purchaser. The provisions of subdivisions (a), (b), and (c) of  
25 section eleven hundred thirty-nine of this article shall apply to appli-  
26 cations for refund or credit under this subdivision. No interest shall  
27 be allowed or paid on any refund made or credit allowed under this  
28 subdivision. If a refund is granted or a credit allowed under this para-  
29 graph, the seller or purchaser shall not be eligible for a refund or  
30 credit pursuant to subdivision seven of section eleven hundred eighteen  
31 of this article with regard to the same purchase or use.

32 § 3. Paragraph 21-a of subdivision (a) of section 1115 of the tax law  
33 is REPEALED.

34 § 4. This act shall take effect June 1, 2020.
