Section 1. Paragraph (c) of section 1506 of the not-for-profit corporation law, as amended by chapter 553 of the laws of 2019, is amended to read as follows:

(c) Cemeteries in Kings, Queens, Rockland, Westchester, Nassau, Suffolk, Putnam and Erie counties. A cemetery corporation shall not take by deed, devise, merger or otherwise any land in the counties of Kings, Queens, Rockland, Westchester, Nassau, Suffolk, Putnam or Erie for cemetery purposes, or set apart any ground therefor in any of such counties, unless the consent of the board of supervisors or legislative body thereof, or of the city council of the city of New York, in respect to Kings or Queens county, be first obtained [~~except as provided in paragraph (n) of this section~~]. Such consent may be granted upon such conditions and under such regulations and restrictions as the public health and welfare may require. Notice of application for such consent shall be published, once a week for six weeks, in the newspapers designated to publish the session laws and in such other newspapers published in the county as such board or body may direct, stating the time when the application will be made, a brief description of the lands proposed to be acquired, their location and the area thereof. Any person interested therein may be heard on such presentation. If such consent is granted the corporation may take and hold the lands designated therein. The consent shall not authorize any one corporation to take or hold more than two hundred and fifty acres of land [~~except as provided in paragraph (n) of this section~~], except that such limitation shall not apply in the event of a merger of cemetery corporations. Nothing contained in this subdivision shall prevent any religious corporation in existence on April fifteenth, eighteen hundred fifty-four, in any of said counties from using as heretofore any burial ground then belonging to it within such county. Such board or body, from time to time, may make such regulation as to burials in any cemetery in the county as the public health may require.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.

48 law or by special act of the legislature may merge with one or more
49 other cemetery corporations located within a fifty mile radius of the
50 principal place of business of the surviving cemetery corporation.
51 Nothing in this section shall require, as a condition of any cemetery
52 merger, that the cemetery property involved in such transaction be adja-

54 total acres so long as the merging cemetery corporations demonstrate to
55 the cemetery board that the resulting merged cemetery corporation will

1 have sufficient assets to maintain its cemetery properties and manage
2 its operations.

11 regardless of the form in which they are held, may merge with one or
12 more cemetery corporations located greater than a fifty mile radius from
13 the principal place of business of the surviving cemetery corporation to
14 create a single entity with multiple cemetery locations, regardless of
15 the geographic distance between its cemetery locations or from the
16 surviving cemetery corporation's principal place of business, so long as
17 the surviving cemetery corporation provides the following to the ceme-
18 tery board: (1) an outline of financial management controls that have
19 been or will be implemented to accommodate multiple cemeteries operated
20 at locations geographically distant from the surviving cemetery; (2) an
21 outline of the total financial assets of each cemetery corporation to be

32 lot owners' meetings for remote merged cemeteries; and (7) procedures
33 for providing notice to lot owners of all merged cemeteries of the
34 place, date and hour of the annual meeting of the surviving cemetery,
35 which notice shall be published in a newspaper located in each county in
36 which any merged cemetery is physically located, shall be prominently
37 posted on the homepage of any web site maintained by the surviving ceme-
38 tery, and shall otherwise comply with section six hundred five of this
39 chapter.

40 (c) Pursuant to section fifteen hundred five-a of this article the
41 surviving cemetery corporation shall, if necessary, within ninety days
42 after the consummation of any merger under this section, amend its
43 certificate of incorporation to list each city, village or town, and
44 county where any part of the surviving cemetery is or is proposed to be
45 situated, and shall file such amended certificate of incorporation with
46 the office of the county clerk of each applicable county.

47 (d) Nothing in this section shall prohibit a cemetery corporation from
48 merging with a crematory operation, regardless of the location of the
49 operation of such cemetery corporation. Any purchase, abandonment, or
50 donation of real property to a cemetery corporation, or merger of ceme-
51 tery corporations, that has occurred on or before January first, two
52 thousand twenty, including any such transaction previously authorized or
