30 section six hundred eighty-six of this article, provided, however, that  
31 no interest shall be paid thereon.

32 § 4. Paragraph 39 of subsection (c) of section 612 of the tax law, as

The amount of the underpayment shall be, with respect to any installment of estimated tax computed on the basis of either the preceding year's tax or the second preceding year's tax, the excess of the amount required to be paid over the amount, if any, paid on or before the last day prescribed for such payment or, with respect to any other installment of estimated tax, the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to ninety-one percent of the tax shown on the return for the taxable year (or if no return was filed, ninety-one percent of the tax for such year) over the amount, if any, of the installment paid on or before the last day prescribed for such payment. In any case in which there would be no underpayment if "eighty percent" were substituted for "ninety-one percent" each place it appears in this subsection, the addition to the tax shall be equal to seventy-five percent of the amount otherwise determined. No underpayment shall be deemed to exist with respect to a declaration or installment otherwise due on or after the termination of existence of the taxpayer.

§ 6. This act shall take effect immediately; provided however that sections two and three of this act shall apply to property acquired by purchase on or after January 1, 2021, and section five of this act shall apply to taxable years beginning on or after January 1, 2020.

11 § 2. Subdivision 3 of section 481 of the tax law, as amended by chap-  
12 ter 190 of the laws of 1990, is amended to read as follows:

13 3. (a) For purposes of this chapter, the certificate of the commis-

16 the provisions of this article has not been filed, or that information  
17 has not been supplied, as required by or under the provisions of this  
18 article, or that a bond or other security required by or pursuant to the  
19 provisions of this article has not been filed, or that books, accounts,

38 cause and not to willful neglect, the commissioner may waive the penalty  
39 imposed for that period. The penalties imposed by this subdivision will  
40 be paid and disposed of in the same manner as other revenues from this  
41 article. These penalties will be determined, assessed, collected, paid

26 group of other persons that are affiliated persons with respect to each  
27 other.

28 § 4. Subdivision 4 of section 480-a of the tax law, as added by chap-

48 revoked pursuant to this subdivision immediately upon such dealer's  
49 receipt of written notice of [~~suspension or~~] revocation from the commis-  
50 sioner. [~~If a retail dealer sells cigarettes through more than one place~~  
51 ~~of business in this state, the retail dealer registration shall not be~~  
52 ~~suspended or revoked pursuant to this subdivision, but the certificate~~  
53 ~~of registration issued to the place of business, cart, stand, truck or~~  
54 ~~other merchandising device where unstamped or unlawfully stamped ciga-~~

(b) A retail dealer who is notified of a ~~[suspension or]~~ revocation of its registration pursuant to this subdivision shall have the right to have the ~~[suspension or]~~ revocation reviewed by the commissioner or his or her designee by contacting the department at a telephone number or an address to be disclosed in the notice of ~~[suspension or]~~ revocation within ten days of such dealer's receipt of such notification. The retail dealer may present written evidence or argument in support of its defense to the ~~[suspension or]~~ revocation, or may appear at a scheduled conference with the commissioner or his or her designee to present oral arguments and written and oral evidence in support of such defense. The commissioner or his or her designee is authorized to delay the effective date of the ~~[suspension or]~~ revocation to enable the retail dealer to present further evidence or arguments in connection with the ~~[suspension or]~~ revocation. The commissioner or his or her designee shall cancel the ~~[suspension or]~~ revocation of registration if the commissioner or his or her designee is not satisfied by a preponderance of the evidence that the retail dealer possessed or sold unstamped or unlawfully stamped packages of cigarettes.

(c) An order of ~~[suspension or]~~ revocation of a retail dealer registration shall not be reviewable by the division of tax appeals, but may be reviewed pursuant to article seventy-eight of the civil practice law and rules by a proceeding commenced in the supreme court within four months of the ~~[suspension or]~~ revocation of registration petitioning that the order of ~~[suspension or]~~ revocation be enjoined or set aside. Such proceeding shall be instituted in the county where the commissioner has his or her principal office. Upon the filing of such petition the court shall have jurisdiction to set aside such order of ~~[suspension or]~~ revocation, in whole or in part, or to dismiss the petition. The jurisdiction of the supreme court shall be exclusive and its order dismissing the petition or enjoining or setting aside such order, in whole or in part, shall be final, subject to review by the appellate division of the supreme court and the court of appeals in the same manner and form and with the same effect as provided by law for appeals from a judgment in a special proceeding. 5. A participant may claim tax benefits commencing in the first taxable year that the business enterprise receives a certificate of tax credit or the first taxable year listed on its preliminary schedule of benefits, whichever is later. A participant may claim such benefits for the next nine consecutive taxable years, provided that the participant demonstrates to the department that it continues to satisfy the eligibility criteria specified in section three hundred fifty-three of this article and subdivision two of this section in each of those taxable years, and provided that no tax credits may be allowed for taxable years beginning on or after January first, two thousand ~~thirty~~ fifty. If, in any given year, a participant who has satisfied the eligibility criteria specified in section three hundred fifty-three of this article realizes job creation less than the estimated amount, the credit shall

12 project, the amount of such credit per job shall be equal to the product  
13 of the gross wages paid and up to 6.85 percent. In a green project, the  
14 amount of such credit per job shall be equal to the product of the gross  
15 wages paid and up to 7.5 percent.

16 2. Excelsior investment tax credit component. A participant in the  
17 excelsior jobs program shall be eligible to claim a credit on qualified  
18 investments. [~~The~~] In a project that is not a green project, the credit

22 federal income tax purposes of the qualified investment. A participant  
23 may not claim both the excelsior investment tax credit component and the  
24 investment tax credit set forth in subdivision [~~twelve~~] one of section  
25 two hundred [~~ten~~] ten-B, subsection (a) of section six hundred six, the  
26 former subsection (i) of section fourteen hundred fifty-six, or subdivi-  
27 sion (q) of section fifteen hundred eleven of the tax law for the same  
28 property in any taxable year, except that a participant may claim both  
29 the excelsior investment tax credit component and the investment tax  
30 credit for research and development property. In addition, a taxpayer  
31 who or which is qualified to claim the excelsior investment tax credit  
32 component and is also qualified to claim the brownfield tangible proper-  
33 ty credit component under section twenty-one of the tax law may claim  
34 either the excelsior investment tax credit component or such tangible  
35 property credit component, but not both with regard to a particular  
36 piece of property. A credit may not be claimed until a business enter-  
37 prise has received a certificate of tax credit, provided that qualified  
38 investments made on or after the issuance of the certificate of eligi-  
39 bility but before the issuance of the certificate of tax credit to the  
40 business enterprise, may be claimed in the first taxable year for which  
41 the business enterprise is allowed to claim the credit. Expenses  
42 incurred prior to the date the certificate of eligibility is issued are  
43 not eligible to be included in the calculation of the credit.

49 ble year; provided however, if not a green project, the excelsior  
50 research and development tax credit shall not exceed six percent of the  
51 qualified research and development expenditures attributable to activi-

53 research and development tax credit shall not exceed eight percent of  
54 the research and development expenditures attributable to activities  
55 conducted in New York state. If the federal research and development  
56 credit has expired, then the research and development expenditures

relating to the federal research and development credit shall be calculated as if the federal research and development credit structure and definition in effect in two thousand nine were still in effect. Notwithstanding any other provision of this chapter to the contrary, research and development expenditures in this state, including salary or wage expenses for jobs related to research and development activities in this state, may be used as the basis for the excelsior research and development tax credit component and the qualified emerging technology company facilities, operations and training credit under the tax law.

§ 5. Section 359 of the economic development law, as amended by section 5 of part K of chapter 59 of the laws of 2017, is amended to read as follows:

Twenty-five percent of tax credits shall be allocated to businesses accepted into the program under subdivision four of section three hundred fifty-three of this article and seventy-five percent of tax

1 credits shall be allocated to businesses accepted into the program under  
2 subdivision three of section three hundred fifty-three of this article.

3 Provided, however, if by September thirtieth of a calendar year, the

9 allocate any remaining tax credits to businesses referenced in this

11 the aggregate statutory cap for all program years be exceeded. One  
12 hundred percent of the unawarded amounts remaining at the end of two  
13 thousand [~~twenty-four~~] thirty-nine may be allocated in subsequent years,  
14 notwithstanding the fifty percent limitation on any amounts of tax cred-

29 taxpayer receives a certificate of tax credit or the first taxable year  
30 listed on its preliminary schedule of benefits, whichever is later,  
31 provided that no tax credits may be allowed for taxable years beginning  
32 on or after January first, two thousand [~~thirty~~] fifty. The taxpayer  
33 shall be allowed to claim only the amount listed on the certificate of  
34 tax credit for that taxable year. Such certificate must be attached to  
35 the taxpayer's return. No cost or expense paid or incurred by the  
36 taxpayer shall be the basis for more than one component of this credit  
37 or any other tax credit, except as provided in section three hundred  
38 fifty-five of the economic development law.

40 PART M

43 2010, is amended to read as follows:

44 (2) The amount of the credit shall be the product (or pro rata share  
45 of the product, in the case of a member of a partnership) of [~~thirty~~]  
46 twenty-five percent and the qualified production costs paid or incurred  
47 in the production of a qualified film, provided that: (i) the qualified  
48 production costs (excluding post production costs) paid or incurred  
49 which are attributable to the use of tangible property or the perform-  
50 ance of services at a qualified film production facility in the  
51 production of such qualified film equal or exceed seventy-five percent  
52 of the production costs (excluding post production costs) paid or  
53 incurred which are attributable to the use of tangible property or the  
54 performance of services at any film production facility within and with-

1 out the state in the production of such qualified film, and (ii) except  
2 with respect to a qualified independent film production company or  
3 pilot, at least ten percent of the total principal photography shooting  
4 days spent in the production of such qualified film must be spent at a  
5 qualified film production facility. However, if the qualified production  
6 costs (excluding post production costs) which are attributable to the  
7 use of tangible property or the performance of services at a qualified  
8 film production facility in the production of such qualified film is  
9 less than three million dollars, then the portion of the qualified  
10 production costs attributable to the use of tangible property or the  
11 performance of services in the production of such qualified film outside  
12 of a qualified film production facility shall be allowed only if the  
13 shooting days spent in New York outside of a film production facility in  
14 the production of such qualified film equal or exceed seventy-five  
15 percent of the total shooting days spent within and without New York  
16 outside of a film production facility in the production of such qualified  
17 film. The credit shall be allowed for the taxable year in which the  
18 production of such qualified film is completed. However, in the case of  
19 a qualified film that receives funds from additional pool 2, no credit  
20 shall be claimed before the later of (1) the taxable year the production  
21 of the qualified film is complete, or (2) the taxable year immediately  
22 following the allocation year for which the film has been allocated  
23 credit by the governor's office for motion picture and television devel-  
24 opment. If the amount of the credit is at least one million dollars but  
25 less than five million dollars, the credit shall be claimed over a two  
26 year period beginning in the first taxable year in which the credit may  
27 be claimed and in the next succeeding taxable year, with one-half of the  
28 amount of credit allowed being claimed in each year. If the amount of  
29 the credit is at least five million dollars, the credit shall be claimed  
30 over a three year period beginning in the first taxable year in which  
31 the credit may be claimed and in the next two succeeding taxable years,  
32 with one-third of the amount of the credit allowed being claimed in each  
33 year.

34 § 2. Paragraph 2 of subdivision (a) of section 24 of the tax law, as  
35 amended by section 4 of part Q of chapter 57 of the laws of 2010, is  
36 amended to read as follows:

37 (2) The amount of the credit shall be the product (or pro rata share  
38 of the product, in the case of a member of a partnership) of thirty  
39 percent and the qualified production costs paid or incurred in the  
40 production of a qualified film, provided that: (i) the qualified  
41 production costs (excluding post production costs) paid or incurred  
42 which are attributable to the use of tangible property or the perform-  
43 ance of services at a qualified film production facility in the  
44 production of such qualified film equal or exceed seventy-five percent  
45 of the production costs (excluding post production costs) paid or  
46 incurred which are attributable to the use of tangible property or the  
47 performance of services at any film production facility within and with-  
48 out the state in the production of such qualified film, and (ii) except  
49 with respect to a qualified independent film production company or  
50 pilot, at least ten percent of the total principal photography shooting  
51 days spent in the production of such qualified film must be spent at a  
52 qualified film production facility. However, if the qualified production  
53 costs (excluding post production costs) which are attributable to the  
54 use of tangible property or the performance of services at a qualified  
55 film production facility in the production of such qualified film is  
56 less than three million dollars, then the portion of the qualified

1 production costs attributable to the use of tangible property or the  
2 performance of services in the production of such qualified film outside  
3 of a qualified film production facility shall be allowed only if the  
4 shooting days spent in New York outside of a film production facility in  
5 the production of such qualified film equal or exceed seventy-five  
6 percent of the total shooting days spent within and without New York  
7 outside of a film production facility in the production of such quali-  
8 fied film. The credit shall be allowed for the taxable year in which the  
9 production of such qualified film is completed. However, in the case of  
10 a qualified film that receives funds from additional pool 2, no credit  
11 shall be claimed before the later of (1) the taxable year the production  
12 of the qualified film is complete, or (2) the first taxable year begin-  
13 ning immediately [~~following~~] after the allocation year for which the  
14 film has been allocated credit by the governor's office for motion  
15 picture and television development. If the amount of the credit is at  
16 least one million dollars but less than five million dollars, the credit  
17 shall be claimed over a two year period beginning in the first taxable  
18 year in which the credit may be claimed and in the next succeeding taxa-  
19 ble year, with one-half of the amount of credit allowed being claimed in  
20 each year. If the amount of the credit is at least five million dollars,  
21 the credit shall be claimed over a three year period beginning in the  
22 first taxable year in which the credit may be claimed and in the next  
23 two succeeding taxable years, with one-third of the amount of the credit  
24 allowed being claimed in each year.

25 § 3. Paragraph 3 of subdivision (b) of section 24 of the tax law, as  
26 amended by section 1 of part B of chapter 59 of the laws of 2013, is

39 state than those listed in the preceding sentence shall have a minimum  
40 budget of two hundred fifty thousand dollars. "Qualified film" shall not  
41 include: (i) a documentary film, news or current affairs program, inter-

40 § 5-a. Paragraph 5 of subdivision (a) of section 24 of the tax law, as  
41 amended by section 1 of part SSS of chapter 59 of the laws of 2019, is  
42 amended to read as follows:

43 (5) For the period two thousand fifteen through two thousand [~~twenty-~~  
44 ~~four~~] twenty-five, in addition to the amount of credit established in  
45 paragraph two of this subdivision, a taxpayer shall be allowed a credit  
46 equal to the product (or pro rata share of the product, in the case of a  
47 member of a partnership) of ten percent and the amount of wages or sala-  
48 ries paid to individuals directly employed (excluding those employed as  
49 writers, directors, music directors, producers and performers, including  
50 background actors with no scripted lines) by a qualified film production  
51 company or a qualified independent film production company for services  
52 performed by those individuals in one of the counties specified in this  
53 paragraph in connection with a qualified film with a minimum budget of

9 during the period two thousand fifteen through two thousand [~~twenty-~~  
10 ~~four~~] twenty-five of the annual allocation made available to the program  
11 pursuant to paragraph four of subdivision (e) of this section. Such  
12 aggregate amount of credits shall be allocated by the governor's office  
13 for motion picture and television development among taxpayers in order  
14 of priority based upon the date of filing an application for allocation  
15 of film production credit with such office. If the total amount of  
16 allocated credits applied for under this paragraph in any year exceeds  
17 the aggregate amount of tax credits allowed for such year under this  
18 paragraph, such excess shall be treated as having been applied for on  
19 the first day of the next year. If the total amount of allocated tax  
20 credits applied for under this paragraph at the conclusion of any year  
21 is less than five million dollars, the remainder shall be treated as  
22 part of the annual allocation made available to the program pursuant to  
23 paragraph four of subdivision (e) of this section. However, in no event  
24 may the total of the credits allocated under this paragraph and the  
25 credits allocated under paragraph five of subdivision (a) of section  
26 thirty-one of this article exceed five million dollars in any year  
27 during the period two thousand fifteen through two thousand [~~twenty-~~  
28 ~~four~~] twenty-five.

29 § 5-b. Paragraph 4 of subdivision (e) of section 24 of the tax law, as  
30 amended by chapter 683 of the laws of 2019, is amended to read as  
31 follows:

32 (4) Additional pool 2 - The aggregate amount of tax credits allowed in  
33 subdivision (a) of this section shall be increased by an additional four  
34 hundred twenty million dollars in each year starting in two thousand ten  
35 through two thousand [~~twenty-four~~] twenty-five provided however, seven  
36 million dollars of the annual allocation shall be available for the  
37 empire state film post production credit pursuant to section thirty-one  
38 of this article in two thousand thirteen and two thousand fourteen,  
39 twenty-five million dollars of the annual allocation shall be available  
40 for the empire state film post production credit pursuant to section  
41 thirty-one of this article in each year starting in two thousand fifteen  
42 through two thousand [~~twenty-four~~] twenty-five and five million dollars  
43 of the annual allocation shall be made available for the television  
44 writers' and directors' fees and salaries credit pursuant to section  
45 twenty-four-b of this article in each year starting in two thousand  
46 twenty through two thousand [~~twenty-four~~] twenty-five. This amount shall  
47 be allocated by the governor's office for motion picture and television  
48 development among taxpayers in accordance with subdivision (a) of this  
49 section. If the commissioner of economic development determines that the  
50 aggregate amount of tax credits available from additional pool 2 for the  
51 empire state film production tax credit have been previously allocated,  
52 and determines that the pending applications from eligible applicants  
53 for the empire state film post production tax credit pursuant to section  
54 thirty-one of this article is insufficient to utilize the balance of  
55 unallocated empire state film post production tax credits from such  
56 pool, the remainder, after such pending applications are considered,

shall be made available for allocation in the empire state film tax credit pursuant to this section, subdivision twenty of section two hundred ten-B and subsection (gg) of section six hundred six of this chapter. Also, if the commissioner of economic development determines that the aggregate amount of tax credits available from additional pool 2 for the empire state film post production tax credit have been previously allocated, and determines that the pending applications from eligible applicants for the empire state film production tax credit pursuant to this section is insufficient to utilize the balance of unallocated film production tax credits from such pool, then all or part of the remainder, after such pending applications are considered, shall be made available for allocation for the empire state film post production credit pursuant to this section, subdivision thirty-two of section two hundred ten-B and subsection (qq) of section six hundred six of this chapter. The governor's office for motion picture and television development must notify taxpayers of their allocation year and include the allocation year on the certificate of tax credit. Taxpayers eligible to claim a credit must report the allocation year directly on their empire state film production credit tax form for each year a credit is claimed and include a copy of the certificate with their tax return. In the case of a qualified film that receives funds from additional pool 2, no empire state film production credit shall be claimed before the later of the taxable year the production of the qualified film is complete, or the taxable year immediately following the allocation year for which the film has been allocated credit by the governor's office for motion picture and television development.

§ 6. This act shall take effect immediately; provided, however, that the amendments made by sections one, three and five of this act shall apply to applications that are filed with the governor's office for motion picture and television development on or after April 1, 2020.

#### PART N

Section 1. Subdivision 13 of section 1901 of the real property tax law is amended by adding a new paragraph (c) to read as follows:

(c) Notwithstanding any provision of law to the contrary, the governing body of a municipal corporation that has adopted the provisions of paragraph (c) of subdivision one of section five hundred eighty-one of this chapter relating to converted condominium units is authorized to adopt a local law or, in the case of a school district, a resolution, providing that such converted condominium units shall be classified in the homestead class for purposes of taxes levied by such municipal corporation.

§ 2. This act shall take effect immediately.

#### PART O

Section 1. The tax law is amended by adding a new section 171-w to read as follows:

§ 171-w. State support for the local enforcement of past-due property taxes. 1. Legislative findings. The legislature finds that local governments have limited means to enforce the collection of past-due property taxes. The legislature further finds that it is appropriate for the state to support the local enforcement of past-due property taxes by authorizing the commissioner to administer a program to disallow STAR

1 credits and exemptions to delinquent property owners based on informa-  
2 tion reported to him or her by municipal officials.

3 2. Definitions. For the purposes of this section:

4 (a) "Delinquent property owner" means a STAR recipient whose primary  
5 residence is subject to past-due property taxes.

6 (b) "Past-due property taxes" means property taxes that have been  
7 levied upon a property owner's primary residence that remain unpaid one  
8 year after the last date on which they could have been paid without  
9 interest, or where such taxes are payable in installments, those taxes  
10 that remain unpaid one year after the last date on which the final  
11 installment could have been paid without interest.

12 (c) "STAR credit" means the personal income tax credit authorized by  
13 subsection (eee) of section six hundred six of this chapter.

14 (d) "STAR exemption" means the exemption from real property taxation  
15 authorized by section four hundred twenty-five of the real property tax  
16 law.

17 (e) "STAR recipient" means a property owner who is registered to  
18 receive the STAR credit in relation to his or her primary residence, or  
19 whose primary residence is receiving the STAR exemption.

20 3. STAR tax payment requirement; generally. Notwithstanding any  
21 provision of law to the contrary, a property owner whose primary resi-  
22 dence is subject to past-due property taxes shall not be allowed to  
23 receive a STAR credit or STAR exemption unless the past-due property  
24 taxes are paid in full on or before a date specified by the commission-  
25 er.

26 4. Commissioner's authority. The commissioner is hereby authorized to  
27 develop a program to support the local enforcement of past-due property  
28 taxes by disallowing STAR credits and STAR exemptions to delinquent  
29 property owners. The commissioner shall establish procedures for the  
30 administration of this program, which shall include the following  
31 provisions:

32 (a) The procedures by which municipal officials shall report past-due  
33 property taxes and property tax payments to the department.

34 (b) The procedures by which the department shall notify delinquent  
35 property owners of the impending disallowance of their STAR credits or  
36 exemptions due to past-due property taxes.

37 (c) The date by which delinquent property owners must pay their past-  
38 due property taxes in full in order to avoid disallowance of their STAR  
39 credits or exemptions.

40 (d) The procedures by which the commissioner shall disallow STAR cred-  
41 its and notify assessors of the disallowance of STAR exemptions if past-  
42 due property taxes are not paid in full by the specified date.

43 (e) Such other procedures as the commissioner shall deem necessary to  
44 carry out the provisions of this section.

45 5. Municipal reports. The commissioner's procedures regarding munici-  
46 pal reporting shall be subject to the following provisions:

47 (a) The commissioner may request and shall be entitled to receive from  
48 any municipal corporation of the state, or any agency or official there-  
49 of, such data as the commissioner deems necessary to effectuate the  
50 purposes of this section. Such information shall be submitted to the  
51 department at such time and in such manner as the commissioner may  
52 direct.

53 (b) In lieu of requiring municipal officials to submit their reports  
54 directly to the department, the commissioner may, in his or her  
55 discretion, require that such reports be submitted to the county direc-  
56 tor of real property tax services, who shall integrate the reports into

1 a single file and submit it to the department at such time and in such  
2 manner as the commissioner may direct. Provided, that where the commis-  
3 sioner institutes such a procedure, he or she may exclude cities with  
4 one hundred twenty-five thousand inhabitants or more, so that informa-  
5 tion about past-due property taxes and property tax payments in such a  
6 city shall be reported directly to the department by a designated city  
7 official at such time and in such manner as the commissioner may direct.

8 (c) Reports and other records prepared pursuant to this section shall  
9 not be subject to the provisions of article six of the public officers  
10 law.

11 6. Notification of delinquent property owners. The commissioner's  
12 procedures regarding the notification of delinquent property owners  
13 shall be subject to the following provisions:

14 (a) The department shall notify a delinquent property owner by regular  
15 mail at least thirty days prior to the date by which his or her past-due  
16 property taxes must be paid in full in order to avoid disallowance of  
17 his or her STAR credit or exemption.

18 (b) Such notice shall include a statement that the property owner's  
19 STAR credit or exemption will be disallowed unless his or her past-due  
20 property taxes are paid in full by the date specified in the notice.

21 (c) To the extent practicable, such notice shall provide contact  
22 information for the local official or officials to whom the past-due  
23 property taxes may be paid.

24 (d) Such notice shall further state that the property owner's right to  
25 protest the disallowance of the STAR credit or exemption is limited to  
26 raising issues that constitute a "mistake of fact" as defined in subdi-  
27 vision nine of this section.

28 (e) Such notice may include such other information as the commissioner  
29 may deem necessary.

30 7. Timely payment of past-due property taxes. If a delinquent property  
31 owner pays his or her past-due property taxes in full on or before the  
32 date specified in such notice, the official receiving such payment shall  
33 so notify the department at such time and in such manner as prescribed  
34 by the commissioner. The property owner shall then be permitted to  
35 receive the STAR credit or exemption that would have been disallowed if  
36 timely payment had not been made. However, if the department does not  
37 learn of the payment until after it has already directed an assessor to  
38 deny a STAR exemption to a delinquent property owner, then in lieu of  
39 directing the exemption to be restored, the department may remit to the  
40 property owner payment in an amount that will reimburse the property  
41 owner for the increase in his or her school tax bill that is directly  
42 attributable to the lost STAR exemption.

43 8. Failure to make timely payment. (a) If the past-due taxes are not  
44 paid on or before the date specified in the notice that had been sent to  
45 the delinquent property owner, his or her STAR credit or STAR exemption  
46 shall be disallowed in accordance with the procedures established by the  
47 commissioner.

48 (b) The delinquent property owner shall be permanently ineligible for  
49 any STAR credit or exemption that has been disallowed, even if the past-  
50 due property taxes are subsequently paid in full. The property owner  
51 shall not be eligible to participate in the STAR program again as long  
52 as the property is subject to past-due property taxes.

53 (c) Upon payment of the past-due property taxes in full, the official  
54 receiving such payment shall notify the department at such time and in  
55 such manner as may be prescribed by the commissioner. The commissioner  
56 shall then proceed as follows:

1 (i) If the property owner had previously been receiving the STAR cred-  
2 it, the commissioner shall allow the property owner to resume his or her  
3 participation in the STAR credit program on a prospective basis, if  
4 otherwise eligible, effective with the first taxable year commencing  
5 after such payment.

6 (ii) If the property owner had previously been receiving the STAR  
7 exemption, the commissioner shall allow the property owner to partic-  
8 ipate in the STAR credit program on a prospective basis, if otherwise  
9 eligible, effective with the first taxable year commencing after such  
10 payment. The property owner shall not be allowed back into the STAR  
11 exemption program.

12 9. Mistake of fact. Notwithstanding any other provision of law, a  
13 disallowance of a STAR credit or STAR exemption pursuant to this section  
14 may only be challenged before the department on the grounds of a mistake  
15 of fact as defined in this subdivision. The taxpayer will have no right  
16 to commence a court action, administrative proceeding or any other form  
17 of legal recourse against an assessor, county director of real property  
18 tax services or other local official regarding such disallowance. For  
19 the purposes of this subdivision, "mistake of fact" is limited to claims  
20 that: (i) the individual notified is not the taxpayer at issue; or (ii)  
21 the past-due property taxes were satisfied before the date specified in  
22 the notice described in subdivision six of this section. However, noth-  
23 ing in this subdivision is intended to limit a taxpayer from seeking  
24 relief from joint and several liability pursuant to section six hundred  
25 fifty-four of this chapter to the extent that he or she is eligible  
26 pursuant to that subdivision or establishing to the department that the  
27 enforcement of the underlying property taxes has been stayed by the  
28 filing of a petition pursuant to the Bankruptcy Code of 1978 (Title  
29 Eleven of the United States Code).

30 10. Assessors. (a) Notwithstanding any provision of law to the contra-  
31 ry, the department may disclose to assessors such information as the  
32 commissioner deems necessary to ensure that the STAR exemptions of  
33 delinquent property owners are disallowed as required by this section.

34 (b) Notwithstanding any provision of law to the contrary, an assessor  
35 shall be authorized and directed to deny a STAR exemption to a delin-  
36 quent property owner upon being directed by the department to do so. If  
37 an assessor should receive such a directive after the applicable assess-  
38 ment roll has been filed, the assessor or other official having custody  
39 and control of that roll shall be authorized and directed to remove such  
40 exemption from such roll prior to the levy of school taxes, without  
41 regard to the provisions of title three of article five of the real  
42 property tax law or any comparable laws governing the correction of  
43 administrative errors on assessment rolls and tax rolls.

44 11. Recovery of STAR benefits in certain cases. The commissioner may  
45 establish procedures to be followed in cases where a STAR credit or  
46 exemption was inadvertently or erroneously provided to a delinquent  
47 property owner who was sent the notice required by subdivision six of  
48 this section, and whose past-due property taxes were not paid in full by  
49 the date specified in the notice. Such procedures shall include, but not  
50 be limited to, (a) applying the improperly received STAR credit or  
51 exemption as an offset against future STAR credits or against other  
52 personal income tax credits or personal income tax refunds to which the  
53 delinquent property owner would otherwise be entitled, and (b) pursuing  
54 any of the other remedies that are available to enforce a personal  
55 income tax debt under article twenty-two of this chapter.

56 § 2. This act shall take effect immediately.

## PART P

Section 1. Section 1530 of the real property tax law is amended by adding a new subdivision 1-a to read as follows:

Where an acting director of real property tax services is designated or appointed pursuant to this section, the appointing authority shall notify the commissioner within fifteen days of making such designation or appointment. The acting director of real property tax services shall function as director of real property tax services until such time as the director of real property tax services is able to resume the position or until a replacement is appointed. In the event an acting director of real property tax services functions as director of real property tax services for more than six months, then such acting director of real property tax services shall be required to meet the minimum qualification standards required by this title for persons appointed to the office of director of real property tax services.

1 foreclosure, or other involuntary proceeding such affirmation may be

19 submitted for recording as required under subdivision one-e of this  
20 section. In the city of New York, the recording officer shall impose a  
21 fee of one hundred dollars for each real property transfer tax form  
22 filed in accordance with chapter twenty-one of title eleven of the  
23 administrative code of the city of New York, except where a real proper-  
24 ty transfer reporting form is also submitted for recording for the  
25 transfer as required under subdivision one-e of this section. The

31 shall not impose such a fee where the conveyance is accompanied by a  
32 receipt issued by the commissioner of taxation and finance pursuant to  
33 section fourteen hundred twenty-three of the tax law that confirms the

44 pursuant to any other method for payment of the tax provided for in the  
45 regulations of the commissioner of taxation and finance, during each

8 upon which instrument effecting the conveyance he or she has noted  
9 payment of the tax or that no tax is due, pursuant to any other method  
10 for payment of the tax provided for in the regulations of the commis-  
11 sioner of taxation and finance, during such annual period and seventy-  
12 five cents for each conveyance in excess of five thousand for which such  
13 agent has issued such a stamp or upon which instrument effecting the  
14 conveyance such agent has noted payment of the tax or that no tax is  
15 due, pursuant to such other method, during such annual period. Provided,  
16 however, that where the recording officer is provided with a receipt  
17 issued by the commissioner pursuant to section fourteen hundred twenty-  
18 three of this article that confirms the electronic submission of a  
19 consolidated real property transfer form and payment of the associated  
20 taxes and fees, the recording officer shall neither collect such tax nor  
21 impose such fee.

22 § 6. Subdivision (b) of section 1409 of the tax law, as added by chap-  
23 ter 61 of the laws of 1989, is amended to read as follows:

24 (b) [The] Subject to the provisions of section fourteen hundred twen-  
25 ty-three of article, the return shall be signed by both the grantor and  
26 the grantee. Where a conveyance has more than one grantor or more than  
27 one grantee, the return shall be signed by all of such grantors and  
28 grantees. Where any or all of the grantors or any or all of the grantees  
29 have failed to sign a return, it shall be accepted as a return if signed  
30 by any one of the grantors or by any one of the grantees. Provided,  
31 however, those not signing the return shall not be relieved of any  
32 liability for the tax imposed by this article and the period of limita-  
33 tions for assessment of tax or of additional tax shall not apply to any  
34 such party.

35 § 7. Subdivision (b) of section 1410 of the tax law, as added by chap-  
36 ter 61 of the laws of 1989, is amended to read as follows:

37 (b) A recording officer shall not record an instrument effecting a  
38 conveyance unless either (i) the return required by section fourteen  
39 hundred nine of this article has been filed and the real estate transfer  
40 tax due, if any, shall have been paid as provided in this section, or  
41 (ii) the instrument is accompanied by a receipt issued by the commis-  
42 sioner pursuant to section fourteen hundred twenty-three of this article  
43 that confirms the electronic submission of a consolidated real property  
44 transfer form and payment of the associated taxes and fees.

45 § 8. The tax law is amended by adding a new section 1423 to read as  
46 follows:

47 § 1423. Modernization of real property transfer reporting. (a)  
48 Notwithstanding any provision of law to the contrary, the commissioner  
49 is hereby authorized to implement a system for the electronic collection  
50 of data relating to transfers of real property. In connection therewith,  
51 the commissioner may combine the two forms referred to in paragraph (i)  
52 of this subdivision into a consolidated real property transfer form to  
53 be filed with him or her electronically; provided:

54 (i) The two forms that may be so combined are the real estate transfer  
55 tax return required by section fourteen hundred nine of this article,  
56 and the real property transfer report required by subdivision one-e of

1 section three hundred thirty-three of the real property law. However,  
2 the commissioner shall continue to maintain both such return and such  
3 report as separate forms, so that a party who prefers not to file a  
4 consolidated real property transfer form with the commissioner electron-  
5 ically shall have the option of filing both such return and such report  
6 with the recording officer, as otherwise provided by law. Under no  
7 circumstances shall a consolidated real property transfer form be filed  
8 with, or accepted by, the recording officer.

9 (ii) Notwithstanding the provisions of section fourteen hundred eigh-  
10 teen of this article, any information appearing on a consolidated real  
11 property transfer form that is required to be included on the real prop-  
12 erty transfer report required by subdivision one-e of section three  
13 hundred thirty-three of the real property law shall be subject to public  
14 disclosure.

15 (iii) When a consolidated real property transfer form is electron-  
16 ically submitted to the department by either the grantor or grantee, the  
17 act of submitting such form shall be deemed to be the signing of the  
18 return as required by paragraph (v) of subdivision one-e of the real  
19 property law or subdivision (b) of section fourteen hundred nine of this  
20 article, and the requirement that all the grantors and grantees shall  
21 sign the return shall not apply. However, the fact that a grantor or  
22 grantee has not electronically submitted the form shall not relieve that  
23 grantor or grantee of any liability for the tax imposed by this article.

24 (b) When a consolidated real property transfer form is filed with the  
25 commissioner electronically pursuant to this section, the real estate  
26 transfer tax imposed under this article, and the fee that would other-  
27 wise be retained by the recording officer pursuant to subdivision three  
28 of section three hundred thirty-three of the real property law, shall be  
29 paid to the commissioner therewith. The commissioner shall retain on  
30 behalf of the recording officer the portion of such tax that would  
31 otherwise have been retained by the recording officer pursuant to subdi-  
32 vision (c) of section fourteen hundred seven of this article, and the  
33 portion of such fee that would otherwise have been retained by the  
34 recording officer pursuant to subdivision three of section three hundred  
35 thirty-three of the real property law. The moneys so retained by the  
36 commissioner on behalf of the recording officer, hereinafter referred to  
37 as the recording officer's fees, shall be deposited daily with such  
38 responsible banks, banking houses, or trust companies as may be desig-  
39 nated by the state comptroller. Of the recording officer's fees so  
40 deposited, the comptroller shall retain in the comptroller's hands such  
41 amount as the commissioner may determine to be necessary for refunds or  
42 reimbursements of such fees collected or received pursuant to this  
43 section, out of which the comptroller shall pay any refunds or  
44 reimbursements of such fees to which persons shall be entitled under the  
45 provisions of this section. The comptroller, after reserving such refund  
46 and reimbursement fund shall, on or before the twelfth day of each  
47 month, pay to the appropriate recording officers an amount equal to the  
48 recording officer's fees reserved on their behalf. Provided, however,  
49 that the commissioner is authorized to request that the comptroller  
50 refrain from making such a payment of such fees to a recording officer  
51 until the commissioner has certified to the comptroller that the record-  
52 ing officer has supplied the commissioner with the liber and page  
53 numbers of the recorded instruments that gave rise to such fees.

54 (c) The system for the electronic submission of consolidated real  
55 property transfer forms shall be designed so that upon the successful  
56 electronic filing of such a form and the payment of the associated taxes

1 and fees, the party submitting the same shall be provided with an elec-  
2 tronic receipt in a form prescribed by the commissioner that confirms  
3 such filing and payment. Such party may file a printed copy of such  
4 receipt with the recording officer when offering the associated instru-  
5 ment for recording, in lieu of submitting to the recording officer the  
6 return, report, tax and fee that would otherwise have been required  
7 under this article and subdivisions one-e and three of section three  
8 hundred thirty-three of the real property law. The recording officer  
9 shall retain such receipt for a minimum of three years, unless otherwise  
10 directed by the commissioner, and shall provide a copy thereof to the  
11 commissioner for inspection upon his or her request.

12 (d) Upon recording the instrument to which the consolidated real prop-  
13 erty transfer form pertains, the recording officer shall provide the  
14 commissioner with the liber and page thereof at such time and in such  
15 manner as the commissioner shall prescribe.

16 (e) The provisions of this section shall not be applicable within a  
17 city or county that has implemented its own electronic system for the  
18 recording of deeds, the filing of the real estate transfer tax returns  
19 and the real property transfer reports prescribed by the commissioner,  
20 and the payment of the associated taxes and fees, unless such city or  
21 county should agree to allow the system implemented by the commissioner  
22 pursuant to this section to be used therein.

23 § 9. This act shall take effect immediately.

10 prepared in the manner and detail as the executive director may require,  
11 including but not limited to:

12 (i) any material change in the circumstances or factors listed in

37 that the registration should be renewed.

38 6. (a) The executive director shall recommend the board renew a regis-

49 agreement; or

50 (v) the applicant has substantively violated this chapter, regulations

55 effective control against diversion, violated any provision of this  
56 article, or has knowingly or negligently failed to comply with applica-

1 ble state laws relating to the activities in which it engages under the  
2 registration, may constitute grounds for suspension, revocation or limi-  
3 tation of the registered organization's registration or as determined by  
4 the executive director. The registered organization shall also be under  
5 a continuing duty to report to the office and seek prior approval for  
6 any material change or fact or circumstance to the information provided  
7 in the registered organization's application.

8 7. The office may suspend or revoke the registration of a registered  
9 organization, on grounds and using procedures under this article relat-  
10 ing to a license, to the extent consistent with this article. The  
11 office shall suspend or revoke the registration in the event that a  
12 registered organization violates or terminates the applicable labor  
13 peace agreement. Conduct in compliance with this article which may  
14 violate conflicting federal law, shall not in and of itself be grounds  
15 to suspend or terminate a registration.

16 8. The office shall begin issuing registrations for registered organ-  
17 izations as soon as practicable after the certifications required by  
18 this article are given.

19 9. The office shall register at least ten registered organizations  
20 that manufacture medical cannabis with no more than four dispensing  
21 sites wholly owned and operated by such registered organization. The  
22 executive director shall ensure that such registered organization,

24 distributed across the state to satisfy patient and program need. The  
25 executive director may register additional registered organizations.

26 § 36. Intentionally omitted.

27 § 37. Reports of registered organizations. 1. The executive director  
28 shall require each registered organization to file reports by the regis-

31 manner of the reporting.

32 2. The executive director shall require each registered organization  
33 to adopt and maintain security, tracking, record keeping, record  
34 retention and surveillance systems, relating to all medical cannabis at  
35 every stage of acquiring, possession, manufacture, sale, delivery,  
36 transporting, distributing, or dispensing by the registered organiza-  
37 tion, subject to regulations of the executive director.

38 § 38. Evaluation; research programs; report by office. 1. The execu-  
39 tive director may provide for the analysis and evaluation of the opera-  
40 tion of this title. The executive director may enter into agreements  
41 with one or more persons, not-for-profit corporations or other organiza-  
42 tions, for the performance of an evaluation of, or to aid in, the imple-  
43 mentation and effectiveness of this title.

44 2. The office may develop, seek any necessary federal approval for,  
45 and carry out research programs relating to medical use of cannabis.  
46 Participation in any such research program shall be voluntary on the  
47 part of practitioners, patients, and designated caregivers.

48 3. The office shall report every two years, beginning two years after  
49 the effective date of this chapter, to the governor and the legislature  
50 on the medical use of cannabis under this title and make appropriate  
51 recommendations.

52 § 39. Cannabis research license. 1. The board shall establish a  
53 cannabis research license that permits a licensee to produce, process,  
54 purchase and possess cannabis for the following limited research  
55 purposes:

56 (a) to test chemical potency and composition levels;

1 (b) to conduct clinical investigations of cannabis-derived drug  
2 products;

3 (c) to conduct research on the efficacy and safety of administering  
4 cannabis as part of medical treatment; and

5 (d) to conduct genomic or agricultural research.

6 2. As part of the application process for a cannabis research license,  
7 an applicant shall submit to the office a description of the research  
8 that is intended to be conducted as well as the amount of cannabis to be  
9 grown or purchased. The office shall review an applicant's research  
10 project and determine whether it meets the requirements of subdivision  
11 one of this section. In addition, the office shall assess the applica-  
12 tion based on the following criteria:

13 (a) project quality, study design, value, and impact;

14 (b) whether the applicant has the appropriate personnel, expertise,  
15 facilities and infrastructure, funding, and human, animal, or other  
16 approvals in place to successfully conduct the project; and

17 (c) whether the amount of cannabis to be grown or purchased by the  
18 applicant is consistent with the project's scope and goals. If the  
19 office determines that the research project does not meet the require-  
20 ments of subdivision one of this section, the application must be  
21 denied.

22 3. A cannabis research licensee may only sell cannabis grown or within  
23 its operation to other cannabis research licensees. The office may  
24 revoke a cannabis research license for violations of this subdivision.

25 4. A cannabis research licensee may contract with the higher education  
26 institutions to perform research in conjunction with the university. All  
27 research projects, entered into under this section shall be approved by

32 (b) cannabis research license renewal requirements, including whether  
33 additional research projects may be added or considered;

39 (f) licensee reporting requirements;

40 (g) conditions under which cannabis grown by licensed cannabis produc-  
41 ers and other product types from licensed cannabis processors may be  
42 donated to cannabis research licensees; and

43 (h) any additional requirements deemed necessary by the office.

44 6. A cannabis research license issued pursuant to this section shall

47 state of New York, and the holder thereof may not allow any other person  
48 to use the license.

49 7. The application fee for a cannabis research license shall be deter-  
50 mined by the executive director on an annual basis.

51 8. Each cannabis research licensee shall issue an annual report to the  
52 office. The office shall review such report and make a determination as

54 fications under this section.

55 § 40. Registered organizations and adult-use cannabis. 1. The execu-

3 the ability to be licensed to cultivate, process, distribute and/or sell  
4 adult-use cannabis and cannabis products, pursuant to any fees, rules or  
5 conditions prescribed by the board in regulation, but exempt from the  
6 restrictions on licensed adult-use cultivators, processors, and distrib-

10 at home, the growing infrastructure used, those with access to the site,  
11 or the cannabis material produced.

12 4. An eligible designated caregiver approved by the office may only  
13 grow for one patient.

14 5. A designated caregiver may not accept any money, fees, consider-  
15 ation, services, or any exchange of value in return for their growing  
16 services.

17 6. Any person in violation of state law or regulations related to  
18 cultivation of medical cannabis at home shall have any cannabis registry  
19 identification card, license, registration, or permit immediately  
20 revoked and shall be subject to administrative fines and penalties  
21 imposed by the office, as determined in regulation, and shall be subject  
22 to any applicable criminal penalties.

7 4. Onsite laboratory testing by licensees is permissible subject to  
8 regulation; however, such testing shall not be certified by the office  
9 and does not exempt the licensee from the requirements of quality assur-  
10 ance testing at a testing laboratory pursuant to this section.

11 5. An owner of a cannabis laboratory testing permit shall not hold a  
12 license, or interest in a license, in any other category within this

26 binoid hemp or hemp extract used for human consumption, whether in  
27 intermediate or final form, shall be required to obtain a cannabinoid  
28 hemp processor license from the department.

29 2. A cannabinoid hemp processor license authorizes one or more specif-  
30 ic activities related to the processing of cannabinoid hemp into  
31 products used for human consumption, whether in intermediate or final  
32 form, and the distribution or sale thereof by the licensee. Nothing  
33 herein shall prevent a cannabinoid hemp processor from processing,  
34 extracting and processing hemp products not to be used for human  
35 consumption.

36 3. Persons authorized to grow hemp pursuant to article twenty-nine of  
37 the agriculture and markets law are not authorized to engage in process-

39 a cannabinoid hemp processor under this article.

40 4. This article shall not apply to hemp, cannabinoid hemp, hemp  
41 extracts or products derived therefrom that are not used for human  
42 consumption. This article also shall not apply to hemp, cannabinoid  
43 hemp, hemp extracts or products derived therefrom that have been deemed  
44 generally recognized as safe pursuant to federal law.

45 5. The executive director shall have the authority to set reasonable  
46 fees for such license, to limit the activities permitted by such  
47 license, to establish the period during which such license is author-  
48 ized, which shall be two years or more, and to make rules and regu-  
49 lations necessary to implement this section.

50 6. Any person holding an active research partnership agreement with  
51 the department of agriculture and markets, authorizing that person to  
52 process cannabinoid hemp, shall be awarded licensure under this section,  
53 provided that the research partner is actively performing research  
54 pursuant to such agreement and is able to demonstrate compliance with  
55 this article, as determined by the office, after notice and an opportu-  
56 nity to be heard.

1 § 93. Cannabinoid hemp retailer license. 1. Retailers selling cannabi-  
2 noid hemp, in final form to consumers within the state, shall be  
3 required to obtain a cannabinoid hemp retailer license from the office.

4 2. The executive director shall have the authority to set reasonable  
5 fees for such license, to establish the period during which such license  
6 is authorized, which shall be one year or more, and to make rules and  
7 regulations necessary to implement this section.

8 § 94. Cannabinoid license applications. 1. Persons shall apply for a  
9 license under this article by submitting an application upon a form  
10 supplied by the office, providing all the relevant requested informa-  
11 tion, verified by the applicant or an authorized representative of the  
12 applicant.

13 2. A separate license shall be required for each facility at which  
14 processing or retail sales are conducted; however, an applicant may  
15 submit one application for separate licensure at multiple locations.

16 3. Each applicant shall remit with its application the fee for each  
17 requested license, which shall be a reasonable fee.

18 § 95. Information to be requested in applications for licenses. 1. The  
19 executive director may specify the manner and form in which an applica-  
20 tion shall be submitted to the office for licensure under this article.

21 2. The executive director shall prescribe what relevant information  
22 shall be included on an application for licensure under this article.  
23 Such information may include, but is not limited to: information about  
24 the applicant's identity; ownership and investment information, includ-  
25 ing the corporate structure; evidence of good moral character; financial  
26 statements; information about the premises to be licensed; information  
27 about the activities to be licensed; and any other relevant information  
28 prescribed by the executive director.

29 3. All license applications shall be signed by the applicant if an  
30 individual, by a managing partner if a limited liability company, by an  
31 officer if a corporation, or by all partners if a partnership. Each  
32 person signing such application shall verify it as true under the penal-  
33 ties of perjury.

34 4. All license applications shall be accompanied by a check, draft or  
35 other forms of payment as the office may require or authorize in the  
36 reasonable amount required by this article for such license.

37 5. If there be any change, after the filing of the application or the  
38 granting, modification or renewal of a license, in any of the material  
39 facts required to be set forth in such application, a supplemental  
40 statement giving notice of such change, duly verified, shall be filed  
41 with the office within ten days after such change. Failure to do so, if  
42 willful and deliberate, may be grounds for revocation of the license.

43 § 96. Fees. The office may charge licensees a reasonable license fee.  
44 Such fee may be based on the activities permitted by the license, the  
45 amount of cannabinoid hemp or hemp extract to be processed or extracted  
46 by the licensee, the gross annual receipts of the licensee for the  
47 previous license period, or any other factors reasonably deemed appro-  
48 priate by the office.

49 § 97. Selection criteria. 1. The applicant, if an individual or indi-  
50 viduals, shall furnish evidence of the individual's good moral charac-  
51 ter, and if an entity, the applicant shall furnish evidence of the good  
52 moral character of the individuals who have or will have substantial  
53 responsibility for the licensed or authorized activity and those in  
54 control of the entity, including principals, officers, or others with  
55 such control.

2. The applicant shall furnish evidence of the applicant's experience and competency, and that the applicant has or will have adequate facilities, equipment, process controls, and security to undertake those activities for which licensure is sought.

3. The applicant shall furnish evidence of his, her or its ability to comply with all applicable state and local laws, rules and regulations.

4. If the executive director is not satisfied that the applicant should be issued a license, the executive director shall notify the applicant in writing of the specific reason or reasons for denial.

5. No license pursuant to this article may be issued to an individual under the age of eighteen years.

§ 98. License renewal. 1. Each license, issued pursuant to this article, may be renewed upon application therefor by the licensee and the payment of the reasonable fee for such license as specified by this article.

2. In the case of applications for renewals, the office may dispense with the requirements of such statements as it deems unnecessary in view of those contained in the application made for the original license.

3. The office shall provide an application for renewal of any license issued under this article not less than ninety days prior to the expiration of the current license.

4. The office may only issue a renewal license upon receipt of the specified renewal application and renewal fee from a licensee if, in addition to the selection criteria set out in this article, the licensee's license is not under suspension and has not been revoked.

§ 99. Form of license. Licenses issued pursuant to this article shall specify:

1. The name and address of the licensee;

2. The activities permitted by the license;

3. The land, buildings and facilities that may be used for the licensed activities of the licensee;

4. A unique license number issued by the office to the licensee; and

5. Such other information as the office shall deem necessary to assure compliance with this chapter.

§ 100. Transferability; amendment to license; change in ownership or control. 1. Licenses issued under this article are not transferable, absent written consent of the office.

2. Upon application of a licensee, a license may be amended to add or delete permitted activities.

3. A license shall become void by a change in ownership, substantial corporate change or change of location without prior written approval of the office. The board may make regulations allowing for certain types of changes in ownership without the need for prior written approval.

§ 101. Granting, suspending or revoking licenses. After due notice and an opportunity to be heard, which process shall be established by rules and regulations, the office may decline to grant a new license, impose conditions or limits with respect to the grant of a license, modify an existing license or decline to renew a license, and may suspend or revoke a license already granted after due notice and an opportunity to be heard, as established by rules and regulations, whenever the executive director finds that:

1. A material statement contained in an application is or was false or misleading;

2. The applicant or licensee, or a person in a position of management and control thereof or of the licensed activity, does not have good moral character, necessary experience or competency, adequate facili-

1 ties, equipment, process controls, or security to process, distribute,  
2 transport or sell cannabinoid hemp, hemp extract or products derived  
3 therefrom;

4 3. After appropriate notice and opportunity, the applicant or licensee  
5 has failed or refused to produce any records or provide any information  
6 required by this article or the regulations promulgated pursuant there-  
7 to;

8 4. The licensee has conducted activities outside of those activities  
9 permitted on its license; or

10 5. The applicant or licensee, or any officer, director, partner, or  
11 any other person exercising any position of management or control there-  
12 of or of the licensed activity has willfully failed to comply with any  
13 of the provisions of this article or regulations under it and other laws  
14 of this state applicable to the licensed activity.

15 § 102. Record keeping and tracking. Every licensee shall keep, in such  
16 form as the executive director may direct, such relevant records as may  
17 be required pursuant to regulations under this article.

18 § 103. Packaging and labeling of cannabinoid hemp and hemp extract. 1.  
19 Cannabinoid hemp processors shall be required to provide appropriate  
20 label warning to consumers, and restricted from making unapproved label  
21 claims, as determined by the office, concerning the potential impact on  
22 or benefit to human health resulting from the use of cannabinoid hemp,  
23 hemp extract and products derived therefrom for human consumption, which  
24 labels shall be affixed to those products when sold, pursuant to rules  
25 and regulations that the office may adopt.

26 2. The office may, by rules and regulations, require processors to  
27 establish a code, including, but not limited to QR code, for labels and  
28 establish methods and procedures for determining, among other things,  
29 serving sizes or dosages for cannabinoid hemp, hemp extract and products  
30 derived therefrom, active cannabinoid concentration per serving size,  
31 number of servings per container, and the growing region, state or coun-  
32 try of origin if not from the United States. Such rules and regulations  
33 may require an appropriate fact panel that incorporates data regarding  
34 serving sizes and potency thereof.

35 3. The packaging, sale, or possession of products derived from canna-  
36 binoid hemp or hemp extract used for human consumption not labeled or  
37 offered in conformity with regulations under this section shall be  
38 grounds for the seizure or quarantine of the product, the imposition of  
39 a civil penalty against a processor or retailer, and the suspension,  
40 revocation or suspension of a license, in accordance with this article.

41 § 104. Processing of cannabinoid hemp and hemp extract. 1. No process-  
42 or shall sell or agree to sell or deliver in the state any cannabinoid  
43 hemp, hemp extract or product derived therefrom, used for human consump-  
44 tion, except in sealed containers containing quantities in accordance  
45 with size standards pursuant to rules adopted by the office. Such  
46 containers shall have affixed thereto such labels as may be required by  
47 the rules of the office.

48 2. Processors shall take such steps necessary to ensure that the  
49 cannabinoid hemp or hemp extract used in their processing operation has  
50 only been grown with pesticides that are registered by the department of  
51 environmental conservation or that specifically meet the United States  
52 environmental protection agency registration exemption criteria for  
53 minimum risk, used in compliance with rules, regulations, standards and  
54 guidelines issued by the department of environmental conservation for  
55 pesticides.

3. All cannabinoid hemp, hemp extract and products derived therefrom used for human consumption shall be extracted and processed in accordance with good manufacturing processes for the product category pursuant to Part 117 or Part 111 of title 21 of the code of federal regulations, as may be defined, modified and decided upon by the office, provided that such rules shall be in conformity to the extent practicable with neighboring states.

4. As necessary to protect human health, the office shall have the authority to: (a) regulate and prohibit specific ingredients, excipients or methods used in processing cannabinoid hemp, hemp extract and products derived therefrom; and (b) prohibit, or expressly allow, certain products or product classes derived from cannabinoid hemp or hemp extract, to be processed.

§ 105. Laboratory testing. Every cannabinoid hemp processor shall contract with an independent commercial laboratory to test the hemp extract and products produced by the licensed processor. The executive director, in consultation with the commissioner of the department of health, shall establish the necessary qualifications or certifications required for such laboratories used by licensees. The board is authorized to issue rules and regulations consistent with this article establishing the testing required, the reporting of testing results and the form for reporting such laboratory testing results. The office has authority to require licensees to submit any cannabinoid hemp, hemp extract or product derived therefrom, processed or offered for sale within the state, for testing. This section shall not obligate the office, in any way, to perform any testing on hemp, cannabinoid hemp, hemp extract or product derived therefrom. The office shall be authorized to establish consortia or cooperative agreements with neighboring states to effectuate this section.

§ 106. New York hemp product. The office may establish and adopt official grades and standards for cannabinoid hemp, hemp extract and products derived therefrom, as he or she may deem advisable, which are produced for sale in this state and, from time to time, may amend or modify such grades and standards.

§ 107. Penalties. Notwithstanding the provision of any law to the contrary, the failure to comply with a requirement of this article, or a regulation thereunder, may be punishable by a civil penalty of not more than one thousand dollars for a first violation; not more than five thousand dollars for a second violation within three years; and not more than ten thousand dollars for a third violation and each subsequent violation thereafter, within three years.

§ 108. Hemp workgroup. The executive director, in consultation with the commissioner of the department of agriculture and markets and the commissioner of health, may appoint a New York state hemp and hemp extract workgroup, composed of growers, researchers, producers, processors, manufacturers and trade associations, to make recommendations for the industrial hemp and cannabinoid hemp programs, state, regional, and federal policies and policy initiatives, and opportunities for the promotion and marketing of cannabinoid hemp and hemp extract as consistent with federal and state laws, rules and regulations.

§ 109. Prohibitions. 1. Except as authorized by the United States food and drug administration, the processing of cannabinoid hemp or hemp extract used for human consumption is prohibited within the state unless the processor is licensed under this article.

2. Cannabinoid hemp and hemp extracts used for human consumption and grown or processed outside the state shall not be distributed or sold at

1 retail within the state, unless they meet all standards established for  
2 cannabinoid hemp under state law and regulations.

3 3. The retail sale of cannabinoid hemp is prohibited in this state  
4 unless the retailer is licensed under this article.

5 § 110. Special use permits. The office shall have the authority to  
6 issue temporary permits for carrying on any activity related to cannabi-  
7 noid hemp, hemp extract and products derived therefrom, licensed under  
8 this article. The executive director may set reasonable fees for such  
9 permits, to establish the periods during which such permits are valid,  
10 and to make rules and regulations to implement this section.

11 § 111. Severability. If any provision of this article or the applica-  
12 tion thereof to any person or circumstances is held invalid, such inva-  
13 lidity shall not affect other provisions or applications of this article  
14 which can be given effect without the invalid provision or application,  
15 and to this end the provisions of this article are declared to be sever-  
16 able.

44 retail any cannabis, adult-use cannabis product, medical cannabis or  
45 cannabinoid hemp within the state without obtaining the appropriate  
46 registration, license, or permit therefor required by this chapter.

47 2. No registered organization, licensee, or permittee shall sell, or  
48 agree to sell or deliver in this state any cannabis or cannabinoid hemp  
49 for the purposes of resale to any person who is not duly registered,  
50 licensed or permitted pursuant to this chapter to sell such product, at  
51 wholesale or retail, as the case may be, at the time of such agreement  
52 and sale.

53 3. No registered organization, licensee, or permittee shall employ, or  
54 permit to be employed, or shall allow to work, on any premises regis-  
55 tered or licensed for retail sale hereunder, any person under the age of

1 eight years in any capacity where the duties of such person require  
2 or permit such person to sell, dispense or handle cannabis.

3 4. No registered organization, licensee, or permittee shall sell,  
4 deliver or give away, or cause, permit or procure to be sold, delivered  
5 or given away any adult-use cannabis, cannabis product, medical cannabis  
6 or cannabinoid hemp on credit unless authorized by the executive direc-  
7 tor; except that a registered organization, licensee or permittee may  
8 accept third party credit cards for the sale of any cannabis, cannabis  
9 product, medical cannabis or cannabinoid hemp for which it is regis-  
10 tered, licensed or permitted to dispense or sell to patients or cannabis  
11 consumers. This includes, but is not limited to, any consignment sale of  
12 any kind.

13 5. No registered organization, licensee, or permittee shall cease to  
14 be operated as a bona fide or legitimate premises within the contem-  
15 plation of the registration, license, or permit issued for such prem-  
16 ises, as determined within the judgment of the office.

17 6. No registered organization, licensee, or permittee shall refuse,  
18 nor any person holding a registration, license, or permit refuse, nor  
19 any officer or director of any corporation or organization holding a  
20 registration, license, or permit refuse, to appear and/or testify under  
21 oath at an inquiry or hearing held by the office, with respect to any  
22 matter bearing upon the registration, license, or permit, the conduct of  
23 any people at the licensed premises, or bearing upon the character or  
24 fitness of such registrant, licensee, or permittee to continue to hold  
25 any registration, license, or permit. Nor shall any of the above offer  
26 false testimony under oath at such inquiry or hearing.

27 7. No registered organization, licensee, or permittee shall engage,  
28 participate in, or aid or abet any violation or provision of this chap-  
29 ter, or the rules or regulations of the office.

30 8. The proper conduct of registered, licensed, or permitted premises  
31 is essential to the public interest. Failure of a registered organiza-  
32 tion, licensee, or permittee to exercise adequate supervision over the  
33 registered, licensed, or permitted location poses a substantial risk not  
34 only to the objectives of this chapter but imperils the health, safety,  
35 and welfare of the people of this state. It shall be the obligation of  
36 each person registered, licensed, or permitted under this chapter to  
37 ensure that a high degree of supervision is exercised over any and all  
38 conduct at any registered, licensed, or permitted location at any and  
39 all times in order to safeguard against abuses of the privilege of being  
40 registered, licensed, or permitted, as well as other violations of law,  
41 statute, rule, or regulation. Persons registered, licensed, or permitted  
42 shall be held strictly accountable for any and all violations that occur  
43 upon any registered, licensed, or permitted premises, and for any and  
44 all violations committed by or permitted by any manager, agent or  
45 employee of such registered, licensed, or permitted person.

46 9. It shall be unlawful for any person, partnership or corporation  
47 operating a place for profit or pecuniary gain, with a capacity for the  
48 assemblage of twenty or more persons to permit a person or persons to  
49 come to the place of assembly for the purpose of cultivating, process-  
50 ing, distributing, or retail distribution or sale of cannabis on said  
51 premises. This includes, but is not limited, to, cannabis that is either  
52 provided by the operator of the place of assembly, his agents, servants  
53 or employees, or cannabis that is brought onto said premises by the  
54 person or persons assembling at such place, unless an appropriate regis-  
55 tration, license, or permit has first been obtained from the office of  
56 cannabis management by the operator of said place of assembly.

10. As it is a privilege under the law to be registered, licensed, or permitted to cultivate, process, distribute, traffic, or sell cannabis, the office may impose any such further restrictions upon any registrant, licensee, or permittee in particular instances as it deems necessary to further state policy and best serve the public interest. A violation or failure of any person registered, licensed, or permitted to comply with any condition, stipulation, or agreement, upon which any registration, license, or permit was issued or renewed by the office shall subject the registrant, licensee, or permittee to suspension, cancellation, revocation, and/or civil penalties as determined by the office.

11. No adult-use cannabis or medical cannabis may be imported to, or exported out of, New York state by a registered organization, licensee or person holding a license and/or permit pursuant to this chapter, until such time as it may become legal to do so under federal law. Should it become legal to do so under federal law, the board is granted the power to promulgate such rules and regulations as it deems necessary to protect the public and the policy of the state.

12. No registered organization, licensee or any of its agents, servants or employees shall peddle any cannabis product, medical cannabis or cannabinoid hemp from house to house by means of a truck or otherwise, where the sale is consummated and delivery made concurrently at the residence or place of business of a cannabis consumer. This subdivision shall not prohibit the delivery by a registered organization to certified patients or their designated caregivers, pursuant to article three of this chapter.

13. No licensee shall employ any canvasser or solicitor for the purpose of receiving an order from a certified patient, designated caregiver or cannabis consumer for any cannabis product, medical cannabis or cannabinoid hemp at the residence or place of business of such patient, caregiver or consumer, nor shall any licensee receive or accept any order, for the sale of any cannabis product, medical cannabis or cannabinoid hemp which shall be solicited at the residence or place of business of a patient, caregiver or consumer. This subdivision shall not prohibit the solicitation by a distributor of an order from any licensee at the licensed premises of such licensee.

14. No premises registered, licensed, or permitted by the office shall:

- (a) permit or allow any gambling on the premises;
- (b) permit or allow the premises to become disorderly;
- (c) permit or allow the use, by any person, of any fireworks or other pyrotechnics on the premises; or
- (d) permit or allow to appear as an entertainer, on any part of the premises registered, licensed, or permitted, any person under the age of eighteen years.

§ 126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis. 1. A registration, license, or permit issued to any person, pursuant to this chapter, for any registered, licensed, or permitted premises shall not be transferable to any other person, to any other location or premises, or to any other building or part of the building containing the licensed premises except in the discretion of the office. All privileges granted by any registration, license, or permit shall be available only to the person therein specified, and only for the premises licensed and no other except if authorized by the office. Provided, however, that the provisions of this section shall not be deemed to prohibit an application or request for approval for a registration or license as provided

1 for in this chapter. A violation of this section shall subject the  
2 registration, license, or permit to revocation for cause.

3 2. Where a registration or license for premises has been revoked, the  
4 office in its discretion may refuse to accept an application from, or  
5 issue a registration, license, or permit under this chapter to, any  
6 individual, business, or entity connected to the revoked registration or  
7 license, or for such premises or for any part of the building containing  
8 such premises and connected therewith.

9 3. In determining whether to issue such a proscription against grant-  
10 ing any registration, license, or permit for such five-year period, in  
11 addition to any other factors deemed relevant to the office, the office  
12 shall, in the case of a license revoked due to the illegal sale of  
13 cannabis to a minor, determine whether the proposed subsequent licensee  
14 has obtained such premises through an arm's length transaction, and, if  
15 such transaction is not found to be an arm's length transaction, the  
16 office shall deny the issuance of such license.

17 4. For purposes of this section, "arm's length transaction" shall mean  
18 a sale of a fee of all undivided interests in real property, lease,  
19 management agreement, or other agreement giving the applicant control  
20 over the cannabis at the premises, or any part thereof, in the open  
21 market, between an informed and willing buyer and seller where neither  
22 is under any compulsion to participate in the transaction, unaffected by  
23 any unusual conditions indicating a reasonable possibility that the sale  
24 was made for the purpose of permitting the original licensee to avoid  
25 the effect of the revocation. The following sales shall be presumed not  
26 to be arm's length transactions unless adequate documentation is  
27 provided demonstrating that the sale, lease, management agreement, or  
28 other agreement giving the applicant control over the cannabis at the  
29 premises, was not conducted, in whole or in part, for the purpose of  
30 permitting the original licensee to avoid the effect of the revocation:

31 (a) a sale between relatives;

32 (b) a sale between related companies or partners in a business; or

33 (c) a sale, lease, management agreement, or other agreement giving the  
34 applicant control over the cannabis at the premises, affected by other  
35 facts or circumstances that would indicate that the sale, lease, manage-  
36 ment agreement, or other agreement giving the applicant control over the  
37 cannabis at the premises, is entered into for the primary purpose of  
38 permitting the original licensee to avoid the effect of the revocation.

39 5. No registered organization, licensee or permittee shall transport  
40 cannabis products or medical cannabis except in vehicles owned and oper-  
41 ated by such registered organization, licensee or permittee, or hired  
42 and operated by such registered organization, licensee or permittee from  
43 a trucking or transportation company permitted and registered with the  
44 office.

45 6. No common carrier or person operating a transportation facility in  
46 this state, other than the United States government, shall receive for  
47 transportation or delivery within the state any cannabis products or  
48 medical cannabis unless the shipment is accompanied by copy of a bill of  
49 lading, or other document, showing the name and address of the consig-  
50 nor, the name and address of the consignee, the date of the shipment,  
51 and the quantity and kind of cannabis products or medical cannabis  
52 contained therein.

53 § 127. Protections for the use of cannabis; unlawful discriminations  
54 prohibited. 1. No person, registered organization, licensee or permit-  
55 tee, or agent or contractor of a registered organization, licensee or  
56 permittee shall be subject to arrest, prosecution, or penalty in any

1 manner, or denied any right or privilege, including but not limited to  
2 civil liability or disciplinary action by a business or occupational or  
3 professional licensing board or office, solely for conduct permitted  
4 under this chapter. For the avoidance of doubt, the appellate division  
5 of the supreme court of the state of New York, and any disciplinary or  
6 character and fitness committees established by them are occupational  
7 and professional licensing boards within the meaning of this section.  
8 State or local law enforcement agencies shall not cooperate with or  
9 provide assistance to the government of the United States or any agency  
10 thereof in enforcing the federal controlled substances act, 21 U.S.C. et  
11 seq., solely for actions consistent with this chapter, except pursuant  
12 to an order of a court of competent jurisdiction.

13 2. No school or landlord may refuse to enroll or lease to and may not  
14 otherwise penalize a person solely for conduct allowed under this chap-  
15 ter, except as exempted:

16 (a) if failing to do so would cause the school or landlord to lose a  
17 monetary or licensing related benefit under federal law or regulations;

18 (b) if the institution has adopted a code of conduct prohibiting  
19 cannabis use on the basis of religious belief; or

20 (c) if a property is registered with the New York smoke-free housing  
21 registry, it is not required to permit the smoking of cannabis products  
22 on its premises.

23 3. For the purposes of medical care, including organ transplants, a  
24 certified patient's authorized use of medical cannabis must be consid-  
25 ered the equivalent of the use of any other medication under the direc-  
26 tion of a practitioner and does not constitute the use of an illicit  
27 substance or otherwise disqualify a registered qualifying patient from  
28 medical care.

29 4. An employer may implement policies prohibiting the use or  
30 possession of cannabis in accordance with section two hundred one-d of  
31 the labor law, provided such policies are in writing as part of an  
32 established workplace policy, uniformly applied to all employees, and  
33 the employer gives prior written notice of such policies to employees.

34 5. An employer may take disciplinary or adverse employment action  
35 against an employee, including termination of employment, for violating  
36 an established workplace policy adopted under subdivision four of this  
37 section, or if the results of a drug test administered in accordance  
38 with applicable state and local law demonstrate that the employee was  
39 impaired by or under the influence of cannabis while in the workplace or  
40 during the performance of work. For the purposes of this subdivision, a  
41 drug test that solely yields a positive result for cannabis metabolites  
42 shall not be construed as proof that an employee is under the influence  
43 of or impaired by cannabis unless the test yields a positive result for  
44 active tetrahydrocannabinol, delta-9-tetrahydrocannabinol, delta-8-tet-  
45 rahydrocannabinol, or other active cannabinoid found in cannabis which  
46 causes impairment.

47 6. Nothing in this chapter permits any person to undertake any task  
48 under the influence of cannabis when doing so would constitute negli-  
49 gence or professional malpractice, jeopardize workplace safety, or to  
50 operate, navigate or be in actual physical control of any motor vehicle  
51 or other transport vehicle, aircraft, motorboat, machinery or equipment,  
52 or firearms under the influence of cannabis.

53 7. A person currently under parole, probation or other state super-  
54 vision, or released on bail awaiting trial may not be punished or other-  
55 wise penalized for conduct allowed under this chapter.

§ 128. Registrations and licenses. 1. No registration or license shall be transferable or assignable except that notwithstanding any other provision of law, the registration or license of a sole proprietor converting to corporate form, where such proprietor becomes the sole stockholder and only officer and director of such new corporation, may be transferred to the subject corporation if all requirements of this chapter remain the same with respect to such registration or license as transferred and, further, the registered organization or licensee shall transmit to the office, within ten days of the transfer of license allowable under this subdivision, on a form prescribed by the office, notification of the transfer of such license.

2. No registration or license shall be pledged or deposited as collateral security for any loan or upon any other condition; and any such pledge or deposit, and any contract providing therefor, shall be void.

3. Licenses issued under this chapter shall contain, in addition to any further information or material to be prescribed by the rules of the office, the following information:

- (a) name of the person to whom the license is issued;
- (b) kind of license and what kind of traffic in cannabis is thereby permitted;
- (c) description by street and number, or otherwise, of licensed premises; and
- (d) a statement in substance that such license shall not be deemed a property or vested right, and that it may be revoked at any time pursuant to law.

§ 129. Laboratory testing permit. 1. The executive director, in consultation with the commissioner of health, shall approve and permit one or more independent cannabis testing laboratories to test medical cannabis, adult-use cannabis and/or cannabinoid hemp.

2. To be permitted as an independent cannabis laboratory, a laboratory must apply to the office, on a form and in a manner prescribed by the office, and must demonstrate the following to the satisfaction of the executive director:

- (a) the owners and directors of the laboratory are of good moral character;
- (b) the laboratory and its staff has the skills, resources and expertise needed to accurately and consistently perform testing required for adult-use cannabis, medical cannabis and/or cannabinoid hemp;
- (c) the laboratory has in place and will maintain adequate policies, procedures, and facility security to ensure proper: collection, labeling, accessioning, preparation, analysis, result reporting, disposal and storage of adult-use cannabis, medical cannabis and/or cannabinoid hemp;
- (d) the laboratory is physically located in New York state except for laboratories only testing cannabinoid hemp or as authorized in regulation; and
- (e) the laboratory meets the requirements prescribed by this chapter and by regulation.

3. The owner of a laboratory testing permit under this section shall not hold a registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such registered organization or licensee. No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

1 4. The office shall require that the permitted laboratory report test-  
2 ing results to the office in a manner, form and timeframe as determined  
3 by the executive director.

4 5. The board is authorized to promulgate regulations, requiring  
5 permitted laboratories to perform certain tests and services.

6 6. The executive director is authorized to enter into contracts or  
7 memoranda of understanding with any other state for the purposes of  
8 aligning laboratory testing requirements or establishing best practices  
9 in testing of cannabis.

10 § 130. Special use permits. The office is hereby authorized to issue  
11 the following kinds of permits for carrying on activities consistent  
12 with the policy and purpose of this chapter with respect to cannabis.  
13 The executive director has the authority to set fees for all permits  
14 issued pursuant to this section, to establish the periods during which  
15 permits are authorized.

16 1. Industrial cannabis permit - to purchase cannabis for use in the  
17 manufacture and sale of any of the following, when such cannabis is not  
18 otherwise suitable for consumption purposes, namely: (a) apparel, ener-  
19 gy, paper, and tools; (b) scientific, chemical, mechanical and indus-  
20 trial products; or (c) any other industrial use as determined by the  
21 executive director in regulation.

22 2. Nursery permit - to produce clones, immature plants, seeds, and  
23 other agricultural products used specifically for the planting, propa-  
24 gation, and cultivation of cannabis, and to sell such to licensed  
25 adult-use cultivators, registered organizations, and certified patients  
26 or their designated caregivers.

27 3. Solicitor's permit - to offer for sale or to solicit orders for the  
28 sale of any cannabis products and/or medical cannabis, as a represen-  
29 tative of a registered organization or licensee under this chapter.

30 4. Broker's permit - to act as a broker in the purchase and sale of  
31 cannabis products and/or medical cannabis for a fee or commission, for

39 products, or medical cannabis at a location not otherwise registered or

51 premises in which such function, occasion or event is held.

52 10. Packaging permit - to authorize a licensed cannabis distributor to  
53 sort, package, label and bundle cannabis products from one or more  
54 registered organizations or licensed processors, on the premises of the  
55 licensed cannabis distributor or at a warehouse for which a permit has  
56 been issued under this section.

11. Miscellaneous permits - to purchase, receive or sell cannabis, cannabis products or medical cannabis, or receipts, certificates, contracts or other documents pertaining to cannabis, cannabis products, or medical cannabis, or to provide specialized or certified ancillary services to support the implementation and purpose of this chapter, in cases not expressly provided for by this chapter, when in the judgment of the office it would be appropriate and consistent with the policy and purpose of this chapter.

§ 132. Municipal control and preemption. 1. The provisions of article four of this chapter, authorizing the cultivation, processing, distribution and sale of adult-use cannabis to cannabis consumers, shall not be applicable to a county, or city having a population of one hundred thousand or more residents, which adopts a local law, ordinance or resolution by a majority vote of its governing body, to completely prohibit the establishment or operation of one or more types of licenses contained in article four of this chapter, within the jurisdiction of such county or city.

2. Except as provided for in subdivision one of this section, all counties, towns, cities and villages are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or cannabinoid hemp licenses. However, counties, cities, towns and villages, as applicable, may pass ordinances or regulations governing the hours of operation and location of licensed adult-use cannabis retail dispensaries, provided such ordinances or regulations do not make the operation of such licensed retail dispensaries unreasonably impracticable.

3. Local rules, ordinances, regulations or prohibitions enacted by a county, city, town, or village shall not require an adult-use cannabis applicant or licensee to enter into a community host agreement or pay any consideration to the municipality other than reasonable zoning and permitting fees.

4. Notwithstanding subdivision one of this section, adult-use cannabis, medical cannabis and cannabinoid hemp farming and farm operations, on land located within an agricultural district, shall be deemed an approved activity under the relevant county, city, town, or village land use or zoning ordinances, rules, or regulations, inclusive of all necessary ancillary farm operations as permitted by license pursuant to this chapter.

§ 133. Office to be necessary party to certain proceedings. The office shall be made a party to all actions and proceedings affecting in any manner the possession, ownership or transfer of a registration, license or permit to operate within a municipality; to all injunction proceedings; and to all other civil actions or proceedings which in any manner affect the enjoyment of the privileges or the operation of the restrictions provided for in this chapter.

§ 134. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, medical cannabis or cannabinoid hemp without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, upon first conviction thereof shall be guilty of a misdemeanor, punishable by a fine not more than five thousand dollars per violation, per day, and upon second conviction thereof shall be guilty of a class A misdemeanor punishable by a fine not more than ten thousand dollars per violation, per day, or a sentence of imprisonment not to exceed thirty days and upon all subsequent

1 convictions thereof shall be an E felony punishable by a fine not more  
2 than twenty-five thousand dollars per violation, per day or a sentence  
3 of imprisonment not to exceed one year.

4 2. Any registered organization or licensee, whose registration or  
5 license has been suspended pursuant to the provisions of this chapter,  
6 who sells cannabis, cannabis products, medical cannabis or cannabinoid  
7 hemp during the suspension period, upon conviction thereof shall be  
8 guilty of an A misdemeanor, punishable punished by a fine of not more  
9 than five thousand dollars per violation, per day.

10 3. Any person who shall make any false statement in the application  
11 for or renewal of a registration, license or a permit under this chapter  
12 shall be guilty of a misdemeanor, and upon conviction thereof shall be  
13 punishable by a fine of not more than five thousand dollars.

14 4. Any violation by any person of any provision of this chapter for  
15 which no punishment or penalty is otherwise provided shall be a misde-  
16 meanor.

17 5. Nothing in this section shall prohibit the office from suspending,  
18 revoking, or denying a license, permit, registration, or application in  
19 addition to the penalties prescribed herein.

20 § 135. Revocation of registrations, licenses and permits for cause;  
21 procedure for revocation or cancellation. 1. Any registration, license  
22 or permit issued pursuant to this chapter may be revoked, cancelled,  
23 suspended and/or subjected to the imposition of a civil penalty for  
24 cause, and must be revoked for the following causes:

25 (a) the registered organization, licensee, permittee or his or her  
26 agent or employee has sold any illegal cannabis on the premises regis-  
27 tered, licensed or permitted;

28 (b) for transferring, assigning or hypothecating a registration,  
29 license or permit without prior written approval of the office;

30 (c) for failing to follow testing requirements prescribed under this  
31 chapter or falsifying testing results;

32 (d) for knowingly distributing cannabis products to persons under  
33 twenty-one years of age;

34 (e) for diverting, inverting or trafficking in cannabis to or from an  
35 illegal and unlicensed, registered, or permitted source in violation of  
36 this chapter; or

37 (f) for any other violation established in regulation which poses an  
38 imminent and substantial threat to public health, public safety, or the  
39 integrity of the state's cannabis regulatory structure.

40 2. Notwithstanding the issuance of a registration, license or permit  
41 by way of renewal, the office may revoke, cancel or suspend such regis-  
42 tration, license or permit and/or may impose a civil penalty against any  
43 holder of such registration, license or permit, as prescribed by this  
44 section, for causes or violations occurring during a license period  
45 which occurred prior to the issuance of such registration, license or  
46 permit.

47 3. (a) As used in this section, the term "for cause" shall also  
48 include the existence of a sustained and continuing pattern of miscon-  
49 duct, failure to adequately prevent diversion or disorder on or about  
50 the registered, licensed or permitted premises, or in the area in front  
51 of or adjacent to the registered or licensed premises, or in any parking  
52 lot provided by the registered organization or licensee for use by  
53 registered organization or licensee's patrons, which, in the judgment of  
54 the office, adversely affects or tends to affect the protection, health,  
55 welfare, safety, or repose of the inhabitants of the area in which the  
56 registered or licensed premises is located, or results in the licensed

1 premises becoming a focal point for police attention, or is offensive to  
2 public decency.

3 (b) (i) As used in this section, the term "for cause" shall also  
4 include deliberately misleading the authority:

5 (A) as to the nature and character of the business to be operated by  
6 the registered organization, licensee or permittee; or

7 (B) by substantially altering the nature or character of such business  
8 during the registration or licensing period without seeking appropriate  
9 approvals from the office.

10 (ii) As used in this subdivision, the term "substantially altering the  
11 nature or character" of such business shall mean any significant alter-  
12 ation in the scope of business activities conducted by a registered  
13 organization, licensee or permittee that would require obtaining an  
14 alternate form of registration, license or permit.

15 4. As used in this chapter, the existence of a sustained and continu-  
16 ing pattern of misconduct, failure to adequately prevent diversion or  
17 disorder on or about the premises may be presumed upon the third inci-  
18 dent reported to the office by a law enforcement agency, or discovered  
19 by the office during the course of any investigation, of misconduct,  
20 diversion or disorder on or about the premises or related to the opera-  
21 tion of the premises.

22 5. The denial, revocation, or suspension of any application, license,  
23 permit, or registration issued to or submitted by a person, business, or  
24 entity may also be grounds for the denial, suspension, or revocation of  
25 any and all other licenses, permits, or registrations applied for by, or  
26 issued to said person, business, or entity if the executive director  
27 determines it necessary to protect public health and safety or that the  
28 person, business, and/or entities involved no longer possess the good  
29 moral character required to participate in the cannabis industry.

30 6. Any registration, license or permit issued by the office pursuant  
31 to this chapter may be revoked, cancelled or suspended and/or be  
32 subjected to the imposition of a monetary penalty in the manner  
33 prescribed by this section.

34 7. The office may on its own initiative, or on complaint of any  
35 person, institute proceedings to revoke, cancel or suspend any adult-use  
36 cannabis retail dispensary license or adult-use cannabis on-site  
37 consumption license and may impose a civil penalty against the licensee  
38 after a hearing at which the licensee shall be given an opportunity to  
39 be heard. Such hearing shall be held in such manner and upon such notice  
40 as may be prescribed by regulation.

41 8. All other registrations, licenses or permits issued under this  
42 chapter may be revoked, cancelled, suspended and/or made subject to the  
43 imposition of a civil penalty by the office after a hearing to be held  
44 in such manner and upon such notice as may be prescribed in regulation  
45 by the executive director.

46 9. Notwithstanding any other provision of this chapter, the office  
47 may: (a) revoke or refuse to issue any class or type of license, permit,  
48 or registration if it determines that failing to do so would conflict  
49 with any federal law or guidance pertaining to regulatory, enforcement  
50 and other systems that states, businesses, or other institutions may  
51 implement to mitigate the potential for federal intervention or enforce-  
52 ment. This provision shall not be construed to prohibit the overall  
53 implementation and administration of this chapter on account of the  
54 federal classification of marijuana or cannabis as a schedule I  
55 substance or any other federal prohibitions or restrictions; and

(b) the board may adopt rules and regulations based on federal guidance, provided those rules and regulations are designed to comply with federal guidance and mitigate federal enforcement against the registrations, licenses, or permits issued under this chapter, or the cannabis industry as a whole. This may include regulations which permit the sharing of licensee, registrant, or permit holder information with designated banking or financial institutions, provided these regulations are designed to aid cannabis industry participants' access to banking and financial services.

§ 136. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil fine, seizure, or forfeiture of assets against any person acting in accordance with this chapter:

(a) Actions of a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(b) Actions of those who allow property to be used by a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(c) Actions of any person or entity, their employees, or their agents providing a service to a registered organization, licensee, permittee or a potential registered organization, licensee, or permittee, as permitted by this chapter and consistent with rules and regulations of the office, relating to the formation of a business.

(d) The purchase, possession, or consumption of cannabis, medical cannabis and cannabinoid hemp, as permitted by this chapter and consistent with rules and regulations of the office, obtained from a validly registered, licensed or permitted retailer.

§ 137. Review by courts. 1. The following actions by the office shall be subject to review by the supreme court in the manner provided in article seventy-eight of the civil practice law and rules:

(a) refusal by the office to issue a registration, license, or a permit;

(b) the revocation, cancellation or suspension of a registration, license, or permit by the office;

(c) the failure or refusal by the office to render a decision upon any completed application for a license, registration or permit, or hearing submitted to or held by the office within sixty days after such submission of a completed application or hearing;

(d) the transfer by the office of a registration, license, or permit to any other entity or premises, or refusal by the office to approve such a transfer; and

(e) refusal to approve a corporate change in stockholders, stockholdings, officers or directors.

2. No stay shall be granted pending the determination of such matter except on notice to the office and only for a period of less than thirty days. In no instance shall a stay be granted where the office has issued

1 a summary suspension of a registration, license, or permit for the  
2 protection of the public health, safety, and welfare.

3 § 138. Illicit cannabis. 1. "Illicit cannabis" means and includes any  
4 cannabis product or medical cannabis owned, cultivated, distributed,  
5 bought, sold, packaged, rectified, blended, treated, fortified, mixed,  
6 processed, warehoused, possessed or transported, on which any tax  
7 required to have been paid under any applicable state law has not been  
8 paid; or any adult-use cannabis or medical cannabis product the form,  
9 packaging, or content of which is not permitted by the office, as appli-  
10 cable.

11 2. Any person who shall knowingly possess or have under his or her  
12 control any illicit cannabis is guilty of a misdemeanor.

13 3. Any person who shall knowingly barter or exchange with, or sell,  
14 give or offer to sell or to give another any illicit cannabis is guilty  
15 of a class A misdemeanor.

16 4. Any person who shall possess or have under his or her control or  
17 transport any illicit cannabis with intent to barter or exchange with,  
18 or to sell or give to another the same or any part thereof is guilty of  
19 a class A misdemeanor. Such intent is presumptively established by proof  
20 that the person knowingly possessed or had under his or her control one  
21 or more ounces, or an equivalent amount as determined by the executive  
22 director in regulation, of illicit cannabis. This presumption may be  
23 rebutted.

24 5. Any person who, being the owner, lessee, or occupant of any room,  
25 shed, tenement, booth or building, float or vessel, or part thereof,  
26 knowingly permits the same to be used for the cultivation, processing,  
27 distribution, purchase, sale, warehousing, transportation, or storage of  
28 any illicit cannabis, is guilty of a misdemeanor.

29 § 139. Injunction for unlawful manufacturing, sale, distribution, or  
30 consumption of cannabis. 1. If any person shall engage or participate  
31 or be about to engage or participate in the cultivation, production,  
32 distribution, traffic, or sale of cannabis products, medical cannabis or  
33 cannabinoid hemp in this state without obtaining the appropriate regis-  
34 tration, license, or permit therefor, or shall traffic in cannabis  
35 products, medical cannabis or cannabinoid hemp contrary to any provision  
36 of this chapter, or otherwise unlawfully, or shall traffic in illicit  
37 cannabis or, operating either a place for profit or pecuniary gain, or a  
38 not-for-profit basis, with a capacity for the assemblage of twenty or  
39 more persons, shall permit a person or persons to come to such place of  
40 assembly for the purpose of consuming cannabis products without having  
41 the appropriate license or permit therefor, the office may present a  
42 verified petition or complaint to a justice of the supreme court at a  
43 special term of the supreme court of the judicial district in which such  
44 city, village or town is situated, for an order enjoining such person  
45 engaging or participating in such activity or from carrying on such  
46 business. Such petition or complaint shall state the facts upon which  
47 such application is based. Upon the presentation of the petition or  
48 complaint, the justice or court may grant an order temporarily restrain-  
49 ing any person from continuing to engage in conduct as specified in the  
50 petition or complaint, and shall grant an order requiring such person to  
51 appear before such justice or court at or before a special term of the  
52 supreme court in such judicial district on the day specified therein,  
53 not more than ten days after the granting thereof, to show cause why  
54 such person should not be permanently enjoined from engaging or partic-  
55 ipating in such activity or from carrying on such business, or why such  
56 person should not be enjoined from carrying on such business contrary to

1 the provisions of this chapter. A copy of such petition or complaint and  
2 order shall be served upon the person, in the manner directed by such  
3 order, not less than three days before the return day thereof. On the  
4 day specified in such order, the justice or court before whom the same  
5 is returnable shall hear the proofs of the parties and may, if deemed  
6 necessary or proper, take testimony in relation to the allegations of  
7 the petition or complaint. If the justice or court is satisfied that  
8 such person is about to engage or participate in the unlawful traffic in  
9 cannabis, medical cannabis or cannabinoid hemp or has unlawfully culti-  
10 vated, processed, or sold cannabis products, medical cannabis or canna-  
11 binoid hemp without having obtained a registration or license or contra-  
12 ry to the provisions of this chapter, or has trafficked in illicit  
13 cannabis, or, is operating or is about to operate such place for profit  
14 or pecuniary gain, with such capacity, and has permitted or is about to  
15 permit a person or persons to come to such place of assembly for the  
16 purpose of consuming cannabis products without having such appropriate  
17 license, an order shall be granted enjoining such person from thereafter  
18 engaging or participating in or carrying on such activity or business,  
19 and allowing for the seizure of such illicit cannabis without limit. If,  
20 after the entry of such an order in the county clerk's office of the  
21 county in which the principal place of business of the corporation or  
22 partnership is located, or in which the individual so enjoined resides  
23 or conducts such business, and the service of a copy thereof upon such  
24 person, or such substituted service as the court may direct, such  
25 person, partnership or corporation shall, in violation of such order,  
26 cultivate, process, distribute or sell cannabis products, medical canna-  
27 bis or cannabinoid hemp, or illicit cannabis, or permit a person or  
28 persons to come to such place of assembly for the purpose of consuming  
29 cannabis products, such activity shall be deemed a contempt of court and  
30 be punishable in the manner provided by the judiciary law, and, in addi-  
31 tion to any such punishment, the justice or court before whom or which  
32 the petition or complaint is heard, may, in his or its discretion, order  
33 the seizure and forfeiture of any cannabis products and any fixtures,  
34 equipment and supplies used in the operation or promotion of such ille-  
35 gal activity and such property shall be subject to forfeiture pursuant  
36 to law. Costs upon the application for such injunction may be awarded in  
37 favor of and against the parties thereto in such sums as in the  
38 discretion of the justice or court before whom or which the petition or  
39 complaint is heard may seem proper.

40 2. The owner, lessor and lessee of a building, erection or place where  
41 cannabis products, medical cannabis or cannabinoid hemp is unlawfully  
42 cultivated, processed, distributed, sold, consumed or permitted to be  
43 unlawfully cultivated, processed, distributed, sold or consumed may be  
44 made a respondent or defendant in the proceeding or action.

45 3. The gift or transfer of cannabis in conjunction with the transfer  
46 of any money, consideration or value, or another item or any other  
47 services in an effort to evade laws, licensing, permitting, and regis-  
48 tration requirements governing the sale of cannabis shall be considered  
49 an unlawful activity under this chapter.

50 § 140. Persons forbidden to traffic cannabis; certain officials not to

14 1. Arrest and field testing. (a) Arrest. Notwithstanding the

16 officer may, without a warrant, arrest a person, in case of a violation  
17 of subdivision one of section eleven hundred ninety-two of this article,  
18 if such violation is coupled with an accident or collision in which such  
19 person is involved, which in fact has been committed, though not in the  
20 police officer's presence, when the officer has reasonable cause to  
21 believe that the violation was committed by such person.

22 (b) Field testing. Every person operating a motor vehicle which has  
23 been involved in an accident or which is operated in violation of any of  
24 the provisions of this chapter shall, at the request of a police offi-  
25 cer, submit to a breath test and/or oral/bodily fluid to be administered  
26 by the police officer, and/or to an evaluation by a drug recognition  
27 expert or advance roadside impairment detection enforcement certified  
28 officer. If such test indicates that such operator has consumed alcohol  
29 or drug or drugs, the police officer may request such operator to submit  
30 to a chemical test or an evaluation conducted by a drug recognition  
31 expert or advance roadside impairment detection enforcement certified  
32 officer in the manner set forth in subdivision two of this section.

33 2. Chemical and drug recognition tests. (a) When authorized. Any  
34 person who operates a motor vehicle in this state shall be deemed to  
35 have given consent to an evaluation conducted by a drug recognition  
36 expert or advance roadside impairment detection enforcement certified  
37 officer or any portion thereof and/or a chemical test of one or more of  
38 the following: breath, blood, urine, or saliva, for the purpose of  
39 determining the alcoholic and/or drug content of the blood provided that  
40 such test is administered by or at the direction of a police officer  
41 with respect to a chemical test of breath, urine or saliva or, with  
42 respect to a chemical test of blood, at the direction of a police offi-  
43 cer:

44 (1) having reasonable grounds to believe such person to have been  
45 operating in violation of any subdivision of section eleven hundred  
46 ninety-two of this article and within two hours after such person has  
47 been placed under arrest for any such violation; or having reasonable  
48 grounds to believe such person to have been operating in violation of  
49 section eleven hundred ninety-two-a of this article and within two hours  
50 after the stop of such person for any such violation,

51 (2) within two hours after a breath test and/or oral/bodily fluid, or  
52 an evaluation conducted by a drug recognition expert or advance roadside  
53 impairment detection enforcement certified officer, as provided in para-  
54 graph (b) of subdivision one of this section, indicates that alcohol  
55 and/or drug or drugs, has been consumed by such person and in accordance

1 with the rules and regulations established by the police force of which  
2 the officer is a member;

3 (3) for the purposes of this paragraph, "reasonable grounds" to  
4 believe that a person has been operating a motor vehicle after having  
5 consumed alcohol in violation of section eleven hundred ninety-two-a, or  
6 alcohol and/or drug or drugs in violation of any other section of eleven  
7 hundred ninety-two, of this article shall be determined by viewing the  
8 totality of circumstances surrounding the incident which, when taken  
9 together, indicate that the operator was driving in violation of such  
10 subdivision. Such circumstances may include any visible or behavioral  
11 indication of alcohol and/or drug or drugs consumption by the operator,  
12 the existence of an open container containing or having contained an  
13 alcoholic beverage and/or drug or drugs in or around the vehicle driven  
14 by the operator, the odor of cannabis or burnt cannabis, or any other  
15 evidence surrounding the circumstances of the incident which indicates  
16 that the operator has been operating a motor vehicle after having  
17 consumed alcohol and/or drug or drugs at the time of the incident; or

18 (4) notwithstanding any other provision of law to the contrary, no  
19 person under the age of twenty-one shall be arrested for an alleged  
20 violation of section eleven hundred ninety-two-a of this article.  
21 However, a person under the age of twenty-one for whom a chemical test  
22 or an evaluation conducted by a drug recognition expert or advance road-  
23 side impairment detection enforcement certified officer is authorized  
24 pursuant to this paragraph may be temporarily detained by the police  
25 solely for the purpose of requesting or administering such chemical test  
26 whenever arrest without a warrant for a petty offense would be author-  
27 ized in accordance with the provisions of section 140.10 of the criminal  
28 procedure law or paragraph (a) of subdivision one of this section.

29 (b) Report of refusal. (1) If: (A) such person having been placed  
30 under arrest; or (B) after a breath test indicates the presence of alco-  
31 hol and/or drug or drugs in the person's system; or (C) with regard to a  
32 person under the age of twenty-one, there are reasonable grounds to  
33 believe that such person has been operating a motor vehicle after having  
34 consumed alcohol in violation of section eleven hundred ninety-two-a of  
35 this article; and having thereafter been requested to submit to such  
36 chemical test or an evaluation conducted by a drug recognition expert or  
37 advance roadside impairment detection enforcement certified officer and  
38 having been informed that the person's license or permit to drive and  
39 any non-resident operating privilege shall be immediately suspended and  
40 subsequently revoked, or, for operators under the age of twenty-one for  
41 whom there are reasonable grounds to believe that such operator has been  
42 operating a motor vehicle after having consumed alcohol in violation of  
43 section eleven hundred ninety-two-a of this article, shall be revoked  
44 for refusal to submit to such chemical test or any portion thereof, or  
45 an evaluation conducted by a drug recognition expert or advance roadside  
46 impairment detection enforcement certified officer or any portion there-  
47 of, whether or not the person is found guilty of the charge for which  
48 such person is arrested or detained, refuses to submit to such chemical  
49 test or any portion thereof, or an evaluation conducted by a drug recog-  
50 inition expert or advance roadside impairment detection enforcement  
51 certified officer or any portion thereof, unless a court order has been  
52 granted pursuant to subdivision three of this section, the test shall  
53 not be given and a written report of such refusal shall be immediately  
54 made by the police officer before whom such refusal was made. Such  
55 report may be verified by having the report sworn to, or by affixing to  
56 such report a form notice that false statements made therein are punish-

1 able as a class A misdemeanor pursuant to section 210.45 of the penal  
2 law and such form notice together with the subscription of the deponent  
3 shall constitute a verification of the report.

4 (2) The report of the police officer shall set forth reasonable  
5 grounds to believe such arrested person or such detained person under  
6 the age of twenty-one had been driving in violation of any subdivision  
7 of section eleven hundred ninety-two or eleven hundred ninety-two-a of  
8 this article, that said person had refused to submit to such chemical  
9 test, or an evaluation conducted by a drug recognition expert or advance  
10 roadside impairment detection enforcement certified officer or any  
11 portion thereof, and that no chemical test or evaluation conducted by a  
12 drug recognition expert or advance roadside impairment detection  
13 enforcement certified officer was administered pursuant to the require-  
14 ments of subdivision three of this section. The report shall be  
15 presented to the court upon arraignment of an arrested person, provided,  
16 however, in the case of a person under the age of twenty-one, for whom a  
17 test was authorized pursuant to the provisions of subparagraph two or  
18 three of paragraph (a) of this subdivision, and who has not been placed  
19 under arrest for a violation of any of the provisions of section eleven  
20 hundred ninety-two of this article, such report shall be forwarded to  
21 the commissioner within forty-eight hours in a manner to be prescribed  
22 by the commissioner, and all subsequent proceedings with regard to  
23 refusal to submit to such chemical test by such person shall be as set  
24 forth in subdivision three of section eleven hundred ninety-four-a of  
25 this article.

26 (3) For persons placed under arrest for a violation of any subdivision  
27 of section eleven hundred ninety-two of this article, the license or  
28 permit to drive and any non-resident operating privilege shall, upon the  
29 basis of such written report, be temporarily suspended by the court  
30 without notice pending the determination of a hearing as provided in  
31 paragraph (c) of this subdivision. Copies of such report must be trans-  
32 mitted by the court to the commissioner and such transmittal may not be  
33 waived even with the consent of all the parties. Such report shall be  
34 forwarded to the commissioner within forty-eight hours of such arraign-  
35 ment.

36 (4) The court or the police officer, in the case of a person under the  
37 age of twenty-one alleged to be driving after having consumed alcohol,  
38 shall provide such person with a scheduled hearing date, a waiver form,  
39 and such other information as may be required by the commissioner. If a  
40 hearing, as provided for in paragraph (c) of this subdivision, or subdi-  
41 vision three of section eleven hundred ninety-four-a of this article, is  
42 waived by such person, the commissioner shall immediately revoke the  
43 license, permit, or non-resident operating privilege, as of the date of  
44 receipt of such waiver in accordance with the provisions of paragraph  
45 (d) of this subdivision.

46 (c) Hearings. Any person whose license or permit to drive or any non-  
47 resident driving privilege has been suspended pursuant to paragraph (b)  
48 of this subdivision is entitled to a hearing in accordance with a hear-  
49 ing schedule to be promulgated by the commissioner. If the department  
50 fails to provide for such hearing fifteen days after the date of the  
51 arraignment of the arrested person, the license, permit to drive or  
52 non-resident operating privilege of such person shall be reinstated  
53 pending a hearing pursuant to this section. The hearing shall be limited  
54 to the following issues: (1) did the police officer have reasonable  
55 grounds to believe that such person had been driving in violation of any  
56 subdivision of section eleven hundred ninety-two of this article; (2)

1 did the police officer make a lawful arrest of such person; (3) was such  
2 person given sufficient warning, in clear or unequivocal language, prior  
3 to such refusal that such refusal to submit to such chemical test or any  
4 portion thereof or an evaluation conducted by a drug recognition expert  
5 or advance roadside impairment detection enforcement certified officer  
6 or any portion thereof, would result in the immediate suspension and  
7 subsequent revocation of such person's license or operating privilege  
8 whether or not such person is found guilty of the charge for which the  
9 arrest was made; and (4) did such person refuse to submit to such chemical test or any portion thereof or an evaluation conducted by a drug  
10 recognition expert or advance roadside impairment detection enforcement  
11 certified officer or any portion thereof. If, after such hearing, the  
12 hearing officer, acting on behalf of the commissioner, finds on any one  
13 of said issues in the negative, the hearing officer shall immediately  
14 terminate any suspension arising from such refusal. If, after such hearing, the hearing officer, acting on behalf of the commissioner finds all  
15 of the issues in the affirmative, such officer shall immediately revoke  
16 the license or permit to drive or any non-resident operating privilege  
17 in accordance with the provisions of paragraph (d) of this subdivision.  
18 A person who has had a license or permit to drive or non-resident operating privilege suspended or revoked pursuant to this subdivision may  
19 appeal the findings of the hearing officer in accordance with the  
20 provisions of article three-A of this chapter. Any person may waive the  
21 right to a hearing under this section. Failure by such person to appear  
22 for the scheduled hearing shall constitute a waiver of such hearing,  
23 provided, however, that such person may petition the commissioner for a  
24 new hearing which shall be held as soon as practicable.

28 (d) Sanctions. (1) Revocations. a. Any license which has been revoked  
29 pursuant to paragraph (c) of this subdivision shall not be restored for  
30 at least one year after such revocation, nor thereafter, except in the  
31 discretion of the commissioner. However, no such license shall be  
32 restored for at least eighteen months after such revocation, nor thereafter except in the discretion of the commissioner, in any case where  
33 the person has had a prior revocation resulting from refusal to submit  
34 to a chemical test or an evaluation conducted by a drug recognition  
35 expert or advance roadside impairment detection enforcement certified  
36 officer or any portion thereof, or has been convicted of or found to be  
37 in violation of any subdivision of section eleven hundred ninety-two or  
38 section eleven hundred ninety-two-a of this article not arising out of  
39 the same incident, within the five years immediately preceding the date  
40 of such revocation; provided, however, a prior finding that a person  
41 under the age of twenty-one has refused to submit to a chemical test  
42 pursuant to subdivision three of section eleven hundred ninety-four-a of  
43 this article shall have the same effect as a prior finding of a refusal  
44 pursuant to this subdivision solely for the purpose of determining the  
45 length of any license suspension or revocation required to be imposed  
46 under any provision of this article, provided that the subsequent  
47 offense or refusal is committed or occurred prior to the expiration of  
48 the retention period for such prior refusal as set forth in paragraph  
49 (k) of subdivision one of section two hundred one of this chapter.

51 b. Any license which has been revoked pursuant to paragraph (c) of  
52 this subdivision or pursuant to subdivision three of section eleven  
53 hundred ninety-four-a of this article, where the holder was under the  
54 age of twenty-one years at the time of such refusal, shall not be  
55 restored for at least one year, nor thereafter, except in the discretion  
56 of the commissioner. Where such person under the age of twenty-one years

1 has a prior finding, conviction or youthful offender adjudication  
2 resulting from a violation of section eleven hundred ninety-two or  
3 section eleven hundred ninety-two-a of this article, not arising from  
4 the same incident, such license shall not be restored for at least one  
5 year or until such person reaches the age of twenty-one years, whichever  
6 is the greater period of time, nor thereafter, except in the discretion  
7 of the commissioner.

8 c. Any commercial driver's license which has been revoked pursuant to  
9 paragraph (c) of this subdivision based upon a finding of refusal to  
10 submit to a chemical test or an evaluation conducted by a drug recogni-  
11 tion expert or advance roadside impairment detection enforcement certi-  
12 fied officer or any portion thereof, where such finding occurs within or  
13 outside of this state, shall not be restored for at least eighteen  
14 months after such revocation, nor thereafter, except in the discretion  
15 of the commissioner, but shall not be restored for at least three years  
16 after such revocation, nor thereafter, except in the discretion of the  
17 commissioner, if the holder of such license was operating a commercial  
18 motor vehicle transporting hazardous materials at the time of such  
19 refusal. However, such person shall be permanently disqualified from  
20 operating a commercial motor vehicle in any case where the holder has a  
21 prior finding of refusal to submit to a chemical test or an evaluation  
22 conducted by a drug recognition expert or advance roadside impairment  
23 detection enforcement certified officer or any portion thereof pursuant  
24 to this section or has a prior conviction of any of the following  
25 offenses: any violation of section eleven hundred ninety-two of this  
26 article; any violation of subdivision one or two of section six hundred  
27 of this chapter; or has a prior conviction of any felony involving the  
28 use of a motor vehicle pursuant to paragraph (a) of subdivision one of  
29 section five hundred ten-a of this chapter. Provided that the commis-  
30 sioner may waive such permanent revocation after a period of ten years  
31 has expired from such revocation provided:

32 (i) that during such ten year period such person has not been found to  
33 have refused a chemical test or an evaluation conducted by a drug recog-  
34 nition expert or advance roadside impairment detection enforcement  
35 certified officer; or any portion thereof pursuant to this section and  
36 has not been convicted of any one of the following offenses: any  
37 violation of section eleven hundred ninety-two of this article; refusal  
38 to submit to a chemical test or an evaluation conducted by a drug recog-  
39 nition expert or advance roadside impairment detection enforcement  
40 certified officer or any portion thereof pursuant to this section; any  
41 violation of subdivision one or two of section six hundred of this chap-  
42 ter; or has a prior conviction of any felony involving the use of a  
43 motor vehicle pursuant to paragraph (a) of subdivision one of section  
44 five hundred ten-a of this chapter;

45 (ii) that such person provides acceptable documentation to the commis-  
46 sioner that such person is not in need of alcohol or drug treatment or  
47 has satisfactorily completed a prescribed course of such treatment; and

48 (iii) after such documentation is accepted, that such person is grant-  
49 ed a certificate of relief from disabilities or a certificate of good  
50 conduct pursuant to article twenty-three of the correction law by the  
51 court in which such person was last penalized.

52 d. Upon a third finding of refusal and/or conviction of any of the  
53 offenses which require a permanent commercial driver's license revoca-  
54 tion, such permanent revocation may not be waived by the commissioner  
55 under any circumstances.

(2) Civil penalties. Except as otherwise provided, any person whose license, permit to drive, or any non-resident operating privilege is revoked pursuant to the provisions of this section shall also be liable for a civil penalty in the amount of five hundred dollars except that if such revocation is a second or subsequent revocation pursuant to this section issued within a five year period, or such person has been convicted of a violation of any subdivision of section eleven hundred ninety-two of this article within the past five years not arising out of the same incident, the civil penalty shall be in the amount of seven hundred fifty dollars. Any person whose license is revoked pursuant to the provisions of this section based upon a finding of refusal to submit to a chemical test while operating a commercial motor vehicle shall also be liable for a civil penalty of five hundred fifty dollars except that if such person has previously been found to have refused a chemical test or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer or any portion thereof pursuant to this section while operating a commercial motor vehicle or has a prior conviction of any of the following offenses while operating a commercial motor vehicle: any violation of section eleven hundred ninety-two of this article; any violation of subdivision two of section six hundred of this chapter; or has a prior conviction of any felony involving the use of a commercial motor vehicle pursuant to paragraph (a) of subdivision one of section five hundred ten-a of this chapter, then the civil penalty shall be seven hundred fifty dollars. No new driver's license or permit shall be issued, or non-resident operating privilege restored to such person unless such penalty has been paid. All penalties collected by the department pursuant to the provisions of this section shall be the property of the state and shall be paid into the general fund of the state treasury.

(3) Effect of rehabilitation program. No period of revocation arising out of this section may be set aside by the commissioner for the reason that such person was a participant in the alcohol and drug rehabilitation program set forth in section eleven hundred ninety-six of this article.

(e) Regulations. The commissioner shall promulgate such rules and regulations as may be necessary to effectuate the provisions of subdivisions one and two of this section.

(f) Evidence. Evidence of a refusal to submit to such chemical test or any portion thereof or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer shall be admissible in any trial, proceeding or hearing based upon a violation of the provisions of section eleven hundred ninety-two of this article but only upon a showing that the person was given sufficient warning, in clear and unequivocal language, of the effect of such refusal and that the person persisted in the refusal.

(g) Results. Upon the request of the person who was tested, the results of such test shall be made available to such person.

3. Compulsory chemical tests. (a) Court ordered chemical tests. Notwithstanding the provisions of subdivision two of this section, no person who operates a motor vehicle in this state may refuse to submit to a chemical test of one or more of the following: breath, blood, urine or saliva, for the purpose of determining the alcoholic and/or drug content of the blood when a court order for such chemical test has been issued in accordance with the provisions of this subdivision.

(b) When authorized. Upon refusal by any person to submit to a chemical test or any portion thereof as described above, the test shall not

1 be given unless a police officer or a district attorney, as defined in  
2 subdivision thirty-two of section 1.20 of the criminal procedure law,  
3 requests and obtains a court order to compel a person to submit to a  
4 chemical test to determine the alcoholic or drug content of the person's  
5 blood upon a finding of reasonable cause to believe that:

6 (1) such person was the operator of a motor vehicle [~~and in the course~~  
7 ~~of such operation a person other than the operator was killed or~~  
8 ~~suffered serious physical injury as defined in section 10.00 of the~~  
9 ~~penal law~~]; and

10 (2) a. either such person operated the vehicle in violation of any  
11 subdivision of section eleven hundred ninety-two of this article, or b.  
12 a breath and/or oral/bodily fluid test administered by a police officer  
13 in accordance with paragraph (b) of subdivision one of this section  
14 indicates that alcohol has been consumed by such person; and

15 (3) such person has been placed under lawful arrest; and

16 (4) such person has refused to submit to a chemical test or any  
17 portion thereof, requested in accordance with the provisions of para-  
18 graph (a) of subdivision two of this section or is unable to give  
19 consent to such a test.

20 (c) Reasonable cause; definition. For the purpose of this subdivision  
21 "reasonable cause" shall be determined by viewing the totality of  
22 circumstances surrounding the incident which, when taken together, indi-  
23 cate that the operator was driving in violation of section eleven  
24 hundred ninety-two of this article. Such circumstances may include, but  
25 are not limited to: evidence that the operator was operating a motor  
26 vehicle in violation of any provision of this article or any other  
27 moving violation at the time of the incident; any visible indication of  
28 alcohol or drug consumption or impairment by the operator; the existence  
29 of an open container containing an alcoholic beverage and/or drug or  
30 drugs in or around the vehicle driven by the operator; the odor of  
31 cannabis or burnt cannabis; any other evidence surrounding the circum-  
32 stances of the incident which indicates that the operator has been oper-  
33 ating a motor vehicle while impaired by the consumption of alcohol or  
34 drugs or intoxicated at the time of the incident.

35 (d) Court order; procedure. (1) An application for a court order to  
36 compel submission to a chemical test or any portion thereof, may be made  
37 to any supreme court justice, county court judge or district court judge  
38 in the judicial district in which the incident occurred, or if the inci-  
39 dent occurred in the city of New York before any supreme court justice  
40 or judge of the criminal court of the city of New York. Such application  
41 may be communicated by telephone, radio or other means of electronic  
42 communication, or in person.

43 (2) The applicant must provide identification by name and title and  
44 must state the purpose of the communication. Upon being advised that an  
45 application for a court order to compel submission to a chemical test is  
46 being made, the court shall place under oath the applicant and any other  
47 person providing information in support of the application as provided  
48 in subparagraph three of this paragraph. After being sworn the applicant  
49 must state that the person from whom the chemical test was requested was  
50 the operator of a motor vehicle and in the course of such operation a  
51 person, other than the operator, has been killed or seriously injured  
52 and, based upon the totality of circumstances, there is reasonable cause  
53 to believe that such person was operating a motor vehicle in violation  
54 of any subdivision of section eleven hundred ninety-two of this article  
55 and, after being placed under lawful arrest such person refused to  
56 submit to a chemical test or any portion thereof, in accordance with the

1 provisions of this section or is unable to give consent to such a test  
2 or any portion thereof. The applicant must make specific allegations of  
3 fact to support such statement. Any other person properly identified,

23 § 35. Section 490 of the tax law, as added by chapter 90 of the laws  
24 of 2014, is amended to read as follows:

25 § 490. [~~Definitions~~] Excise tax on medical cannabis. 1. (a) [~~All~~  
26 ~~definitions of terms applicable to title five A of article thirty-three~~  
27 ~~of the public health law shall apply to this article.~~] For purposes of  
28 this article, the terms "medical cannabis," "registered organization,"  
29 "certified patient," and "designated caregiver" shall have the same  
30 definitions as in section three of the cannabis law.

31 (b) As used in this section, where not otherwise specifically defined  
32 and unless a different meaning is clearly required "gross receipt" means  
33 the amount received in or by reason of any sale, conditional or other-  
34 wise, of medical [~~marihuana~~] cannabis or in or by reason of the furnish-  
35 ing of medical [~~marihuana~~] cannabis from the sale of medical [~~marihuana~~]  
36 cannabis provided by a registered organization to a certified patient or  
37 designated caregiver. Gross receipt is expressed in money, whether paid  
38 in cash, credit or property of any kind or nature, and shall be deter-  
39 mined without any deduction therefrom on account of the cost of the  
40 service sold or the cost of materials, labor or services used or other  
41 costs, interest or discount paid, or any other expenses whatsoever.  
42 "Amount received" for the purpose of the definition of gross receipt, as  
43 the term gross receipt is used throughout this article, means the amount  
44 charged for the provision of medical [~~marihuana~~] cannabis.

45 2. There is hereby imposed an excise tax on the gross receipts from  
46 the sale of medical [~~marihuana~~] cannabis by a registered organization to  
47 a certified patient or designated caregiver, to be paid by the regis-  
48 tered organization, at the rate of seven percent. The tax imposed by  
49 this article shall be charged against and be paid by the registered  
50 organization and shall not be added as a separate charge or line item on  
51 any sales slip, invoice, receipt or other statement or memorandum of the  
52 price given to the retail customer.

53 3. The commissioner may make, adopt and amend rules, regulations,  
54 procedures and forms necessary for the proper administration of this  
55 article.

1 4. Every registered organization that makes sales of medical [~~marihua-~~  
2 ~~na~~] cannabis subject to the tax imposed by this article shall, on or  
3 before the twentieth date of each month, file with the commissioner a  
4 return on forms to be prescribed by the commissioner, showing its  
5 receipts from the retail sale of medical [~~marihuana~~] cannabis during the  
6 preceding calendar month and the amount of tax due thereon. Such returns  
7 shall contain such further information as the commissioner may require.  
8 Every registered organization required to file a return under this  
9 section shall, at the time of filing such return, pay to the commission-  
10 er the total amount of tax due on its retail sales of medical [~~marihua-~~  
11 ~~na~~] cannabis for the period covered by such return. If a return is not  
12 filed when due, the tax shall be due on the day on which the return is  
13 required to be filed.

14 5. Whenever the commissioner shall determine that any moneys received  
15 under the provisions of this article were paid in error, he may cause  
16 the same to be refunded, with interest, in accordance with such rules  
17 and regulations as he may prescribe, except that no interest shall be  
18 allowed or paid if the amount thereof would be less than one dollar.  
19 Such interest shall be at the overpayment rate set by the commissioner  
20 pursuant to subdivision twenty-sixth of section one hundred seventy-one  
21 of this chapter, or if no rate is set, at the rate of six percent per  
22 annum, from the date when the tax, penalty or interest to be refunded  
23 was paid to a date preceding the date of the refund check by not more  
24 than thirty days. Provided, however, that for the purposes of this  
25 subdivision, any tax paid before the last day prescribed for its payment  
26 shall be deemed to have been paid on such last day. Such moneys received  
27 under the provisions of this article which the commissioner shall deter-  
28 mine were paid in error, may be refunded out of funds in the custody of  
29 the comptroller to the credit of such taxes provided an application  
30 therefor is filed with the commissioner within two years from the time  
31 the erroneous payment was made.

32 6. The provisions of article twenty-seven of this chapter shall apply  
33 to the tax imposed by this article in the same manner and with the same  
34 force and effect as if the language of such article had been incorpo-  
35 rated in full into this section and had expressly referred to the tax  
36 imposed by this article, except to the extent that any provision of such  
37 article is either inconsistent with a provision of this article or is  
38 not relevant to this article.

39 7. All taxes, interest and penalties collected or received by the  
40 commissioner under this article shall be deposited and disposed of  
41 pursuant to the provisions of section one hundred seventy-one-a of this  
42 chapter, provided that an amount equal to one hundred percent collected  
43 under this article less any amount determined by the commissioner to be  
44 reserved by the comptroller for refunds or reimbursements shall be paid  
45 by the comptroller to the credit of the medical [~~marihuana~~] cannabis  
46 trust fund established by section eighty-nine-h of the state finance  
47 law.

48 8. A registered organization that dispenses medical [~~marihuana~~] canna-  
49 bis shall provide to the department information on where the medical  
50 [~~marihuana~~] cannabis was dispensed and where the medical [~~marihuana~~]  
51 cannabis was manufactured. A registered organization that obtains [~~mari-~~  
52 ~~huana~~] cannabis from another registered organization shall obtain from  
53 such registered organization information on where the medical [~~marihua-~~  
54 ~~na~~] cannabis was manufactured.

1     § 36. Section 491 of the tax law, as added by chapter 90 of the laws  
2 of 2014, subdivision 1 as amended by section 1 of part II of chapter 60  
3 of the laws of 2016, is amended to read as follows:

4     § 491. Returns to be secret. 1. Except in accordance with proper judi-  
5 cial order or as in this section or otherwise provided by law, it shall  
6 be unlawful for the commissioner, any officer or employee of the depart-

8 ted to inspect any return or report or to whom a copy, an abstract or a  
9 portion of any return or report is furnished, or to whom any information  
10 contained in any return or report is furnished, or any person engaged or  
11 retained by such department on an independent contract basis or any  
12 person who in any manner may acquire knowledge of the contents of a  
13 return or report filed pursuant to this article to divulge or make known  
14 in any manner the contents or any other information relating to the  
15 business of a distributor, owner or other person contained in any return  
16 or report required under this article. The officers charged with the  
17 custody of such returns or reports shall not be required to produce any  
18 of them or evidence of anything contained in them in any action or  
19 proceeding in any court, except on behalf of the state, [~~the state~~  
20 ~~department of health~~] office of cannabis management, or the commissioner  
21 in an action or proceeding under the provisions of this chapter or on  
22 behalf of the state or the commissioner in any other action or proceed-  
23 ing involving the collection of a tax due under this chapter to which  
24 the state or the commissioner is a party or a claimant or on behalf of  
25 any party to any action or proceeding under the provisions of this arti-  
26 cle, when the returns or the reports or the facts shown thereby are  
27 directly involved in such action or proceeding, or in an action or  
28 proceeding relating to the regulation or taxation of medical [~~marihuana~~

31 events the court may require the production of, and may admit in  
32 evidence so much of said returns or reports or of the facts shown there-  
33 by as are pertinent to the action or proceeding and no more. Nothing  
34 herein shall be construed to prohibit the commissioner, in his or her  
35 discretion, from allowing the inspection or delivery of a certified copy  
36 of any return or report filed under this article or of any information  
37 contained in any such return or report by or to a duly authorized offi-

43 returns or reports required under this article by the comptroller or  
44 duly designated officer or employee of the state department of audit and  
45 control, for purposes of the audit of a refund of any tax paid by a

49 return or report filed by such registered organization pursuant to this  
50 article, nor to prohibit the publication of statistics so classified as  
51 to prevent the identification of particular returns or reports and the

53 disclosure, for tax administration purposes, to the division of the  
54 budget and the office of the state comptroller, of information aggre-  
55 gated from the returns filed by all the registered organizations making  
56 sales of, or manufacturing, medical [~~marihuana~~] cannabis in a specified

3 subdivision, the commissioner may, in his or her discretion, permit the  
4 proper officer of any county entitled to receive an allocation, follow-  
5 ing appropriation by the legislature, pursuant to this article and  
6 section eighty-nine-h of the state finance law, or the authorized repre-  
7 sentative of such officer, to inspect any return filed under this arti-  
8 cle, or may furnish to such officer or the officer's authorized repre-

27 cers of any other state if the statutes [~~of the United States, or~~] of

38 subject to the same restrictions as those hereby imposed upon such  
39 [~~commissioner,~~] officer or other representatives.

55 plant is held.

1     § 493. Imposition of tax. (a) There is hereby imposed and shall be  
2 paid a tax on the cultivation of the following: (1) cannabis flower at  
3 the rate of one dollar per dry weight gram; (2) cannabis trim at the  
4 rate of twenty-five cents per dry-weight gram; and (3) wet cannabis at  
5 the rate of fourteen cents per gram. This tax shall be paid by the  
6 person to whom such flower, trim, or wet cannabis has been sold or  
7 transferred and shall accrue at the time of such sale or transfer. Where  
8 a person who processes or distributes cannabis flower, cannabis trim, or  
9 wet cannabis is licensed under the cannabis law as a microbusiness,  
10 cooperative or registered organization, such person shall be liable for  
11 the tax imposed by this subdivision.

12     (b) In addition to the tax imposed by subdivision (a) of this section,  
13 there is hereby imposed a tax on the sale or transfer of adult-use  
14 cannabis products by any person to a retail dispensary at the rate of  
15 twenty percent of the amount charged by such person for such adult-use  
16 cannabis products, which shall accrue at the time of such sale or trans-  
17 fer. Where the retail dispensary is operated by a person licensed under  
18 the cannabis law as a registered organization, such tax shall be paid by  
19 the retail dispensary at the rate of twenty percent of the price charged  
20 to the retail customer and shall accrue at the time of such sale.

21     (c) In addition to the taxes imposed by subdivisions (a) and (b) of  
22 this section, there is hereby imposed a tax on the sale or transfer of  
23 adult-use cannabis products by any person to a retail dispensary at the  
24 rate of two percent of the amount charged by such person for such  
25 adult-use cannabis products, which shall accrue at the time of such sale  
26 or transfer. The tax imposed by this subdivision shall be in trust for  
27 and on account of a city having a population of one million or more, or  
28 a county, other than a county wholly within such a city, in which the  
29 retail dispensary is located. Where the retail dispensary is operated  
30 by a person licensed under the cannabis law as a registered organiza-  
31 tion, such tax shall be paid by the retail dispensary at the rate of two  
32 percent of the price charged to the retail customer.

33     (d) It shall be presumed that all adult-use cannabis products within  
34 the state are subject to tax until the contrary is established, and the  
35 burden of proof that the taxes imposed by subdivisions (a), (b), and (c)  
36 of this section have been paid shall be upon the person in possession  
37 thereof where such person holds any license under the cannabis law.  
38 Every person holding a license under the cannabis law who possesses  
39 adult-use cannabis products upon which such taxes have not been paid  
40 shall be liable for the payment of such taxes, and the failure of such  
41 person to produce to the commissioner or his or her authorized represen-  
42 tative upon demand an invoice for any adult-use cannabis products in his  
43 or her possession shall be presumptive evidence that the tax thereon has  
44 not been paid and that such person is liable for the tax thereon, unless  
45 evidence of such invoice or payment is later produced.

46     (e) Notwithstanding any other provision of law to the contrary, the  
47 taxes imposed by article twenty of this chapter shall not apply to any  
48 product subject to tax under this article.

49     § 494. Registration and renewal. (a) Every person to whom cannabis  
50 flower, cannabis trim or wet cannabis is sold or transferred, and every  
51 person licensed as a microbusiness, cooperative or registered organiza-  
52 tion under the cannabis law must file with the commissioner a properly  
53 completed application for a certificate of registration before engaging  
54 in business. In order to apply for such certificate of registration,  
55 such person must first be in possession of a valid license from the  
56 office of cannabis management. An application for a certificate of

1 registration must be submitted electronically, on a form prescribed by  
2 the commissioner, and must be accompanied by a non-refundable applica-  
3 tion fee of six hundred dollars. A certificate of registration shall not  
4 be assignable or transferable and shall be destroyed immediately upon  
5 such person ceasing to do business as specified in such certificate, or  
6 in the event that such business never commenced.

7 (b) The commissioner shall refuse to issue a certificate of registra-  
8 tion to any applicant and shall revoke the certificate of registration  
9 of any such person who does not possess a valid license from the office  
10 of cannabis management. The commissioner may refuse to issue a certif-  
11 icate of registration to any applicant where such applicant: (1) has a  
12 past-due liability as that term is defined in section one hundred seven-  
13 ty-one-v of this chapter; (2) has had a certificate of registration  
14 under this article, a license from the office of cannabis management, or  
15 any license or registration provided for in this chapter revoked within  
16 one year from the date on which such application was filed; (3) has had  
17 a certificate of registration under this article, a license from the  
18 office of cannabis management, or any license or registration provided  
19 for in this chapter suspended where the suspension is in effect on the  
20 date the application is filed or ended less than one year from such  
21 date; (4) has been convicted of a crime provided for in this chapter  
22 within one year from the date on which such application was filed or the  
23 certificate was issued as applicable; (5) willfully fails to file a  
24 report or return required by this article; (6) willfully files, causes  
25 to be filed, gives or causes to be given a report, return, certificate  
26 or affidavit required by this article which is false; or (7) willfully  
27 fails to collect or truthfully account for or pay over any tax imposed  
28 by this article.

29 (c) A certificate of registration shall be valid for the period speci-  
30 fied thereon, unless earlier suspended or revoked. Upon the expiration  
31 of the term stated on a certificate of registration, such certificate  
32 shall be null and void.

33 (d) Every holder of a certificate of registration must notify the  
34 commissioner of changes to any of the information stated on the certif-  
35 icate, or of changes to any information contained in the application for  
36 the certificate of registration. Such notification must be made on or  
37 before the last day of the month in which a change occurs and must be  
38 made electronically on a form prescribed by the commissioner.

39 (e) Every holder of a certificate of registration under this article  
40 shall be required to reapply prior to such certificate's expiration,  
41 during a reapplication period established by the commissioner. Such  
42 reapplication period shall not occur more frequently than every two  
43 years. Such reapplication shall be subject to the same requirements and  
44 conditions as an initial application, including grounds for refusal and  
45 the payment of the application fee.

46 (f) Any person who is required to obtain a certificate of registration  
47 under subdivision (a) of this section who possesses adult-use cannabis  
48 products without such certificate shall be subject to a penalty of five  
49 hundred dollars for each month or part thereof during which adult-use  
50 cannabis products are possessed without such certificate, not to exceed  
51 ten thousand dollars in the aggregate.

52 § 495. Returns and payment of tax. Every person to whom cannabis  
53 flower, cannabis trim or wet cannabis is sold or transferred, and every  
54 person licensed as a microbusiness, cooperative or registered organiza-  
55 tion under the cannabis law shall, on or before the twentieth day of the  
56 month, file with the commissioner a return on forms to be prescribed by

1 the commissioner, showing the total weight of cannabis flower, cannabis  
2 trim, and wet cannabis subject to tax pursuant to subdivision (a) of  
3 section four hundred ninety-three of this article and the total amount  
4 of tax due thereon in the preceding calendar month, and the total amount  
5 of tax due under subdivisions (b) and (c) of such section on its sales  
6 or transfers to, or sales by, a retail dispensary during the preceding  
7 calendar month, along with such other information as the commissioner  
8 may require. Every person required to file a return under this section  
9 shall, at the time of filing such return, pay to the commissioner the  
10 total amount of tax due for the period covered by such return. If a  
11 return is not filed when due, the tax shall be due on the day on which  
12 the return is required to be filed.

13 § 496. Records to be kept; penalties. (a) Records to be kept. Every  
14 person to whom cannabis flower, cannabis trim or wet cannabis is sold or  
15 transferred, and every person licensed as a microbusiness, cooperative  
16 or registered organization under the cannabis law shall maintain  
17 complete and accurate records in such form as the commissioner may  
18 require including, but not limited to, such items as the weight of the  
19 cannabis flower, cannabis trim, and wet cannabis sold or transferred to  
20 or produced by such person; the geographic location of every retail  
21 dispensary to which such person sold or transferred adult-use cannabis  
22 products; and any other record or information required by the commis-  
23 sioner. Such records must be preserved for a period of three years after  
24 the filing of the return to which such records relate and must be  
25 provided to the commissioner upon request.

26 (b) Penalties. In addition to any other penalty provided in this arti-  
27 cle or otherwise imposed by law: every person to whom cannabis flower,  
28 cannabis trim or wet cannabis is sold or transferred, and every person  
29 licensed as a microbusiness, cooperative or registered organization  
30 under the cannabis law who fails to maintain or make available to the  
31 commissioner the records required by this section is subject to a penal-  
32 ty not to exceed five hundred dollars for the first month or part there-  
33 of for which the failure occurs. This penalty may not be imposed more  
34 than once for failures for the same monthly period or part thereof. If  
35 the commissioner determines that a failure to maintain or make available  
36 records in any month was entirely due to reasonable cause and not to  
37 willful neglect, the commissioner must remit the penalty for that month.

38 § 496-a. Returns to be secret. (a) Except in accordance with proper  
39 judicial order or as in this section or otherwise provided by law, it  
40 shall be unlawful for the commissioner, any officer or employee of the  
41 department, or any officer or person who, pursuant to this section, is  
42 permitted to inspect any return or report or to whom a copy, an abstract  
43 or a portion of any return or report is furnished, or to whom any infor-  
44 mation contained in any return or report is furnished, or any person who  
45 in any manner may acquire knowledge of the contents of a return or  
46 report filed pursuant to this article to divulge or make known in any  
47 manner the content or any other information contained in any return or  
48 report required under this article. The officers charged with the custo-  
49 dy of such returns or reports shall not be required to produce any of  
50 them or evidence of anything contained in them in any action or proceed-  
51 ing in any court, except on behalf of the state, the office of cannabis  
52 management, or the commissioner in an action or proceeding involving the  
53 collection of tax due under this chapter to which the state or the  
54 commissioner is a party or a claimant or on behalf of any party to any  
55 action or proceeding under the provisions of this article, when the  
56 returns or the reports or the facts shown thereby are directly involved

1 in such action or proceeding, or in an action or proceeding related to  
2 the regulation or taxation of adult-use cannabis products on behalf of  
3 officers to whom information shall have been supplied as provided in  
4 this section, in any of which events the courts may require the  
5 production of, and may admit in evidence so much of said returns or  
6 reports or of the facts shown thereby as are pertinent to the action or  
7 proceeding and no more. Nothing herein shall be construed to prohibit  
8 the commissioner, in his or her discretion, from allowing the inspection  
9 or delivery of a certified copy of any return or report filed under this  
10 article or of any information contained in any such return or report by  
11 or to a duly authorized officer or employee of the office of cannabis  
12 management or by or to the attorney general or other legal represen-  
13 tatives of the state when an action shall have been recommended or  
14 commenced pursuant to this chapter in which such returns or reports or  
15 the facts shown thereby are directly involved; or the inspection of the  
16 returns or reports required under this article by the comptroller or  
17 duly designated officer or employee of the state department of audit and  
18 control, for purposes of the audit of a refund of any tax paid by the  
19 wholesaler under this article; nor to prohibit the delivery to such  
20 person or a duly authorized representative of such person, a certified  
21 copy of any return or report filed by such person pursuant to this arti-  
22 cle, nor to prohibit the publication of statistics so classified as to  
23 prevent the identification of particular returns or reports and the  
24 items thereof. This section shall also not be construed to prohibit the  
25 disclosure, for tax administration purposes, to the division of the  
26 budget and the office of the state comptroller, of information aggre-  
27 gated from the returns filed by all persons subject to the taxes imposed  
28 by this article, whether the number of such persons is one or more.  
29 Provided further that, notwithstanding the provisions of this subdivi-  
30 sion, the commissioner may, in his or her discretion, permit the proper  
31 officer of any city having a population of one million or more and a  
32 county, other than a county wholly within such a city, entitled to  
33 receive any distribution of the monies received on account of the tax  
34 imposed by subdivision (c) of section four hundred ninety-three of this  
35 article, or the authorized representative of such officer, to inspect  
36 any return filed under this article, or may furnish to such officer or  
37 the officer's authorized representative an abstract of any such return  
38 or supply such officer or representative with information concerning an  
39 item contained in any such return, or disclosed by any investigation of  
40 tax liability under this article.

41 (b) The commissioner, in his or her discretion, may permit the appro-  
42 priate officers of any other state that regulates or taxes cannabis or  
43 the duly authorized representatives of any such officers, to inspect  
44 returns or reports made pursuant to this article, or may furnish to such  
45 other officers, or their duly authorized representatives, a copy of any  
46 such return or report or an abstract of the information therein  
47 contained, or any portion thereof, or may supply any such officers or  
48 such representatives with information relating to the business of a  
49 person making returns or reports hereunder solely for purposes of tax  
50 administration. The commissioner may refuse to supply information pursu-  
51 ant to this subdivision to the officers of any other state if the stat-  
52 utes of the state represented by such officers do not grant substantial-  
53 ly similar privileges to the commissioner, but such refusal shall not be  
54 mandatory. Information shall not be supplied to the officers of any  
55 state that regulates or taxes cannabis, or the duly authorized represen-  
56 tatives of any such officers, unless such officers or other represen-

1 tatives shall agree not to divulge or make known in any manner the  
2 information so supplied, but such officers may transmit such information  
3 to their employees or legal representatives when necessary, who in turn  
4 shall be subject to the same restrictions as those hereby imposed upon  
5 such officers or other representatives.

6 (c) Any officer or employee of the state who willfully violates the  
7 provisions of subdivision (a) or (b) of this section shall be dismissed  
8 from office and be incapable of holding any public office in this state  
9 for a period of five years thereafter, and subject to criminal penalties  
10 pursuant to article thirty-seven of this chapter.

11 § 496-b. Administrative provisions. (a) The provisions of article  
12 twenty-seven of this chapter shall apply to the tax imposed by this  
13 article in the same manner and with the same force and effect as if the  
14 language of such article had been incorporated in full into this section  
15 and had expressly referred to the tax imposed by this article, except to  
16 the extent that any provision of such article is either inconsistent  
17 with a provision of this article or is not relevant to this article.

18 (b)(1) All taxes, interest, and penalties collected or received by the  
19 commissioner under this article shall be deposited and disposed of  
20 pursuant to the provisions of section one hundred seventy-one-a of this  
21 chapter, provided that an amount equal to one hundred percent collected  
22 under this article less any amount determined by the commissioner to be  
23 reserved by the comptroller for refunds or reimbursements shall be paid  
24 by the comptroller to the credit of the cannabis revenue fund estab-  
25 lished by section ninety-nine-hh of the state finance law. Of the total  
26 revenue collected or received under this article, the comptroller shall  
27 retain such amount as the commissioner may determine to be necessary for  
28 refunds. The commissioner is authorized and directed to deduct from the  
29 registration fees under subdivision (a) of section four hundred ninety-  
30 four of this article, before deposit into the cannabis revenue fund  
31 designated by the comptroller, a reasonable amount necessary to effectu-  
32 ate refunds of appropriations of the department to reimburse the depart-  
33 ment for the costs incurred to administer, collect, and distribute the  
34 taxes imposed by this article.

35 (2) Notwithstanding the foregoing, the commissioner shall certify to  
36 the comptroller the total amount of tax, penalty and interest received  
37 by him or her on account of the tax imposed by subdivision (c) of  
38 section four hundred ninety-three of this article in trust for and on  
39 account of a city having a population of one million or more and a coun-  
40 ty, other than a county wholly within such a city, in which a retail  
41 dispensary is located. On or before the twelfth day of each month, the  
42 comptroller, after reserving such refund fund, shall pay to the appro-  
43 priate fiscal officer of each such city having a population of one  
44 million or more and a county, other than a county wholly within such a  
45 city, the taxes, penalties and interest received and certified by the  
46 commissioner for the preceding calendar month.

47 § 496-c. Illicit cannabis penalty. (a) In addition to any other civil  
48 or criminal penalties that may apply, any person in possession of or  
49 having control over illicit cannabis, as defined in section four hundred  
50 ninety-two of this article, after notice and an opportunity for a hear-  
51 ing, shall be liable for a civil penalty of not less than four hundred  
52 dollars per ounce of illicit cannabis plant material, ten dollars per  
53 milligram of tetrahydrocannabinol contained in illicit cannabis infused  
54 products, one hundred dollars per gram of illicit cannabis concentrate  
55 or extract, two hundred fifty dollars per immature illicit cannabis  
56 plant, and one thousand dollars per mature cannabis plant, but not to

1 exceed eight hundred dollars per ounce of illicit cannabis plant materi-  
2 al, twenty dollars per milligram of tetrahydrocannabinol contained in  
3 illicit cannabis infused products, two hundred dollars per gram of  
4 illicit cannabis concentrate or extract, five hundred dollars per imma-  
5 ture illicit cannabis plant, and two thousand dollars per mature canna-  
6 bis plant for a first violation, and for a second or subsequent  
7 violation within three years following a prior violation shall be liable  
8 for a civil penalty of not less than eight hundred dollars per ounce of  
9 illicit cannabis plant material, twenty dollars per milligram of tetra-  
10 hydrocannabinol contained in illicit cannabis infused products, two  
11 hundred dollars per gram of illicit cannabis concentrate or extract,  
12 five hundred dollars per immature illicit cannabis plant, and two thou-  
13 sand dollars per mature cannabis plant but not to exceed one thousand  
14 dollars per ounce of illicit cannabis plant material, forty dollars per  
15 milligram of tetrahydrocannabinol contained in illicit cannabis infused  
16 products, four hundred dollars per gram of illicit cannabis concentrate  
17 or extract, one thousand dollars per immature illicit cannabis plant,  
18 and four thousand dollars per mature cannabis plant.

19 (b) No enforcement action taken under this section shall be construed  
20 to limit any other criminal or civil liability of anyone in possession  
21 of illicit cannabis.

22 § 38. Subdivision (a) of section 1115 of the tax law is amended by  
23 adding a new paragraph 3-b to read as follows:

24 (3-b) Adult-use cannabis products as defined by article twenty-C of  
25 this chapter.

26 § 39. Intentionally omitted.

27 § 40. Section 12 of chapter 90 of the laws of 2014 amending the public  
28 health law, the tax law, the state finance law, the general business  
29 law, the penal law and the criminal procedure law relating to medical

55 applicant satisfies the criteria in subdivision five of this section,  
56 the court shall redesignate (or "reclassify") the conviction as a misde-
