AN ACT to amend the retirement and social security law, in relation to establishing a death benefit for deputy sheriffs employed by Nassau county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 508-b to read as follows:

3 § 508-b. Death benefit for deputy sheriffs employed by Nassau county.
4 Notwithstanding any provision of law to the contrary, where a deputy
5 sheriff would have been entitled to a service retirement benefit at the
6 time of his or her death and where his or her death occurs on or after
7 the effective date of this section, the beneficiary or beneficiaries may
8 elect to receive, in a lump sum, an amount payable which shall be equal
9 to the pension reserve that would have been established had the member
10 retired on the date of his or her death, or the value of the death bene-
11 fit and the reserve-for-increased-take-home-pay, if any, whichever is
12 greater.

13 § 2. The retirement and social security law is amended by adding a new
14 section 606-b to read as follows:

15 § 606-b. Death benefit for deputy sheriffs employed by Nassau county.
16 Notwithstanding any provision of law to the contrary, where a deputy
17 sheriff would have been entitled to a service retirement benefit at the
18 time of his or her death and where his or her death occurs on or after
19 the effective date of this section, the beneficiary or beneficiaries may
20 elect to receive, in a lump sum, an amount payable which shall be equal
21 to the pension reserve that would have been established had the member
22 retired on the date of his or her death, or the value of the death bene-
23 fit and the reserve-for-increased-take-home-pay, if any, whichever is
24 greater.

25 § 3. All past service costs associated with implementing the

1 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for Nassau County Deputy Sheriffs who are retirement eligible in tiers 3 through 6 of the New York State and Local Employees' Retirement System. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

If this legislation is enacted during the 2020 legislative session, we anticipate that there will be an increase in the annual contributions of Nassau County of approximately \$8,100 for the fiscal year ending March 31, 2021. In the future, this cost will vary as the billing rates and salaries of those affected change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$141,000 which will be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2021. If Nassau County elects to amortize this cost over a 10-year period, the cost for the first year would be \$18,600.

These estimated costs are based on 58 affected members employed by Nassau County, with annual salary of approximately \$5.7 million as of March 31, 2019.
