46 of the applicant pursuant to subdivision four of this section. Upon
47 completion of this investigation, the police authority shall report the
48 results to the licensing officer without unnecessary delay. The licens-

50 such investigation, determine if the applicant has been previously
51 denied a license, been convicted of a felony, or been convicted of a
52 serious offense, and either approve or disapprove the applicant for
53 exemption purposes based upon such determinations. If the applicant is
54 approved for the exemption, the licensing officer shall notify the
55 appropriate duly constituted police authorities and the applicant. Such
56 exemption shall terminate if the application for the license is denied,

1 or at any earlier time based upon any information obtained by the
2 licensing officer or the appropriate police authorities which would
3 cause the license to be denied. The applicant and appropriate police
4 authorities shall be notified of any such terminations.

5 12-a. State police regulations applicable to licensed gunsmiths
6 engaged in the business of assembling or manufacturing firearms. The
7 superintendent of state police is hereby authorized to issue such rules
