5 3. Any person acting on behalf of and authorized by such member.

6 d. 1. After the filing of such an application, such member shall be  
7 given one or more medical examinations. No such application shall be  
8 approved, however, unless the member or some other person on his or her  
9 behalf shall have filed written notice in the office of the comptroller  
10 within ninety days after such occurrence which is the basis for the  
11 disability incurred in the performance of duty, setting forth:

12 (a) The time and the place of such occurrence; and

13 (b) The particulars thereof; and

14 (c) The nature and extent of the member's injuries; and

15 (d) His or her alleged disability.

16 2. The notice herein required need not be given:

17 (a) If the notice of such occurrence shall be filed in accordance with  
18 the provisions of the workers' compensation law of any state within  
19 which a participating employer in Nassau county shall have its employees  
20 located or performing functions and duties within the normal scope of  
21 their employment; or

22 (b) If the application for performance of duty disability retirement  
23 is filed within one year after the date of the occurrence which forms  
24 the basis for the application; or

26 as provided by rules and regulations promulgated by the comptroller.

27 e. If the comptroller determines that the member is physically or  
28 mentally incapacitated for the performance of duty pursuant to subdivi-  
29 sion b of this section and ought to be retired, such member shall be so  
30 retired. Such retirement shall be effective as of a date approved by the  
31 comptroller.

32 f. The annual retirement allowance payable upon retirement for disa-  
33 bility incurred in the performance of duty shall be a pension of one-  
34 half of his or her final average salary plus an annuity which shall be  
35 the actuarial equivalent of the member's accumulated contributions, if  
36 any.

37 g. If the member, at the time of the filing of an application under  
38 the provisions of subdivision c of this section, is eligible for a

41 the provisions of section seventy of this chapter, provided that the

47 sixty-four of this chapter.

49 member receiving a disability allowance pursuant to this section shall  
50 be in addition to such retirement for disability incurred in performance  
51 of duty allowance.

52 j. A final determination of the comptroller that the member is not  
53 entitled to retirement benefits pursuant to this section shall not in  
54 any respect be, or constitute, a determination with regard to benefits  
55 payable pursuant to section two hundred seven-a of the general municipal  
56 law.

1 § 2. All costs associated with implementing the provisions of this act  
2 shall be borne by Nassau county.

3 § 3. All past service costs incurred due to implementing the  
4 provisions of this act will be borne by Nassau County, and may be amor-  
5 tized over a 10 year period.

6 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant any Nassau County Tier 3, 4, 5 and 6 chief fire marshal, assistant chief fire marshal, division supervising fire marshal, supervising fire marshal, fire marshal and fire marshal trainee an enhanced disability benefit for injuries sustained in the performance of duty. The benefit for a performance of duty disability would be 50% of final average salary.

If this bill is enacted during the 2020 legislative session, we anticipate that there will be an increase of approximately \$33,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2021. In future years, this cost will vary as the billing rates and salaries of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$228,000 which will be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2021. If Nassau County elects to amortize this cost over a 10 year period, the cost for the first year would be approximately \$30,100.

These estimated costs above are based on 49 fire marshals employed by Nassau County having a total annual salary of approximately \$5.4 million for the fiscal year ending March 31, 2019.
