The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2504 of the public health law is amended by adding
2 a new subdivision 7 to read as follows:

3 7. No person shall perform a pelvic examination or supervise the
4 performance of a pelvic examination on an anesthetized or unconscious
5 patient unless the person performing the pelvic examination is legally
6 authorized to do so and the person supervising the performance of the
7 pelvic examination is legally authorized to do so and:

8 (a) the patient or the patient's authorized representative gives prior
9 oral or written informed consent specific to the pelvic examination;

10 (b) the performance of a pelvic examination is within the scope of
11 care for the surgical procedure or diagnostic examination scheduled to
12 be performed on the patient and to which the patient has already given
13 oral or written consent; or

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD00866-14-9

1 (c) the patient is unconscious and the pelvic examination is medically
2 necessary for diagnostic or treatment purposes, and the patient is in
3 immediate need of medical attention and an attempt to secure consent
4 would result in a delay of treatment which would increase the risk of
5 the patient's life or health.

6 Nothing in this subdivision diminishes any other requirement to obtain
7 informed consent for a pelvic examination or any other procedure.

8 § 2. The public health law is amended by adding a new section 230-e to
9 read as follows:

10 § 230-e. Unauthorized pelvic examinations. For the purposes of this
11 title, professional misconduct shall include pelvic examinations or
12 supervising the performance of a pelvic examination in violation of
13 subdivision seven of section twenty-five hundred four of this chapter.

14 § 3. Section 6530 of the education law is amended by adding a new
15 subdivision 50 to read as follows:

16 50. Performing a pelvic examination or supervising the performance of
17 a pelvic examination in violation of subdivision seven of section twen-
18 ty-five hundred four of the public health law.

19 § 4. This act shall take effect on the one hundred eightieth day after
20 it shall have become a law.
