## IN SENATE

January 11, 2019

Introduced by Sens. PARKER, MAYER -- read twice and ordered printed, and when printed to be committed to the Committee on Codes

AN ACT to amend the penal law and the civil rights law, in relation to enacting the reproductive health care facilities access act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. This act shall be known and may be cited as the "reproduc-  
2 tive health care facilities access act".
- 3 § 2. Legislative intent. The legislature finds that the right to  
4 obtain reproductive health services is an essential personal right  
5 protected by state and federal law. Equally, the right to peaceably  
6 protest and express one's views is protected by state and federal law.  
7 Such actions include, but are not limited to, the right to speak, march,  
8 demonstrate, or engage in other activity protected by the First Amend-  
9 ment.
- 10 The legislature finds that current law does not adequately protect  
11 reproductive health care facilities and those who work in or seek  
12 services from such facilities. Therefore, the legislature has determined  
13 that it is appropriate for the protection of the public health, safety  
14 and welfare, to enact legislation to prohibit interference with access  
15 to reproductive health care services, so that persons harmed by such  
16 conduct can seek redress in the courts and the state can obtain injunc-  
17 tive relief and damages. Furthermore, the legislature has determined  
18 that it is appropriate to enact this legislation to: ensure public safe-  
19 ty and order; protect freedom to receive reproductive health services;  
20 advance medical privacy and the well-being of patients seeking reproduc-  
21 tive health care services at facilities; and safeguard private property.
- 22 § 3. Section 240.70 of the penal law, as added by chapter 635 of the  
23 laws of 1999, is amended to read as follows:
- 24 § 240.70 Criminal interference with health care services or religious  
25 worship in the second degree.
- 26 1. A person is guilty of criminal interference with health services or  
27 religious worship in the second degree when:
