23 (b) The state board of elections may designate additional state agen-  
24 cies to serve as sources for voter registration. In designating an agen-  
25 cy under this paragraph, the state board of elections shall consider:

26 (i) the likelihood that source records reflect a large number of  
27 eligible citizens;

28 (ii) the extent to which source records reflect eligible citizens who  
29 would not otherwise be registered under the act to modernize voter  
30 registration;

31 (iii) the accuracy of personal identification data in source records;  
32 and

33 (iv) any additional factors designated by the chief election official  
34 as reasonably related to accomplishing the purposes of the act to  
35 modernize voter registration.

36 4. The state board of elections and the source agencies shall enter  
37 into agreements to ensure that for each person described in subdivision  
38 two of this section, each source agency electronically transmits to the  
39 state or local boards of elections the following information, to the

55 signature shall not preclude the registration of an eligible citizen.  
56 The board of elections shall develop procedures to enable an eligible

1 citizen, whose information is transmitted pursuant to this section and  
2 whose information lacks an electronic signature, to provide a signature  
3 at the polling place or with an application for an absentee ballot

5 signature before arriving at the polling place or submitting an absentee  
6 ballot to present a current and valid photo identification or a copy of  
7 a current utility bill, bank statement, government check, paycheck, or  
8 other government document that shows the name and address of the voter.

9 5. If a source agency does not routinely request information from an  
10 individual that would demonstrate proof of eligibility to register to  
11 vote including age, citizenship and residency, the agency shall provide  
12 a voter registration form on which such individual may either decline to  
13 register to vote or consent to register to vote and inform the individ-  
14 ual:

16 vidual declines to register to vote or if the individual is not eligible  
17 to vote;

18 (b) of the qualifications to register to vote;

19 (c) that the individual should not register to vote if the individual  
20 does not meet all the qualifications;

21 (d) of the penalties for submission of a false application;

22 (e) that voter registration is voluntary and that neither registering  
23 nor declining to register to vote will in any way affect the availabili-  
24 ty of services or benefits; and

25 (f) that by failing to affirmatively decline to register to vote the  
26 individual is attesting that they meet all of the qualifications to  
27 register to vote.

28 6. (a) The board of elections shall:

29 (i) identify all individuals whose information is transmitted by a  
30 source agency pursuant to this section and who are eligible to be, but  
31 are not currently, registered to vote in the state;

32 (ii) promptly send each such individual written notice which shall not  
33 identify the source agency that transmitted the information but shall  
34 include:

35 (1) an explanation that voter registration is voluntary, but if the  
36 individual does not decline registration, the individual will be regis-  
37 tered to vote;

38 (2) a statement offering the opportunity to decline to register to  
39 vote;

40 (3) a statement offering the individual the opportunity to enroll with

47 declination shall remain confidential and shall be used only for voter  
48 registration purposes; and

49 (7) instructions for correcting erroneous information.

50 (b) The notice required by subparagraph (ii) of paragraph (a) of this  
51 subdivision shall include a form that offers the individual the opportu-  
52 nity to elect to decline to register to vote and, in a separate section,  
53 the opportunity to enroll with a political party or to decline to enroll  
54 with a political party and a postage pre-paid envelope to return the  
55 form.

(c) If a person notified under this section does not decline to be registered to vote within twenty-one days after the board of elections sends the notice, the individual shall be registered to vote.

9. Each source agency shall cooperate with the state board of elections and county board of elections to facilitate the voter registration of each person described in subdivision two of this section, and to electronically transmit the information needed to register each such person to vote or to update each such person's voter registration record.
