4 issued by the commissioner. Provided, further, that such grants
5 shall be awarded based on factors including, but not limited to, the
6 following: (i) the school district's proposal to target the schools
7 and students with the greatest need, and (ii) proposal quality.
8 Provided, further, that to assess proposal quality in order to award
9 implementation grant funding, the commissioner shall take into

11 which the school district's proposal would maximize the use of the
12 additional learning time through a comprehensive restructuring of
13 the school day and/or year, (ii) the extent to which the proposal
14 would provide additional learning time for students in grades six
15 through eight, and (iii) how the additional learning time would be
16 utilized, including, but not limited to, additional time spent on
17 core academics. Provided, however, that no district shall be eligi-

23 by the expected cost per pupil of the additional learning time;

27 pursuant to paragraph t of subdivision 1 of section 3602 of the
28 education law, for the year prior to the base year, divided by (ii)
29 the district's public school district enrollment, pursuant to

31 prior to the base year, multiplied by (B) 10 percent (0.10), multi-
32 plied by (C) the quotient of (i) the average of the national consumer
33 price indexes determined by the United States department of labor
34 for the 12-month period preceding January first of the base year,
35 divided by (ii) the average of the national consumer price indexes
36 determined by the United States department of labor for the 12-month
37 period preceding January first of the year two years prior to the
38 base year; provided, however, that in extraordinary cases the
39 commissioner may award a grant that exceeds the per pupil limit
40 described above; provided further, however, that no district shall
41 receive a grant in excess of the total actual grant expenditures
42 incurred by the district in the current school year as approved by
43 the commissioner. Provided, further, that no school district shall
44 receive more than forty percent of the total school-wide extended
45 learning grant allocation.

46 Provided, further, that notwithstanding any provision of law to the
47 contrary, the \$7,500,000 appropriated herein available for community
48 schools grants shall be awarded, based on a request for proposals
49 (i) developed by the state council on children and families in coord-

In a city with a population of one million or more, eligible entities shall mean the city school district of the city of New York, or not-for-profit organizations, which shall include not-for-profit community-based organizations. An eligible entity that is a not-for-profit may apply for a community school grant provided that it collaborates with the city school district of the city of New York and receives the approval of the chancellor of the city school district of the city of New York. Provided, further, that such grants shall be awarded based on factors including, but not limited to, the following: (i) measures of school district need, (ii) measures of the need of students to be served by each of the school districts, (iii) the school district's proposal to target the highest need schools and students, (iv) the sustainability of the proposed community schools program, and (v) proposal quality. Provided, further, that to assess proposal quality in order to award such funding, the commissioner shall take into account factors including, but not limited to: (i) the extent to which the school district's proposal would provide such community services through partnerships with local governments and non-profit organizations, (ii) the extent to which the proposal would provide for delivery of such services directly in school buildings, (iii) the extent to which the proposal articulates how such services would facilitate measurable improvement in student and family outcomes, (iv) the extent to which the proposal articulates and identifies how existing funding streams and programs would be used to provide such community services, and (v) the extent to which the proposal ensures the safety of all students, staff and community members in school buildings used as community hubs. Provided, however, that community schools grants appropriated herein shall be paid to school districts in installments upon successful implementation of each phase of a school district's approved proposal. Provided, further, that no school district shall receive more than forty percent of the total community schools grant allocation, and that each individual community school site shall be limited to a maximum grant of \$500,000. Provided, further, that notwithstanding any provision of law to the contrary, the \$5,500,000 appropriated herein available for a master teachers program shall support the award of stipends of \$15,000 per annum over four years to individual high-performing teachers in math, science and related fields, and of related costs, administered by the state university of New York pursuant to a plan developed in consultation with the commissioner, who shall consult with appropriate state organizations representing K-12 public school teachers and approved by the director of the budget, to build a corps of outstanding math, science and related fields teachers in order to improve the quality of instruction at public secondary schools. 5 applicants in regions of the state where a similar program is not
6 otherwise offered. Notwithstanding any provision of law to the
7 contrary, upon approval of the director of the budget, such
8 \$5,500,000 of master teachers program funding may be sub-allocated,
9 interchanged, transferred or otherwise made available to the state
10 university of New York for the services and expenses of administer-
11 ing such program. Nothing herein shall be construed to limit the
12 rights of labor organizations representing teachers to collectively
13 bargain terms and conditions pursuant to article 14 of the civil
14 service law.

15 Provided, further, that notwithstanding any provision of law to the
16 contrary, the \$2,000,000 appropriated herein available for the early
17 college high school program shall support the continuation and
18 expansion of such program pursuant to a plan developed by the
19 commissioner and approved by the director of the budget. Provided,

26 partners participating in an early college high schools program, or
27 the entity/entities responsible for setting tuition at the institu-
28 tion, shall be authorized to set a reduced rate of tuition and/or
29 fees, or to waive tuition and/or fees entirely, for students
30 enrolled in such early college high schools program with no
31 reduction in other state, local or other support for such students
32 earning college credit that such higher education partner would
33 otherwise be eligible to receive.

34 Provided further that, notwithstanding any provision of law to the
35 contrary, of the amount appropriated herein, a minimum of
36 \$12,500,000 per year shall be available in the 2014-15 through
37 2019-20 school years for the payment of grant awards as follows:
38 \$2,500,000 of pathways in technology early college high school
39 program grants and \$10,000,000 of teacher excellence fund grants;
40 provided, however, the funds appropriated herein for pathways in
41 technology early college high school program grants shall only be

33 performance review, in accordance with the requirements of section
34 3012-d of the education law and the regulations of the commissioner,
35 pursuant to such districts' approved applications; provided that in
36 making such grants the commissioner shall prioritize school
37 districts' applications based on factors including but not limited
38 to (i) the extent to which the school district's application would

10 cost of living adjustment established by
11 the office.

12 Notwithstanding any inconsistent provision
13 of law, for the period commencing on Janu-
14 ary 1, 2020 and ending March 31, 2020 the
15 commissioner shall apply a cost of living
16 adjustment for the purpose of establishing
17 rates of payments, contracts or any other
18 form of reimbursement.

19 Within the amounts appropriated herein,
20 state reimbursement to each social
21 services district for services identified
22 herein that are otherwise reimbursable by
23 the state from April 1, 2019 through March
24 31, 2020 shall be limited to a district
25 allocation, hereinafter referred to as the
26 district's block grant allocation.
27 Notwithstanding any other provision of
28 law, such block grant allocation shall be
29 based, in part, on each district's claims
30 for such costs, adjusted by the applicable
31 cost allocation methodology and net of any
32 retroactive payments for the 12 month
33 period ending June 30, 2018 that are
34 submitted on or before January 2, 2019
35 and, in part, on such other factors as
36 determined by the office of children and
37 family services and approved by the direc-
38 tor of the budget. Any portion of a social
39 services district's allocation from funds
40 appropriated herein not claimed by such
41 district during the state fiscal year may
42 be used by such district for expenditures
43 on preventive services provided pursuant
44 to section 409-a of the social services
45 law, independent living services and
46 aftercare services provided pursuant to
47 regulations of the department of family
48 assistance, claimed by such district
49 during the next state fiscal year up to
50 the amount remaining from the district's
51 foster care block grant allocation,

1 provided however, that any claims for such
2 services during the next state fiscal year
3 in excess of such amount shall be subject
4 to 62 percent state reimbursement exclu-
5 sive of any federal funds made available
6 for such purposes, in accordance with
7 directives of the department of family
8 assistance and subject to the approval of
9 the director of the budget. Any claims
10 submitted by a social services district
11 for reimbursement for a particular state
12 fiscal year for which the social services
13 district does not receive state or federal
14 reimbursement during that state fiscal
15 year may not be claimed against that
16 district's block grant apportionment for
17 the next state fiscal year.

18 The office of children and family services,
19 with the approval of the director of the
20 budget, may reduce a district's block
21 grant allocation by the state share
22 decrease related to federal retroactive
23 reimbursement for such foster care
24 services identified herein. The office,
25 with the approval of the director of the
26 budget, may reduce a district's block
27 grant allocation by the state share of
28 disallowances or sanctions taken against
29 the district pursuant to the social
30 services law or federal law.

31 Notwithstanding any other provision of law,
32 the state shall not be responsible for
33 reimbursing a social services district and
34 a district shall not seek state reimburse-
35 ment for any portion of any state disal-
36 lowance or sanction taken against the
37 social services district, or any federal
38 disallowance attributable to final federal
39 agency decisions or to settlement made, on
40 or after July 1, 1995, when such disallow-
41 ance or sanction results from the failure
42 of the social services district to comply
43 with federal or state requirements,
44 including, but not limited to, failure to
45 document eligibility for federal or state
46 funds in the case record; provided, howev-
47 er, if the office determines that any
48 federal disallowance for services provided
49 between January 1, 1999 and May 31, 1999
50 results solely from the late enactment of
51 the state legislation implementing the

2 the state shall be solely responsible for
3 the full amount of the disallowance or
4 sanction; provided, further, however, this
5 provision shall be deemed to apply both
6 prospectively and retroactively regardless
7 of whether such sanctions or disallowances
8 are for services provided or claims made
9 prior to or after April 1, 2019.

10 Notwithstanding any other provision of law,
11 any federal disallowance resulting from a
12 federal title IV-E eligibility review or
13 audit that uses extrapolated statistic
14 techniques shall be passed along by the
15 state to any and all social services
16 districts that the office of children and
17 family services has determined have not
18 complied with the title IV-E eligibility
19 requirements or have not taken the neces-
20 sary actions to ensure compliance with
21 such requirements including, but not
22 limited to, failing to: assess and fully
23 document all the criteria and have readily
24 available all the necessary documents to
25 establish and continue title IV-E eligi-
26 bility for all title IV-E eligible chil-
27 dren within the required time frames;
28 claim title IV-E funding only for cases
29 that meet all of the title IV-E eligibil-
30 ity criteria; and fully implement the
31 social services payment system on or
32 before April 1, 2005 for all direct and
33 voluntary agency foster care services.

34 Notwithstanding any law to the contrary, the
35 office of children and family services
36 shall impose on social services districts
37 any federal disallowance issued against
38 the state as a result of a federal title
39 IV-E secondary eligibility review regard-
40 less of the date the children may have
41 entered foster care, the date the eligi-
42 bility or payment errors occurred, or the
43 filing date of any federal claims for
44 reimbursement; provided, however, that the
45 state shall be responsible for the disal-
46 lowed costs and expenditures related to
47 the placement of children in a facility
48 operated by the office of children and
49 family services, which shall be determined

1 districts other than the city of New York.
2 In order to reimburse the federal govern-
3 ment for the full amount of any disallow-
4 ance imposed on the state by the federal
5 administration for children and families
6 within the timeframes necessary to avoid
7 any potential interest payments on such
8 amount, the office of children and family
9 services is authorized to immediately
10 offset funds otherwise due to each
11 district for a pro rata share of the total
12 disallowed costs based on the percentage
13 of applicable federal title IV-E claims
14 made by that district for the relevant
15 time period as compared to the total
16 applicable statewide title IV-E claims.
17 The amount of the offset against each
18 district will be adjusted, if necessary,
19 upon completion of the disallowance allo-
20 cation process. The final allocation of
21 the amount of any federal disallowance
22 resulting from a title IV-E secondary
23 eligibility review shall be allocated
24 among the districts so that each district
25 shall be responsible for the amount
26 attributable to each of the district's
27 children or cases that are determined by
28 the federal review to be unallowable. Each
29 district shall also be responsible for a
30 portion of the federal extrapolated disal-
31 lowance amount based on the relative error
32 rate for the district. The city of New
33 York's error rate will be based on the
34 federal sample and federal statistics. For
35 all social services districts other than
36 the city of New York, the error rate will
37 be based on a review conducted by the
38 district of a sample of children and/or
39 cases determined by the office of children
40 and family services and a re-review of a
41 sub-sample by the office of those children
42 and/or cases determined by the office. The
43 office of children and family services
44 will determine what is reasonable in
45 establishing the size of the sample and
46 sub-sample for each district. The office
47 of children and family services shall
48 notify each social services district of
49 the sample of children and/or cases from
50 the federal audit period that the social
51 services district must review. Any child

1 or case from the social services district
2 that was included in the federal sample
3 will automatically be included in the
4 social services district's review sample
5 and the determination made at the federal
6 review regarding that child or case will
7 govern for the purposes of the social
8 services district's review. The social
9 services district must complete and submit
10 the results of its review to the office of
11 children and family services within 60
12 days of receipt of the sample. The error
13 rate for the district will be based on the
14 findings of the district's review and the
15 office of children and family services'
16 re-review. If a social services district
17 does not complete its review within 60
18 days of receiving the sample from the
19 office of children and family services,
20 the office of children and family services
21 shall assign an error rate to the social
22 services district based on the relative
23 percentage of the district's applicable
24 title IV-E claims for the relevant period
25 as compared to applicable statewide title
26 IV-E claims for that period and other
27 circumstances that the office of children
28 and family services may consider in order
29 to allocate 100 percent of the federal
30 disallowance. The office of children and
31 family services shall apply each social
32 services district's error rate to the
33 total amount of the district's applicable
34 title IV-E claims including associated
35 administrative expenses. The resulting
36 dollar amounts for all of the social
37 services districts will be summed to
38 derive the total amount of title IV-E
39 claims deemed to be in error statewide. To
40 establish a disallowance percentage for
41 each social services district, the amount
42 of the district's title IV-E claims deemed
43 to be in error will be divided by the
44 amount of statewide title IV-E claims
45 deemed to be in error. The resulting
46 disallowance percentage for each district
47 will be applied to the entire title IV-E
48 extrapolated disallowance calculated by
49 the federal review to determine the amount
50 of the extrapolated disallowance for which
51 the district is responsible. Each district

1 will be credited for the amount already
2 disallowed for any individual children or
3 cases found to be in error during the
4 federal review. The exclusive appeal
5 rights for the review of the amount of the
6 federal disallowance assigned to each
7 social services district shall be pursuant
8 to article 78 of the civil practice laws
9 and rules; provided, however, that in any
10 such action all of the social services
11 districts shall be joined as necessary
12 parties and the venue of any such action
13 shall be in Rensselaer county. Any social
14 services district that fails to complete
15 its sample review in the required time
16 frames shall have no right to appeal and
17 shall not be a necessary party to any
18 action brought by another social services
19 district.

5 1, 2014 through March 31, 2015 that have been approved by the office
6 of children and family services pursuant to a plan approved by the
7 director of the budget; provided, however, if a municipality is
8 unable to use or claim all of its allocation for such program period
9 within the required time frames, the municipality may apply to the
10 office of children and family services for a waiver to permit the
11 municipality to continue to have the funds available to it for an
12 additional one-year program period upon a showing and certification
13 by the municipality that such funds will be used only to reimburse
14 the municipality for eligible expenditures for eligible services

35 local share will enable the municipality to implement services
36 designed to decrease the use of detention or residential care for
37 such youth.

38 Within the amounts appropriated herein, state reimbursement shall be
39 limited to the amount of such municipality's distribution. The
40 office of children and family services shall not reimburse any

For reimbursement of local administrative expenses for medical assistance programs and for state administration of medical assistance programs, notwithstanding section 153 of the social services law, to include the performance of eligibility and enrollment determinations by the state or third-party entities designated by the state to perform such services.

Notwithstanding any provision of law to the contrary, subject to the approval of the director of budget, up to \$23,000,000 of the amount appropriated herein shall be available for the purpose of providing payments to local social services districts for medical assistance administration claims that exceed an administrative ceiling established by the commissioner of health.

Notwithstanding any inconsistent provision of law and subject to the approval of the director of budget, moneys hereby appropriated may be increased or decreased by transfer or interchange between these appropriated amounts and appropriations of the medical assistance administration program, the medical assistance program, and the office of health insurance programs. Funding authority from this account used for state administration of the medical assistance program may be transferred to state operations appropriations within the aforementioned programs at amounts agreed upon by the commissioner of health, and the New York state division of the budget.

Notwithstanding section 40 of the state finance law or any other law to the contrary, all medical assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than 50 percent for the period April 1, 2018 to March 31, 2019; and the remaining amount for the period April 1, 2019 to ~~March 31~~ September 15, 2020.

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, subject to federal approval, department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of alcoholism and substance abuse services and further excluding any payments which are not appropriated within the department of health, in the aggregate, for the period April 1, ~~2018~~ 2019 through March 31, ~~2019~~ 2020, shall not exceed ~~[\$20,960,018,000]~~ \$21,701,148,000 except as provided below and state share medicaid spending, in the aggregate, for the period April 1, ~~2019~~ 2020 through ~~March 31~~ September 15, ~~2020~~ 2021, shall not

1 exceed [~~\$22,044,311,000~~] \$22,650,018,000, but in no event shall
2 department of health state funds medicaid spending for the period
3 April 1, [~~2018~~] 2019 through March 31, [~~2020~~] 2021 exceed
4 [~~\$43,004,329,000~~] \$44,351,166,000 provided, however, such aggregate
5 limits may be adjusted by the director of the budget to account for
6 any changes in the New York state federal medical assistance
7 percentage amount established pursuant to the federal social securi-
8 ty act, increases in provider revenues, reductions in local social
9 services district payments for medical assistance administration,
10 minimum wage increases and beginning April 1, 2012 the operational
11 costs of the New York state medical indemnity fund, pursuant to
12 chapter 59 of the laws of 2011, and state costs or savings from the
13 essential plan program. Such projections may be adjusted by the
14 director of the budget to account for increased or expedited depart-
15 ment of health state funds medicaid expenditures as a result of a
16 natural or other type of disaster, including a governmental declara-
17 tion of emergency. The director of the budget, in consultation with
18 the commissioner of health, shall assess on a monthly basis known
19 and projected medicaid expenditures by category of service and by
20 geographic region, as determined by the commissioner of health,
21 incurred both prior to and subsequent to such assessment for each
22 such period, and if the director of the budget determines that such
23 expenditures are expected to cause medicaid spending for such period
24 to exceed the aggregate limit specified herein for such period, the
25 state medicaid director, in consultation with the director of the
26 budget and the commissioner of health, shall develop a medicaid
27 savings allocation plan to limit such spending to the aggregate
28 limit specified herein for such period.

29 Such medicaid savings allocation plan shall be designed, to reduce the
30 expenditures authorized by the appropriations herein in compliance
31 with the following guidelines: (1) reductions shall be made in
32 compliance with applicable federal law, including the provisions of
33 the Patient Protection and Affordable Care Act, Public Law No.
34 111-148, and the Health Care and Education Reconciliation Act of
35 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
36 and any subsequent amendments thereto or regulations promulgated
37 thereunder; (2) reductions shall be made in a manner that complies
38 with the state medicaid plan approved by the federal centers for
39 medicare and medicaid services, provided, however, that the commis-
40 sioner of health is authorized to submit any state plan amendment or
41 seek other federal approval, including waiver authority, to imple-
42 ment the provisions of the medicaid savings allocation plan that
43 meets the other criteria set forth herein; (3) reductions shall be
44 made in a manner that maximizes federal financial participation, to
45 the extent practicable, including any federal financial partici-
46 pation that is available or is reasonably expected to become avail-
47 able, in the discretion of the commissioner, under the Affordable
48 Care Act; (4) reductions shall be made uniformly among categories of
49 services and geographic regions of the state, to the extent practi-
50 cable, and shall be made uniformly within a category of service, to
51 the extent practicable, except where the commissioner determines
52 that there are sufficient grounds for non-uniformity, including but

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any

1 provision of law that sets a specific amount or methodology for any
2 such payments or rates of payment; modifying medicaid program bene-
3 fits; seeking all necessary federal approvals, including, but not
4 limited to waivers, waiver amendments; and suspending time frames
5 for notice, approval or certification of rate requirements, notwith-
6 standing any provision of law, rule or regulation to the contrary,
7 including but not limited to sections 2807 and 3614 of the public
8 health law, section 18 of chapter 2 of the laws of 1988, and 18
9 NYCRR 505.14(h).

10 The department of health shall prepare a monthly report that sets
11 forth: (a) known and projected department of health medicaid expend-

41 The director of the budget, in consultation with the commissioner of
42 health, shall assess on a monthly basis known and projected medicaid
43 expenditures by category of service and by geographic region, as
44 defined by the commissioner, incurred both prior to and subsequent

48 fied herein for such period, the state medicaid director, in consul-
49 tation with the director of the budget and the commissioner of
50 health, shall develop a medicaid savings allocation plan to limit

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

1 Such medicaid savings allocation plan shall be designed, to reduce the
2 expenditures authorized by the appropriations herein in compliance
3 with the following guidelines: (1) reductions shall be made in
4 compliance with applicable federal law, including the provisions of
5 the Patient Protection and Affordable Care Act, Public Law No.
6 111-148, and the Health Care and Education Reconciliation Act of
7 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
8 and any subsequent amendments thereto or regulations promulgated
9 thereunder; (2) reductions shall be made in a manner that complies
10 with the state medicaid plan approved by the federal centers for
11 medicare and medicaid services, provided, however, that the commis-
12 sioner of health is authorized to submit any state plan amendment or
13 seek other federal approval, including waiver authority, to imple-
14 ment the provisions of the medicaid savings allocation plan that
15 meets the other criteria set forth herein; (3) reductions shall be
16 made in a manner that maximizes federal financial participation, to
17 the extent practicable, including any federal financial partic-
18 ipation that is available or is reasonably expected to become avail-
19 able, in the discretion of the commissioner, under the Affordable
20 Care Act; (4) reductions shall be made uniformly among categories of
21 services and geographic regions of the state, to the extent practi-
22 cable, and shall be made uniformly within a category of service, to
23 the extent practicable, except where the commissioner determines
24 that there are sufficient grounds for non-uniformity, including but
25 not limited to: the extent to which specific categories of services
26 contributed to department of health medicaid state funds spending in
27 excess of the limits specified herein; the need to maintain safety
28 net services in underserved communities; or the potential benefits
29 of pursuing innovative payment models contemplated by the Affordable
30 Care Act, in which case such grounds shall be set forth in the medi-
31 caid savings allocation plan; and (5) reductions shall be made in a
32 manner that does not unnecessarily create administrative burdens to
33 medicaid applicants and recipients or providers.

34 The commissioner shall seek the input of the legislature, as well as
35 organizations representing health care providers, consumers, busi-
36 nesses, workers, health insurers, and others with relevant exper-
37 tise, in developing such medicaid savings allocation plan, to the
38 extent that all or part of such plan, in the discretion of the
39 commissioner, is likely to have a material impact on the overall
40 medicaid program, particular categories of service or particular
41 geographic regions of the state.

42 (a) The commissioner shall post the medicaid savings allocation plan
43 on the department of health's website and shall provide written
44 copies of such plan to the chairs of the senate finance and the
45 assembly ways and means committees at least 30 days before the date
46 on which implementation is expected to begin.

47 (b) The commissioner may revise the medicaid savings allocation plan
48 subsequent to the provisions of notice and prior to implementation
49 but needs to provide a new notice pursuant to subparagraph (i) of
50 this paragraph only if the commissioner determines, in his or her
51 discretion, that such revisions materially alter the plan.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

1 Notwithstanding the provisions of paragraphs (a) and (b) of this
2 subdivision, the commissioner need not seek the input described in
3 paragraph (a) of this subdivision or provide notice pursuant to
4 paragraph (b) of this subdivision if, in the discretion of the
5 commissioner, expedited development and implementation of a medicaid
6 savings allocation plan is necessary due to a public health emergen-
7 cy.

8 For purposes of this section, a public health emergency is defined as:

9 (i) a disaster, natural or otherwise, that significantly increases
10 the immediate need for health care personnel in an area of the
11 state; (ii) an event or condition that creates a widespread risk of
12 exposure to a serious communicable disease, or the potential for
13 such widespread risk of exposure; or (iii) any other event or condi-
14 tion determined by the commissioner to constitute an imminent threat
15 to public health.

16 Nothing in this paragraph shall be deemed to prevent all or part of
17 such medicaid savings allocation plan from taking effect retroac-
18 tively to the extent permitted by the federal centers for medicare
19 and medicaid services.

20 In accordance with the medicaid savings allocation plan, the commis-
21 sioner of the department of health shall reduce department of health
22 state funds medicaid spending by the amount of the projected over-
23 spending through, actions including, but not limited to modifying or
24 suspending reimbursement methods, including but not limited to all
25 fees, premium levels and rates of payment, notwithstanding any
26 provision of law that sets a specific amount or methodology for any
27 such payments or rates of payment; modifying or discontinuing medi-
28 caid program benefits; seeking all necessary federal approvals,
29 including, but not limited to waivers, waiver amendments; and
30 suspending time frames for notice, approval or certification of rate
31 requirements, notwithstanding any provision of law, rule or regu-
32 lation to the contrary, including but not limited to sections 2807
33 and 3614 of the public health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a monthly report that sets
36 forth: (a) known and projected department of health medicaid expend-
37 itures as described in subdivision (1) of this section, and factors
38 that could result in medicaid disbursements for the relevant state
39 fiscal year to exceed the projected department of health state funds
40 disbursements in the enacted budget financial plan pursuant to
41 subdivision 3 of section 23 of the state finance law, including
42 spending increases or decreases due to: enrollment fluctuations,
43 rate changes, utilization changes, MRT investments, and shift of
44 beneficiaries to managed care; and variations in offline medicaid
45 payments; and (b) the actions taken to implement any medicaid
46 savings allocation plan implemented pursuant to subdivision (4) of
47 this section, including information concerning the impact of such

5 increases and beginning April 1, 2012 the operational costs of the
6 New York state medical indemnity fund, pursuant to chapter 59 of the
7 laws of 2011, and state costs or savings from the essential plan
8 program. Such projections may be adjusted by the director of the
9 budget to account for increased or expedited department of health
10 state funds medicaid expenditures as a result of a natural or other
11 type of disaster, including a governmental declaration of emergency.
12 The director of the budget, in consultation with the commissioner of
13 health, shall assess on a monthly basis known and projected medicaid
14 expenditures by category of service and by geographic region, as
15 determined by the commissioner of health, incurred both prior to and
16 subsequent to such assessment for each such period, and if the
17 director of the budget determines that such expenditures are
18 expected to cause medicaid spending for such period to exceed the
19 aggregate limit specified herein for such period, the state medicaid
20 director, in consultation with the director of the budget and the
21 commissioner of health, shall develop a medicaid savings allocation
22 plan to limit such spending to the aggregate limit specified herein
23 for such period.

24 Such medicaid savings allocation plan shall be designed, to reduce the
25 expenditures authorized by the appropriations herein in compliance
26 with the following guidelines: (1) reductions shall be made in
27 compliance with applicable federal law, including the provisions of
28 the Patient Protection and Affordable Care Act, Public Law No.
29 111-148, and the Health Care and Education Reconciliation Act of
30 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
31 and any subsequent amendments thereto or regulations promulgated
32 thereunder; (2) reductions shall be made in a manner that complies
33 with the state medicaid plan approved by the federal centers for
34 medicare and medicaid services, provided, however, that the commis-

37 ment the provisions of the medicaid savings allocation plan that
38 meets the other criteria set forth herein; (3) reductions shall be
39 made in a manner that maximizes federal financial participation, to
40 the extent practicable, including any federal financial partic-
41 ipation that is available or is reasonably expected to become avail-
42 able, in the discretion of the commissioner, under the Affordable
43 Care Act; (4) reductions shall be made uniformly among categories of
44 services and geographic regions of the state, to the extent practi-
45 cable, and shall be made uniformly within a category of service, to
46 the extent practicable, except where the commissioner determines
47 that there are sufficient grounds for non-uniformity, including but
48 not limited to: the extent to which specific categories of services
49 contributed to department of health medicaid state funds spending in
50 excess of the limits specified herein; the need to maintain safety
51 net services in underserved communities; or the potential benefits

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwith-

The department of health shall prepare a monthly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation plan implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such monthly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

1 director, in consultation with the director of the budget and the
2 commissioner of health, shall develop a medicaid savings allocation
3 plan to limit such spending to the aggregate limit specified herein
4 for such period.

5 Such medicaid savings allocation plan shall be designed, to reduce the
6 expenditures authorized by the appropriations herein in compliance
7 with the following guidelines: (1) reductions shall be made in
8 compliance with applicable federal law, including the provisions of
9 the Patient Protection and Affordable Care Act, Public Law No.
10 111-148, and the Health Care and Education Reconciliation Act of

12 and any subsequent amendments thereto or regulations promulgated
13 thereunder; (2) reductions shall be made in a manner that complies
14 with the state medicaid plan approved by the federal centers for
15 medicare and medicaid services, provided, however, that the commis-
16 sioner of health is authorized to submit any state plan amendment or
17 seek other federal approval, including waiver authority, to imple-

20 made in a manner that maximizes federal financial participation, to
21 the extent practicable, including any federal financial partic-

23 able, in the discretion of the commissioner, under the Affordable
24 Care Act; (4) reductions shall be made uniformly among categories of
25 services and geographic regions of the state, to the extent practi-
26 cable, and shall be made uniformly within a category of service, to
27 the extent practicable, except where the commissioner determines
28 that there are sufficient grounds for non-uniformity, including but
29 not limited to: the extent to which specific categories of services
30 contributed to department of health medicaid state funds spending in
31 excess of the limits specified herein; the need to maintain safety
32 net services in underserved communities; or the potential benefits
33 of pursuing innovative payment models contemplated by the Affordable
34 Care Act, in which case such grounds shall be set forth in the medi-
35 caid savings allocation plan; and (5) reductions shall be made in a
36 manner that does not unnecessarily create administrative burdens to
37 medicaid applicants and recipients or providers.

38 The commissioner shall seek the input of the legislature, as well as
39 organizations representing health care providers, consumers, busi-
40 nesses, workers, health insurers, and others with relevant exper-

42 extent that all or part of such plan, in the discretion of the
43 commissioner, is likely to have a material impact on the overall
44 medicaid program, particular categories of service or particular
45 geographic regions of the state.

46 (a) The commissioner shall post the medicaid savings allocation plan
47 on the department of health's website and shall provide written
48 copies of such plan to the chairs of the senate finance and the

5 subdivision, the commissioner need not seek the input described in
6 paragraph (a) of this subdivision or provide notice pursuant to
7 paragraph (b) of this subdivision if, in the discretion of the
8 commissioner, expedited development and implementation of a medicaid
9 savings allocation plan is necessary due to a public health emergen-
10 cy.

11 For purposes of this section, a public health emergency is defined as:

12 (i) a disaster, natural or otherwise, that significantly increases
13 the immediate need for health care personnel in an area of the
14 state; (ii) an event or condition that creates a widespread risk of
15 exposure to a serious communicable disease, or the potential for
16 such widespread risk of exposure; or (iii) any other event or condi-
17 tion determined by the commissioner to constitute an imminent threat
18 to public health.

19 Nothing in this paragraph shall be deemed to prevent all or part of
20 such medicaid savings allocation plan from taking effect retroac-
21 tively to the extent permitted by the federal centers for medicare
22 and medicaid services.

23 In accordance with the medicaid savings allocation plan, the commis-
24 sioner of the department of health shall reduce department of health
25 state funds medicaid spending by the amount of the projected over-
26 spending through, actions including, but not limited to modifying or
27 suspending reimbursement methods, including but not limited to all
28 fees, premium levels and rates of payment, notwithstanding any
29 provision of law that sets a specific amount or methodology for any
30 such payments or rates of payment; modifying medicaid program bene-
31 fits; seeking all necessary federal approvals, including, but not

38 The department of health shall prepare a monthly report that sets
39 forth: (a) known and projected department of health medicaid expend-
40 itures as described in subdivision (1) of this section, and factors
41 that could result in medicaid disbursements for the relevant state

43 disbursements in the enacted budget financial plan pursuant to
44 subdivision 3 of section 23 of the state finance law, including
45 spending increases or decreases due to: enrollment fluctuations,
