4. The number of events and number of violations recorded at each intersection where a traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily, weekly and monthly basis;

5. The total number of notices of liability issued for violations recorded by such system at each intersection where a traffic-control signal photo violation-monitoring system is used;

6. The number of fines issued and total amount of fines paid after first notice of liability issued for violations recorded by such systems;

10. Quality of the adjudication process and its results and recommendations on ways such city can improve administration of its demonstration program.

A city that has adopted a demonstration program and fails to submit the annual report by the date set forth in this subdivision shall, with-

The report detailing such audit's findings shall be provided to the governor, the temporary president of the senate, the speaker of the assembly and the chairs of the senate and assembly local government committees within one hundred twenty days of commencement of the audit. § 17. Subdivisions (a) and (m) of section 1111-e of the vehicle and traffic law, as added by chapter 222 of the laws of 2015, are amended and two new subdivisions (o) and (p) are added to read as follows:

Such demonstration program shall empower such city to install and operate traffic-control signal photo violation-monitoring devices at no more than twelve intersections within such city at any one time.

2. (i) Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such traffic-control signal photo violation-monitoring systems shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that such city has made a reasonable effort to comply with the provisions of this paragraph.

(ii) Photographs, microphotographs, videotape or any other recorded image from a traffic-control signal photo violation-monitoring system shall be for the exclusive use of each such city for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by each such city upon the final resolution of the notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later.

PART I

Intentionally Omitted

PART J

Section 1. The real property tax law is amended by adding a new section 485-u to read as follows:

§ 485-u. Class one reassessment exemption. 1. Applicability. A special assessing unit that is not a city may, by local law, opt to provide a class one reassessment exemption as provided in this section. Such exemption shall apply in the same manner and to the same extent to county, town, special district and school district taxes levied on the assessment roll prepared by such special assessing unit.

2. Eligibility. The assessor shall, for the two thousand twenty--two thousand twenty--one assessment roll and for the subsequent four years,
apply an exemption as provided in this section to each property classi-

fied in class one pursuant to article eighteen of this chapter.

3. Exemption calculation. (a) (i) The assessor shall calculate the
exemption as a percentage of the exemption base. The exemption base
shall be the amount by which the assessment of a property on the two
thousand twenty--two thousand twenty-one tentative assessment roll
issued on or about January 2, 2019 exceeds the equalized assessment on
the two thousand nineteen--two thousand twenty final assessment roll.
The assessor shall determine the equalized assessment on the two thou-
sand nineteen--two thousand twenty final assessment roll by multiplying
a property's effective full value on the two thousand nineteen--two
thousand twenty final assessment roll by the class one level of assess-
ment on the two thousand twenty--two thousand twenty-one final assess-
ment roll. The assessor shall determine a property's effective full
value on the two thousand nineteen--two thousand twenty final assessment
roll by dividing the assessment on the two thousand nineteen--two thou-
sand twenty final assessment roll by the class one level of assessment
on the two thousand nineteen--two thousand twenty final assessment roll.
Such exemption base shall not include assessment increases due to a
physical improvement or a removal or reduction of an exemption on prop-
erty.

(ii) Any increase in the assessment of a property due to an increase
in a property's full value or physical changes subsequent to the two
thousand twenty--two thousand twenty-one final assessment roll shall not
be eligible for the exemption. If any portion of a property is fully or
partially removed from the assessment roll subsequent to the two thou-
sand twenty--two thousand twenty-one final assessment roll by reason of
fire, demolition, destruction or new exemption, the assessor shall
reduce the exemption for any remaining portion in the same proportion
the assessment is reduced for such fire, demolition, destruction or new
exemption.

(b) The exemption shall be eighty per centum of the exemption base on
the two thousand twenty--two thousand twenty-one final assessment roll.
Sixty per centum of the exemption base on the two thousand twenty--
two thousand twenty--two thousand twenty-one final assessment roll, forty per centum of the
exemption base on the two thousand twenty--two thousand twenty-three
final assessment roll, twenty per centum of the exemption base on the
two thousand twenty-three--two thousand twenty-four final assessment
roll and zero per centum of the exemption base on the two thousand twen-
ty-four--two thousand twenty-five final assessment roll.

4. Entering of exemption on assessment roll. The assessor shall enter
in a separate column on the assessment roll the value of any exemption
provided by this section.

§ 2. The real property tax law is amended by adding a new section
485-ss to read as follows:

§ 485-ss. Residential reassessment relief credit local option. 1.
Applicability. The governing body of an assessing unit that is a county
or a special assessing unit not a city, after a public hearing, may, on
or before January first, two thousand twenty, adopt the provisions of
this section allowing the residents of the assessing unit to participate
in the reassessment relief credit program established under subsection
(jj) of section six hundred six of the tax law.

2. Eligibility. To be eligible to participate in this program, an
assessing unit that is a county or a special assessing unit not a city,
must have carried out a reassessment in that year or the preceding year
of all properties that increased the assessed value of more than five
percent of all properties by over seven percent or more, and must have
enacted a local law to provide an exemption on a percentage of the
assessment value increase, including but not limited to the exemption
defined in section four hundred eighty-five-u of this title.

3. Local share. The county or special assessing unit not a city shall
contribute twenty-five percent of the cost of the reassessment relief
credit program established under subsection (jjj) of section six hundred
six of the tax law. The county or special assessing unit not a city
would, notwithstanding any other provision of law to the contrary,
beginning in state fiscal year two thousand twenty and ending in state
fiscal year two thousand twenty-seven, authorize the commissioner to
intercept from the taxes, interest and penalties collected or received
by the commissioner in respect of the tax imposed by the county or
special assessing unit not a city under the authority of sections twelve
hundred ten, twelve hundred eleven, twelve hundred twelve and twelve
hundred twelve-A of the tax law, an amount sufficient to but not to
exceed the amount necessary to pay for twenty-five percent of the
expenses associated with the reassessment relief credit created under
subsection (jjj) of section six hundred six of the tax law, and deposit
that into the general fund. The commissioner shall annually certify to
the comptroller and the local governing body of the county or special
assessing unit not a city that the amount of revenue intercepted under
this authority was equal to the twenty-five percent of the cost of the
reassessment relief credit paid to residents in that municipality.

§ 3. Section 606 of the tax law is amended by adding a new subsection
(jjj) to read as follows:

(jjj) Reassessment relief credit. (1) Definitions. For purposes of
this subsection:
(A) "Qualified taxpayer" means a resident individual of the state, who
maintained his or her primary residence in this state on December thir-
ty-first of the taxable year, and who was an owner of that property on
that date, provided however: (i) An individual may be considered a qual-
ified taxpayer with respect to no more than one primary residence during
any given taxable year, (ii) if a resident individual was an owner of
the property during the taxable year but did not own it on December
thirty-first of the taxable year, he or she shall be considered a quali-
fied taxpayer if the property was his or her primary residence during
the taxable year and he or she paid qualifying taxes on that property
while he or she was still an owner of that property.
(B) "Affiliated income" shall mean the combined income of all of the
owners of the parcel who resided primarily thereon as of December thir-
ty-first of the taxable year, and of any owners' spouses residing prima-
rily thereon as of such date; provided that the income to be so combined
shall be the "adjusted gross income" for the taxable year as reported
for federal income tax purposes, or that would be reported as adjusted
gross income if a federal income tax return were required to be filed,
reduced by distributions, to the extent included in federal adjusted
gross income, received from an individual retirement account and an
individual retirement annuity. For taxable years beginning on and after
January first, two thousand nineteen, where an income-eligibility deter-
mination is wholly or partly based upon the income of one or more indi-
viduals who did not file a return pursuant to section six hundred
fifty-one of this article for the applicable income tax year, then in
order to be eligible for the credit authorized by this subsection, each
such individual must file a statement with the department showing the
source or sources of his or her income for that income tax year, and
the amount or amounts thereof, that would have been reported on such a
return if one had been filed. Such statement shall be filed at such
time, and in such form and manner, as may be prescribed by the depart-
ment, and shall be subject to the provisions of section six hundred
ninety-seven of this article to the same extent that a return would be.
The department shall make such forms and instructions available for the
filing of such statements. The local assessor shall upon the request of
a taxpayer assist such taxpayer in the filing of the statement with the
department. Provided, further, that if the qualified taxpayer was an
owner of the property during the taxable year but did not own it on
December thirty-first of the taxable year, then the determination as to
whether the income of an individual should be included in "affiliated
income" shall be based upon the ownership and/or residency status of
that individual as of the first day of the month during which the quali-
fied taxpayer ceased to be an owner of the property, rather than as of
December thirty-first of the taxable year.

(C) "Associated fiscal years" means the fiscal year of the county of
special assessing unit not a city that passed a resolution.

(D) "Owner" means:
(i) a person who owns a parcel in fee simple absolute or as a tenant
in common, a joint tenant or a tenant by the entirety;
(ii) an owner of a present interest in a parcel under a life estate;
(iii) a vendee in possession under an installment contract of sale;
(iv) a beneficial owner under a trust;
(v) a tenant-stockholder of a cooperative apartment corporation who
resides in a portion of real property owned by such cooperative apart-
ment corporation, to the extent represented by his or her share or
shares of stock in such corporation as determined by its or their
proportional relationship to the total outstanding stock of the corpo-
ration, including that owned by the corporation;
(vi) a resident of a farm dwelling that is owned either by a corpo-
ration of which the resident is a shareholder, a partnership of which
the resident is a partner, or by a limited liability company of which
the resident is an owner; or
(vii) a resident of a dwelling, other than a farm dwelling, that is
owned by a limited partnership of which the resident is a partner,
provided that the limited partnership that holds title to the property
does not engage in any commercial activity, that the limited partnership
was lawfully created to hold title solely for estate planning and asset
protection purposes, and that the partner or partners who primarily
reside thereon personally pay all of the real property taxes and other
costs associated with the property's ownership.

(E) "Qualifying taxes" means the increase in total property taxes that
were levied upon the taxpayer's primary residence for the associated
fiscal year based on an assessment increase that were actually paid by
the taxpayer during the taxable year above the total property taxes that
were levied upon the taxpayer's primary residence for the preceding
fiscal year that were actually paid by the taxpayer during the preceding
taxable year. For property taxes levied by a special assessing unit not
a city, the qualifying taxes means the increase in property taxes
attributable to the exemption base or a percentage of the exemption base
as defined in subdivision three of section four hundred eighty-five-u of
the real property tax law. Provided, however, that in the case of a
cooperative apartment, "qualifying taxes" means the increase in total
property taxes that would have been levied upon the tenant-stockholder's
primary residence for the associated fiscal year based on an assessment
increase that would have been paid by the tenant-stockholder during the
taxable year above the total property taxes that would have been levied
upon the tenant-stockholder's primary residence for the preceding fiscal
year that would have been paid by the tenant-stockholder during the
preceding taxable year if it were separately assessed, as determined by
the commissioner based on the statement provided by the assessor pursu-
ant to subparagraph (ii) of paragraph (k) of subdivision two of section
four hundred twenty-five of the real property tax law, or in the case of
a cooperative apartment corporation that is described in subparagraph
(iv) of paragraph (k) of subdivision two of section four hundred twen-
ty-five of the real property tax law, one third of such amount. In no
case shall the term "qualifying taxes" be construed to include penal-
ties, or interest, an increase due to an increase in the tax levy, or an
increase in total property taxes based on an assessment increase due to
physical improvement or removal or reduction of an exemption on proper-
ty.

(2) Allowance of credit. A qualified taxpayer shall be allowed a cred-
it as provided in paragraph three of this subsection against the taxes
imposed by this article reduced by the credits permitted by this arti-
cle, provided that the requirements set forth in the applicable
subsection are satisfied. If the credit exceeds the tax as so reduced
for such year under this article, the excess shall be treated as an
overpayment, to be credited or refunded, without interest. If a quali-
fied taxpayer is not required to file a return pursuant to section six
hundred fifty-one of this article, a qualified taxpayer may nevertheless
receive the full amount of the credit to be credited or repaid as an
overpayment, without interest.

(3) Determination of reassessment relief credit. (A) Beginning with
the first eligible taxable year, the reassessment relief credit shall be
available to a qualified taxpayer if the affiliated income of the parcel
that serves as the taxpayer's primary residence is less than or equal to
five hundred thousand dollars.

(B) In the first five years of the program the credit shall be equal
to the qualifying taxes multiplied by the following factor to determine
the value of the credit:

<table>
<thead>
<tr>
<th>Year</th>
<th>Credit</th>
<th>Factor</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Year</td>
<td>1.00</td>
<td></td>

<tr>

<td></td>
</tr>
<tr>
<td>Fourth Year</td>
<td>1.75</td>
<td></td>
</tr>
<tr>
<td>Fifth Year</td>
<td>1.75</td>
<td></td>
</tr>
</tbody>
</table>

(C) For years six and seven of the program, the credit amount shall be
based on an amount equal to the qualifying taxes in year five. That
amount shall be multiplied by the following factor to determine the
value of the credit:

<table>
<thead>
<tr>
<th>Year</th>
<th>Credit</th>
<th>Factor</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sixth Year</td>
<td>1.00</td>

<tr>
<td>Seventh Year</td>

</tbody>

(4) Special cases. A married couple may not receive a credit pursuant
to this subsection on more than one residence during any given taxable
year, unless living apart due to legal separation. Nor may a married
couple receive a credit pursuant to this subsection on one residence
while receiving an exemption pursuant to section four hundred twenty-five of the real property tax law on another residence, unless living apart due to legal separation.

(5) Disclosure of incomes and other information. (A) Where the commissioner has denied a taxpayer's claim for the credit authorized by this subsection in whole or in part on the grounds that the affiliated income of the parcel in question exceeds the applicable limit, the commissioner shall have the authority to reveal to that taxpayer the names and incomes of the other taxpayers whose incomes were included in the computation of such affiliated income.

(B) Notwithstanding any provision of law to the contrary, the names and addresses of individuals who have applied for or are receiving the credit authorized by this subsection may be disclosed to assessors, county directors of real property tax services, and municipal tax collecting officers. In addition, where an agreement is in place between the commissioner and the head of the tax department of another state, such information may be disclosed to such official or his or her designees. Such information shall be considered confidential and shall not be subject to further disclosure pursuant to the freedom of information law or otherwise.

(6) Proof of claim. The commissioner may require a qualified taxpayer to furnish the following information in support of his or her claim for credit under this subsection: affiliated income, the total taxes levied on the property for the associated fiscal year, the qualifying taxes paid by the taxpayer, the names and taxpayer identification numbers of all owners of the property and spouses who primarily reside on the property, the parcel identification number and all other information that may be required by the commissioner to determine the credit.

(7) Returns. Whether or not the taxpayer is required to file a return pursuant to section six hundred fifty-one of this article, the process for requesting advance payment of such credit shall be as provided by paragraph eight of this subsection.

(8) Advance payments. (A) The commissioner shall establish a mechanism by which a qualified taxpayer may apply for an advance payment of the credit authorized by this section, provided that:

(i) If the taxpayer acquired a new primary residence between January first and July first of the taxable year, inclusive, any such application must be submitted to the commissioner by the first day of July of the taxable year, or such later date as may be prescribed by the commissioner in order for the taxpayer's payment to be subject to the processing schedule provided by subparagraph (B) of this paragraph, and

(ii) A qualified taxpayer who fails to apply for an advance payment of such credit by such date may apply for and receive such credit in the manner prescribed by the commissioner, provided that such application shall be made within three years from the time that a return for the taxable year would have had to be filed pursuant to section six hundred fifty-one of this article. If approved, such payment shall be issued as soon as is practicable after the submission of the application but shall not be subject to the processing schedule prescribed by subparagraph (B) of this paragraph, and

(iii) A qualified taxpayer who has applied for an advance payment of such credit in a taxable year may continue to receive such advance payments in future taxable years, as provided for in paragraph three of this subsection, without reapplying as long as he or she remains eligible therefor.
(B) On or before the date specified below, or as soon thereafter as practicable, the commissioner shall determine the eligibility of taxpayers for this credit utilizing the information available to him or her as obtained from the applications submitted on or before July first of that year, or such later date as may have been prescribed by the commissioner for that purpose, and from such other sources as the commissioner deems reliable and appropriate. For those taxpayers whom the commissioner has determined eligible for this credit, the commissioner shall advance a payment in the amount specified in paragraph three, four or eleven of this subsection, whichever is applicable. Such payment shall be issued by the date specified below, or as soon thereafter as is practicable; provided that if such payment is issued after such date, it shall be subject to interest at the rate prescribed by subparagraph (A) of paragraph two of subsection (j) of section six hundred ninety-seven of this article. Nothing contained in this section shall be deemed to preclude the commissioner from issuing payments after such date to qualified taxpayers whose applications were made after July first of that year, or such later date as may have been prescribed by the commissioner for such purpose.

(i) The applicable dates for this purpose are as follows:

(I) If the assessing unit’s tax roll is filed with the commissioner on or before July first, the determination of eligibility shall be made by July fifteenth, or as soon thereafter as is practicable, and the advance payment shall be issued by July thirtieth, or as soon thereafter as is practicable.

(II) If the assessing unit’s tax roll is filed with the commissioner after July first and on or before September first, the determination of eligibility shall be made by September fifteenth, or as soon thereafter as is practicable, and the advance payment shall be issued by September thirtieth, or as soon thereafter as is practicable.

(III) If the assessing unit’s tax roll is filed with the commissioner after September first, the determination of eligibility shall be made by the fifteenth day after such filing, or as soon thereafter as is practicable, and the advance payment shall be issued by the thirtieth day after such filing, or as soon thereafter as is practicable.

(ii) Notwithstanding the foregoing provisions of this subparagraph, in the case of taxpayers whose primary residence is a cooperative apartment that is subject to the provisions of paragraph four of this subsection, the payment shall be issued by the sixtieth day following receipt of all of the data needed to properly calculate the credit, or as soon thereafter as is practicable.

(C) A taxpayer who has failed to receive an advance payment that he or she believes was due to him or her, or who has received an advance payment that he or she believes is less than the amount that was due to him or her, may request payment of the claimed deficiency in a manner prescribed by the commissioner.

(D) An advance payment of credit provided pursuant to this subsection that exceeds the taxpayer’s qualifying taxes for that taxable year shall be added back as tax on the income tax return for that taxable year.

(E) If the commissioner determines after issuing an advance payment that it was issued in an excessive amount or to an ineligible or incorrect party, the commissioner shall be empowered to utilize any of the procedures for collection, levy and lien of personal income tax set forth in this article, any other relevant procedures referenced within the provisions of this article, and any other law as may be applicable, to recoup the improperly issued amount.
(9) Administration. The provisions of this article, including the
provisions of sections six hundred fifty-three, six hundred fifty-eight,
six of this article relating to procedure and administration, including
the judicial review of the decisions of the commissioner, except so much
of section six hundred eighty-seven of this article that permits a claim
for credit or refund to be filed after the period provided for in para-
graph eight of this subsection and except sections six hundred fifty-
seven, six hundred eighty-eight and six hundred ninety-six of this arti-
cle, shall apply to the provisions of this subsection in the same manner
and with the same force and effect as if the language of those
provisions had been incorporated in full into this subsection and had
expressly referred to the credit allowed or returns filed under this
subsection, except to the extent that any such provision is either
inconsistent with a provision of this subsection or is not relevant to
this subsection. As used in such sections and such part, the term
"taxpayer" shall include a qualified taxpayer under this subsection and,
notwithstanding the provisions of subsection (e) of section six hundred
ninety-seven of this article, where a qualified taxpayer has protested
the denial of a claim for credit under this subsection and the time to
file a petition for redetermination of a deficiency or for refund has
not expired, he or she shall, subject to such conditions as may be set
by the commissioner, receive such information (A) that is contained in
any return filed under this article by a member of his or her household
for the taxable year for which the credit is claimed, and (B) that the
commissioner finds is relevant and material to the issue of whether such
claim was properly denied.

(10) When the calculation of any other personal income tax credit is
based in whole or in part upon the real property taxes paid by the
taxpayer, the amount of real property taxes so paid shall be reduced by
the credit authorized by this subsection, if applicable, in the course
of performing such calculation. When the calculation of any other
personal income tax credit is based in whole or in part upon an individ-
ual’s state tax liability, the credit authorized by this subsection
shall not be taken into account in the calculation of such state tax
liability. When the calculation of a city tax surcharge is based in
whole or in part upon the net state tax of an individual, the credit
authorized by this subsection shall not be taken into account in the
calculation of such net state tax.

(11) (A) Nothing in this section shall be construed to preclude the
commissioner from making a preliminary advance payment of the credit
based upon an estimate of the property taxes levied upon the taxpayer's

finds that attempting to ascertain the taxpayer's qualifying taxes would
jeopardize the timely issuance of the payment.

(C) If the commissioner determines that a taxpayer received a prelimi-

he or she was entitled under this subsection, the commissioner shall
provide notice to such taxpayer that the next advance payment due to
such taxpayer under this subsection shall be adjusted to reconcile such
underpayment or overpayment; provided, however, the commissioner shall
permit a taxpayer to request that such adjustment be made on an
originally filed timely income tax return for the tax year in which such
overpayment or underpayment occurred, provided such return is filed on
or before the due date for such return, determined without regard to
extensions.

issued by the dormitory authority on and after July first, nineteen
hundred eighty-eight for state university educational facilities will
exceed $13,178,864,000; provided, however, that bonds issued or to be issued
shall be excluded from such limitation if: (1) such bonds are issued to
refund state university construction bonds and state university
construction notes previously issued by the housing finance agency; or
(2) such bonds are issued to refund bonds of the authority or other
obligations issued for state university educational facilities purposes

obligations issued between April first, nineteen hundred ninety-two and
March thirty-first, nineteen hundred ninety-three will generate long

basis, such issuance will be deemed to have met the present value test
noted above. For purposes of this subdivision, the present value of the
aggregate debt service of the refunding bonds and the aggregate debt
service of the bonds refunded, shall be calculated by utilizing the true
interest cost of the refunding bonds, which shall be that rate arrived
at by doubling the semi-annual interest rate (compounded semi-annually)
necessary to discount the debt service payments on the refunding bonds
from the payment dates thereof to the date of issue of the refunding bonds to the purchase price of the refunding bonds, including interest accrued thereon prior to the issuance thereof. The maturity of such bonds, other than bonds issued to refund outstanding bonds, shall not exceed the weighted average economic life, as certified by the state university construction fund, of the facilities in connection with which the bonds are issued, and in any case not later than the earlier of thirty years or the expiration of the term of any lease, sublease or other agreement relating thereto; provided that no note, including renewals thereof, shall mature later than five years after the date of issuance of such note. The legislature reserves the right to amend or repeal such limit, and the state of New York, the dormitory authority, the state university of New York, and the state university construction fund are prohibited from covenanteeing or making any other agreements with or for the benefit of bondholders which might in any way affect such right.

The proceeds of such bonds, notes or other obligations shall be paid to the state, for deposit in the youth facilities improvement fund, to pay for all or any portion of the amount or amounts paid by the state from appropriations or reappropriations made to the office of children and family services from the youth facilities improvement fund for capital projects. The aggregate amount of bonds, notes and other obligations authorized to be issued pursuant to this section shall exclude bonds, notes or other obligations issued to refund or otherwise repay bonds, notes or other obligations theretofore issued, the proceeds of which were paid to the state for all or a portion of the amounts expended by the state from appropriations or reappropriations made to the office of children and family services; provided, however, that upon any such refunding or repayment the total aggregate principal amount of outstanding bonds, notes or other obligations may be greater than [seven] eight hundred [sixty-nine] four million six hundred fifteen thousand dollars [($769,615,000)] $804,615,000, only if the present value of the aggregate debt service of the refunding or repayment bonds, notes or other obligations to be issued shall not exceed the present value of the aggregate debt service of the bonds, notes or other obligations so to be refunded or repaid. In the event that the employer has provided an explanation in writing why the bill has not been paid, in part or in full, within the aforesaid time period, and the parties can not agree as to the value of medical aid rendered under this chapter, such value shall be decided by arbitration if requested by the hospital, physician or self-employed physical or occupational therapist, in accordance with the provisions of subdivision two or subdivision three of this section, as appropriate, and as set forth in rules and regulations promulgated by the chair.

In all other cases where the value of physical therapy services is at issue and the amount of the disputed bill exceeds one thousand dollars, the arbitration committee shall be similarly selected and identical in composition, provided that the physical therapist member shall serve without remuneration, and provided further that in the event a physical therapist is not available, the committee shall be comprised of three physicians designated in the same manner as in cases where the value of medical aid is at issue.

one thousand dollars or less, or where the amount of the disputed
medical bill exceeds one thousand dollars and the hospital expressly so
requests, such value shall be decided by a single arbitrator process,
pursuant to rules promulgated by the chair. The chair shall appoint a
physician in good standing licensed to practice in New York state to
determine the value of such disputed bill. Decisions rendered under the
administrative resolution procedure shall be conclusive upon the parties
as to the value of the services in dispute.

(b) If an employer shall have notified the hospital in writing, as
provided in subdivision one of this section, why the bill has not been
paid, in part or in full, and the amount of the disputed bill exceeds
one thousand dollars, the value of such bill shall be determined by an
arbitration committee appointed by the chair for that purpose, which
committee shall consider all of the charges of the hospital, unless the
hospital expressly requests a single arbitrator process pursuant to
paragraph (a) of this subdivision. The committee shall consist of three
physicians. One member of the committee may be nominated by the chair
upon recommendation of the president of the hospital association of New
York state and one member may be nominated by the employer or insurance
carrier. The majority decision of any such committee shall be conclusive
upon the parties as to the value of the services rendered. The chair may
make reasonable rules and regulations consistent with the provisions of

ance with the schedules of fees and charges prepared and established
under the provisions of [section thirteen, subdivision a, and section
thirteen-k, subdivision two, of] this chapter[, and for the reasonable
value of hospital care in accordance with the charges currently in force
in hospitals in the same community for cases coming within the
provisions of this chapter]. Such award shall be made to the [physician,
podiatrist, or hospital medical care provider or supplier] entitled
thereto. A default in the payment of such award may be enforced in the

If the injury or condition is one which is without the limits prescribed by the education law for [podiatry] podiatric medical care and treatment, or the injuries involved affect other parts of the body in addition to the foot, the said podiatrist must so advise the said injured employee and instruct him or her to consult a physician of said employee's choice for appropriate care and treatment. Such physician shall thenceforth have overall supervision of the treatment of said patient including the future treatment to be administered to the patient by the podiatrist. If for any reason during the period when [podiatry] podiatric medical treatment and care is required, the employee wishes to transfer his or her treatment and care to another authorized podiatrist he or she may do so, in accordance with rules prescribed by the chair, provided however that the employer shall be liable for the proper fees of the original podiatrist for the care and treatment he or she shall have rendered. [A podiatrist licensed and registered to practice podiatry in the state of New York who is desirous of being authorized to render podiatry care under this section and/or to conduct independent medical examinations in accordance with paragraph (b) of subdivision three of this section shall file an application for authorization under this section with the podiatry practice committee. In such application he or she shall agree to refrain from subsequently treating for remuneration, as a private patient, any person seeking podiatry treatment, or submitting to an independent medical examination, in connection with, or as a result of, any injury compensable under this chapter, if he or she has been removed from the list of podiatrists authorized to render podiatry care or to conduct independent medical examinations under this chapter, or if the person seeking such treatment has been transferred from his or her care in accordance with the provisions of this section. This agreement shall run to the benefit of the injured person so treated or examined, and shall be available to him or her as a defense in any action by such podiatrist for payment for treatment rendered by a podiatrist after he or she has been removed from the list of podiatrists authorized to render podiatry care or to conduct independent medical examinations under this section, or after the injured person was transferred from his or her care in accordance with the provisions of this section. The podiatry practice committee if it deems such licensed podiatrist duly qualified shall recommend to the chair that such podiatrist be authorized to render podiatry care and/or to conduct independent medical examinations under this section. Such recommendation shall be advisory to the chair only and shall not be binding or conclusive upon him or her.] The chair shall prepare and establish a schedule for the state, or schedules limited to defined localities, of charges and
fees for [podiatry] podiatric medical treatment and care, to be determined in accordance with and to be subject to change pursuant to rules promulgated by the chair. Before preparing such schedule for the state or schedules for limited localities the chair shall request the [podiatry] podiatric medical practice committee to submit to him or her a report on the amount of remuneration deemed by such committee to be fair and adequate for the types of [podiatry] podiatric medical care to be rendered under this chapter, but consideration shall be given to the view of other interested parties. The amounts payable by the employer for such treatment and services shall be the fees and charges established by such schedule.

If the payment in default be an installment, the board may declare the entire award due and judgment may be entered in accordance with the provisions of this section. Such judgment shall be entered in the same manner, have the same effect and be subject to the same proceedings as though rendered in a suit duly heard and determined by the supreme court, except that no appeal may be taken therefrom. The court shall vacate or modify such judgment to conform to any later award or decision of the board upon presentation of a certified copy of such award or decision. The award may be so compromised by the board as in the discretion of the board may best serve the interest of the persons entitled to receive the compensation or benefits. Where an award has been made against a carrier or self-insured employer in accordance with the provisions of subdivision nine of section fifteen, or of section twenty-five-a of this chapter, such an award may be similarly compromised by the board, upon notice to a representative of the fund to which the award is payable, but if there be no representative of any such fund, notice shall be given to such representative as may be designated by the chair of the board; and notwithstanding any other provision of law, such compromise shall be effective without the necessity of any approval by the state comptroller. Neither the chair nor any party in interest shall be required to pay any fee to any public officer for filing or recording any paper or instrument or for issuing a transcript of any judgment executed in pursuance of this section. The carrier or self-insured employer shall be liable for all costs and attorneys fees necessary to enforce the award. The office of general services shall seek to provide prime contract bidding opportunities for minority and women-owned contractors in the letting of such emergency contracts. From such list of bidders, the office of general services shall solicit bidders sequentially or by rotation in such manner that the listed potential bidders shall be solicited consecutively, to the extent practicable, and thereby given fair opportunity to bid in the course of successive needs for emergency contracts. PART II

Section 1. This Part enacts into law major components of legislation
that remove unnecessary barriers to reentry of people with criminal
histories into society. This Part removes mandatory bars on licensing
and employment for people with criminal convictions in the categories
everified therein and replace them with individualized review processes
using the factors set out in article 23-A of the correction law. This
Part removes mandatory drivers license suspension for non-driving drug
offenses. This Part prohibits disclosure of mugshots and arrest informa-
tion by amending the freedom of information law. This Part also amends
provisions of law to enact into law major components of legislation to
prevent the use in a civil context, of past arrest information that did
not result in a conviction because no disposition has been reported, or
the case has been adjourned in contemplation of dismissal, or because
arrest and arraignment charges were not followed by a corresponding
conviction on those charges. This information would still be able to be
seen and used by law enforcement and in criminal proceedings. Finally,
this Part establishes compassionate parole for incarcerated individuals
over the age of 55 who have incapacitating medical conditions exacerbat-
ed by age. Each component is wholly contained with a Subpart identified
as Subparts A through P. Any provision in any section contained within a
Subpart, including the effective date of the Subpart, which makes refer-
ence to a section "of this act", when used in connection with that
particular component, shall be deemed to mean and refer to the corre-
sponding section of the Subpart in which it is found. Section three of
this Part sets forth the general effective date of this Part.

SUBPART A

is associating or consorting with any person who has, or persons who
have, been convicted of a crime or crimes in any jurisdiction or juris-

such a license if he shall find that the applicant, or any person who is
a director, officer, partner, agent, employee or substantial stockholder
of the applicant, has been convicted of a felony in any jurisdiction or
of a crime which, if committed within this state, would constitute a
felony under the laws thereof]. For the purposes of this article, a
person shall be deemed to have been convicted of a crime if such person
shall have pleaded guilty to a charge thereof before a court or magis-
trate, or shall have been found guilty thereof by the decision or judg-
ment of a court or magistrate or by the verdict of a jury, irrespective
of the pronouncement of sentence or the suspension thereof[unless such
plea of guilty, or such decision, judgment or verdict, shall have been
set aside, reversed or otherwise abrogated by lawful judicial process or
unless the person convicted of the crime shall have received a pardon
therefrom by the President of the United States or the Governor or
other pardoning authority in the jurisdiction where the conviction was
had, or shall have received a certificate of relief from disabilities or
a certificate of good conduct pursuant to article twenty-three of the
Correction Law to remove the disability under this article because of
such conviction. The term "substantial stockholder," as used in this
subdivision, shall be deemed to refer to a person owning or controlling
ten per centum or more of the total outstanding stock of the corporation
in which such person is a stockholder. In making a determination pursuant
to this subdivision, the superintendent shall require fingerprinting
of the applicant. Such fingerprints shall be submitted to the Division
of Criminal Justice Services for a state criminal history record check,
as defined in subdivision one of section three thousand thirty-five of
the Education Law, and may be submitted to the Federal Bureau of Investiga-

where an application for reappointment is filed with the county clerk
after the expiration of the aforementioned renewal period by a person
who failed or was unable to re-apply by reason of his or her induction
or enlistment in the armed forces of the United States, such qualifying
requirements may also be waived by the secretary of state, provided such

SUBPART F

Section 1. Paragraphs 3 and 4 of subsection (d) of section 2108 of the insurance law are REPEALED, and paragraph 5 is renumbered paragraph 3.

§ 2. This act shall take effect immediately.

SUBPART G

Section 1. Section 440-a of the real property law, as amended by chapter 81 of the laws of 1995, the first undesignated paragraph as amended by section 23 of part LL of chapter 56 of the laws of 2010, is amended to read as follows:

§ 440-a. License required for real estate brokers and salesmen. No person, co-partnership, limited liability company or corporation shall engage in or follow the business or occupation of, or hold himself or itself out or act temporarily or otherwise as a real estate broker or real estate salesman in this state without first procuring a license therefor as provided in this article. No person shall be entitled to a license as a real estate broker under this article, either as an individual or as a member of a co-partnership, or as a member or manager of a limited liability company or as an officer of a corporation, unless he or she is twenty years of age or over, a citizen of the United States or an alien lawfully admitted for permanent residence in the United States. No person shall be entitled to a license as a real estate salesman under this article unless he or she is over the age of eighteen years. No person shall be entitled to a license as a real estate broker or real estate salesman under this article who has been convicted in this state or elsewhere of a *felony, of a sex offense, as defined in subdivision two of section one hundred sixty-eight-a of the correction law or any offense committed outside of this state which would constitute a sex offense, or a sexually violent offense, as defined in subdivision three of section one hundred sixty-eight-a of the correction law or any offense committed outside this state which would constitute a sexually violent offense, and who has not subsequent to such conviction received executive pardon therefor or a certificate of relief from disabilities*
or a certificate of good conduct pursuant to article twenty-three of the correction law, to remove the disability under this section because of such conviction, unless the secretary makes a finding in conformance with all applicable statutory requirements, including those contained in article twenty-three-A of the correction law, that such convictions do not constitute a bar to licensure. No person shall be entitled to a license as a real estate broker or real estate salesman under this article who does not meet the requirements of section 3-503 of the general obligations law.

Notwithstanding the above anything to the contrary in this section, tenant associations and not-for-profit corporations authorized in writing by the commissioner of the department of the city of New York charged with enforcement of the housing maintenance code of such city to manage residential property owned by such city or appointed by a court of competent jurisdiction to manage residential property owned by such city shall be exempt from the licensing provisions of this section with respect to the properties so managed.

§ 2. This act shall take effect immediately.

SUBPART H

Section 1. Subdivision 5 of section 336-f of the social services law, as added by section 148 of part B of chapter 436 of the laws of 1997, is amended to read as follows:

5. The social services district shall require every private or not-for-profit employer that intends to hire one or more work activity participants to certify to the district whether such employer has, in the past five years, been convicted of a felony or a misdemeanor, nor the underlying basis of which involved workplace safety and health or labor standards. Such employer shall also certify as to all violations issued by the department of labor within the past five years. The social services official in the district in which the participant is placed shall determine whether there is a pattern of convictions or violations sufficient to render the potential employer ineligible. Employers who submit false information under this section shall be subject to criminal prosecution for filing a false instrument.

§ 2. This act shall take effect immediately.

SUBPART I

Section 1. Subdivision 9 of section 394 of the vehicle and traffic law, as separately renumbered by chapters 300 and 464 of the laws of 1960, is amended to read as follows:

9. Employees. [No licensee shall knowingly employ, in connection with a driving school in any capacity whatsoever, any person who has been convicted of a felony, or of any crime involving violence, dishonesty, deceit, indecency, degeneracy or moral turpitude] A licensee may not employ, in connection with a driving school in any capacity whatsoever, a person who has been convicted of a crime, if, after considering the factors set forth in article twenty-three-A of the correction law, the licensee determines that there is a direct relationship between the conviction and employment in the driving school, or that employment would constitute an unreasonable risk to property or to the safety of students, customers, or employees of the driving school, or to the general public.

§ 2. This act shall take effect immediately.
Section 1. Legislative findings. This Subpart will remove an overbroad mandatory suspension of drivers' licenses for six months for people convicted of state and federal drug crimes, that is unnecessary to protect the safety of New York roads, as the vehicle and traffic law has other provisions to suspend licenses when drug use has impaired safe driving. The mandatory suspension, and the fees associated with lifting it, interferes with the ability of people convicted of drug crimes to work, attend treatment and otherwise live productive lives, all of which are necessary for their rehabilitation. At any given time, about 8,000 New Yorkers have their licenses suspended because of non-driving related drug convictions. This mandatory suspension was instituted in response to federal law requiring states to either suspend the licenses of people convicted of drug offenses, or pass a resolution expressing opposition to the bill, or lose eight percent of federal highway funding. Concurrent with this bill, Resolution ___ is being presented to the legislature for their action; the Resolution contains the required statement of opposition to mandatory suspension of driver's licenses for people convicted of drug crimes in order for New York's federal funding for highways to be maintained. By passing the Resolution and removing the mandatory suspension, New York will join 40 other states who have taken this action.

§ 2. Subparagraphs (v), (vi) and (vii) of paragraph b of subdivision 2 of section 510 of the vehicle and traffic law are REPEALED.

§ 3. This act shall take effect immediately.

Section 1. Legislative findings. The legislature finds that law enforcement booking information and photographs, otherwise known as "mugshots," are published on the internet and other public platforms with impunity. An individual's mugshot is displayed publicly even if the arrest does not lead to a conviction, or the conviction is later expunged, sealed, or pardoned. This practice presents an unacceptable invasion of the individual's personal privacy. While there is a well-established Constitutional right for the press and the public to publish government records which are in the public domain or that have been lawfully accessed, arrest and booking information have not been found by courts to have the same public right of access as criminal court proceedings or court filings. Therefore, each state can set access to this information through its Freedom of Information laws. The federal government has already limited access to booking photographs through privacy formulations in its Freedom of Information Act, and the legislature hereby declares that New York will follow the same principle to protect its residents from this unwarranted invasion of personal privacy, absent a specific law enforcement purpose, such as disclosure of a photograph to alert victims or witnesses to come forward to aid in a criminal investigation.

§ 2. Paragraph (b) of subdivision 2 of section 89 of the public officers law, as amended by section 11 of part U of chapter 61 of the laws of 2011, is amended to read as follows:

(b) An unwarranted invasion of personal privacy includes, but shall not be limited to:

i. disclosure of employment, medical or credit histories or personal references of applicants for employment;
ii. disclosure of items involving the medical or personal records of a client or patient in a medical facility;

iii. sale or release of lists of names and addresses if such lists would be used for solicitation or fund-raising purposes;

iv. disclosure of information of a personal nature when disclosure would result in economic or personal hardship to the subject party and such information is not relevant to the work of the agency requesting or maintaining it;

v. disclosure of information of a personal nature reported in confidence to an agency and not relevant to the ordinary work of such agency;

vi. information of a personal nature contained in a workers' compensation record, except as provided by section one hundred ten-a of the workers' compensation law; [●●]

vii. disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law; or

viii. disclosure of law enforcement booking information about an individual, including booking photographs, unless public release of such information will serve a specific law enforcement purpose and disclosure is not precluded by any state or federal laws.

§ 3. This act shall take effect immediately.

SUBPART L

Section 1. The executive law is amended by adding a new section 845-c to read as follows:

§ 845-c. Criminal history record searches; undisposed cases. 1. When, pursuant to statute or the regulations of the division, the division conducts a search of its criminal history records and returns a report thereon, all references to undisposed cases contained in such criminal history record shall be excluded from such report.

2. For purposes of this section, "undisposed case" shall mean a criminal action or proceeding identified in the division's criminal history record repository, for which there is no record of an unexecuted warrant of arrest, superior court warrant of arrest, or bench warrant, and for which there is no record of conviction or imposition of sentence or other final disposition, other than the issuance of an apparently unexecuted warrant, has been recorded and with respect to which no entry has been made in the division's criminal history records for a period of at least five years preceding the issuance of such report. When a criminal action in the division's criminal history record repository becomes an undisposed case pursuant to this section, the division shall notify the district attorney in the county which has jurisdiction. If the district attorney notifies the division that such case is pending and should not meet the definition of an undisposed case, the case shall not be excluded from such report.

3. The provisions of subdivision one of this section shall not apply to criminal history record information: (a) provided by the division to qualified agencies pursuant to subdivision six of section eight hundred thirty-seven of this article, or to federal or state law enforcement agencies, for criminal justice purposes; (b) prepared solely for a bona fide research purpose; or (c) prepared for the internal record keeping or case management purposes of the division.

§ 2. Subdivision 2 of section 212 of the judiciary law is amended by adding a new paragraph (x) to read as follows:
(x) Take such actions and adopt such measures as may be necessary to ensure that no written or electronic report of a criminal history record search conducted by the office of court administration, other than a search conducted solely for the internal recordkeeping or case management purposes of the judiciary or for a bona fide research purpose, contains information relating to an undisposed case. For purposes of this paragraph, "undisposed case" shall mean a criminal action or proceeding, or an arrest incident, appearing in the criminal history records of the office of court administration for which no conviction, imposition of sentence, order of removal or other final disposition, other than the issuance of an apparently unexecuted warrant, has been recorded and with respect to which no entry has been made in such records for a period of at least five years preceding the issuance of such report. Nothing contained in this paragraph shall be deemed to permit or require the release, disclosure or other dissemination by the office of court administration of criminal history record information that has been sealed in accordance with law.

§ 3. This act shall take effect on the one hundred eightieth day after it shall have become a law and shall apply to searches of criminal history records conducted on or after such date. Prior to such effective date, the division of criminal justice services, in consultation with the state administrator of the unified court system as well as any other public or private agency, shall undertake such measures as may be necessary and appropriate to update its criminal history records with respect to criminal cases and arrest incidents for which no final disposition has been reported.

SUBPART M

Section 1. The commissioner of the division of criminal justice services is authorized to direct that records of any action or proceeding terminated in favor of the accused, as defined by section 160.50 of the criminal procedure law, on or after September 1, 1976 and before November 1, 1991 maintained by the division of criminal justice services be sealed in the manner provided for by section 160.50 of the criminal procedure law. The commissioner of the division of criminal justice services is further authorized to direct that records of any action or proceeding terminated by a conviction for a traffic infraction or a violation, other than a violation of loitering as described in paragraph (d) or (e) of subdivision 1 of section 160.50 of the criminal procedure law or the violation of operating a motor vehicle while ability impaired as described in subdivision one of section 1192 of the vehicle and traffic law on or after September 1, 1980 and before November 1, 1991 maintained by the division of criminal justice services be sealed in the manner provided for by section 160.55 of the criminal procedure law.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law.

SUBPART N

Section 1. The executive law is amended by adding a new section 845-d to read as follows:

§ 845-d. Criminal record searches; arrest charges without corresponding convictions or violations. 1. When, pursuant to statute or the regulations of the division, the division conducts a search of its criminal history records and returns a report thereon, in arrest cycles that
result in at least one conviction or violation, all arrest and arraign-
ment charges in that cycle that do not result in a corresponding
conviction shall be excluded from such report.
2. For purposes of this section, "corresponding conviction" shall mean
a conviction or violation charge that matches one or more of the arrest
or arraignment charges.
3. The provisions of subdivision one of this section shall not apply
to criminal history records: (a) provided by the division to qualified
agencies pursuant to subdivision six of section eight hundred thirty-
seven of this article, or to federal or state law enforcement agencies,
for criminal justice purposes; (b) prepared solely for a bona fide
research purpose; or (c) prepared for the internal record keeping or
case management purposes of the division.
§ 2. Subdivision 2 of section 212 of the judiciary law is amended by
adding a new paragraph (y) to read as follows:
(y) Take such actions and adopt such measures as may be necessary to
ensure that no written or electronic report of a criminal history record
search conducted by the office of court administration that contains an
arrest cycle and a criminal conviction or violation resulting from that
arrest, other than a search conducted for the internal recordkeeping or
case management purposes of the judiciary, or produced to the court, the
people, and defense counsel in a criminal proceeding, or for a bona fide
research purpose, contains information relating to arrest and arraign-
ment charges that do not result in a corresponding conviction. For
purposes of this section, "corresponding conviction" shall mean a
conviction or violation charge that matches one or more of the arrest or
arraignment charges.
§ 3. This act shall take effect immediately.

SUBPART O

Section 1. This Subpart amends the human rights law to specify that
considering arrests that are followed by an order adjourning the crimi-
unal action in contemplation of dismissal, which adjournments are not
convictions or admissions of guilt under section 170.55 of the criminal
procedure law, is an unlawful discriminatory practice for civil
purposes. This Subpart amends the human rights law to clarify as well
that adjourning the criminal action in contemplation of dismissal is not
a pending arrest for purposes of this Subpart, unless the case has been
restored to the calendar. This Subpart also amends the same section of
the law to add housing and volunteer positions to employment and licens-
ing to the civil purposes for which past arrest information that did not
result in a conviction or violation can be used.
§ 2. Subdivision 16 of section 296 of the executive law, as amended by
section 48-a of part WWW of chapter 59 of the laws of 2017, is amended
to read as follows:
16. It shall be an unlawful discriminatory practice, unless specif-
ically required or permitted by statute, for any person, agency, bureau,
corporation or association, including the state and any political subdi-
vision thereof, to make any inquiry about, whether in any form of appli-
cation or otherwise, or to act upon adversely to the individual
involved, any arrest or criminal accusation of such individual not then
pending against that individual which was followed by a termination of
that criminal action or proceeding in favor of such individual, as
defined in subdivision two of section 160.50 of the criminal procedure
law, or by an order adjourning the criminal action in contemplation of
dismissal, pursuant to section 170.55, 170.56, 210.46, 210.47, or 215.10
of the criminal procedure law, or by a youthful offender adjudication,
as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law or by a conviction which is sealed pursuant to section 160.59 or 160.58 of the criminal procedure law, in
connection with the licensing, housing, employment, including volunteer positions, or providing of credit or insurance to such individual; provided, further, that no person shall be required to divulge information pertaining to any arrest or criminal accusation of such individual not then pending against that individual which was followed by a termination of that criminal action or proceeding in favor of such individual, as defined in subdivision two of section 160.50 of the criminal procedure law, or by an order adjourning the criminal action in contemplation of dismissal, pursuant to section 170.55 or 170.56 of the criminal procedure law, or by a youthful offender adjudication, as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law, or by a conviction which is sealed pursuant to section 160.58 or 160.59 of the criminal procedure law. The provisions of this subdivision shall not apply to the licensing activities of governmental bodies in relation to the regulation of guns, firearms and other deadly weapons or in relation to an application for employment as a police officer or peace officer as those terms are defined in subdivisions thirty-three and thirty-four of section 1.20 of the criminal procedure law; provided further that the provisions of this subdivision shall not apply to an application for employment or membership in any law enforcement agency with respect to any arrest or criminal accusation which was followed by a youthful offender adjudication, as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law, or by a conviction which is sealed pursuant to section 160.58 or 160.59 of the criminal procedure law. For purposes of this subdivision, an action which has been adjourned in contemplation of dismissal, pursuant to section 170.55 or 170.56 of the criminal procedure law, shall not be considered a pending action, unless the case has been restored to the calendar.

§ 3. This act shall take effect on the ninetieth day after it shall have become a law.

SUBPART P

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Subparts A through P of this act shall be as specifically set forth in the last section of such Subparts.
Section 1. Section 60.05 of the penal law is amended by adding a new subdivision 8 to read as follows:

8. Shock incarceration participation. (a) When the court imposes a determinate sentence of imprisonment pursuant to subdivision three of section 70.02 of this chapter or subdivision six of section 70.06 of this chapter upon a person who stands convicted either of burglary in the second degree as defined in subdivision two of section 140.25 of this chapter or robbery in the second degree as defined in subdivision one of section 160.10 of this chapter, or an attempt thereof, upon motion of the defendant, the court may issue an order directing that the department of corrections and community supervision enroll the defendant in the shock incarceration program as defined in article twenty-six-A of the correction law, provided that the defendant is an eligible inmate, as described in subdivision one of section eight hundred sixty-five of the correction law. Notwithstanding the foregoing provisions of this subdivision, any defendant to be enrolled in such program pursuant to this subdivision shall be governed by the same rules and regulations promulgated by the department of corrections and community supervision, including without limitation those rules and regulations establishing requirements for completion and such rules and regulations governing discipline and removal from the program.

(b) Paragraph (b) of subdivision seven of section 60.04 of this article shall apply in the event an inmate designated by court order for enrollment in the shock incarceration program requires a degree of medical care or mental health care that cannot be provided at a shock incarceration facility.

§ 2. Subdivision 1 of section 865 of the correction law, as amended by chapter 377 of the laws of 2010, is amended to read as follows:

Section 1. The opening paragraph and paragraph (a) of subdivision 1 of section 1311 of the civil practice law and rules, the opening paragraph as amended by chapter 655 of the laws of 1990 and paragraph (a) as added by chapter 669 of the laws of 1984, are amended to read as follows:

A civil action may be commenced by the appropriate claiming authority against a criminal defendant to recover the property which constitutes the proceeds of a crime, the substituted proceeds of a crime, an instrumentality of a crime or the real property instrumentality of a crime or to recover a money judgment in an amount equivalent in value to the property which constitutes the proceeds of a crime, the substituted proceeds of a crime, an instrumentality of a crime or the real property instrumentality of a crime. A civil action may be commenced against a non-criminal defendant to recover the property which constitutes the proceeds of a crime, the substituted proceeds of a crime, an instrumentality of a crime, or the real property instrumentality of a crime provided, however, that a judgment of forfeiture predicated upon clause (A) of subparagraph (iv) of paragraph (b) of subdivision three of this section shall be limited to the amount of the proceeds of the crime. Any action under this article must be commenced within five years of the commission of the crime and shall be civil, remedial, and in personam in nature and shall not be deemed to be a penalty or criminal forfeiture for any purpose. Except as otherwise specially provided by statute, the proceedings under this article shall be governed by this chapter. An action under this article is not a criminal proceeding and may not be deemed to be a previous prosecution under article forty of the criminal procedure law.

(a) Actions relating to post-conviction forfeiture crimes. An action relating to a post-conviction forfeiture crime must be grounded upon a conviction of a felony defined in subdivision five of section one thousand three hundred ten of this article, or upon criminal activity arising from a common scheme or plan of which such a conviction is a part, or upon a count of an indictment or information alleging a felony which
was dismissed at the time of a plea of guilty to a felony in satisfaction of such count. A court may not grant forfeiture until such conviction has occurred. However, an action may be commenced, and a court may grant a provisional remedy provided under this article, prior to such conviction having occurred. An action under this paragraph must be dismissed at any time after sixty days of the commencement of the action unless the conviction upon which the action is grounded has occurred, or an indictment or information upon which the asserted conviction is to be based is pending in a superior court. An action under this paragraph shall be stayed during the pendency of a criminal action which is related to it; provided, however, that such stay shall not prevent the granting or continuance of any provisional remedy provided under this article or any other provisions of law.

§ 2. The civil practice law and rules is amended by adding a new section 1311-b to read as follows:

§ 1311-b. Money judgment. If a claiming authority obtains a forfeiture judgment against a defendant for the proceeds, substituted proceeds, instrumentality of a crime or real property instrumentality of a crime, but is unable to locate all or part of any such property, the claiming authority may apply to the court for a money judgment against the defendant in the amount of the value of the forfeited property that cannot be located. The defendant shall have the right to challenge the valuation of any property that is the basis for such an application. The claiming authority shall have the burden of establishing the value of the property under this section by a preponderance of the evidence.

§ 3. Subdivisions 1, 3 and 4 of section 1312 of the civil practice law and rules, subdivision 1 as added by chapter 669 of the laws of 1984, subdivision 3 as amended and subdivision 4 as added by chapter 655 of the laws of 1990, are amended to read as follows:

1. The provisional remedies of attachment, injunction, receivership and notice of pendency provided for herein, shall be available in all actions to recover property [or for a money judgment] under this article.

3. A court may grant an application for a provisional remedy when it determines that: (a) there is a substantial probability that the claiming authority will be able to demonstrate at trial that the property is the proceeds, substituted proceeds, instrumentality of the crime or real property instrumentality of the crime, that the claiming authority will prevail on the issue of forfeiture and that failure to enter the order, may result in the property being destroyed, removed from the jurisdiction of the court, or otherwise be unavailable for forfeiture; (b) the need to preserve the availability of the property through the entry of the requested order outweighs the hardship on any party against whom the order may operate; and (c) in an action relating to real property, that entry of the requested order will not substantially diminish, impair, or terminate the lawful property interest in such real property of any person or persons other than the defendant or defendants.

4. Upon motion of any party against whom a provisional remedy granted pursuant to this article is in effect, the court may issue an order modifying or vacating such provisional remedy if necessary to permit the moving party to obtain funds for the payment of reasonable living expenses, other costs or expenses related to the maintenance, operation, or preservation of property which is the subject of any such provisional remedy or reasonable and bona fide attorneys' fees and expenses for the representation of the defendant in the forfeiture proceeding or in a related criminal matter relating thereto, payment for which is not
otherwise available from assets of the defendant which are not subject to such provisional remedy. Any such motion shall be supported by an affidavit establishing the unavailability of other assets of the moving party which are not the subject of such provisional remedy for payment of such expenses or fees. **That funds sought to be released under this subdivision are alleged to be the proceeds, substituted proceeds, instrumentality of a crime or real property instrumentality of a crime shall not be a factor for the court in considering and determining a motion made pursuant to this subdivision.**

§ 4. The opening paragraph of subdivision 2 of section 1349 of the civil practice law and rules, as added by chapter 655 of the laws of 1990, is amended to read as follows:

If any other provision of law expressly governs the manner of disposition of property subject to the judgment or order of forfeiture, that provision of law shall be controlling, **with the exception that, notwithstanding the provisions of any other law, all forfeited monies and proceeds from forfeited property shall be deposited into and disbursed from an asset forfeiture escrow fund established pursuant to section six-v of the general municipal law, which shall govern the maintenance of such monies and proceeds from forfeited property.** Upon application by a claiming agent for reimbursement of moneys directly expended by a claiming agent in the underlying criminal investigation for the purchase of contraband which were converted into a non-monetary form or which have not been otherwise recovered, the court shall direct such reimbursement from money forfeited pursuant to this article. Upon application of the claiming agent, the court may direct that any vehicles, vessels or aircraft forfeited pursuant to this article be retained by the claiming agent for law enforcement purposes, unless the court determines that such property is subject to a perfected lien, in which case the court may not direct that the property be retained unless all such liens on the property to be retained have been satisfied or pursuant to the court's order will be satisfied. In the absence of an application by the claiming agent, the claiming authority may apply to the court to retain such property for law enforcement purposes. Upon such application, the court may direct that such property be retained by the claiming authority for law enforcement purposes, unless the court determines that such property is subject to a perfected lien. If not so retained, the judgment or order shall direct the claiming authority to sell the property in accordance with article fifty-one of this chapter, and that the proceeds of such sale and any other moneys realized as a consequence of any forfeiture pursuant to this article **shall be deposited to an asset forfeiture escrow fund established pursuant to section six-v of the general municipal law and shall be apportioned and paid in the following descending order of priority:**

§ 5. Section 1349 of the civil practice law and rules is amended by adding a new subdivision 5 to read as follows:

**5. Monies and proceeds from the sale of property realized as a consequence of any forfeiture distributed to the claiming agent or claiming authority of any county, town, city, or village of which the claiming agent or claiming authority is a part, shall be deposited to an asset forfeiture escrow fund established pursuant to section six-v of the general municipal law.**

§ 6. Subdivision 2 of section 700 of the county law is amended to read as follows:

2. Within thirty days after the receipt of any fine, penalty, recovery upon any recognizance, **monies and proceeds from the sale of property**
realized as a consequence of any forfeiture, or other money belonging to
the county, the district attorney or the claiming authority shall pay
the same to the county treasurer. Not later than the first day of Febru-
ary in each year, the district attorney shall make in duplicate a veri-
fied true statement of all such moneys received and paid to the county
treasurer during the preceding calendar year and at that time shall pay
to the county treasurer any balance due. One statement shall be
furnished to the county treasurer and the other to the claiming authority and one to the state comptroller. A district attorney who is not re-elected shall make and file the verified state-
ment and pay any balance of such moneys to the county treasurer within
thirty days after the expiration of his term.
§ 7. The general municipal law is amended by adding a new section 6-v
to read as follows:
§ 6-v. Asset forfeiture escrow fund. 1. As used in this section:
   a. The term "governing board", insofar as it is used in reference to a
      village, shall mean the board of trustees thereof; insofar as it is used
      in reference to a town, shall mean the town board thereof; insofar as it
      is used in reference to a county, shall mean the board of supervisors or
      the county legislature thereof, as applicable; insofar as it is used in
      reference to a city, shall mean the "legislative body" thereof, as that
term is defined in subdivision seven of section two of the municipal
      home rule law.
   b. The term "chief fiscal officer" shall mean:
      (i) In the case of counties operating under (1) an alternative form of
      county government or charter enacted as a state statute or adopted under
      the alternative county government law or by local law, the official
      designated in such statute, consolidated law or local law as the chief
      fiscal officer, or, if no such designation is made therein, the official
      possessing powers and duties similar to those of a county treasurer
      under the county law as shall be designated by local law.
      (2) In the case of counties not operating under an alternative form of
      county government or charter enacted as a state statute or adopted under
      the alternative county government law or by local law, the treasurer,
      except that, in the case of counties having a comptroller, it shall mean
      the comptroller.
      (ii) In the case of cities, the comptroller; if a city does not have a
      comptroller, the treasurer; if a city has neither a comptroller nor a
      treasurer, such official possessing powers and duties similar to those
      of a city treasurer as the finance board shall, by resolution, desig-
      nate. A certified copy of such designation shall be filed with the state
      comptroller and shall be a public record.
      (iii) In the case of towns, the town supervisor; if a town has more
      than one supervisor, the presiding supervisor.
      (iv) In the case of villages, the village treasurer.
   c. The term "claiming authority" shall mean the district attorney
      having jurisdiction over the offense or the attorney general for purpose
      of those crimes for which the attorney general has criminal jurisdiction
      in a case where the underlying criminal charge has been, is being or
      could have been brought by the attorney general, or the appropriate
      corporation counsel or county attorney, where such corporation counsel
      or county attorney may act as a claiming authority only with the consent
      of the district attorney or the attorney general, as appropriate.
   d. The term "claiming agent" shall mean and shall include all persons
described in subdivision thirty-four of section 1.20 of the criminal
procedure law, and sheriffs, undersheriffs and deputy sheriffs of coun-
ties within the city of New York.

2. The governing board shall authorize the establishment of an asset
forfeiture escrow fund for any claiming agent or claiming authority as
is deemed necessary for the monies and proceeds of sale of property
realized as a consequence of any forfeiture. The separate identity of
such fund shall be maintained.

3. There shall be paid into the asset forfeiture escrow fund all
proceeds realized as a consequence of any forfeiture action. Such funds
shall include, but are not limited to, all funds and any property (real,
personal, tangible and/or intangible) that are forfeited pursuant to
agreement or otherwise prior to, in lieu of or after the lodging of
criminal charges, pre-indictment, post-indictment, or after conviction
by plea or trial. Such funds shall also include funds that are forfeited
in compromise of charges that are never brought.

4. The monies and proceeds in the asset forfeiture escrow fund shall
be deposited and secured in the manner provided by section ten of this
article. All monies and proceeds so deposited in such fund shall be
kept in a separate bank account. The chief fiscal officer may invest the
moneys in such fund in the manner provided in section eleven of this
article. Any interest earned or capital gains realized on the moneys so
deposited or invested shall accrue to and become part of such fund. The
separate identity of such fund shall be maintained, whether its assets
consist of cash, investments, or both.

5. Every claim for the payment of money from the asset forfeiture
escrow fund shall specify the purpose of the requested payment and must
be accompanied by a written certification that the expenditure is in
compliance with all applicable laws. Payments from such fund shall be
made by the chief fiscal officer subject to the required certification
and the determination of fund sufficiency.

6. The chief fiscal officer, at the termination of each fiscal year,
shall render a detailed report of the operation and condition of the
asset forfeiture escrow fund to the governing board and the state comp-
troller. Such report shall be subject to examination and audit. The
chief fiscal officer may account for such fund separate and apart from
all other funds of the village, town, county, and city.

§ 8. Section 1352 of the civil practice law and rules, as added by
chapter 669 of the laws of 1984, is amended to read as follows:

§ 1352. Preservation of other rights and remedies. The remedies
provided for in this article are not intended to substitute for or limit
or [supersede] supersede the lawful authority of any public officer or
agency or other person to enforce any other right or remedy provided for
by law. The exercise of such lawful authority in the forfeiture of prop-
erty alleged to be the proceeds, substitute proceeds, instrumentality of
a crime or real property instrumentality of crime must include the
provision of a prompt opportunity to be heard for the owner of seized
property in order to ensure the legitimacy and the necessity of its
continued retention by law enforcement, as well as clear notice of dead-
lines for accomplishing the return of such property.

§ 9. Subdivision 11 of section 1311 of the civil practice law and
rules is amended by adding a new paragraph (d) to read as follows:

(d) Any stipulation, settlement agreement, judgement, order or affida-
vit required to be given to the state division of criminal justice
services pursuant to this subdivision shall include the defendant’s name
and such other demographic data as required by the state division of
criminal justice services.
§ 10. Subdivision 6 of section 220.50 of the criminal procedure law, as added by chapter 655 of the laws of 1990, is amended to read as follows:

6. Where the defendant consents to a plea of guilty to the indictment, or part of the indictment, or consents to be prosecuted by superior court information as set forth in section 195.20 of this chapter, and if the defendant and prosecutor agree that as a condition of the plea or the superior court information certain property shall be forfeited by the defendant, the description and present estimated monetary value of the property shall be stated in court by the prosecutor at the time of plea. Within thirty days of the acceptance of the plea or superior court information by the court, the prosecutor shall send to the commissioner of the division of criminal justice services a document containing the name of the defendant, the description and present estimated monetary value of the property, any other demographic data as required by the division of criminal justice services and the date the plea or superior court information was accepted. Any property forfeited by the defendant as a condition to a plea of guilty to an indictment, or a part thereof, or to a superior court information, shall be disposed of in accordance with the provisions of section thirteen hundred forty-nine of the civil practice law and rules.

§ 11. Subdivision 4 of section 480.10 of the penal law, as added by chapter 655 of the laws of 1990, is amended to read as follows:

4. The prosecutor shall promptly file a copy of the special forfeiture information, including the terms thereof, with the state division of criminal justice services and with the local agency responsible for criminal justice planning. Failure to file such information shall not be grounds for any relief under this chapter. The prosecutor shall also report such demographic data as required by the state division of criminal justice services when filing a copy of the special forfeiture information with the state division of criminal justice services.

§ 12. This act shall take effect on the one hundred eightieth day after it shall have become a law and shall apply to crimes which were committed on or after such date.

Section 1. The executive law is amended by adding a new section 63-e to read as follows:

§ 63-e. Office of special investigation. 1. There is established within the office of the attorney general an office of special investigation. Notwithstanding any other provision of this article, the office of special investigation shall investigate any incident in which the death of a civilian is caused by a police officer, as defined in subdivision thirty-four of section 1.20 of the criminal procedure law, while engaged in law enforcement activity, whether or not formally on duty, or in which the attorney general determines there is a significant question as to whether the death was in fact caused by the police officer or whether the police officer was in fact engaged in law enforcement activity. Where an investigation required under this section involves the state police, the attorney general shall appoint an independent special prosecutor, who shall not be a state employee.
2. Unless the attorney general determines that there is a significant question as to whether the following circumstances are present, the office of special investigation shall not have investigative authority or criminal jurisdiction if at the time of his or her death, the civilian (i) was using, attempting to use, brandishing, or openly carrying a firearm, rifle, shotgun, or machine gun, loaded or unloaded, operable or inoperable, or (ii) was using or attempting to use or reasonably threatening to use an instrumentality readily capable of causing serious physical injury in a manner likely to cause imminent physical injury to another person.

3. The attorney general has investigative authority and criminal jurisdiction under this section at the time of the death of the civilian and he or she retains investigative authority and criminal jurisdiction over the incident unless he or she determines that such incident does not meet the requirements of this section. If the attorney general determines the incident does not meet the requirements for the attorney general to have investigative authority and criminal jurisdiction pursuant to this section, the attorney general shall, as soon as practicable, provide written notice of his or her determination to the district attorney for the county in which the incident occurred.

4. In connection with any particular incident encompassed by this section, the attorney general shall be empowered to subpoena witnesses, compel their attendance, examine them under oath before himself or herself or a magistrate and require that any books, records, documents or papers relevant or material to the inquiry be turned over to him or her for inspection, examination or audit, pursuant to the civil practice law and rules, in connection with such incident. If a person subpoenaed to attend upon such inquiry fails to obey the command of a subpoena without reasonable cause, or if a person in attendance upon such inquiry, without reasonable cause, refuses to be sworn or to be examined or to answer a question or to produce a book or paper, when ordered to do so by the office of special investigation conducting such inquiry, he or she shall be guilty of a misdemeanor.

5. The attorney general shall have criminal jurisdiction over any criminal conduct arising from any incident herein, and shall exercise all of the powers and perform all of the duties with respect to such actions or proceedings that a district attorney would otherwise be authorized or required to exercise or perform, including all the powers necessary to prosecute acts and omissions and alleged acts and omissions to obstruct, hinder or interfere with any inquiry, prosecution, trial or judgement arising from the incident. The criminal jurisdiction of the office of special investigation shall displace and supersede the jurisdiction of the district attorney where the incident occurred; and such district attorney shall only have the powers and duties reserved to him or her in writing by the attorney general.

6. The attorney general shall designate a deputy attorney general for special investigation to exercise the powers and duties of the office of special investigation. The deputy attorney general may designate deputies or assistants as necessary and appropriate. The deputy attorney general for special investigation may appear in person or by his or her deputy or assistant before any court or grand jury in connection with proceedings under this section.

7. For any incident under this section, the office of special investigation shall issue a public report and post the report on its website whenever (i) the office of special investigation declines to present evidence to a grand jury or (ii) the office of special investigation

Serious bodily injury is defined as bodily injury that involves a substantial risk of death, unconsciousness, protracted and obvious disfigurement, or protracted loss of impairment of the function of a bodily member, organ or mental faculty.

§ 2. Subdivision 4 of section 840 of the executive law is amended by adding a new paragraph (d) to read as follows:

(d) Establish a model law enforcement use of force policy suitable for adoption by any law enforcement agency throughout the state. The use of force policy shall include, but not be limited to, information on current law as it relates to use of force and acts or techniques a police officer or peace officer may not use in the course of acting in his or her official capacity. The chief of every local police department, each county sheriff, and the superintendent of state police shall implement a use of force policy. The use of force policy should be consistent with the model law enforcement policy as required by this section except that a department shall not be limited from imposing further restrictions on the use of force.

§ 4. This act shall take effect immediately.

Section 1. Section 92-d of the general municipal law, as added by chapter 273 of the laws of 2017, is amended to read as follows:

§ 92-d. Sick leave for officers and employees with a qualifying World Trade Center condition. (a) Notwithstanding any other law, rule or regulation to the contrary, officers and employees of the state, a public authority or any municipal corporation outside of a city with a population of one million or more who filed a notice of participation in
World Trade Center rescue, recovery or cleanup operations and subsequently develop a qualifying World Trade Center condition, as defined in section two of the retirement and social security law, while employed by the state, a public authority or such municipal corporation or public authority shall be granted line of duty sick leave commencing on the date that such employee was diagnosed with a qualifying World Trade Center condition regardless of whether such officer or employee was employed by his or her current employer at the time that such officer or employee participated in World Trade Center rescue, recovery or cleanup operations. The officer or employee shall be compensated at his or her regular rate of pay for those regular work hours during which the officer or employee is absent from work due to his or her qualifying World Trade Center condition. Such leave shall be provided without loss of an officer or employee's accrued sick leave.

(b) A public employer shall not take any adverse personnel action against a public employee regarding the employee's employment because either (1) the employee utilizes, or requests to utilize, sick leave or any other available leave due to a qualifying World Trade Center condition, as such term is defined in section two of the retirement and social security law, or (2) the employee utilizes or requests to utilize line of duty sick leave provided by this section.

(c) For purposes of this section, an "adverse personnel action" means any discipline, including issuing a notice of discipline, discharge, suspension, demotion, penalization, or discrimination against an employee utilizing line of duty sick leave pursuant to subdivision (a) of this section.

§ 2. Section 2 of chapter 273 of the laws of 2017, amending the general municipal law relating to granting sick leave for officers and employees with a qualifying World Trade Center condition, is amended to read as follows:

§ 2. The state shall reimburse any public authority or municipal corporation [of less than] other than a city with a population of one million people for the cost of any line duty sick leave granted pursuant to this act.

§ 3. This act shall take effect immediately and shall be deemed to have been in full force and effect on the same date as chapter 273 of the laws of 2017, took effect; and provided that this act shall apply to all claims for reimbursement filed pursuant to section 92-d of the general municipal law, as amended by this act.

PART XX

Section 1. Legislative intent. The legislature hereby finds and declares that it is in the public interest to enact a cost benefit review process when a state agency enters into contracts for personal services. New York State spends over $3.5 billion annually on personal service contracts, over $840 million more than the State spent on these contracts in SFY 2003-04, a 32% increase. Despite an Executive Order that has implemented a post contract review process for some personal service contracts the cost of those contracts continues to escalate every year well above the inflation rate. In addition the State Finance Law does not require state agencies to compare the cost or quality of personal services to be provided by consultants with the cost or quality of providing the same services by the state employees. Numerous audits by the Office of State Comptroller as well as a KPMG study commissioned by the department of transportation have found that consultants hired
under personal service contracts can cost between fifty percent and seventy-five percent more than state employees that do the exact same work including the cost of state employee benefits. The Contract Disclosure Law (Chapter 10 of the laws of 2006) required consultants who provide personal services to file forms for each contract that outline how many consultants they hired, what titles they employed them in and how much they paid them. A review of these forms show that the average consultant makes about fifty percent more than state employees doing comparable work. It is in the public interest for state agencies to compare the cost of doing work by consultants with the cost of doing the same work with state employees as well as document whether or not that such work can be done by state employees. If state government is to be smarter, more efficient, and transparent then a cost benefit analysis process that makes its findings public should be required by law.

§ 2. Section 163 of the state finance law is amended by adding a new subdivision 16 to read as follows:

16. Consultant services. a. Before a state agency enters into a contract for consultant services which is anticipated to cost more than seven hundred fifty thousand dollars in a twelve month period the state agency shall conduct a cost comparison review to determine whether the services to be provided by the consultant can be performed at equal or lower cost by utilizing state employees, unless the contract meets one of the exceptions set forth in paragraph g of this subdivision. As used in this section, the term "consultant services" shall mean any contract entered into by a state agency for analysis, evaluation, research, training, data processing, computer programming, the design, development and implementation of technology, communications or telecommunications systems or the infrastructure pertaining thereto, including hardware and software, engineering including inspection and professional design services, health services, mental health services, accounting, auditing, or similar services and such services that are substantially similar to and in lieu of services provided, in whole or in part, by state employees, but shall not include legal services or services in connection with litigation including expert witnesses and shall not include contracts for construction of public works. For purposes of this subdivision, the costs of performing the services by state employees shall include any salary, pension costs, all other benefit costs, costs that are required for equipment, facilities and all other overhead. The costs of consultant services shall include the total cost of the contract including costs that are required for equipment, facilities and all other overhead and any continuing state costs directly associated with a contractor providing a contracted function including, but not limited to, those costs for inspection, supervision, monitoring of the contractor's work and any pro rata share of existing costs or expenses, including administrative salaries and benefits, rent, equipment costs, utilities and materials. The cost comparison shall be expressed where feasible as an hourly rate, or where such a calculation is not feasible, as a total estimated cost for the anticipated term of the contract.

b. Prior to entering any consultation services contract for the privatization of a state service that is not currently privatized, the state agency shall develop a cost comparison review in accordance with the provisions of paragraph a of this subdivision.

c. (i) If such cost comparison review identifies a cost savings to the state of ten percent or more, and such consultant services contract will not diminish the quality of such service, the state agency shall develop a business plan, in accordance with the provisions of paragraph d of
this subdivision, in order to evaluate the feasibility of entering any such contract and to identify the potential results, effectiveness and efficiency of such contract.

(ii) If such cost comparison review identifies a cost savings of less than ten percent to the state and such consultant services contract will not diminish the quality of such service, the state agency may develop a business plan, in order to evaluate the feasibility of entering any such contract and to identify the potential results, effectiveness and efficiency of such contract, provided there is a significant public policy reason to enter into such consultant services contract.

(iii) If any such proposed consultant services contract would result in the layoff, transfer or reassignment of fifty or more state agency employees, after consulting with the potentially affected bargaining units, if any, the state agency shall notify the state employees of such bargaining unit, after such cost comparison review is completed. Such state agency shall provide an opportunity for said employees to reduce the costs of conducting the operations to be privatized and provide reasonable resources for the purpose of encouraging and assisting such state employees to organize and submit a bid to provide the services that are the subject of the potential consultant services contact.

d.
