29 equity plan for any such school year has not submitted an equity plan
30 pursuant to this subdivision that has been approved by the commissioner
31 by September first of the school year, notwithstanding subdivision two
32 of this section, the commissioner shall develop such plan for the school

b. The claim for an apportionment to be paid to a school district

due the district pursuant to paragraph b of such subdivision shall be
deducted on a chronological basis starting with the earliest payment due

§ 50. Notwithstanding the provision of any law, rule, or regulation to
the contrary, the city school district of the city of Rochester, upon

b. Notwithstanding any inconsistent provision of law to the contrary, a school district setting aside such foundation aid pursuant to this section may use such setaside funds for: (i) any instructional or instructional support costs associated with the operation of a magnet school; or (ii) any instructional or instructional support costs associated with implementation of an alternative approach to promote diversity and/or enhancement of the instructional program and raising of standards in elementary and secondary schools of school districts having substantial concentrations of minority students.

c. The commissioner of education shall not be authorized to withhold foundation aid from a school district that used such funds in accordance with this paragraph, notwithstanding any inconsistency with a request for proposals issued by such commissioner for the purpose of attendance improvement and dropout prevention for the 2019--2020 school year, and for any city school district in a city having a population of more than one million, the setaside for attendance improvement and dropout prevention shall equal the amount set aside in the base year. For the 2019--2020 school year, it is further provided that any city school district in a city having a population of more than one million shall allocate at least one-third of any increase from base year levels in funds set aside pursuant to the requirements of this section to community-based organizations. In school districts where the teachers are represented by certified or recognized employee organizations, all salary increases funded pursuant to this section shall be determined by separate collective negotiations conducted pursuant to the provisions and procedures of article 14 of the civil service law, notwithstanding the existence of a negotiated agreement between a school district and a certified or recognized employee organization.

§ 52. Support of public libraries. The moneys appropriated for the support of public libraries by a chapter of the laws of 2018 enacting the aid to localities budget shall be apportioned for the 2019--2020 state fiscal year in accordance with the provisions of sections 271, 272, 273, 282, 284, and 285 of the education law as amended by the provisions of this chapter and the provisions of this section, provided that library construction aid pursuant to section 273-a of the education law shall not be payable from the appropriations for the support of public libraries and provided further that no library, library system or program, as defined by the commissioner of education, shall receive less total system or program aid than it received for the year 2001--2002 except as a result of a reduction adjustment necessary to conform to the appropriations for support of public libraries.

Notwithstanding any other provision of law to the contrary the moneys appropriated for the support of public libraries for the year 2019--2020 by a chapter of the laws of 2019 enacting the education, labor and family assistance budget shall fulfill the state's obligation to provide such aid and, pursuant to a plan developed by the commissioner of education and approved by the director of the budget, the aid payable to libraries and library systems pursuant to such appropriations shall be reduced proportionately to assure that the total amount of aid payable does not exceed the total appropriations for such purpose.

§ 54. This act shall take effect immediately, and shall be deemed to have been in full force and effect on and after April 1, 2019, provided, however, that:
1. Sections one, three, four, five, five-a, six, seven, eight, nine, ten, sixteen, seventeen, eighteen, nineteen, twenty, twenty-one, twenty-two, twenty-three, thirty-two, thirty-four, forty-seven, fifty and fifty-one of this act shall take effect July 1, 2019;

Section 1. Section 7408 of the education law is amended by adding a new subdivision 6 to read as follows:

6. Notwithstanding any other provision of law, any firm established to lawfully engage in the practice of public accountancy pursuant to article fifteen of the business corporation law, articles one and eight-B of the partnership law, or articles twelve and thirteen of the limited liability company law shall be deemed eligible to register pursuant to this section.

§ 2. Section 1503 of the business corporation law is amended by adding a new paragraph (h) to read as follows:

(h) Any firm established for the business purpose of incorporating as a professional service corporation to lawfully engage in the practice of public accountancy, as such practice is respectively defined under article one hundred forty-nine of the education law shall be required to show (1) that a simple majority of the ownership of the firm, in terms of financial interests, including ownership-based compensation, and voting rights held by the firm's owners, belongs to individuals licensed to practice public accountancy in some state, and (2) that all shareholders of a professional service corporation whose principal place of business is in this state, and who are engaged in the practice of public accountancy in this state, hold a valid license issued under section seventy-four hundred four of the education law or are public accountants licensed under section seventy-four hundred five of the education law. Although firms may include non-licensee owners, the firm and its owners must comply with rules promulgated by the state board of regents. Notwithstanding the provisions of this paragraph, a firm incorporated under this section may not have non-licensee owners if the firm's name includes the words "certified public accountant," or "certified public accountants," or the abbreviations "CPA" or "CPAs". Each non-licensee owner of a firm that is incorporated under this section shall be a natural person who actively participates in the business of the firm or its affiliated entities. For purposes of this subdivision, "actively participate" means to provide services to clients or to otherwise individually take part in the day-to-day business or management of the firm. Such a firm shall have attached to its certificate of incorporation a certificate or certificates demonstrating the firm's compliance...
with this paragraph, in lieu of the certificate or certificates required
by subparagraph (ii) of paragraph (b) of this section.

§ 3. Section 1507 of the business corporation law is amended by adding
a new paragraph (c) to read as follows:
(c) Any firm established for the business purpose of incorporating as
a professional service corporation pursuant to paragraph (h) of section
fifteen hundred three of this article may issue shares to individuals
who are authorized by law to practice in this state a profession which
such corporation is authorized to practice and who are or have been
engaged in the practice of such profession in such corporation or a
predecessor entity, or who will engage in the practice of such profes-
sion in such corporation within thirty days of the date such shares are
issued and may also issue shares to employees of the corporation not
licensed as certified public accountants, provided that:
(i) at least fifty-one percent of the outstanding shares of stock of
the corporation are owned by certified public accountants,
(ii) at least fifty-one percent of the directors are certified public
accountants,
(iii) at least fifty-one percent of the officers are certified public
accountants,
(iv) the president, the chairperson of the board of directors and the
chief executive officer or officers are certified public accountants.
No shareholder of a firm established for the business purpose of incor-
porating as a professional service corporation pursuant to paragraph (h)
of section fifteen hundred three of this article shall enter into a
voting trust agreement, proxy or any other type of agreement vesting in
another person, other than another shareholder of the same corporation,
the authority to exercise voting power of any or all of his or her
shares. All shares issued, agreements made or proxies granted in
violation of this section shall be void.

§ 4. Section 1508 of the business corporation law is amended by adding
a new paragraph (c) to read as follows:
(c) The directors and officers of any firm established for the busi-
ness purpose of incorporating as a professional service corporation
pursuant to paragraph (h) of section fifteen hundred three of this arti-
cle may include individuals who are not licensed to practice public
accountancy, provided however that at least fifty-one percent of the
directors, at least fifty-one percent of the officers and the president,
the chairperson of the board of directors and the chief executive offi-
cer or officers are authorized by law to practice in this state a
profession which such corporation is authorized to practice, and are
either shareholders of such corporation or engaged in the practice of
their professions in such corporation.

§ 5. Section 1509 of the business corporation law, as amended by chap-
ter 550 of the laws of 2011, is amended to read as follows:
§ 1509. Disqualification of shareholders, directors, officers and
employees.
If any shareholder, director, officer or employee of a professional
service corporation, including a design professional service corpo-
racion, or any firm established for the business purpose of incorporat-
ing as a professional service corporation pursuant to paragraph (h) of
section fifteen hundred three of this article, who has been rendering
professional service to the public becomes legally disqualified to prac-
tice his profession within this state, he shall sever all employment
with, and financial interests (other than interests as a creditor) in,
such corporation forthwith or as otherwise provided in section 1510 of
this article. All provisions of law regulating the rendering of profes-
sional services by a person elected or appointed to a public office
shall be applicable to a shareholder, director, officer and employee of
such corporation in the same manner and to the same extent as if fully
set forth herein. Such legal disqualification to practice his profession
within this state shall be deemed to constitute an irrevocable offer by
the disqualified shareholder to sell his shares to the corporation,
pursuant to the provisions of section 1510 of this article or of the
certificate of incorporation, by-laws or agreement among the corporation
and all shareholders, whichever is applicable. Compliance with the terms
of such offer shall be specifically enforceable in the courts of this
state. A professional service corporation's failure to enforce compli-
ance with this provision shall constitute a ground for forfeiture of its
certificate of incorporation and its dissolution.

§ 6. Paragraph (a) of section 1511 of the business corporation law, as
amended by chapter 550 of the laws of 2011, is amended and a new para-

(a) No shareholder of a professional service corporation [ex], includ-
ing a design professional service corporation, or any firm established
for the business purpose of incorporating as a professional service
corporation pursuant to paragraph (h) of section fifteen hundred three
of this article, may sell or transfer his shares in such corporation
except to another individual who is eligible to have shares issued to
him by such corporation or except in trust to another individual who
would be eligible to receive shares if he were employed by the corpo-
ration. Nothing herein contained shall be construed to prohibit the
transfer of shares by operation of law or by court decree. No transfer-
ee of shares by operation of law or court decree may vote the shares for
any purpose whatsoever except with respect to corporate action under
sections 909 and 1001 of this chapter. The restriction in the preceding
sentence shall not apply, however, where such transferee would be eligi-
able to have shares issued to him if he were an employee of the corpo-
rating and, if there are other shareholders, a majority of such other
shareholders shall fail to redeem the shares so transferred, pursuant to
section 1510 of this article, within sixty days of receiving written
notice of such transfer. Any sale or transfer, except by operation of
law or court decree or except for a corporation having only one share-
holder, may be made only after the same shall have been approved by the
board of directors, or at a shareholders' meeting specially called for
such purpose by such proportion, not less than a majority, of the
outstanding shares as may be provided in the certificate of incorpor-
or in the by-laws of such professional service corporation. At
such shareholders' meeting the shares held by the shareholder proposing
to sell or transfer his shares may not be voted or counted for any
purpose, unless all shareholders consent that such shares be voted or
counted. The certificate of incorporation or the by-laws of the profes-
sional service corporation, or the professional service corporation and
the shareholders by private agreement, may provide, in lieu of or in
addition to the foregoing provisions, for the alienation of shares and
may require the redemption or purchase of such shares by such corpo-
oration at prices and in a manner specifically set forth therein. The
existence of the restrictions on the sale or transfer of shares, as
contained in this article and, if applicable, in the certificate of
incorporation, by-laws, stock purchase or stock redemption agreement,
shall be noted conspicuously on the face or back of every certificate
for shares issued by a professional service corporation. Any sale or transfer in violation of such restrictions shall be void.

(c) A firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, shall purchase or redeem the shares of a non-licensed professional shareholder in the case of his or her termination of employment within thirty days after such termination.

A firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, shall not be required to purchase or redeem the shares of a terminated non-licensed professional shareholder if such shares, within thirty days after such termination, are sold or transferred to another employee of the corporation pursuant to this article.

§ 7. Paragraph (a) of section 1512 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

(a) Notwithstanding any other provision of law, the name of a professional service corporation, including a design professional service corporation and any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, may contain any word which, at the time of incorporation, could be used in the name of a partnership practicing a profession which the corporation is authorized to practice, and may not contain any word which could not be used by such a partnership. Provided, however, the name of a professional service corporation may not contain the name of a deceased person unless

(1) such person's name was part of the corporate name at the time of such person's death; or

§ 8. Section 1514 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) Each firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall, at least once every three years on or before the date prescribed by the licensing authority, furnish a statement to the licensing authority listing the names and residence addresses of each shareholder, director and officer of such corporation and certify as the date of certification and at all times over the entire three year period that:

(i) at least fifty-one percent of the outstanding shares of stock of the corporation are and were owned by certified public accountants,

(ii) at least fifty-one percent of the directors are and were certified public accountants,

(iii) at least fifty-one percent of the officers are and were certified public accountants,

(iv) the president, the chairperson of the board of directors and the chief executive officer or officers are and were certified public accountants.

The statement shall be signed by the president or any certified public accountant vice-president and attested to by the secretary or any assistant secretary of the corporation.

Notwithstanding the foregoing, a firm registered under this section may not have non-licensee owners if the firm's name includes the words "certified public accountant," or "certified public accountants," or the abbreviations "CPA" or "CPAs." Each non-licensee owner of a firm that is operating under this section shall be a natural person who actively participates in the business of the firm or its affiliated entities, provided each beneficial owner of an equity interest in such entity is a natural person who actively participates in the business conducted by the firm or its affiliated entities. For purposes of this subdivision, "actively participate" means to provide services to clients or to otherwise individually take part in the day-to-day business or management of the firm.

also enter into contracts with a third party for the installation,
administration, operation, notice processing, and maintenance of such
cameras, and for the sharing of revenue derived from such cameras pursu-
ant to section eleven hundred eighteen of the vehicle and traffic law,
provided that the purchase, lease, installation, operation and mainte-
nance, or any other costs associated with such cameras shall not be
considered an aidable expense pursuant to section thirty-six hundred
twenty-three-a of this chapter.

§ 2. Section 1709 of the education law is amended by adding a new
subdivision 43 to read as follows:

43. To pass a resolution, in the discretion of the board, authorizing
the use of school bus cameras pursuant to section eleven hundred eigh-

and for the sharing of revenue derived from such cameras pursuant to
section eleven hundred eighteen of the vehicle and traffic law, provided
that the purchase, lease, installation, operation and maintenance, or
any other costs associated with such cameras shall not be considered an
aidable expense pursuant to section thirty-six hundred twenty-three-a of
this chapter.

§ 3. The vehicle and traffic law is amended by adding a new section
1118 to read as follows:

§ 1118. Owner liability for operator illegally overtaking or passing a
school bus. (a) 1. Notwithstanding any other provision of law, each
board of education or trustees of a school district is hereby authorized
and empowered to adopt and amend a resolution establishing a school bus
safety camera program imposing monetary liability on the owner of a
vehicle for failure of an operator thereof to comply with section eleven
hundred seventy-four of this title. Such program shall empower a board
of education or school district or school bus transportation contractor
that has contracted with such school district to install school bus
safety cameras upon school buses operated by or contracted with such
district.
2. Such program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such school bus safety cameras shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that such school district has made a reasonable effort to comply with the provisions of this paragraph.

(b) In any school district which has adopted a resolution pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of subdivision (a) of section eleven hundred seventy-four of this title, and such violation is evidenced by information obtained from a school bus safety camera; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of subdivision (a) of section eleven hundred seventy-four of this title.

(c) For purposes of this section, "owner" shall have the meaning provided in article two-B of this chapter. For purposes of this section, "school bus safety camera" shall mean an automated photo monitoring device affixed to the outside of a school bus and designated to detect and store videotape and one or more images of motor vehicles that overtake or pass school buses in violation of subdivision (a) of section eleven hundred seventy-four of this title.

(d) No school district or school bus transportation contractor that has installed cameras pursuant to this section shall access the images from such cameras but shall provide, pursuant to an agreement with the appropriate law enforcement agency or agencies, for the proper handling and custody of such images for the forwarding of such images from such cameras to a law enforcement agency having jurisdiction in the area in which the violation occurred for the purpose of imposing monetary liability on the owner of a motor vehicle for illegally overtaking or passing a school bus in violation of subdivision (a) of section eleven hundred seventy-four of this title. After receipt of such images a police officer shall inspect such videotape and images to determine whether a violation of subdivision (a) of section eleven hundred seventy-four of this title was committed. Upon such a finding a certificate, sworn to or affirmed by an officer of such agency, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a school bus safety camera, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

(e) An owner found liable pursuant to this section for a violation of subdivision (a) of section eleven hundred seventy-four of this title shall be liable for a monetary penalty of two hundred fifty dollars.

(e-1) Payment of the monetary penalty imposed by subdivision (e) of this section shall be payable to the school district. Nothing herein shall prevent the school district from entering into a memorandum of understanding with a local law enforcement agency to return a portion of such penalty received to the local law enforcement agency, provided however, in no case shall such portion returned to a local law enforcement agency exceed twenty percent of the amount received by the school district.
(f) An imposition of liability under this section shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

(g) 1. A notice of liability shall be sent by the respective law enforcement agency by first class mail to each person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

3. The notice of liability shall contain information advising the person charged of the manner and the time in which he may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by the respective law enforcement agency having jurisdiction over the location where the violation occurred.

(h) Adjudication of the liability imposed upon owners by this section shall be by a traffic violations bureau established pursuant to section three hundred seventy of the general municipal law or, if there be none, by the court having jurisdiction over traffic infractions, except that any city which has established or designated an administrative tribunal to hear and determine owner liability established by this article for failure to comply with traffic-control indications shall use such tribunal to adjudicate the liability imposed by this section.

(i) If an owner receives a notice of liability pursuant to this section for any time period during which the vehicle was reported to a police department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the traffic violations bureau, court having jurisdiction or parking violations bureau.

(j) Where the adjudication of liability imposed upon owners pursuant to this section is by an administrative tribunal, traffic violations bureau, or a court having jurisdiction, an owner who is a lessee of a vehicle to which a notice of liability was issued pursuant to subdivision (g) of this section shall not be liable for the violation of subdivision (a) of section eleven hundred seventy-four of this title, provided that he or she sends to the administrative tribunal, traffic violations bureau, or court having jurisdiction a copy of the rental lease or other such contract document covering such vehicle on the date
of the violation, with the name and address of the lessee clearly legible, within thirty-seven days after receiving notice from the bureau or court of the date and time of such violation, together with the other information contained in the original notice of liability. Failure to send such information within such thirty-seven day time period shall render the owner liable for the penalty prescribed by this section. Where the lessor complies with the provisions of this paragraph, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section, shall be subject to liability for the violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section and shall be sent a notice of liability pursuant to subdivision (g) of this section.

(k) 1. If the owner liable for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

2. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator was found to have been overtaking or passing a school bus. For purposes of this subdivision there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator was found to have been overtaking or passing a school bus.

(l) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (a) of section eleven hundred seventy-four of this title.

(m) In any school district which adopts a school bus safety camera program pursuant to subdivision (a) of this section, such school district shall submit an annual report on the results of the use of its school bus safety cameras to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand nineteen and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include, but not be limited to:

1. a description of the number of busses and routes where school bus safety cameras were used;

2. the aggregate number of annual incidents of violations of subdivision (a) of section eleven hundred seventy-four of this title within the district;

3. the number of violations recorded by school bus safety cameras in the aggregate and on a daily, weekly and monthly basis;

4. the total number of notices of liability issued for violations recorded by such systems;

5. the number of fines and total amount of fines paid after first notice of liability issued for violations recorded by such systems;

6. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made for violations recorded by such systems;

7. the total amount of revenue realized by such school district from such adjudications;

8. expenses incurred by such school district in connection with the program; and

9. quality of the adjudication process and its results.
(n) It shall be a defense to any prosecution for a violation of subdivision (a) of section eleven hundred seventy-four of this title that such school bus safety cameras were malfunctioning at the time of the alleged violation.

§ 4. Subdivision (c) of section 1174 of the vehicle and traffic law, as amended by chapter 254 of the laws of 2002, is amended to read as follows:

(c) Every person convicted of a violation of subdivision (a) of this section shall: for a first conviction thereof, be punished by a fine of not less than [two hundred fifty] five hundred dollars nor more than [one thousand two hundred fifty] dollars or by imprisonment for not more than thirty days or by both such fine and imprisonment; for a conviction of a second violation, both of which were committed within a period of three years, such person shall be punished by a fine of not less than [six hundred] one thousand dollars nor more than [seven hundred fifty] dollars or by imprisonment for not more than [seven hundred fifty] days or by both such fine and imprisonment; upon a conviction of a third or subsequent violation, all of which were committed within a period of three years, such person shall be punished by a fine of not less than [seven hundred fifty] one thousand two hundred fifty dollars or by imprisonment for not more than one thousand five hundred dollars or by imprisonment for not more than one hundred eighty days or by both such fine and imprisonment.

§ 5. This act shall take effect immediately.

§ 720. Detention precluded. [1-] The detention of a child shall not be directed under any of the provisions of this article, except as otherwise authorized by the interstate compact on juveniles. No child to whom the provisions of this article may apply, shall be detained in any pris-
on, jail, lockup, or other place used for adults convicted of crime or
under arrest and charged with a crime.

2. The detention of a child in a secure detention facility shall not
be directed under any of the provisions of this article.

3. Detention of a person alleged to be or adjudicated as a person in
need of supervision shall, except as provided in subdivision four of
this section, be authorized only in a foster care program certified by
the office of children and family services, or a certified or approved
family boarding home, or a non-secure detention facility certified by
the office and in accordance with section seven hundred thirty-nine of
this article. The setting of the detention shall take into account—(a)
the proximity to the community in which the person alleged to be or
adjudicated as a person in need of supervision lives with such person's
parents or to which such person will be discharged, and (b) the existing
educational setting of such person and the proximity of such setting to
the location of the detention setting.

4. Whenever detention is authorized and ordered pursuant to this arti-
icle, for a person alleged to be or adjudicated as a person in need of
supervision, a family court in a city having a population of one million
or more shall, notwithstanding any other provision of law, direct
detention in a foster care facility established and maintained pursuant
to the social services law. In all other respects, the detention of such
a person in a foster care facility shall be subject to the identical
terms and conditions for detention as are set forth in this article and
in section two hundred thirty-five of this act.

5. (a) The court shall not order or direct detention under this arti-
icle, unless the court determines that there is no substantial likelihood
that the youth and his or her family will continue to benefit from
diversion services and that all available alternatives to detention have
been exhausted; and

(b) Where the youth is sixteen years of age or older, the court shall
not order or direct detention under this article, unless the court
determines and states in its order that special circumstances exist to
warrant such detention.

(c) If the respondent may be a sexually exploited child as defined in
subdivision one of section four hundred forty-seven-a of the social
services law, the court may direct the respondent to an available short-
term safe house as defined in subdivision two of section four hundred
forty-seven-a of the social services law as an alternative to
detention.

§ 4. Section 727 of the family court act is REPEALED.

§ 5. The section heading and subdivisions (c) and (d) of section 728
of the family court act, subdivision (d) as added by chapter 145 of the
laws of 2000, paragraph (i) as added and paragraph (ii) of subdivision
(d) as renumbered by section 5 of part E of chapter 57 of the laws of
2005, and paragraph (iii) as amended and paragraph (iv) of subdivision
(d) as added by section 10 of subpart B of part Q of chapter 58 of the
laws of 2011, are amended to read as follows:

Discharge or release or detention by judge after hearing and
before filing of petition in custody cases.

(c) An order of release under this section may, but need not, be
conditioned upon the giving of a recognizance in accord with sections
seven hundred twenty-four (b) paragraph (i) of subdivision (b) of
section seven hundred twenty-four of this article.
Upon a finding of facts and reasons which support a detention order pursuant to this section, the court shall also determine and state in any order directing detention:

(i) that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services and that all available alternatives to detention have been exhausted; and

(ii) whether continuation of the child in the child’s home would be contrary to the best interests of the child based upon, and limited to, the facts and circumstances available to the court at the time of the hearing held in accordance with this section; and

(iii) where appropriate, whether reasonable efforts were made prior to the date of the court hearing that resulted in the detention order, to prevent or eliminate the need for removal of the child from his or her home or, if the child had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the child to safely return home; and

(iv) whether the setting of the detention takes into account the proximity to the community in which the person alleged to be or adjudicated as a person in need of supervision lives with such person’s parents or to which such person will be discharged, and the existing educational setting of such person and the proximity of such setting to the location of the detention setting.

§ 6. Section 729 of the family court act is REPEALED.

§ 7. Subdivisions (b), paragraph (i) of subdivision (d) and subdivision (f) of section 735 of the family court act, subdivision (b) as amended by chapter 38 of the laws of 2014, paragraph (i) of subdivision (d) as amended by chapter 535 of the laws of 2011 and subdivision (f) as added by section 7 of part E of chapter 57 of the laws of 2005, are amended to read as follows:

(b) The designated lead agency shall:

(i) confer with any person seeking to file a petition, the youth who may be a potential respondent, his or her family, and other interested persons, concerning the provision of diversion services before any petition may be filed; and

(ii) diligently attempt to prevent the filing of a petition under this article or, after the petition is filed, to prevent the placement of the youth into foster care; and

(iii) assess whether the youth would benefit from residential respite services; and

(iv) **assess whether the youth is a sexually exploited child as defined in section four hundred forty-seven-a of the social services law and, if so, whether such youth should be referred to a safe house; and**

(v) determine whether alternatives to detention are appropriate to avoid remand of the youth to detention; and

[vi] determine whether an assessment of the youth for substance use disorder by an office of alcoholism and substance abuse services certified provider is necessary when a person seeking to file a petition alleges in such petition that the youth is suffering from a substance use disorder which could make the youth a danger to himself or herself or others. Provided, however, that notwithstanding any other provision of law to the contrary, the designated lead agency shall not be required to pay for all or any portion of the costs of such assessment or for any substance use disorder or detoxification services, except in cases where medical assistance for needy persons may be used to pay for all or any portion of the costs of such assessment or services. The office of alco-
holism and substance abuse services shall make a list of its certified
providers available to the designated lead agency.

(i) providing, at the first contact, information on the availability
of or a referral to services in the geographic area where the youth and
his or her family are located that may be of benefit in avoiding the
need to file a petition under this article; including the availability,
for up to twenty-one days, of a residential respite program, if the
youth and his or her parent or other person legally responsible for his
or her care agree, and the availability of other non-residential crisis
intervention programs such as family crisis counseling or alternative
dispute resolution programs or an educational program as defined in
section four hundred fifty-eight-l of the social services law.

(f) Efforts to prevent the filing of a petition pursuant to this
section may extend until the designated lead agency determines that
there is no substantial likelihood that the youth and his or her family
will benefit from further attempts. Efforts at diversion pursuant to
this section may continue after the filing of a petition where the
designated lead agency determines that the youth and his or her family
will benefit from further attempts to prevent placement of

[from entering foster care] in accordance with section seven hundred
fifty-six of this article.

§ 8. Section 739 of the family court act, as amended by chapter 920 of
the laws of 1982, subdivision (a) as amended by section 10 of part G of
chapter 58 of the laws of 2010, subdivision (c) as added by chapter 145
of the laws of 2000, is amended to read as follows:

§ 739. Release or [detention] referral after filing of petition and
prior to order of disposition. [a] After the filing of a petition
under section seven hundred thirty-two of this part, the court in its
discretion may release the respondent [or direct his or her detention].
If the respondent may be a sexually exploited child as defined in subdi-
vision one of section four hundred forty-seven-a of the social services
law, the court may direct the respondent to an available short-term safe
house as an alternative to detention. However, the court shall not
direct detention unless it finds and states the facts and reasons for so
finding that unless the respondent is detained there is a substantial
probability that the respondent will not appear in court on the return
date and all available alternatives to detention have been exhausted.

(b) Unless the respondent waives a determination that probable cause
exists to believe that he is a person in need of supervision, no
detention under this section may last more than three days (i) unless
the court finds, pursuant to the evidentiary standards applicable to a
hearing on a felony complaint in a criminal court, that such probable
cause exists, or (ii) unless special circumstances exist, in which cases
such detention may be extended not more than an additional three days
exclusive of Saturdays, Sundays and public holidays.

(c) Upon a finding of facts and reasons which support a detention
order pursuant to subdivision (a) of this section, the court shall also
determine and state in any order directing detention:

(i) whether continuation of the respondent in the respondent's home
would be contrary to the best interests of the respondent based upon,
and limited to, the facts and circumstance available to the court at the
time of the court's determination in accordance with this section; and
(ii) where appropriate, whether reasonable efforts were made prior to
the date of the court order directing detention in accordance with this
section, to prevent or eliminate the need for removal of the respondent
from his or her home or, if the respondent had been removed from his or
her home prior to the court appearance pursuant to this section, where
appropriate, whether reasonable efforts were made to make it possible
for the respondent to safely return home].
§ 9. Section 741-a of the family court act, as amended by section 3 of
part B of chapter 327 of the laws of 2007, is amended to read as
follows:
§ 741-a. Notice and right to be heard. The foster parent caring for
a sexually exploited child placed in accordance with section
seven hundred fifty-six of this article or any pre-adoptive parent or
relative providing care for the respondent shall be provided with notice
of any permanency hearing held pursuant to this article by the social
services official. Such foster parent, pre-adoptive parent or relative
shall have the right to be heard at any such hearing; provided, however,
no such foster parent, pre-adoptive parent or relative shall be
construed to be a party to the hearing solely on the basis of such
notice and right to be heard. The failure of the foster parent, pre-a-
doptive parent, or relative caring for the child to appear at a perman-
ency hearing shall constitute a waiver of the right to be heard and such
failure to appear shall not cause a delay of the permanency hearing nor
shall such failure to appear be a ground for the invalidation of any
order issued by the court pursuant to this section.
§ 10. Section 747 of the family court act is REPEALED.
§ 11. Section 748 of the family court act is REPEALED.
§ 12. Subdivision (b) of section 749 of the family court act, as
amended by chapter 806 of the laws of 1973, is amended to read as
follows:
(b) On its own motion, the court may adjourn the proceedings on
conclusion of a fact-finding hearing or during a dispositional hearing
to enable it to make inquiry into the surroundings, conditions and
capacities of the respondent. An [adjournment on the court's motion may
not be for a period of more than ten days if the respondent is detained,
in which case not more than a total of two such adjournments may be
granted in the absence of special circumstances. If the respondent is
not detained, an] adjournment may be for a reasonable time, but the
total number of adjourned days may not exceed two months.
§ 13. Paragraph (a) of subdivision 2 of section 754 of the family
court act, as amended by chapter 7 of the laws of 1999, subparagraph
(ii) of paragraph (a) as amended by section 20 of part L of chapter 56
of the laws of 2015, is amended to read as follows:
(a) The order shall state the court's reasons for the particular
disposition. If the court places the child in accordance with section
seven hundred fifty-six of this part, the court in its order shall
determine: (i) whether continuation in the child's home would be contra-
ry to the best interest of the child and where appropriate, that reason-
able efforts were made prior to the date of the dispositional hearing
held pursuant to this article to prevent or eliminate the need for
removal of the child from his or her home and, if the child was removed
from his or her home prior to the date of such hearing, that such
removal was in the child's best interest and, where appropriate, reason-
able efforts were made to make it possible for the child to return safe-
ly home. If the court determines that reasonable efforts to prevent or
eliminate the need for removal of the child from the home were not made
but that the lack of such efforts was appropriate under the circum-
stances, the court order shall include such a finding; and (ii) in the
case of a child who has attained the age of fourteen, the services need-
ed, if any, to assist the child to make the transition from foster care
Nothing in this subdivision shall be construed to modify the standards for directing detention set forth in section seven hundred thirty-nine of this article.

§ 14. Section 756 of the family court act, as amended by chapter 920 of the laws of 1982, paragraph (i) of subdivision (a) as amended by chapter 309 of the laws of 1996, the opening paragraph of paragraph (ii) of subdivision (a) as amended by section 11 of part G of chapter 58 of the laws of 2010, subdivision (b) as amended by chapter 7 of the laws of 1999, and subdivision (c) as amended by section 10 of part E of chapter 57 of the laws of 2005, is amended to read as follows:

§ 756. Placement. (a) (i) For purposes of section seven hundred fifty-four of this part, the court may place the child in its own home or in the custody of a suitable relative or other suitable private person [or a commissioner of social services], subject to the orders of the court.

(ii) [Where the child is placed] If the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may place the child with the commissioner of the local social services district [the court] and may direct the commissioner to place the child with an authorized agency or class of authorized agencies, including [the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law] an available long-term safe house. Unless the dispositional order provides otherwise, the court so directing shall include one of the following alternatives to apply in the event that the commissioner is unable to so place the child:

(1) the commissioner shall apply to the court for an order to stay, modify, set aside, or vacate such directive pursuant to the provisions of section seven hundred sixty-two or seven hundred sixty-three of this part; or

(2) the commissioner shall return the child to the family court for a new dispositional hearing and order.

(b) Placements under this section may be for an initial period of twelve months. The court may extend a placement pursuant to section seven hundred fifty-six-a. In its discretion, the court may recommend restitution or require services for public good pursuant to section seven hundred fifty-eight-a of this part in conjunction with an order of placement. For the purposes of calculating the initial period of placement, such placement shall be deemed to have commenced sixty days after the date the child was removed from his or her home in accordance with the provisions of this article. [If the respondent has been in detention pending disposition, the initial period of placement ordered under this section shall be credited with and diminished by the amount of time spent by the respondent in detention prior to the commencement of the placement unless the court finds that all or part of such credit would not serve the best interests of the respondent.]

(c) A placement pursuant to this section with the commissioner of social services shall not be directed in any detention facility, but the court may direct detention pending transfer to a placement authorized and ordered under this section for no more than than fifteen days after such order of placement is made. Such direction shall be subject to extension pursuant to subdivision three of subdivision three hundred ninety-eight of the social services law, upon written documentation to the office of children and family services that the youth is in need of
§ 15. Section 758-a of the family court act, as amended by chapter 73 of the laws of 1979, subdivision 1 as amended by chapter 4 of the laws of 1987, paragraph (b) of subdivision 1 as amended by chapter 575 of the laws of 2007, subdivision 2 as amended by chapter 309 of the laws of 1996, and subdivision 3 as separately amended by chapter 568 of the laws of 1979, is amended to read as follows:

§ 758-a. Restitution. 1. In cases involving acts of [infants] children over [ten] twelve and less than [sixteen] eighteen years of age, the court may

(a) recommend as a condition of placement, or order as a condition of probation or suspended judgment, restitution in an amount representing a fair and reasonable cost to replace the property or repair the damage caused by the [infant] child, not, however, to exceed one thousand dollars. [In the case of a placement, the court may recommend that the infant pay out of his or her own funds or earnings the amount of replacement or damage, either in a lump sum or in periodic payments in amounts set by the agency with which he is placed, and in the case of probation or suspended judgment, the] The court may require that the [infant] child pay out of his or her own funds or earnings the amount of replacement or damage, either in a lump sum or in periodic payments in amounts set by the court; and/or

2. [If the court recommends restitution or requires services for the public good in conjunction with an order of placement pursuant to section seven hundred fifty-six, the placement shall be made only to an authorized agency which has adopted rules and regulations for the supervision of such a program, which rules and regulations shall be subject to the approval of the state department of social services. Such rules and regulations shall include, but not be limited to provisions (i) assuring that the conditions of work, including wages, meet the standards therefor prescribed pursuant to the labor law; (ii) affording coverage to the child under the workers' compensation law as an employee of such agency, department or institution; (iii) assuring that the entity receiving such services shall not utilize the same to replace its regular employees; and (iv) providing for reports to the court not less frequently than every six months, unless the order provides otherwise.]

3. If the court requires restitution or services for the public good as a condition of probation or suspended judgment, it shall provide that an agency or person supervise the restitution or services and that such agency or person report to the court not less frequently than every six months, unless the order provides otherwise. Upon the written notice sent by a school district to the court and the appropriate probation department or agency which submits probation recommendations or reports to the court, the court may provide that such school district shall supervise the performance of services for the public good.

4. [3.] The court, upon receipt of the reports provided for in subdivision two [or three] of this section may, on its own motion or the
motion of any party or the agency, hold a hearing to determine whether
the [placement] condition should be altered or modified.
§ 16. Section 774 of the family court act is amended to read as

section seven hundred seventy-three of this part, the court may proceed

of a summons or warrant and sections seven hundred twenty-seven and
seven hundred twenty-nine govern questions of detention and failure to

of the petition shall also be served personally or by mail upon the
office of the locality chargeable for the support of the person involved
and upon the person involved and his or her parents and other persons.
§ 17. Subdivisions 3, 3-a, 11 and 12 of section 398 of the social
services law, subdivision 3 as amended by chapter 419 of the laws of
1987, paragraph (c) of subdivision 3 as amended by section 19 of part E
of chapter 57 of the laws of 2005, subdivision 3-a as added by section 1
of subpart B of part G of chapter 57 of the laws of 2012, subdivision 11
as added by chapter 514 of the laws of 1976 and subdivision 12 as
amended by section 12 of subpart B of part Q of chapter 58 of the laws
of 2011, are amended to read as follows:
3. As to delinquent children [and persons in need of supervision]:
   (a) Investigate complaints as to alleged delinquency of a child.
   (b) Bring such case of alleged delinquency when necessary before the
family court.
   (c) Receive within fifteen days from the order of placement as a
public charge any delinquent child committed or placed [or person in
need of supervision placed] in his or her care by the family court
provided, however, that the commissioner of the social services district
with whom the child is placed may apply to the state commissioner or his
or her designee for approval of an additional fifteen days, upon written
documentation to the office of children and family services that the
youth is in need of specialized treatment or placement and the diligent
efforts by the commissioner of social services to locate an appropriate
placement.
   [3-a] As to delinquent children:
   (1) Conditionally release any juvenile delinquent placed with
the district to aftercare whenever the district determines conditional
release to be consistent with the needs and best interests of such juve-
nile delinquent, that suitable care and supervision can be provided, and
that there is a reasonable probability that such juvenile delinquent can
be conditionally released without endangering public safety; provided,
however, that such conditional release shall be made in accordance with
the regulations of the office of children and family services, and
provided further that no juvenile delinquent while absent from a facili-
ty or program without the consent of the director of such facility or
program shall be conditionally released by the district solely by reason
of the absence.
   (2) It shall be a condition of such release that a juvenile delinquent
so released shall continue to be the responsibility of the social
services district for the period provided in the order of placement.
   (3) The social services district may provide clothing, services and
other necessities for any conditionally released juvenile delinquent, as
may be required, including medical care and services not provided to
such juvenile delinquent as medical assistance for needy persons pursuant to title eleven of article five of this chapter.

(4) The social services district, pursuant to the regulations of the office of children and family services, may cause a juvenile delinquent to be returned to a facility operated and maintained by the district, or an authorized agency under contract with the district, at any time within the period of placement, where there is a violation of the conditions of release or a change of circumstances.

(5) Juvenile delinquents conditionally released by a social services district may be provided for as follows:

(i) If, in the opinion of the social services district, there is no suitable parent, relative or guardian to whom a juvenile delinquent can be conditionally released, and suitable care cannot otherwise be secured, the district may conditionally release such juvenile delinquent to the care of any other suitable person; provided that where such suitable person has no legal relationship with the juvenile, the district shall advise such person of the procedures for obtaining custody or guardianship of the juvenile.

(ii) If a conditionally released juvenile delinquent is subject to article sixty-five of the education law or elects to participate in an educational program leading to a high school diploma, he or she shall be enrolled in a school or educational program leading to a high school diploma following release, or, if such release occurs during the summer recess, upon the commencement of the next school term. If a conditionally released juvenile delinquent is not subject to article sixty-five of the education law, and does not elect to participate in an educational program leading to a high school diploma, steps shall be taken, to the extent possible, to facilitate his or her gainful employment or enrollment in a vocational program following release.

(o) When a juvenile delinquent placed with the social services district is absent from placement without consent, such absence shall interrupt the calculation of time for his or her placement. Such interruption shall continue until such juvenile delinquent returns to the facility or authorized agency in which he or she was placed. Provided, however, that any time spent by a juvenile delinquent in custody from the date of absence to the date placement resumes shall be credited against the time of such placement provided that such custody:

(1) was due to an arrest or surrender based upon the absence; or
(2) arose from an arrest or surrender on another charge which did not culminate in a conviction, adjudication or adjustment.

(f) In addition to the other requirements of this section, no juvenile delinquent placed with a social services district operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of this chapter pursuant to a restrictive placement under the family court act shall be released except pursuant to section 353.5 of the family court act.

11. In the case of a child who is adjudicated a person in need of supervision or a juvenile delinquent and is placed by the family court with the [division for youth] office of children and family services and who is placed by [the division for youth] such office with an authorized agency pursuant to court order, the social services official shall make expenditures in accordance with the regulations of the department for the care and maintenance of such child during the term of such placement subject to state reimbursement pursuant to section one hundred fifty-three-k of this [title, or article nineteen-G of the executive law in applicable cases] article.
12. A social services official shall be permitted to place persons adjudicated \[in need of supervision\] delinquent \[and alleged persons to be in need of supervision\] in detention pending transfer to a placement, in the same foster care facilities as are providing care to destitute, neglected, abused or abandoned children.       and regulations and a record of providing foster care of good quality,
      as determined by the commissioner; and

   foster care youth placed with the established operator that may be
   subject to the appointment of a temporary operator pursuant to this
   section, as well as the local social services district where the estab-
   lished operator is located.
3. (a) (i) A temporary operator may only be appointed after the estab-
   lished operator has been provided notice of alleged violations and the
   ability to cure such violations.
   (ii) The local social services district shall also be notified of the
   alleged violations prior to the appointment of a temporary operator.
   (iii) If the established operator fails to cure such violations in a
   timely manner, a temporary operator may be appointed:
      (A) where the established operator is unable or unwilling to ensure
      the proper operation of the foster care program and there exist condi-
      tions that have the potential to seriously endanger or jeopardize the
      health, safety, or welfare of foster care youth; or
      (B) when necessary to protect the health, safety or welfare of youth
      served by the established program.
   (iv) If the commissioner determines to appoint a temporary operator,

   operations for a limited period of time.
   (v) The appointment of a temporary operator shall be effectuated
   pursuant to this section, and shall be in addition to any other remedies
   provided by law.
(b) The established operator may at any time request the commissioner to appoint a temporary operator. Upon receiving such a request, the commissioner may, if he or she determines that such an action is necessary, enter into an agreement with the established operator for the appointment of a temporary operator to restore or maintain the provision of services to children and families provided in the foster care program, until the established operator can resume operations within the designated time period or other action is taken to suspend, revoke, or limit the authority of the established operator.

4. (a) A temporary operator appointed pursuant to this section shall use his or her best efforts to implement the plan deemed satisfactory by the commissioner to correct or eliminate any concerns regarding health, safety or welfare of the established operator, and promote the quality and accessibility of services provided to foster children and their families in the applicable foster care program.

(b) During the term of appointment, the temporary operator shall have the authority to direct the staff of the established operator as necessary to appropriately provide care for foster care youth in accordance with the plan approved by the commissioner. The temporary operator shall, during this period, provide programs and services for foster youth in such a manner as to promote the health, safety, and welfare of the youth by the established operator until either the established operator can resume operations or until the office revokes the authority of the established operator to operate a foster care program.

The temporary operator shall approve any decision related to an established provider's day to day operations or the established provider's ability to provide programs and services for foster youth.

(d) The temporary operator shall not be required to file any bond. No security interest in any real or personal property comprising the established operator, contained within the established operator, or in any fixture of the building or buildings owned by the established operator, shall be impaired or diminished in priority by the temporary operator. Neither the temporary operator nor the office shall engage in any activity that constitutes a confiscation of property.

5. Costs associated with the temporary operator, including compensation, shall be borne by the established operator and follow the financing structure established in accordance with section one hundred fifty-three-k of this chapter as modified by the current aid to localities provisions for the office of children and family services within the department of family assistance. The temporary operator shall be liable in its capacity as temporary operator for injury to persons and property by reason of its operation of such building; no liability shall incur in the temporary operator's personal capacity, except for gross negligence and intentional acts.

6. (a) The initial term of the appointment of the temporary operator shall not exceed ninety days. After ninety days, if the commissioner determines that termination of the temporary operator would cause significant deterioration of the quality of the foster care program run by the established operator or that reappointment is necessary to correct the deficiencies that required the appointment of the temporary operator, the commissioner may authorize additional ninety day terms.

(b) Within fourteen days prior to the termination of each term of the appointment of the temporary operator, the temporary operator shall
submit to the commissioner, to the local social services district, and
to the established operator a report describing:

(i) the actions taken during the appointment to address the identified
deficiencies, the resumption of operations by the established operator,
or the revocation of authority to operate a foster care program;
(ii) objectives for the continuation of the temporary operatorship if
necessary and a schedule for satisfaction of such objectives; and
(iii) if applicable, the recommended actions for the ongoing provision
of foster care after the temporary operatorship is complete.

7. (a) The commissioner shall, upon making a determination of an
intention to appoint a temporary operator pursuant to this section,

to be notified of the intention by registered or certified mail
addressed to the principal office of the established operator and the
local social services district. Such notification shall include a
detailed description of the findings underlying the intention to appoint
a temporary operator, and the date and time of a required meeting with
the commissioner within ten business days of the receipt of such
notice. At such meeting, the established operator, and the commissioner
shall have the opportunity to review and discuss all relevant findings.
At such meeting, the commissioner and the established operator shall
attempt to develop a mutually satisfactory plan of correction and sched-
ule for implementation. If a mutually satisfactory plan of correction
and schedule for implementation is developed, the commissioner shall
notify the established operator that the commissioner will abstain from
appointing a temporary operator contingent upon the established operator
remediating the identified deficiencies within the agreed upon time-
frame.

(b) The commissioner shall, upon making a determination of an inten-
tion to appoint a temporary operator pursuant to this section, cause the
temporary president of the senate, and the speaker of the assembly to
receive appropriate and timely notification of the intention to appoint
a temporary operator. Such notification shall include a description of
the findings underlying the intention to appoint a temporary operator,
the identification of the temporary operator when practicable, and the
date of expected transfer of operations. Such notice shall be made as
soon as practicable under the circumstances.
(c) The commissioner, at any time he or she deems necessary, and to
the extent practicable, shall consult and may involve the local social
services district.
(d) Should the commissioner and the established operator be unable to
establish a plan of correction pursuant to this subdivision, or should
the established operator fail to respond to the commissioner’s initial
notification, there shall be an administrative hearing on the commis-
sioner’s determination to appoint a temporary operator to begin no later
than thirty days from the date of the notice to the established opera-
tor. Any such hearing shall be strictly limited to the issue of whether
the determination of the commissioner to appoint a temporary operator is
supported by substantial evidence. A copy of the decision shall be sent
to the established operator and the local social services district.
(e) If the decision to appoint a temporary operator is upheld such temporary operator shall be appointed as soon as is practicable and shall provide appropriate care and services for the foster care youth as well as take any necessary actions pursuant to the provisions of this chapter or the regulations of the office of children and family services.

8. Notwithstanding the appointment of a temporary operator, the established operator shall remain obligated for the continued provision of care and services for the foster care youth. No provision contained in this section shall be deemed to relieve the established operator or any other person of any civil or criminal liability incurred, or any duty imposed by law, by reason of acts or omissions of the established operator or any other person prior to the appointment of any temporary operator of the building hereunder; nor shall anything contained in this section be construed to suspend during the term of the appointment of the temporary operator of the building any obligation of the established operator or any other person for the maintenance and repair of the building, provision of utility services, payment of taxes or other operating and maintenance expenses of the building, nor of the established operator or any other person for the payment of mortgages or liens.

§ 2. This act shall take effect immediately.

ities identified in subdivision one of section three hundred thirty-six
of this title for the required number of hours specified in this section
provided, however, that at least twenty hours of such participation, or
thirty hours for two-parent families, or fifty hours for two-parent
families receiving federally funded child care as set forth in subpara-
graph (iii) of paragraph (d) of subdivision one of this section, shall
be attributable to the activities described in paragraphs (a) through
(h) [and] (l) and (o) of subdivision one of section three hundred thir-
ty-six of this title, or for households without dependent children at
least twenty hours of participation shall be attributable to the activi-
ties set forth in paragraphs (a) through (h) [and] (l) and (o) of
subdivision one of section three hundred thirty-six of this title, and
further provided that participation in job search and job readiness
assistance as identified in paragraph (f) of subdivision one of section
three hundred thirty-six of this title shall only be determined as
engaged in work for a maximum period of six weeks, only four of which
may be consecutive as otherwise limited by federal law; and that indi-
viduals in all families and in two parent families may be engaged in
work for a month by reason of participation in vocational training to
the extent allowed by federal law. Any non-graduate student participat-
ing or approved by CUNY, SUNY or another degree granting institution, or
any other state or local district approved education, training or voca-
tional rehabilitation agency to participate in work-study, or in intern-
ships, externships, or other work placements that are part of the
curriculum of that student, shall not be unreasonably denied the ability
to participate in such programs and each hour of participation shall
count toward satisfaction of such student's work activity requirements
of this title provided that the district may consider, among other
factors, (a) whether the student has voluntarily terminated his or her
employment or voluntarily reduced his or her earnings to qualify for
public assistance pursuant to subdivision ten of section one hundred
thirty-one of this article; (b) whether a comparable job or on the job
training position can reasonably be expected to exist in the private,
public or not-for-profit sector; (c) that the student has a cumulative C
average or its equivalent, which may be waived by the district for undue
hardship based on (1) the death of a relative of the student, (2) the
personal injury or illness of the student, or (3) other extenuating
circumstances; and (d) whether the institution cooperates in monitoring
students attendance and performance and reports to the local social services department monthly on each student. Failure of the institution to monitor and report monthly to local social services districts on attendance and performance of the student's work study, internship, externship or other work placement shall be cause for the department to reasonably deny the student's ability to participate in such programs. Students shall be subject to sanctions equivalent to those associated with failure to adequately satisfy their other required work activities. In assigning a non-graduate student participating in work-study, internships, externships or other work placements, pursuant to this section, to other work activities the district shall make reasonable effort to assign the student to hours that do not conflict with the student's academic schedule.

§ 4. Subdivision 1 of section 336-c of the social services law is amended by adding a new paragraph (c) to read as follows:

or to make such selection of its students as is calculated by such
institution to promote the religious principles for which it is estab-

§ 18. Section 485.00 of the penal law, as added by chapter 107 of the laws of 2000, is amended to read as follows:

§ 485.00 Legislative findings.

The legislature finds and determines as follows: criminal acts involving violence, intimidation and destruction of property based upon bias and prejudice have become more prevalent in New York state in recent years. The intolerable truth is that in these crimes, commonly and justly referred to as "hate crimes", victims are intentionally selected, in whole or in part, because of their race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation. Hate crimes do more than threaten the safety and welfare of all citizens. They inflict on victims incalculable physical and emotional damage and tear at the very fabric of free society. Crimes motivated by invidious hatred toward particular groups not only harm individual victims but send a powerful message of intolerance and discrimination to all members of the group to which the victim belongs. Hate crimes can and do intimidate and disrupt entire communities and vitiate the civility that is essential to healthy democratic processes. In a democratic society, citizens cannot be required to approve of the beliefs and practices of others, but must never commit criminal acts on account of them. Current law does not adequately recognize the harm to public order and individual safety that hate crimes cause. Therefore, our laws must be strengthened to provide clear recognition of the gravity of hate crimes and the compelling importance of preventing their recurrence.

Accordingly, the legislature finds and declares that hate crimes should be prosecuted and punished with appropriate severity.

§ 19. Subdivisions 1, 2 and 4 of section 485.05 of the penal law, as added by chapter 107 of the laws of 2000, are amended to read as follows:

1. A person commits a hate crime when he or she commits a specified offense and either:
   (a) intentionally selects the person against whom the offense is committed or intended to be committed in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct, or
   (b) intentionally commits the act or acts constituting the offense in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct.

2. Proof of race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation of the defendant, the victim or of both the defendant and the victim does not, by itself, constitute legally sufficient evidence satisfying the people's burden under paragraph (a) or (b) of subdivision one of this section.

4. For purposes of this section:
   (a) the term "age" means sixty years old or more;
(b) the term "disability" means a physical or mental impairment that substantially limits a major life activity.

(c) the term "gender identity or expression" means a person's actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including, but not limited to, the status of being transgender.

§ 20. Subdivision 3 of section 240.30 of the penal law, as amended by chapter 188 of the laws of 2014, is amended to read as follows:

3. With the intent to harass, annoy, threaten or alarm another person, he or she strikes, shoves, kicks, or otherwise subjects another person to physical contact, or attempts or threatens to do the same because of a belief or perception regarding such person's race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation, regardless of whether the belief or perception is correct; or

§ 21. The opening paragraph of section 240.31 of the penal law, as amended by chapter 49 of the laws of 2006, is amended to read as follows:

A person is guilty of aggravated harassment in the first degree when with intent to harass, annoy, threaten or alarm another person, because of a belief or perception regarding such person's race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation, regardless of whether the belief or perception is correct, he or she:

§ 22. Section 240.00 of the penal law is amended by adding a new subdivision 7 to read as follows:

7. "Gender identity or expression" means a person's actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including, but not limited to, the status of being transgender.

§ 23. Paragraph (c) of subdivision 7 of section 200.50 of the criminal procedure law, as amended by chapter 7 of the laws of 2007, is amended to read as follows:

(c) in the case of any hate crime, as defined in section 485.05 of the penal law, specifies, as applicable, that the defendant or defendants intentionally selected the person against whom the offense was committed or intended to be committed; or intentionally committed the act or acts constituting the offense, in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation of a person; and

Nothing contained in this article shall be deemed to repeal any of the provisions of the civil rights law or any other law of this state relating to discrimination because of race, creed, color or national origin; but, as to acts declared unlawful by section two hundred ninety-six of this article, the procedure herein provided shall, while pending, be exclusive; and the final determination therein shall exclude any other state civil action [criminal] based on the same grievance of the individual concerned. If such individual institutes any action based on such grievance without resorting to the proce-
dure provided in this article, he or she may not subsequently resort to
the procedure herein.

§ 5. This act shall take effect January 1, 2020.
Section 1. This act shall be known and may be cited as the "pension poaching prevention act".

§ 2. Legislative findings and intent. Nationally, veterans and their family members are often subject to a practice commonly called pension poaching. This troubling practice, as described in recent reports from the Federal Trade Commission, the Federal Government Accountability Office, the United States Department of Veterans Affairs, and several other entities, generally target elderly or disabled veterans and their family members. Pension poaching involves dishonest financial planners, insurance agents, and other professionals luring veterans and their family members to pay substantial funds for veterans' benefits services that the offering entity is unqualified to provide and that can detrimentally impact the future financial situations of the veteran and his or her dependents.

Entities engaging in pension poaching tend to use high-pressure sales tactics directed toward potential customers, falsely guaranteeing benefits for veterans and their families even when the advertising entity lacks the federal accreditation required by law to file such claims and appeals for federal veterans' benefits. Often, they persuade veterans and their family members to abruptly move most or all of their assets to potentially qualify for certain federal veterans benefits, frequently causing veterans and their family members to unwittingly lose control over their assets and adversely affecting the ability of veterans and their families to qualify for Medicaid and other important benefits in the future. These entities frequently charge extremely high fees for these services, even in matters where federal law expressly prohibits such fees.

Through this legislation, the legislature intends to restrain this harmful and deceptive practice within New York State, providing necessary protections to the men and women of this state who courageously served in our nation's armed forces.

§ 3. The general business law is amended by adding a new section 349-f to read as follows:

If the advertisement is verbal, the spoken statement of the disclosure must be clear and intelligible.

(b) If an entity's violation of this section concerns a party who is sixty-five years of age or older, said entity may be liable for supplemental civil penalties as established within, and subject of the terms of, section three hundred forty-nine-c of this article.

§ 4. This act shall take effect on the one hundred twentieth day after it shall have become a law.
