The amount to be recovered in the second year shall equal the lesser of the remaining amount of such excess payments to be recovered or one-third of such excess payments, and the remaining amount of such excess payments shall be recovered in the third year. Provided further that, notwithstanding any other provisions of this subdivision, any pending payment of moneys due to such district as a prior year adjustment payable pursuant to paragraph c of this subdivision for aid claims that had been previously paid as current year aid payments in excess of the amount to which the district is entitled and for which recovery of excess payments is to be made pursuant to this paragraph, shall be reduced at the time of actual payment by any remaining unrecovered balance of such excess payments, and the remaining scheduled deductions of such excess payments pursuant to this paragraph shall be reduced by the commissioner to reflect the amount so recovered. The commissioner shall certify no payment to a school district based on a claim submitted later than three years after the close of the school year in which such payment was first to be made. For claims for which payment is first to be made in the nineteen hundred ninety-six--nineteen hundred ninety-seven school year, the commissioner shall certify no payment to a school district based on a claim submitted later than two years after the close of such school year. For claims for which payment is first to be made in the nineteen hundred ninety-seven--nineteen hundred ninety-eight school year and thereafter, the commissioner shall certify no payment to a school district based on a claim submitted later than one year after the close of such school year. Provided, however, no payments shall be barred or reduced where such payment is required as a result of a final audit of the state. It is further provided that, until June thirtieth, nineteen hundred ninety-six, the commissioner may grant a waiver from the provisions of this section for any school district if it is in the best educational interests of the district pursuant to guidelines developed by the commissioner and approved by the director of the budget.

§ 5. § 6. Subdivision 10 of section 407-b of the education law, as amended by chapter 31 of the laws of 1996, is amended to read as follows:

10. Notwithstanding any other provision of law to the contrary, the dormitory authority may execute leases, subleases, or other agreements with state supported schools for financing of the design, construction, rehabilitation, improvement, renovation, acquisition or provision, furnishing or equipping of capital facilities; provided, however, that during the two year period commencing July first, nineteen hundred ninety-five, the amount of bonds inclusive of principal, interest and issuance costs to be issued for each individual lease, sublease, or other agreement shall not exceed fifteen million dollars annually; provided further that the interest on such bonds may not be deferred through additional borrowing; and provided finally that the total amount of such
bonds for all such leases, subleases, or agreements with state supported
schools during such period shall not exceed [sixty-five] one hundred
million dollars.
On or before September first of each year, the commissioner shall
submit to the chairs of the assembly ways and means committee, the
senate finance committee and the director of the budget, a capital plan
for those projects expected to be bonded for state supported schools
pursuant to this section, within such [sixty-five] one hundred million

assets preservation program, such plan shall accord priority to health
and safety considerations and shall specify the name, location, esti-

the anticipated bid date and the anticipated completion date and may
contain any further recommendations the commissioner may deem appropri-

§ 7. Subparagraph 2 of paragraph a of subdivision 4 of section 1950 of
the education law, as amended by chapter 698 of the laws of 2003, is
amended to read as follows:
(2) Notwithstanding any inconsistent provision of law in no event
shall the total salary including amounts paid pursuant to section twen-
ty-two hundred ninety of this chapter for district superintendents for
each school year through the two thousand two--two thousand three school
year exceed ninety-eight percent of that earned by the commissioner for
state fiscal year nineteen hundred ninety-two--ninety-three, and in no
event shall such total salary for a district superintendent for the two
thousand [three] nineteen--two thousand [four] twenty school year or any
subsequent school year exceed: (i) one hundred six percent of the salary
cap applicable in the preceding school year, or (ii) ninety-eight percent of that earned by the commissioner in the two thousand [three] nineteen--two thousand [four] twenty state fiscal year, whichever is
less. In no event shall any district superintendent be permitted to
accumulate vacation or sick leave credits in excess of the vacation and
sick leave credits managerial/confidential employees of the state are
permitted to accumulate pursuant to regulations promulgated by the state
civil service commission, nor may any district superintendent at the
time of separation from service be compensated for accrued and unused
vacation credits or sick leave, or use accrued and unused sick leave for
retirement service credit or to pay for health insurance in retirement,
at a rate in excess of the rate permitted to managerial/confidential
employees of the state pursuant to regulations of the state civil
service commission. In addition to the payment of supplementary salary,
a board of cooperative educational services may provide for the payment
of all or a portion of the cost of insurance benefits for the district
superintendent of schools, including but not limited to health insur-
ance, disability insurance, life insurance or any other form of insur-
ance benefit made available to managerial/confidential employees of the
state; provided that any such payments for whole life, split dollar or
other life insurance policies having a cash value shall be included in the
total salary of the district superintendent for purposes of this
subsection, and provided further that any payments for the employee
contribution, co-pay or uncovered medical expenses under a health insur-
ance plan also shall be included in the total salary of the district
superintendent. Notwithstanding any other provision of law, payments
for such insurance benefits may be based on the district superinten-
dent's total salary or the amount of his or her supplementary salary
only. Any payments for transportation or travel expenses in excess of
actual, documented expenses incurred in the performance of duties for
the board of cooperative educational services or the state, and any
other lump sum payment not specifically excluded from total salary
pursuant to this subparagraph, shall be included in the total salary of
the district superintendent for purposes of this subparagraph. Nothing
herein shall prohibit a district superintendent from waiving any rights
provided for in an existing contract or agreement as hereafter prohibit-
ed in favor of revised compensation or benefit provisions as permitted
herein. In no event shall the terms of the district superintendent's
contract, including any provisions relating to an increase in salary,
compensation or other benefits, be contingent upon the terms of any
contract or collective bargaining agreement between the board of cooper-
ative educational services and its teachers or other employees. The
commissioner may adopt regulations for the purpose of implementing the
provisions of this paragraph.

§ 8. Paragraph b of subdivision 5 of section 1950 of the education
law, as amended by chapter 296 of the laws of 2016, is amended to read
as follows:

b. The cost of services herein referred to shall be the amount allo-
cated to each component school district by the board of cooperative
educational services to defray expenses of such board, including
approved expenses from the testing of potable water systems of occupied
school buildings under the board's jurisdiction as required pursuant to
section eleven hundred ten of the public health law, except that that
part of the salary paid any teacher, supervisor or other employee of the
board of cooperative educational services which is in excess of thirty
thousand dollars shall not be such an approved expense, and except also
that administrative and clerical expenses shall not exceed ten percent
of the total expenses for purposes of this computation. Provided howev-

education to school age students, the salary, to be considered as an
approved expense, shall not exceed thirty-four thousand dollars for the
two thousand nineteen--two thousand twenty school year; thirty-eight
thousand dollars for the two thousand twenty--two thousand twenty-one
school year; forty-two thousand dollars for the two thousand twenty-one--
two thousand twenty-two school year; forty-six thousand dollars for the
two thousand twenty-two--two thousand twenty-three school year; and
fifty thousand dollars for the two thousand twenty-three--two thousand
twenty-four school year, and thereafter. Any gifts, donations or inter-
est earned by the board of cooperative educational services or on behalf
of the board of cooperative educational services by the dormitory
authority or any other source shall not be deducted in determining the
cost of services allocated to each component school district. Any
payments made to a component school district by the board of cooperative
educational services pursuant to subdivision eleven of section six-p of
the general municipal law attributable to an approved cost of service
computed pursuant to this subdivision shall be deducted from the cost of
services allocated to such component school district. The expense of
transportation provided by the board of cooperative educational services
pursuant to paragraph q of subdivision four of this section shall be
eligible for aid apportioned pursuant to subdivision seven of section
thirty-six hundred two of this chapter and no board of cooperative
educational services transportation expense shall be an approved cost of
services for the computation of aid under this subdivision. Transpor-
tation expense pursuant to paragraph q of subdivision four of this section
shall be included in the computation of the ten percent limitation on administrative and clerical expenses.

§ 9. Paragraph b of subdivision 10 of section 3602 of the education law, as amended by section 16 of part B of chapter 57 of the laws of 2007, is amended to read as follows:

b. Aid for career education. There shall be apportioned to such city school districts and other school districts which were not components of a board of cooperative educational services in the base year for pupils in grades [ten] nine through twelve in attendance in career education programs as such programs are defined by the commissioner, subject for the purposes of this paragraph to the approval of the director of the budget, an amount for each such pupil to be computed by multiplying the career education aid ratio by [three] four thousand [nine] one hundred dollars. Such aid will be payable for weighted pupils attending career education programs operated by the school district and for weighted pupils for whom such school district contracts with boards of cooperative educational services to attend career education programs operated by a board of cooperative educational services. Weighted pupils for the purposes of this paragraph shall mean the sum of (i) the product of the attendance of students in grade nine multiplied by the special services phase-in factor plus (ii) the attendance of students in grades ten through twelve in career education sequences in trade, industrial, technical, agricultural or health programs plus the product of sixteen hundredths multiplied by the sum of (i) the product of the attendance of students in grade nine multiplied by the special services phase-in factor plus (ii) the attendance of students in grades ten through twelve in career education sequences in business and marketing as defined by the commissioner in regulations; provided that the special services phase-in factor shall be (i) for the two thousand twenty--two thousand twenty-one school year, twenty-five percent (0.25), (ii) for the two thousand twenty-one--two thousand twenty-two school year, fifty percent (0.5), (iii) for the two thousand twenty-two--two thousand twenty-three school year, seventy-five percent (0.75), and (iv) for the two thousand twenty-three--two thousand twenty-four school year and thereafter, one hundred percent (1.0). The career education aid ratio shall be computed by subtracting from one the product obtained by multiplying fifty-nine percent by the combined wealth ratio. This aid ratio shall be expressed as a decimal carried to three places without rounding, but not less than thirty-six percent.

Any school district that receives aid pursuant to this paragraph shall be required to use such amount to support career education programs in the current year.

A board of education which spends less than its local funds as defined by regulations of the commissioner for career education in the base year during the current year shall have its apportionment under this subdivision reduced in an amount equal to such deficiency in the current or a succeeding school year, provided however that the commissioner may waive such reduction upon determination that overall expenditures per pupil in support of career education programs were continued at a level equal to or greater than the level of such overall expenditures per pupil in the preceding school year.

§ 10. Paragraph a of subdivision 14 of section 305 of the education law, as amended by chapter 273 of the laws of 1999, is amended to read as follows:

a. (1) All contracts for the transportation of school children, all contracts to maintain school buses owned or leased by a school district
that are used for the transportation of school children, all contracts for mobile instructional units, and all contracts to provide, maintain and operate cafeteria or restaurant service by a private food service management company shall be subject to the approval of the commissioner, who may disapprove a proposed contract if, in his or her opinion, the best interests of the district will be promoted thereby. Except as provided in paragraph e of this subdivision, all such contracts involving an annual expenditure in excess of the amount specified for purchase contracts in the bidding requirements of the general municipal law shall be awarded to the lowest responsible bidder, which responsibility shall be determined by the board of education or the trustee of a district, with power hereby vested in the commissioner to reject any or all bids if, in his or her opinion, the best interests of the district will be promoted thereby and, upon such rejection of all bids, the commissioner shall order the board of education or trustee of the district to seek, obtain and consider new proposals. All proposals for such transportation, maintenance, mobile instructional units, or cafeteria and restaurant service shall be in such form as the commissioner may prescribe. Advertisement for bids shall be published in a newspaper or newspapers designated by the board of education or trustee of the district having general circulation within the district for such purpose. Such advertisement shall contain a statement of the time when and place where all bids received pursuant to such advertisement will be publicly opened and read either by the school authorities or by a person or persons designated by them. All bids received shall be publicly opened and read at the time and place so specified. At least five days shall elapse between the first publication of such advertisement and the date so specified for the opening and reading of bids. The requirement for competitive bidding shall not apply to an award of a contract for the transportation of pupils or a contract for mobile instructional units, if such award is based on an evaluation of proposals in response to a request for proposals pursuant to paragraph e of this subdivision. The requirement for competitive bidding shall not apply to annual, biennial, or triennial extensions of a contract nor shall the requirement for competitive bidding apply to quadrennial or quinquennial year extensions of a contract involving transportation of pupils, maintenance of school buses or mobile instructional units secured either through competitive bidding or through evaluation of proposals in response to a request for proposals pursuant to paragraph e of this subdivision, when such extensions [(1)] [(i)] are made by the board of education or the trustee of a district, under rules and regulations prescribed by the commissioner, and, [(2)] [(ii)] do not extend the original contract period beyond five years from the date cafeteria and restaurant service commenced thereunder and in the case of contracts for the transportation of pupils, for the maintenance of school buses or for mobile instructional units, that such contracts may be extended, except that power is hereby vested in the commissioner, in addition to his or her existing statutory authority to approve or disapprove transportation or maintenance contracts, [(3)] [(A)] to reject any extension of a contract beyond the initial term thereof if he or she finds that amount to be paid by the district to the contractor in any year of such proposed extension fails to reflect any decrease in the regional consumer price index for the N.Y., N.Y.-Northeastern, N.J. area, based upon the index for all urban consumers (CPI-U) during the preceding twelve month period; and [(4)] [(B)] to reject any extension of a contract after ten years from the date transportation or maintenance service commenced thereunder, or mobile
instructional units were first provided, if in his or her opinion, the
best interests of the district will be promoted thereby. Upon such
rejection of any proposed extension, the commissioner may order the
board of education or trustee of the district to seek, obtain and
consider bids pursuant to the provisions of this section. The board of
education or the trustee of a school district electing to extend a
contract as provided herein, may, in its discretion, increase the amount
to be paid in each year of the contract extension by an amount not to
exceed the regional consumer price index increase for the N.Y.,
N.Y.-Northeastern, N.J. area, based upon the index for all urban consum-
ers (CPI-U), during the preceding twelve month period, provided it has
been satisfactorily established by the contractor that there has been at
least an equivalent increase in the amount of his or her cost of opera-
tion, during the period of the contract.

(2) Notwithstanding any other provision of this subdivision, the board
of education of a school district located in a city with at least one
million inhabitants shall include in contracts for the transportation of
school children in kindergarten through grade twelve, whether awarded
through competitive bidding or through evaluation of proposals in
response to a request for proposals pursuant to paragraph e of this
subdivision, provisions for the retention or preference in hiring of
school bus workers and for the preservation of wages, health, welfare
and retirement benefits and seniority for school bus workers who are
hired pursuant to such provisions for retention or preference in hiring,
in connection with such contracts. For purposes of this subparagraph,
"school bus worker" shall mean an operator, mechanic, dispatcher or
attendant who: (i) was employed as of June thirtieth, two thousand ten

contract with the board of education of a school district located in a

such contract, or (B) a subcontractor of a contractor that was a party
to a contract with the board of education of a school district located
in a city with at least one million inhabitants for the transportation
of school children in kindergarten through grade twelve, in connection
with such contract; and (ii) has been furloughed or become unemployed as
a result of a loss of such contract, or a part of such contract, by such
contractor or such subcontractor, or as the result of a reduction in
service directed by such board of education during the term of such
contract.

Section 1. Section 7408 of the education law is amended by adding a
new subdivision 6 to read as follows:
6. Notwithstanding any other provision of law, any firm established to
lawfully engage in the practice of public accountancy pursuant to arti-
cle fifteen of the business corporation law, articles one and eight-B of
the partnership law, or articles twelve and thirteen of the limited
liability company law shall be deemed eligible to register pursuant to
this section.
§ 2. Section 1503 of the business corporation law is amended by adding
a new paragraph (h) to read as follows:
(h) Any firm established for the business purpose of incorporating as
a professional service corporation formed to lawfully engage in the
practice of public accountancy, as such practice is respectively defined
under article one hundred forty-nine of the education law shall be
required to show (1) that a simple majority of the ownership of the
firm, in terms of financial interests, including ownership-based compen-
sation, and voting rights held by the firm's owners, belongs to individ-
uals licensed to practice public accountancy in some state, and (2) that
all shareholders of a professional service corporation whose principal
place of business is in this state, and who are engaged in the practice
of public accountancy in this state, hold a valid license issued under
section seventy-four hundred four of the education law or are public
accountants licensed under section seventy-four hundred five of the
education law. Although firms may include non-licensee owners, the firm
and its owners must comply with rules promulgated by the state board of
regents. Notwithstanding the provisions of this paragraph, a firm
incorporated under this section may not have non-licensee owners if the
firm's name includes the words "certified public accountant," or "certi-
fied public accountants," or the abbreviations "CPA" or "CPAs". Each
non-licensee owner of a firm that is incorporated under this section
shall be a natural person who actively participates in the business of
the firm or its affiliated entities. For purposes of this subdivision,
"actively participate" means to provide services to clients or to other-
wise individually take part in the day-to-day business or management of
the firm. Such a firm shall have attached to its certificate of incorpo-
ration a certificate or certificates demonstrating the firm's compliance
with this paragraph, in lieu of the certificate or certificates required
by subparagraph (ii) of paragraph (b) of this section.

§ 3. Section 1507 of the business corporation law is amended by adding
a new paragraph (c) to read as follows:
(c) Any firm established for the business purpose of incorporating as
a professional service corporation pursuant to paragraph (h) of section
fifteen hundred three of this article may issue shares to individuals
who are authorized by law to practice in this state a profession which
such corporation is authorized to practice and who are or have been
engaged in the practice of such profession in such corporation or a
predecessor entity, or who will engage in the practice of such profes-
sion in such corporation within thirty days of the date such shares are
issued and may also issue shares to employees of the corporation not
licensed as certified public accountants, provided that:
(i) at least fifty-one percent of the outstanding shares of stock of
the corporation are owned by certified public accountants,
(ii) at least fifty-one percent of the directors are certified public
accountants,
(iii) at least fifty-one percent of the officers are certified public
accountants,
(iv) the president, the chairperson of the board of directors and the
chief executive officer or officers are certified public accountants.
No shareholder of a firm established for the business purpose of incor-
porating as a professional service corporation pursuant to paragraph (h)
of section fifteen hundred three of this article shall enter into a
voting trust agreement, proxy or any other type of agreement vesting in
another person, other than another shareholder of the same corporation,
the authority to exercise voting power of any or all of his or her
shares. All shares issued, agreements made or proxies granted in
violation of this section shall be void.

§ 4. Section 1508 of the business corporation law is amended by adding
a new paragraph (c) to read as follows:
(c) The directors and officers of any firm established for the busi-
ness purpose of incorporating as a professional service corporation
pursuant to paragraph (h) of section fifteen hundred three of this article may include individuals who are not licensed to practice public accountancy, provided however that at least fifty-one percent of the directors, at least fifty-one percent of the officers and the president, the chairperson of the board of directors and the chief executive officer or officers are authorized by law to practice in this state a profession which such corporation is authorized to practice, and are either shareholders of such corporation or engaged in the practice of their professions in such corporation.

§ 5. Section 1509 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and employees.

If any shareholder, director, officer or employee of a professional service corporation, including a design professional service corporation, or any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, who has been rendering professional service to the public becomes legally disqualified to practice his profession within this state, he shall sever all employment with, and financial interests (other than interests as a creditor) in, such corporation forthwith or as otherwise provided in section 1510 of this article. All provisions of law regulating the rendering of professional services by a person elected or appointed to a public office shall be applicable to a shareholder, director, officer and employee of such corporation in the same manner and to the same extent as if fully set forth herein. Such legal disqualification to practice his profession within this state shall be deemed to constitute an irrevocable offer by the disqualified shareholder to sell his shares to the corporation, pursuant to the provisions of section 1510 of this article or of the certificate of incorporation, by-laws or agreement among the corporation and all shareholders, whichever is applicable. Compliance with the terms of such offer shall be specifically enforceable in the courts of this state. A professional service corporation's failure to enforce compliance with this provision shall constitute a ground for forfeiture of its certificate of incorporation and its dissolution.

§ 6. Paragraph (a) of section 1511 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended and a new paragraph (c) is added to read as follows:

(a) No shareholder of a professional service corporation, including a design professional service corporation, or any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, may sell or transfer his shares in such corporation except to another individual who is eligible to have shares issued to him by such corporation or except in trust to another individual who would be eligible to receive shares if he were employed by the corporation. Nothing herein contained shall be construed to prohibit the transfer of shares by operation of law or by court decree. No transferee of shares by operation of law or court decree may vote the shares for any purpose whatsoever except with respect to corporate action under sections 909 and 1001 of this chapter. The restriction in the preceding sentence shall not apply, however, where such transferee would be eligible to have shares issued to him if he were an employee of the corporation and, if there are other shareholders, a majority of such other shareholders shall fail to redeem the shares so transferred, pursuant to
section 1510 of this article, within sixty days of receiving written notice of such transfer. Any sale or transfer, except by operation of law or court decree or except for a corporation having only one shareholder, may be made only after the same shall have been approved by the board of directors, or at a shareholders' meeting specially called for such purpose by such proportion, not less than a majority, of the outstanding shares as may be provided in the certificate of incorporation or in the by-laws of such professional service corporation. At such shareholders' meeting the shares held by the shareholder proposing to sell or transfer his shares may not be voted or counted for any purpose, unless all shareholders consent that such shares be voted or counted. The certificate of incorporation or the by-laws of the professional service corporation, or the professional service corporation and the shareholders by private agreement, may provide, in lieu of or in addition to the foregoing provisions, for the alienation of shares and may require the redemption or purchase of such shares by such corporation at prices and in a manner specifically set forth therein. The existence of the restrictions on the sale or transfer of shares, as contained in this article and, if applicable, in the certificate of incorporation, by-laws, stock purchase or stock redemption agreement, shall be noted conspicuously on the face or back of every certificate for shares issued by a professional service corporation. Any sale or transfer in violation of such restrictions shall be void.

(c) A firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, shall purchase or redeem the shares of a non-licensed professional shareholder in the case of his or her termination of employment within thirty days after such termination. A firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, shall not be required to purchase or redeem the shares of a terminated non-licensed professional shareholder if such shares, within thirty days after such termination, are sold or transferred to another employee of the corporation pursuant to this article.

§ 7. Paragraph (a) of section 1512 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

(a) Notwithstanding any other provision of law, the name of a professional service corporation, including a design professional service corporation and any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, may contain any word which, at the time of incorporation, could be used in the name of a partnership practicing a profession which the corporation is authorized to practice, and may not contain any word which could not be used by such a partnership. Provided, however, the name of a professional service corporation may not contain the name of a deceased person unless:

(1) such person's name was part of the corporate name at the time of such person's death; or

(2) such person's name was part of the name of an existing partnership and at least two-thirds of such partnership's partners become shareholders of the corporation.

§ 8. Section 1514 of the business corporation law is amended by adding a new paragraph (c) to read as follows:
(c) Each firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall, at least once every three years on or before the date prescribed by the licensing authority, furnish a statement to the licensing authority listing the names and residence addresses of each shareholder, director and officer of such corporation and certify as the date of certification and at all times over the entire three year period that:

(i) at least fifty-one percent of the outstanding shares of stock of the corporation are and were owned by certified public accountants,

(ii) at least fifty-one percent of the directors are and were certified public accountants,

(iii) at least fifty-one percent of the officers are and were certified public accountants,

§ 3. The vehicle and traffic law is amended by adding a new section
1118 to read as follows:

§ 1118. Owner liability for operator illegally overtaking or passing a
school bus. (a) 1. Notwithstanding any other provision of law, each
board of education or trustees of a school district is hereby authorized
and empowered to adopt and amend a resolution establishing a school bus
safety camera program imposing monetary liability on the owner of a
vehicle for failure of an operator thereof to comply with section eleven
hundred seventy-four of this title. Such program shall empower a board
of education or school district or school bus transportation contractor
that has contracted with such school district to install school bus
safety cameras upon school buses operated by or contracted with such
district.

2. Such program shall utilize necessary technologies to ensure, to the
extent practicable, that photographs produced by such school bus safety
cameras shall not include images that identify the driver, the passen-
gers, or the contents of the vehicle. Provided, however, that no notice
of liability issued pursuant to this section shall be dismissed solely
because a photograph or photographs allow for the identification of the
contents of a vehicle, provided that such school district has made a
reasonable effort to comply with the provisions of this paragraph.

(b) In any school district which has adopted a resolution pursuant to
subdivision (a) of this section, the owner of a vehicle shall be liable
for a penalty imposed pursuant to this section if such vehicle was used
or operated with the permission of the owner, express or implied, in
violation of subdivision (a) of section eleven hundred seventy-four of
this title, and such violation is evidenced by information obtained from
a school bus safety camera; provided however that no owner of a vehicle
shall be liable for a penalty imposed pursuant to this section where the
operator of such vehicle has been convicted of the underlying violation of subdivision (a) of section eleven hundred seventy-four of this title.

(c) For purposes of this section, "owner" shall have the meaning provided in article two-B of this chapter. For purposes of this section, "school bus safety camera" shall mean an automated photo monitoring device affixed to the outside of a school bus and designated to detect and store videotape and one or more images of motor vehicles that overtake or pass school buses in violation of subdivision (a) of section eleven hundred seventy-four of this title.

(d) No school district or school bus transportation contractor that has installed cameras pursuant to this section shall access the images from such cameras but shall provide, pursuant to an agreement with the appropriate law enforcement agency or agencies, for the proper handling and custody of such images for the forwarding of such images from such cameras to a law enforcement agency having jurisdiction in the area in which the violation occurred for the purpose of imposing monetary liability on the owner of a motor vehicle for illegally overtaking or passing a school bus in violation of subdivision (a) of section eleven hundred seventy-four of this title. After receipt of such images a police officer shall inspect such videotape and images to determine whether a violation of subdivision (a) of section eleven hundred seventy-four of this title was committed. Upon such a finding a certificate, sworn to or affirmed by an officer of such agency, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a school bus safety camera, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

(e) An owner found liable pursuant to this section for a violation of subdivision (a) of section eleven hundred seventy-four of this title shall be liable for a monetary penalty of two hundred fifty dollars.

(e-1) Payment of the monetary penalty imposed by subdivision (e) of this section shall be payable to the school district. Nothing herein shall prevent the school district from entering into a memorandum of understanding with a local law enforcement agency to return a portion of such penalty received to the local law enforcement agency, provided however, in no case shall such portion returned to a local law enforcement agency exceed twenty percent of the amount received by the school district.

(f) An imposition of liability under this section shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

(g) 1. A notice of liability shall be sent by the respective law enforcement agency by first class mail to each person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section, the registration number of the vehicle involved in such
violation, the location where such violation took place, the date and

time of such violation and the identification number of the camera which

recorded the violation or other document locator number.

3. The notice of liability shall contain information advising the

person charged of the manner and the time in which he may contest the

liability alleged in the notice. Such notice of liability shall also

contain a warning to advise the persons charged that failure to contest

in the manner and time provided shall be deemed an admission of liabil-

ity and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by the respec-

tive law enforcement agency having jurisdiction over the location where

the violation occurred.

(h) Adjudication of the liability imposed upon owners by this section

shall be by a traffic violations bureau established pursuant to section

three hundred seventy of the general municipal law or, if there be none,

by the court having jurisdiction over traffic infractions, except that

any city which has established or designated an administrative tribunal

to hear and determine owner liability established by this article for

failure to comply with traffic-control indications shall use such tribu-

nal to adjudicate the liability imposed by this section.

(i) If an owner receives a notice of liability pursuant to this

section for any time period during which the vehicle was reported to a

police department as having been stolen, it shall be a valid defense to

an allegation of liability for a violation of subdivision (a) of section

eleven hundred seventy-four of this title pursuant to this section that

the vehicle had been reported to the police as stolen prior to the time

the violation occurred and had not been recovered by such time. For

purposes of asserting the defense provided by this subdivision it shall

be sufficient that a certified copy of the police report on the stolen

vehicle be sent by first class mail to the traffic violations bureau,

court having jurisdiction or parking violations bureau.

(j) Where the adjudication of liability imposed upon owners pursuant

to this section is by an administrative tribunal, traffic violations

bureau, or a court having jurisdiction, an owner who is a lessor of a

vehicle to which a notice of liability was issued pursuant to subdivi-

sion (g) of this section shall not be liable for the violation of subdi-

vision (a) of section eleven hundred seventy-four of this title,

provided that he or she sends to the administrative tribunal, traffic

violations bureau, or court having jurisdiction a copy of the rental,

lease or other such contract document covering such vehicle on the date

of the violation, with the name and address of the lessee clearly legi-

ble, within thirty-seven days after receiving notice from the bureau or

court of the date and time of such violation, together with the other

information contained in the original notice of liability. Failure to

send such information within such thirty-seven day time period shall

render the owner liable for the penalty prescribed by this section. Where

the lessor complies with the provisions of this paragraph, the

lessee of such vehicle on the date of such violation shall be deemed to

be the owner of such vehicle for purposes of this section, shall be

subject to liability for the violation of subdivision (a) of section

eleven hundred seventy-four of this title pursuant to this section and

shall be sent a notice of liability pursuant to subdivision (g) of this

section.

(k) 1. If the owner liable for a violation of subdivision (a) of

section eleven hundred seventy-four of this title pursuant to this

section was not the operator of the vehicle at the time of the
violation, the owner may maintain an action for indemnification against
the operator.

2. Notwithstanding any other provision of this section, no owner of a
vehicle shall be subject to a monetary fine imposed pursuant to this
section if the operator of such vehicle was operating such vehicle with-
out the consent of the owner at the time such operator was found to have
been overtaking or passing a school bus. For purposes of this subdivi-
sion there shall be a presumption that the operator of such vehicle was
operating such vehicle with the consent of the owner at the time such
operator was found to have been overtaking or passing a school bus.

(l) Nothing in this section shall be construed to limit the liability
of an operator of a vehicle for any violation of subdivision (a) of
section eleven hundred seventy-four of this title.

(m) In any school district which adopts a school bus safety camera
program pursuant to subdivision (a) of this section, such school
district shall submit an annual report on the results of the use of its
school bus safety cameras to the governor, the temporary president of
the senate and the speaker of the assembly on or before June first, two
thousand nineteen and on the same date in each succeeding year in which
the demonstration program is operable. Such report shall include, but
not be limited to:

1. a description of the number of busses and routes where school bus
safety cameras were used;
2. the aggregate number of annual incidents of violations of subdivi-
sion (a) of section eleven hundred seventy-four of this title within the
district;
3. the number of violations recorded by school bus safety cameras in
the aggregate and on a daily, weekly and monthly basis;
4. the total number of notices of liability issued for violations
recorded by such systems;
5. the number of fines and total amount of fines paid after first
notice of liability issued for violations recorded by such systems;
6. the number of violations adjudicated and results of such adjudi-
cations including breakdowns of dispositions made for violations
recorded by such systems;
7. the total amount of revenue realized by such school district from
such adjudications;
8. expenses incurred by such school district in connection with the
program; and
9. quality of the adjudication process and its results.

(n) It shall be a defense to any prosecution for a violation of subdi-
vision (a) of section eleven hundred seventy-four of this title that
such school bus safety cameras were malfunctioning at the time of the
alleged violation.

§ 4. Subdivision (c) of section 1174 of the vehicle and traffic law,
as amended by chapter 254 of the laws of 2002, is amended to read as
follows:
(c) Every person convicted of a violation of subdivision (a) of this
section shall: for a first conviction thereof, be punished by a fine of
not less than [two hundred fifty] five hundred dollars nor more than
seven hundred fifty dollars or by imprisonment for not more than
thirty days or by both such fine and imprisonment; for a conviction of a
second violation, both of which were committed within a period of three
years, such person shall be punished by a fine of not less than [six
hundred] one thousand dollars nor more than [seven] one thousand two
hundred fifty dollars or by imprisonment for not more than one hundred
eighty days or by both such fine and imprisonment; upon a conviction of
a third or subsequent violation, all of which were committed within a
period of three years, such person shall be punished by a fine of not
less than \(\text{seven hundred fifty} \) one thousand two hundred fifty dollars
nor more than one thousand five hundred dollars or by imprisonment for
not more than one hundred eighty days or by both such fine and imprison-

(iii) where appropriate, whether reasonable efforts were made prior to the date of the court hearing that resulted in the detention order, to prevent or eliminate the need for removal of the child from his or her home or, if the child had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the child to safely return home; and

(iii) assess whether the youth would benefit from residential respite services; and

(iv) [determine whether alternatives to detention are appropriate to avoid remand of the youth to detention] assess whether the youth is a sexually exploited child as defined in section four hundred forty-sev-

(v) determine whether an assessment of the youth for substance use
disorder by an office of alcoholism and substance abuse services certi-
fi ed provider is necessary when a person seeking to file a petition
alleges in such petition that the youth is suffering from a substance
use disorder which could make the youth a danger to himself or herself
or others. Provided, however, that notwithstanding any other provision
of law to the contrary, the designated lead agency shall not be required
to pay for all or any portion of the costs of such assessment or for any
substance use disorder or detoxification services, except in cases where

this section may continue after the filing of a petition where the
designated lead agency determines that the youth and his or her family
will benefit from further attempts to prevent placement of the youth

fifty-six of this article.

§ 8. Section 739 of the family court act, as amended by chapter 920 of

discretion may release the respondent [or direct his or her detention].
If the respondent may be a sexually exploited child as defined in subdi-
vision one of section four hundred forty-seven-a of the social services
law, the court may direct the respondent to an available short-term safe
house [as an alternative to detention. However, the court shall not
direct detention unless it finds and states the facts and reasons for so
finding that unless the respondent is detained there is a substantial
probability that the respondent will not appear in court on the return
date and all available alternatives to detention have been exhausted.

(b) Unless the respondent waives a determination that probable cause
e xists to believe that he is a person in need of supervision, no
detention under this section may last more than three days (i) unless
the court finds, pursuant to the evidentiary standards applicable to a
hearing on a felony complaint in a criminal court, that such probable
cause exists, or (ii) unless special circumstances exist, in which cases
such detention may be extended not more than an additional three days
exclusive of Saturdays, Sundays and public holidays.

(c) Upon a finding of facts and reasons which support a detention
order pursuant to subdivision (a) of this section, the court shall also
determine and state in any order directing detention:

(i) whether continuation of the respondent’s home
would be contrary to the best interests of the respondent based upon,
and limited to, the facts and circumstance available to the court at the
time of the court’s determination in accordance with this section; and
(ii) where appropriate, whether reasonable efforts were made prior to the date of the court order directing detention in accordance with this section, to prevent or eliminate the need for removal of the respondent from his or her home or, if the respondent had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the respondent to safely return home.

(a) The order shall state the court's reasons for the particular disposition. If the court places the child in accordance with section seven hundred fifty-six of this part, the court in its order shall determine: (i) whether continuation in the child's home would be contrary to the best interest of the child and where appropriate, that reasonable efforts were made prior to the date of the dispositional hearing held pursuant to this article to prevent or eliminate the need for removal of the child from his or her home and, if the child was removed from his or her home prior to the date of such hearing, that such removal was in the child's best interest and, where appropriate, reasonable efforts were made to make it possible for the child to return safely home. If the court determines that reasonable efforts to prevent or eliminate the need for removal of the child from the home were not made but that the lack of such efforts was appropriate under the circumstances, the court order shall include such a finding; and (ii) in the case of a child who has attained the age of fourteen, the services needed, if any, to assist the child to make the transition from foster care to independent living. [Nothing in this subdivision shall be construed to modify the standards for directing detention set forth in section seven hundred thirty-nine of this article.]

SUBPART A

Section 1. Section 2 of the lien law is amended by adding three new subdivisions 21, 22 and 23 to read as follows:

21. Employee. The term "employee", when used in this chapter, shall have the same meaning as "employee" pursuant to articles one, six, nineteen and nineteen-A of the labor law, as applicable, or the Fair Labor Standards Act, 29 U.S.C. § 201 et. seq., as applicable.

22. Employer. The term "employer", when used in this chapter, shall have the same meaning as "employer" pursuant to articles one, six, nineteen and nineteen-A of the labor law, as applicable, or the Fair Labor Standards Act, 29 U.S.C. § 201 et. seq., as applicable.

23. Wage claim. The term "wage claim", when used in this chapter, means a claim that an employee has suffered a violation of sections one hundred seventy, one hundred ninety-one, one hundred ninety-three, one hundred ninety-six-d, six hundred fifty-two or six hundred seventy-three of the labor law or the related regulations and wage orders promulgated by the commissioner, a claim for wages due to an employee pursuant to an employment contract that were unpaid in violation of that contract, or a claim that an employee has suffered a violation of 29 U.S.C. § 206 or 207.

§ 2. Section 3 of the lien law, as amended by chapter 137 of the laws of 1985, is amended to read as follows:

§ 3. Mechanic's lien and employee's lien on [real] property. 1. Mechanic's lien. A contractor, subcontractor, laborer, materialman, landscape gardener, nurseryman or person or corporation selling fruit or ornamental trees, roses, shrubbery, vines and small fruits, who performs labor or furnishes materials for the improvement of real property with the consent or at the request of the owner thereof, or of his agent, contractor or subcontractor, and any trust fund to which benefits and wage supplements are due or payable for the benefit of such laborers, shall have a lien for the principal and interest, of the value, or the agreed price, of such labor, including benefits and wage supplements due or payable for the benefit of any laborer, or materials upon the real property improved or to be improved and upon such improvement, from the time of filing a notice of such lien as prescribed in this chapter. Where the contract for an improvement is made with a husband or wife and the property belongs to the other or both, the husband or wife contracting shall also be presumed to be the agent of the other, unless such other having knowledge of the improvement shall, within ten days after learning of the contract give the contractor written notice of his or her refusal to consent to the improvement. Within the meaning of the
provisions of this chapter, materials actually manufactured for but not delivered to the real property, shall also be deemed to be materials furnished.

2. Employee's lien. An employee who has a wage claim as that term is defined in subdivision twenty-three of section two of this chapter shall have a lien on his or her employer's interest in property for the value of the wage claim arising out of the employment, including liquidated damages pursuant to subdivision one-a of section one hundred ninety-eight, section six hundred sixty-three or section six hundred eighty-one of the labor law, or 29 U.S.C. § 216 (b), from the time of filing a notice of such lien as prescribed in this chapter. An employee's lien based on a wage claim may be had against the employer's interest in real property and against the employer's interest in personal property that can be sufficiently described within the meaning of section 9-108 of the uniform commercial code, except that an employee's lien shall not extend to deposit accounts or goods as those terms are defined in section 9-102 of the uniform commercial code. The department of labor and the attorney general may obtain an employee's lien for the value of wage claims of the employees who are the subject of their investigations, court actions or administrative agency actions.

3. As used in this article and unless otherwise specified, a lien shall mean an employee's lien or a mechanic's lien.

§ 3. Subdivisions 1 and 2 of section 4 of the lien law, subdivision 1 as amended by chapter 515 of the laws of 1929 and subdivision 2 as added by chapter 704 of the laws of 1985, are amended to read as follows:

(1) A mechanic's or employee's lien and employee's lien against real property shall extend to the owner's right, title or interest in the real property and improvements, existing at the time of filing the notice of lien, or thereafter acquired, except as hereinafter in this article provided. If an owner assigns his interest in such real property by a general assignment for the benefit of creditors, within thirty days prior to such filing, the lien shall extend to the interest thus assigned. If any part of the real property subjected to such lien be removed by the owner or by any other person, at any time before the discharge thereof, such removal shall not affect the rights of the lienor, either in respect to the remaining real property, or the part so removed. If labor is performed for, or materials furnished to, a contractor or subcontractor for an improvement, the mechanic's lien shall not be for a sum greater than the sum earned and unpaid on the contract at the time of filing the notice of lien, and any sum subsequently earned thereon. In no case shall the owner be liable to pay by reason of all mechanic's liens created pursuant to this article a sum greater than the value or agreed price of the labor and materials remaining unpaid, at the time of filing notices of such liens, except as hereinafter provided.

(2) A mechanic's or employee's lien shall not extend to the owner's right, title or interest in real property and improvements, existing at the time of filing the notice of lien if such lien arises from the failure of a lessee of the right to explore, develop or produce natural gas or oil, to pay for, compensate or render value for improvements made with the consent or at the request of such lessee by a contractor, subcontractor, materialman, equipment operator or owner, landscaper, nurseryman, or person or corporation who performs labor or furnishes materials for the exploration, development, or production of oil or natural gas or otherwise improves such leased property. Such mechanic's or employee's lien shall extend to the improvements made for
the exploration, development and production of oil and natural gas, and
the working interest held by a lessee of the right to explore, develop
or produce oil and natural gas.
§ 4. The opening paragraph of section 4-a of the lien law, as amended
by chapter 696 of the laws of 1959, is amended to read as follows:
The proceeds of any insurance which by the terms of the policy are
payable to the owner of real property improved, and actually received or
to be received by him because of the destruction or removal by fire or
other casualty of an improvement on which lienors have performed labor
or services or for which they have furnished materials, or upon which an
employee has established an employee's lien, shall after the owner has
been reimbursed therefrom for premiums paid by him, if any, for such
insurance, be subject to liens provided by this act to the same extent
and in the same order of priority as the real property would have been
had such improvement not been so destroyed or removed.
§ 5. Subdivisions 1, 2 and 5 of section 9 of the lien law, as amended
by chapter 515 of the laws of 1929, are amended to read as follows:
1. The name of the lienor, and either the residence of the lienor or
the name and business address of the lienor's attorney, if any; and if
the lienor is a partnership or a corporation, the business address of
such firm, or corporation, the names of partners and principal place of
business, and if a foreign corporation, its principal place of business
within the state.
2. The name of the owner of the real property against whose interest
therein a lien is claimed, and the interest of the owner as far as known
to the lienor.
5. The amount unpaid to the lienor for such labor or materials, or the
amount of the wage claim if a wage claim is the basis for establish-
ment of the lien, the items of the wage claim and the value thereof which
make up the amount for which the lienor claims a lien.
§ 6. Subdivision 1 of section 10 of the lien law, as amended by chap-
ter 367 of the laws of 2011, is amended to read as follows:
1. (a) Notice of mechanic's lien may be filed at any time during the
progress of the work and the furnishing of the materials, or, within
eight months after the completion of the contract, or the final perform-
ance of the work, or the final furnishing of the materials, dating from
the last item of work performed or materials furnished; provided, howev-
er, that where the improvement is related to real property improved or
to be improved with a single family dwelling, the notice of mechanic's
lien may be filed at any time during the progress of the work and the
furnishing of the materials, or, within four months after the completion
of the contract, or the final performance of the work, or the final
furnishing of the materials, dating from the last item of work performed
or materials furnished; and provided further where the notice of mechan-
ic's lien is for retainage, the notice of mechanic's lien may be filed
within ninety days after the date the retainage was due to be released;
except that in the case of a mechanic's lien by a real estate broker,
the notice of mechanic's lien may be filed only after the performance of
the brokerage services and execution of lease by both lessor and lessee
and only if a copy of the alleged written agreement of employment or
compensation is annexed to the notice of lien, provided that where the
payment pursuant to the written agreement of employment or compensation
is to be made in installments, then a notice of lien may be filed within
eight months after the final payment is due, but in no event later than
a date five years after the first payment was made. For purposes of this
section, the term "single family dwelling" shall not include a dwelling
unit which is a part of a subdivision that has been filed with a munici-
pality in which the subdivision is located when at the time the lien is
filed, such property in the subdivision is owned by the developer for
purposes other than his personal residence. For purposes of this
section, "developer" shall mean and include any private individual,
partnership, trust or corporation which improves two or more parcels of
real property with single family dwellings pursuant to a common scheme
or plan. [The]

(b) Notice of employee's lien may be filed at any time not later than
three years following the end of the employment giving rise to the wage
claim.

(c) A notice of lien, other than for a lien on personal property, must
be filed in the clerk's office of the county where the property is situ-
ated. If such property is situated in two or more counties, the notice
of lien shall be filed in the office of the clerk of each of such coun-
ties. The county clerk of each county shall provide and keep a book to
be called the "lien docket," which shall be suitably ruled in columns
headed "owners," "lienors," "lienor's attorney," "property," "amount,"
"time of filing," "proceedings had," in each of which he shall enter the
particulars of the notice, properly belonging therein. The date, hour
and minute of the filing of each notice of lien shall be entered in the
proper column. Except where the county clerk maintains a block index,
the names of the owners shall be arranged in such book in alphabetical
order. The validity of the lien and the right to file a notice thereof
shall not be affected by the death of the owner before notice of the
lien is filed. A notice of employee's lien on personal property must be
filed, together with a financing statement, in the filing office as set
forth in section 9-501 of the uniform commercial code.

§ 7. Section 11 of the lien law, as amended by chapter 147 of the laws
of 1996, is amended to read as follows:

§ 11. Service of copy of notice of lien. 1. Within five days before
or thirty days after filing the notice of a mechanic's lien, the lienor
shall serve a copy of such notice upon the owner, if a natural person,
(a) by delivering the same to him personally, or if the owner cannot be
found, to his agent or attorney, or (b) by leaving it at his last known
place of residence in the city or town in which the real property or
some part thereof is situated, with a person of suitable age and
discretion, or (c) by registered or certified mail addressed to his last
known place of residence, or (d) if such owner has no such residence in
such city or town, or cannot be found, and he has no agent or attorney,
by affixing a copy thereof conspicuously on such property, between the
hours of nine o'clock in the forenoon and four o'clock in the afternoon;
if the owner be a corporation, said service shall be made (i) by deliv-
ering such copy to and leaving the same with the president, vice-presi-
dent, secretary or clerk to the corporation, the cashier, treasurer or a
director or managing agent thereof, personally, within the state, or
(ii) if such officer cannot be found within the state by affixing a copy
thereof conspicuously on such property between the hours of nine o'clock
in the forenoon and four o'clock in the afternoon, or (iii) by regis-
tered or certified mail addressed to its last known place of business.
Failure to file proof of such a service with the county clerk within
thirty-five days after the notice of lien is filed shall terminate the
notice as a lien. Until service of the notice has been made, as above
provided, an owner, without knowledge of the lien, shall be protected in
any payment made in good faith to any contractor or other person claim-
ing a lien.
2. Within five days before or thirty days after filing the notice of an employee's lien, the lienor shall serve a copy of such notice upon the employer, if a natural person, (a) by delivering the same to him personally, or if the employer cannot be found, to his agent or attorney, or (b) by leaving it as his last known place of residence or business, with a person of suitable age and discretion, or (c) by registered or certified mail addressed to his last known place of residence or business, or (d) if such employer owns real property, by affixing a copy thereof conspicuously on such property, between the hours of nine o'clock in the forenoon and four o'clock in the afternoon. The lienor also shall, within thirty days after filing the notice of employee's lien, affix a copy thereof conspicuously on the real property identified in the notice of employee's lien, between the hours of nine o'clock in the forenoon and four o'clock in the afternoon. If the employer be a corporation, said service shall be made (i) by delivering such copy to and leaving the same with the president, vice-president, secretary or clerk to the corporation, the cashier, treasurer or a director or managing agent thereof, personally, within the state, or (ii) if such officer cannot be found within the state by affixing a copy thereof conspicuously on such property between the hours of nine o'clock in the forenoon and four o'clock in the afternoon, or (iii) by registered or certified mail addressed to its last known place of business, or (iv) by delivery to the secretary of the department of state in the same manner as required by subparagraph one of paragraph (b) of section three hundred six of the business corporation law. Failure to file proof of such a service with the county clerk within thirty-five days after the notice of lien is filed shall terminate the notice as a lien. Until service of the notice has been made, as above provided, an owner, without knowledge of the lien, shall be protected in any payment made in good faith to any other person claiming a lien.

§ 8. Section 11-b of the lien law, as amended by chapter 147 of the laws of 1996, is amended to read as follows:

§ 11-b. Copy of notice of mechanic's lien to a contractor or subcontractor. Within five days before or thirty days after filing a notice of mechanic's lien in accordance with section ten of this chapter or the filing of an amendment of notice of mechanic's lien in accordance with section twelve-a of this [chapter] article the lienor shall serve a copy of such notice or amendment by certified mail on the contractor, subcontractor, assignee or legal representative for whom he was employed or to whom he furnished materials or if the lienor is a contractor or subcontractor to the person, firm or corporation with whom the contract was made. A lienor having a direct contractual relationship with a subcontractor or a sub-subcontractor but not with a contractor shall also serve a copy of such notice or amendment by certified mail to the contractor. Failure to file proof of such a service with the county clerk within thirty-five days after the notice of lien is filed shall terminate the notice as a lien. Any lienor, or a person acting on behalf of a lienor, who fails to serve a copy of the notice of mechanic's lien as required by this section shall be liable for reasonable attorney's fees, costs and expenses, as determined by the court, incurred in obtaining such copy.

§ 9. Subdivision 1 of section 12-a of the lien law, as amended by chapter 1048 of the laws of 1971, is amended to read as follows:

1. Within sixty days after the original filing, a lienor may amend his lien upon twenty days notice to existing lienors, mortgagees and the owner, provided that no action or proceeding to enforce or cancel the
mechanics' lien or employee's lien has been brought in the interim, where the purpose of the amendment is to reduce the amount of the lien, except the question of wilful exaggeration shall survive such amendment.

§ 10. Subdivision 1 of section 13 of the lien law, as amended by chapter 878 of the laws of 1947, is amended to read as follows:

(1) [A] An employee's lien, or a lien for materials furnished or labor performed in the improvement of real property, shall have priority over a conveyance, mortgage, judgment or other claim against such property not recorded, docketed or filed at the time of the filing of the notice of such lien, except as hereinafter in this chapter provided; over advances made upon any mortgage or other encumbrance thereon after such filing, except as hereinafter in this article provided; and over the claim of a creditor who has not furnished materials or performed labor upon such property, if such property has been assigned by the owner by a general assignment for the benefit of creditors, within thirty days before the filing of either of such notices; and also over an attachment hereafter issued or a money judgment hereafter recovered upon a claim, which, in whole or in part, was not for materials furnished, labor performed or moneys advanced for the improvement of such real property; and over any claim or lien acquired in any proceedings upon such judgment. Such liens shall also have priority over advances made upon a contract by an owner for an improvement of real property which contains an option to the contractor, his successor or assigns to purchase the property, if such advances were made after the time when the labor began or the first item of material was furnished, as stated in the notice of lien. If several buildings are demolished, erected, altered or repaired, or several pieces or parcels of real property are improved, under one contract, and there are conflicting liens thereon, each lienor shall have priority upon the particular part of the real property or upon the particular building or premises where his labor is performed or his materials are used. Persons shall have no priority on account of the time of filing their respective notices of liens, but all liens shall be on a parity except as hereinafter in section fifty-six of this chapter provided; and except that in all cases laborers for daily or weekly wages with a mechanic's lien, and employees with an employee's lien, shall have preference over all other claimants under this article.

§ 11. Section 17 of the lien law, as amended by chapter 324 of the laws of 2000, is amended to read as follows:

§ 17. Duration of lien. 1. (a) No mechanic's lien specified in this article shall be a lien for a longer period than one year after the notice of lien has been filed, unless within that time an action is commenced to foreclose the lien, and a notice of the pendency of such action, whether in a court of record or in a court not of record, is filed with the county clerk of the county in which the notice of lien is filed, containing the names of the parties to the action, the object of the action, a brief description of the real property affected thereby, and the time of filing the notice of lien; or unless an extension to such lien, except for a lien on real property improved or to be improved with a single family dwelling, is filed with the county clerk of the county in which the notice of lien is filed within one year from the filing of the original notice of lien, continuing such lien and such lien shall be redocketed as of the date of filing such extension. Such extension shall contain the names of the lienor and the owner of the real property against whose interest therein such lien is claimed, a brief description of the real property affected by such lien, the amount of such lien, and the date of filing the notice of lien. No lien shall
be continued by such extension for more than one year from the filing thereof. In the event an action is not commenced to foreclose the lien within such extended period, such lien shall be extinguished unless an order be granted by a court of record or a judge or justice thereof, continuing such lien, and such lien shall be redocketed as of the date of granting such order and a statement made that such lien is continued by virtue of such order. A lien on real property improved or to be improved with a single family dwelling may only be extended by an order of a court of record, or a judge or justice thereof. No lien shall be continued by court order for more than one year from the granting thereof, but a new order and entry may be made in each of two successive years. If a lienor is made a party defendant in an action to enforce another lien, and the plaintiff or such defendant has filed a notice of the pendency of the action within the time prescribed in this section, the lien of such defendant is thereby continued. Such action shall be deemed an action to enforce the lien of such defendant lienor. The failure to file a notice of pendency of action shall not abate the action as to any person liable for the payment of the debt specified in the notice of lien, and the action may be prosecuted to judgment against such person. The provisions of this section in regard to continuing liens shall apply to liens discharged by deposit or by order on the filing of an undertaking. Where a lien is discharged by deposit or by order, a notice of pendency of action shall not be filed.

(b) A lien, the duration of which has been extended by the filing of a notice of the pendency of an action as above provided, shall nevertheless terminate as a lien after such notice has been canceled as provided in section sixty-five hundred fourteen of the civil practice law and rules or has ceased to be effective as constructive notice as provided in section sixty-five hundred thirteen of the civil practice law and rules.

2. (a) No employee's lien on real property shall be a lien for a longer period than one year after the notice of lien has been filed, unless an extension to such lien is filed with the county clerk of the county in which the notice of lien is filed within one year from the filing of the original notice of lien, continuing such lien and such lien shall be redocketed as of the date of filing such extension. Such extension shall contain the names of the lienor and the owner of the real property against whose interest therein such lien is claimed, a brief description of the property affected by such lien, the amount of such lien, and the date of filing the notice of lien. No lien shall be continued by such extension for more than one year from the filing thereof. In the event an action is not commenced to obtain judgment on the wage claim or to foreclose the lien within such extended period, such lien shall be extinguished unless an order be granted by a court of record or a judge or justice thereof, continuing such lien, and such lien shall be redocketed as of the date of granting such order and a statement made that such lien is continued by virtue of such order.

(b) No employee's lien on personal property shall be a lien for a longer period than one year after the financing statement has been recorded, unless an extension to such lien, is filed with the filing office in which the financing statement is required to be filed pursuant to section 9-501 of the uniform commercial code within one year from the filing of the original financing statement, continuing such lien. Such extension shall contain the names of the lienor and the owner of the property against whose interest therein such lien is claimed, a brief description of the prior financing statement to be extended, and the
date of filing the prior financing statement. No lien shall be continued by such extension for more than one year from the filing thereof. In the event an action is not commenced to obtain judgment on the wage claim or to foreclose the lien within such extended period, such lien shall be extinguished unless an order be granted by a court of record or a judge or justice thereof, continuing such lien, and such lien shall be refiled as of the date of granting such order and a statement made that such lien is continued by virtue of such order.

(c) If a lienor is made a party defendant in an action to enforce another lien, and the plaintiff or such defendant has filed a notice of the pendency of the action within the time prescribed in this section, the lien of such defendant is thereby continued. Such action shall be deemed an action to enforce the lien of such defendant lienor. The failure to file a notice of pendency of action shall not abate the action as to any person liable for the payment of the debt specified in the notice of lien, and the action may be prosecuted to judgment against such person. The provisions of this section in regard to continuing liens shall apply to liens discharged by deposit or by order on the filing of an undertaking. Where a lien is discharged by deposit or by order, a notice of pendency of action shall not be filed.

(d) Notwithstanding the foregoing, if a lienor commences a foreclosure action or an action to obtain a judgment on the wage claim within one year from the filing of the notice of lien on real property or the recording of the financing statement creating lien on personal property, the lien shall be extended during the pendency of the action and for one hundred twenty days following the entry of final judgment in such action, unless the action results in a final judgment or administrative order in the lienor’s favor on the wage claims and the lienor commences a foreclosure action, in which instance the lien shall be valid during the pendency of the foreclosure action. If a lien is extended due to the pendency of a foreclosure action or an action to obtain a judgment on the wage claim, the lienor shall file a notice of such pendency and extension with the county clerk of the county in which the notice of lien is filed, containing the names of the parties to the action, the object of the action, a brief description of the property affected thereby, and the time of filing the notice of lien, or in the case of a lien on personal property shall file such notice with the office authorized to accept financing statements pursuant to section 9-501 of the uniform commercial code. For purposes of this section, an action to obtain judgment on a wage claim includes an action brought in any court of competent jurisdiction, the submission of a complaint to the department of labor or the submission of a claim to arbitration pursuant to an arbitration agreement. An action also includes an investigation of wage claims by the commissioner of labor or the attorney general of the state of New York, regardless of whether such investigation was initiated by a complaint.

(e) A lien, the duration of which has been extended by the filing of a notice of the pendency of an action as above provided, shall nevertheless terminate as a lien after such notice has been canceled as provided in section sixty-five hundred fourteen of the civil practice law and rules or has ceased to be effective as constructive notice as provided in section sixty-five hundred thirteen of the civil practice law and rules.

§ 12. Subdivisions 2 and 4 of section 19 of the lien law, subdivision 2 as amended by chapter 310 of the laws of 1962, subdivision 4 as added by chapter 582 of the laws of 2002 and paragraph a of subdivision 4 as
further amended by section 104 of part A of chapter 62 of the laws of
2011, are amended to read as follows:

(2) By failure to begin an action to foreclose such lien or to secure
an order continuing it, within one year from the time of filing the
notice of lien, unless (i) an action be begun within the same period to
foreclose a mortgage or another mechanic's lien upon the same property
or any part thereof and a notice of pendency of such action is filed
according to law, or (ii) an action is commenced to obtain a judgment on
a wage claim pursuant to subdivision two of section seventeen of this
article, but a lien, the duration of which has been extended by the
filing of a notice of the pendency of an action as herein provided,
shall nevertheless terminate as a lien after such notice has been
cancelled or has ceased to be effective as constructive notice.

(4) Either before or after the beginning of an action by the employer,
owner or contractor executing a bond or undertaking in an amount equal
to one hundred ten percent of such lien conditioned for the payment of
any judgment which may be rendered against the property or owner for
the enforcement of the lien:

a. The execution of any such bond or undertaking by any fidelity or
surety company authorized by the laws of this state to transact busi-
ness, shall be sufficient; and where a certificate of qualification has
been issued by the superintendent of financial services under the
provisions of section one thousand one hundred eleven of the insurance
law, and has not been revoked, no justification or notice thereof shall
be necessary. Any such company may execute any such bond or undertaking
as surety by the hand of its officers, or attorney, duly authorized
thereby by resolution of its board of directors, a certified copy of
which resolution, under the seal of said company, shall be filed with
each bond or undertaking. Any such bond or undertaking shall be filed
with the clerk of the county in which the notice of lien is filed, and a
copy shall be served upon the adverse party. The undertaking is effec-
tive when so served and filed. If a certificate of qualification issued
pursuant to subsections (b), (c) and (d) of section one thousand one
hundred eleven of the insurance law is not filed with the undertaking, a
party may except, to the sufficiency of a surety and by a written notice
of exception served upon the adverse party, not less than five days before
receipt, a copy of the undertaking. Exceptions deemed by the court to
have been taken unnecessarily, or for vexation or delay, may, upon
notice, be set aside, with costs. Where no exception to sureties is
taken within ten days or where exceptions taken are set aside, the
undertaking shall be allowed.

b. In the case of bonds or undertakings not executed pursuant to para-
graph a of this subdivision, the employer, owner or contractor shall
execute an undertaking with two or more sufficient sureties, who shall
be free holders, to the clerk of the county where the premises are situ-
at. The sureties must together justify in at least double the sum
named in the undertaking. A copy of the undertaking, with notice that
the sureties will justify before the court, or a judge or justice there-
of, at the time and place therein mentioned, must be served upon the
lienor or his attorney, not less than five days before such time. Upon
the approval of the undertaking by the court, judge or justice an order
shall be made by such court, judge or justice discharging such lien.

c. If the lienor cannot be found, or does not appear by attorney,
service under this subsection may be made by leaving a copy of such
undertaking and notice at the lienor's place of residence, or if a
corporation at its principal place of business within the state as stat-
ed in the notice of lien, with a person of suitable age and discretion therein, or if the house of his abode or its place of business is not stated in said notice of lien and is not known, then in such manner as the court may direct. The premises, if any, described in the notice of lien as the lienor’s residence or place of business shall be deemed to be his said residence or its place of business for the purposes of said service at the time thereof, unless it is shown affirmatively that the person servicing the papers or directing the service had knowledge to the contrary. Notwithstanding the other provisions of this subdivision relating to service of notice, in any case where the mailing address of the lienor is outside the state such service may be made by registered or certified mail, return receipt requested, to such lienor at the mailing address contained in the notice of lien.

d. Except as otherwise provided in this subdivision, the provisions of article twenty-five of the civil practice law and rules regulating undertakings is applicable to a bond or undertaking given for the discharge of a lien on account of private improvements or of an employee’s lien.

§ 13. Section 24 of the lien law, as amended by chapter 515 of the laws of 1929, is amended to read as follows:

§ 24. Enforcement of mechanic’s lien. (1) Real property. The mechanic’s liens on real property specified in this article may be enforced against the property specified in the notice of lien and which is subject thereto and against any person liable for the debt upon which the lien is founded, as prescribed in article three of this chapter.

(2) Personal property. An employee’s lien on personal property specified in this article may immediately be enforced against the property through a foreclosure as prescribed in article nine of the uniform commercial code, or upon judgment obtained by the employee, commissioner of labor or attorney general of the state of New York, may be enforced in any manner available to the judgment creditor pursuant to article nine of the uniform commercial code or other applicable laws.

§ 14. Section 26 of the lien law, as amended by chapter 373 of the laws of 1977, is amended to read as follows:

§ 26. Subordination of liens after agreement with owner. In case an owner of real property shall execute to one or more persons, or a corporation, as trustee or trustees, a bond and mortgage or a note and mortgage affecting such property in whole or in part, or an assignment of the moneys due or to become due under a contract for a building loan in relation to such property, and in case such mortgage, if any, shall be recorded in the office of the register of the county where such real property is situated, or if such county has no register then in the office of the clerk of such county, and in case such assignment, if any, shall be filed in the office of the clerk of the county where such real property is situated; and in case lienors having mechanic’s liens against said real property, notices of which have been filed up to and not later than fifteen days after the recording of such mortgage or the filing of such assignment, and which liens have not been discharged as in this article provided, shall, to the extent of at least fifty-five per centum of the aggregate amount for which such notices of liens have been so filed, approve such bond and mortgage or such note and mortgage, if any, and such assignment, if any, by an instrument or instruments in writing, duly acknowledged and filed in the office of such county clerk, then all mechanic’s liens for labor performed or material furnished prior to the recording of such mortgage or filing of such assignment, whether notices thereof have been theretofore or are thereafter filed
and which have not been discharged as in this article provided, shall be
subordinate to the lien of such trust bond and mortgage or such trust
note and mortgage to the extent of the aggregate amount of all certif-
icates of interest therein issued by such trustee or trustees, or their
successors, for moneys loaned, materials furnished, labor performed and
any other indebtedness incurred after said trust mortgage shall have
been recorded, and for expenses in connection with said trust mortgage,
and shall also be subordinate to the lien of the bond and mortgage or
note and mortgage, given to secure the amount agreed to be advanced
under such contract for a building loan to the extent of the amount
which shall be advanced by the holder of such bond and mortgage or such
note and mortgage to the trustee or trustees, or their successors, under
such assignment. The provisions of this section shall apply to all bonds
and mortgages and notes and mortgages and all assignments of moneys due,
or to become due under building loan contracts executed by such owner,
in like manner, and recorded or filed, from time to time as hereinbefore
provided. In case of an assignment to trustees under the provisions of
this section, the trustees and their successors shall be the agents of
the assignor to receive and receipt for any and all sums advanced by the
holder of the building loan bond and mortgage or the building loan note
and mortgage under the building loan contract and such assignment. No
lienor shall have any priority over the bond and mortgage or note and
mortgage given to secure the money agreed to be advanced under a build-
ing loan contract or over the advances made thereunder, by reason of any
act preceding the making and approval of such assignment.

§ 15. Section 38 of the lien law, as amended by chapter 859 of the
laws of 1930, is amended to read as follows:
§ 38. Itemized statement may be required of lienor. A lienor who has
filed a notice of mechanic's lien shall, on demand in writing, deliver
to the owner or contractor making such demand a statement in writing
which shall set forth the items of labor and/or material and the value
thereof which make up the amount for which he claims a lien, and which
shall also set forth the terms of the contract under which such items
were furnished. The statement shall be verified by the lienor or his
agent in the form required for the verification of notices in section
nine of this article. If the lienor shall fail to comply with
such a demand within five days after the same shall have been made by
the owner or contractor, or if the lienor delivers an insufficient
statement, the person aggrieved may petition the supreme court of this
state or any justice thereof, or the county court of the county where
the premises are situated, or the county judge of such county for an
order directing the lienor within a time specified in the order to
deliver to the petitioner the statement required by this section. Two
days' notice in writing of such application shall be served upon the
lienor. Such service shall be made in the manner provided by law for the
personal service of a summons. The court or a justice or judge thereof
shall hear the parties and upon being satisfied that the lienor has
failed, neglected or refused to comply with the requirements of this
section shall have an appropriate order directing such compliance. In
case the lienor fails to comply with the order so made within the time
specified, then upon five days' notice to the lienor, served in the
manner provided by law for the personal service of a summons, the court
or a justice or judge thereof may make an order cancelling the lien.

§ 16. Section 39 of the lien law, as added by chapter 859 of the laws
of 1930, is amended to read as follows:
§ 39. Lien wilfully exaggerated is void. In any action or proceeding to enforce a mechanic's lien upon a private or public improvement or in which the validity of the lien is an issue, if the court shall find that a lienor has wilfully exaggerated the amount for which he claims a lien as stated in his notice of lien, his lien shall be declared to be void and no recovery shall be had thereon. No such lienor shall have a right to file any other or further lien for the same claim. A second or subsequent lien filed in contravention of this section may be vacated upon application to the court on two days' notice.

§ 17. Section 40 of the lien law, as amended by chapter 515 of the laws of 1929, is amended to read as follows:

§ 19. Section 43 of the lien law, as amended by chapter 310 of the laws of 1962, is amended to read as follows:

§ 43. Action in a court of record; consolidation of actions. The provisions of the real property actions and proceedings law relating to actions for the foreclosure of a mortgage upon real property, and the sale and the distribution of the proceeds thereof apply to actions in a court of record, to enforce mechanics' liens and employees' liens on real property, except as otherwise provided in this article. If actions are brought by different lienors in a court of record, the court in which the first action was brought, may, upon its own motion, or upon the application of any party in any of such actions, consolidate all of such actions.

§ 20. Section 46 of the lien law, as amended by chapter 515 of the laws of 1929, is amended to read as follows:

§ 46. Action in a court not of record. If an action to enforce a mechanic's lien or employee's lien against real property is brought in a court not of record, it shall be commenced by the personal service upon the owner of a summons and complaint verified in the same manner as a complaint in an action in a court of record. The complaint must set forth substantially the facts contained in the notice of lien, and the substance of the agreement under which the labor was performed or the materials were furnished, or if the lien is based upon a wage claim as defined in section two of this chapter, the basis for such wage claim. § 50. Execution. Execution may be issued upon a judgment obtained in an action to enforce a mechanic's lien or an employee's lien against real property in a court not of record, which shall direct the officer to sell the title and interest of the owner in the premises, upon which the lien set forth in the complaint existed at the time of filing the notice of lien.
§ 22. Section 53 of the lien law, as amended by chapter 515 of the laws of 1929, is amended to read as follows:
§ 53. Costs and disbursements. If an action is brought to enforce a mechanic's lien or an employee's lien against real property in a court of record, the costs and disbursements shall rest in the discretion of the court, and may be awarded to the prevailing party. The judgment rendered in such an action shall include the amount of such costs and specify to whom and by whom the costs are to be paid. If such action is brought in a court not of record, they shall be the same as allowed in civil actions in such court. The expenses incurred in serving the summons by publication may be added to the amount of costs now allowed in such court.
§ 23. Section 59 of the lien law, as amended by chapter 515 of the laws of 1929, is amended to read as follows:
§ 59. Vacating of a mechanic's lien; cancellation of bond; return of deposit, by order of court. 1. A mechanic's lien notice of which has been filed on real property or a bond given to discharge the same may be vacated and cancelled or a deposit made to discharge a lien pursuant to section twenty of this chapter may be returned, by an order of a court of record. Before such order shall be granted, a notice shall be served upon the lienor, either personally or by leaving it at his last known place of residence, with a person of suitable age, with directions to deliver it to the lienor. Such notice shall require the lienor to commence an action to enforce the lien, within a time specified in the notice, not less than thirty days from the time of service, or show cause at a special term of a court of record, or at a county court, in a county in which the property is situated, at a time and place specified therein, why the notice of lien filed or the bond given should not be vacated and cancelled, or the deposit returned, as the case may be. Proof of such service and that the lienor has not commenced the action to foreclose such lien, as directed in the notice, shall be made by affidavit, at the time of applying for such order.
2. An employee's lien notice of which has been filed on real property or a bond given to discharge the same may be vacated and cancelled or a deposit made to discharge a lien pursuant to section twenty of this chapter may be returned, by an order of a court of record. Before such order shall be granted, a notice shall be served upon the lienor, either personally or by leaving it at his last known place of residence or attorney's place of business, with a person of suitable age, with directions to deliver it to the lienor. Such notice shall require the lienor to commence an action to enforce the lien, or to commence an action to obtain judgment on the wage claim upon which the lien was established, within a time specified in the notice, not less than ninety days from the time of service, or show cause at a special term of a court of record, or at a county court, in a county in which the property is situated, at a time and place specified therein, why the notice of lien filed or the bond given should not be vacated and cancelled, or the deposit returned, as the case may be. Proof of such service and that the
lienor has not commenced the action to foreclose such lien or an action to obtain judgment on the wage claim upon which the lien was established, as directed in the notice, shall be made by affidavit, at the time of applying for such order.

§ 24. Section 62 of the lien law, as amended by chapter 697 of the laws of 1934, is amended to read as follows:

§ 62. Bringing in new parties. A lienor who has filed a notice of lien after the commencement of an action in a court of record to foreclose or enforce an employee's lien or a mechanic's lien against real property or a public improvement, may at any time up to and including the day preceding the day on which the trial of such action is commenced, make application upon notice to the plaintiff or his attorney in such action, to be made a party therein. Upon good cause shown, the court must order such lienor to be brought in by amendment. If the application is made by any other party in said action to make such lienor or other person a party, the court may in its discretion direct such lienor or other person to be brought in by like amendment. The order to be entered on such application shall provide the time for and manner of serving the pleading of such additional lienor or other person and shall direct that the pleadings, papers and proceedings of the other several parties in such action, shall be deemed amended, so as not to require the making or serving of papers other than said order to effectuate such amendment, and shall further provide that the allegations in the answer of such additional lienor or other person shall, for the purposes of the action, be deemed denied by the other parties therein. The action shall be so conducted by the court as not to cause substantially any delay in the trial thereof. The bringing in of such additional lienor or other person shall be without prejudice to the proceedings had, and if the action be on the calendar of the court, same shall retain its place on such calendar without the necessity of serving a new note of issue and new notices of trial.

§ 25. Subdivision 3 of section 199-a of the labor law, as amended by chapter 564 of the laws of 2010, is amended to read as follows:

3. Each employee and his or her authorized representative shall be notified in writing of the termination of the commissioner's investigation of the employee's complaint and the result of such investigation, of any award and collection of back wages and civil penalties, and of any intent to seek criminal penalties. In the event that criminal penalties are sought the employee and his or her authorized representative shall be notified of the outcome of prosecution.

Liquidated damages shall be calculated by the commissioner as no more than one hundred percent of the total amount of underpayments found to be due the employee. In any action brought by the commissioner in a court of competent jurisdiction, liquidated damages shall be calculated as an amount equal to one hundred percent of underpayments found to be due the employee.

§ 27. Subdivision 5 of section 6201 of the civil practice law and
rules, as amended by chapter 860 of the laws of 1977 and as renumbered

move, on such notice as the court shall direct to the defendant, the
garnishee, if any, and the sheriff, for an order confirming the order of
attachment. Where an order of attachment without notice is granted on
the ground specified in subdivision one or six of section 6201, the
court shall direct that the statement required by section 6219 be served
within five days, that a copy thereof be served upon the plaintiff, and
the plaintiff shall move within ten days after levy for an order
confirming the order of attachment. If the plaintiff upon such motion
shall show that the statement has not been served and that the plaintiff
will be unable to satisfy the requirement of subdivision (b) of section
6223 until the statement has been served, the court may grant one exten-

Nothing in this subdivision shall prevent an applicant from voluntarily and without prompting disclosing salary history information to a prospective employer. If an applicant volunteers salary history information, nothing shall prohibit that employer from considering or relying on that information. Nothing in this subdivision shall prohibit an employer, without inquiring about salary history, from engaging in discussion with the applicant about their expectations with respect to salary, benefits, and other compensation. This paragraph shall not apply to any actions taken by an employer, employment agency, or employee or agent thereof pursuant to any federal, state, or local law that specifically authorizes the disclosure or verification of salary history information for employment purposes, or specifically requires knowledge of salary history informa-
tion to determine an employee’s compensation. The provisions of this paragraph shall not be construed to preempt or supersede any local law, the provisions of which are no less stringent or restrictive than the provisions of this paragraph.

§ 2. The section heading and subdivision 1 of section 194 of the labor law, the section heading as added by chapter 548 of the laws of 1966 and subdivision 1 as amended by chapter 362 of the laws of 2015, are amended to read as follows:

Differential in rate of pay because of [sex] protected class status prohibited. 1. a. a seniority system;
b. a merit system;
c. a system which measures earnings by quantity or quality of production; or
d. a bona fide factor other than [sex] the protected class status, such as education, training, or experience. Such factor: (i) shall not be based upon [or derived from] a [sex-based] differential in compensation that was originally derived from a protected class status and (ii) shall be job-related with respect to the position in question and shall be consistent with business necessity. Such exception under this paragraph shall not apply when the employee demonstrates (A) that an employer uses a particular employment practice that causes a disparate impact on the basis of [sex] protected class status, (B) that an alternative employment practice exists that would serve the same business purpose and not produce such differential, and (C) that the employer has refused to adopt such alternative practice.

Section 1. This act shall be known and may be cited as the "pension poaching prevention act".

§ 2. Legislative findings and intent. Nationally, veterans and their family members are often subject to a practice commonly called pension poaching. This troubling practice, as described in recent reports from the Federal Trade Commission, the Federal Government Accountability Office, the United States Department of Veterans Affairs, and several other entities, generally target elderly or disabled veterans and their family members. Pension poaching involves dishonest financial planners, insurance agents, and other professionals luring veterans and their family members to pay substantial funds for veterans' benefits services that the offering entity is unqualified to provide and that can detrimentally impact the future financial situations of the veteran and his or her dependents.

Entities engaging in pension poaching tend to use high-pressure sales tactics directed toward potential customers, falsely guaranteeing benefits for veterans and their families even when the advertising entity lacks the federal accreditation required by law to file such claims and appeals for federal veterans' benefits. Often, they persuade veterans and their family members to abruptly move most or all of their assets to potentially qualify for certain federal veterans benefits, frequently causing veterans and their family members to unwittingly lose control over their assets and adversely affecting the ability of veterans and their families to qualify for Medicaid and other important benefits in the future. These entities frequently charge extremely high fees for these services, even in matters where federal law expressly prohibits such fees.

Through this legislation, the legislature intends to restrain this harmful and deceptive practice within New York State, providing necessary protections to the men and women of this state who courageously served in our nation's armed forces.

§ 3. The general business law is amended by adding a new section 349-f to read as follows:
§ 349-f. Pension poaching prevention. 1. For purposes of this section:
(a) The term "veterans' benefits matter" means the preparation, pres-
etation, or prosecution of any claim affecting any person who has filed
or expressed an intent to file a claim for any benefit, program,
service, commodity, function, or status, entitlement which is determined
under the laws and regulations administered by the United States depart-
ment of veterans affairs or the New York state division of veterans' affairs pertaining to veterans, their dependents, their survivors, and
any other party eligible for such benefits.
(b) The term "compensation" means money, property, or anything else of
value.
(c) The term "entity" includes, but is not limited to, any natural
person, corporation, trust, partnership, alliance, or unincorporated
association.

fees for services rendered in a written agreement, signed by both
parties, that adheres to all criteria specified within title 38, section
14.636, of the United States code of federal regulations.
(d) No entity shall receive any fees for any services rendered before
the date on which a notice of disagreement is filed with respect to the
party's case.
(e) No entity shall guarantee, either directly or by implication, that
any party is certain to receive specific veterans' benefits or that any
party is certain to receive a specific level, percentage, or amount of
veterans' benefits.
(f) No entity shall receive excessive or unreasonable fees as compen-
sation for advising or assisting any party with any veterans' benefits
matter. The factors articulated within title 38, section 14.636 of the
code of federal regulations shall govern determinations of whether a fee
is excessive or unreasonable.
3. (a) No entity shall advise or assist for compensation any party
with any veterans' benefits matter without clearly providing, at the
outset of this business relationship, the following disclosure, both
orally and in writing: "this business is not sponsored by, or affiliated

state division of veterans' affairs, or any other congressionally char-
tered veterans service organization. Other organizations, including but

at least twelve-point font and must appear in a readily noticeable and
identifiable place in the entity’s agreement with the party seeking
services. The party must verbally acknowledge understanding of the oral
disclosure and must provide his or her signature to represent understanding of these provisions on the document in which the written disclosure appears. The entity offering services must retain a copy of the written disclosure while providing veterans' benefits services for compensation to the party and for at least one year after the date on which this service relationship terminates.

(b) No entity shall advertise for-compensation services in veterans benefits matters without including the following disclosure: "this business is not sponsored by, or affiliated with, the United States department of veterans affairs, the New York state division of veterans' affairs, or any other congressionally chartered veterans service organization. Other organizations, including but not limited to the New York state division of veterans' affairs, your local county veterans service agency, and other congressionally chartered veterans service organizations, may be able to provide you with these services free of charge. Products or services offered by this business are not necessarily endorsed by any of these organizations. You may qualify for other veterans' benefits beyond the services that this business offers." If the advertisement is printed, including but not limited to advertisements visible to internet users, the disclosure must appear in a readily visible place on the advertisement. If the advertisement is verbal, the spoken statement of the disclosure must be clear and intelligible.

4. (a) Any violation of this section shall constitute a deceptive act in the conduct of business, trade, or commerce, and shall be subject to the provisions of section three hundred forty nine of this article, including any right of action and corresponding penalties described within such section.

(b) If an entity's violation of this section concerns a party who is sixty-five years of age or older, said entity may be liable for supplemental civil penalties as established within, and subject of the terms of, section three hundred forty-nine-c of this article.

5. If any provision of this section or its application to any person or circumstance is ever held invalid, the remainder of this act or the application of its provisions to other persons or circumstances shall remain unaffected.

§ 4. This act shall take effect on the one hundred twentieth day after it shall have become a law.

practices and other information the department, in consultation with the
department of health, deems relevant. The department of health, in

PART DD

Section 1. Legislative findings. The legislature finds that the State
University of New York at Albany ("University") is in the process of
developing 12 neighboring acres on the W. Averell Harriman State Office
Building Campus to build the 245,000-square-foot Emerging Technology and
Entrepreneurship Complex ("ETEC"). This ETEC development is part of a
long-term development strategy of the University as part of the NYSUNY
2020 Challenge Grant Program. ETEC will house the University's College
of Emergency Preparedness, Homeland Security and Cybersecurity, the
Department of Atmospheric and Environmental Sciences, the Atmospheric
Sciences Research Center and other University academic departments, as
well as the New York State Mesonet weather-detection system. As part of
this effort, the University wishes to lease a portion of the space within
ETEC to non-New York State entities, including businesses, to enable
collaboration, research commercialization, and real world experiential
learning opportunities for students.

The legislature further finds that granting the trustees of the State
University of New York the authority and power to lease and otherwise
contract a portion of the ETEC will promote the mission of the new
facility to help the state be better prepared for emerging threats of
extreme weather and terrorism.

§ 2. Notwithstanding any other law to the contrary, the state univer-
sity trustees are authorized and empowered to delegate to the University
the authorization and empowerment to lease or otherwise contract to
tenants with interests that are in alignment with the academic and
research mission of the University. The University under this authori-
zation shall be permitted to lease or otherwise contract up to 15,000
square feet of space and facilities at ETEC, without any public bidding.
Any lease or contract of such space and facilities at ETEC may be
subject to applicable approvals of the office of the attorney general and
office of the state comptroller for revenue contracts. Such leases
or contracts shall be for periods not to exceed 50 years and shall be
conditioned upon any terms and conditions determined to be necessary by
the state university trustees.

§ 3. Any leases entered into by the University pursuant to section two
of this act shall be considered revenue contracts of the University and
subject to review and approval by the office of the attorney general and
office of the state comptroller as required for revenue contracts at the
time of execution of said leases. All proceeds from said leases to shall
be deposited into accounts of the University.

§ 4. Insofar as the provisions of this act are inconsistent with the
provisions of any law, general, special or local, the provisions of this
act shall be controlling.

§ 5. This act shall take effect immediately.

PART EE

Section 1. Section 802 of the general business law, as added by chap-
ter 599 of the laws of 1998, subdivision 1 as designated and subdivision
2 as added by chapter 301 of the laws of 2000, is amended to read as
follows:

§ 802. Special provisions; not-for-profit sales. 1. [No] Except as
provided in subdivision three of this section, no otolaryngologist or
other licensed physician who has conducted a medical evaluation of hear-
ing loss shall engage in the business of dispensing hearing aids for a
profit. No otolaryngologist or other licensed physician who has
dispensed a hearing aid shall refuse or fail to perform repairs or
service on any hearing aid that they have dispensed.

2. Every licensed physician who engages in the dispensing of hearing
aids in compliance with the provisions of this section shall be required
to comply with sections seven hundred ninety-one, seven hundred  ninety-
eight and eight hundred three of this article, in addition to compliance
with this section.

3. An audiologist or hearing aid dispenser licensed under article one
hundred fifty-nine of the education law employed by an otolaryngologist
who has conducted a medical evaluation of hearing loss may dispense
hearing aids for profit provided that the otolaryngologist who has
conducted a medical evaluation of hearing loss provides to the patient a
list containing the name and office location of five hearing aid dispen-
sers with a place of business located within the same county in which
the otolaryngologist's office is located and a written statement
disclosing that the otolaryngologist's office will receive a profit from
the sale of any hearing aid device. In the event that there exist fewer
than five hearing aid dispensers within the same county in which the
otolaryngologist is located, then the otolaryngologist must provide to
the patient a list containing the name and office location of the hear-
ing aid dispensers with a place of business within the county in which
the otolaryngologist's office is located.

by chapter 678 of the laws of 2007, is amended to read as follows:

2. [Each] Every contract to which the state or a public benefit
corporation or a municipal corporation or a commission appointed pursu-
ant to law is a party, and any contract for public work entered into by
a third party acting in place of, on behalf of and for the benefit of
such public entity pursuant to any lease, permit or other agreement
between such third party and the public entity, and which may involve
the employment of laborers, workers or mechanics] for public work shall
contain a stipulation that no laborer, worker or mechanic in the employ
of the contractor, subcontractor or other person doing or contracting to
do the whole or a part of the work contemplated by the contract shall be
permitted or required to work more than eight hours in any one calendar
day or more than five days in any one week except in cases of extraor-
dinary emergency including fire, flood or danger to life or property. No
such person shall be so employed more than eight hours in any day or
more than five days in any one week except in such emergency. Extraor-
dinary emergency within the meaning of this section shall be deemed to
include situations in which sufficient laborers, workers and mechanics
cannot be employed to carry on public work expeditiously as a result of
such restrictions upon the number of hours and days of labor and the
immediate commencement or prosecution or completion without undue delay
of the public work is necessary in the judgment of the commissioner for
the preservation of the contract site and for the protection of the life
and limb of the persons using the same. Upon the application of any
person interested, the commissioner shall make a determination as to
whether or not on any public project or on all public projects in any
area of this state, sufficient laborers, workers and mechanics of any or
all classifications can be employed to carry on work expeditiously if
their labor is restricted to eight hours per day and five days per week,
and in the event that the commissioner determines that there are not
sufficient workers, laborers and mechanics of any or all classifications
which may be employed to carry on such work expeditiously if their labor
is restricted to eight hours per day and five days per week, and the
immediate commencement or prosecution or completion without undue delay
of the public work is necessary in the judgment of the commissioner for
the preservation of the contract site and for the protection of the life
and limb of the persons using the same, the commissioner shall grant a
dispensation permitting all laborers, workers and mechanics, or any
classification of such laborers, workers and mechanics, to work such
additional hours or days per week on such public project or in such
areas the commissioner shall determine. Whenever such a dispensation is
granted, all work in excess of eight hours per day and five days per
week shall be considered overtime work, and the laborers, workers and
mechanics performing such work shall be paid a premium wage commensurate
with the premium wages prevailing in the area in which the work is
performed. No such dispensation shall be effective with respect to any
public work unless and until the department of jurisdiction, as defined
in this section, certifies to the commissioner that such public work is
of an important nature and that a delay in carrying it to completion
would result in serious disadvantage to the public. Time lost in any
week because of inclement weather by employees engaged in the
construction, reconstruction and maintenance of highways outside of the
limits of cities and villages may be made up during that week and/or the
succeeding three weeks.
§ 2. Subdivision 5 of section 220 of the labor law is amended by

Following the hearing, if the commissioner issues a stop-work order, it shall be served by regular mail, and a second copy may be served by telefacsimile or by electronic mail, with service effective upon receipt of any such order. Such stop-work order shall also be served with regard to a worksite by posting a copy of such order in a conspicuous location at the worksite. The order shall remain in effect until the commissioner directs that the stop-work order be removed, upon a final determination on the complaint or where such failure to comply or evade has been deemed corrected. If the person against whom such order is issued shall within thirty days after issuance of the stop-work order make an application in affidavit form for a redetermination review of
such order the commissioner shall make a decision in writing on the
issues raised in such application. The commissioner may direct a condi-

PART HH

Section 1. Short title. This act shall be known and may be cited as
the "New York state YouthBuild act".
 § 2. Legislative intent. The legislature seeks to support economically
disadvantaged youth, especially youth who have not finished high school,
to obtain the education, work experience skills training, personal coun-
seling, leadership development skills training, job placement assis-
tance, and long-term follow-up services necessary for them to achieve
permanent economic self-sufficiency, while at the same time providing
valuable community service that addresses urgent community needs includ-
ing the demand for affordable housing and the need for young role models
and mentors for younger teenagers and children.
 The legislature further intends to foster the development of leader-
ship skills and a commitment to community development among youth and to
ensure maximum educational achievement of program participants through
high school diploma or the equivalent attainment and transition to
institutions of higher education, where appropriate.
The legislature further intends to provide communities the opportunity
to establish or rebuild neighborhood stability in economically depressed
and low-income areas, as well as historic areas requiring restoration or
preservation, while providing economically disadvantaged youth and youth
who have not finished high school an opportunity for a meaningful
participation in society.

The legislature further intends to allow communities to expand the
supply of affordable housing for homeless and other low-income individ-

statutorily required notices are posted at every such covered develop-
ment project or real property subject to a covered lease, and provide
each building service employee a copy of a written notice which shall be
prepared by the fiscal officer, detailing the wages, benefits, and other
protections to which building service employees are entitled under this
section. Such notice shall also provide the name, address and telephone
number of the fiscal officer and a statement advising building service
employees that if they have been paid less that the prevailing wage they
may notify the fiscal officer and request an investigation or bring suit
in a court of competent jurisdiction. Such notices shall be posted in
English and in any other language which at least twenty percent of
employees speak as a primary language. Such notice shall remain posted
for the time that the requirements of this section shall apply and shall
be adjusted periodically to reflect the current prevailing wage for
building service employees. In addition to posting the covered develop-
er, covered lessee or lessor, or covered employer shall provide each
individual employee a copy of the notice in English or any other

language spoken by the employee as a primary language, so long as the
fiscal officer has made such notice available to employers in such
language on its website. The fiscal officer shall make available on its
website sample written notices explaining the rights of building service
employees under this section and shall translate such sample written
notices into such languages it deems appropriate.
8. The requirements of this section shall apply for the term of the
financial assistance, for ten years from the date that the financially
assisted project opens, or for the duration of any written agreement
between a public agency and a covered developer providing for financial
assistance, or for the duration of the covered lease, whichever is long-
er.
9. This section shall not preempt any public agency from establishing
higher minimum wages for covered developers or covered lessees or
lessors receiving financial assistance or leasing from or to a public
agency. Nor shall any covered developer, covered lessee or lessor, or
covered employer be preempted from paying a wage higher than the
prevailing wage.
§ 3. Section 232 of the labor law, as added by chapter 777 of the laws
of 1971, is amended to read as follows:
§ 232. Overtime. An employee, employed by a contractor or employed at
a covered development project or at real property subject to a covered
lease, who works more than eight hours in any one day or more than forty
hours in any workweek shall be paid wages for such overtime at a rate
not less than one-and-one-half times his prevailing basic cash hourly
rate.
§ 4. Section 233 of the labor law, as added by chapter 777 of the laws
of 1971, is amended to read as follows:
§ 233. Record keeping. 1. In all cases where service work is being
performed pursuant to a contract therefor or covered lease, or covered
development project, the contractor, or covered developer, or covered
lessee or lessor shall keep original payrolls or transcripts thereof,
subscribed and confirmed by him as true, under penalties of perjury,
showing the hours and days worked by each employee, the craft, trade or
occupation at which he was employed, and the wages paid. A covered
developer, or covered lessee or lessor may satisfy this requirement by
obtaining copies of employment records from a covered employer.
2. Where the wages paid include sums which are not paid directly to
the workmen weekly and which are expended for supplements, the records
required to be maintained shall include a record of such hourly payment
on behalf of such employees, the supplement for which such payment has
been made, and the name and address of the person to whom such payment
has been made. In all such cases, the contractor or covered developer,
or covered lessee or lessor shall keep a true and inscribed copy of the
agreement under which such payments are made, a record of all net
payments made thereunder, and a list of all persons for whom such
payments are made. A covered developer, or covered lessee or lessor may
satisfy this requirement by obtaining copies of employment records from
a covered employer.
3. The records required to be maintained shall be kept on the site of
the work during all of the time that work under the contract or other-
wise subject to the requirements of this section is being performed.
4. All records required to be maintained shall be preserved for a
period of three years after the completion of work.
5. A covered developer, or covered lessee or lessor shall include a
requirement in all leases, management agreements or service contracts,
and any subcontracts thereof, that any covered employer shall comply
with the record keeping requirements of this section. The covered devel-
oper, or covered lessee or lessor shall obtain such records from any
covered employer and preserve such records for a period of six years
after the completion of the employee's work.
6. Failure to maintain such records as required shall create a rebutt-
able presumption that the building service employees were not paid the
wages and supplements required under this article.
§ 5. Paragraph (f) of subdivision 1 of section 234 of the labor law,
as added by chapter 777 of the laws of 1971, is amended to read as
follows:
(f) to require a contractor or covered developer, or covered lessee or
lessor to file with the fiscal officer a record of the wages actually
paid by such contractor or covered developer, or covered lessee or
lessor to the employees and of their hours of work;
§ 6. The labor law is amended by adding a new section 235-a to read as
follows:
§ 235-a. Investigations, hearings, and private right of action for
covered leases and covered development projects. 1. Whenever the fiscal
officer has reason to believe that a building service employee perform-
ing building service work in connection with a covered lease or covered
development project has been paid less than the applicable prevailing
wage and supplements required upon receipt of a written complaint, the fiscal
officer shall conduct a special investigation to determine the facts
relating thereto.
2. If, despite the requirements of law, the fiscal officer has not
determined the prevailing wage as required in this article, the fiscal
officer shall determine in the proceeding before him or her the wages
prevailing at the time the work was performed for the crafts, trades or
occupations of the employees involved.
3. In an investigation conducted under the provisions of this section,
the inquiry of the fiscal officer shall not extend to work performed
more than three years prior to: (a) the filing of the complaint, or (b)
the commencement of the investigation upon the fiscal officer's own
volition, whichever is earlier in point of time.
4. (a) The investigation and hearing shall be expeditiously conducted
and upon the completion thereof the fiscal officer shall determine the
issues raised and shall make and file an order in his or her office
stating such determination and forthwith serve personally or by mail a
copy of such order and determination together with a notice of filing
upon all parties to the proceeding and upon the financial officer of the
public agency involved.
(b) In addition to directing payment of wages found to be due, such
order of the fiscal officer shall direct payment of liquidated damages
in an amount equal to the greater of two percent of the annual value of
the financial assistance or covered lease, or two-tenths of a percent of
the total value of the financial assistance or covered lease. Where the
fiscal officer is the commissioner, the penalty shall be paid to the
commissioner for deposit in the state treasury. Where the fiscal officer
is a city comptroller or other analogous officer, the penalty shall be
paid to said officer for deposit in the city treasury.
(c) An order directing the payment to specified employees of wages
found to be due and unpaid shall include interest at a rate not less
than six per centum per year and not more than the rate of interest then
in effect as prescribed by the superintendent of financial services
pursuant to section fourteen-a of the banking law per annum from the
time such wages should have been paid. In determining the rate of
interest to be imposed the fiscal officer shall consider the size of the
employer's business, the good faith of the employer, the gravity of the
violation, the history of previous violations of the employer, successor
or substantially-owned affiliated entity, any officer of the covered
developer, covered lessee or lessor, or covered employer who knowingly
participated in the violation of this article, and any of the partners
if the covered developer, covered lessee or lessor, or covered employer
is a partnership or any of the five largest shareholders of the covered
developer, covered lessee or lessor, or the covered employer, as deter-
mined by the fiscal officer, and the failure to comply with recordkeep-
ing or other non-wage requirements.

5. (a) Provided that no proceeding for judicial review as provided in
this section shall then be pending and the time for initiation of such
proceeding shall have expired, the fiscal officer shall file with the
county clerk of the county where the employer resides or has a place of
business the order of the fiscal officer containing the amount found to
be due. The filing of such order shall have the full force and effect of
a judgment duly docketed in the office of such clerk. The order may be
enforced by and in the name of the fiscal officer in the same manner,
and with like effect, as that prescribed by the civil practice law and
rules for the enforcement of a money judgment.

(b) When a final determination has been made in favor of a complainant
and the covered developer, covered lessee or lessor, or covered employer
found violating this article has failed to make payment as required by
the order of the fiscal officer, and provided that no relevant proceed-
ing for judicial review shall then be pending and the time for initi-
ation of such proceeding shall have expired, the fiscal officer may file
a copy of the order of the fiscal officer containing the amount found to
be due with the county clerk of the county of residence or place of
business of any of the following:

(i) any substantially-owned affiliated entity or any successor of the
covered developer, covered lessee or lessor, or covered employer;

(ii) any of the partners if the covered developer, covered lessee or
lessor, or covered employer is a partnership or any of the five largest
shareholders of the covered developer, covered lessee or lessor, or
covered employer, as determined by the fiscal officer; or

(iii) any officer of the covered developer, covered lessee or lessor,
or covered employer who knowingly participated in the violation of this
article; provided, however, that the fiscal officer shall within five
days of the filing of the order provide notice thereof to the partner or
top five shareholders or successor or substantially-owned affiliated
entity. The notified party may contest the filing on the basis that it
is not a partner or one of the five largest shareholders, an officer of
the covered developer, covered lessee or lessor, or covered employer who
knowingly participated in the violation of this article, or a successor
or substantially-owned affiliated entity. If, after reviewing the infor-
mation provided by the notified party in support of such contest, the
fiscal officer determines that the notified party is not within the
definitions described herein, the fiscal officer shall immediately with-
draw his or her filing of the order.

(c) The filing of such order shall have the full force and effect of a
judgment duly docketed in the office of such clerk. The order may be
enforced by and in the name of the fiscal officer in the same manner,
and with like effect, as that prescribed by the civil practice law and
rules for the enforcement of a money judgment.
6. When a final determination has been made and such determination is
in favor of an employee, such employee may, in addition to any other
remedy provided by this article, institute an action in any court of
appropriate jurisdiction against the entity found to have violated this
article, any substantially-owned affiliated entity, any officer of the
covered developer, covered lessee or lessor, or covered employer who
knowingly participated in the violation of this article, and any of the
partners if the covered developer, covered lessee or lessor, or covered
employer is a partnership or any of the five largest shareholders of the
covered developer, covered lessee or lessor, or covered employer, as
determined by the fiscal officer, for the recovery of the difference
between the sum, if any, actually paid to him or her by the aforesaid
financial officer pursuant to said order and the amount found to be due
him or her as determined by said order. Such action must be commenced
within three years from the date of the filing of said order, or if the
said order is reviewed in a proceeding pursuant to article seventy-eight
of the civil practice law and rules, within three years after the termi-
nation of such review proceeding.

7. (a) Any person claimed to be aggrieved by violation of this arti-
cle shall have a cause of action in any court of competent jurisdiction
against the entity alleged to have violated this article, any substan-
tially-owned affiliated entity, any officer of the covered developer,
covered lessee or lessor, or covered employer who knowingly participated
in the violation of this article, and any of the partners if the covered
developer, covered lessee or lessor, or covered employer is a partner-
ship or any of the five largest shareholders of the covered developer,
covered lessee or lessor, or covered employer, as determined by the
fiscal officer, for the recovery of the difference between the sum, if
any, actually paid to him or her by the aforesaid financial officer
pursuant to said order and the amount found to be due him or her as
determined by said order. The cause of action may seek damages, includ-
ing punitive damages, and for injunctive relief and such other remedies
as may be appropriate, unless such person has filed a complaint with the
fiscal officer with respect to such claim. In an action brought by a
building service employee, if the court finds in favor of the employee,
it shall award the employee, in addition to other relief, his or her
reasonable attorneys' fees and costs.

(b) Investigation by the fiscal officer shall not be a prerequisite to
nor a bar against a person bringing a civil action under this section.
Notwithstanding any inconsistent provision of subdivisions one through
six of this section where a complaint filed with the fiscal officer is
dismissed an aggrieved person shall maintain all rights to commence a
civil action pursuant to this action as if no complaint had been filed.

(c) No procedure or remedy set forth in this section is intended to be
exclusive or a prerequisite for asserting a claim for relief to enforce
any rights hereunder in a court of law. This section shall not be
construed to limit an employee's right to bring a common law cause of
action for wrongful termination.

(d) Any judgment or court order awarding remedies under this section
shall provide that if any amounts remain unpaid upon the expiration of
ninety days following issuance of judgment, or ninety days after expira-
tion of the time to appeal and no appeal is then pending, whichever is
later, the total amount of judgment shall automatically increase by
fifteen percent.

(e) In any action instituted upon a wage claim by a building service
employee in which the employee prevails, the court may allow such
employee, in addition to ordinary costs, a reasonable sum, not exceeding one hundred dollars for expenses which may be taxed as costs. No assig-
née of a wage claim shall be benefited by this paragraph.

(f) Notwithstanding any other provision of law, an action to recover upon a liability imposed by this article must be commenced within the greater of six years from the date the cause of action accrued or two years from the time the plaintiff or the person under whom the plaintiff claims discovered the fraud, or could with reasonable diligence have discovered it. The statute of limitations shall be tolled from the date an employee files a complaint with the fiscal officer or the fiscal officer commences an investigation, whichever is earlier, until an order to comply issued by the fiscal officer becomes final, or where the fiscal officer does not issue an order, until the date on which the fiscal officer notifies the complainant that the investigation has concluded.

8. (a) No person shall take any adverse action against an employee that penalizes an employee for, or is reasonably likely to deter an employee from, exercising or attempting to exercise rights under this article or interfere with an employee's exercise of rights under this article.

(b) Taking an adverse action includes, but is not limited to threaten-
ing, intimidating, disciplining, discharging, demoting, suspending, or harassing an employee, reducing the hours of pay of an employee, inform-
ing another employer than an employee has engaged in activities protected by this article, discriminating against the employee, includ-
ing actions related to perceived immigration status or work authori-
zation, and maintenance or application of an absence control policy that counts protected leave as an absence that may lead to or result in an adverse action.

(c) An employee need not explicitly refer to a provision of this arti-
cle to be protected from an adverse action.

(d) A causal connection may be established between the exercise, attempted exercise, or anticipated exercise of rights protected by this article and an employer's adverse action against an employee or a group of employees by indirect or direct evidence.

(e) Retaliation is established when it is shown that a protected activity was a motivating factor for an adverse action, whether or not other factors motivated the adverse action.

9. (a) When a final determination has been made against a covered employer in favor of a complainant and the covered developer, or covered lessee or lessor has made payment to the complainant of any wages and interest due the complainant and any civil penalty, and providing that no relevant proceeding for judicial review shall then be pending and the time for initiation of such proceeding shall have expired, the covered developer, or covered lessee or lessor may file a copy of the order of the fiscal officer containing the amount found to be due with the county clerk of the county of residence or place of business of the covered employer. The filing of such order shall have the full force and effect of a judgment duly docketed in the office of such clerk. The judgment may be docketed in favor of the covered developer who may proceed as a judgment creditor against the covered employer for the recovery of all monies paid by the covered developer, or covered lessee or lessor under such order.

(b) When a covered developer, or covered lessee or lessor has made payment to a complainant of any wages and interest due to him or her because of a covered employer’s violation of this article, the covered
developer, or covered lessee or lessor may bring suit to recover all
monies paid by the covered developer, or covered lessee or lessor from
the covered employer.

10. When two judgments or final orders pursuant to the provisions of
this section have been entered against a covered developer, covered
lessee or lessor, covered employer, successor, or any substantially-
owned affiliated entity of the covered developer, covered lessee or
lessor, or covered employer, any of the partners if the covered develop-
er, covered lessee or lessor, or covered employer is a partnership, any
of the five largest shareholders of the covered developer, covered
lessee or lessor, or covered employer, any officer of the covered devel-
oper, covered lessee or lessor, or covered employer who knowingly
participated in the violation of this article within any consecutive
six-year period determining that such covered developer, covered lessee
or lessor, or covered employer and/or its successor, substantially-owned
affiliated entity of the covered developer, covered lessee or lessor, or
covered employer, any of the partners or any of the five largest share-
holders of the covered developer, covered lessee or lessor, or covered
employer, any officer of the covered developer, covered lessee or
lessor, or covered employer who knowingly participated in the violation
of this article has willfully failed to pay the prevailing wages in
accordance with the provisions of this article, whether such failures
were concurrent or consecutive and whether or not such final determi-
nations concerning separate covered leases or awards of financial
assistance are rendered simultaneously, such covered developer, covered
lessee or lessor, covered employer, successor, and if the covered devel-
oper, covered lessee or lessor, covered employer, successor, or any
substantially-owned affiliated entity of the covered developer, covered
lessee or lessor, or covered employer, any of the partners if the
covered developer, covered lessee or lessor, or covered employer is a
partnership, or any of the five largest shareholders of the covered
developer, covered lessee or lessor, or covered employer, any officer of
the covered developer, covered lessee or lessor, or covered employer who
knowingly participated in the violation of this article, or any succes-
sor is a corporation, any officer of such corporation who knowingly
participated in such failure, shall be ineligible to enter into covered
leases with a public agency or receive financial assistance for a period
of five years from the date of the second order; provided, however, that
where any such final order involves the falsification of payroll records
or the kickback of wages, the covered developer, covered lessee or
lessor, covered employer, successor, substantially-owned affiliated
ty of the covered developer, covered lessee or lessor, or covered
employer, any partner if the covered developer, covered lessee or
lessor, or covered employer is a partnership or any of the five largest
shareholders of the covered developer, covered lessee or lessor, or
covered employer, any officer of the covered developer, covered lessee
or lessor, or covered employer who knowingly participated in the
violation of this article shall be ineligible to receive for a period of
five years from the date of the first final order. Nothing in this
subdivision shall be construed as affecting any provision of any other
law or regulation relating to the awarding of financial assistance or
entering into a covered lease with a public agency. The commissioner
shall maintain a list of covered developers, and covered lessees or
lessors, who are ineligible, including their names, address, date and
duration of their ineligibility. Such list shall be updated and
published as often as is necessary to keep it current.
§ 7. Subdivision 1 of section 237 of the labor law, as amended by chapter 698 of the laws of 1988, is amended and a new subdivision 5 is added to read as follows:

1. Subcontractors engaged for service work by a contractor or its subcontractor and covered employers, shall, upon receipt from the contractor or its covered developer, covered lessee or lessor, covered subcontractor of the schedule of wages and supplements specified in the contract or article nine prevailing wage schedule, provide to the contractor or its subcontractor a verified statement attesting that the covered employer or contractor has received and reviewed such schedule of wages and supplements, and agrees that it will pay the applicable prevailing wages and will pay or provide the supplements specified therein. Such verified statement shall be filed in the manner described in subdivision three of this section for subcontractors of a contractor or its subcontractor, and in the manner described in subdivision four of this section for covered employers. It shall be a violation of this article for any covered developer, covered lessee or lessor, contractor or its subcontractor to fail to provide for its subcontractor a copy of the schedule of wages and supplements specified in the contract or article nine prevailing wage schedules.

5. Prior to receiving financial assistance or entering into a covered lease, or an extension, renewal, amendment, modification of a covered lease, and annually thereafter, every covered developer, covered lessee or lessor, covered employer shall provide the public agency providing financial assistance and the fiscal officer with an annual verified statement that all building service employees employed at a covered development project or at real property subject to a covered lease by the covered developer, covered lessee or lessor, or by a covered employer to perform building service work will be and/or have been paid the prevailing wage. Such verified statement shall include a record of the days and hours worked and the wages paid to each building service employee employed at the covered development project, or at real property subject to a covered lease. Where the wages paid include sums which are not paid directly to the workmen weekly and which are expended for supplements, the statement shall include a record of such hourly payments on behalf of such employees, the supplement for which such payment has been made, and the name and address of the person to whom the payment has been made. Such statement shall be verified by the oath of the chief executive or chief financial officer of the covered developer, covered lessee or lessor, or the designee of any such person that he or she has read such statements subscribed by him or her and knows the contents thereof, and that the same is true of his or her own knowledge, except with respect to wages and supplements owing by contract which may be certified upon information and belief. A violation of any provision of the statement, or failure to provide such statement, shall constitute a violation of this section. The fiscal officer or a public agency leasing or providing financial assistance may inspect the records maintained pursuant to section two hundred thirty-three of this article to verify these statements.

§ 8. Subdivision 1 of section 238 of the labor law, as added by chapter 777 of the laws of 1971, is amended and two new subdivisions 3 and 4 are added to read as follows:

to be false shall be guilty of perjury and punishable as provided by the
penal law.

3. In the event of a failure by a covered developer, covered lessee or
lessor, or covered employer to comply with the provisions of this arti-
cle, the covered developer, covered lessee or lessor, or covered employ-
er shall be provided with a written notice of failure to comply by the
fiscal officer allowing ten days to cure the failure to comply. If the
covered developer, covered lessee or lessor, or covered employer fails
to timely cure in addition to any other remedies available at law or in
equity, the fiscal officer shall be permitted to seek the following
remedies:

(a) Suspension: suspend the payments of any financial assistance to
the covered developer until the date of cure.

(b) Liquidated damages: failure to provide a required record or
statement or to allow work place access may result in liquidated damages
in an amount equal to the greater of two percent of the annual value of
the financial assistance or covered lease, or two-tenths of a percent of
the total value of the financial assistance or covered lease.

(c) Termination: a material breach of this article that continues for
a period of six months or more, shall allow the public agency to termi-
nate the financial assistance or covered lease.

(d) Penalty for late filing: late filing of any report required under
this article: a payment of one thousand dollars per day for each day the
report is late for up to fourteen days. After fourteen days, the remedy
in paragraph (b) of this subdivision shall apply.

4. Where the fiscal officer is the commissioner, the penalty shall be
paid to the commissioner for deposit in the state treasury. Where the
fiscal officer is a city comptroller or other analogous officer, the
penalty shall be paid to said officer for deposit in the city treasury.

of 1971, subdivisions 1, 2 and 3 as amended by chapter 770 of the laws
of 1986, is amended to read as follows:

§ 239. Provisions in contracts prohibiting discrimination on account

the contract or any subcontract thereunder within the territorial limits
of this state, no contractor, subcontractor, nor any person acting on
behalf of such contractor or subcontractor, shall by reason of race, creed, color, national origin, age, sex or disability, discriminate
against any citizen of the state of New York who is qualified and avail-

tor by the public agency under the contract a penalty of fifty dollars
for each person for each day during which such person was discriminated

may be cancelled or terminated by the public agency, and all moneys due
or to become due thereunder may be forfeited for a second or any subse-
quent violation of the terms or conditions of this section of the contract.

§ 10. Section 239-a of the labor law, as added by chapter 777 of the laws of 1971, is amended to read as follows:

§ 239-a. Enforcement of article. If the fiscal officer, as defined herein, finds that any covered developer, covered lessee or lessor, or contractor on service work fails to comply with or evades the provisions of this article, he shall present evidence of such noncompliance or evasion to the public agency having charge of such work, or who has entered into a covered lease or provided financial assistance for the covered development project for enforcement. Where such evidence indicates a noncompliance or evasion on the part of a subcontractor or covered employer, the contractor or covered developer, or covered lessee or lessors, shall be responsible for such noncompliance or evasion. It shall be the duty of the public agency in charge of such service work, or who has entered into a covered lease or provided financial assistance for the covered development project to enforce the provisions of this article.

§ 11. This act shall take effect immediately.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through II of this act shall be as specifically set forth in the last section of such Parts.
