This provision shall be administered in a manner consistent with subparagraph (i) of paragraph one of subdivision (c) of this section as if a certificate of collection were a resale or exemption certificate for purposes of such subparagraph, including with regard to the completeness of such certificate of collection and the timing of its acceptance by the marketplace seller. Provided that, with regard to any sales of tangible personal property by a marketplace seller that are facilitated by a marketplace provider who is affiliated with such marketplace seller within the meaning of paragraph one of subdivision (e) of section eleven hundred one of this article, the marketplace seller shall be deemed liable as a person under a duty to act for such marketplace provider for purposes of subdivision one of section eleven hundred thirty-one of this part.

(3) The commissioner may, in his or her discretion: (A) develop a standard provision, or approve a provision developed by a marketplace provider, in which the marketplace provider obligates itself to collect the tax on behalf of all the marketplace sellers for whom the marketplace provider facilitates sales of tangible personal property, with respect to all sales that it facilitates for such sellers where delivery occurs in the state; and (B) provide by regulation or otherwise that the inclusion of such provision in the publicly-available agreement between
The marketplace provider and marketplace seller will have the same effect as a marketplace seller's acceptance of a certificate of collection from such marketplace provider under paragraph two of this subdivision.

§ 4. Section 1133 of the tax law is amended by adding a new subdivision (f) to read as follows:

(f) A marketplace provider is relieved of liability under this section for failure to collect the correct amount of tax to the extent that the marketplace provider can show that the error was due to incorrect information given to the marketplace provider by the marketplace seller. Provided, however, this subdivision shall not apply if the marketplace seller and marketplace provider are affiliated within the meaning of paragraph one of subdivision (e) of section eleven hundred one of this article.

§ 5. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as amended by section 46 of part K of chapter 61 of the laws of 2011, is amended to read as follows:

(4) The return of a vendor of tangible personal property or services shall show such vendor's receipts from sales and the number of gallons of any motor fuel or diesel motor fuel sold and also the aggregate value of tangible personal property and services and number of gallons of such fuels sold by the vendor, the use of which is subject to tax under this article, and the amount of tax payable thereon pursuant to the provisions of section eleven hundred thirty-seven of this part. The return of a recipient of amusement charges shall show all such charges and the amount of tax thereon, and the return of an operator required to collect tax on rents shall show all rents received or charged and the amount of tax thereon. The return of a marketplace seller shall exclude the receipts from a sale of tangible personal property facilitated by a marketplace provider if, in regard to such sale: (A) the marketplace seller has timely received in good faith a properly completed certificate of collection from the marketplace provider or the marketplace provider has included a provision approved by the commissioner in the publicly-available agreement between the marketplace provider and the marketplace seller as described in subdivision one of section eleven hundred thirty-two of this part, and (B) the information provided by the marketplace seller to the marketplace provider about such tangible personal property is accurate.

§ 6. Section 1142 of the tax law is amended by adding a new subdivision 15 to read as follows:

(15) To publish a list on the department's website of marketplace providers whose certificates of authority have been revoked and, if necessary to protect sales tax revenue, provide by regulation or otherwise that a marketplace seller who is a vendor will be relieved of the duty to collect tax for sales of tangible personal property facilitated by a marketplace provider only if, in addition to the conditions prescribed by paragraph two of subdivision (l) of section eleven hundred thirty-two of this part being met, such marketplace provider is not on such list at the commencement of the quarterly period covered thereby.

§ 7. This act shall take effect immediately and shall apply to sales made on or after September 1, 2019.

PART I

Section 1. Subdivision 3 of section 1204 of the real property tax law, as added by chapter 115 of the laws of 2018, is amended to read as follows:

3. Where the tentative equalization rate is not within plus or minus five percentage points of the locally stated level of assessment, the assessor shall provide notice in writing to the local governing body of any affected town, city, village, county and school district of the difference between the locally stated level of assessment and the tentative equalization rate. Such notice shall be made within ten days of the receipt of the tentative equalization rate, or within ten days of the filing of the tentative assessment roll, whichever is later, and shall provide the difference in the indicated total full value estimates of the locally stated level of assessment and the tentative equalization rate for the taxable property within each affected town, city, village, county and school district, where applicable.

§ 2. The real property tax law is amended by adding a new section 1211 to read as follows:

§ 1211. Confirmation by commissioner of the locally stated level of assessment. Notwithstanding the foregoing provisions of this title, before the commissioner determines a tentative equalization rate for a city, town or village, he or she shall examine the accuracy of the locally stated level of assessment appearing on the tentative assessment roll. If the commissioner confirms the locally stated level of assessment, then as soon thereafter as is practicable, he or she shall establish and certify such locally stated level of assessment as the final equalization rate for such city, town or village in the manner provided by sections twelve hundred ten and twelve hundred twelve of this title. The provisions of sections twelve hundred four, twelve hundred six and twelve hundred eight of this title shall not apply in such cases, unless the commissioner finds that the final assessment roll differs from the tentative assessment roll to an extent that renders the locally stated level of assessment inaccurate, and rescinds the final equalization rate on that basis.

§ 3. Paragraph (d) of subdivision 1 of section 1314 of the real property tax law, as amended by chapter 158 of the laws of 2002, is amended to read as follows:

(d) [i] Such district superintendent shall also determine what proportion of any tax to be levied in such school district for school purposes
during the current school year shall be levied upon each part of a city or town included in such school district by dividing the sum of the full valuation of real property in such part of a city or town by the total of all such full valuations of real property in such school district. Provided, however, that prior to the levy of taxes, the governing body of the school district may adopt a resolution directing such proportions to be based upon the average full valuation of real property in each such city or town over either a three-year period, consisting of the current school year and the two prior school years, or over a five-year period, consisting of the current school year and the four prior school years. Once such a resolution has been adopted, the proportions for ensuing school years shall continue to be based upon the average full valuation of real property in each such city or town over the selected period, unless the resolution provides otherwise or is repealed.

(ii) Such proportions shall be expressed in the nearest exact ten thousandths and the school authorities of such school district shall levy such a proportion of any tax to be raised in the school district during the current school year upon each part of a city or town included in such school district as shall have been determined by the district superintendent. A new proportion shall be determined for each school year thereafter by the district superintendent in accordance with the provisions of this section by the use of the latest state equalization rates. In any such school district that is not within the jurisdiction of a district superintendent of schools, the duties which would otherwise be performed by the district superintendent under the provisions of this section, shall be performed by the school authorities of such district.

§ 4. This act shall take effect immediately.

PART J

Section 1. This Part enacts into law major components of legislation relating to the improvement of the administration of real property taxation in accordance with the real property tax law and other laws relating thereto. Each component is wholly contained within a Subpart identified as Subparts A through F. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. The real property tax law is amended by adding a new section 497 to read as follows:

§ 497. Assessment relief in state disaster emergencies. 1. Notwithstanding any provision of law to the contrary, during a state disaster emergency as defined by section twenty of the executive law, an eligible municipality may exercise the provisions of this section if its governing body, by the sixtieth day following the date upon which the governor declares a state disaster emergency, passes a local law or ordinance, or in the case of a school district a resolution, adopting the provisions of this section. An eligible municipality may provide assessment relief
for real property that is impacted by the disaster that led to the
declaration of the state disaster emergency, and that is located within
such municipality, as provided in subparagraphs (i), (ii), (iii) or (iv)
of paragraph (a) of subdivision three of this section only if its
governing body specifically elects to do so as part of such local law,
ordinance or resolution. A copy of any such local law, ordinance or

the adoption thereof.

taxes levied upon that roll by or on behalf of a participating munici-
pality are payable without interest on or after the date of the disas-
ter.

that has passed a local law, ordinance, or resolution to provide assess-

defined under paragraphs (a) through (g) of subdivision twelve of
section one hundred two of this chapter.

3. Assessment relief for disaster victims in an eligible county. (a)
Notwithstanding any provision of law to the contrary, where real proper-
ty is impacted by a disaster that led to the declaration of a state
disaster emergency, and such property is located within a participating
municipality, assessment relief shall be granted as follows:

(i) If a participating municipality has elected to provide assessment
relief for real property that lost at least ten percent but less than
twenty percent of its improved value due to a disaster, the assessed
value attributable to the improvements shall be reduced by fifteen
percent for purposes of the participating municipality on the impacted
tax roll.

(ii) If a participating municipality has elected to provide assessment
relief for real property that lost at least twenty percent but less than
thirty percent of its improved value due to a disaster, the assessed
value attributable to the improvements shall be reduced by twenty-five
percent for purposes of the participating municipality on the impacted
tax roll.

(iii) If a participating municipality has elected to provide assess-
ment relief for real property that lost at least thirty percent but less
than forty percent of its improved value due to a disaster, the assessed
value attributable to the improvements shall be reduced by thirty-five percent for purposes of the participating municipality on the impacted tax roll.

(iv) If a participating municipality has elected to provide assessment relief for real property that lost at least forty percent but less than fifty percent of its improved value due to a disaster, the assessed value attributable to the improvements shall be reduced by forty-five percent for purposes of the participating municipality on the impacted tax roll.

(v) If the property lost at least fifty but less than sixty percent of its improved value due to a disaster, the assessed value attributable to the improvements shall be reduced by fifty-five percent for purposes of the participating municipality on the impacted tax roll.

(viii) If the property lost at least eighty but less than ninety percent of its improved value due to a disaster, the assessed value attributable to the improvements shall be reduced by eighty-five percent for purposes of the participating municipality on the impacted tax roll.

(ix) If the property lost at least ninety but less than one hundred percent of its improved value due to a disaster, the assessed value attributable to the improvements shall be reduced by ninety-five percent for purposes of the participating municipality on the impacted tax roll.

(x) If the property lost one hundred percent of its improved value due to a disaster, the assessed value attributable to the improvements shall be reduced by one hundred percent for purposes of the participating municipality on the impacted tax roll.

(xi) The percentage loss in improved value for this purpose shall be adopted by the assessor from a written finding of the Federal Emergency Management Agency or, where no such finding exists, shall be determined by the assessor in the manner provided by this section, subject to review by the board of assessment review.

(xii) Where the assessed value of a property is reduced pursuant to this section, the difference between the property's assessed value and its reduced assessed value shall be exempt from taxation. No reduction in assessed value shall be granted pursuant to this section except as specified above for such counties. No reduction in assessed value shall be granted pursuant to this section for purposes of any county, city, town, village or school district that has not adopted the provisions of this section.

(b) To receive such relief pursuant to this section, a property owner in a participating municipality shall submit a written request to the assessor on a form prescribed by the commissioner within one hundred twenty days following the date upon which the state disaster emergency was declared by the governor, provided, however, that such one hundred twenty day period may be extended to a total of up to one hundred eighty days by a local law, ordinance or resolution adopted by the governing body of the assessing unit. A copy of any such local law, ordinance or resolution shall be filed with the commissioner. Such request shall
attach any and all determinations by the Federal Emergency Management Agency, and any and all reports by an insurance adjuster, shall describe in reasonable detail the damage caused to the property by the disaster and the condition of the property following the disaster, and shall be accompanied by supporting documentation, if available.

(c) Upon receiving such a request, the assessor shall adopt the finding by the Federal Emergency Management Agency or, if such finding does not exist, the assessor shall make a finding as to whether the property lost at least fifty percent of its improved value or, if a participating municipality has elected to provide assessment relief for real property that lost a lesser percentage of improved value such lesser percentage of its improved value, as a result of a disaster. The assessor shall thereafter adopt or classify the percentage loss of improved value within one of the following ranges:

(i) At least ten percent but less than twenty percent, provided that this range shall only be applicable if a participating municipality has elected to provide assessment relief for losses within this range.

(ii) At least twenty percent but less than thirty percent, provided that this range shall only be applicable if a participating municipality has elected to provide assessment relief for losses within this range.

(iii) At least thirty percent but less than forty percent, provided that this range shall only be applicable if a participating municipality has elected to provide assessment relief for losses within this range.

(iv) At least forty percent but less than fifty percent, provided that this range shall only be applicable if a participating municipality has elected to provide assessment relief for losses within this range.

(v) At least fifty percent but less than sixty percent.

(vi) At least sixty percent but less than seventy percent.

(vii) At least seventy percent but less than eighty percent.

(viii) At least eighty percent but less than ninety percent.

(ix) At least ninety percent but less than one hundred percent, or

(x) One hundred percent.

(d) On or before the thirtieth day after the last date for the filing of requests for relief pursuant to this section, the assessor shall mail written notice of such findings to the property owner and participating municipality. The notice shall indicate that if the property owner is dissatisfied with these findings, he or she may file a complaint with the board of assessment review up until the date specified in such notice, which date shall be the twenty-first day after the last date for the mailing of such notices. If any complaints are so filed, such board shall reconvene upon ten days written notice to the property owner and assessor to hear and determine the complaint, and shall mail written notice of its determination to the assessor and property owner within fifteen days of such hearing. The provisions of article five of this chapter shall govern the review process to the extent practicable. For the purposes of this section only, the applicant may commence, within thirty days of mailing of a written determination, a proceeding under title one of article seven of this chapter or, if applicable, under title one-A of article seven of this chapter. Sections seven hundred twenty-seven and seven hundred thirty-nine of this chapter shall not apply.

(e) Where property has lost at least fifty percent of its improved value or, if a participating municipality has elected to provide assessment relief for real property that lost a lesser percentage of improved value such lesser percentage, due to a disaster, the assessed value attributable to the improvements on the property on the impacted assess-
ment roll shall be reduced by the appropriate percentage specified in paragraph (a) of this subdivision, provided that any exemptions that the property may be receiving shall be adjusted as necessary to account for such reduction in the total assessed value. To the extent the total assessed value of the property originally appearing on such roll exceeds the amount to which it should be reduced pursuant to this section, the excess shall be considered an error in essential fact as defined by subdivision three of section five hundred fifty of this chapter. The assessor shall thereupon be authorized and directed to correct the assessment roll accordingly or, if another person has custody or control of the assessment roll, to direct such person to make the appropriate corrections. If the correction is made after taxes are levied but before such taxes are paid, the collecting officer shall be authorized and directed to correct the applicant's tax bill accordingly. If the correction is made after taxes are paid, the authorities of each participating municipal corporation shall be authorized and directed to issue a refund in the amount of the excess taxes paid with regard to such participating municipal corporation.

(f) The rights contained in this section shall not otherwise diminish any other legally available right of any property owner or party who may otherwise lawfully challenge the valuation or assessment of any real property or improvements thereon. All remaining rights hereby remain and shall be available to the party to whom such rights would otherwise be available notwithstanding this section.

4. School districts held harmless. Each school district that is wholly or partially contained within an eligible county shall be held harmless by the state for any reduction in state aid that would have been paid as tax savings pursuant to section thirteen hundred six-a of this chapter incurred due to the provisions of this section.

5. Bonds authorized. Serial bonds and, in advance of such, bond anticipation notes are hereby authorized pursuant to subdivision thirty-three-e of paragraph a of section 11.00 of the local finance law, provided, however, that any federal community development block grant funding received by such participating municipality, in relation to loss of property tax funding, shall first be used to defease, upon maturity, the interest and principal of any such bond or note so outstanding.

§ 2. Paragraph a of section 11.00 of the local finance law is amended by adding a new subdivision 33-e to read as follows:

33-e. Real property tax refunds and credits. Payments of exemptions, refunds, or credits for real property tax, sewer and water rents, rates and charges and all other real property taxes to be made by a municipality, school district or district corporation as a result of providing assessment relief in a state disaster emergency pursuant to section four hundred ninety-seven of the real property tax law, ten years.

§ 3. This act shall take effect immediately.

(b) The board of assessment review shall consist of not less than three nor more than five members appointed by the legislative body of the local government or village or as provided by subdivision five of section fifteen hundred thirty-seven of this chapter, if applicable. Members shall have a knowledge of property values in the local govern-

1. (a) An assessing unit and a county shall have the power to enter into, amend, cancel and terminate an agreement for appraisal services, exemption services, or assessment services, in the manner provided by this section. Such an agreement shall be considered an agreement for the provision of a "joint service" for purposes of article five-G of the general municipal law, notwithstanding the fact that the county would not have the power to perform such services in the absence of such an agreement.
(b) Any such agreement shall be approved by both the assessing unit and the county, by a majority vote of the voting strength of each governing body.
(c) In the case of an assessing unit, no such agreement shall be submitted to the governing body for approval unless at least forty-five days prior to such submission, the governing body shall have adopted a resolution, subject to a permissive referendum, authorizing the assessing unit to negotiate such an agreement with the county; provided, however, that such prior authorization shall not be required for an agreement to amend, cancel or terminate an existing agreement pursuant to this section.

5. An agreement between an assessing unit and a county for assessment review services shall provide for the members of the board of assessment review of the assessing unit to be appointed by the legislative body of the county upon the recommendation of the county director of the real property tax services. Each member so appointed shall be a resident of the county but need not be a resident of the assessing unit. The board of assessment review as so constituted shall have the authority to receive, review and resolve petitions for assessment review filed in such assessing unit, and for the corrections of errors therein, to the full extent set forth in article five of this chapter.

Travel and other actual and necessary expenses incurred by an acting assessor who has been exercising the powers and duties of the assessor for a period of at least six months, in attending training courses no earlier than twelve months prior to the date when courses of training and education are required, shall also be a state charge upon audit by the comptroller. Candidates for certification as eligible for the position of assessor, other than assessors or assessors-elect, shall be charged for the cost of training materials and shall be responsible for all other costs incurred by them in connection with such training. Notwithstanding the foregoing provisions of this subdivision, if the provider of a training course has asked the commissioner to approve the course for credit only, so that attendees who successfully complete the course would be entitled to receive credit without having their expenses reimbursed by the state, and the commissioner has agreed to do so, the travel and other actual and necessary expenses incurred by such attendees shall not be a state charge.

§ 2. Paragraph f of subdivision 3 of section 1530 of the real property tax law, as amended by chapter 361 of the laws of 1986 and as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

§ 104. Electronic real property tax administration. 1. Notwithstanding any provision of law to the contrary, the commissioner is hereby authorized to establish standards for electronic real property tax administration (E-RPT). Such standards shall set forth the terms and conditions under which the various tasks associated with real property tax administration may be executed electronically, dispensing with the need for paper documents. Such tasks shall include any or all of the following:

(a) The filing of exemption applications;

(b) The filing of petitions for administrative review of assessments;
(c) The filing of petitions for judicial review of assessments;
(d) The filing of applications for administrative corrections of errors;
(e) The issuance of statements of taxes;
(f) The payment of taxes, subject to the provisions of sections five and five-b of the general municipal law;
(g) The provision of receipts for the payment of taxes;
(h) The issuance of taxpayer notices required by law, including sections five hundred eight, five hundred ten, five hundred ten-a, five hundred eleven, five hundred twenty-five and five hundred fifty-one-a through five hundred fifty-six-b of this chapter; and
(i) The furnishing of notices and certificates under this chapter relating to state equalization rates, residential assessment ratios, special franchise assessments, railroad ceilings, taxable state lands, advisory appraisals, and the certification of assessors and county directors or real property tax services, subject to the provisions of subdivision five of this section.

2. Such standards shall be developed after consultation with local government officials, the office of court administration in the case of standards relating to petitions for judicial review of assessments, the office of the state comptroller in the case of standards relating to payments or taxes and the issuance of receipts therefor.

3. (a) Taxpayers shall not be required to accept notices, statements of taxes, receipts for the payment of taxes, or other documents electronically unless they have so elected. Taxpayers who have not so elected shall be sent such communications in the manner otherwise provided by law.

(b) Assessors and other municipal officials shall not be required to accept and respond to communications from the commissioner electronically.

(c) The governing board of any municipal corporation may, by local law, ordinance or resolution, determine that it is in the public interest for such municipal corporation to provide electronic real property tax administration. Upon adoption of such local law, ordinance or resolution, such municipal corporation shall comply with standards set forth by the commissioner.

The standards prescribed by the commissioner pursuant to this section relating to communications with taxpayers shall provide for the collection of electronic contact information, such as e-mail addresses and/or social network usernames, from taxpayers who have elected to receive electronic communications in accordance with the provisions of this section. Such information shall be exempt from public disclosure in accordance with section eighty-nine of the public officers law.

4. When a document has been transmitted electronically in accordance with the provisions of this section and the standards adopted by the commissioner hereunder, it shall be deemed to satisfy the applicable legal requirements to the same extent as if it had been mailed via the United States postal service.

5. (a) On and after January first, two thousand twenty, whenever the commissioner is obliged by law to mail a notice of the determination of a tentative state equalization rate, tentative special franchise assessment, tentative assessment ceiling or other tentative determination of the commissioner that is subject to administrative review, the commissioner shall be authorized to furnish the required notice by e-mail, or by causing it to be posted on the department’s website, or both, at his
or her discretion. Notwithstanding any provision of law to the contrary, the commissioner shall not be required to furnish such notices by postal mail, except as provided by paragraphs (d) and (e) of this subdivision.

(b) When providing notice of a tentative determination by e-mail pursuant to this subdivision, the commissioner shall specify an e-mail address to which complaints regarding such tentative determination may be sent. A complaint that is sent to the commissioner by e-mail to the specified e-mail address by the date prescribed by law for the mailing of such complaints shall be deemed valid to the same extent as if it had been sent by postal mail.

(c) When a final determination is made in such a matter, notice of the final determination and any certificate relating thereto shall be furnished by e-mail or by a website posting, at the commissioner’s discretion, and need not be provided by postal mail, except as provided by paragraphs (d) and (e) of this subdivision.

(d) If an assessor has advised the commissioner in writing that he or she prefers to receive the notices described in this subdivision by postal mail, the commissioner shall thereafter send such notices to that assessor by postal mail, and need not send such notices to that assessor by e-mail. The commissioner shall prescribe a form that assessors may use to advise the commissioner of their preference for postal mail.

(e) If the commissioner learns that an e-mail address to which a notice has been sent pursuant to this subdivision is not valid, and the commissioner cannot find a valid e-mail address for that party, the commissioner shall resend the notice to the party by postal mail. If the commissioner does not have a valid e-mail address for the party at the time the notice is initially required to be sent, the commissioner shall send the notice to that party by postal mail.

(f) On or before November thirtieth, two thousand nineteen, the commissioner shall send a notice by postal mail to assessors, to chief executive officers of assessing units, and to owners of special franchise property and railroad property, informing them of the provisions of this section. The notice to be sent to assessors shall include a copy of the form prescribed pursuant to paragraph (d) of this subdivision.

(g) As used in this subdivision, the term "postal mail" shall mean mail that is physically delivered to the addressee by the United States postal service.

§ 2. This act shall take effect immediately.

Such report shall be in the form and manner prescribed by the commissioner.

2. When used in this section, "electric generating facility" shall mean any facility that generates electricity for sale, directly or indirectly, to the public, including the land upon which the facility is located, any equipment used in such generation, and equipment leading from the facility to the interconnection with the electric transmission system, but shall not include:

(a) any equipment in the electric transmission system; and

(b) any electric generating equipment owned or operated by a residential customer of an electric generating facility, including the land upon which the equipment is located, when located and used at his or her residence.

3. Every electric generating facility owner, operator, or manager failing to make the report required by this section, or failing to make any report required by the commissioner pursuant to this section within the time specified by it, shall forfeit to the people of the state the sum of ten thousand dollars for every such failure and the additional sum of one thousand dollars for each day that such failure continues.

§ 2. This act shall take effect January 1, 2020.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or subpart of this act shall be adjudged by any court of
1 competent jurisdiction to be invalid, such judgment shall not affect,
2 impair, or invalidate the remainder thereof, but shall be confined in
3 its operation to the clause, sentence, paragraph, subdivision, section
4 or subpart thereof directly involved in the controversy in which such
5 judgment shall have been rendered. It is hereby declared to be the
6 intent of the legislature that this act would have been enacted even if
7 such invalid provisions had not been included herein.
8 § 3. This act shall take effect immediately provided, however, that
9 the applicable effective date of Subparts A through F of this Part shall
10 be as specifically set forth in the last section of such Subparts.

PART K

Section 1. Section 3-d of the general municipal law, as added by
section 2 of part E of chapter 59 of the laws of 2018, is REPEALED.

PART L

Section 1. The tax law is amended by adding a new section 44 to read
as follows:

§ 44. Employer-provided child care credit. (a) General. A taxpayer
subject to tax under article nine-A, twenty-two, or thirty-three of this
chapter shall be allowed a credit against such tax in an amount equal to
the portion of the credit that is allowed to the taxpayer under section
45F of the internal revenue code that is attributable to (i) qualified
child care expenditures paid or incurred with respect to a qualified
child care facility with a situs in the state, and to (ii) qualified
child care resource and referral expenditures paid or incurred with
respect to the taxpayer's employees working in the state. The credit
allowable under this subdivision for any taxable year shall not exceed
one hundred fifty thousand dollars. If the entity operating the quali-
fied child care facility is a partnership or a New York S corporation,
then such cap shall be applied at the entity level, so the aggregate
credit allowed to all the partners or shareholders of such entity in a
taxable year does not exceed one hundred fifty thousand dollars.

(b) Credit recapture. If there is a cessation of operation or change
in ownership, as defined by section 45F of the internal revenue code
relating to a qualified child care facility with a situs in the state,
the taxpayer shall add back the applicable recapture percentage of the
credit allowed under this section in accordance with the recapture
provisions of section 45F of the internal revenue code, but the recap-
ture amount shall be limited to the credit allowed under this section.

(c) Reporting requirements. A taxpayer that has claimed a credit under
this section shall notify the commissioner of any cessation of opera-
tion, change in ownership, or agreement to assume recapture liability as
such terms are defined by section 45F of the internal revenue code, in
the form and manner prescribed by the commissioner.

(d) Definitions. The terms "qualified child care expenditures", "qual-
ified child care facility", "qualified child care resource and referral
expenditure", "cessation of operation", "change of ownership", and
"applicable recapture percentage" shall have the same meanings as in
section 45F of the internal revenue code.

(e) Cross-references. For application of the credit provided for in
this section, see the following provisions of this chapter:
(1) article 9-A: section 210-B, subdivision 53;
(2) article 22: section 606(i), subsections (i) and (jjj);
(3) article 33: section 1511, subdivision (dd).

53. Employer-provided child care credit. (a) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-four of this chapter, against the tax imposed by this article.
(b) Application of credit. The credit allowed under this subdivision for any taxable year may not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.
(c) Credit recapture. For provisions requiring recapture of credit, see section forty-four of this chapter.
§ 3. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xliv) to read as follows:

(jjj) Employer-provided child care credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-four of this chapter, against the tax imposed by this article.
(2) Application of credit. If the amount of the credit allowed under this subsection for any taxable year exceeds the taxpayer's tax for such year, the excess will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest will be paid thereon.
(3) Credit recapture. For provisions requiring recapture of credit, see section forty-four of this chapter.
§ 5. Section 1511 of the tax law is amended by adding a new subdivision (dd) to read as follows:
(dd) Employer-provided child care credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-four of this chapter, against the tax imposed by this article.
(2) Application of credit. The credit allowed under this subdivision shall not reduce the tax due for such year to be less than the minimum fixed by paragraph four of subdivision (a) of section fifteen hundred two or section fifteen hundred two-a of this article, whichever is applicable. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the taxpayer's tax to such amount, any amount of credit thus not deductible will be treated as an
overpayment of tax to be credited or refunded in accordance with the
provisions of section one thousand eighty-six of this chapter.
Provided, however, the provisions of subsection (c) of one thousand
eighty-eight of this chapter notwithstanding, no interest shall be paid
thereon.

years beginning on or after January 1, 2019; provided, however that the
amendments to subsection (b) of section 671 of the tax law made by
section two of this act shall not affect the expiration of such
subsection and shall be deemed to expire therewith.

PART N

Section 1. Subdivision (c) of section 42 of the tax law, as added by
section 1 of part RR of chapter 60 of the laws of 2016, is amended to
read as follows:
(c) For purposes of this subdivision section, the term "eligible
farmer" means a taxpayer whose federal gross income from farming as
defined in subsection (n) of section six hundred six of this chapter for
the taxable year is at least two-thirds of excess federal gross income.
Excess federal gross income means the amount of federal gross income

licensed farm winery as provided for in article six of the alcoholic
beverage control law, or from the sale of cider from a licensed farm
cidery as provided for in section fifty-eight-c of the alcoholic bever-
age control law, then an eligible farm employee of such eligible farmer

Section 1. Section 12 of part N of chapter 61 of the laws of 2005, amending the tax law relating to certain transactions and related information and relating to the voluntary compliance initiative, as amended by section 1 of part M of chapter 60 of the laws of 2016, is amended to read as follows:

§ 12. This act shall take effect immediately; provided, however, that (i) section one of this act shall apply to all disclosure statements described in paragraph 1 of subdivision (a) of section 25 of the tax law, as added by section one of this act, that were required to be filed with the internal revenue service at any time with respect to "listed transactions" as described in such paragraph 1, and shall apply to all disclosure statements described in paragraph 1 of subdivision (a) of section 25 of the tax law, as added by section one of this act, that were required to be filed with the internal revenue service with respect to "reportable transactions" as described in such paragraph 1, other than "listed transactions", in which a taxpayer participated during any taxable year for which the statute of limitations for assessment has not expired as of the date this act shall take effect, and shall apply to returns or statements described in such paragraph 1 required to be filed by taxpayers (or persons as described in such paragraph) with the commissioner of taxation and finance on or after the sixtieth day after this act shall have become a law; and

(ii) sections two through four and seven through nine of this act shall apply to any tax liability for which the statute of limitations on assessment has not expired as of the date this act shall take effect; and

(iii) provided, further, that the provisions of this act, except section five of this act, shall expire and be deemed repealed July 1, 2019; provided, that, such expiration and repeal shall not affect any requirement imposed pursuant to this act.

§ 2. Subsection (aa) of section 685 of the tax law is REPEALED and a new subsection (aa) is added to read as follows:

(aa) Tax preparer penalty.— (1) If a tax return preparer takes a position on any income tax return or credit claim form that either understates the tax liability or increases the claim for a refund, and the preparer knew, or reasonably should have known, that said position was not proper, and such position was not adequately disclosed on the return or in a statement attached to the return, such income tax preparer shall pay a penalty of between one hundred and one thousand dollars.

(2) If a tax return preparer takes a position on any income tax return or credit claim form that either understates the tax liability or increases the claim for a refund and the understatement of the tax liability or the increased claim for refund is due to the preparer's reckless or intentional disregard of the law, rules or regulations, such preparer shall pay a penalty of between five hundred and five thousand dollars. The amount of the penalty payable by any person by reason of this paragraph shall be reduced by the amount of the penalty paid by such person by reason of paragraph one of this subsection.

(3) For purposes of this subsection, the term "understatement of tax liability" means any understatement of the net amount payable with
respect to any tax imposed under this article or any overstatement of
the net amount creditable or refundable with respect to any such tax.
(4) For purposes of this subsection, the term "tax return prepared"
shall have the same meaning as defined in paragraph five of subsection
(g) of section six hundred fifty-eight of this article.
(5) This subsection shall not apply if the penalty under subsection
(r) of this section is imposed on the tax return preparer with respect
to such understatement.
§ 3. Subsection (u) of section 685 of the tax law is amended by adding
three new paragraphs (1), (2), and (6) to read as follows:
(1) Failure to sign return or claim for refund. If a tax return
preparer who is required pursuant to paragraph one of subsection (g) of
section six hundred fifty-eight of this article to sign a return or
claim for refund fails to comply with such requirement with respect to
such return or claim for refund, the tax return preparer shall be
subject to a penalty of two hundred fifty dollars for each such failure
to sign, unless it is shown that such failure is due to reasonable cause
and not due to willful neglect. The maximum penalty imposed under this
paragraph on any tax return preparer with respect to returns filed
during any calendar year by the tax return preparer must not exceed ten
thousand dollars. Provided, however, that if a tax return preparer has
been penalized under this paragraph for a preceding calendar year and
again fails to sign his or her name on any return that requires the tax
return preparer's signature during a subsequent calendar year, then the
penalty under this paragraph for each failure will be five hundred
dollars, and no annual cap will apply. This paragraph shall not apply if
the penalty under paragraph three of subsection (g) of section thirty-
two of this chapter is imposed on the tax return preparer with respect
to such return or claim for refund.
(2) Failure to furnish identifying number. If a tax return preparer
fails to include any identifying number required to be included on any
return or claim for refund pursuant to paragraph two of subsection (g)
of section six hundred fifty-eight of this article, the tax return
preparer shall be subject to a penalty of one hundred dollars for each
such failure, unless it is shown that such failure is due to reasonable
cause and not willful neglect. The maximum penalty imposed under this
paragraph on any tax return preparer with respect to returns filed
during any calendar year must not exceed two thousand five hundred
dollars; provided, however, that if a tax return preparer has been
penalized under this paragraph for a preceding calendar year and again
fails to include the identifying number on one or more returns during a
subsequent calendar year, then the penalty under this paragraph for each
failure will be two hundred fifty dollars, and no annual cap will apply.
This paragraph shall not apply if the penalty under paragraph four of
subsection (g) of section thirty-two of this chapter is imposed on the
tax return preparer with respect to such return or claim for refund.
(6) For purposes of this subsection, the term "tax return preparer"
shall have the same meaning as defined in paragraph five of subsection
(g) of section six hundred fifty-eight of this article.
§ 4. This act shall take effect immediately; provided, however, that
the amendments to subsection (u) of section 685 of the tax law made by
section three of this act shall apply to tax documents filed or required
to be filed for taxable years beginning on or after January 1, 2019.

PART W

§ 32.38 Power to administer the recovery tax credit program.

(a) Authorization. The commissioner is authorized to establish and administer the recovery tax credit program to provide tax incentives to certified employers for employing eligible individuals in recovery from a substance use disorder in part-time and full-time positions in the state. The commissioner is authorized to allocate up to two million dollars of tax credits annually for the recovery tax credit program beginning in the year two thousand twenty.

(b) Definitions. 1. The term "certified employer" means an employer that has received a certificate of tax credit from the commissioner after the commissioner has determined that the employer:

(i) provides a recovery supportive environment evidenced by a formal working relationship with a local recovery community organization to provide support for employers including any necessary assistance in the hiring process of eligible individuals in recovery from a substance use disorder and training for employers or supervisors; and

(ii) fulfills the eligibility criteria set forth in this section and by the commissioner to participate in the recovery tax credit program established in this section.

2. The term "eligible individual" means an individual with a substance use disorder as that term is defined in section 1.03 of this chapter who
is in a state of wellness where there is an abatement of signs and symp-
toms that characterize active addiction and has demonstrated to the
qualified employer’s satisfaction that he or she has completed a course
of treatment for such substance use disorder.

(c) Application and approval process. 1. To participate in the program
established by this section, an employer must, in a form prescribed by
the commissioner, apply annually to the office by January fifteenth to
claim credit based on eligible individuals employed during the preceding
calendar year. As part of such application, an employer must:

(i) Agree to allow the department of taxation and finance to share its
tax information with the office of alcoholism and substance abuse
services. However, any information shared because of this agreement
shall not be available for disclosure or inspection under the state
freedom of information law.

(ii) Allow the office of alcoholism and substance abuse services and
its agents access to all books and records the department may require to
monitor compliance with program eligibility requirements.

(iii) Demonstrate that the employer has satisfied program eligibility
requirements and provided all the information necessary, including the
number of hours worked by any eligible individual, for the commissioner
to compute an actual amount of credit allowed.

2. (i) After reviewing the application and finding it sufficient, the
commissioner shall issue a certificate of tax credit by March thirty-
first. Such certificate shall include, but not be limited to, the name
and employer identification number of the certified employer, the amount
of credit that the certified employer may claim, and any other informa-
tion the commissioner of taxation and finance determines is necessary.

(ii) In determining the amount of credit that any employer may claim,
the commissioner shall review all claims submitted for credit by employ-
ers and, to the extent that the total amount claimed by employers
exceeds the amount allocated for the program in that calendar year,
shall issue credits on a pro-rata basis corresponding to each claimant's
share of the total claimed amount.

(d) Eligibility. A certified employer shall be entitled to a tax cred-
it equal to the product of one dollar and the number of hours worked by
each eligible individual during such individual's period of eligibility.
The credit shall not be allowed unless the eligible individual has
worked in state for a minimum of five hundred hours for the certified
employer, and the credit cannot exceed two thousand dollars per eligible
individual employed by the certified employer in the state. The period
of eligibility for each such employee starts on the day the employee is
hired and ends on December thirty-first of the immediately succeeding
calendar year or the last day of the employee's employment by the certi-
fied employer, whichever comes first. If an employee has worked in
excess of five hundred hours between the date of hiring and December
thirty-first of that year, an employer can elect to compute and claim a
credit for such employee in that year based on the hours worked by
December thirty-first. Alternatively, the employer may elect to include
such individual in the computation of the credit in the year immediately
succeeding the year in which the employee was hired. In such case, the
credit shall be computed on the basis of all hours worked by such eligi-
ble individual from the date of hire to the earlier of the last day of
employment or December thirty-first of the succeeding year. However, in
no event may an employee generate credit for hours worked in excess of
two thousand hours. An employer may claim credit only once with respect
to any eligible individual and may not aggregate hours of two or more employees to reach the minimum number of hours.

(e) Duties of the commissioner. The commissioner shall annually provide to the commissioner of the department of taxation and finance information about the program including, but not limited to, the number of certified employers then participating in the program, unique identifying information for each certified employer, the number of eligible individuals employed by each certified employer, unique identifying information for each eligible individual employed by the certified employers, the number of hours worked by such eligible individuals, the total dollar amount of claims for credit, and the dollar amount of credit granted to each certified employer.

(f) Certified employer's taxable year. If the certified employer's taxable year is a calendar year, the employer shall be entitled to claim the credit as shown on the certificate of tax credit on the calendar year return for which the certificate of tax credit was issued. If the certified employer's taxable year is a fiscal year, the employer shall be entitled to claim the credit as shown on the certificate of tax credit on the return for the fiscal year that includes the last day of the calendar year covered by the certificate of tax credit.

(g) Cross references. For application of the credit provided for in this section, see the following provisions of the tax law:

1. Article 9-A: Section 210-B, subdivision 53.
2. Article 22: Section 606, subsection (jjj).
3. Article 33: Section 1511, subdivision (dd).

§ 2. Section 210-B of the tax law is amended by adding a new subdivision 53 to read as follows:

53. Recovery tax credit. (a) Allowance of credit. A taxpayer that is a certified employer pursuant to section 32.38 of the mental hygiene law that has received a certificate of tax credit from the commissioner of the office of alcoholism and substance abuse services shall be allowed a credit against the tax imposed by this article equal to the amount shown on such certificate of tax credit. A taxpayer that is a partner in a partnership or member of a limited liability company that has been certified by the commissioner of the office of alcoholism and substance abuse services as a qualified employer pursuant to section 32.38 of the mental hygiene law shall be allowed its pro rata share of the credit earned by the partnership or limited liability company.

(b) Application of credit. The credit allowed under this subdivision for any taxable year may not reduce the tax due for that year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the tax to that amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit not deductible in that taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, no interest will be paid thereon.

(c) Tax return requirement. The taxpayer shall be required to attach to its tax return, in the form prescribed by the commissioner, proof of receipt of its certificate of tax credit issued by the commissioner of the office of alcoholism and substance abuse services pursuant to section 32.38 of the mental hygiene law.
§ 3. Subparagraph (B) of paragraph 1 of subdivision (i) of section 606 of the tax law is amended by adding a new clause (xliv) to read as follows:

(xliv) Recovery tax credit under Amount of credit under
subsection (jjj) subdivision fifty-three of
section two hundred ten-B

§ 4. Section 606 of the tax law is amended by adding a new subsection (jjj) to read as follows:

(jjj) Recovery tax credit. (1) Allowance of credit. A taxpayer that is a qualified employer pursuant to section 32.38 of the mental hygiene law that has received a certificate of tax credit from the commissioner of the office of alcoholism and substance abuse services shall be allowed a credit against the tax imposed by this article equal to the amount shown on such certificate of tax credit. A taxpayer that is a partner in a partnership, member of a limited liability company or shareholder in an S corporation that has been certified by the commissioner of the office of alcoholism and substance abuse services as a qualified employer pursuant to section 32.38 of the mental hygiene law shall be allowed its pro rata share of the credit earned by the partnership, limited liability company or S corporation.

(2) Overpayment. If the amount of the credit allowed under this subsection for any taxable year exceeds the taxpayer's tax for the taxable year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, no interest will be paid thereon.

(3) Tax return requirement. The taxpayer shall be required to attach to its tax return, in the form prescribed by the commissioner, proof of receipt of its certificate of tax credit issued by the commissioner of the office of alcoholism and substance abuse services pursuant to section 32.38 of the mental hygiene law.

(2) Application of credit. The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the minimum tax fixed by paragraph four of subdivision (a) of section fifteen hundred two of this article or by section fifteen hundred two-a of this article, whichever is applicable. However, if the amount of credit allowed under this subdivision for any taxable year reduces the tax to such amount, then any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the
provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 44. Investment management services. (a) For purposes of this section, the term "investment management services" to a partnership, S corporation or entity includes (1) rendering investment advice regarding the purchase or sale of securities as defined in paragraph two of subsection (c) of section four hundred seventy-five of the internal revenue code without regard to the last sentence thereof, real estate held for rental or investment, interests in partnerships, commodities as defined in paragraph two of subsection (e) of section four hundred seventy-five of the internal revenue code, or options or derivative contracts with respect to any of the foregoing; (2) managing, acquiring, or disposing of any such asset; (3) arranging financing with respect to the acquisition of any such asset; and (4) related activities in support of any service described in paragraphs one, two, or three of this subdi-
(b) Special rule for partnerships and S corporations. Notwithstanding any state or federal law to the contrary:

1. Where a partner performs investment management services for the partnership, the partner will not be treated as a partner for purposes of this chapter with respect to the amount of the partner's distributive share of income, gain, loss and deduction, including any guaranteed payments, that is in excess of the amount such distributive share would have been if the partner had performed no investment management services for the partnership. Instead, such excess amount shall be treated for purposes of article nine-A of this chapter as a business receipt for services and for purposes of article twenty-two of this chapter as income attributable to a trade, business, profession or occupation. Provided, however, the amount of the distributive share that would have been determined if the partner performed no investment management services shall not be less than zero.

2. Where a shareholder performs investment management services for the S corporation, the shareholder will not be treated as a shareholder for purposes of this chapter with respect to the amount of the shareholder's pro rata share of income, gain, loss and deduction that is in excess of the amount such pro rata share would have been if the shareholder had performed no investment management services. Instead, such excess amount shall be treated for purposes of article twenty-two of this chapter as income attributable to a trade, business, profession or occupation. Provided, however, the amount of the pro rata share that would have been determined if the shareholder performed no services shall not be less than zero.

3. A partner or shareholder will not be deemed to be providing investment management services under this section if at least eighty percent of the average fair market value of the assets of the partnership or S corporation during the taxable year consist of real estate held for rental or investment.

(c) In addition to any other taxes or surcharges imposed pursuant to article nine-A or twenty-two of this chapter, any corporation, partner or shareholder providing investment management services shall be subject to an additional tax, referred to as the "carried interest fairness fee". Such carried interest fairness fee shall be equal to seventeen percent of the excess amount determined pursuant to subdivision (b) of this section; provided, however, (i) in the case of a corporation or shareholder of an S corporation providing such investment management services, such fee shall be equal to seventeen percent of the excess amount apportioned to the state by applying the corporation's or S corporation's apportionment factor determined under section two hundred ten-A of this chapter; (ii) in the case of a nonresident partner providing such investment management services, such fee shall be equal to seventeen percent of the excess amount derived from New York sources as determined under section six hundred thirty-two of this chapter. Such carried interest fairness fee shall be administered in accordance with article nine-A or twenty-two of this chapter, as applicable, until such time as the commissioner of taxation and finance has notified the legislative bill drafting commission that federal legislation has been enacted that treats the provision of investment management services for federal tax purposes substantially the same as provided in this section.

§ 2. Paragraph (a) of subdivision 6 of section 208 of the tax law, as amended by section 5 of part T of chapter 59 of the laws of 2015, is amended to read as follows:
(a) (i) The term "investment income" means income, including capital gains in excess of capital losses, from investment capital, to the extent included in computing entire net income, less, (A) in the discretion of the commissioner, any interest deductions allowable in computing entire net income which are directly or indirectly attributable to investment capital or investment income, and (B) any net capital gain included in federal taxable income that must be recharacterized as a business receipt pursuant to section forty-four of this chapter; provided, however, that in no case shall investment income exceed entire net income. (ii) If the amount of interest deductions subtracted under subparagraph (i) of this paragraph exceeds investment income, the excess of such amount over investment income must be added back to entire net income. (iii) If the taxpayer's investment income determined without regard to the interest deductions subtracted under subparagraph (i) of this paragraph comprises more than eight percent of the taxpayer's entire net income, investment income determined without regard to such interest deductions cannot exceed eight percent of the taxpayer's entire net income.

§ 3. Subsection (b) of section 617 of the tax law, as amended by chapter 606 of the laws of 1984, is amended to read as follows:

(b) Character of items. [Each] Except as provided in section forty-four of this chapter, each item of partnership and S corporation income, gain, loss, or deduction shall have the same character for a partner or shareholder under this article as for federal income tax purposes. Where an item is not characterized for federal income tax purposes, it shall have the same character for a partner or shareholder as if realized directly from the source which realized by the partnership or S corporation or incurred in the same manner as incurred by the partnership or S corporation.

§ 4. Subsection (d) of section 631 of the tax law, as amended by chapter 28 of the laws of 1987, is amended to read as follows:

For taxable years beginning on or after January 1, 2019 and before January 1, 2020, (i) no addition to tax under subsection (c) of section 685 or subsection (c) of section 1085 of the tax law shall be imposed with respect to any underpayment attributable to the amendments made by this act of any estimated taxes that are required to be paid prior to the effective date of this act, provided that the taxpayer timely made those payments; and (ii) the required installment of estimated tax described in clause (ii) of subparagraph (B) of paragraph 3 of subsection (c) of section 685 of the tax law, and the exception to addition for underpayment of estimated tax described in paragraph 1 or 2 of
subsection (d) of section 1085 of the tax law, in relation to the preceding year's return, shall be calculated as if the amendments made by this act had been in effect for that entire preceding year.

§ 7. This act shall take effect upon the enactment into law by the states of Connecticut, New Jersey, Massachusetts and Pennsylvania of legislation having substantially the same effect as this act and the enactments by such states have taken effect in each state and shall apply for taxable years beginning on or after such date; provided, however, if the states of Connecticut, New Jersey, Massachusetts and Pennsylvania have already enacted such legislation, this act shall take effect immediately and shall apply for taxable years beginning on or after January 1, 2019; provided further that the commissioner of taxation and finance shall notify the legislative bill drafting commission upon the enactment of such legislation by the states of Connecticut, New Jersey, Massachusetts and Pennsylvania in order that such commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

If the taxpayer is a partner in a partnership that is a life sciences company, or a shareholder of a New York S corporation that is a life sciences company, then the total amount of credit allowable shall be applied at the entity level, so that the total amount of credit allowable to all the partners or shareholders of each such entity, taken in the aggregate, does not exceed five hundred thousand dollars in any taxable year.

(5) "Related person" means a related person as defined in subparagraph [(e)] of paragraph three of subdivision (b) of section 465 of the internal revenue code. For this purpose, a "related person" shall include an entity that would have qualified as a "related person" if it had not been dissolved, liquidated, merged with another entity or otherwise ceased to exist or operate.

§ 2. Subdivision 5 of section 209 of the tax law, as amended by section 5 of part A of chapter 59 of the laws of 2014, is amended to read as follows:

5. report, or to whom any information contained in any report is furnished,
or any person engaged or retained by such department on an independent
contract basis, or any person who in any manner may acquire knowledge of
the contents of a report filed pursuant to this article, to divulge or
make known in any manner the amount of income or any particulars set
forth or disclosed in any report under this article. The officers
charged with the custody of such reports shall not be required to
produce any of them or evidence of anything contained in them in any
action or proceeding in any court, except on behalf of the state or the
commissioner in an action or proceeding under the provisions of this
chapter or in any other action or proceeding involving the collection of
tax due under this chapter to which the state or the commissioner is a
party or a claimant, or on behalf of any party to any action or proceed-
ing under the provisions of this article when the reports or facts shown
thereby are directly involved in such action or proceeding, in any of
which events the court may require the production of, and may admit in
evidence, so much of said reports or of the facts shown thereby as are
pertinent to the action or proceeding, and no more. The commissioner
may, nevertheless, publish a copy or a summary of any determination or
decision rendered after the formal hearing provided for in section one
thousand eighty-nine of this chapter. Nothing herein shall be construed
to prohibit the delivery to a corporation or its duly authorized repre-
sentative of a copy of any report filed by it, nor to prohibit the
publication of statistics so classified as to prevent the identification
of particular reports and the items thereof; or the publication of
delinquent lists showing the names of taxpayers who have failed to pay
their taxes at the time and in the manner provided by section two
hundred thirteen of this chapter together with any relevant information
which in the opinion of the commissioner may assist in the collection of
such delinquent taxes; or the inspection by the attorney general or
other legal representatives of the state of the report of any corpo-
ration which shall bring action to set aside or review the tax based
thereon, or against which an action or proceeding under this chapter has
been recommended by the commissioner of taxation and finance or the
attorney general or has been instituted; or the inspection of the
reports of any corporation by the comptroller or duly designated officer
or employee of the state department of audit and control, for purposes
of the audit of a refund of any tax paid by such corporation under this article[], and nothing in this chapter shall be construed to prohibit the publication of the issuer’s allocation percentage of any corporation, as such term “issuer’s allocation percentage” is defined in subparagraph one of paragraph (b) of subdivision three of section two hundred ten of this article].

§ 4. Subdivision (a) of section 213-b of the tax law, as amended by section 10 of part Q of chapter 60 of the laws of 2016, is amended to read as follows:

(a) First installments for certain taxpayers.--In privilege periods of twelve months ending at any time during the calendar year nineteen hundred seventy and thereafter, every taxpayer subject to the tax imposed by section two hundred nine of this chapter must pay with the report required to be filed for the preceding privilege period, or with an application for extension of the time for filing the report, for taxable years beginning before January first, two thousand sixteen, and must pay on or before the fifteenth day of the third month of such privilege periods, for taxable years beginning on or after January first, two thousand sixteen, an amount equal to (i) twenty-five percent of the second preceding year's tax if the second preceding year's tax exceeded one thousand dollars but was equal to or less than one hundred thousand dollars, or (ii) forty percent of the second preceding year's tax if the second preceding year's tax exceeded one hundred thousand dollars. If the second preceding year's tax under section two hundred nine of this chapter exceeded one thousand dollars and the taxpayer is subject to the tax surcharge imposed by section two hundred nine-B of this chapter, the taxpayer must also pay with the tax surcharge report required to be filed for the second preceding privilege period, or with an application for extension of the time for filing the report, for taxable years beginning before January first, two thousand sixteen, and must pay on or before the fifteenth day of the third month of such privilege periods, for taxable years beginning on or after January first, two thousand sixteen, an amount equal to (i) twenty-five percent of the tax surcharge imposed for the second preceding year if the second preceding year's tax was equal to or less than one hundred thousand dollars, or (ii) forty percent of the tax surcharge imposed for the second preceding year if the second preceding year's tax exceeded one hundred thousand dollars. In the case of amounts so paid pursuant to subdivision (a), such interest shall be allowed and paid at the overpayment rate set by the commissioner of taxation and finance pursuant to section one thousand ninety-six of this chapter, or if no rate is set, at the rate of six per centum per annum from the date of payment of the amount so paid pursuant to such subdivision to the fifteenth day of the month following the close of the taxable year, provided, however, that no interest shall be allowed or paid under this subdivision if the amount thereof is less than one dollar or if such interest becomes payable solely because of a carryback of a net operating loss in a subsequent privilege period.

§ 6. Subdivision (a) of section 1503 of the tax law, as amended by chapter 817 of the laws of 1987, is amended to read as follows:

(a) The entire net income of a taxpayer shall be its total net income from all sources which shall be presumably the same as the life insurance company taxable income (which shall include, in the case of a stock life insurance company that has a balance, as determined as of the close of such company's last taxable year beginning before January first, two thousand eighteen, in an existing policyholders surplus account, as such term is defined in section 815 of the internal revenue code as such section was in effect for taxable years beginning before January first, two thousand eighteen, the amount of direct and indirect distributions during the taxable year to shareholders from such account, one-eighth of such balance), taxable income of a partnership or taxable income, but not alternative minimum taxable income, as the case may be, which the taxpayer is required to report to the United States treasury department, for the taxable year or, in the case of a corporation exempt from federal income tax (other than the tax on unrelated business taxable income imposed under section 511 of the internal revenue code) but not exempt from tax under section fifteen hundred one, the taxable income which such taxpayer would have been required to report but for such exemption, except as hereinafter provided.

of the compact to any government, agency, person, or circumstance is

PART KK

Section 1. The racing, pari-mutuel wagering and breeding law is
amended by adding a new section 104-a to read as follows:

§ 104-a. Registration to engage in gaming activity. Notwithstanding
any provision of law to the contrary, the commission may require any
person, corporation or association intending to engage in any gaming
activity regulated by the commission to submit a primary registration to
the commission.

1. For the purposes of this section, when a person is required to
submit a registration, any and all licenses, registrations, certif-
icates, permits or approvals issued to such person as required under
this chapter or under article thirty-four of the tax law shall be
considered sub-registrations or sub-licenses to the aforementioned
registration. No individual shall engage in any gaming activity without
a valid sub-registration or sub-license authorizing such activity.

2. The primary registration to engage in gaming activities shall solely
be an informational return containing such information the commission
deems applicable to all sub-registrations or sub-licenses. The commis-
sion shall require separate applications for all sub-registrations or
sub-licenses containing all supplemental information that the commission
deems necessary.

All commission determinations shall be made on an applicant's sub-re-
gistration or sub-license and not on the primary registration. Any
information obtained for or contained in the primary registration and
all associated sub-registrations or sub-licenses may be used in any
subsequent licensing and registration determinations.

3. Pursuant to the commission's authority granted by subdivisions
thirteen and fourteen of section one hundred four of this article, the
commission may require a background investigation and a criminal history
record search for any primary or sub-registration or sub-license sought.

submission of any new sub-registration or sub-license application.

For the purposes of this section, upon an initial sub-registration or
sub-license application and any subsequent sub-applications as may be
required by the commission, each applicant shall submit to the commis-
sion the applicant's name, address, fingerprints and written consent for
criminal history information as defined in paragraph (c) of subdivision
one of section eight hundred forty-five-b of the executive law, to be
performed. The commission is hereby authorized to exchange fingerprint
data with and receive criminal history record information from the state
division of criminal justice services and the federal bureau of investi-
gation consistent with applicable state and federal laws, rules and
regulations. The applicant shall pay the fee for such criminal history
information as established pursuant to article thirty-five of the execu-
tive law. The state division of criminal justice services shall promptly
notify the commission in the event a current or prospective licensee,
who was the subject of such criminal history information pursuant to
this section, is arrested for a crime or offense in this state after the
date the check was performed.

4. Primary registrations shall expire five years from the date of
submission, provided, however, any sub-registration or sub-license shall
continue through its expiration. Notwithstanding this provision, the
commission may suspend any sub-registration or sub-license that has an
expired primary registration until such primary registration is renewed.
The commission shall establish a schedule to register any individual or
entity who possessed a sub-registration or sub-license prior to the
implementation of this section.

5. The commission shall promulgate rules and regulations to implement
the provisions of this section and ensure that all licensing and regis-

relate to the operation of gaming activities, and who is not regularly

pari-mutuel wagering and breeding law, as added by chapter 174 of the
laws of 2013, is amended to read as follows:

pose a threat to the effective regulation of casino gaming;

§ 4. Subdivision 4 of section 1322 of the racing, pari-mutuel wagering
and breeding law, as added by chapter 174 of the laws of 2013, is
amended to read as follows:

4. All applicants, licensees, registrants, and any other person who
shall be qualified pursuant to this article shall have the continuing

conducted by the commission. If, upon issuance of a formal request to
answer or produce information, evidence or testimony, any applicant,
licensee, registrant, or any other person who shall be qualified pursuant
to this article refuses to comply, the application, license, regis-

nal history, the commission shall provide such applicant with a copy of
such criminal history information, together with a copy of article twen-
ty-three-A of the correction law, and inform such applicant of his or
her right to seek correction of any incorrect information contained in
such criminal history information pursuant to regulations and procedures
established by the division of criminal justice services. Except as
otherwise provided by law, such criminal history information shall be

commission may suspend, revoke, or limit the license or registration
upon a finding that an applicant is no longer qualified to hold such
license or registration in accordance with this article, or as it may

In requesting such waiver, the gaming facility applicant or licensee shall provide any and all information needed to make such determination and any and all information needed as a condition of such waiver. The executive director may revoke any such waiver at any time upon a determination that the circumstances upon which such waiver was granted have changed.

Section 1. Subdivision v of section 233 of the real property law, as amended by chapter 566 of the laws of 1996, is amended to read as follows:

v. 1. However, the commissioner shall not have the power or duty to enforce manufactured home park rules and regulations established under subdivision f of this section.

2. On or before January first, nineteen hundred eighty-nine, each manufactured home park owner or operator shall file a registration statement with the commissioner and shall thereafter file an annual registration statement on or before January first of each succeeding year. The commissioner, by regulation, shall provide that such registration statement shall include only the names of all persons owning an interest in the park, the names of all tenants of the park, all services provided by the park owner to the tenants and a copy of all current manufactured home park rules and regulations. The reporting of such information to the commissioner of taxation and finance pursuant to subparagraph (B) of paragraph six of subsection (eee) of section six hundred six of the tax law shall be deemed to satisfy the requirements of this paragraph.

Whenever there shall be a violation of this section, an application may be made by the commissioner of housing and community renewal in the name of the people of the state of New York to a court or justice having
jurisdiction by a special proceeding to issue an injunction, and upon
notice to the defendant of not less than five days, to enjoin and

the satisfaction of the court or justice that the defendant has, in
fact, violated this section, an injunction may be issued by such court
or justice, enjoining and restraining any further violation and with

section fifty-nine-h of the private housing finance law. In connection
with any such proposed application, the commissioner of housing and

of the relevant facts and to issue subpoenas in accordance with the
civil practice law and rules. The provisions of this subdivision shall
not impair the rights granted under subdivision u of this section.
§ 2. Subparagraph (B) of paragraph 6 of subsection (eee) of section

the laws of 2016, is amended to read as follows:

described in paragraph (1) of subdivision two of section four hundred
twenty-five of the real property tax law, the amount of the credit
allowable with respect to such mobile home shall be equal to the basic
STAR tax savings for the school district portion, or the enhanced STAR
tax savings for the school district portion, whichever is applicable,
that would be applied to a separately assessed parcel in the school
district portion with a taxable assessed value equal to twenty thousand
dollars multiplied by the latest state equalization rate or special
equalization rate for the assessing unit in which the mobile home is
located. Provided, however, that if the commissioner is in possession of
information, including but not limited to assessment records, that
demonstrates to the commissioner's satisfaction that the taxpayer's
mobile home is worth more than twenty thousand dollars, or if the
taxpayer provides the commissioner with such information, the taxpayer's
credit shall be increased accordingly, but in no case shall the credit

(ii) The commissioner may implement an electronic system for the
reporting of information by owners and operators of manufactured home
parks, as defined by section two hundred thirty-three of the real prop-

tenants, the names and addresses of all tenants of the park, whether the
tenant leases or owns the home, and such additional information as the
commissioner may deem necessary for the proper administration of the
STAR exemption established pursuant to section four hundred twenty-five

PART PP

Section 1. Subparagraph (iv) of paragraph (b) of subdivision 4 of section 425 of the real property tax law, as amended by section 2 of part B of chapter 59 of the laws of 2018, is amended to read as follows:

(iv) (A) Effective with applications for the enhanced exemption on final assessment rolls to be completed in two thousand nineteen, the application form shall indicate that all owners of the property and any owners' spouses residing on the premises must have their income eligibility verified annually by the department and must furnish their taxpayer identification numbers in order to facilitate matching with records of the department. The income eligibility of such persons shall be verified annually by the department, and the assessor shall not request income documentation from them. All applicants for the enhanced exemption and all assessing units shall be required to participate in this program, which shall be known as the STAR income verification program.

(B) Effective with final assessment rolls to be completed in two thousand二十, the commissioner shall also annually verify the eligibility of such persons for the enhanced exemption on the basis of age and residency as well as income.

(C) Where the commissioner finds that the enhanced exemption should be replaced with a basic exemption because the income limitation applicable to the enhanced exemption has been exceeded, the property is only eligible for a basic exemption, he or she shall provide the property owners with notice and an opportunity to submit to the commissioner evidence to the contrary. Where the commissioner finds that the enhanced exemption should be removed or denied without being replaced with a basic exemption because the income limitation applicable to the basic exemption has also been exceeded, the property is not eligible for either exemption, he or she shall provide the property owners with notice and an opportunity to submit to the commissioner evidence to the contrary. In either case, if the owners fail to respond to such notice within forty-five days from the mailing thereof, or if their response does not show to the commissioner's satisfaction that the property is eligible for the exemption claimed, the commissioner shall direct the assessor or other person having custody or control of the assessment roll or tax roll to either replace the enhanced exemption with a basic exemption, or to remove or deny the enhanced exemption without replacing it with a basic exemption, as appropriate. The commissioner shall further direct such person to correct the roll accordingly. Such a directive shall be binding upon the assessor or other person having custody or control of the assessment roll or tax roll, and shall be implemented by such person without the need for further documentation or approval.

(D) Notwithstanding any provision of law to the contrary, neither an assessor nor a board of assessment review has the authority to consider an objection to the replacement or removal or denial of an exemption pursuant to this subdivision, nor may such an action be
reviewed in a proceeding to review an assessment pursuant to title one or one-A of article seven of this chapter. Such an action may only be challenged before the department. If a taxpayer is dissatisfied with the department's final determination, the taxpayer may appeal that determination to the state board of real property tax services in a form and manner to be prescribed by the commissioner. Such appeal shall be filed within forty-five days from the issuance of the department's final determination. If dissatisfied with the state board's determination, the taxpayer may seek judicial review thereof pursuant to article seventy-eight of the civil practice law and rules. The taxpayer shall otherwise have no right to challenge such final determination in a court action, administrative proceeding or any other form of legal recourse against the commissioner, the department, the state board of real property tax services, the assessor or other person having custody or control of the assessment roll or tax roll regarding such action.

(c) Additional consequences. A penalty tax may be imposed pursuant to this subdivision whether or not the improper exemption has been revoked in the manner provided by this section. In addition, a person or persons who are found to have made a material misstatement shall be disqualified from further exemption pursuant to this section, and from the credit authorized by subsection (eee) of section six hundred six of the tax law, for a period of [five years if such misstatement appears on an application filed prior to October first, two thousand thirteen, and] six years [if such misstatement appears on an application filed thereafter]. In addition, such person or persons may be subject to prosecution pursuant to the penal law.

(f) Assessor notification. The assessor shall inform the commissioner whenever a person or persons is found to have made a material misstatement on an application for the exemption authorized by this section.

§ 3. Paragraph (13) of subsection (eee) of section 606 of the tax law is amended by adding a new subparagraph (E) to read as follows:

(E) A taxpayer who is found to have made a material misstatement on an application for the credit authorized by this section shall be disqualified from receiving such credit for six years. As used herein, the term "material misstatement" shall have the same meaning as set forth in paragraph (a) of subdivision thirteen of section four hundred twenty-five of the real property tax law.

§ 4. Subparagraph (E) of paragraph (10) of subsection (eee) of section 606 of the tax law, as amended by section 8 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

(E) If the commissioner determines after issuing an advance payment that it was issued in an excessive amount or to an ineligible or incorrect party, the commissioner shall be empowered to utilize any of the procedures for collection, levy and lien of personal income tax set forth in this article, any other relevant procedures referenced within the provisions of this article, and any other law as may be applicable, to recoup the improperly issued amount; provided that in the event such party was determined to be ineligible on the basis that his or her primary residence received the STAR exemption in the associated fiscal year, the improperly issued credit amount shall be deemed a clerical error and shall be paid upon notice and demand without the issuance of a
notice of deficiency and shall be assessed, collected and paid in the
same manner as taxes.
§ 5. This act shall take effect immediately.

PART QQ

Section 1. Section 425 of the real property tax law is amended by
adding a new subdivision 17 to read as follows:

17. Certain disclosures authorized. (a) Notwithstanding any provision
of law to the contrary, when the commissioner has determined that the
owner or owners of a parcel of real property are ineligible for either
the STAR exemption authorized by this section or the STAR credit author-
ized by subsection (eee) of section six hundred six of the tax law, the
commissioner may disclose the names of such owner or owners to the
assessor of the assessing unit in which the property is located. In
addition:

(i) Where the commissioner has found that the STAR exemption or credit
could not be granted because the income of the owner or owners is above
the applicable limit, the commissioner may so advise the assessor, but
shall not disclose the amount of income of any such owner or owners.

(ii) Where the commissioner has found that the STAR exemption or cred-
it could not be granted because the property is not the primary resi-
dence of one or more of the owners thereof, or that the owner's spouse
is receiving a STAR exemption or STAR credit on another residence or a
comparable benefit on a residence in another state, the commissioner may
so advise the assessor. The commissioner may further advise the assessor
of the facts supporting that determination, including the location or
locations of the property owner's other residence or residences, if any.

(iii) Where the commissioner has found that the enhanced STAR
exemption or credit could not be granted because the owner or owners do
not meet the applicable age requirement, the commissioner may so advise
the assessor, and may further advise the assessor of their birth dates
if known.

(iv) Where the commissioner has found that the enhanced STAR exemption
or credit could not be granted because the owner or owners failed to
enroll in the income verification program or failed to submit the income
worksheet required thereunder, the commissioner may so advise the asses-
or.

(b) Information disclosed to an assessor pursuant to this subdivision
shall be used only for purposes of real property tax administration. It
shall be deemed confidential otherwise, and shall not be subject to the
provisions of article six of the public officers law.

§ 2. Section 467 of the real property tax law is amended by adding a
new subdivision 11 to read as follows:

assessing unit who are receiving the enhanced STAR exemption or enhanced
STAR credit and whose federal adjusted gross income is less than the
uppermost amount specified by subparagraph three of paragraph (b) of
subdivision one of this section (represented therein as M + $8,400). Such
amount shall be determined without regard to any local options that
the municipal corporation may or may not have exercised in relation to
increasing or decreasing the maximum income eligibility level authorized
by this section, provided that the amount so determined for a city with
a population of one million or more shall take into account the distinct
(a) of subdivision three of this section. In no case shall the commis-
sioner disclose to an assessor the amount of an owner's federal adjusted
gross income.

(b) The assessor may use the information contained in such a report to
contact those owners who are not already receiving the exemption author-
ized by this section and to suggest that they consider applying for it.
Provided, however, that nothing contained herein shall be construed as
enabling any person or persons to qualify for the exemption authorized
by this section on the basis of their federal adjusted gross income,
rather than on the basis of their income as determined pursuant to the
provisions of paragraph (a) of subdivision three of this section.

(c) Information disclosed to an assessor pursuant to this subdivision
shall be used only for purposes of real property tax administration. It
shall be deemed confidential otherwise, and shall not be subject to the
provisions of article six of the public officers law.

§ 3. Section 1532 of the real property tax law is amended by adding a
new subdivision 5 to read as follows:

5. Information regarding decedents provided by the commissioner to a
county director of real property tax services pursuant to subsection (c)

may be shared with the assessor and tax collecting officer of the munic-
ipal corporation in which the decedent's former residence is located,
and with the enforcing officer if such residence is subject to delin-
quent taxes. The information shall be deemed confidential otherwise, and
shall not be subject to the provisions of article six of the public
officers law.

§ 4. Subsection (c) of section 651 of the tax law, as amended by chap-

fourth month following the close of the twelve-month period which began
with the first day of such fractional part of the year. Notwithstanding
any provision of law to the contrary, when a return has been filed for a
decedent, the commissioner may disclose the decedent's name, address,
and the date of death to the director of real property tax services of
the county in which the address reported on such return is located.

§ 5. This act shall take effect immediately.

hundred seventy-one-u of the tax law, in order to be eligible for the
basic exemption authorized by this section. Beginning with the two thou-
sand nineteen-two thousand twenty school year, for purposes of the
exemption authorized by this section, the parcel's affiliated income may be no greater than two hundred fifty thousand dollars, as so determined. As used herein, the term "affiliated income" shall mean the combined income of all of the owners of the parcel who resided primarily thereon on the applicable taxable status date, and of any owners' spouses residing primarily thereon. For exemptions on final assessment rolls to be used for the levy of taxes for the two thousand eleven-twelve school year, affiliated income shall be determined based upon the parties' incomes for the income tax year ending in two thousand nine. In each subsequent school year, the applicable income tax year shall be advanced by one year. The term "income" as used herein shall have the same meaning as in subdivision four of this section.

§ 2. Subparagraph (A) of paragraph 3 of subsection (eee) of section 606 of the tax law, as added by section 8 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

(A) Beginning with taxable years after two thousand fifteen, a basic STAR credit shall be available to a qualified taxpayer if the affiliated income of the parcel that serves as the taxpayer's primary residence is less than or equal to five hundred thousand dollars. The income limit established for the basic STAR exemption by paragraph (b-1) of subdivision three of section four hundred twenty-five of the real property tax law shall not be taken into account when determining eligibility for the basic STAR credit.

§ 3. This act shall take effect immediately.

PART SS

Section 1. Subdivision 6 of section 1306-a of the real property tax law, as amended by section 3 of part TT of chapter 59 of the laws of 2017, is amended to read as follows:

6. When the commissioner determines, at least twenty days prior to the levy of school district taxes, that an advance credit of the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law will be provided to the owners of a parcel in that school district, he or she shall so notify the assessor, the county director of real property tax services, and the authorities of the school district, who shall cause a statement to be placed on the tax bill for the parcel in substantially the following form: "An estimated STAR check has been or will be mailed to you [upon issuance] by the NYS Tax Department. Any overpayment or underpayment can be reconciled on your next tax return or STAR credit check."

Notwithstanding any provision of law to the contrary, in the event that the parcel in question had been granted a STAR exemption on the assessment roll upon which school district taxes are to be levied, such exemption shall be deemed null and void, shall be removed from the assessment roll, and shall be disregarded when the parcel's tax liability is determined. The assessor or other local official or officials having custody and control of the data file used to generate school district tax rolls and tax bills shall be authorized and directed to change such file as necessary to enable the school district authorities to discharge the duties imposed upon them by this subdivision.

§ 2. This act shall take effect immediately.

PART TT
Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real property tax law, as added by section 1 of part D of chapter 60 of the laws of 2016, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where an application for the "enhanced" STAR exemption authorized by subdivision four of this section has not been filed on or before the taxable status date, and the owner believes that good cause existed for the failure to file the application by that date, the owner may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner asking him or her to extend the filing deadline and grant the exemption.

Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by an application, reflecting the facts and circumstances as they existed on the taxable status date. After consulting with the assessor, the commissioner may extend the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the failure to file the application by the taxable status date, and that (ii) the applicant is otherwise entitled to the exemption. The commissioner shall mail notice of his or her determination to such owner and the assessor.

If the determination states that the commissioner has granted the exemption, the assessor shall thereupon be authorized and directed to correct the assessment roll accordingly, or, if another person has custody or control of the assessment roll, to direct that person to make the appropriate corrections. If the correction is not made before school taxes are levied, the failure to take the exemption into account in the computation of the tax shall be deemed a "clerical error" for purposes of title three of article five of this chapter, and shall be corrected accordingly. School district authorities shall be authorized and directed to take account of the fact that the commissioner has granted the exemption by correcting the applicant's tax bill and/or issuing a refund accordingly.

§ 2. Paragraph (d) of subdivision 2 of section 496 of the real property tax law, as added by section 3 of part A of chapter 60 of the laws of 2016, is amended to read as follows:

(d) If the applicant is renouncing a STAR exemption in order to qualify for the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law, and no other exemptions are being renounced on the same application, or if the applicant is renouncing a STAR exemption before school taxes have been levied on the assessment roll upon which that exemption appears, no processing fee shall be applicable.

§ 3. Paragraph (a) of subdivision 2 of section 496 of the real property tax law, as amended by section 3 of part A of chapter 60 of the laws of 2016, is amended to read as follows:

(a) For each assessment roll on which the renounced exemption appears, the assessed value that was exempted shall be multiplied by the tax rate or rates that were applied to that assessment roll, or in the case of a renounced STAR exemption, the tax savings calculated pursuant to subdivision two of section thirteen hundred six-a of this chapter. Interest shall then be added to each such product at the rate prescribed by section nine hundred twenty-four-a of this chapter or such other law as may be applicable for each month or portion thereon since the levy of taxes upon such assessment roll.
§ 4. Paragraph 5 of subsection (eee) of section 606 of the tax law, as amended by section 8 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

(5) Disqualification. A taxpayer shall not qualify for the credit authorized by this subsection if the parcel that serves as the taxpayer's primary residence received the STAR exemption on the assessment roll upon which school district taxes for the associated fiscal year were levied. Provided, however, that the taxpayer may remove this disqualification by renouncing the exemption and making any required payments by December thirty-first of the taxable year, as provided by subdivision sixteen of section four hundred twenty-five of the real property tax law, and making any required payments within the time frame prescribed by section four hundred ninety-six of the real property tax law.

§ 5. This act shall take effect immediately.

Such identification need not be required of any individual who reasonably appears to be at least [twenty-five] thirty years of age; provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of a tobacco product, vapor product, electronic cigarette or herbal cigarette or the distrib-
ution without charge of vapor products or electronic cigarettes to an individual under twenty-one years of age.

§ 4. The opening paragraph of section 1399-cc of the public health law, as amended by chapter 542 of the laws of 2014, is amended to read as follows:

§ 6. Subdivisions 2, 3, 4 and 7 of section 1399-cc of the public health law, as amended by chapter 542 of the laws of 2014, are amended to read as follows:

2. Any person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine vapor products, shisha, electronic cigarettes or smoking paraphernalia to individuals under eighteen twenty-one years of age, and shall post in a conspicuous place a sign upon which there shall be imprinted the following statement, "SALE OF CIGARETTES, CIGARS, CHEWING TOBACCO, POWDERED TOBACCO, SHISHA OR OTHER TOBACCO PRODUCTS, HERBAL CIGARETTES, LIQUID NICOTINE VAPOR PRODUCTS, ELECTRONIC CIGARETTES, ROLLING PAPERS OR SMOKING PARAPHERNALIA, TO PERSONS UNDER [EIGHTEEN] TWENTY-ONE YEARS OF AGE IS PROHIBITED BY LAW." Such sign shall be printed on a white card in red letters at least one-half inch in height.

3. Sale of tobacco products, herbal cigarettes, liquid nicotine vapor products, shisha or electronic cigarettes in such places, other than by a vending machine, shall be made only to an individual who demonstrates, through (a) a valid driver's license or non-driver's identification card issued by the commissioner of motor vehicles, the federal government, any United States territory, commonwealth or possession, the District of Columbia, a state government within the United States or a provincial government of the dominion of Canada, or (b) a valid passport issued by the United States government or any other country, or (c) an identification card issued by the armed forces of the United States, indicating that the individual is at least eighteen twenty-one years of age. Such identification need not be required of any individual who reasonably appears to be at least twenty-five thirty years of age, provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of a tobacco product, herbal cigarettes, liquid nicotine vapor products, shisha or electronic cigarettes to an individual under eighteen twenty-one years of age.

4. (a) Any person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine vapor products, shisha or electronic cigarettes are sold or offered for sale may perform a transaction scan as a precondition for such purchases.

(b) In any instance where the information deciphered by the transaction scan fails to match the information printed on the driver's license or non-driver's identification card, or if the transaction scan indicates that the information is false or fraudulent, the attempted transaction shall be denied.

(c) In any proceeding pursuant to section thirteen hundred ninety-nine-ee of this article, it shall be an affirmative defense that such person had produced a driver's license or non-driver identification card
apparently issued by a governmental entity, successfully completed that transaction scan, and that the tobacco product, herbal cigarettes or [liquid nicotine] vapor products had been sold, delivered or given to such person in reasonable reliance upon such identification and transaction scan. In evaluating the applicability of such affirmative defense the commissioner shall take into consideration any written policy adopted and implemented by the seller to effectuate the provisions of this chapter. Use of a transaction scan shall not excuse any person operating a place of business wherein tobacco products, herbal cigarettes, [liquid nicotine] vapor products, shisha or electronic cigarettes are sold, or the agent or employee of such person, from the exercise of reasonable diligence otherwise required by this chapter. Notwithstanding the above provisions, any such affirmative defense shall not be applicable in any civil or criminal proceeding, or in any other forum.

7. (a) No person operating a place of business wherein tobacco products, herbal cigarettes, [liquid nicotine] vapor products, shisha or electronic cigarettes are sold or offered for sale shall sell, permit to be sold, offer for sale or display for sale any tobacco product, herbal cigarettes, [liquid nicotine] vapor products, shisha or electronic cigarettes in any manner, unless such products and cigarettes are stored for sale {[a]} (i) behind a counter in an area accessible only to the personnel of such business, or {[b]} (ii) in a locked container; provided, however, such restriction shall not apply to tobacco businesses, as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article, and to places to which admission is restricted to persons [eighteen] twenty-one years of age or older.

(b) In addition to the requirements set forth in paragraph (a) of this subdivision, no dealer shall permit the display of any tobacco product, herbal cigarette, vapor product, or electronic cigarette in a manner that permits a consumer to view any such item prior to purchase. Except as provided for in paragraph (c) of this subdivision is not violated if:

(i) at the direct request of a customer at least twenty-one years of age, such a customer handles the item, packaged or otherwise, to inspect the product prior to purchase; or

(ii) such items are temporarily visible during restocking, the sale of such items, or the carriage of such items into or out of the premises.

(c) No dealer shall display or permit the display of any tobacco product, herbal cigarette, vapor product, or electronic cigarette for any longer than necessary to complete the purposes identified in subparagraphs (i) and (ii) of paragraph (b) of this subdivision.

(d) No dealer shall store any tobacco and vapor products menu in a location where it is visible to customers or accessible to customers without the assistance of the dealer. The menu shall also contain menu cover page that shall prevent the inadvertent viewing of promotional or other material contained within the tobacco and vapor products menu.

(e) No dealer shall provide any tobacco and vapor products menu or any tobacco product, herbal cigarette, vapor product, or electronic cigarette to any individual who has not demonstrated, through identification which meets the requirements of subdivision three of this section, that the individual is at least twenty-one years of age. Such identification need not be required of any individual who reasonably appears to be over the age of thirty, provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of such item to an individual under twenty-one years of age. It shall be an affirmative defense to a violation of this paragraph that the dealer successfully
performed a transaction scan of an individual's identification and that a tobacco and vapor products menu, tobacco product, herbal cigarette, vapor product, or electronic cigarette was provided to such individual in reasonable reliance upon such identification and transaction scan.

(f) After a customer has completed viewing a tobacco and vapor products menu, the dealer shall immediately return the tobacco and vapor products menu to its storage location.

(g) Unless required otherwise by regulation of the department, the menu cover page of the tobacco and vapor products menu shall be blank or contain only the words "Tobacco and Vapor Products Menu" and shall not contain any advertising or other promotional material.

(h) The commissioner may issue rules and regulations governing the use of the tobacco and vapor products menu and menu cover page.

(i) Paragraphs (a) through (g) of this subdivision shall not apply to a place of business to which admission is restricted solely to persons twenty-one years of age or older.

(j) Nothing herein shall be construed to restrict the authority of any county, city, town, or village to enact, adopt, promulgate and enforce additional local laws, ordinances, regulations or other measures which are in addition to or more stringent than either of the provisions of this article.

§ 7. Section 1399-dd of the public health law, as amended by chapter 448 of the laws of 2012, is amended to read as follows:

§ 1399-dd. Sale of tobacco products, herbal cigarettes, vapor products, or electronic cigarettes in vending machines. No person, firm, partnership, company or corporation shall operate a vending machine which dispenses tobacco products, herbal cigarettes, vapor products, or electronic cigarettes unless such machine is located: (a) in a bar as defined in subdivision one of section thirteen hundred ninety-nine-n of this chapter, or the bar area of a food service establishment with a valid, on-premises full liquor license; (b) in a private club; (c) in a tobacco business as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article; or (d) in a place of employment which has an insignificant portion of its regular workforce comprised of people under the age of [eighteen] twenty-one years and only in such locations that are not accessible to the general public; provided, however, that in such locations the vending machine is located in plain view and under the direct supervision and control of the person in charge of the location or his or her designated agent or employee.

§ 8. Section 1399-ee of the public health law, as amended by chapter 162 of the laws of 2002, is amended to read as follows:

§ 1399-ee. Hearings; penalties. 1. Hearings with respect to violation of this article shall be conducted in the same manner as hearings conducted under article thirteen-E of this chapter.

  2. If the enforcement officer determines after a hearing that a violation of this article has occurred, he or she shall impose a civil penalty of a minimum of three hundred dollars, but not to exceed one thousand dollars for a first violation, and a minimum of five hundred dollars, but not to exceed one thousand five hundred dollars for each subsequent violation, unless a different penalty is otherwise provided in this article. The enforcement officer shall advise the [retail] dealer that upon the accumulation of three or more points pursuant to this section the [department] commissioner of taxation and finance shall suspend the dealer's registration. If the enforcement officer determines after a hearing that a [retail] dealer was selling tobacco products, vapor products, or electronic cigarettes while their registration was
suspended or permanently revoked pursuant to subdivision three or four of this section, he or she shall impose a civil penalty of twenty-five hundred dollars.

3. (a) Imposition of points. If the enforcement officer determines, after a hearing, that the [retail] dealer violated subdivision [one] two of section thirteen hundred ninety-nine-cc of this article with respect to a prohibited sale to a [minor] person under the age of twenty-one, he or she shall, in addition to imposing any other penalty required or permitted pursuant to this section, assign two points to the [retail] dealer's record where the individual who committed the violation did not hold a certificate of completion from a state certified tobacco sales training program and one point where the [retail] dealer demonstrates that the person who committed the violation held a certificate of completion from a state certified tobacco sales training program.

(b) Revocation. If the enforcement officer determines, after a hearing, that a [retail] dealer has violated this article four times within a three year time frame he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to revoke the dealer's registration for one year.

(c) Duration of points. Points assigned to a [retail] dealer's record shall be assessed for a period of thirty-six months beginning on the first day of the month following the assignment of points.

(d) Reinspection. Any [retail] dealer who is assigned points pursuant to paragraph (a) of this subdivision shall be reinspected at least two times a year by the enforcement officer until points assessed are removed from the [retail] dealer's record.

(e) Suspension. If the department determines that a [retail] dealer has accumulated three points or more, the department shall direct the commissioner of taxation and finance to suspend such dealer's registration for six months. The three points serving as the basis for a suspension shall be erased upon the completion of the six month penalty.

(f) Surcharge. A fifty dollar surcharge to be assessed for every violation will be made available to enforcement officers and shall be used solely for compliance checks to be conducted to determine compliance with this section.

4. (a) If the enforcement officer determines, after a hearing, that a [retail] dealer has violated this article while their registration was suspended pursuant to subdivision three of this section, he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to permanently revoke the dealer's registration and not permit the dealer to obtain a new registration.

(b) If the enforcement officer determines, after a hearing, that a vending machine operator has violated this article three times within a two year period, or four or more times cumulatively he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to suspend the vendor's registration for one year and not permit the vendor to obtain a new registration for such period.

5. The department shall publish a notification of the name and address of any [retailer] dealer violating the provisions of this section and indicate the number of times the dealer has violated the provisions of this section. The notification shall be published in a newspaper of general circulation in the locality in which the [retailer] dealer is located.
6. (a) In any proceeding pursuant to subdivision three of this section to assign points to a dealer's record, the dealer shall be assigned one point instead of two points where the dealer demonstrates that the person who committed the violation of section thirteen hundred ninety-nine-cc of this article held a valid certificate of completion from a state certified tobacco sales training program.

(b) A state certified tobacco sales training program shall include instruction in the following elements:

1) the health effects of tobacco use, especially at a young age;
2) the legal purchase age and the additional requirements of section thirteen hundred ninety-nine-cc of this article;
3) legal forms of identification and the key features thereof;

7) the penalties arising out of unlawful sales to underage individuals; and
8) the significant disciplinary action or loss of employment that may be imposed by the dealer for a violation of the law or a deviation from the policies of the dealer in respect to compliance with such law.

(c) A tobacco sales training program may be given and administered by a dealer duly registered under section four hundred eighty-a of the tax law which operates five or more registered locations, by a trade association whose members are registered as dealers, by national and regional franchisors who have granted at least five franchises in the state to persons who are registered as such dealers by a cooperative corporation with five or more members who are registered as dealers and are operating in this state, and by a wholesaler supplying fifty or more dealers. A person or entity administering such training program shall issue certificates of completion to persons successfully completing such a training program. Such certificates shall be prima facie evidence of the completion of such a training program by the person named therein.

(d) A certificate of completion may be issued for a period of three years, however such certificate shall be invalidated by a change in employment.

(e) Entities authorized pursuant to paragraph (c) of this subdivision to give and administer a tobacco sales training program may submit a proposed curriculum, a facsimile of any training aids and materials, and a list of training locations to the department for review. Training aids may include the use of video, computer based instruction, printed materials and other formats deemed acceptable to the department. The department shall certify programs which provide instruction in the elements set forth in paragraph (b) of this subdivision in a clear and meaningful fashion. Programs approved by the department shall be certified for a period of three years at which time an entity may reapply for certification. A non-refundable fee in the amount of three hundred dollars shall be paid to the department with each application.

§ 1399-hh. Tobacco vapor product and electronic cigarette enforcement. The commissioner shall develop, plan and implement a comprehensive

2. The commissioner shall distribute such monies as are made available for such purpose to enforcement officers and, in so doing, consider the number of retail locations registered to sell tobacco products within the jurisdiction of the enforcement officer and the level of proposed activities.

3. Monies made available to enforcement officers pursuant to this section shall only be used for local tobacco, herbal cigarette, vapor products and electronic cigarette enforcement activities approved by the commissioner.

2. For the purposes of this section, and for specified limited times, the executive director may waive or modify the requirements of this article relating to registered organizations, consistent with the legislative intent and purpose of this article and this section. Where an entity seeking to be a registered organization under the program operates in a jurisdiction other than the state of New York, under licensure or other governmental recognition of that jurisdiction, and the laws of that jurisdiction are acceptable to the executive director as consistent with the legislative intent and purpose of this article and this section, then the executive director may accept that licensure or recognition as wholly or partially satisfying the requirements of this article, for purposes of the registration and operation of the registered organization under the program and this section.

2. In the case of applications for renewals, the office may dispense with the requirements of such statements as it deems unnecessary in view of those contained in the application made for the original license, but in any event the submission of photographs of the licensed premises shall be dispensed with, provided the applicant for such renewal shall

for licensing. 1. Upon application of a licensee to the office, a
license may be amended to allow the licensee to relocate within the
state, to add or delete licensed activities or facilities, or to amend
the ownership or organizational structure of the entity that is the
licensee. The fee for such amendment shall be two hundred fifty dollars.
2. In the event that any of the information provided by the applicant
changes either while the application is pending or after the license is
granted, within ten days of any such change, the applicant or licensee
shall submit to the office a verified statement setting forth the change
in circumstances of facts set forth in the application. Failure to do so
shall, if willful and deliberate, be cause for revocation of the
license.
3. A license shall become void by a change in ownership, substantial
corporate change or location without prior written approval of the exec-
utive director. The executive director may promulgate regulations
allowing for certain types of changes in ownership without the need for
prior written approval.
4. For purposes of this section, "substantial corporate change" shall
mean:
(a) for a corporation, a change of eighty percent or more of the offi-

§ 101. Record keeping and tracking. 1. The executive director shall, by regulation, require each licensee pursuant to this article to adopt and maintain security, tracking, record keeping, record retention and surveillance systems, relating to all hemp cannabis at every stage of acquiring, possession, manufacture, transport, sale, or delivery, or distribution by the licensee, subject to regulations of the executive director.

2. Every licensee shall keep and maintain upon the licensed premises, adequate books and records of all transactions involving the licensee and sale of its products, which shall include all information required by rules promulgated by the office.

3. Each sale shall be recorded separately on a numbered invoice, which shall have printed thereon the number, the name of the licensee, the address of the licensed premises, and the current license number.

4. Such books, records and invoices shall be kept for a period of five years and shall be available for inspection by any authorized representative of the office.

§ 102. Inspections and ongoing requirements. All licensees shall be subject to reasonable inspection by the office, and a person who holds a license must make himself or herself, or an agent thereof, available and present for any inspection required by the office. The office shall make reasonable accommodations so that ordinary business is not interrupted and safety and security procedures are not compromised by the inspection.

§ 103. Packaging and labeling of hemp cannabis. 1. The office is hereby authorized to promulgate rules and regulations governing the packaging and labeling of hemp cannabis products, sold or possessed for sale in New York state.

2. Such regulations shall include, but not be limited to, requiring labels warning consumers of any potential impact on human health resulting from the consumption of hemp cannabis products that shall be affixed to those products when sold, if such labels are deemed warranted by the office.

3. Such rules and regulations shall establish methods and procedures for determining, among other things, serving sizes for hemp cannabis products, active cannabinoid concentration per serving size, and number of servings per container. Such regulations shall also require a nutritional fact panel that incorporates data regarding serving sizes and potency thereof.

4. The packaging, sale, or possession by any licensee of any hemp product intended for human or animal consumption or use not labeled or offered in conformity with rules and regulations promulgated in accordance with this section shall be grounds for the imposition of a fine, and/or the suspension, revocation or cancellation of a license.

§ 104. Provisions governing the growing and extracting of hemp cannabis. 1. No licensed cannabinoid grower or extractor shall sell, or agree to sell or deliver in the state any hemp cannabis products, as the case may be, except in sealed containers containing quantities in accordance with size standards pursuant to rules adopted by the office. Such containers shall have affixed thereto such labels as may be required by the rules of the office.

2. Licensed cannabinoid growers shall only use pesticides that are registered by the New York state department of environmental conservation or that specifically meet the United States Environmental Protection Agency registration exemption criteria for minimum risk
pesticides, and only in compliance with regulations, standards and 
guidelines issued by the department of environmental conservation. 

3. All hemp cannabis products shall be extracted and manufactured in 
accordance with good manufacturing processes, pursuant to Part 111 of 
Title 21 of the Code of Federal Regulations as may be modified by the 
executive director in regulation.

4. The use or integration of alcohol or nicotine in hemp cannabis 
products is strictly prohibited.

§ 105. Laboratory testing. 1. Every cannabinoid extractor shall 
contract with an independent laboratory to test the cannabis products 
produced by the licensed extractor. The executive director, in consulta-
tion with the commissioner of health, shall approve the laboratory and 
require that the laboratory report testing results in a manner deter-
mined by the executive director. The executive director is authorized to 
issue regulations requiring the laboratory to perform certain tests and 
services.

2. Cannabinoid extractors shall make laboratory test reports available 
to persons holding a cannabinoid permit pursuant to article six of this 
chapter for all cannabis products manufactured by the licensee.

3. On-site laboratory testing by licensees is permissible; however, 
such testing shall not be certified by the office and does not exempt 
the licensee from the requirements of quality assurance testing at a 
testing laboratory pursuant to this section.

§ 106. Advertising. The office shall promulgate rules and regulations 
governing the advertising of hemp cannabis and any other related 
products or services as determined by the executive director.

§ 107. Research. 1. The office shall promote research and development 
through public-private partnerships to bring new hemp cannabis and 
industrial hemp derived products to market within the state.

2. The executive director may develop and carry out research programs 
relating to industrial hemp and hemp cannabis.

§ 108. Regulations. The executive director shall make regulations to 
implement this article.
139. Injunction for unlawful manufacture, sale or consumption of cannabis.

140. Persons forbidden to traffic cannabis products; certain officials not to be interested in manufacture or sale of cannabis products.

141. Access to criminal history information through the division of criminal justice services.

§ 125. General prohibitions and restrictions. 1. No person shall cultivate, process, or distribute for sale or sell at wholesale or retail any cannabis, cannabis product, medical cannabis or hemp cannabis product within the state without obtaining the appropriate registration, license, or permit therefor required by this chapter.

2. No registered organization, licensee, or permittee shall sell, or agree to sell or deliver in this state any cannabis or hemp cannabis for the purposes of resale to any person who is not duly registered, licensed or permitted pursuant to this chapter to sell such product, at wholesale or retail, as the case may be, at the time of such agreement and sale.

3. No registered organization, licensee, or permittee shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of eighteen years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis or hemp cannabis.

4. No registered organization, licensee, or permittee shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any cannabis, cannabis product, medical cannabis or hemp cannabis on credit; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, medical cannabis or hemp cannabis for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.

5. No registered organization, licensee, or permittee shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the office.

6. No registered organization, licensee, or permittee shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the office, with respect to any matter bearing upon the registration, license, or permit, the conduct of any people at the licensed premises, or bearing upon the character or fitness of such registrant, licensee, or permittee to continue to hold any registration, license, or permit. Nor shall any of the above offer false testimony under oath at such inquiry or hearing.

7. No registered organization, licensee, or permittee shall engage, participate in, or aid or abet any violation or provision of this chapter, or the rules or regulations of the office.

8. The proper conduct of registered, licensed, or permitted premises is essential to the public interest. Failure of a registered organization, licensee, or permittee to exercise adequate supervision over the registered, licensed, or permitted location poses a substantial risk not only to the objectives of this chapter but imperils the health, safety, and welfare of the people of this state. It shall be the obligation of
each person registered, licensed, or permitted under this chapter to ensure that a high degree of supervision is exercised over any and all conduct at any registered, licensed, or permitted location at any and all times in order to safeguard against abuses of the privilege of being registered, licensed, or permitted, as well as other violations of law, statute, rule, or regulation. Persons registered, licensed, or permitted shall be held strictly accountable for any and all violations that occur upon any registered, licensed, or permitted premises, and for any and all violations committed by or permitted by any manager, agent or employee of such registered, licensed, or permitted person.

9. It shall be unlawful for any person, partnership or corporation operating a place for profit or pecuniary gain, with a capacity for the assemblage of twenty or more persons to permit a person or persons to come to the place of assembly for the purpose of cultivating, processing, distributing, or retail distribution or sale of cannabis on said premises. This includes, but is not limited, to, cannabis that is either provided by the operator of the place of assembly, his agents, servants or employees, or cannabis that is brought onto said premises by the person or persons assembling at such place, unless an appropriate registration, license, or permit has first been obtained from the office of cannabis management by the operator of said place of assembly.

10. As it is a privilege under the law to be registered, licensed, or permitted to cultivate, process, distribute, traffic, or sell cannabis, the office may impose any such further restrictions upon any registrant, licensee, or permittee in particular instances as it deems necessary to further state policy and best serve the public interest. A violation or failure of any person registered, licensed, or permitted to comply with any condition, stipulation, or agreement, upon which any registration, license, or permit was issued or renewed by the office shall subject the registrant, licensee, or permittee to suspension, cancellation, revocation, and/or civil penalties as determined by the office.

11. No adult-use cannabis or medical cannabis may be imported to, or exported out of, New York state by a registered organization, licensee or person holding a license and/or permit pursuant to this chapter, until such time as it may become legal to do so under federal law. Should it become legal to do so under federal law, the office is granted the power to promulgate such rules and regulations as it deems necessary to protect the public and the policy of the state.

12. No registered organization, licensee or any of its agents, servants or employees shall peddle any cannabis product, medical cannabis or hemp cannabis from house to house by means of a truck or otherwise, where the sale is consummated and delivery made concurrently at the residence or place of business of a cannabis consumer. This subdivision shall not prohibit the delivery by a registered organization to certified patients or their designated caregivers, pursuant to article three of this chapter.

13. No licensee shall employ any canvasser or solicitor for the purpose of receiving an order from a certified patient, designated caregiver or cannabis consumer for any cannabis product, medical cannabis or hemp cannabis at the residence or place of business of such patient, caregiver or consumer, nor shall any licensee receive or accept any order, for the sale of any cannabis product, medical cannabis or hemp cannabis which shall be solicited at the residence or place of business of a patient, caregiver or consumer. This subdivision shall not prohibit the solicitation by a distributor of an order from any licensee at the licensed premises of such licensee.
14. No premises registered, licensed, or permitted by the office shall:
   (a) permit or allow any gambling on the premises;
   (b) permit or allow the premises to become disorderly;
   (c) permit or allow the use, by any person, of any fireworks or other pyrotechnics on the premises; or
   (d) permit or allow to appear as an entertainer, on any part of the premises registered, licensed, or permitted, any person under the age of eighteen years.

§ 126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis. 1. A registration, license, or permit issued to any person, pursuant to this chapter, for any registered, licensed, or permitted premises shall not be transferable to any other person, to any other location or premises, or to any other building or part of the building containing the licensed premises except in the discretion of the office. All privileges granted by any registration, license, or permit shall be available only to the person therein specified, and only for the premises licensed and no other except if authorized by the office. Provided, however, that the provisions of this section shall not be deemed to prohibit the amendment of a registration or license as provided for in this chapter. A violation of this section shall subject the registration, license, or permit to revocation for cause.

2. Where a registration or license for premises has been revoked, the office in its discretion may refuse to issue a registration, license, or permit under this chapter, for a period of up to five years after such revocation, for such premises or for any part of the building containing such premises and connected therewith.

3. In determining whether to issue such a proscription against granting any registration, license, or permit for such five-year period, in addition to any other factors deemed relevant to the office, the office shall, in the case of a license revoked due to the illegal sale of cannabis to a minor, determine whether the proposed subsequent licensee has obtained such premises through an arm's length transaction, and, if such transaction is not found to be an arm's length transaction, the office shall deny the issuance of such license.

4. For purposes of this section, "arm's length transaction" shall mean a sale of a fee of all undivided interests in real property, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, or any part thereof, in the open market, between an informed and willing buyer and seller where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale was made for the purpose of permitting the original licensee to avoid the effect of the revocation. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation:
   (a) a sale of a fee of all undivided interests in real property, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, or any part thereof, in the open market, between an informed and willing buyer and seller where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale was made for the purpose of permitting the original licensee to avoid the effect of the revocation.
   (b) a sale between related companies or partners in a business; or
   (c) a sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, affected by other facts or circumstances that would indicate that the sale, lease, management agreement, or other agreement giving the applicant control over the
cannabis at the premises, is entered into for the primary purpose of
permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport
cannabis products or medical cannabis except in vehicles owned and oper-
at by such registered organization, licensee or permittee, or hired
and operated by such registered organization, licensee or permittee from
a trucking or transportation company permitted and registered with the
office.

6. No common carrier or person operating a transportation facility in
this state, other than the United States government, shall receive for
transportation or delivery within the state any cannabis products or
medical cannabis unless the shipment is accompanied by copy of a bill of
lading, or other document, showing the name and address of the consig-
nor, the name and address of the consignee, the date of the shipment,
and the quantity and kind of cannabis products or medical cannabis
contained therein.

§ 127. Protections for the use of cannabis; unlawful discriminations
prohibited. 1. No person, registered organization, licensee or permit-
tee shall be subject to arrest, prosecution, or penalty in any manner,
or denied any right or privilege, including but not limited to civil
liability or disciplinary action by a business or occupational or
professional licensing board or office, solely for conduct permitted
under this chapter. For the avoidance of doubt, the appellate division
of the supreme court of the state of New York, and any disciplinary or
character and fitness committees established by them are occupational
and professional licensing boards within the meaning of this section.
State or local law enforcement agencies shall not cooperate with or
provide assistance to the government of the United States or any agency
thereof in enforcing the federal controlled substances act, 21 U.S.C. et
seq., solely for actions consistent with this chapter, except as pursu-
ant to a valid court order.

2. No school or landlord may refuse to enroll or lease to and may not
otherwise penalize a person solely for conduct allowed under this chap-
ter, except as exempted:
   (a) if failing to do so would cause the school or landlord to lose a
   monetary or licensing related benefit under federal law or regulations;
   (b) if the institution has adopted a code of conduct prohibiting
   cannabis use on the basis of religious belief; or
   (c) if a property is registered with the New York smoke-free housing
   registry, it is not required to permit the smoking of cannabis products
   on its premises.

3. For the purposes of medical care, including organ transplants, a
certified patient's authorized use of medical cannabis must be consid-
ered the equivalent of the use of any other medication under the direc-
tion of a practitioner and does not constitute the use of an illicit
substance or otherwise disqualify a registered qualifying patient from
medical care.

4. Unless an employer establishes that the lawful use of cannabis has
impaired the employee's ability to perform the employee's job responsi-
bilities, it shall be unlawful to take any adverse employment action
against an employee based on conduct allowed under this chapter.

5. For the purposes of this section, an employer may consider an
employee's ability to perform the employee's job responsibilities to be
impaired when the employee manifests specific articulable symptoms while
working that decrease or lessen the employee's performance of the duties
or tasks of the employee's job position.
6. Nothing in this section shall restrict an employer's ability to prohibit or take adverse employment action for the possession or use of intoxicating substances during work hours, or require an employer to commit any act that would cause the employer to be in violation of federal law, or that would result in the loss of a federal contract or federal funding.

7. As used in this section, "adverse employment action" means refusing to hire or employ, barring or discharging from employment, requiring a person to retire from employment, or discriminating against in compensation or in terms, conditions, or privileges of employment.

8. A person currently under parole, probation or other state supervision, or released on bail awaiting trial may not be punished or otherwise penalized for conduct allowed under this chapter.

§ 128. Registrations and licenses. 1. 2. Except as provided for in subdivision one of this section, all county, town, city and village municipalities are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or hemp licenses. term of not less than thirty days.
2. Any registered organization or licensee, whose registration or
license has been suspended pursuant to the provisions of this chapter,
during the suspension period, shall be guilty of a misdemeanor, and upon

section, for causes or violations occurring during the license period
immediately preceding the issuance of such registration, license or
permit.
3. (a) As used in this section, the term "for cause" shall also
include the existence of a sustained and continuing pattern of miscon-

2. the registered, licensed or permitted premises, or in the area in front
3. of or adjacent to the registered or licensed premises, or in any parking
4. lot provided by the registered organization or licensee for use by
5. registered organization or licensee's patrons, which, in the judgment of
6. the office, adversely affects or tends to affect the protection, health,
7. welfare, safety, or repose of the inhabitants of the area in which the

9. premises becoming a focal point for police attention, or is offensive to
10. public decency.

(b) (i) As used in this section, the term "for cause" shall also
11. include deliberately misleading the authority:
12. (A) as to the nature and character of the business to be operated by
13. the registered organization, licensee or permittee; or
14. (B) by substantially altering the nature or character of such business
15. during the registration or licensing period without seeking appropriate
16. approvals from the office.

24. by the office during the course of any investigation, of misconduct,
25. diversion or disorder on or about the premises or related to the opera-
26. tion of the premises, absent clear and convincing evidence of either
27. fraudulent intent on the part of any complainant or a factual error with
28. respect to the content of any report concerning such complaint relied
29. upon by the office.

5. Notwithstanding any other provision of this chapter to the contra-

32. only suspend the licensed activities related to the type of cannabis,
33. medical cannabis or adult-use cannabis involved in the violation result-

37. prescribed by this section and by the executive director in regulation.

7. The office may on its own initiative, or on complaint of any
38. person, institute proceedings to revoke, cancel or suspend any adult-use
39. cannabis retail dispensary license or adult-use cannabis on-site
40. consumption license and may impose a civil penalty against the licensee
41. after a hearing at which the licensee shall be given an opportunity to
42. be heard. Such hearing shall be held in such manner and upon such notice
43. as may be prescribed in regulation by the executive director.

8. All other registrations, licenses or permits issued under this
44. chapter may be revoked, cancelled, suspended and/or made subject to the
45. imposition of a civil penalty by the office after a hearing to be held
46. in such manner and upon such notice as may be prescribed in regulation
47. by the executive director.

9. Where a licensee or permittee is convicted of two or more qualify-
48. ing offenses within a five-year period, the office, upon receipt of
notification of such second or subsequent conviction, shall, in addition to any other sanction or civil or criminal penalty imposed pursuant to this chapter, impose on such licensee a civil penalty not to exceed ten thousand dollars. For purposes of this subdivision, a qualifying offense shall mean the unlawful sale of cannabis to a person under the age of twenty-one. For purposes of this subdivision, a conviction of a licensee or an employee or agent of such licensee shall constitute a conviction of such licensee.

§ 136. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil fine, seizure, or forfeiture of assets against any person acting in accordance with this chapter:

   (a) Refusal by the office to issue a registration, license, or a permit.
   (b) The revocation, cancellation or suspension of a registration, license, or permit by the office.

2. No stay shall be granted pending the determination of such matter except on notice to the office and only for a period of less than thirty days. In no instance shall a stay be granted where the office has issued
a summary suspension of a registration, license, or permit for the
protection of the public health, safety, and welfare.
§ 138. Illicit cannabis. 1. "Illicit cannabis" means and includes any
cannabis product, medical cannabis or hemp cannabis owned, cultivated,
distributed, bought, sold, packaged, rectified, blended, treated, forti-
fied, mixed, processed, warehoused, possessed or transported, or on
which any tax required to have been paid under any applicable state law
has not been paid.
2. Any person who shall knowingly possess or have under his or her
control any illicit cannabis is guilty of a misdemeanor.
3. Any person who shall knowingly barter or exchange with, or sell,
give or offer to sell or to give another any illicit cannabis is guilty
of a misdemeanor.
4. Any person who shall possess or have under his or her control or
transport any illicit cannabis with intent to barter or exchange with,
or to sell or give to another the same or any part thereof is guilty of
a misdemeanor. Such intent is presumptively established by proof that
the person knowingly possessed or had under his or her control one or
more ounces of illicit cannabis. This presumption may be rebutted.
5. Any person who, being the owner, lessee, or occupant of any room,
shed, tenement, booth or building, float or vessel, or part thereof,
knowingly permits the same to be used for the cultivation, processing,
distribution, purchase, sale, warehousing, transportation, or storage of
any illicit cannabis, is guilty of a misdemeanor.
§ 139. Injunction for unlawful manufacturing, sale or consumption of
cannabis. 1. If any person shall engage or participate or be about to
engage or participate in the cultivation, production, distribution,
traffic, or sale of cannabis products, medical cannabis or hemp cannabis
in this state without obtaining the appropriate registration, license,
permit therefor, or shall traffic in cannabis products, medical
 cannabis or hemp cannabis contrary to any provision of this chapter, or
otherwise unlawfully, or shall traffic in illegal cannabis products,
medical cannabis or hemp cannabis, or, operating a place for profit or
pecuniary gain, with a capacity for the assemblage of twenty or more
persons, shall permit a person or persons to come to such place of
assembly for the purpose of consuming cannabis products without having
the appropriate license or permit therefor, the office may present a
verified petition or complaint to a justice of the supreme court at a
special term of the supreme court of the judicial district in which such
city, village or town is situated, for an order enjoining such person
engaging or participating in such activity or from carrying on such
business. Such petition or complaint shall state the facts upon which
such application is based. Upon the presentation of the petition or
complaint, the justice or court may grant an order temporarily restrain-
ing any person from continuing to engage in conduct as specified in the
petition or complaint, and shall grant an order requiring such person to
appear before such justice or court at or before a special term of the
supreme court in such judicial district on the day specified therein,
not more than ten days after the granting thereof, to show cause why
such person should not be permanently enjoined from engaging or partic-
ipating in such activity or from carrying on such business, or why such
person should not be enjoined from carrying on such business contrary to
the provisions of this chapter. A copy of such petition or complaint and
order shall be served upon the person, in the manner directed by such
order, not less than three days before the return day thereof. On the
day specified in such order, the justice or court before whom the same
is returnable shall hear the proofs of the parties and may, if deemed
necessary or proper, take testimony in relation to the allegations of
the petition or complaint. If the justice or court is satisfied that
such person is about to engage or participate in the unlawful traffic in
cannabis, medical cannabis or hemp cannabis or has unlawfully culti-
vated, processed, or sold cannabis products, medical cannabis or hemp
cannabis without having obtained a registration or license or contrary
to the provisions of this chapter, or has trafficked in illegal canna-
bis, or, is operating or is about to operate such place for profit or
pecuniary gain, with such capacity, and has permitted or is about to
permit a person or persons to come to such place of assembly for the
purpose of consuming cannabis products without having such appropriate
license, an order shall be granted enjoining such person from thereafter
engaging or participating in or carrying on such activity or business.
If, after the entry of such an order in the county clerk's office of the
county in which the principal place of business of the corporation or
partnership is located, or in which the individual so enjoined resides
or conducts such business, and the service of a copy thereof upon such
person, or such substituted service as the court may direct, such
person, partnership or corporation shall, in violation of such order,
cultivate, process, distribute or sell cannabis products, medical canna-
bis or hemp cannabis, or illegal cannabis products, medical cannabis or
hemp cannabis, or permit a person or persons to come to such place of
assembly for the purpose of consuming cannabis products, such activity
shall be deemed a contempt of court and be punishable in the manner
provided by the judiciary law, and, in addition to any such punishment,
the justice or court before whom or which the petition or complaint is
heard, may, in his or its discretion, order the seizure and forfeiture
of any cannabis products and any fixtures, equipment and supplies used
in the operation or promotion of such illegal activity and such property
shall be subject to forfeiture pursuant to law. Costs upon the applica-
tion for such injunction may be awarded in favor of and against the
parties thereto in such sums as in the discretion of the justice or
court before whom or which the petition or complaint is heard may seem
proper.

2. The owner, lessor and lessee of a building, erection or place where
cannabis products, medical cannabis or hemp cannabis is unlawfully
cultivated, processed, distributed, sold, consumed or permitted to be
unlawfully cultivated, processed, distributed, sold or consumed may be
made a respondent or defendant in the proceeding or action.

§ 140. Persons forbidden to traffic cannabis; certain officials not to
be interested in manufacture or sale of cannabis products. 1. The
following are forbidden to traffic in cannabis:

(a) Except as provided in subdivision one-a of this section, a person
who has been convicted of a felony, unless subsequent to such conviction
such person shall have received an executive pardon therefor removing
this disability, a certificate of good conduct granted by the department
of corrections and community supervision, or a certificate of relief
from disabilities granted by the department of corrections and community
supervision or a court of this state pursuant to the provisions of arti-
cle twenty-three of the correction law to remove the disability under
this section because of such conviction;

(b) A person under the age of twenty-one years;

(c) A person who is not a citizen of the United States or an alien
lawfully admitted for permanent residence in the United States;
(d) A partnership or a corporation, unless each member of the partnership, or each of the principal officers and directors of the corporation, is a citizen of the United States or an alien lawfully admitted for permanent residence in the United States, not less than twenty-one years of age, and has not been convicted of any felony, or if so convicted has received, subsequent to such conviction, an executive pardon therefor removing this disability a certificate of good conduct granted by the department of corrections and community supervision, or a certificate of relief from disabilities granted by the department of corrections and community supervision or a court of this state pursuant to the provisions of article twenty-three of the correction law to remove the disability under this section because of such conviction; provided however that a corporation which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are citizens of the United States or aliens lawfully admitted for permanent residence in the United States; and provided further that a corporation organized under the not-for-profit corporation law or the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are not less than twenty-one years of age and none of its directors are less than eighteen years of age; and provided further that a corporation organized under the not-for-profit corporation law or the education law and located on the premises of a college as defined by section two of the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and each of its directors are not less than eighteen years of age;

(e) A person who shall have had any registration or license issued under this chapter revoked for cause, until the expiration of two years from the date of such revocation;

(f) A person not registered or licensed under the provisions of this chapter, who has been convicted of a violation of this chapter, until the expiration of two years from the date of such conviction; or

(g) A corporation or partnership, if any officer and director or any partner, while not licensed under the provisions of this chapter, has been convicted of a violation of this chapter, or has had a registration or license issued under this chapter revoked for cause, until the expiration of two years from the date of such conviction or revocation.

1-a. Notwithstanding the provision of subdivision one of this section, a corporation holding a registration or license to traffic cannabis products or medical cannabis shall not, upon conviction of a felony be automatically forbidden to traffic in cannabis products or medical cannabis, but the application for a registered organization or license by such a corporation shall be subject to denial, and the registration or license of such a corporation shall be subject to revocation or suspension by the office pursuant, consistent with the provisions of article twenty-three-A of the correction law. For any felony conviction by a court other than a court of this state, the office may request the department of corrections and community supervision to investigate and review the facts and circumstances concerning such a conviction, and such department shall, if so requested, submit its findings to the office as to whether the corporation has conducted itself in a manner such that discretionary review by the office would not be inconsistent with the public interest. The department of corrections and community supervision may charge the registered organization, licensee or appli-
cant a fee equivalent to the expenses of an appropriate investigation under this subdivision. For any conviction rendered by a court of this state, the office may request the corporation, if the corporation is eligible for a certificate of relief from disabilities, to seek such a certificate from the court which rendered the conviction and to submit such a certificate as part of the office's discretionary review process.

2. Except as may otherwise be provided for in regulation, it shall be unlawful for any police commissioner, police inspector, captain, sergeant, roundsman, patrolman or other police official or subordinate of any police department in the state, to be either directly or indirectly interested in the cultivation, processing, distribution, or sale of cannabis products or to offer for sale, or recommend to any registered organization or licensee any cannabis products. A person may not be denied any registration or license granted under the provisions of this chapter solely on the grounds of being the spouse of a public servant described in this section. The solicitation or recommendation made to any registered organization or licensee, to purchase any cannabis products by any police official or subordinate as hereinabove described, shall be presumptive evidence of the interest of such official or subordinate in the cultivation, processing, distribution, or sale of cannabis products.

3. No elective village officer shall be subject to the limitations set forth in subdivision two of this section unless such elective village officer shall be assigned duties directly relating to the operation or management of the police department.

§ 141. Access to criminal history information through the division of criminal justice services. In connection with the administration of this chapter, the executive director is authorized to request, receive and review criminal history information through the division of criminal justice services with respect to any person seeking a registration, license, permit or authorization to cultivate, process, distribute or sell medical cannabis, adult use cannabis or hemp cannabis. At the executive director's request, each person, member, principal and/or officer of the applicant shall submit to the office his or her fingerprints in such form and in such manner as specified by the division, for the purpose of conducting a criminal history search and returning a report thereon in accordance with the procedures and requirements established by the division pursuant to the provisions of article thirty-five of the executive law, which shall include the payment of the prescribed processing fees for the cost of the division's full search and retain procedures and a national criminal history record check. The executive director, or his or her designee, shall submit such fingerprints and the processing fee to the division. The division shall forward to the executive director a report with respect to the applicant's previous criminal history, if any, or a statement that the applicant has no previous criminal history according to its files. Fingerprints submitted to the division pursuant to this subdivision may also be submitted to the federal bureau of investigation for a national criminal history record check. If additional copies of fingerprints are required, the applicant shall furnish them upon request.

§ 3. Intentionally omitted.

§ 35. Section 490 of the tax law, as added by chapter 90 of the laws of 2014, is amended to read as follows:

§ 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All definitions of terms applicable to title five-A of article thirty-three of the public health law shall apply to this article.] For purposes of this article, the terms "medical cannabis," "registered organization," "certified patient," and "designated caregiver" shall have the same definitions as in section three of the cannabis law.

(b) As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required "gross receipt" means the amount received in or by reason of any sale, conditional or otherwise, of medical [marihuana] cannabis or in or by reason of the furnishing of medical [marihuana] cannabis from the sale of medical [marihuana] cannabis provided by a registered organization to a certified patient or designated caregiver. Gross receipt is expressed in money, whether paid in cash, credit or property of any kind or nature, and shall be determined without any deduction therefrom on account of the cost of the service sold or the cost of materials, labor or services used or other costs, interest or discount paid, or any other expenses whatsoever. "Amount received" for the purpose of the definition of gross receipt, as the term gross receipt is used throughout this article, means the amount charged for the provision of medical [marihuana] cannabis.

2. There is hereby imposed an excise tax on the gross receipts from the sale of medical [marihuana] cannabis by a registered organization to a certified patient or designated caregiver, to be paid by the registered organization, at the rate of seven percent. The tax imposed by this article shall be charged against and be paid by the registered organization, and shall not be added as a separate charge or line item on any sales slip, invoice, receipt or other statement or memorandum of the price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations, procedures and forms necessary for the proper administration of this article.

4. Every registered organization that makes sales of medical [marihuana] cannabis subject to the tax imposed by this article shall, on or before the twentieth date of each month, file with the commissioner a return on forms to be prescribed by the commissioner, showing its receipts from the retail sale of medical [marihuana] cannabis during the preceding calendar month and the amount of tax due thereon. Such returns shall contain such further information as the commissioner may require. Every registered organization required to file a return under this section shall, at the time of filing such return, pay to the commissioner the total amount of tax due on its retail sales of medical [marihuana] cannabis for the period covered by such return. If a return is not
filed when due, the tax shall be due on the day on which the return is required to be filed.

5. Whenever the commissioner shall determine that any moneys received under the provisions of this article were paid in error, he may cause the same to be refunded, with interest, in accordance with such rules and regulations as he may prescribe, except that no interest shall be allowed or paid if the amount thereof would be less than one dollar. Such interest shall be at the overpayment rate set by the commissioner pursuant to subdivision twenty-sixth of section one hundred seventy-one of this chapter, or if no rate is set, at the rate of six percent per annum, from the date when the tax, penalty or interest to be refunded was paid to a date preceding the date of the refund check by not more than thirty days. Provided, however, that for the purposes of this subdivision, any tax paid before the last day prescribed for its payment shall be deemed to have been paid on such last day. Such moneys received under the provisions of this article which the commissioner shall determine were paid in error, may be refunded out of funds in the custody of the comptroller to the credit of such taxes provided an application therefor is filed with the commissioner within two years from the time the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical [marihuana] cannabis trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical [marihuana] cannabis shall provide to the department information on where the medical [marihuana] cannabis was dispensed and where the medical [marihuana] cannabis was manufactured. A registered organization that obtains [marihuana] cannabis from another registered organization shall obtain from such registered organization information on where the medical [marihuana] cannabis was manufactured.

§ 36. Section 491 of the tax law, as added by chapter 90 of the laws of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 of the laws of 2016, is amended to read as follows:

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known
in any manner the contents or any other information relating to the
business of a distributor, owner or other person contained in any return
or report required under this article. The officers charged with the
custody of such returns or reports shall not be required to produce any
of them or evidence of anything contained in them in any action or
proceeding in any court, except on behalf of the state, [the state
department of health] office of cannabis management, or the commissioner
in an action or proceeding under the provisions of this chapter or on
behalf of the state or the commissioner in any other action or proceed-
ing involving the collection of a tax due under this chapter to which
the state or the commissioner is a party or a claimant or on behalf of
any party to any action or proceeding under the provisions of this arti-
cle, when the returns or the reports or the facts shown thereby are
directly involved in such action or proceeding, or in an action or
proceeding relating to the regulation or taxation of medical [marihuana]
cannabis on behalf of officers to whom information shall have been
supplied as provided in subdivision two of this section, in any of which
events the court may require the production of, and may admit in
evidence so much of said returns or reports or of the facts shown there-
by as are pertinent to the action or proceeding and no more. Nothing
herein shall be construed to prohibit the commissioner, in his or her
discretion, from allowing the inspection or delivery of a certified copy
of any return or report filed under this article or of any information
contained in any such return or report by or to a duly authorized offi-
cer or employee of the [state department of health] office of cannabis
management; or by or to the attorney general or other legal represen-
tatives of the state when an action shall have been recommended or
commenced pursuant to this chapter in which such returns or reports or
the facts shown thereby are directly involved; or the inspection of the
returns or reports required under this article by the comptroller or
duly designated officer or employee of the state department of audit and
control, for purposes of the audit of a refund of any tax paid by a
registered organization or other person under this article; nor to
prohibit the delivery to a registered organization, or a duly authorized
representative of such registered organization, a certified copy of any
return or report filed by such registered organization pursuant to this
article, nor to prohibit the publication of statistics so classified as
to prevent the identification of particular returns or reports and the
items thereof. This section shall also not be construed to prohibit the
disclosure, for tax administration purposes, to the division of the
budget and the office of the state comptroller, of information aggre-
gated from the returns filed by all the registered organizations making
sales of, or manufacturing, medical [marihuana] cannabis in a specified
county, whether the number of such registered organizations is one or
more. Provided further that, notwithstanding the provisions of this
subsection, the commissioner may, in his or her discretion, permit the
proper officer of any county entitled to receive an allocation, follow-
ing appropriation by the legislature, pursuant to this article and
section eighty-nine-h of the state finance law, or the authorized repre-
sentative of such officer, to inspect any return filed under this artic-
le, or may furnish to such officer or the officer's authorized repre-
sentative an abstract of any such return or supply such officer or such
representative with information concerning an item contained in any such
return, or disclosed by any investigation of tax liability under this
article.
2. The commissioner, in his or her discretion and pursuant to such rules and regulations as he or she may adopt, may permit the appropriate officers of any other state which regulates or taxes medical [marihuana] cannabis, or the duly authorized representatives of such [commissioner or of any such] officers, to inspect returns or reports made pursuant to this article, or may furnish to such [commissioner or] other officers, or duly authorized representatives, a copy of any such return or report or an abstract of the information therein contained, or any portion thereof, or may supply [such commissioner or] any such officers or such representatives with information relating to the business of a registered organization making returns or reports hereunder. The commissioner may refuse to supply information pursuant to this subdivision to the commissioner of internal revenue of the United States or the officers of any other state if the statutes of the United States, or the state represented by such officers, do not grant substantially similar privileges to the commissioner, but such refusal shall not be mandatory. Information shall not be supplied to the commissioner or the appropriate officers of any other state which regulates or taxes medical [marihuana] cannabis, or the duly authorized representatives [of such commissioner or] of any of such officers, unless such [commissioner,] officer or other representatives shall agree not to divulge or make known in any manner the information so supplied, but such officers may transmit such information to their employees or legal representatives when necessary, who in turn shall be subject to the same restrictions as those hereby imposed upon such [commissioner,] officer or other representatives.

3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

(b) Cross-reference: For criminal penalties, see article thirty-seven of this chapter.

cultivator, the weight of such flower and trim produced by it; the
geographic location of every retail dispensary to which it sold adult-
use cannabis products; and any other record or information required by
the commissioner. This information must be kept by such person for a
period of three years after the return was filed.
(b) The provisions of article twenty-seven of this chapter shall apply
to the tax imposed by this article in the same manner and with the same
force and effect as if the language of such article had been incorpo-

article is either inconsistent with a provision of this article or is
not relevant to this article.

taxes imposed by this article.

2. Notwithstanding the foregoing, the commissioner shall certify to
the comptroller the total amount of tax, penalty and interest received
by him or her on account of the tax imposed by subdivision (c) of
section four hundred ninety-three of this article in trust for and on
account of each county in which a retail dispensary is located. On or
before the twelfth day of each month, the comptroller, after reserving
such refund fund, shall pay to the appropriate fiscal officer of each
such county the taxes, penalties and interest received and certified by
the commissioner for the preceding calendar month.

§ 496. Returns to be kept secret. (a) Except in accordance with proper
judicial order or as in this section or otherwise provided by law, it
shall be unlawful for the commissioner, any officer or employee of the
department, or any officer or person who, pursuant to this section, is
