EXPLANATION--Matter in italics (underscored) is new; matter in brackets [ ] is old law to be omitted.
The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1. Section 1. This act shall be known and may be cited as the "marihuana regulation and taxation act".

2. Chapter 7-A of the consolidated laws is enacted, to read as follows:

CHAPTER 7-A OF THE CONSOLIDATED LAWS
CANNABIS LAW
ARTICLE 1
SHORT TITLE; LEGISLATIVE FINDINGS AND INTENT;
DEFINITIONS

Section 1. Short title. This chapter shall be known and may be cited and referred to as the "cannabis law".

§ 2. Legislative findings and intent. The legislature finds that existing marihuana laws have not been beneficial to the welfare of the general public. Existing laws have been ineffective in reducing or curbing marihuana use and have instead resulted in devastating collateral consequences that inhibit an otherwise law-abiding citizen's ability to access housing, employment opportunities, and other vital services. Existing laws have also created an illicit market which represents a threat to public health and reduces the ability of the legislature to deter the accessing of marihuana by minors. Existing marihuana laws have also disproportionately impacted African-American and Latino communities.

The intent of this act is to regulate, control, and tax marihuana in a manner similar to alcohol, generate millions of dollars in new revenue, prevent access to marihuana by those under the age of twenty-one years, reduce the illegal drug market and reduce violent crime, reduce participation of otherwise law-abiding citizens in the illicit market, end the racially disparate impact of existing marihuana laws and create new industries and increase employment.

Nothing in this act is intended to limit the authority of any district government agency or office or employers to enact and enforce policies pertaining to marihuana in the workplace, to allow driving under the influence of marihuana, to allow individuals to engage in conduct that endangers others, to allow smoking marihuana in any location where smoking tobacco is prohibited, or to require any individual to engage in any conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of federal law.

It is the intent of this act that no child shall be the subject of a child neglect or abuse investigation or proceeding based solely on a parent's alleged marihuana use, or activity made lawful by this act. A newborn child's positive toxicology result for marihuana, is not suffi-
cient on its own to support a finding of child neglect or abuse. Enact-
ment of this act shall provide sufficient basis for New York state to
favorably resolve open investigations and to amend and seal individuals'
family court records and records of indicated child abuse or neglect
reports currently in the statewide central register of child abuse and
maltreatment based solely on the use of marihuana or where the reporter
of suspected abuse or neglect was a law enforcement agency or staff
person and the report was based solely upon the presence of a child
during a marihuana-related arrest.

2. Such regulations shall include, but not be limited to, requiring that:
   (a) packaging meets requirements similar to the federal "poison prevention packaging act of 1970," 15 U.S.C. Sec 1471 et seq.;
   (b) all cannabis-infused products shall have a separate packaging for each serving;
   (c) prior to delivery or sale at a retailer, cannabis and cannabis products shall be labeled and placed in a resealable, child-resistant package; and

3. Such regulations shall include requiring labels warning consumers of any potential impact on human health resulting from the consumption of cannabis products that shall be affixed to those products when sold, if such labels are deemed warranted by the office.

4. Such rules and regulations shall establish methods and procedures for determining serving sizes for cannabis-infused products and active cannabis concentration per serving size. Such regulations shall also require a nutritional fact panel that incorporates data regarding serving sizes and potency thereof.

5. The packaging, sale, marketing, branding, advertising, labeling or possession by any licensee of any cannabis product not labeled or offered in conformity with rules and regulations promulgated in accordance with this section shall be grounds for the imposition of a fine, and/or the suspension, revocation or cancellation of a license.

§ 80. Laboratory testing. 1. Every processor of adult-use cannabis shall contract with an independent laboratory permitted pursuant to section one hundred twenty-nine of this chapter, to test the cannabis products it produces pursuant to rules and regulations prescribed by the office. 2. Adult-use cannabis processors shall make laboratory test reports available to licensed distributors and retail dispensaries for all cannabis products manufactured by the processor.

3. Licensed retail dispensaries shall maintain accurate documentation of laboratory test reports for each cannabis product offered for sale to cannabis consumers. Such documentation shall be made publicly available by the licensed retail dispensary.

4. Onsite laboratory testing by licensees is permissible; however, such testing shall not be certified by the office and does not exempt the licensee from the requirements of quality assurance testing at a testing laboratory pursuant to this section.

5. An owner of a cannabis laboratory testing permit shall not hold a license in any other category within this article and shall not own or have ownership interest in a registered organization registered pursuant to article three of this chapter.

6. The office shall have the authority to require any licensee under this article to submit cannabis or cannabis products to one or more independent laboratories for testing.

3. No cultivator or processor of adult-use cannabis shall furnish or cause to be furnished to any licensee, any exterior or interior sign, printed, painted, electric or otherwise, except as authorized by the office. Each sale shall be recorded separately on a numbered invoice, which shall have printed thereon the number, the name of the licensee, the address of the licensed premises, and the current license number. Such distributor shall deliver to the purchaser a true duplicate invoice stating the name
and address of the purchaser, the quantity of cannabis products, description by brands and the price of such cannabis products, and a true, accurate and complete statement of the terms and conditions on which such sale is made. Such books, records and invoices shall be kept for a period of five years and shall be available for inspection by any authorized representative of the office.

4. No distributor shall furnish or cause to be furnished to any licensee, any exterior or interior sign, printed, painted, electric or otherwise, unless authorized by the office.

5. No distributor shall provide any discount, rebate or customer loyalty program to any licensed retailer, except as otherwise allowed by the office.

6. The executive director is authorized to promulgate regulations establishing a maximum margin for which a distributor may mark up a cannabis product for sale to a retail dispensary. Any adult-use cannabis product sold by a distributor for more than the maximum markup allowed in regulation, shall be unlawful.

7. Each distributor shall keep and maintain upon the licensed premises, adequate books and records to demonstrate the distributor's actual cost of doing business, using accounting standards and methods regularly employed in the determination of costs for the purpose of federal income tax reporting, for the total operation of the licensee. 5. All premises licensed under this section shall be subject to inspection by any peace officer described in subdivision four of section 2.10 of the criminal procedure law acting pursuant to his or her special duties, or police officer or any duly authorized representative of the office, during the hours when the said premises are open for the transaction of business.

9. No person licensed to sell cannabis products at retail, shall allow or permit any gambling, or offer any gambling on the licensed premises, or allow or permit illicit drug activity on the licensed premises. The use of the licensed premises or any part thereof for the sale of lottery tickets, when duly authorized and lawfully conducted thereon, shall not constitute gambling within the meaning of this subdivision.

10. If an employee of a cannabis retail licensee suspects that a cannabis consumer may be abusing cannabis, such an employee shall encourage such cannabis consumer to seek help from a substance use disorder program or harm reduction services. Cannabis retail licensees shall develop standard operating procedures and written materials for employees to utilize when consulting consumers for purposes of this subdivision.

11. The executive director is authorized to promulgate regulations governing licensed adult-use dispensing facilities, including but not limited to, the hours of operation, size and location of the licensed facility, potency and types of products offered and establishing a minimum margin for which a retail dispensary must markup a cannabis product or products before selling to a cannabis consumer. Any adult-use cannabis product sold by a retail dispensary for less than the minimum markup allowed in regulation, shall be unlawful.

2. A person holding a cannabinoid grower's license shall not sell hemp products marketed, distributed or sold for its cannabinoid content and intended for human consumption or use without also being licensed as an extractor pursuant to this article.

3. Persons growing industrial hemp pursuant to article twenty-nine of the agriculture and markets law are not authorized to and shall not sell hemp cannabis for human or animal consumption.

4. A person licensed under article twenty-nine of the agriculture and markets law as an industrial hemp grower may apply for a cannabinoid grower's license provided that it can demonstrate to the office that its cultivation of industrial hemp meets all the requirements for hemp cannabis cultivated under a cannabinoid grower's license.

§ 92. Cannabinoid extractor license. 1. A cannabinoid extractor license authorizes the licensee's acquisition, possession, extraction and manufacture of hemp from a licensed cannabinoid grower for the processing of hemp cannabis or the production of hemp cannabis products marketed, distributed or sold for cannabinoid content and used or intended for human or animal consumption or use.

2. No cannabinoid extractor licensee shall engage in any other business on the licensed premises; except that nothing contained in this
chapter shall prevent a cannabinoid extractor licensee from also being licensed as a cannabinoid grower on the same premises.

3. Notwithstanding subdivisions one and two of this section, nothing shall prevent a cannabinoid extractor from manufacturing hemp products not used or intended for human or animal consumption or use.

§ 93. Cannabinoid license applications. 1. 3. Each application shall remit with its application the fee for each requested license.

§ 94. Information to be requested in applications for licenses. 1. The office shall have the authority to prescribe the manner and form in which an application must be submitted to the office for licensure under this article.

Failure to do so shall, if willful and deliberate, be cause for revocation of the license.

6. In giving any notice, or taking any action in reference to a license of a licensed premises, the office may rely upon the information furnished in such application and in any supplemental statement connected therewith, and such information may be presumed to be correct, and shall be binding upon a registered organization, licensee or licensed premises as if correct. All information required to be furnished in such application or supplemental statements shall be deemed material in any prosecution for perjury, any proceeding to revoke, cancel or suspend any license, and in the office's determination to approve or deny the license.

7. The office may, in its discretion, waive the submission of any category of information described in this section for any category of license or permit, provided that it shall not be permitted to waive the
requirement for submission of any such category of information solely for an individual applicant or applicants.

(a) its ability to effectively maintain a delta-9 tetrahydrocannabinol concentration that does not exceed a percentage of delta-9 tetrahydrocannabinol cannabis set by the executive director on a dry weight basis of any part of the plant of the genus cannabis, or per volume or weight of cannabis product, or the combined percent of delta-9 tetrahydrocannabinol and tetrahydrocannabinolic acid in any part of the plant of the genus cannabis regardless of moisture content, for all hemp cannabis and hemp derived products cultivated, processed or extracted by the applicant;

§ 98. License renewal. 1. Each license, issued pursuant to this article, may be renewed upon application therefor by the licensee and the payment of the fee for such license as prescribed by this article.
2. In the case of applications for renewals, the office may dispense with the requirements of such statements as it deems unnecessary in view of those contained in the application made for the original license, but in any event the submission of photographs of the licensed premises shall be dispensed with, provided the applicant for such renewal shall file a statement with the office to the effect that there has been no alteration of such premises since the original license was issued.

3. The office may make such rules as may be necessary, not inconsistent with this chapter, regarding applications for renewals of licenses and permits and the time for making the same.

4. The office shall provide an application for renewal of a license issued under this article not less than ninety days prior to the expiration of the current license.

6. The office shall have the authority to charge applicants for licensure under this article a non-refundable application fee. Such fee may be based on the type of licensure sought, cultivation and/or production volume, or any other factors deemed reasonable and appropriate by the office to achieve the policy and purpose of this chapter.

The fee for such amendment shall be two hundred fifty dollars.

2. In the event that any of the information provided by the applicant changes either while the application is pending or after the license is granted, within ten days of any such change, the applicant or licensee shall submit to the office a verified statement setting forth the change in circumstances of facts set forth in the application. Failure to do so shall, if willful and deliberate, be cause for revocation of the license.

3. A license shall become void by a change in ownership, substantial corporate change or location without prior written approval of the executive director. The executive director may promulgate regulations allowing for certain types of changes in ownership without the need for prior written approval.

4. For purposes of this section, "substantial corporate change" shall mean:

All licensees shall be subject to reasonable inspection by the office, and a person who holds a license must make himself or herself, or an agent thereof, available and present for any inspection required by the office. The office shall make reasonable accommodations so that ordinary business is not interrupted and safety and security procedures are not compromised by the inspection.

§ 103. Packaging and labeling of hemp cannabis. 1. The office is hereby authorized to promulgate rules and regulations governing the packaging and labeling of hemp cannabis products, sold or possessed for sale in New York state.

2. Such regulations shall include, but not be limited to, requiring labels warning consumers of any potential impact on human health resulting from the consumption of hemp cannabis products that shall be affixed to those products when sold, if such labels are deemed warranted by the office.

3. Such rules and regulations shall establish methods and procedures for determining, among other things, serving sizes for hemp cannabis products, active cannabinoid concentration per serving size, and number of servings per container. Such regulations shall also require a nutritional fact panel that incorporates data regarding serving sizes and potency thereof.

4. The packaging, sale, or possession by any licensee of any hemp product intended for human or animal consumption or use not labeled or offered in conformity with rules and regulations promulgated in accordance with this section shall be grounds for the imposition of a fine, and/or the suspension, revocation or cancellation of a license.

No person shall cultivate, process, or distribute for sale or sell at wholesale or retail any cannabis, cannabis product, medical cannabis or hemp cannabis product within the state without obtaining the appropriate registration, license, or permit therefor required by this chapter.
2. No registered organization, licensee, or permittee shall sell, or agree to sell or deliver in this state any cannabis or hemp cannabis for the purposes of resale to any person who is not duly registered, licensed or permitted pursuant to this chapter to sell such product, at wholesale or retail, as the case may be, at the time of such agreement and sale.
3. No registered organization, licensee, or permittee shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of twenty-one years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis or hemp cannabis.
4. No registered organization, licensee, or permittee shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any cannabis, cannabis product, medical cannabis or hemp cannabis on credit; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, medical cannabis or hemp cannabis for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.
5. No registered organization, licensee, or permittee shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the office.
6. No registered organization, licensee, or permittee shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the office, with respect to any matter bearing upon the registration, license, or permit, the conduct of any person at the licensed premises, or bearing upon the character or fitness of such registrant, licensee, or permittee to continue to hold any registration, license, or permit. Nor shall any of the above offer false testimony under oath at such inquiry or hearing.
7. No registered organization, licensee, or permittee shall engage, participate in, or aid or abet any violation or provision of this chapter, or the rules or regulations of the office.
8. The proper conduct of registered, licensed, or permitted premises is essential to the public interest. Failure of a registered organization, licensee, or permittee to exercise adequate supervision over the registered, licensed, or permitted location poses a substantial risk not only to the objectives of this chapter but imperils the health, safety, and welfare of the people of this state. It shall be the obligation of each person registered, licensed, or permitted under this chapter to ensure that a high degree of supervision is exercised over any and all conduct at any registered, licensed, or permitted location at any and all times in order to safeguard against abuses of the privilege of being registered, licensed, or permitted, as well as other violations of law, statute, rule, or regulation. Persons registered, licensed, or permitted shall be held strictly accountable for any and all violations that occur upon any registered, licensed, or permitted premises, and for any and all violations committed by or permitted by any manager, agent or employee of such registered, licensed, or permitted person.

9. It shall be unlawful for any person, partnership or corporation operating a place for profit or pecuniary gain, with a capacity for the assemblage of twenty or more persons to permit a person or persons to come to the place of assembly for the purpose of cultivating, processing, distributing, or retail distribution or sale of cannabis on said premises. This includes, but is not limited to, cannabis that is either provided by the operator of the place of assembly, his agents, servants or employees, or cannabis that is brought onto said premises by the person or persons assembling at such place, unless an appropriate registration, license, or permit has first been obtained from the office of cannabis management by the operator of said place of assembly.

10. As it is a privilege under the law to be registered, licensed, or permitted to cultivate, process, distribute, traffic, or sell cannabis, the office may impose any such further restrictions upon any registrant, licensee, or permittee in particular instances as it deems necessary to further state policy and best serve the public interest. A violation or failure of any person registered, licensed, or permitted to comply with any condition, stipulation, or agreement, upon which any registration, license, or permit was issued or renewed by the office shall subject the registrant, licensee, or permittee to suspension, cancellation, revocation, and/or civil penalties as determined by the office.

11. No adult-use cannabis or medical cannabis may be imported to, or exported out of, New York state by a registered organization, licensee or person holding a license and/or permit pursuant to this chapter, until such time as it may become legal to do so under federal law. Should it become legal to do so under federal law, the office is granted the power to promulgate such rules and regulations as it deems necessary to protect the public and the policy of the state.

12. No registered organization, licensee or any of its agents, servants or employees shall peddle any cannabis product, medical cannabis or hemp cannabis from house to house by means of a truck or otherwise, where the sale is consummated and delivery made concurrently at the residence or place of business of a cannabis consumer. This subdivision shall not prohibit the delivery by a registered organization to certified patients or their designated caregivers, pursuant to article three of this chapter.

13. No licensee shall employ any canvasser or solicitor for the purpose of receiving an order from a certified patient, designated caregiver or cannabis consumer for any cannabis product, medical cannabis or hemp cannabis at the residence or place of business of such patient,
caregiver or consumer, nor shall any licensee receive or accept any
order, for the sale of any cannabis product, medical cannabis or hemp
cannabis which shall be solicited at the residence or place of business
of a patient, caregiver or consumer. This subdivision shall not prohibit
the solicitation by a distributor of an order from any licensee at the
licensed premises of such licensee.
§ 126. License to be confined to premises licensed; premises for which
no license shall be granted; transporting cannabis. 1. A registration,
license, or permit issued to any person, pursuant to this chapter, for
any registered, licensed, or permitted premises shall not be transfera-
ble to any other person, to any other location or premises, or to any
other building or part of the building containing the licensed premises
except in the discretion of the office. All privileges granted by any
registration, license, or permit shall be available only to the person
therein specified, and only for the premises licensed and no other
except if authorized by the office. Provided, however, that the
provisions of this section shall not be deemed to prohibit the amendment
of a registration or license as provided for in this chapter. A
violation of this section shall subject the registration, license, or
permit to revocation for cause.
2. Where a registration or license for premises has been revoked, the
office in its discretion may refuse to issue a registration, license, or
permit under this chapter, for a period of up to five years after such
revocation, for such premises or for any part of the building containing
such premises and connected therewith.
3. In determining whether to issue such a proscription against grant-
ing any registration, license, or permit for such five-year period, in
addition to any other factors deemed relevant to the office, the office
shall, in the case of a license revoked due to the illegal sale of
cannabis to a minor, determine whether the proposed subsequent licensee
has obtained such premises through an arm's length transaction, and, if
such transaction is not found to be an arm's length transaction, the
office shall deny the issuance of such license.
4. For purposes of this section, "arm's length transaction" shall mean
a sale of a fee of all undivided interests in real property, lease,
management agreement, or other agreement giving the applicant control
over the cannabis at the premises, or any part thereof, in the open
market, between an informed and willing buyer and seller where neither
is under any compulsion to participate in the transaction, unaffected by
any unusual conditions indicating a reasonable possibility that the sale
was made for the purpose of permitting the original licensee to avoid
the effect of the revocation. The following sales shall be presumed not
to be arm's length transactions unless adequate documentation is
provided demonstrating that the sale, lease, management agreement, or
other agreement giving the applicant control over the cannabis at the
premises, was not conducted, in whole or in part, for the purpose of
permitting the original licensee to avoid the effect of the revocation:
(a) a sale between relatives;
(b) a sale between related companies or partners in a business; or
(c) a sale, lease, management agreement, or other agreement giving the
applicant control over the cannabis at the premises, affected by other
facts or circumstances that would indicate that the sale, lease, manage-
ment agreement, or other agreement giving the applicant control over the
cannabis at the premises, is entered into for the primary purpose of
permitting the original licensee to avoid the effect of the revocation.
5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the office.

6. No common carrier or person operating a transportation facility in this state, other than the United States government, shall receive for transportation or delivery within the state any cannabis products or medical cannabis unless the shipment is accompanied by copy of a bill of lading, or other document, showing the name and address of the consignor, the name and address of the consignee, the date of the shipment, and the quantity and kind of cannabis products or medical cannabis contained therein.

§ 127. Protections for the use of cannabis; unlawful discriminations prohibited. 1. No person, registered organization, licensee or permittee, employees, or their agents shall be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil liability or disciplinary action by a business or occupational or professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division of the supreme court of the state of New York, and any disciplinary or character and fitness committees established by them are occupational and professional licensing boards within the meaning of this section. State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency thereof in enforcing the federal controlled substances act solely for actions consistent with this chapter, except as pursuant to a valid court order.

2. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for conduct allowed under this chapter, except as exempted:
   (a) if failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations;
   (b) if the institution has adopted a code of conduct prohibiting cannabis use on the basis of religious belief; or
   (c) if a property is registered with the New York smoke-free housing registry, it is not required to permit the smoking of cannabis products on its premises.

3. For the purposes of medical care, including organ transplants, a certified patient's authorized use of medical cannabis must be considered the equivalent of the use of any other medication under the direction of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

4. Unless an employer establishes that the lawful use of cannabis has impaired the employee's ability to perform the employee's job responsibilities, it shall be unlawful to take any adverse employment action against an employee based on conduct allowed under this chapter.

5. For the purposes of this section, an employer may consider an employee's ability to perform the employee's job responsibilities to be impaired when the employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

6. Nothing in this section shall restrict an employer's ability to prohibit or take adverse employment action for the possession or use of
intoxicating substances during work hours, or require an employer to
commit any act that would cause the employer to be in violation of
federal law, or that would result in the loss of a federal contract or
federal funding.

7. As used in this section, "adverse employment action" means refusing
to hire or employ, barring or discharging from employment, requiring a
person to retire from employment, or discriminating against in compensa-
tion or in terms, conditions, or privileges of employment.

8. A person currently under parole, probation or other state super-
vision, or released on bail awaiting trial may not be punished or other-
wise penalized for conduct allowed under this chapter.

9. No person may be denied custody of or visitation or parenting time
with a minor, and there is no presumption of neglect or child endanger-
ment for conduct allowed under section 222.05 of the penal law, unless
the person's behavior creates an unreasonable danger to the safety of
the minor as established by clear and convincing evidence. For the
purposes of this section, an "unreasonable danger" determination cannot
be based solely on whether, when, and how often a person uses cannabis
without separate evidence of harm.

§ 128. Registrations and licenses. 1. No registration or license
shall be transferable or assignable except that notwithstanding any
other provision of law, the registration or license of a sole proprietor
converting to corporate form, where such proprietor becomes the sole
stockholder and only officer and director of such new corporation, may
be transferred to the subject corporation if all requirements of this
chapter remain the same with respect to such registration or license as
transferred and, further, the registered organization or licensee shall
transmit to the office, within ten days of the transfer of license
allowable under this subdivision, on a form prescribed by the office,
notification of the transfer of such license.

2. No registration or license shall be pledged or deposited as collat-
eral security for any loan or upon any other condition; and any such
pledge or deposit, and any contract providing therefor, shall be void.

3. Licenses issued under this chapter shall contain, in addition to
any further information or material to be prescribed by the rules of the
office, the following information:
   (a) name of the person to whom the license is issued;
   (b) kind of license and what kind of traffic in cannabis is thereby
        permitted;
   (c) description by street and number, or otherwise, of licensed prem-
       ises; and
   (d) a statement in substance that such license shall not be deemed a
property or vested right, and that it may be revoked at any time pursu-
ant to law.

§ 129. Laboratory testing permit. 1. The executive director shall
approve and permit one or more independent cannabis testing laboratories
to test medical cannabis, adult-use cannabis and/or hemp cannabis.

2. To be permitted as an independent cannabis laboratory, a laboratory
must apply to the office, on a form and in a manner prescribed by the
office, and must demonstrate the following to the satisfaction of the
executive director:
   (a) the owners and directors of the laboratory are of good moral char-
       acter;
   (b) the laboratory and its staff has the skills, resources and exper-
       tise needed to accurately and consistently perform all of the testing
required for adult-use cannabis, medical cannabis and/or hemp cannabis;
(c) the laboratory has in place and will maintain adequate policies, procedures, and facility security to ensure proper: collection, labeling, accessioning, preparation, analysis, result reporting, disposal and storage of adult-use cannabis, medical cannabis and/or hemp cannabis;
(d) the laboratory is physically located in New York state;
(e) the laboratory has been approved by the department of health pursuant to Part 55-2 of Title 10 of the New York Codes, Rules and Regulations, pertaining to laboratories performing environmental analysis; and
(f) the laboratory meets any and all requirements prescribed by this chapter and by the executive director in regulation.

3. The owner of a laboratory testing permit under this section shall not hold a registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such registered organization or licensee. No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

4. The executive director shall require that the permitted laboratory report testing results to the office in a manner, form and timeframe as determined by the executive director.

5. The executive director is authorized to promulgate regulations, requiring permitted laboratories to perform certain tests and services.

§ 130. Special use permits. The office is hereby authorized to issue the following kinds of permits for carrying on activities consistent with the policy and purpose of this chapter with respect to cannabis. The executive director has the authority to set fees for all permits issued pursuant to this section, to establish the periods during which permits are authorized, and to make rules and regulations, including emergency regulations, to implement this section.

1. Industrial cannabis permit - to purchase cannabis from one of the entities licensed by the office for use in the manufacture and sale of any of the following, when such cannabis is not otherwise suitable for consumption purposes, namely: (a) apparel, energy, paper, and tools; (b) scientific, chemical, mechanical and industrial products; or (c) any other industrial use as determined by the executive director in regulation.

2. Trucking permit - to allow for the trucking or transportation of cannabis products, medical cannabis or hemp cannabis by a person other than a registered organization or licensee under this chapter.

3. Warehouse permit - to allow for the storage of cannabis, cannabis products, medical cannabis or hemp cannabis at a location not otherwise registered or licensed by the office.

4. Cannabinoid permit - to sell cannabinoid products derived from hemp cannabis for off-premises consumption.

5. Temporary retail cannabis permit - to authorize the retail sale of adult-use cannabis to cannabis consumers, for a limited purpose or duration.

6. Caterer's permit - to authorize the service of cannabis products at a function, occasion or event in a hotel, restaurant, club, ballroom or other premises, which shall authorize within the hours fixed by the office, during which cannabis may lawfully be sold or served on the premises in which such function, occasion or event is held.

7. Packaging permit - to authorize a licensed cannabis distributor to sort, package, label and bundle cannabis products from one or more
registered organizations or licensed processors, on the premises of the
licensed cannabis distributor or at a warehouse for which a permit has
been issued under this section.

8. Miscellaneous permits - to purchase, receive or sell cannabis,
cannabis products or medical cannabis, or receipts, certificates,
contracts or other documents pertaining to cannabis, cannabis products,
or medical cannabis, in cases not expressly provided for by this chap-
ter, when in the judgment of the office it would be appropriate and
consistent with the policy and purpose of this chapter.

§ 131. Professional and medical record keeping. Any professional
providing services in connection with a licensed or potentially licensed
business under this chapter, or in connection with other conduct permit-
ted under this chapter, and any medical professional providing medical
care to a patient, other than a certified patient, may agree with their
client or patient to maintain no record, or any reduced level of record
keeping that professional and client or patient may agree. In case of
such agreement, the professional's only obligation shall be to keep such
records as agreed, and to keep a record of the agreement. Such reduced
record keeping is conduct permitted under this chapter.

§ 132. Local opt-out; municipal control and preemption. 1. The
provisions of article four of this chapter, authorizing the cultivation,
processing, distribution and sale of adult-use cannabis to cannabis
consumers, shall not be applicable to a town, city or village which,
after a mandatory referendum held pursuant to section twenty-three of
the municipal home rule law, adopts a local law to prohibit the estab-
ishment or operation of one or more types of licenses contained in
article four of this chapter, within the jurisdiction of the town, city
or village. Provided, however, that any town law shall apply to the area
of the town outside of any village within such town.

2. Except as provided for in subdivision one of this section, all
county, town, city and village governing bodies are hereby preempted
from adopting any rule, ordinance, regulation or prohibition pertaining
to the operation or licensure of registered organizations, adult-use
or hemp licenses. However, municipalities may pass
local laws and ordinances governing the time, place and manner of
license and regulation does not make the operation of such licensed retail
dispensaries unreasonably impracticable as determined by the executive
director in his or her sole discretion.

§ 133. Personal cultivation. 1. Notwithstanding any provision of law
to the contrary, a person over the age of twenty-one shall be able to
plant, cultivate, harvest, dry or process cannabis for personal use
subject to the following restrictions:

(a) all cultivation shall be done in accordance with local ordinances;
and

(b) the living plants and any cannabis produced by the plants in
excess of three ounces must be kept within the person's private resi-
dence, or upon the grounds of that private residence (e.g., in an
outdoor garden area), in a locked space, and not visible by normal
unaided vision from a public place; and

(c) not more than six living plants may be planted, cultivated,
harvested, dried or processed within a single private residence, or upon
the grounds of that private residence, at one time.

2. A town, city or village may enact and enforce regulations to
reasonably regulate the actions and conduct under this section. Regu-
lations may not completely prohibit persons engaging in conduct made lawful under subdivision one of this section.

3. A violation of subdivision one of this section is a misdemeanor, punishable under section 222.10 of the penal law and subject to a local fine of not more than one hundred dollars.

§ 134. Executive director to be necessary party to certain proceedings. The executive director shall be made a party to all actions and proceedings affecting in any manner the ability of a registered organization or licensee to operate within a municipality, or the result of any vote thereupon; to all actions and proceedings relative to issuance or revocation of registrations, licenses or permits; to all injunction proceedings, and to all other civil actions or proceedings which in any manner affect the enjoyment of the privileges or the operation of the restrictions provided for in this chapter.

§ 135. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, medical cannabis or hemp cannabis without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, shall be subject to conviction as provided by article two hundred twenty-two of the penal law.

2. Any registered organization or licensee, whose registration or license has been suspended pursuant to the provisions of this chapter, who sells cannabis, cannabis products, medical cannabis or hemp cannabis during the suspension period, shall be subject to conviction as provided by article two hundred twenty-two of the penal law, and upon conviction thereof shall be punished by a fine of not more than five thousand dollars per instance.

3. Any person who shall make any false statement in the application for a registration, license or a permit under this chapter shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than five thousand dollars, or by imprisonment in a county jail or penitentiary for a term of not more than six months or both.

4. Any violation by any person of any provision of this chapter for which no punishment or penalty is otherwise provided shall be a misdemeanor.

§ 136. Revocation of registrations, licenses and permits for cause; procedure for revocation or cancellation. 1. Any registration, license or permit issued pursuant to this chapter may be revoked, cancelled, suspended and/or subjected to the imposition of a civil penalty for cause, and must be revoked for the following causes:

(a) conviction of the registered organization, licensee, permittee or his or her agent or employee for selling any illegal cannabis on the premises registered, licensed or permitted; or

(b) for transferring, assigning or hypothecating a registration, license or permit without prior written approval of the office.

2. Notwithstanding the issuance of a registration, license or permit by way of renewal, the office may revoke, cancel or suspend such registration, license or permit and/or may impose a civil penalty against any holder of such registration, license or permit, as prescribed by this section, for causes or violations occurring during the license period immediately preceding the issuance of such registration, license or permit.

3. (a) As used in this section, the term "for cause" shall also include the existence of a sustained and continuing pattern of misconduct, failure to adequately prevent diversion or disorder on or about
the registered, licensed or permitted premises, or in the area in front
of or adjacent to the registered or licensed premises, or in any parking
lot provided by the registered organization or licensee for use by
registered organization or licensee's patrons, which, in the judgment of
the office, adversely affects or tends to affect the protection, health,
welfare, safety, or repose of the inhabitants of the area in which the
registered or licensed premises is located, or results in the licensed
premises becoming a focal point for police attention, or is offensive to
public decency.

(b) (i) As used in this section, the term "for cause" shall also
include deliberately misleading the authority:
(A) as to the nature and character of the business to be operated by
the registered organization, licensee or permittee; or
(B) by substantially altering the nature or character of such business
during the registration or licensing period without seeking appropriate
approvals from the office.
(ii) As used in this subdivision, the term "substantially altering the
nature or character" of such business shall mean any significant alter-
atation in the scope of business activities conducted by a registered
organization, licensee or permittee that would require obtaining an
alternate form of registration, license or permit.

4. As used in this chapter, the existence of a sustained and continu-
ing pattern of misconduct, failure to adequately prevent diversion or
disorder on or about the premises may be presumed upon the sixth inci-
dent reported to the office by a law enforcement agency, or discovered
by the office during the course of any investigation, of misconduct,
diversion or disorder on or about the premises or related to the opera-
tion of the premises, absent clear and convincing evidence of either
fraudulent intent on the part of any complainant or a factual error with
respect to the content of any report concerning such complaint relied
upon by the office.

5. Notwithstanding any other provision of this chapter to the contra-
ry, a suspension imposed under this section against the holder of a
registration issued pursuant to article three of this chapter, shall
only suspend the licensed activities related to the type of cannabis,
medical cannabis or adult-use cannabis involved in the violation result-
ing in the suspension.

6. Any registration, license or permit issued by the office pursuant
to this chapter may be revoked, cancelled or suspended and/or be
subjected to the imposition of a monetary penalty in the manner
prescribed by this section and by the executive director in regulation.

7. The office may on its own initiative, or on complaint of any
person, institute proceedings to revoke, cancel or suspend any adult-use
cannabis retail dispensary license or adult-use cannabis on-site
consumption license and may impose a civil penalty against the licensee
after a hearing at which the licensee shall be given an opportunity to
be heard. Such hearing shall be held in such manner and upon such notice
as may be prescribed in regulation by the executive director.

8. All other registrations, licenses or permits issued under this
chapter may be revoked, cancelled, suspended and/or made subject to the
imposition of a civil penalty by the office after a hearing to be held
in such manner and upon such notice as may be prescribed in regulation
by the executive director.

9. Where a licensee or permittee is convicted of two or more qualify-
ing offenses within a five-year period, the office, upon receipt of
notification of such second or subsequent conviction, shall, in addition
to any other sanction or civil or criminal penalty imposed pursuant to this chapter, impose on such licensee a civil penalty not to exceed ten thousand dollars. For purposes of this subdivision, a qualifying offense shall mean the unlawful sale of cannabis to a person under the age of twenty-one. For purposes of this subdivision, a conviction of a licensee or an employee or agent of such licensee shall constitute a conviction of such licensee.

§ 137. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil fine, seizure, or forfeiture of assets, or be the basis for detention or search against any person acting in accordance with this chapter:

(a) Actions of a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(b) Actions of those who allow property to be used by a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(c) Actions of any person or entity, their employees, or their agents providing a service to a registered organization, licensee, or permittee, as permitted by this chapter and consistent with rules and regulations of the office, relating to the formation of a business.

(d) The purchase, possession, or consumption of cannabis, medical cannabis and hemp cannabis, as permitted by this chapter and consistent with rules and regulations of the office, obtained from a validly registered, licensed or permitted retailer.

§ 138. Review by courts. 1. The following actions by the office, and only the following actions by the office, shall be subject to review by the supreme court in the manner provided in article seventy-eight of the civil practice law and rules:

(a) Refusal by the office to issue a registration, license, or a permit.

(b) The revocation, cancellation of suspension of a registration, license, or permit by the office.

(c) The failure or refusal by the office to render a decision upon any application or hearing submitted to or held by the office within sixty days after such submission or hearing.

(d) The transfer by the office of a registration, license, or permit to any other entity or premises, or the failure or refusal by the office to approve such a transfer.

(e) Refusal to approve alteration of premises.

(f) Refusal to approve a corporate change in stockholders, stockholders, officers or directors.

2. No stay shall be granted pending the determination of such matter except on notice to the office and only for a period of less than thirty days. In no instance shall a stay be granted where the office has issued
a summary suspension of a registration, license, or permit for the protection of the public health, safety, and welfare.

§ 139. Illicit cannabis. 1. "Illicit cannabis" means and includes any cannabis product, medical cannabis or hemp cannabis owned, cultivated, distributed, bought, sold, packaged, rectified, blended, treated, fortified, mixed, processed, warehoused, possessed or transported, or on which any tax required to have been paid under any applicable state law has not been paid.

2. Any person who shall knowingly possess or have under his or her control any cannabis known by the person to be illicit cannabis is guilty of a misdemeanor.

3. Any person who shall knowingly barter or exchange with, or sell, give or offer to sell or to give another any cannabis known by the person to be illicit cannabis is guilty of a misdemeanor.

4. Any person who shall possess or have under his or her control or transport any cannabis known by the person to be illicit cannabis with intent to barter or exchange with, or to sell or give to another the same or any part thereof is guilty of a misdemeanor. Such intent is presumptively established by proof that the person knowingly possessed or had under his or her control one or more ounces of illicit cannabis. This presumption may be rebutted.

5. Any person who, being the owner, lessee, or occupant of any room, shed, tenement, booth or building, float or vessel, or part thereof, knowingly permits the same to be used for the cultivation, processing, distribution, purchase, sale, warehousing, transportation, or storage of any illicit cannabis, is guilty of a misdemeanor.

§ 140. Injunction for unlawful manufacture, sale or consumption of cannabis. 1. If any person shall engage or participate or be about to engage or participate in the cultivation, production, distribution, traffic, or sale of cannabis products, medical cannabis or hemp cannabis in this state without obtaining the appropriate registration, license, or permit therefor, or shall traffic in cannabis products, medical cannabis or hemp cannabis contrary to any provision of this chapter, or otherwise unlawfully, or shall traffic in illicit cannabis products, medical cannabis or hemp cannabis, or, operating a place for profit or pecuniary gain, with a capacity for the assemblage of twenty or more persons, shall permit a person or persons to come to such place of assembly for the purpose of consuming cannabis products without having the appropriate license or permit therefor, the office may present a verified petition or complaint to a justice of the supreme court at a special term of the supreme court of the judicial district in which such city, village or town is situated, for an order enjoining such person engaging or participating in such activity or from carrying on such business. Such petition or complaint shall state the facts upon which such application is based. Upon the presentation of the petition or complaint, the justice or court may grant an order temporarily restraining any person from continuing to engage in conduct as specified in the petition or complaint, and shall grant an order requiring such person to appear before such justice or court at or before a special term of the supreme court in such judicial district on the day specified therein, not more than ten days after the granting thereof, to show cause why such person should not be permanently enjoined from engaging or participating in such activity or from carrying on such business, or why such person should not be enjoined from carrying on such business contrary to the provisions of this chapter. A copy of such petition or complaint and order shall be served upon the person, in the manner directed by such
order, not less than three days before the return day thereof. Upon receipt of such notification, the matter shall be expunged as described in subdivision one of this section.

(b) Where a criminal action or proceeding was terminated, as defined in paragraph (k) of subdivision three of this section, prior to the effective date of this subdivision, such criminal action or proceeding shall be automatically vacated and dismissed, and all records of such action or proceeding expunged as set forth in subdivision one of this section, and the matter terminated in favor of the accused and deemed a nullity, because the prior conviction is now legally invalid. Upon receipt of notification of such vacatur, termination and expungement, all records relating to the criminal action shall be expunged as described in subdivision one of this section.

5. § 22. Subdivision 1 of section 170.56 of the criminal procedure law, as amended by chapter 360 of the laws of 1977, is amended to read as follows:

1. Upon or after arraignment in a local criminal court upon an information, a prosecutor's information or a misdemeanor complaint, where the sole remaining count or counts charge a violation or violations of section [221.05, 221.10, 221.15, 221.35 or 221.40] 221.45 of the penal law, or upon summons for a nuisance offense under section sixty-five-c of the alcoholic beverage control law and before the entry of a plea of guilty thereto or commencement of a trial thereof, the court, upon motion of a defendant, may order that all proceedings be suspended and the action adjourned in contemplation of dismissal, or upon a finding that adjournment would not be necessary or appropriate and the setting forth in the record of the reasons for such findings, may dismiss in furtherance of justice the accusatory instrument; provided, however, that the court may not order such adjournment in contemplation of dismissal or dismiss the accusatory instrument if: (a) the defendant has previously been granted such adjournment in contemplation of dismissal, or (b) the defendant has previously been granted a dismissal under this section, or (c) the defendant has previously been convicted of any offense involving controlled substances, or (d) the defendant has previously been convicted of a crime and the district attorney does not consent or (e) the defendant has previously been adjudicated a youthful offender on the basis of any act or acts involving controlled substances and the district attorney does not consent. Notwithstanding the limitations set forth in this subdivision, the court may order that all proceedings be suspended and the action adjourned in contemplation of dismissal based upon a finding of exceptional circumstances. For purposes of this subdivision, exceptional circumstances exist when, regardless of the ultimate disposition of the case, the entry of a plea of guilty is likely to result in severe or ongoing consequences, including, but not limited to, potential or actual immigration consequences.

§ 23. Paragraph (j) of subdivision 1 of section 440.10 of the criminal procedure law, as amended by section 2 of part MMM of chapter 59 of the laws of 2019, is amended and a new paragraph (k) is added to read as follows:

(j) The judgment is a conviction for a class A or unclassified misdemeanor entered prior to the effective date of this paragraph and satisfies the ground prescribed in paragraph (h) of this subdivision. There shall be a rebuttable presumption that a conviction by plea to such an offense was not knowing, voluntary and intelligent, based on ongoing collateral consequences, including potential or actual immigration consequences, and there shall be a rebuttable presumption that a conviction by verdict constitutes cruel and unusual punishment under section five of article one of the state constitution based on such consequences.

(k) if pertinent, such relief is available notwithstanding that the judgment was for a violation of section 221.05, 221.10, 221.15, 221.20, 221.25, 221.30, 221.35, or 221.40 of the penal law in effect prior to the effective date of this paragraph and that the underlying action or proceeding has already been vacated, dismissed and expunged pursuant to paragraph (b) of subdivision four of section 160.50 of this part, in which case the court shall presume that a conviction by plea for a
violation of the aforementioned sections of the then penal law was not
knowing and voluntary, if it has ongoing consequences, including but not
limited to, potential or actual immigration consequences, and shall
presume that a conviction by verdict of the aforementioned sections of
the then penal law constitutes cruel and unusual punishment under the
state constitution, based on those consequences. The prosecution may
rebut these presumptions.
§ 24. The criminal procedure law is amended by adding a new section
440.46-a to read as follows:
§ 440.46-a Motion for resentence; persons convicted of certain marihuana

article two hundred twenty-two of the penal law.

the movant satisfies the criteria in paragraph (a) of this subdivision,
the court shall grant the motion to resentence.

under the former article two hundred twenty-one of the penal law, wheth-

§ 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All definitions of terms applicable to title five-A of article thirty-three of the public health law shall apply to this article. For purposes of this article, the terms "medical cannabis," "registered organization," "certified patient," and "designated caregiver" shall have the same definitions as in section three of the cannabis law.]

(b) As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required "gross receipt" means the amount received in or by reason of any sale, conditional or otherwise, of medical [marihuana] cannabis or in or by reason of the furnishing of medical [marihuana] cannabis from the sale of medical [marihuana] cannabis provided by a registered organization to a certified patient or designated caregiver. Gross receipt is expressed in money, whether paid in cash, credit or property of any kind or nature, and shall be deter-
mined without any deduction therefrom on account of the cost of the
service sold or the cost of materials, labor or services used or other
costs, interest or discount paid, or any other expenses whatsoever.
"Amount received" for the purpose of the definition of gross receipt, as
the term gross receipt is used throughout this article, means the amount
charged for the provision of medical [marihuana] cannabis.

2. There is hereby imposed an excise tax on the gross receipts from
the sale of medical [marihuana] cannabis by a registered organization to
a certified patient or designated caregiver, to be paid by the regis-
tered organization, at the rate of seven percent. The tax imposed by
this article shall be charged against and be paid by the registered
organization and shall not be added as a separate charge or line item on
any sales slip, invoice, receipt or other statement or memorandum of the
price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations,
procedures and forms necessary for the proper administration of this
article.

4. Every registered organization that makes sales of medical [marihu-
ana] cannabis subject to the tax imposed by this article shall, on or
before the twentieth date of each month, file with the commissioner a
return on forms to be prescribed by the commissioner, showing its
receipts from the retail sale of medical [marihuana] cannabis during the
preceding calendar month and the amount of tax due thereon. Such returns
shall contain such further information as the commissioner may require.
Every registered organization required to file a return under this
section shall, at the time of filing such return, pay to the commission-

cannabis] for the period covered by such return. If a return is not
filed when due, the tax shall be due on the day on which the return is
required to be filed.

5. Whenever the commissioner shall determine that any moneys received
under the provisions of this article were paid in error, he may cause
the same to be refunded, with interest, in accordance with such rules
and regulations as he may prescribe, except that no interest shall be
allowed or paid if the amount thereof would be less than one dollar.
Such interest shall be at the overpayment rate set by the commissioner
pursuant to subdivision twenty-sixth of section one hundred seventy-one
of this chapter, or if no rate is set, at the rate of six percent per
annum, from the date when the tax, penalty or interest to be refunded
was paid to a date preceding the date of the refund check by not more
than thirty days. Provided, however, that for the purposes of this
subdivision, any tax paid before the last day prescribed for its payment
shall be deemed to have been paid on such last day. Such moneys received
under the provisions of this article which the commissioner shall deter-
mine were paid in error, may be refunded out of funds in the custody of
the comptroller to the credit of such taxes provided an application
therefor is filed with the commissioner within two years from the time
the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply
to the tax imposed by this article in the same manner and with the same
force and effect as if the language of such article had been incorpo-
rated in full into this section and had expressly referred to the tax
imposed by this article, except to the extent that any provision of such
article is either inconsistent with a provision of this article or is
not relevant to this article.
7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical [marihuana] cannabis trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical [marihuana] cannabis shall provide to the department information on where the medical [marihuana] cannabis was dispensed and where the medical [marihuana] cannabis was manufactured. A registered organization that obtains [marihuana] cannabis from another registered organization shall obtain from such registered organization information on where the medical [marihuana] cannabis was manufactured.

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the contents or any other information relating to the business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the state, [the state department of health] office of cannabis management, or the commissioner in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceeding involving the collection of a tax due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article, when the returns or the reports or the facts shown thereby are directly involved in such action or proceeding, or in an action or proceeding relating to the regulation or taxation of medical [marihuana] cannabis on behalf of officers to whom information shall have been supplied as provided in subdivision two of this section, in any of which events the court may require the production of, and may admit in evidence so much of said returns or reports or of the facts shown thereby as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the commissioner, in his or her discretion, from allowing the inspection or delivery of a certified copy of any return or report filed under this article or of any information contained in any such return or report by or to a duly authorized officer or employee of the [state department of health] office of cannabis management; or by or to the attorney general or other legal representatives of the state when an action shall have been recommended or
1 commenced pursuant to this chapter in which such returns or reports or
2 the facts shown thereby are directly involved; or the inspection of the
3 returns or reports required under this article by the comptroller or
4 duly designated officer or employee of the state department of audit and
5 control, for purposes of the audit of a refund of any tax paid by a
6 registered organization or other person under this article; nor to
7 prohibit the delivery to a registered organization, or a duly authorized
8 representative of such registered organization, a certified copy of any
9 return or report filed by such registered organization pursuant to this
10 article, nor to prohibit the publication of statistics so classified as
11 to prevent the identification of particular returns or reports and the
12 items thereof. This section shall also not be construed to prohibit the
disclosure, for tax administration purposes, to the division of the
budget and the office of the state comptroller, of information aggre-
gated from the returns filed by all the registered organizations making
sales of, or manufacturing, medical [marihuana] cannabis in a specified
county, whether the number of such registered organizations is one or
more. Provided further that, notwithstanding the provisions of this
subdivision, the commissioner may, in his or her discretion, permit the
proper officer of any county entitled to receive an allocation, follow-
ing appropriation by the legislature, pursuant to this article and
section eighty-nine-h of the state finance law, or the authorized repre-
sentative of such officer, to inspect any return filed under this arti-
cle, or may furnish to such officer or the officer's authorized repre-
sentative an abstract of any such return or supply such officer or such
representative with information concerning an item contained in any such
return, or disclosed by any investigation of tax liability under this
article.

2. The commissioner, in his or her discretion and pursuant to such
rules and regulations as he or she may adopt, may permit [the commis-
sioner of internal revenue of the United States, or] the appropriate
officers of any other state which regulates or taxes medical [marihuana]
cannabis, or the duly authorized representatives of such [commissioner
or of any such] officers, to inspect returns or reports made pursuant to
this article, or may furnish to such [commissioner or] other officers,
or duly authorized representatives, a copy of any such return or report
or an abstract of the information therein contained, or any portion
thereof, or may supply [such commissioner or] any such officers or such
representatives with information relating to the business of a regis-
tered organization making returns or reports hereunder. The commissioner
may refuse to supply information pursuant to this subdivision [to the
commissioner of internal revenue of the United States or] to the offi-
cers of any other state if the statutes [of the United States, or] of
the state represented by such officers, do not grant substantially simi-
lar privileges to the commissioner, but such refusal shall not be manda-
tory. Information shall not be supplied to [the commissioner of internal
revenue of the United States or] the appropriate officers of any other
state which regulates or taxes medical [marihuana] cannabis, or the duly
authorized representatives [of such commissioner or] of any of such
officers, unless such [commissioner,] officer or other representatives
shall agree not to divulge or make known in any manner the information
so supplied, but such officers may transmit such information to their
employees or legal representatives when necessary, who in turn shall be
subject to the same restrictions as those hereby imposed upon such
commissioners or other representatives.
3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

§ 493. Tax on cannabis. (a) There is hereby imposed and shall be paid a tax on the cultivation of cannabis flower and cannabis trim at the rate of one dollar per dry-weight gram of cannabis flower and twenty-five cents per dry-weight gram of cannabis trim. Where the wholesaler is not the cultivator, such tax shall be collected from the cultivator by the wholesaler at the time such flower or trim is transferred to the wholesaler. Where the wholesaler is the cultivator, such tax shall be paid by the wholesaler and shall accrue at the time of sale or transfer to a retail dispensary. Where the cultivator is also the retail dispensary, such tax shall accrue at the time of the sale to the retail customer.

Where the wholesaler is the retail dispensary, such tax shall be at the rate of two percent of the price charged to the retail customer.

(d) Notwithstanding any other provision of law to the contrary, the taxes imposed by article twenty of this chapter shall not apply to any product subject to tax under this article.

§ 494. Registration and renewal. (a) Every wholesaler must file with the commissioner a properly completed application for a certificate of registration before engaging in business. In order to apply for such certificate of registration, such person must first be in possession of a valid license from the office of cannabis management. An application for a certificate of registration must be submitted electronically, on a form prescribed by the commissioner, and must be accompanied by a non-refundable application fee of six hundred dollars. A certificate of registration shall not be assignable or transferable and shall be destroyed immediately upon such person ceasing to do business as specified in such certificate, or in the event that such business never commenced.

(b) The commissioner shall refuse to issue a certificate of registration to any applicant and shall revoke the certificate of registration
of any such person who does not possess a valid license from the office
of cannabis management. The commissioner may refuse to issue a certif-
icate of registration to any applicant where such applicant: (1) has a
past-due liability as that term is defined in section one hundred seventy-
one-v of this chapter; (2) has had a certificate of registration
under this article, a license from the office of cannabis management, or
any license or registration provided for in this chapter revoked within
one year from the date on which such application was filed; (3) has been
convicted of a crime provided for in this chapter within one year from
the date on which such application was filed of the certificate's issu-

article; (5) willfully files, causes to be filed, gives or causes to be
given a report, return, certificate or affidavit required by this arti-
cle which is false; or (6) willfully fails to collect or truthfully
account for or pay over any tax imposed by this article.

(c) A certificate of registration shall be valid for the period speci-
fied thereon, unless earlier suspended or revoked. Upon the expiration
of the term stated on a certificate of registration, such certificate
shall be null and void.

(d) Every holder of a certificate of registration must notify the
commissioner of changes to any of the information stated on the certif-
icate, or of changes to any information contained in the application for
the certificate of registration. Such notification must be made on or
before the last day of the month in which a change occurs and must be
made electronically on a form prescribed by the commissioner.

(e) Every holder of a certificate of registration under this article
shall be required to reapply prior to such certificate's expiration,
during a reapplication period established by the commissioner. Such
reapplication period shall not occur more frequently than every two
years. Such reapplication shall be subject to the same requirements and
conditions, including grounds for refusal, as an initial application,
including the payment of the application fee.

(f) Penalties. A person to whom adult-use cannabis products have been
transferred or who sells adult-use cannabis products without a valid
certificate of registration pursuant to subdivision (a) of this section
shall be subject to a penalty of five hundred dollars for each month or
part thereof during which such person continues to possess adult-use
cannabis products that have been transferred to such person or who sells
such products after the expiration of the first month after which such
person operates without a valid certificate of registration, not to
exceed ten thousand dollars in the aggregate.

§ 495. Returns and payment of tax. (a) 1. Every wholesaler shall, on
or before the twentieth day of the month, file with the commissioner a
return on forms to be prescribed by the commissioner, showing the total
weight of cannabis flower and cannabis trim subject to tax pursuant to
subdivision (a) of section four hundred ninety-three of this article and
the total amount of tax due thereon in the preceding calendar month, and
the total amount of tax due under subdivisions (b) and (c) of such
section on its sales to a retail dispensary during the preceding calen-
dar month, along with such other information as the commissioner may
require. Every person required to file a return under this section
shall, at the time of filing such return, pay to the commissioner the
total amount of tax due for the period covered by such return. If a
return is not filed when due, the tax shall be due on the day on which
the return is required to be filed.
2. The wholesaler shall maintain such records in such form as the commissioner may require regarding such items as: where the wholesaler is not the cultivator, the weight of the cannabis flower and cannabis trim transferred to it by a cultivator or, where the wholesaler is the cultivator, the weight of such flower and trim produced by it; the geographic location of every retail dispensary to which it sold adult-use cannabis products; and any other record or information required by the commissioner. This information must be kept by such person for a period of three years after the return was filed.

(b) The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

(c) 1. All taxes, interest, and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the cannabis revenue fund established by section ninety-nine-hh of the state finance law. Of the total revenue collected or received under this article, the comptroller shall retain such amount as the commissioner may determine to be necessary for refunds. The commissioner is authorized and directed to deduct from the registration fees under subdivision (a) of section four hundred ninety-four of this article, before deposit into the cannabis revenue fund designated by the comptroller, a reasonable amount necessary to effectuate refunds of appropriations of the department to reimburse the department for the costs incurred to administer, collect, and distribute the taxes imposed by this article.

2. Notwithstanding the foregoing, the commissioner shall certify to the comptroller the total amount of tax, penalty and interest received by him or her on account of the tax imposed by subdivision (c) of section four hundred ninety-three of this article in trust for and on account of each county in which a retail dispensary is located. On or before the twelfth day of each month, the comptroller, after reserving such refund fund, shall pay to the appropriate fiscal officer of each such county the taxes, penalties and interest received and certified by the commissioner for the preceding calendar month.

§ 496. Returns to be kept secret. (a) Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the content or any other information related to the business of the wholesaler contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court.
except on behalf of the state, the office of cannabis management, or the
commissioner in an action or proceeding involving the collection of tax
due under this chapter to which the state or the commissioner is a party
or a claimant or on behalf of any party to any action or proceeding
under the provisions of this article, when the returns or the reports or
the facts shown thereby are directly involved in such action or proceed-
ing, or in an action or proceeding related to the regulation or taxation
of adult-use cannabis products on behalf of officers to whom information
shall have been supplied as provided in this section, in any of which
events the courts may require the production of, and may admit in
evidence so much of said returns or reports or of the facts shown there-
by as are pertinent to the action or proceeding and no more. Nothing
herein shall be construed to prohibit the commissioner, in his or her
discretion, from allowing the inspection or delivery of a certified copy
of any return or report filed under this article or of any information
contained in any such return or report by or to a duly authorized offi-
cer or employee of the office of cannabis management or by or to the
attorney general or other legal representatives of the state when an
action shall have been recommended or commenced pursuant to this chapter
in which such returns or reports or the facts shown thereby are directly
involved; or the inspection of the returns or reports required under
this article by the comptroller or duly designated officer or employee
of the state department of audit and control, for purposes of the audit
of a refund of any tax paid by the wholesaler under this article; nor to
prohibit the delivery to such person or a duly authorized representative
of such person, a certified copy of any return or report filed by such
person pursuant to this article, nor to prohibit the publication of
statistics so classified as to prevent the identification of particular
returns or reports and the items thereof. This section shall also not be
construed to prohibit the disclosure, for tax administration purposes,
to the division of the budget and the office of the state comptroller,
of information aggregated from the returns filed by all wholesalers
purchasing and selling such products in the state, whether the number of
such persons is one or more. Provided further that, notwithstanding the
provisions of this subdivision, the commissioner may in his or her
discretion, permit the proper officer of any county entitled to receive
any distribution of the monies received on account of the tax imposed by
subsection (c) of section four hundred ninety-three of this article, or
the authorized representative of such officer, to inspect any return
filed under this article, or may furnish to such officer or the offi-
cer's authorized representative an abstract of any such return or supply
such officer or representative with information concerning an item
contained in any such return, or disclosed by any investigation of tax
liability under this article.

(b) The commissioner, in his or her discretion, may permit the appro-
priate officers of any other state that regulates or taxes cannabis or
the duly authorized representatives of such commissioner or of any such
officers, to inspect returns or reports made pursuant to this article,
or may furnish to the commissioner or other officer, or duly authorized
representatives, a copy of any such return or report or an abstract of
the information therein contained, or any portion thereof, or may supply
such commissioner or any such officers or such representatives with
information relating to the business of a wholesaler making returns or
reports hereunder solely for purposes of tax administration. The commis-
sioner may refuse to supply information pursuant to this subdivision to
the officers of any other state if the statutes of the state represented
by such officers do not grant substantially similar privileges to the
commissioner, but such refusal shall not be mandatory. Information shall
not be supplied to the appropriate officers of any state that regulates
taxes cannabis, or the duly authorized representatives of such
commissioner or of any such officers, unless such commissioner, officer,
or other representatives agree not to divulge or make known in any
manner the information so supplied, but such officers may transmit such
information to their employees or legal representatives when necessary,
who in turn shall be subject to the same restrictions as those hereby
imposed upon such commissioner, officer or other representatives.

(c) 1. Any officer or employee of the state who willfully violates the
provisions of subdivision (a) or (b) of this section shall be dismissed
from office and be incapable of holding any public office in the state
for a period of five years thereafter.

2. For criminal penalties, see article thirty-seven of this chapter.

controlled substance and other circumstances related to such criminal
conduct indicate that such person's criminal possession, sale or
conspiracy to sell such substance was not an isolated occurrence and was
part of an ongoing pattern of criminal activity from which such person
