49 4. The tolls at the points of entry specified in paragraphs (a) and
50 (b) of subdivision one of this section shall be imposed as of the opera-
51 tion date, and maintained thereafter, only if, simultaneously, the then-

6. In the event that the Triborough bridge and tunnel authority fails to establish and maintain tolls at the facilities specified in paragraphs (a) through (g) of subdivision four of this section at levels consistent with the ratios established by subdivision five of this section, then the authority to establish and maintain tolls at the facilities specified in paragraphs (a) and (b) of subdivision one of this section shall lapse and be of no force and effect. Vehicles registered in any borough that lacks subway service to the central business district which are traveling to or from the central business district, shall be limited to one toll per direction so long as the vehicle in question is using E-ZPass or other form of instant, onsite payment and that the second tolled facility the driver may cross is reached within three hours of the first tolled facility in that direction being crossed, where the tolled facilities in question are those specified in paragraphs (a) and (b) of subdivision one and paragraph (g) of subdivision four of this section.

3 limousine commission.

4 (c) All charges under this subdivision shall be collected by the taxi
5 and limousine commission and remitted to the Move New York highway and
6 transit authority on a quarterly basis.

7 (d) Notwithstanding any contrary provision of law, any for hire vehi-

10 subdivision one of this section.

11 8. (a) A commercial vehicle, as defined by the New York city traffic
12 rules, equipped with an operational commercial E-ZPass, shall only be
13 charged a single round trip toll per day notwithstanding the number of
14 times such vehicle may cross the perimeter of the tolls established by
15 this section.

16 (b) All vehicles and vehicle types or classes shall pay the new toll

26 notice, whichever is later.

27 10. The department by agreement with the Move New York highway and
28 transit authority and the Triborough bridge and tunnel authority is
29 hereby authorized to establish a demand-based pricing scheme whereby
30 tolls shall be higher during times of heavy traffic volume and lower
31 during times of lighter traffic volume, provided, however, that in all
32 cases revenue raised from the fees established by this section shall
33 meet the revenue that would have been raised if rates did not change
34 throughout the day, as provided for in this section of this article.

35 Nothing in this section is intended nor shall it be construed to limit
36 or modify the authority and power of the Triborough bridge and tunnel
37 authority to establish tolls at its own facilities.

38 § 1704. Violations and enforcement. 1. Notwithstanding any other
39 provision of law, violations of this article shall be adjudicated pursu-
40 ant to this section. The owner of a vehicle shall be liable for a penal-
41 ty imposed pursuant to this section if such vehicle was used or operated
42 with the permission of the owner, expressed or implied, in violation of
43 this article, and such violation is evidenced by information obtained
44 from a vehicle-monitoring system or other credible evidence.

45 2. A certificate, sworn to or affirmed by a technician employed or

56 accordance with the following initial schedule:

- 1 (a) for failure to respond to written
2 notice within thirty days..... Fifty dollars

7 The department of finance of the city or the parking violations bureau
8 shall adjudicate liability imposed by this section.

9 4. An imposition of liability pursuant to this section shall not be
10 deemed a conviction as an operator and shall not be made part of the
11 operating record of the person upon whom such liability is imposed nor
12 shall it be used for insurance purposes in the provision of motor vehi-
13 cle insurance coverage.

14 5. A notice of liability shall be sent by first class mail to each
15 person alleged to be liable as an owner for a violation of this article.
16 Personal service on the owner shall not be required. A manual or auto-

21 owner for a violation of this article;

22 (b) the registration number of the vehicle involved in such violation;

30 the manner and time provided shall be deemed an admission of liability,
31 may subject the person to additional penalties, and that a default judg-
32 ment may be issued thereon.

33 6. If the evidence of the violation is derived from an official source
34 other than the vehicle-monitoring system, such as from an employee of
35 the police department of the city, the notice shall contain sufficient
36 information detailing the name and title of the city employee who
37 observed the violation in addition to the information described in
38 subdivision five of this section.

39 7. If an owner receives a notice of liability pursuant to this section
40 for any time period during which the vehicle was reported to the police
41 department as having been stolen, it shall be a valid defense to an
42 allegation of liability for a violation of this article that the vehicle
43 had been reported to the police as stolen prior to the time the
44 violation occurred and had not been recovered by such time. For purposes
45 of asserting the defense provided by this subdivision it shall be suffi-
46 cient that a certified copy of the police report on the stolen vehicle
47 be sent by first class mail to the city department of finance or parking
48 violations bureau.

49 8. (a) An owner who is a lessor of a vehicle to which a notice of

9. If the owner liable for a violation of this article was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

10. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a penalty imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator committed a violation of this article. For the purposes of this subdivision, there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator committed a violation of this article.

11. Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of this article.

§ 1705. Disposition of revenue and penalties. 1.
