2019-2020 Regular Sessions

## IN SENATE

January 16, 2019

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to promoting efficient and effective oversight of continuing care retirement communities; and to repeal certain provisions of such law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 4602 of the public health law, as added by chapter  
2 689 of the laws of 1989, the section heading and subdivisions 1 and 2 as  
3 amended by chapter 659 of the laws of 1997, the opening paragraph of  
4 subdivision 1 as amended by section 81 of part A of chapter 62 of the  
5 laws of 2011, the opening paragraph of subdivision 2 as amended by chap-  
6 ter 549 of the laws of 2014, subdivision 3 as amended by chapter 155 of  
7 the laws of 2012, is amended to read as follows:

8 § 4602. [~~Continuing care retirement community council~~] Commissioner;  
9 powers and duties. [~~1. The continuing care retirement community council  
10 is hereby established, to consist of the following, or their designees:  
11 the attorney general, the commissioner, the director of the office for  
12 the aging, and eight public members appointed by the governor with the  
13 advice and consent of the senate. Such public members shall be represen-  
14 tative of the public, and have a demonstrated expertise or interest in  
15 continuing care retirement communities, provided that no more than one  
16 such member shall be a sponsor, owner, operator, manager, member of a  
17 board of directors, or shareholder of a continuing care retirement  
18 community. At least two public members shall be residents of a continu-  
19 ing care retirement community. At least one of the public members shall  
20 be a representative of an organization with demonstrated experience in  
21 representing the interests of senior citizens. The public members of the  
22 council shall have fixed terms of four years. The council shall be  
23 chaired by the commissioner or his or her designee.~~]

24 ~~Members of such council shall serve without compensation for their  
25 services as members of the council, except that each of them may be~~

1 ~~allowed the necessary and actual expenses which he shall incur in the~~  
2 ~~performance of his duties under this article.~~

3 ~~2. The council shall meet as often as may be deemed necessary to~~  
4 ~~fulfill its responsibilities.]~~ The [council] commissioner shall have the  
5 following powers and duties:

6 a. to receive applications from potential operators of continuing care  
7 retirement communities and to distribute such applications for review to  
8 the participating agencies;

9 b. to develop uniform forms for applications for certificates of  
10 authority, to review the status of such applications, and to coordinate  
11 the review of such applications in order to minimize duplication or  
12 delay;

13 c. to provide information to entities wishing to establish continuing  
14 care retirement communities and to persons interested in becoming resi-  
15 dents of such communities, to the extent appropriate, with concerns  
16 relating to the operation of such facilities;

17 d. to issue certificates of authority to approved applicants;

18 e. to approve or reject applications to obtain a certificate of  
19 authority for the establishment and operation of a continuing care  
20 retirement community. In reviewing applications, the [council] commis-  
21 sioner shall consider the extent to which the applications reflect vari-  
22 ous sponsorships, organizational structures, geographic dispersion, and  
23 the public benefit. In determining the public benefit of a community  
24 requiring construction of a total nursing facility component greater  
25 than or equal to ninety beds, the [council] commissioner shall obtain  
26 and consider the recommendation of the [~~state hospital review~~] public  
27 health and health planning council with regard to the effect of the  
28 construction of the community's nursing facility beds upon existing  
29 facilities in the same geographic area;

30 [~~b.~~] f. to require the reporting of such facts and information as the  
31 [council] commissioner may deem necessary to enforce the provisions of  
32 this article;

33 [~~a.~~] g. to coordinate the oversight of operating communities and to  
34 assign review and regulatory responsibility for particular aspects of  
35 such communities to the appropriate agencies, consistent with their  
36 legal authority, to assure consistent state supervision without dupli-  
37 cation of inspection or regulatory review;

38 [~~d.~~] h. to make such recommendations to the governor and the legisla-  
39 ture as may be necessary to encourage or further regulate the develop-  
40 ment of continuing care retirement communities;

41 [~~e.~~] i. to establish and charge equitable and reasonable annual charg-  
42 es for operators, not to exceed fifty dollars per approved living unit,  
43 to subsidize, in part, expenditures incurred in reviewing applications  
44 for certificates of authority and in inspecting, regulating, supervising  
45 and auditing continuing care retirement communities;

46 [~~f. to review reports from the participating agencies regarding the~~  
47 ~~operations and financial management of approved communities, including~~  
48 ~~any reports regarding the financial condition of any community that may~~  
49 ~~be in need of close supervision and any reports of deficiencies in the~~  
50 ~~provision of health or social services to residents of any community;~~

51 [~~g.~~] j. to adopt rules and regulations and amendments thereto to effec-  
52 tuate the provisions of this article;

53 [~~h.~~] k. to revoke, suspend, limit, or annul a certificate of authority  
54 under conditions set forth in section forty-six hundred fifteen of this  
55 article, including when such action is taken at the specific request of  
56 any participating council agency. [~~When action has been taken by the~~

~~commissioner pursuant to subdivision seven of section forty-six hundred three of this article, the council shall meet as soon as reasonably possible to approve or disapprove the action of the commissioner and shall take such further action as may be appropriate;~~

~~i. to develop guidelines for applications for certificates of authority;~~

~~j.] l. to carry out any other responsibilities entrusted to the commissioner pursuant to this chapter that may be necessary with regard to the health care activities of continuing care retirement communities;~~

~~m. to make available to all prospective operators all pertinent regulations regarding health and insurance necessary to comply with this article;~~

~~n. to [make a final determination regarding an application] approve or reject applications for authorization by prospective continuing care retirement community applicants, entities that have filed an application for a certificate of authority and operators, to enter into cancellable priority reservation agreements [where the commissioner has proposed to reject such application] and to collect refundable priority reservation fees from prospective residents;~~

~~k.] o. to require the reporting of such facts and information as the [council] commissioner may deem necessary to determine whether characteristics of residential health care demonstration facilities such as comprehensive systems of residential and support services for the elderly may be successfully incorporated into existing or approved continuing care retirement communities;~~

~~l.] p. to review and approve or reject applications by continuing care retirement community operators to use entrance fees to assist the operator in financing the construction or purchase of a proposed continuing care retirement community in accordance with paragraph b of subdivision six of section forty-six hundred ten of this article; and~~

~~m.] q. to review and approve or reject any proposed financing by industrial development agencies of continuing care retirement communities pursuant to article eighteen-A of the general municipal law as authorized by section forty-six hundred four-a of this article.~~

~~3. The council shall establish guidelines under which the commissioner is authorized to approve or reject any proposed refinancing, if the council has already approved an application pursuant to paragraph a of subdivision two of this section.]~~

§ 2. Section 4603 of the public health law is REPEALED and a new section 4603 is added to read as follows:

§ 4603. Continuing care retirement community council; powers and duties. 1. The continuing care retirement community council is hereby established, to consist of the following, or their designees: the attorney general; the commissioner; the director of the office for the aging; and eight public members appointed by the governor with the advice and consent of the senate. Such public members shall be representative of the public, and have a demonstrated expertise or interest in continuing care retirement communities; provided that no more than one such member shall be a sponsor, owner, operator, manager, member of a board of directors, or shareholder of a continuing care retirement community. At least two public members shall be residents of a continuing care retirement community. At least one of the public members shall be a representative of an organization with demonstrated experience in representing the interests of senior citizens. The public members of the council shall have fixed terms of four years. The council shall be chaired by the commissioner or his or her designee.

1 Members of such council shall serve without compensation for their  
2 services as members of the council, except that each of them may be  
3 allowed the necessary and actual expenses which he or she shall incur in  
4 the performance of his/her or their duties under this article.

5 2. The council shall meet as often as may be deemed necessary to  
6 fulfill its responsibilities. The council shall have the following  
7 powers and duties:

8 a. to assist the commissioner on policy matters related to the estab-  
9 lishment and operation of continuing care retirement communities;

10 b. to assist the commissioner in the development of the state's over-  
11 all policy regarding continuing care retirement communities and cause  
12 studies and research to be conducted as it may deem advisable and neces-  
13 sary; and

14 c. to make such recommendations to the governor and the legislature as  
15 may be necessary to encourage or further regulate the development of  
16 continuing care retirement communities.

17 § 3. Subdivision 4 of section 4604 of the public health law, as  
18 amended by chapter 659 of the laws of 1997, subparagraphs (i), (ii) and  
19 (iii) of paragraph a as further amended by section 104 of part A of  
20 chapter 62 of the laws of 2011, paragraphs b and d as amended by chapter  
21 549 of the laws of 2014, and paragraph c as amended by chapter 7 of the  
22 laws of 2015, is amended to read as follows:

23 4. No certificate of authority shall be issued unless the commissioner  
24 has approved an application meeting the requirements of this section and  
25 all other requirements established by law [~~has been approved by~~] includ-  
26 ing:

27 a. [~~(i)~~] the [~~superintendent of financial services as to the~~] actuari-  
28 al principles involved, the financial feasibility of the facility, the  
29 form and content of the proposed contracts to be entered into with resi-  
30 dents and insurance contracts between an operator and an insurer requir-  
31 ing the insurer to assume, wholly or in part, the cost of medical or  
32 health related services to be provided to a resident, provided that the  
33 review may be conducted by the commissioner or his or her designee,  
34 including any necessary independent actuarial review;

35 [~~(ii) the superintendent of financial services as to~~] b. the rates and  
36 rating methodology, if any, to be used by the operator to determine any  
37 entrance fee, monthly care fee and/or any separate charges for the hous-  
38 ing component of the continuing care contract including but not limited  
39 to a cooperative or condominium fee charged to the resident as proposed  
40 in said operator's application for certificate of authority. Subsequent  
41 increases in any entrance or monthly care fee in excess of fees calcu-  
42 lated pursuant to the approved rating methodology shall require approval  
43 of the [~~superintendent~~] commissioner. The term "rating methodology" as  
44 used herein shall incorporate a combination of variables including but  
45 not limited to a pricing structure for comparable services, projected  
46 operating and health care costs and the applicable inflationary impact  
47 thereon, projected income and occupancy rates and the refundability  
48 component of the continuing care retirement contract[~~-~~

49 [~~(iii) the superintendent of financial services as to~~];

50 c. any monthly care fee charged to a resident which may be increased  
51 or decreased subject to approval by the [~~superintendent of financial~~  
52 ~~services~~] commissioner, provided, that monthly care fees may be  
53 increased or decreased without specific approval as long as such  
54 increase or decrease does not exceed a relevant cost index or indices  
55 which reflect all components of continuing care including the costs  
56 associated with provision of health care as determined and promulgated

1 at least annually by the [~~superintendent~~] commissioner or his or her  
2 designee, including any necessary independent actuarial review, and  
3 provided further that the [~~superintendent~~] commissioner is notified of  
4 any such increase or decrease prior to its taking effect[~~,~~

5 ~~(iv) An~~];

6 d. the requirement that an individual resident's monthly care fee  
7 shall not be modified because of the increased need for services of that  
8 resident;

9 [~~b. the commissioner as to those~~] e. aspects of the application relat-  
10 ing to adult care facility beds, if any;

11 [~~e-~~] f. review by the public health and health planning council as to  
12 the establishment of a skilled nursing facility by the applicant and as  
13 to such other facilities and services as may require the public health  
14 and health planning council's approval of the application; provided,  
15 however, that the recommendations of the health systems agency having  
16 geographical jurisdiction of the area where the continuing care retire-  
17 ment community is located shall not be required with respect to the  
18 establishment of an on-site or affiliated residential health care facil-  
19 ity to serve residents as part of the continuing care retirement commu-  
20 nity, for up to the total number of residential health care facility  
21 beds provided for in subdivision five of this section in communities  
22 statewide;

23 [~~d. the commissioner under section twenty-eight hundred two of this~~  
24 ~~chapter,~~] provided, [~~however~~] further, that, the recommendations of the  
25 public health and health planning council and the health systems agency  
26 having geographical jurisdiction of the area where the continuing care  
27 retirement community is located shall not be required with respect to  
28 the construction of an on-site or affiliated residential health care  
29 facility to serve residents as part of the continuing care retirement  
30 community, for up to the total number of residential health care facili-  
31 ty beds provided for in subdivision five of this section in communities  
32 statewide; and

33 [~~e. the~~] g. upon consultation with the attorney general, as to those  
34 aspects of the application relating to a cooperative, condominium or  
35 other equity arrangement for the independent living unit, if any.

36 § 4. The opening paragraph of subdivision 6 of section 4604 of the  
37 public health law, as amended by chapter 659 of the laws of 1997, is  
38 amended to read as follows:

39 If the [~~approvals~~] applicant has satisfied the criteria required by  
40 subdivision four of this section [~~have been obtained~~], the [~~council~~]  
41 commissioner shall[~~, by majority vote,~~] either approve or reject the  
42 application [~~within sixty days of the date on which the last such~~  
43 ~~approval has been obtained~~]. In order to approve the application, the  
44 [~~council~~] commissioner shall have determined that:

45 § 5. Subdivisions 7 and 9 of section 4604 of the public health law,  
46 subdivision 7 as amended by chapter 659 of the laws of 1997 and subdivi-  
47 sion 9 as added by chapter 689 of the laws of 1989, are amended to read  
48 as follows:

49 7. Any change in the legal entity operating the continuing care  
50 retirement community, or in a controlling person of the community shall  
51 require approval in the same manner as an original application;  
52 provided, however, that the [~~council~~] commissioner may waive any  
53 requirement to provide information that is not relevant to such change  
54 and provided, further, that the continued public need for the community  
55 shall be presumed.

1 9. [~~If the council approves the application, the~~] The commissioner  
2 shall issue the certificate of authority to the applicant upon approval  
3 of the application.

4 § 6. Section 4604-a of the public health law, as amended by chapter  
5 659 of the laws of 1997, paragraph g of subdivision 2 as amended by  
6 chapter 549 of the laws of 2014, is amended to read as follows:

7 § 4604-a. [~~Council~~] Commissioner approval required for industrial  
8 development agency financing in connection with continuing care retire-  
9 ment communities. 1. No person seeking financing in connection with a  
10 continuing care retirement community through an industrial development  
11 agency shall undertake such financing without the prior approval of the  
12 [~~council~~] commissioner. Upon approving a proposed financing pursuant to  
13 this section, the [~~council~~] commissioner shall issue a certificate of  
14 authorization to the applicant.

15 2. Prior to approving such financing, the [~~council~~] commissioner shall  
16 find that:

17 a. The operator has (i) executed contracts for at least seventy  
18 percent of all living units and has on deposit at least ten percent of  
19 the entrance fees or purchase price for such units; or (ii) executed  
20 contracts for at least sixty percent of all living units and has on  
21 deposit at least twenty-five percent of the entrance fees or purchase  
22 price for such units.

23 b. The operator has demonstrated capability to comply fully with the  
24 requirements for a certificate of authority and has obtained a contin-  
25 gent certificate of authority pursuant to section forty-six hundred four  
26 of this article and the operator has agreed to meet the requirements of  
27 article eighteen-A of the general municipal law.

28 c. The applicant is a not-for-profit corporation as defined in section  
29 one hundred two of the not-for-profit corporation law that is (i) eligi-  
30 ble for tax-exempt financing under this section and (ii) is exempt from  
31 taxation pursuant to section 501(c)(3) of the federal internal revenue  
32 code, and either has (i) an equity position in the community equivalent  
33 to no less than fifteen percent of the amount to be financed in the  
34 aggregate; or (ii) covenants (A) to meet a ratio of cash and investments  
35 to outstanding debt (reserve ratio) of no less than twenty-five percent  
36 commencing at the end of the first quarter after twenty-four months from  
37 the receipt of a certificate of occupancy for the facility, and (B) to  
38 maintain that reserve ratio, as tested quarterly based upon the facili-  
39 ty's interim financial statements and annually based upon audited finan-  
40 cial statements, until debt reduction equal to twenty-five percent of  
41 total indebtedness is accomplished; and (c) to reduce total debt by  
42 twenty-five percent of the total indebtedness at the time the certif-  
43 icate of occupancy is received by no later than five years after the  
44 receipt of the certificate of occupancy.

45 d. The operator has submitted in connection with the proposed financ-  
46 ing a financial feasibility study, including a financial forecast and  
47 market study prepared by an independent firm nationally recognized for  
48 continuing care retirement community feasibility studies, demonstrating  
49 to the satisfaction of the [~~council~~] commissioner the financial sound-  
50 ness of the financing. In addition, the operator has submitted an analy-  
51 sis of economic costs and benefits, including job creation and  
52 retention, the estimated value of tax exemptions provided, the project's  
53 impact on local businesses and the availability and comparative cost of  
54 alternative financing sources. Such analysis shall be prepared by an  
55 independent entity.

1 e. The operator will establish and maintain a fully funded debt  
2 service reserve equal to the sum of maximum annual debt service (inter-  
3 est plus annual scheduled principal payments, not including balloon  
4 maturities, if any) on bonds authorized thereby having a maturity of ten  
5 years or less, plus the maximum annual debt service on bonds authorized  
6 thereby having a maturity of greater than ten years, provided, however,  
7 that in the case of tax-exempt bond issues, such debt service reserve  
8 shall not exceed the maximum amount permitted by federal tax law.

9 f. The operator will provide for such remedies or limitations of reme-  
10 dies of bondholders as may be required by or consistent with the  
11 provisions of this article and any regulations in existence at the time  
12 of the issuance promulgated thereunder.

13 g. Unless all residents or continuing care at home contract holders  
14 have life care contracts, the operator has adequately made the assur-  
15 ances required by subdivision two of section forty-six hundred twenty-  
16 four of this article and has agreed to fund the liability in the event  
17 that such resident's or contract holder's assets are insufficient to pay  
18 for nursing facility services for a one year period.

19 3. In addition, an operator which is subject to the provisions of this  
20 section shall:

21 a. provide the [~~council or its designee~~] commissioner with notice of  
22 any monetary default or covenant default in connection with such financ-  
23 ing and shall further notify the [~~council or its designee~~] commissioner  
24 of any withdrawal from the debt service reserve fund established in  
25 connection with such financing;

26 b. respond in writing to the operational recommendations of the [~~coun-  
27 cil or its designee~~] commissioner with respect to protecting the inter-  
28 ests of continuing care retirement community residents in the event of  
29 any monetary default or covenant default provided for in connection with  
30 such financing;

31 c. provide adequate security for the repayment of the bonds issued,  
32 including the granting of liens on real and personal property and the  
33 pledge of project revenues; the maintenance of minimum debt service  
34 coverage and other financial ratios as shall be required in regulations  
35 in existence at the time of issuance by the [~~council~~] commissioner; and  
36 restrictions on other debt and expenditures; and

37 d. undertake to maintain the financial feasibility of the facility,  
38 including the retention of an independent consultant to recommend and  
39 help implement remedial action.

40 4. The [~~council~~] commissioner may request, and shall receive, the  
41 technical assistance of any state agency or state public authority in  
42 performing its functions under this article.

43 § 7. Section 4605-a of the public health law, as added by chapter 7 of  
44 the laws of 2015, is amended to read as follows:

45 § 4605-a. Certificate of authority; authority to offer continuing care  
46 at home contracts. A continuing care retirement community may offer  
47 continuing care at home contracts upon approval by the [~~council~~] commis-  
48 sioner to amend the continuing care retirement community's certificate  
49 of authority. In order to qualify for an amendment to its certificate of  
50 authority, the continuing care retirement community shall submit to the  
51 commissioner the following:

52 1. a business plan to the commissioner [~~and superintendent~~] that  
53 includes the following:

54 (a) a description of the continuing care at home services that will be  
55 provided, the market that will be served by the continuing care at home

1 contracts, and the fees to be charged to prospective continuing care at  
2 home contract holders;

3 (b) a copy of the proposed continuing care at home contract; and

4 (c) an actuarial study prepared by an independent actuary in accord-  
5 ance with standards adopted by the American Academy of Actuaries demon-  
6 strating the impact that the continuing care at home contracts will have  
7 on the overall operations of the continuing care retirement community  
8 and further demonstrating that the addition of continuing care at home  
9 contracts will not jeopardize the financial solvency of the continuing  
10 care retirement community.

11 2. a market feasibility study demonstrating to the commissioner [~~and~~  
12 ~~superintendent~~] sufficient consumer interest in continuing care at home  
13 contracts and further demonstrating that the addition of continuing care  
14 at home contracts will not have an adverse impact on the provision of  
15 services to continuing care retirement contract holders.

16 3. materials that meet all requirements established by the [~~New York~~  
17 ~~state~~] department [~~of financial services~~].

18 4. [~~A~~] a copy of the notification sent to continuing care retirement  
19 contract holders describing the anticipated impact of the addition of  
20 continuing care at home contracts on continuing care retirement communi-  
21 ty resources and proof that such notification has been distributed to  
22 all continuing care retirement contract holders.

23 § 8. Section 4605-b of the public health law, as added by chapter 7 of  
24 the laws of 2015, is amended to read as follows:

25 § 4605-b. Certificate of authority; limitation on continuing care at  
26 home contracts. The number of continuing care at home contracts  
27 approved on a certificate of authority shall be limited to:

28 1. The number of approved living units on the continuing care retire-  
29 ment community's premises that are intended for ILU residents, except  
30 that the [~~council~~] commissioner may approve additional contracts upon a  
31 submission [~~to the commissioner~~] by an operator consistent with the  
32 provisions set forth in section forty-six hundred five-a of this arti-  
33 cle;

34 2. The demonstrated number of continuing care at home contract holders  
35 that can be supported in the existing or approved future capacity of the  
36 adult care facility and skilled nursing facility consistent with the  
37 provisions set forth in section forty-six hundred five-a of this arti-  
38 cle; and

39 3. Conditions set forth by the [~~New York state~~] department [~~of finan-~~  
40 ~~cial services~~], based upon the [~~superintendent~~] commissioner's assess-  
41 ment of the following:

42 (a) the overall financial impact on the community; and

43 (b) the submitted materials set forth in section forty-six hundred  
44 five-a of this article.

45 § 9. Section 4607 of the public health law, as added by chapter 689 of  
46 the laws of 1989, paragraph d of subdivision 2 as amended by chapter 659  
47 of the laws of 1997, is amended to read as follows:

48 § 4607. Annual statement. 1. Within four months of close of the oper-  
49 ator's fiscal year, unless an extension of time to file has been grant-  
50 ed, the operator shall file an annual statement with the commissioner  
51 [~~and superintendent~~] showing the condition as of the last day of the  
52 preceding calendar or fiscal year. If the commissioner [~~and superinten-~~  
53 ~~dent do~~] does not receive the annual statement within four months of the  
54 end of the operator's fiscal year or have not granted an extension of  
55 time to file, the [~~council~~] commissioner may charge a late fee.

1 2. The annual statement shall be in such form as the [~~council~~] commis-  
2 sioner prescribes and shall contain at least the following:

3 a. Any change in status with respect to the information required to be  
4 submitted pursuant to section forty-six hundred four of this article;

5 b. Financial statements audited by an independent certified public  
6 accountant, which shall contain, for two or more periods if the communi-  
7 ty has been in existence that long, the following:

8 (i) an accountant's opinion and, in accordance with generally accepted  
9 accounting principles:

10 (A) a balance sheet,

11 (B) a statement of income and expenses,

12 (C) a statement of equity or fund balances,

13 (D) a statement of changes in financial position,

14 (ii) notes to the financial statements considered customary or neces-  
15 sary to ensure full disclosure of the financial statements, financial  
16 condition, and operation;

17 c. A detailed listing of the assets maintained for the reserves;

18 d. A copy of the most recent actuarial review of the community,  
19 including such information as may be required by the [~~superintendent~~]  
20 commissioner including an opinion of a qualified consulting actuary, as  
21 to the current and projected soundness of the community, provided howev-  
22 er that a new actuarial review must be submitted triennially; and

23 e. Such other reasonable financial and other information as the [~~coun-~~  
24 ~~cil~~] commissioner may require with respect to the operator or the commu-  
25 nity, or its directors, controlling persons, trustees, members, branch-  
26 es, subsidiaries or affiliates to determine the financial status of the  
27 community and the management capabilities of the operator.

28 3. Sixty days before commencement of each calendar or fiscal year or  
29 official opening date, whichever is applicable, each operator shall file  
30 with the commissioner [~~and superintendent~~] a computation of the annual  
31 long-term debt service and a projected annual revenue and expense summa-  
32 ry for the next ten years.

33 § 10. Section 4658 of the public health law, as added by chapter 519  
34 of the laws of 2004, is amended to read as follows:

35 § 4658. Annual statement. 1. Within four months of close of an opera-  
36 tor's fiscal year, unless an extension of time to file has been granted,  
37 the operator shall file an annual statement with the commissioner show-  
38 ing the condition as of the last day of the preceding calendar or fiscal  
39 year. If the commissioner does not receive the annual statement within  
40 four months of the end of the operator's fiscal year or has not granted  
41 an extension of time to file, the council may charge a late fee.

42 2. The annual statement shall be in such form as the [~~council~~] commis-  
43 sioner prescribes and shall contain at least the following:

44 a. Any change in status with respect to the information required to be  
45 submitted pursuant to section forty-six hundred fifty-seven of this  
46 article;

47 b. Financial statements audited by an independent certified public  
48 accountant, which shall contain, for two or more periods if the communi-  
49 ty has been in existence that long, the following:

50 (i) notes to the financial statements considered customary or neces-  
51 sary to ensure full disclosure of the financial statements, financial  
52 condition, and operation; and

53 (ii) an accountant's opinion and, in accordance with generally  
54 accepted accounting principles: (A) a balance sheet, (B) a statement of  
55 income and expenses, (C) a statement of equity or fund balances, and (D)  
56 a statement of changes in financial position;

1 c. A detailed listing of the assets maintained for the reserves; and  
2 d. Such other reasonable financial and other information as the [~~coun-~~  
3 ~~oil~~] commissioner may require with respect to the operator or the commu-  
4 nity, or its directors, controlling persons, trustees, members, branch-  
5 es, subsidiaries or affiliates to determine the financial status of the  
6 community and the management capabilities of the operator.

7 3. Sixty days before commencement of each calendar or fiscal year or  
8 official opening date, whichever is applicable, each operator shall file  
9 with the commissioner a computation of the annual long-term debt service  
10 and a projected annual revenue and expense summary for the next ten  
11 years.

12 § 11. Subdivision 16 of section 4608 of the public health law, as  
13 amended by chapter 7 of the laws of 2015, is amended to read as follows:

14 16. A statement that any amendment to the contract and any change in  
15 fees or charges, other than those within the guidelines of an approved  
16 rating system, must be approved by the [~~superintendent of financial~~  
17 ~~services~~] commissioner;

18 § 12. Subdivisions 1 and 2 of section 4614 of the public health law,  
19 as amended by chapter 7 of the laws of 2015, are amended to read as  
20 follows:

21 1. The commissioner, or designee[~~, and the superintendent, or desig-~~  
22 ~~nee,~~] may at any time, and shall at least once every three years, visit  
23 each community and examine the business of any applicant for a certif-  
24 icate of authority and any operator engaged in the execution of continu-  
25 ing care retirement contracts or continuing care at home contracts or  
26 engaged in the performance of obligations under such contracts. Routine  
27 examinations may be conducted by having documents designated by and  
28 submitted to such [~~commissioners or superintendent~~] commissioner, which  
29 shall include financial documents and records conforming to commonly  
30 accepted accounting principles and practices. The final written report  
31 of each such examination conducted by such [~~commissioners or superinten-~~  
32 ~~dent~~] commissioner shall be filed with the commissioner and, when so  
33 filed, shall constitute a public record. A copy of each report shall be  
34 provided to members of the continuing care retirement community council.  
35 Any operator being examined shall, upon request, give reasonable and  
36 timely access to all of its records. The representative or examiner  
37 designated by the [~~commissioners or superintendent, respectively,~~  
38 commissioner] may, at any time, examine the records and affairs and  
39 inspect the community's facilities, whether in connection with a formal  
40 examination or not.

41 2. Any duly authorized officer, employee, or agent of the [~~health~~  
42 ~~department, or department of financial services~~] may, upon presentation  
43 of proper identification, have access to, and inspect, any records main-  
44 tained by the community relevant to the [~~respective~~] agency's regulatory  
45 authority, with or without advance notice, to secure compliance with, or  
46 to prevent a violation of, any provision of this article.

47 § 13. Subdivision 1 of section 4667 of the public health law, as added  
48 by chapter 519 of the laws of 2004, is amended to read as follows:

49 1. The commissioner[~~, or his or her designee,~~] may at any time, and  
50 shall at least once every three years, visit each community and examine  
51 the business of any applicant for a certificate of authority and any  
52 operator engaged in the execution of fee-for-service continuing care  
53 contracts or engaged in the performance of obligations under such  
54 contracts. Routine examinations may be conducted by having documents  
55 designated by and submitted to the commissioner, which shall include  
56 financial documents and records conforming to commonly accepted account-

1 ing principles and practices. The final written report of each such  
2 examination conducted by the commissioner shall be filed with the  
3 commissioner and, when so filed, shall constitute a public record. A  
4 copy of each report shall be provided to members of the continuing care  
5 retirement community council. Any operator being examined shall, upon  
6 request, give reasonable and timely access to all of its records. The  
7 representative or examiner designated by the commissioner may, at any  
8 time, examine the records and affairs and inspect the community's facil-  
9 ities, whether in connection with a formal examination or not.

10 § 14. Section 4615 of the public health law, as added by chapter 689  
11 of the laws of 1989, paragraph j of subdivision 1 as further amended by  
12 section 104 of part A of chapter 62 of the laws of 2011, paragraph k of  
13 subdivision 1 as amended by chapter 7 of the laws of 2015 and subdivi-  
14 sion 3 as amended by chapter 659 of the laws of 1997, is amended to read  
15 as follows:

16 § 4615. Revocation, suspension or annulment of certificate of authori-  
17 ty. 1. The [~~council~~] **commissioner** may revoke, suspend, limit or annul  
18 the certificate of authority of an operator upon proof that:

19 a. The operator failed to continue to meet the requirements for the  
20 authority originally granted;

21 b. The operator lacked one or more of the qualifications for the  
22 certificate of authority as specified by this article;

23 c. The operator made a material misstatement, misrepresentation, or  
24 committed fraud in obtaining the certificate of authority, or in  
25 attempting to obtain the same;

26 d. The operator lacked fitness or was untrustworthy;

27 e. The operator engaged in fraudulent or dishonest practices of  
28 management in the conduct of business under the certificate of authori-  
29 ty;

30 f. The operator converted or withheld funds;

31 g. The operator failed to comply with, or violated, any proper order,  
32 rule or regulation of the council or violated any provision of this  
33 article;

34 h. The unsound business practices of the operator renders its further  
35 transactions in this state hazardous or injurious to the public;

36 i. The operator has refused to be examined or to produce its accounts,  
37 records, and files for examination, or its officers, employees, or  
38 controlling persons have refused to give information with respect to the  
39 affairs of the community or to perform any other legal obligation as to  
40 such examination;

41 j. The [~~superintendent of financial services~~] **commissioner** has made a  
42 determination that the operator is insolvent within the meaning of  
43 section one thousand three hundred nine of the insurance law; or

44 k. The commissioner has found violations of applicable statutes, rules  
45 or regulations which threaten to affect directly the health, safety, or  
46 welfare of a resident.

47 2. No certificate of authority shall be revoked, suspended, limited or  
48 annulled without a hearing, except that a certificate of authority may  
49 be temporarily suspended or limited prior to a hearing for a period not  
50 in excess of sixty days upon written notice to the operator following a  
51 finding by the commissioner that the public health or safety is in immi-  
52 nent danger or there exists any condition or practice or a continuing  
53 pattern of conditions or practices that pose an imminent danger to the  
54 health or safety of any resident. Any delay in the hearing process occa-  
55 sioned by the operator shall toll the running of said suspension or

1 limitation and shall not abridge the full time provided in this subdivi-  
2 sion.

3 3. Any state agency which seeks to revoke, suspend, limit or annul the  
4 certificate of authority or any other license or certificate required to  
5 be obtained by an operator of a continuing care retirement community  
6 pursuant to law, shall request the [~~eouncil~~] commissioner to commence a  
7 hearing pursuant to this section.

8 4. The [~~eouncil~~] commissioner shall fix a time and place for the hear-  
9 ing. The commissioner shall cause to be served in person or mailed by  
10 registered or certified mail to the operator at least ten days before  
11 the date fixed for the hearing a copy of the charges, together with the  
12 notice of the time and place of the hearing. The operator shall file  
13 with the commissioner not less than three days prior to the hearing a  
14 written answer to the charges. The agency which initiated the proceeding  
15 shall be responsible for providing evidence in support of the charges to  
16 the commissioner in order to prepare a statement of charges and shall  
17 provide evidence in support of the charges at the hearing.

18 5. All orders hereunder shall be subject to review as provided in  
19 article seventy-eight of the civil practice law and rules. Application  
20 for such review must be made within sixty days after service in person  
21 or by registered or certified mail of a copy of the order upon the oper-  
22 ator.

23 § 15. Section 4616 of the public health law, as added by chapter 689  
24 of the laws of 1989, the opening paragraph as amended by chapter 659 of  
25 the laws of 1997, is amended to read as follows:

26 § 4616. Appointment of a caretaker. Upon a determination by the [~~eoun-  
27 cil~~] commissioner that there exists operational deficiencies in a  
28 continuing care retirement community that show:

29 1. a condition or conditions in substantial violation of the standards  
30 for health, safety or patient care established under federal or state  
31 law or regulations; or

32 2. [~~or~~] that there exists in the facility a pattern or practice of  
33 habitual violation of the standards of health, safety or patient care  
34 established under federal or state law or regulations, the [~~council~~]  
35 commissioner shall take the actions prescribed by section forty-six  
36 hundred fifteen of this article, and, where the [~~eouncil~~] commissioner  
37 deems it to be in the public interest, the [~~council may request that the  
38 commissioner, and upon request of the council the~~] commissioner shall[~~,~~]  
39 petition a court of competent jurisdiction to appoint a caretaker as  
40 defined in section twenty-eight hundred one of this chapter. The peti-  
41 tion, the proceedings, and the procedures for appointment of a caretaker  
42 shall be governed by the provisions of section forty-six hundred seven-  
43 teen of this article, and the powers, duties and rights of a caretaker  
44 appointed pursuant to such section shall be the same as those authorized  
45 by subdivision four of such section.

46 § 16. Subdivisions 1, 2 and 8 of section 4617 of the public health  
47 law, subdivision 1 as amended by chapter 659 of the laws of 1997, and  
48 subdivisions 2 and 8 as added by chapter 689 of the laws of 1989, are  
49 amended to read as follows:

50 1. The [~~eouncil~~] commissioner may, [~~if it determines~~] upon a determi-  
51 nation that serious operational deficiencies exist or serious financial  
52 problems exist and such action is desirable, enter into an agreement  
53 with the operator or owners of a continuing care retirement community  
54 with respect to the appointment of a receiver to take charge of the  
55 community under conditions as found acceptable by both parties. Receiv-  
56 ership commenced in accordance with the provisions of this subdivision

1 shall terminate at such time as may be provided in the receivership  
2 agreement, or at such time as either party notifies the other in writing  
3 that it wishes to terminate such receivership.

4 2. [~~Upon request of the council, the~~] The commissioner shall, at the  
5 time of revocation, suspension or temporary suspension of a certificate  
6 of authority, apply to the supreme court where the community is situated  
7 for an order directing the owner of the land and/or structure on or in  
8 which the community is located, to show cause why a receiver should not  
9 be appointed to take charge of the community. In those cases where the  
10 certificate of authority has been revoked, suspended or temporarily  
11 suspended, the supreme court shall appoint a receiver that, where  
12 reasonably possible, is a legal entity that holds a valid certificate of  
13 authority. Such application shall contain proof by affidavit that the  
14 facility has had its certificate of authority revoked, suspended, or  
15 temporarily suspended. Such order to show cause shall be returnable not  
16 less than five days after service is completed and shall provide for  
17 personal service of a copy thereof and the papers on which it is based,  
18 on the owner or owners of the land and/or structures on or in which the  
19 community is located. If any such owner and manager cannot with due  
20 diligence be served personally within the county where the property is  
21 located and within the time fixed in such order, then service may be  
22 made on such person by posting a copy thereof in a conspicuous place  
23 within the community in question, and by sending a copy thereof by  
24 registered mail, return receipt requested, to such owner at the last  
25 address registered by him with the department or in the absence of such  
26 registration to the address set forth in the last recorded deed with  
27 respect to the facility. Service shall be deemed complete on filing  
28 proof of service thereof in the office of the county clerk, or the clerk  
29 of the city of New York, as the case may be.

30 8. Any other provision of this article notwithstanding, the [~~council~~]  
31 commissioner may, if [~~it~~] he or she deems appropriate, grant to any  
32 community operating or scheduled to operate under a receivership author-  
33 ized by this section a certificate of authority, the duration of which  
34 shall be limited to the duration of the receivership.

35 § 17. Section 4668 of the public health law, as added by chapter 519  
36 of the laws of 2004, is amended to read as follows:

37 § 4668. Revocation, suspension or annulment of certificate of authori-  
38 ty. 1. The [~~council~~] commissioner may revoke, suspend, limit or annul  
39 the certificate of authority of an operator upon proof that:

40 a. The operator failed to continue to meet the requirements for the  
41 authority originally granted;

42 b. The operator lacked one or more of the qualifications for the  
43 certificate of authority as specified by this article;

44 c. The operator made a material misstatement, misrepresentation, or  
45 committed fraud in obtaining the certificate of authority, or in  
46 attempting to obtain the same;

47 d. The operator lacked fitness or was untrustworthy;

48 e. The operator engaged in fraudulent or dishonest practices of  
49 management in the conduct of business under the certificate of authori-  
50 ty;

51 f. The operator converted or withheld funds;

52 g. The operator failed to comply with, or violated, any proper order,  
53 rule or regulation of the council or violated any provision of this  
54 article;

55 h. The unsound business practices of the operator renders its further  
56 transactions in this state hazardous or injurious to the public;

1 i. The operator has refused to be examined or to produce its accounts,  
2 records and files for examination, or its officers, employees or  
3 controlling persons have refused to give information with respect to the  
4 affairs of the community or to perform any other legal obligation as to  
5 such examination; or

6 j. The commissioner has found violations of applicable statutes, rules  
7 or regulations which threaten to affect directly the health, safety, or  
8 welfare of a resident of a fee-for-service continuing care retirement  
9 community.

10 2. No certificate of authority shall be revoked, suspended, limited or  
11 annulled without a hearing, except that a certificate of authority may  
12 be temporarily suspended or limited prior to a hearing for a period not  
13 in excess of sixty days upon written notice to the operator following a  
14 finding by the commissioner that public health or safety is in imminent  
15 danger or there exists any condition or practice or a continuing pattern  
16 of conditions or practices that pose an imminent danger to the health or  
17 safety of any resident. Any delay in the hearing process occasioned by  
18 the operator shall toll the running of said suspension or limitation and  
19 shall not abridge the full time provided in this subdivision.

20 3. Any state agency which seeks to revoke, suspend, limit or annul the  
21 certificate of authority or any other license or certificate required to  
22 be obtained by an operator of a community pursuant to law, shall request  
23 the [~~council~~] commissioner to commence a hearing pursuant to this  
24 section.

25 4. The [~~council~~] commissioner shall fix a time and place for the hear-  
26 ing. The commissioner shall cause to be served in person or mailed by  
27 registered or certified mail to the operator at least ten days before  
28 the date fixed for the hearing a copy of the charges, together with the  
29 notice of the time and place of the hearing. The operator shall file  
30 with the commissioner not less than three days prior to the hearing a  
31 written answer to the charges. The agency which initiated the proceeding  
32 shall be responsible for providing evidence in support of the charges to  
33 the commissioner in order to prepare a statement of charges and shall  
34 provide evidence in support of the charges at the hearing.

35 5. All orders pursuant to this section shall be subject to review as  
36 provided in article seventy-eight of the civil practice law and rules.  
37 Application for such review shall be made within sixty days after  
38 service in person or by registered or certified mail of a copy of the  
39 order upon the operator.

40 § 18. Section 4669 of the public health law, as added by chapter 519  
41 of the laws of 2004, is amended to read as follows:

42 § 4669. Appointment of a caretaker. Upon a determination by the  
43 [~~council~~] commissioner that there exists operational deficiencies in a  
44 fee-for-service continuing care retirement community that show:

45 1. there exists in the facility a pattern or practice of habitual  
46 violation of the standards of health, safety or patient care established  
47 under federal or state law or regulations, the [~~council~~] commissioner  
48 shall take the actions prescribed by section forty-six hundred sixty-  
49 eight of this article, and, where the [~~council~~] commissioner deems it to  
50 be in the public interest, the [~~council may request the commissioner,~~  
51 ~~and upon request of the council the~~] commissioner shall[7] petition a  
52 court of competent jurisdiction to appoint a caretaker as defined in  
53 section twenty-eight hundred one of this chapter. The petition, the  
54 proceedings, and the procedures for appointment of a caretaker shall be  
55 governed by the provisions of section forty-six hundred seventy of this  
56 article, and the power, duties and rights of a caretaker appointed

1 pursuant to such section shall be the same as those authorized by subdivi-  
2 sion four of such section; or

3 2. a condition or conditions in substantial violation of the standards  
4 for health, safety or patient care established under federal or state  
5 law or regulations.

6 § 19. Subdivisions 1, 2 and 8 of section 4670 of the public health  
7 law, as added by chapter 519 of the laws of 2004, are amended to read as  
8 follows:

9 1. The [~~council~~] commissioner may, [~~if it determines~~] upon a determi-  
10 nation that serious operational deficiencies exist or serious financial  
11 problems exist and such action is desirable, enter into an agreement  
12 with the operator or owners of a fee-for-service continuing care retire-  
13 ment community with respect to the appointment of a receiver to take  
14 charge of the community under conditions as found acceptable by both  
15 parties. Receivership commenced in accordance with the provisions of  
16 this subdivision shall terminate at such time as may be provided in the  
17 receivership agreement, or at such time as either party notifies the  
18 other in writing that it wishes to terminate such receivership.

19 2. [~~Upon request of the council, the~~] The commissioner shall, at the  
20 time of revocation, suspension or temporary suspension of a certificate  
21 of authority, apply to the supreme court where the community is situated  
22 for an order directing the owner of the land and/or structure on or in  
23 which the community is located, to show cause why a receiver should not  
24 be appointed to take charge of the community. In those cases where the  
25 certificate of authority has been revoked, suspended or temporarily  
26 suspended, the supreme court shall appoint a receiver that, where  
27 reasonably possible, is a legal entity that holds a valid certificate of  
28 authority. Such application shall contain proof by affidavit that the  
29 facility has had its certificate of authority revoked, suspended or  
30 temporarily suspended. Such order to show cause shall be returnable not  
31 less than five days after service is completed and shall provide for  
32 personal service of a copy thereof and the papers on which it is based,  
33 on the owner or owners of the land and/or structures on or in which the  
34 community is located. If any such owner and manager cannot with due  
35 diligence be served personally within the county where the property is  
36 located and within the time fixed in such order, then service may be  
37 made on such person by posting a copy thereof in a conspicuous place  
38 within the community in question, and by sending a copy thereof by  
39 registered mail, return receipt requested, to such owner at the last  
40 address registered by him or her with the department or in the absence  
41 of such registration to the address set forth in the last recorded deed  
42 with respect to the facility. Service shall be deemed complete on filing  
43 proof of service thereof in the office of the county clerk, or the clerk  
44 of the city of New York, as the case may be.

45 8. Any other provision of this article notwithstanding, the [~~council~~]  
46 commissioner may, if [~~it~~] he or she deems appropriate, grant to any  
47 community operating or scheduled to operate under a receivership author-  
48 ized by this section a certificate of authority, the duration of which  
49 shall be limited to the duration of the receivership.

50 § 20. Paragraph g of subdivision 4 of section 4621 of the public  
51 health law, as added by chapter 406 of the laws of 1991, is amended to  
52 read as follows:

53 g. If the funds in an escrow account under this section, and any  
54 interest thereon, are not released to the applicant within such time as  
55 provided by rules and regulations adopted by the [~~council~~] commissioner,

1 then such funds shall be returned by the escrow agent to the person who  
2 had made the payments or the person's legal representative.

3 § 21. Subdivision 1 of section 4623 of the public health law, as  
4 amended by chapter 659 of the laws of 1997, is amended to read as  
5 follows:

6 1. The [~~council~~] commissioner may approve an application for a certifi-  
7 cate of authority and [~~the commissioner~~] may issue a certificate of  
8 authority for the establishment and operation of a continuing care  
9 retirement community under an arrangement which otherwise complies with  
10 the requirements of this article except that the costs of nursing facil-  
11 ity or home health care services are paid for in whole or in part by (a)  
12 long term care insurance obtained and paid for by the resident or by  
13 medical assistance payments in accordance with the partnership for long  
14 term care program pursuant to section three hundred sixty-seven-f of the  
15 social services law and section three thousand two hundred twenty-nine  
16 of the insurance law or (b) other group or individual long term care  
17 insurance approved by the superintendent and the council in connection  
18 with the application. The council, in consultation with the superinten-  
19 dent, shall provide for adequate disclosure to residents of their  
20 options, rights and obligations under such an arrangement, and shall  
21 establish standards for the remittance and collection of premiums and  
22 monthly care fees.

23 § 22. The opening paragraph of subdivision 14 and subdivision 15 of  
24 section 4657 of the public health law, as added by chapter 519 of the  
25 laws of 2004, are amended to read as follows:

26 In accordance with regulations promulgated by the [~~council~~] commis-  
27 sioner, the operator shall prepare a standard information sheet for each  
28 approved fee-for-service continuing care retirement community, which  
29 must be approved by the department, distributed with the community's  
30 marketing materials and attached to the initial disclosure statement  
31 prepared in accordance with this section. The standard information sheet  
32 shall be prepared in plain language and in twelve point type and shall  
33 include, but shall not be limited to the following information:

34 15. Any other information as may be required by regulations promulgat-  
35 ed by the [~~council~~] commissioner.

36 § 23. The opening paragraph and paragraph d of subdivision 2 of  
37 section 4658 of the public health law, as added by chapter 519 of the  
38 laws of 2004, are amended to read as follows:

39 The annual statement shall be in such form as the [~~council~~] commis-  
40 sioner prescribes and shall contain at least the following:

41 d. Such other reasonable financial and other information as the [~~coun-~~
