STATE OF NEW YORK

1845

2019-2020 Regular Sessions

IN SENATE

January 16, 2019

Introduced by Sen. HOYLMAN -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, the real property law and the state finance law, in relation to enacting the well water and water supply education act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Short title. This act shall be known and may be cited as
2	the "well water and water supply education act".
3	§ 2. Section 206 of the public health law is amended by adding a new
4	subdivision 31 to read as follows:
5	31. The commissioner is authorized and directed to establish and main-
б	tain a public education program to inform the public and appropriate
7	professional disciplines of the potential health effects of consuming
8	water that does not meet state drinking water standards. As part of this
9	education program, the department shall prepare materials to educate
10	consumers who obtain drinking water from private water supplies on the
11	importance of regularly testing for contamination.
12	(a) Such educational materials shall include, but not be limited to:
13	(i) information on potential contaminants including: coliform bacte-
14	ria, chlorides, sodium, arsenic, nitrates, iron, manganese, lead, pH,
15	volatile organic compounds for which maximum contaminant levels have
16	been established pursuant to public health regulations, vinyl chloride,
17	MtBE, and radon;
18	(ii) an explanation that contamination of groundwater can occur from
19	migration of contaminants that may not yet have been identified.
20	Further, it should be emphasized that contaminated water does not neces-
21	sarily result in obvious odors or color changes in drinking water and
22	that the only way to ensure that water meets state drinking water stand-
~ ~	

23 ards is to have it tested by a state certified laboratory;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

1	(iii) information on the maximum contaminant levels, or public health
2	standards, for those contaminants identified in subparagraph (i) of this
3	paragraph and the potential health impacts of exposure to such contam-
4	<u>inants above such levels;</u>
5	(iv) a recommendation that any water test conducted should be analyzed
б	by a laboratory certified by the department to test for drinking water
7	contaminants;
8	(v) information on the importance of testing private water supplies
9	regularly for contaminants, and a request that residents provide their
10	local health department with any results of tests that exceed state
11	standards; and
12	(vi) information on water treatment techniques and equipment.
13	(b) (i) The department shall make such educational materials available
14	to the public on their website and upon request to the general public.
15	(ii) The department, in consultation with the department of state,
16	shall require that:
17	(A) licensed home inspectors, as defined in section four hundred
18	forty-four-b of the real property law, are provided with such materials,
19	which shall be provided by the licensed home inspector to each client
20	whose property or potential property is served by a private water supply
	that is the potable water supply for such property; and
21 22	(B) licensed real estate salesmen, real estate brokers or associate
22 23	real estate brokers, as defined in section four hundred forty of the
23 24	real property law, provide such information to their clients whose prop-
24 25	erty or potential property is served by a private water supply that is
26	the potable water supply for such property, at the time such clients
20 27	enter into a contract for the sale of such property.
28	§ 3. Section 444-g of the real property law is amended by adding a new
29	subdivision 3-a to read as follows:
30	<u>3-a. Every home inspector shall provide to each client, who may be an</u>
31	owner, prospective buyer or other interested individual, whose residence
32	or potential residence is served by a private water supply that is the
33	potable water supply for such property, educational materials prepared
34	by the department of health pursuant to subdivision thirty-one of
