It can include, but is not limited to, (1) attempts 20 by the intended parent to create a child through means of a gestational 21 arrangement, with or without the involvement of a donor, and (2) assisted reproduction involving a donor where a gestational carrier is 22 23 not used. 24 (e) "Compensation" means payment of any valuable consideration for time, effort, pain and/or risk to health in excess of reasonable medical 25 26 and ancillary costs. 27 (f) "Donor" means an individual who produces gametes and provides them to another person other than the individual's spouse for use in assisted 28 29 reproduction, whether or not for compensation, and who does not intend 30 to be a parent. 50	§ 581-201. Judgment of parentage. (a) A civil proceeding may be main-
51	tained to adjudicate the parentage of a child under the circumstances
52	set forth in this article. This proceeding is governed by the civil
53	practice law and rules.
54	(b) A judgment of parentage may be issued prior to birth but shall not

55 become effective until the birth of the child.

1	(c) A judgment of parentage shall be issued by the court upon the
2	petition of (1) a child, or (2) a parent or a presumed parent, or (3) a
3	participant, or (4) the support/enforcement agency or other governmental
4	agency authorized by other law, or (5) a representative authorized by
5	law to act for an individual who would otherwise be entitled to maintain
б	<u>a proceeding but who is deceased, incapacitated, or a minor, in order to</u>
7	legally establish the child-parent relationship of either a child born
8	through assisted reproduction under part three of this article or a
9	child born pursuant to a gestational carrier arrangement under part four
10	of this article.
11	§ 581-202. Proceeding for judgment of parentage of a child born
12	through assisted reproduction. (a) A proceeding for a judgment of
13	parentage may be commenced:
14	(1) if the intended parent resides in New York state, in the county
15	where the intended parent resides any time after pregnancy is achieved
16	or in the county where the child was born or resides; or
17	(2) if the intended parent and child do not reside in New York state,
18	up to ninety days after the birth of the child in the county where the
19	
	child was born.
20	(b) The petition for a judgment of parentage must be verified and
21	include the following:
22	(1) a statement that the intended parent has been a resident of the
23	state for at least ninety days or if the intended parent is not a New
24	York state resident, that the child was born in the state; and
25	(2) a statement from the gestating parent that the gestating parent
26	became pregnant as a result of the donation of the gamete or embryo and
27	a representation of non-access during the time of conception; and
28	(3) a statement that the non-gestating intended parent consented to
29	assisted reproduction pursuant to section 581-304 of this article; and
30	(4) proof of donor's donative intent.
31	(c) The following shall be deemed sufficient proof of a donor's dona-
32	tive intent for purposes of this section:
33	(1) in the case of an anonymous donor or where gametes or embryos have
34	previously been relinquished to a gamete or embryo storage facility, a
35	statement from the gamete or embryo storage facility with custody of the
36	gametes or embryos that the donor does not retain any parental or
37	proprietary interest in the gametes or embryos; or
38	(2) in the case of a donation from a known donor, a record from the
39	gamete or embryo donor acknowledging the donation and confirming that
40	the donor has no parental or proprietary interest in the gametes or
41	embryos. The record shall be signed by the gamete or embryo donor:
42	i. before a notary public, or
43	ii. before two witnesses who are not the intended parents, or
44	iii. before the health care provider, who supervised the donation.
45	(3) In the absence of a record pursuant to paragraph two of this
46	subdivision, notice shall be given to the donor at least twenty days
47	prior to the proceeding by delivery of a copy of the petition and
48	notice. Upon a showing to the court, by affidavit or otherwise, on or
49	before the date of the proceeding or within such further time as the
50	court may allow, that personal service cannot be effected at the donor's
51	last known address with reasonable effort, notice may be given, without
52	prior court order therefore, at least twenty days prior to the proceed-
53	ing by registered or certified mail directed to the donor's last known
54	address. Notice by publication shall not be required to be given to a
55	donor entitled to notice pursuant to the provisions of this section.

1 (4) Notwithstanding the above, where sperm is provided under the supervision of a health care provider to someone other than the sperm 2 3 provider's intimate partner or spouse without a record of the sperm 4 provider's intent to parent, the sperm provider is presumed to be a 5 Donor and notice is not required. б (d) Where a petition for parentage demonstrates the consent of the 7 intended parent to assisted reproduction, the donative intent of the 8 gamete or embryo donor and that the pregnancy resulted from the 9 donation, the court shall issue a judgment of parentage: 10 (1) declaring, that upon the birth of the child, the intended parent 11 is the only legal parent of the child; and (2) ordering the intended parent to assume sole responsibility for the 12 13 maintenance and support of the child immediately upon the birth of the child; and 14 15 (3) ordering that upon the birth of the child, a copy of the judgment 16 of parentage be served on the (i) department of health or New York city department of mental health and hygiene, or (ii) registrar of births in 17 the hospital where the child is born and directing that the hospital 18 19 report the parentage of the child to the appropriate department of health in conformity with the court order. If an original birth certif-20 icate has already issued, the court shall issue an order directing the 21 appropriate department of health to amend the birth certificate in an 22 expedited manner and seal the previously issued birth certificate. 23 § 581-203. Proceeding for judgment of parentage of a child born pursu-24 25 ant to a gestational carrier arrangement. (a) The proceeding may be 26 commenced at any time after the gestational agreement has been executed 27 by all of the parties. Any party to the gestational agreement not joining in the petition must be served with notice of the proceeding. Fail-28 29 ure to respond to the notice shall be considered a default and no 30 further notice shall be required. 31 (b) The petition for a judgment of parentage must be verified and 32 include the following: 33 (1) A statement that the gestational carrier or the intended parent 34 has been a resident of the state for at least ninety days at the time 35 the gestational agreement was executed; and (2) A certification from the attorneys representing the petitioners 36 that the parties are eligible to participate in the gestational carrier 37 arrangement as required by section 581-404 of this article and that the 38 gestational agreement contains the required terms under section 581-405 39 40 of this article; and 41 (3) A statement that the parties entered into the gestational agree-42 ment knowingly and voluntarily. (c) Where a petition satisfies subdivision (b) of this section, the 43 court shall issue a judgment of parentage, without additional 44 45 proceedings or documentation: 46 (1) Declaring, that upon the birth of a child born during the term of 47 the gestational agreement, the intended parent is the legal parent of 48 the child; and 49 (2) Declaring, that upon the birth of a child born during the term of the gestational agreement, the gestational carrier, and the gestational 50 51 carrier's spouse, if any, is not the legal parent of the child; and (3) Ordering the gestational carrier and the gestational carrier's 52 53 spouse, if any, to transfer the child to the intended parent if this has not already occurred; and 54

1 (4) Ordering the intended parent to assume sole responsibility for the maintenance and support of the child immediately upon the birth of the 2 3 child; and 4 (5) Ordering that upon the birth of the child, a copy of the judgment 5 of parentage be served on the (i) department of health or New York city б department of mental health and hygiene, or (ii) registrar of births in the hospital where the child is born and directing that the hospital 7 8 report the parentage of the child to the appropriate department of 9 health in conformity with the court order. If an original birth certif-10 icate has already issued, the court shall issue an order directing the 11 appropriate department of health to amend the birth certificate in an expedited manner and seal the previously issued birth certificate. 12 13 (d) In the event the certification required by paragraph two of subdi-14 vision (b) of this section cannot be made because of a technical or non-substantial deviation from the requirements of sections 581-404 or 15 16 581-405 of this article; the court may nevertheless enforce the agree-17 ment and issue an order of parentage if the court determines the agreement is in substantial compliance with the requirements of sections 18 19 581-404 and 581-405 of this article. 20 (e) The agreement of the intended parent to pay reasonable compen-21 sation to the gestational carrier in excess of reasonable medical and ancillary costs shall not be a bar to the issuance of a judgment of 22 23 parentage. § 581-204. Judgment of parentage for intended parents who are spouses. 24 25 Notwithstanding or without limitation on presumptions of parentage that 26 apply, a judgment of parentage may be obtained under this part by 27 intended parents who are each other's spouse. § 581-205. Jurisdiction. Proceedings pursuant to this article may be 28 instituted in the supreme, family or surrogate's court. 29 30 PART 3 31 CHILD OF ASSISTED REPRODUCTION 32 Section 581-301. Scope of article. 581-302. Status of donor. 33 34 581-303. Parentage of child of assisted reproduction. 35 581-304. Consent to assisted reproduction. 581-305. Limitation on spouses' dispute of parentage of child of 36 37 assisted reproduction. 581-306. Effect of embryo disposition agreement between intended 38 39 parents which transfers custody and control to one 40 intended parent. 41 581-307. Effect of death of intended parent. 42 § 581-301. Scope of article. This article does not apply to the birth 43 of a child conceived by means of sexual intercourse. 44 581-302. Status of donor. A donor is not a parent of a child 8 45 conceived by means of assisted reproduction. § 581-303. Parentage of child of assisted reproduction. (a) An indi-46 vidual who provides gametes for assisted reproduction with the intent to 47 48 be a parent of the child and consents to assisted reproduction with the consent of the gestating parent as provided in section 581-304 of this 49 50 part, is a parent of the resulting child for all legal purposes.

51 (b) Upon application by any participant, the court shall issue a judg-52 ment of parentage to any participant who is a parent pursuant to this 53 act.

54 <u>§ 581-304. Consent to assisted reproduction. (a) Where the intended</u> 55 parent who gives birth to a child by means of assisted reproduction is a

б

1	spouse, the consent of both spouses to the assisted reproduction is
2	presumed and neither spouse may challenge the parentage of the child,
3	except as provided in section 581-305 of this part.
4	(b) Where the intended parent who gives birth to a child by means of
5	assisted reproduction is not a spouse, the consent to the assisted
6	reproduction must be in a record in such a manner as to indicate the
7	mutual agreement of the intended parents to conceive and parent a child
8	together.
9	(c) The absence of a record described in subdivision (b) of this
10	section shall not preclude a finding that such consent existed if the
11	court finds by clear and convincing evidence that at the time of the
12	assisted reproduction the intended parents agreed to conceive and parent
13	the child together.
14	§ 581-305. Limitation on spouses' dispute of parentage of child of
15	assisted reproduction. (a) Except as otherwise provided in subdivision
16	(b) of this section, neither spouse may challenge the presumption of
17	parentage of the child unless:
18	(1) Within two years after learning of the birth of the child a
19	proceeding is commenced to adjudicate parentage; and
20	(2) The court finds by clear and convincing evidence that either
21	spouse did not consent for the non-gestating spouse to be a parent of
22	the child.
23	(b) A proceeding for a judgment of parentage may be maintained at any
24	time if the court finds by clear and convincing evidence that:
25	(1) The spouse did not consent to assisted reproduction by the indi-
26	vidual who gave birth; and
27	(2) The spouse and the individual who gave birth have not cohabited
28	since the spouse knew or had reason to know of the pregnancy; and
29	(3) The spouse never openly held out the child as his or her own.
30	(c) The limitation provided in this section applies to a spousal
31	relationship that has been declared invalid after assisted reproduction
32	or artificial insemination.
33	§ 581-306. Effect of embryo disposition agreement between intended
34	parents which transfers custody and control to one intended parent. (a)
35	An embryo disposition agreement between intended parents with joint
36	custody and control of an embryo shall be binding under the following
37	circumstances:
38	(1) it is in writing;
39	(2) each intended parent had the advice of counsel prior to its
40	execution; and
41	(3) where the intended parents are married, transfer of custody and
42	control occurs only upon divorce.
43	(b) The intended parent who transfers custody and control of the
44	embryo is not a parent of any child born from the embryo unless the
45	agreement states that he or she consents to be a parent.
46	(c) If the intended parent transferring custody and control consents
47	to be a parent, he or she may withdraw his or her consent to be a parent
48	upon notice to the embryo storage facility and to the other intended
49	parent prior to transfer of the embryo. If he or she timely withdraws
50	consent to parent he or she is not a parent for any purpose including
51	support obligations but the embryo transfer may still proceed.
52	(d) An embryo disposition agreement or advance directive that is not
53	in compliance with subdivision (a) of this section may still be found to
54	be enforceable by the court after balancing the respective interests of
55	the parties except that under no circumstances may the intended parent
56	who divested him or herself of custody and control be declared to be a

1	parent for any purpose without his or her consent. The parent awarded
2	custody and control of the embryos shall, in this instance, be declared
3	to be the only parent of the child.
4	§ 581-307. Effect of death of intended parent. If an individual who
5	consented in a record to be a parent by assisted reproduction dies
6	before the transfer of eggs, sperm, or embryos, the deceased individual
7	is not a parent of the resulting child unless the deceased individual
8	consented in a signed record that if assisted reproduction were to occur
9	after death, the deceased individual would be a parent of the child,
10	provided that the record complies with the estates, powers and trusts
11	law.

36	or that of any fetus or embryo the gestational carrier is carrying.
