3	donor entitled to notice pursuant to the provisions of this section.
4	(4) Notwithstanding the above, where sperm is provided under the
5	supervision of a health care practitioner to someone other than the
6	sperm provider's intimate partner or spouse without a record of the
7	sperm provider's intent to parent, the sperm provider is presumed to be
8	a donor and notice is not required.
9	(e) In cases not covered by subdivision (c) of this section, the court
10	shall adjudicate the parentage of the child consistent with part three
11	of this article.
12	(f) Where the requirements of subdivision (c) of this section are met
13	or where the court finds the intended parent to be a parent under subdi-
14	vision (e) of this section, the court shall issue a judgment of parent-
15	age:
16	(1) declaring, that upon the birth of the child, the intended parent
17	is the legal parent of the child; and
18	(2) ordering the intended parent to assume responsibility for the
19	maintenance and support of the child immediately upon the birth of the
20	child; and
21	(3) if there is a donor, ordering that the donor is not a parent of
22	the child; and
23	(4) ordering that upon the birth of the child, a copy of the judgment
24	of parentage be served on the (i) department of health or New York city
25	department of mental health and hygiene, or (ii) registrar of births in
26	the hospital where the child is born and directing that the hospital
27	report the parentage of the child to the appropriate department of
28	health in conformity with the court order. If an original birth certif-
29	icate has already issued, the court shall issue an order directing the
30	appropriate department of health to amend the birth certificate in an
31	expedited manner and seal the previously issued birth certificate.
32	§ 581-203. Proceeding for judgment of parentage of a child conceived
33	pursuant to a surrogacy agreement. (a) The proceeding may be commenced
34	at any time after the surrogacy agreement has been executed by all of
35	the parties. Any party to the surrogacy agreement not joining in the
36	petition must be served with notice of the proceeding.
37	(b) The petition for a judgment of parentage must be verified and
38	include the following:
39	(1) a statement that the person acting as surrogate or at least one of
40	the intended parents has been a resident of the state for at least nine-
41	ty days at the time the surrogacy agreement was executed; and
42	(2) a certification from the attorney representing the intended parent
43	or parents and the attorney representing the person acting as surrogate
44	that the requirements of part four of this article have been met; and
45	(3) a statement from all parties to the surrogacy agreement that they
46	entered into the surrogacy agreement knowingly and voluntarily.
47	(c) Where a petition satisfies subdivision (b) of this section the
48	court shall issue a judgment of parentage, without additional
49	proceedings or documentation:
50	(1) declaring, that upon the birth of the child born during the term
51	of the surrogacy agreement, the intended parent or parents is the legal
52	parent or parents of the child; and
53	(2) declaring, that upon the birth of the child born during the term
54	of the surrogacy agreement, the person acting as surrogate, and the
55	spouse of the person acting as surrogate, if any, is not the legal
56	parent of the child; and

1	(3) ordering the person acting as surrogate and the spouse of the
2	person acting as surrogate, if any, to transfer the child to the
3	intended parent or parents if this has not already occurred; and
4	(4) ordering the intended parent or parents to assume responsibility
5	for the maintenance and support of the child immediately upon the birth
б	of the child; and
7	(5) ordering that upon the birth of the child, a copy of the judgment
8	of parentage be served on the (i) department of health or New York city
9	department of mental health and hygiene, or (ii) registrar of births in
10	the hospital where the child is born and directing that the hospital
11	report the parentage of the child to the appropriate department of
12	health in conformity with the court order. If an original birth certif-
13	icate has already issued, the court shall issue an order directing the
14	appropriate department of health to amend the birth certificate in an
15	expedited manner and seal the previously issued birth certificate.
16	(d) In the event the certification required by paragraph two of subdi-
17	vision (b) of this section cannot be made because of a technical or
18	non-material deviation from the requirements of this article; the court
19	may nevertheless enforce the agreement and issue a judgment of parentage
20	if the court determines the agreement is in substantial compliance with
21	the requirements of this article.
22	§ 581-204. Judgment of parentage for intended parents who are spouses.
23	Notwithstanding or without limitation on presumptions of parentage that
24	apply, a judgment of parentage may be obtained under this part by
25	intended parents who are each other's spouse.
26	§ 581-205. Inspection of records. Court records relating to
27	proceedings under this article shall be sealed. The parties to the
28	proceeding and the child shall have the right to inspect the entire
29	court record, including, but not limited to, the name of the person
30	acting as surrogate and any known donors.
31	§ 581-206. Jurisdiction, and exclusive continuing jurisdiction. (a)
32	Proceedings pursuant to this article may be instituted in the supreme or
33	family court.
34	(b) Subject to the jurisdictional standards of section seventy-six of
35	the domestic relations law, the court conducting a proceeding under this
36	article has exclusive, continuing jurisdiction of all matters relating
37	to the determination of parentage until the child attains the age of one
38	hundred eighty days.
39	PART 3
40	CHILD OF ASSISTED REPRODUCTION
41	Section 581-301. Scope of article.
42	581-302. Status of donor.
43	581-303. Parentage of child of assisted reproduction.
44	581-304. Consent to assisted reproduction.
45	581-305. Limitation on spouses' dispute of parentage of child of
46	assisted reproduction.
47	581-306. Effect of embryo disposition agreement between intended
48	parents which transfers legal rights and disposi-
49	tioned control to one intended parent.
50	581-307. Effect of death of intended parent.
51	§ 581-301. Scope of article. This article does not apply to the birth
52	of a child conceived by means of sexual intercourse.
53	§ 581-302. Status of donor. A donor is not a parent of a child
54	conceived by means of assisted reproduction.

581-303. Parentage of child of assisted reproduction. (a) An indi-1 S 2 vidual who provides gametes for, or who consents to, assisted reprod-3 uction with the intent to be a parent of the child with the consent of the gestating parent as provided in section 581-304 of this part, is a 4 5 parent of the resulting child for all legal purposes. б (b) The court shall issue a judgment of parentage pursuant to this 7 article upon application by any participant. 8 § 581-304. Consent to assisted reproduction. (a) Where the intended 9 parent who gives birth to a child by means of assisted reproduction is a 10 spouse, the consent of both spouses to the assisted reproduction is presumed and neither spouse may challenge the parentage of the child, 11 except as provided in section 581-305 of this part. 12 13 (b) Where the intended parent who gives birth to a child by means of 14 assisted reproduction is not a spouse, the consent to the assisted reproduction must be in a record in such a manner as to indicate the 15 16 mutual agreement of the intended parents to conceive and parent a child 17 together. (c) The absence of a record described in subdivision (b) of this 18 19 section shall not preclude a finding that such consent existed if the 20 court finds by clear and convincing evidence that at the time of the 21 assisted reproduction the intended parents agreed to conceive and parent 22 the child together. § 581-305. Limitation on spouses' dispute of parentage of child of 23 assisted reproduction. (a) Except as otherwise provided in subdivision 24 25 (b) of this section, neither spouse may challenge the presumption of 26 parentage of the child unless: 27 (1) within two years after learning of the birth of the child a proceeding is commenced to adjudicate parentage; and 28 (2) the court finds by clear and convincing evidence that either 29 30 spouse did not consent for the non-gestating spouse to be a parent of 31 the child. 32 (b) A proceeding for a judgment of parentage may be maintained at any 33 time if the court finds by clear and convincing evidence that: 34 (1) the spouse did not consent to assisted reproduction by the individual who gave birth; and 35 (2) the spouse and the individual who gave birth have not cohabited 36 since the spouse knew or had reason to know of the pregnancy; and 37 38 (3) the spouse never openly held out the child as his or her own. (c) The limitation provided in this section applies to a spousal 39 relationship that has been declared invalid after assisted reproduction 40 41 or artificial insemination. 42 581-306. Effect of embryo disposition agreement between intended S 43 parents which transfers legal rights and dispositional control to one 44 intended parent. (a) An embryo disposition agreement between intended 45 parents with joint dispositional control of an embryo shall be binding 46 under the following circumstances: (1) it is in writing; 47 (2) each intended parent had the advice of independent legal counsel 48 49 prior to its execution; and 50 (3) where the intended parents are married, transfer of legal rights 51 and dispositional control occurs only upon divorce. (b) The intended parent who transfers legal rights and dispositional 52 53 control of the embryo is not a parent of any child conceived from the 54 embryo unless the agreement states that he or she consents to be a 55 parent.

1	(c) If the intended parent transferring legal rights and dispositional
2	control consents to be a parent, he or she may withdraw his or her
3	consent to be a parent upon written notice to the embryo storage facili-
4	ty and to the other intended parent prior to transfer of the embryo. If
5	he or she timely withdraws consent to be a parent he or she is not a
б	parent for any purpose including support obligations but the embryo
7	transfer may still proceed.
8	(d) An embryo disposition agreement or advance directive that is not
9	in compliance with subdivision (a) of this section may still be found to
10	be enforceable by the court after balancing the respective interests of
11	the parties except that the intended parent who divested him or herself
12	of legal rights and dispositional control may not be declared to be a
13	parent for any purpose without his or her consent. The parent awarded
14	legal rights and dispositional control of the embryos shall, in this
15	instance, be declared to be the only parent of the child.
16	§ 581-307. Effect of death of intended parent. If an individual who
17	consented in a record to be a parent by assisted reproduction dies

an individual who 17 consented in a reproduction dies 18 before the transfer of eggs, sperm, or embryos, the deceased individual 19 is not a parent of the resulting child unless the deceased individual 20 consented in a signed record that if assisted reproduction were to occur 21 after death, the deceased individual would be a parent of the child, 22 provided that the record complies with the estates, powers and trusts 23 law.

25	SURROGACY AGREEMENT
26	Section 581-401. Surrogacy agreement authorized.
27	581-402. Eligibility to enter surrogacy agreement.
28	581-403. Requirements of surrogacy agreement.
29	581-404. Surrogacy agreement: effect of subsequent spousal
30	<u>relationship.</u>
31	581-405. Termination of surrogacy agreement.
32	581-406. Parentage under compliant surrogacy agreement.
33	581-407. Insufficient surrogacy agreement.
34	581-408. Absence of surrogacy agreement.
35	581-409. Dispute as to surrogacy agreement.
36	§ 581-401. Surrogacy agreement authorized. (a) If eligible under this
37	article to enter into a surrogacy agreement, a person acting as surro-
38	gate, the spouse of the person acting as surrogate, if applicable, and
39	the intended parent or parents may enter into a surrogacy agreement
40	which will be enforceable provided the surrogacy agreement meets the
41	requirements of this article.
42	(b) A surrogacy agreement shall not apply to the birth of a child
43	conceived by means of sexual intercourse.
44	(c) A surrogacy agreement may provide for payment of compensation
45	under part five of this article.
46	<u>§ 581-402. Eligibility to enter surrogacy agreement. (a) A person</u>
47	acting as surrogate shall be eligible to enter into an enforceable
48	surrogacy agreement under this article if the person acting as surrogate
49	has met the following requirements at the time the surrogacy agreement
50	is executed:
51	(1) the person acting as surrogate is at least twenty-one years of
52	age; and
53	(2) the person acting as surrogate is a United States citizen or a
54	permanent lawful resident;
55	(3) the person acting as surrogate has not provided the egg used to

56 conceive the resulting child; and

1	(4) the person acting as surrogate has completed a medical evaluation
2	with a health care practitioner relating to the anticipated pregnancy;
3	and
4	(5) the person acting as surrogate, and the spouse of the person
5	acting as surrogate, if applicable, have been represented throughout the
6	contractual process and the duration of the contract and its execution
7	by independent legal counsel of their own choosing which shall be paid
8	for by the intended parent or parents except that a person acting as
9	surrogate who is receiving no compensation may waive the right to have
10	the intended parent or parents pay the fee for such legal counsel. Where
11	the intended parent or parents are paying for the independent legal
12	counsel of the person acting as surrogate, and the spouse of the person
13	acting as surrogate, if applicable, a separate retainer agreement shall
14	be prepared clearly stating that such legal counsel will only represent
15	the person acting as surrogate and the spouse of the person acting as
16	surrogate, if applicable, in all matters pertaining to the surrogacy
17	agreement, that such legal counsel will not offer legal advice to any
18	other parties to the surrogacy agreement, and that the attorney-client
19	relationship lies with the person acting as surrogate and the spouse of
20	the person acting as surrogate, if applicable; and
21	(6) the person acting as surrogate has, or the surrogacy agreement
22	stipulates that prior to the embryo transfer, the person acting as
23	surrogate will obtain a health insurance policy that covers major
24	medical treatments and hospitalization, and the health insurance policy
25	has a term that extends throughout the duration of the expected pregnan-
26	cy and for twenty-six weeks after the birth of the child; the policy
27	shall be paid for, whether directly or through reimbursement or other
28	means, by the intended parent or parents on behalf of the person acting
29	as surrogate pursuant to the surrogacy agreement, except that a person
30	acting as surrogate who is receiving no compensation may waive the right
31	to have the intended parent or parents pay for the health insurance
32	policy. The intended parent or parents shall also pay for or reimburse
33	the person acting as surrogate for all co-payments, deductibles and any
34	other out-of-pocket medical costs associated with pregnancy, that accrue
35	through twelve weeks after the birth of the child or termination of the
36	pregnancy, except that such responsibility shall be extended for up to
37	six months after the birth of the child or termination of the pregnancy
38	in the event a medical complication related to the pregnancy is diag-
39	nosed within twelve weeks after the birth of the child or termination or
40	the pregnancy. A person acting as surrogate who is receiving no compen-
41	sation may waive the right to have the intended parent or parents make
42	such payments or reimbursements.
43	(b) The intended parent or parents shall be eligible to enter into an
44	enforceable surrogacy agreement under this article if he, she or they

46	was executed:
47	<u>(1) at least one intended parent is a United States citizen or a</u>
48	permanent lawful resident;
49	(2) the intended parent or parents has been represented throughout the
50	contractual process and the duration of the contract and its execution
51	by independent legal counsel of his, her or their own choosing; and
52	(3) he or she is an adult person who is not in a spousal relationship,
53	or adult spouses together, or any two adults who are intimate partners
54	together, except an adult in a spousal relationship is eligible to enter
55	into an enforceable surrogacy agreement without his or her spouse if:

1	(i) they are living separate and apart pursuant to a decree or judg-
2	ment of separation or pursuant to a written agreement of separation
3	subscribed by the parties thereto and acknowledged or proved in the form
4	<u>required to entitle a deed to be recorded; or</u>
5	(ii) they have been living separate and apart for at least three years
б	prior to execution of the surrogacy agreement.
7	(4) where the spouse of an intended parent is not a required party to
8	the agreement, the spouse is not an intended parent and shall not have
9	rights or obligations to the child.
10	<u>§ 581-403. Requirements of surrogacy agreement. A surrogacy agreement</u>
11	shall be deemed to have satisfied the requirements of this article and
12	be enforceable if it meets the following requirements:
13	(a) it shall be in a signed record verified by:
14	(1) each intended parent, and
15	(2) the person acting as surrogate, and the spouse of the person
16	<u>acting as surrogate, if any, unless:</u>
17	(i) the person acting as surrogate and the spouse of the person acting
18	as surrogate are living separate and apart pursuant to a decree or judg-
19	ment of separation or pursuant to a written agreement of separation
20	subscribed by the parties thereto and acknowledged or proved in the form
21	<u>required to entitle a deed to be recorded; or</u>
22	(ii) have been living separate and apart for at least three years
23	prior to execution of the surrogacy agreement; and
24	(b) it shall be executed prior to the embryo transfer; and
25	(c) it shall be executed by a person acting as surrogate meeting the
26	eligibility requirements of subdivision (a) of section 581-402 of this
27	part and by the spouse of the person acting as surrogate, unless the
28	signature of the spouse of the person acting as surrogate is not
29	required as set forth in this section; and
30	(d) it shall be executed by intended parent or parents who met the
31	eligibility requirements of subdivision (b) of section 581-402 of this
32	part; and
33	(e) the person acting as surrogate and the spouse of the person acting
34	as surrogate, if applicable, and the intended parent or parents shall
35	have been represented throughout the contractual process and the dura-
36	tion of the contract and its execution by separate, independent legal
37	counsel of their own choosing; and
38	(f) if the surrogacy agreement provides for the payment of compen-
39	sation to the person acting as surrogate, those funds shall have been
40	placed in escrow with an independent escrow agent prior to the person
41	acting as surrogate commencing with any medical procedure other than
42	medical evaluations necessary to determine the person acting as surro-
43	gate's eligibility; and
44	(g) the surrogacy agreement must include information disclosing how
45	the intended parent or parents will cover the medical expenses of the
46	person acting as surrogate and the child. If health care coverage is
47	used to cover the medical expenses, the disclosure shall include a
48	review of the health care policy provisions related to coverage for the
49	person acting as surrogate's pregnancy, including any possible liability
50	of the person acting as surrogate's third-party liability liens or other
51	insurance coverage, and any notice requirements that could affect cover-
52	age or liability of the person acting as surrogate.
53	(h) the surrogacy agreement must comply with all of the following
54	terms:
55	(1) As to the person acting as surrogate and the spouse of the person

56 acting as surrogate, if applicable:

1	§ 581-405. Termination of surrogacy agreement. After the execution of
2	a surrogacy agreement but before the person acting as surrogate becomes
3	pregnant by means of assisted reproduction, the person acting as surro-
4	gate, the spouse of the person acting as surrogate, if applicable, or
5	any intended parent may terminate the surrogacy agreement by giving
б	notice of termination in a record to all other parties. Upon proper
7	termination of the surrogacy agreement the parties are released from all
8	obligations recited in the surrogacy agreement except that the intended
9	parent or parents remains responsible for all expenses that are reim-
10	bursable under the agreement which have been incurred by the person
11	acting as surrogate through the date of termination. Unless the agree-
12	ment provides otherwise, the person acting as surrogate is entitled to
13	keep all payments received and obtain all payments to which the person
14	is entitled up until the date of termination. Neither a person acting as
15	surrogate nor the spouse of the person acting as surrogate, if any, is
16	liable to the intended parent or parents for terminating a surrogacy
17	agreement as provided in this section.
18	§ 581-406. Parentage under compliant surrogacy agreement. Upon the
19	birth of a child conceived by assisted reproduction under a surrogacy
20	agreement that complies with this part, each intended parent is, by
21	operation of law, a parent of the child and neither the person acting as
22	a surrogate nor the person's spouse, if any, is a parent of the child.
23	§ 581-407. Insufficient surrogacy agreement. If a surrogacy agreement
24	does not meet the material requirements of this article, the agreement
25	is not enforceable and the court shall determine parentage based on the
26 27	intent of the parties, taking into account the best interests of the child. An intended parent's absence of genetic connection to the child
28	is not a sufficient basis to deny that individual a judgment of legal
29	parentage.
30	§ 581-408. Absence of surrogacy agreement. Where there is no surrogacy
31	agreement, the parentage of the child will be determined based on other
32	laws of this state.
33	§ 581-409. Dispute as to surrogacy agreement. (a) Any dispute which
34	is related to a surrogacy agreement other than disputes as to parentage
35	shall be resolved by the supreme court, which shall determine the
36	respective rights and obligations of the parties.
37	(b) Except as expressly provided in the surrogacy agreement, the
38	intended parent or parents and the person acting as surrogate shall be
39	entitled to all remedies available at law or equity in any dispute
40	related to the surrogacy agreement.
41	(c) There shall be no specific performance remedy available for a
42	breach by the person acting as surrogate of a surrogacy agreement term
43	that requires the person acting as surrogate to be impregnated or to
44	terminate or continue the pregnancy or to reduce or retain the number of
45	fetuses or embryos the person acting as surrogate is carrying.

49	581-502. Compensation.
50	§ 581-501. Reimbursement. (a) A donor who has entered into a valid
51	agreement to be a donor may receive reimbursement from an intended
52	parent or parents for economic losses incurred in connection with the
53	donation which result from the retrieval or storage of gametes or embr-
54	yos.

1	(b) Premiums paid for insurance against economic losses directly
2	resulting from the retrieval or storage of gametes or embryos for
3	donation may be reimbursed.
4	§ 581-502. Compensation. (a) Compensation may be paid to a donor or
5	person acting as surrogate based on medical risks, physical discomfort,
б	inconvenience and the responsibilities they are undertaking in
7	connection with their participation in the assisted reproduction. Under
8	no circumstances may compensation be paid to purchase gametes or embryos
9	or for the relinquishment of a parental interest in a child.
10	(b) The compensation, if any, paid to a donor or person acting as
11	surrogate must be reasonable and negotiated in good faith between the
12	parties, and said payments to a person acting as surrogate shall not
13	exceed the duration of the pregnancy and recuperative period of up to
14	eight weeks after the birth of any resulting children.
15	(c) Compensation may not be conditioned upon the purported quality or
16	genome-related traits of the gametes or embryos.
17	(d) Compensation may not be conditioned on actual genotypic or pheno-
18	typic characteristics of the donor or of any resulting children.
