- AN ACT to amend the agriculture and markets law, the state finance law, and the economic development law, in relation to procurement of locally grown farm and food products and codifying the New York state council on food policy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as 1 2 the "local food, farms, and jobs act". 3 § 2. Section 16 of the agriculture and markets law is amended by 4 adding a new subdivision 6-a to read as follows: 5 6-a. Establish a New York state council on food policy. The purpose of the council shall be to facilitate the growth of a New York-based б 7 local farm and food product economy that revitalizes rural and urban communities, promotes healthy eating with access to fresh foods, creates 8 9 jobs, ensures a readily available supply of safe food in an emergency 10 event, and supports economic growth through making local farm or food products available to all New York citizens. 11 12 (a) The responsibilities of the council shall include, but are not limited to, the following: 13 (i) to develop and recommend a food policy for the state which recog-14 15 nizes that it is in the best interests of the state to ensure the avail-16 ability of an adequate supply of affordable, fresh and nutritious food 17 to its residents; (ii) to develop and recommend state policies to expand agricultural 18

19 production, including locally-grown and organically-grown food;

1	(iii) to develop and recommend a strategic plan for implementation of
2	the state food policy, including benchmarks and criteria for measuring
3	progress in achieving state food policy objectives;
4	(iv) to offer comments on state regulations, legislation and budget
5	proposals in the area of food policy, to ensure a coordinated and
6	comprehensive inter-agency approach to food policy issues;
7	(v) to assist state agencies, state-owned facilities, and other enti-
8	ties with the purchase of local farm or food products and with tracking
9	and reporting of such purchases in order to meet the goals established
10	in this section;
11	(vi) to assist local farm and food entrepreneurs to identify and
12	secure necessary resources and equipment to begin, maintain, and expand
13	projects and networks necessary for the development of local farm or
14	food products; provided, however, that the council will facilitate
15	program start-ups and then relinquish rights, benefits, and control
16	within a reasonably short duration of time;
17	(vii) to facilitate the building of infrastructure, including aggre-
18	gation, processing, storage, packaging, and distribution facilities
19	necessary to move local farm or food products to local and other

21	(viii) to support and expand programs that recruit, train, and provide
22	technical assistance to New York farmers and residents in order to
23	encourage the production of local farm or food products;
24	(ix) to coordinate interagency policies, initiatives, and procedures
25	promoting local farm and food products in New York communities, by work-
26	ing with and involving state, federal, and local agencies, as well as
27	community based organizations, educational institutions, and trade
28	organizations in executing the purposes of this section;
29	(x) to facilitate the elimination of legal barriers hindering the
30	development of a local farm and food economy by working with federal,
31	state, and local public health agencies, other agencies and applicable
32	entities, and the New York attorney general to create consistent and
33	compatible regulations for the production, storage, distribution, and
34	marketing of local farm or food products;
35	(xi) to facilitate the use of public lands for growing local farm or
36	food products by working with governmental entities at the local, state,
37	and federal levels;
38	(xii) to set annual goals for all purchases of local farm or food
39	products by New York residents and to monitor the development and expan-
40	sion of a local farm and food economy through data collection, tracking,
41	measurement, analysis, and reporting on progress made in an annual
42	report to the legislature; and
43	(xiii) to initiate and facilitate public awareness campaigns about the
44	economic benefits of a local farm and food economy.
45	(b) (i) The council shall consist of twenty voting members as follows:
46	eight members with experience and expertise related to agriculture,
47	nutrition or food policy appointed on the recommendation of the legisla-
48	tive leaders, three each by the temporary president of the senate and
49	the speaker of the assembly, and one each by the minority leader of the
50	senate, and the minority leader of the assembly; the dean of the New

The state finance law is amended by adding a new section 163-c to 8 read as follows: 9 <u>§ 163-c. Procurement goals for local farm or food products. 1. For</u> 10 the purposes of this section, "local farm or food products" are products grown, processed, packaged, and distributed by New York citizens or 11 businesses located wholly within the borders of New York state. 12 2. (a) In order to create, strengthen, and expand local farm and food 13 14 economies throughout New York, it shall be the goal of this state that: (i) twenty percent of all food and food products purchased by state 15 16 agencies and state-owned facilities, including, without limitation, facilities for persons with mental health and developmental disabili-17 ties, correctional facilities, and public universities, shall, by two 18 19 thousand twenty, be local farm or food products; and 20 (ii) fifty percent of all food and food products purchased by state 21 agencies and state-owned facilities, including, without limitation, facilities for persons with mental health and developmental disabili-22 ties, correctional facilities, and public universities, shall, by two 23 24 thousand twenty-four, be local farm or food products. 25 (b) The New York state council on food policy shall support and 26 encourage that twenty-five percent of food and food products purchased 27 by entities funded in part or in whole by state funds, which spend more than twenty-five thousand dollars per year on food or food products for 28 29 its students, residents, or clients, including, without limitation, 30 public schools, child care facilities, after-school programs, and hospi-31 tals, shall, by two thousand twenty-one, be local farm or food products. 32 The goal shall increase to forty percent by two thousand twenty-six. 33 (c) To meet the goals set forth in this section, when a state contract for purchase of food or food products is to be awarded to the lowest 34 35 responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of local farm or food products may be given 36 preference over other bidders, provided that the cost included in the 37 bid of local farm or food products is not more than ten percent greater 38 than the cost included in a bid that is not for local farm or food 39 40 products. 41 (d) All state agencies and state-owned facilities that purchase food 42 and food products shall, with the assistance of the New York state coun-43 cil on food policy, develop a system for (i) identifying the percentage 44 of local farm or food products purchased for fiscal year two thousand 45 twenty as the baseline; and (ii) tracking and reporting local farm or 46 food products purchases on an annual basis. 47 § 4. Section 16 of the agriculture and markets law is amended by 48 adding a new subdivision 50 to read as follows: 49 50. Establish, and make available on its website, a geo-coded electronic database to facilitate the purchase of fresh produce and food 50 51 products by schools. The database shall be developed jointly with the New York state council on food policy and, at a minimum, contain the 52 information necessary for (a) schools to identify and contact agricul-53 tural producers that are interested in supplying schools in the state 54 55 with fresh produce and food products and (b) agricultural producers of

1	fresh produce and food products to identify schools in the state that
2	are interested in purchasing those products.
3	§ 5. Subdivisions 8 and 9 of section 180-a of the economic development
4	law, as added by chapter 550 of the laws of 1999, are amended to read as
5	follows:
6	8. geographically balanced public input and advice from individuals
7	and agencies directly involved with the production, processing, manufac-
8	turing and storage of agricultural products; and such other individuals
9	and agencies as may be engaged in state and local activities in support
10	of economic development in the agriculture resource industry; [and]
11	9. the establishment and purposes of the New York state council on
12	food policy established pursuant to subdivision six-a of section sixteen
13	of the agriculture and markets law; and
14	<u>10.</u> all things necessary or convenient to carry out the functions,
15	powers and duties expressly set forth in this article.

16 § 6. This act shall take effect immediately.
