9 among the voters, such candidate may, not later than five days after the  
10 last day to file the certificates or petitions of designation, file with  
11 the board of elections with which such certificates or petitions of

52 otherwise, to be provided in a language other than English, there shall  
53 be versions of the ballot printed in English and in each of the addi-

29 paragraph of subdivision 6 as amended by chapter 121 of the laws  
30 of 1997, are amended to read as follows:

31 2. The officer or board who or which prepares the ballot shall deter-  
32 mine the order in which shall appear, below the names of party candi-  
33 dates the nominations made only by independent bodies. Such officer or  
34 board also shall determine the order in which shall be printed[~~, in a~~  
35 ~~section of such ballot]~~ the names of two or more candidates nominated by

38 may, by a writing filed with such board or officer not later than [~~one~~  
39 ~~week]~~ three business days after the adjournment of the convention or one  
40 week after the primary election nominating him or her, or otherwise not

42 nominating him or her, demand that such order be determined by lot, and  
43 in that case such order shall be so determined, upon two days notice by  
44 mail given by such board or officer to each candidate for such office.  
45 The state board of elections shall perform the duties required by this  
46 subdivision in all cases affecting nominations filed in its office.

47 3. The officer or board with whom or which are filed the designations  
48 for a public office or party position shall determine by lot, upon two  
49 days notice by mail given by such board or officer to each candidate for  
50 such office or position and to the committee, if any, named in the  
51 designating petition, the order in which shall be printed on the offi-  
52 cial primary ballot, under the title of the office or position, the  
53 names of candidates for public office, the names of candidates for a  
54 party position to which not more than one person is to be elected, and  
55 the groups of names of candidates for party position where two or more  
56 persons are to be elected thereto and any petition designates two or

1 more persons therefor, provided, however, that whenever groups of names  
2 for more than one party position are designated by the same petition,  
3 the order in which they shall be printed on the official primary ballot  
4 shall be determined by a single lot. Candidates for delegate or deleg-  
5 ates and alternate delegate or delegates to conventions designated by  
6 the same petition shall, for the purpose of this subdivision, be treated  
7 as one group. The names of candidates, if any, for a party position to  
8 which two or more persons are to be elected, who are designated by indi-  
9 vidual petitions and not in a group shall be printed [~~below~~] after such  
10 group or groups, in such order between themselves, as such officer or  
11 board shall determine by lot upon the notice specified in this subdivi-  
12 sion. The names within a group of candidates designated for party posi-  
13 tion by one petition shall be printed in the same order in which they  
14 appear in the petition, unless they appear in a different order on  
15 different pages of the petition, in which case their order within the  
16 group shall be determined by such officer or board by lot upon the  
17 notice specified in this subdivision. Candidates for members of a state  
18 committee designated by a single petition shall, for the purposes of  
19 this subdivision, be treated as one group. However, the notice to a  
20 committee of the drawing need not be mailed to more than five members,  
21 if there be that many, and as to offices or party positions for which  
22 designating petitions are filed with the board of elections of the city  
23 of New York the notice shall be given to the committees only.

24 4. If a vacancy in a designation or nomination be filled after the  
25 making, in the manner provided in this section, of a determination of  
26 the order in which the names of candidates for the office or position  
27 are to be printed, to the extent practicable, the name of the candidate  
28 designated or nominated to fill such vacancy shall be printed in the  
29 place so determined for the original candidate.

30 6. [~~In the city of New York, the ballot on the voting machine for~~  
31 ~~primary elections shall conform to the following additional provisions.~~  
32 ~~The names of the candidates designated for such public office or party~~  
33 ~~position in the primary of a party shall be placed under the title of~~  
34 ~~the office or position in the alphabetical order of their surnames, in~~  
35 ~~the first or lowest numbered assembly district and election district of~~  
36 ~~any political unit or subdivision within a county. If candidates'~~  
37 ~~surnames are identical, their given or first name shall determine their~~  
38 ~~order. Thereafter the names shall be rotated by election districts by~~  
39 ~~transposing the first named candidate to the bottom of the order at each~~  
40 ~~succeeding election district, so that each name shall appear first and~~  
41 ~~in each other position in an equal number, as nearly as possible, of the~~  
42 ~~election districts and except, further, that where two or more candi-~~  
43 ~~dates are to be elected to the same party position, the names of candi-~~  
44 ~~dates for such a position which appear on the same designating petition~~  
45 ~~shall be grouped together on the ballot in the order in which their~~  
46 ~~names appear on the designating petition and the group rotated alphabet-~~  
47 ~~ically in relation to other groups or individual candidates according to~~  
48 ~~the surname of the first person on the designating petition of such~~  
49 ~~group. Groups of candidates for delegate and alternate delegate, and~~  
50 ~~groups of candidates for male and female delegate and male and female~~  
51 ~~alternate delegate to the same convention designated on the same peti-~~  
52 ~~tion shall be rotated together alphabetically in relation to other~~  
53 ~~groups or individual candidates according to the surname of the first~~  
54 ~~person listed on such designating petition in the group of candidates~~  
55 ~~for whichever of such delegate or alternate delegate positions will~~  
56 ~~appear first on the voting machine. If the rules of a party committee~~

~~1 provide for equal representation of the sexes among the members of a  
2 state committee elected from each unit of representation, elections  
3 for male and female members of such a committee from a single unit of  
4 representation shall be conducted as elections for two different party  
5 positions. Notwithstanding the provisions of this paragraph, if the  
6 board of elections has assigned numbers to the candidates for an office  
7 or position because of identical or similar names among such candidates,  
8 the names of such candidates shall be placed under the title of such  
9 office or position in the order of such numbers in such first or lowest  
10 numbered district, and the names shall not be rotated by election  
11 district. Such names shall appear in the identical order on each ballot  
12 in each election district.~~

~~13 County committee candidates or groups of candidates shall be printed  
14 within the first election district of each assembly district or part  
15 thereof, according to the priority of filing of designating petitions  
16 and they shall then be rotated by election district by placing the  
17 candidate or group of candidates designated in the same petition as the  
18 candidate or group of candidates which was printed first in an election  
19 district at the bottom of the order in the next succeeding election  
20 district in which a candidate or group of candidates designated in such  
21 petition appears on the ballot.~~

~~22 In cases where a name is added to or removed from the ballot by court  
23 order too late to make a complete adjustment to these requirements  
24 feasible, the name may be added at the bottom of the list of candidates  
25 in all election districts, or removed from the ballot in all election  
26 districts without changing the previously arranged order of other names  
27 and without invalidating the election. Any inadvertent error in the  
28 order of names discovered too late to correct the order of the names on  
29 the ballots concerned shall not invalidate an election.~~

~~30 Except where a contest or candidate is removed from the ballot by  
31 court order too late to make complete compliance with this paragraph  
32 feasible, the title of each public office or party position and the  
33 names of the candidates for such office or position appearing on any  
34 voting machine used for primary elections in the city of New York shall  
35 appear on such machine immediately adjacent to one another, either  
36 horizontally or vertically; and no blank spaces shall separate the names  
37 of candidates actually running for an office or party position on such  
38 voting machine, and no blank spaces shall separate any two such offices  
39 or positions which appear on such voting machine in the same column or  
40 row.]~~

41 (a) In cases where a name is added to or removed from the ballot  
42 by court order too late to make a complete adjustment to these require-  
43 ments feasible, the name may be added at the end of the list of candi-  
44 dates in all election districts, or removed from the ballot in all  
45 election districts without changing the previously arranged order of  
46 other names and without invalidating the election. Any inadvertent error  
47 in the order of names discovered too late to correct the order of the  
48 names on the ballots concerned shall not invalidate an election.

49 (b) Except where a contest or candidate is removed from the ballot by  
50 court order too late to make complete compliance with this paragraph  
51 feasible, the title of each public office or party position and the  
52 names of the candidates for such office or position appearing on any  
53 ballot used for primary elections over which the county board of  
54 elections has jurisdiction shall appear on such ballot immediately adja-  
55 cent to one another, either horizontally or vertically; and no blank  
56 spaces shall separate the names of candidates actually running for an  
office or party position on such ballot, and no blank spaces shall sepa-

1 rate any two such offices or positions which appear on such ballot in  
2 the same column or row.

3 § 9. Section 7-118 of the election law, as amended by chapter 157 of  
4 the laws of 1996, is amended to read as follows:

5 § 7-118. Ballots; facsimile and sample. 1. The board of elections  
6 shall provide facsimile and sample ballots which shall be arranged in

21 county, providing the ninth through the twelfth years of compulsory  
22 education, and in the city of New York to each such school in the city  
23 of New York, at least one week before each general election for posting  
24 at a convenient place in such school. The board of elections shall also  
25 send a facsimile ballot to any other school requesting such a ballot.  
26 In the alternative, the requirements of this subdivision may be fully  
27 satisfied by publishing such facsimile on a website maintained by the  
28 board of elections and notifying each such school of such publication.

33 shall become out of order during an election it shall, if possible, be  
34 repaired or another machine or voting system substituted as promptly as  
35 possible. In case such repair or substitution cannot be made, emergency  
36 ballots, printed or written, and of any suitable form, shall be provided  
37 by the board of elections and may be used for the [~~taking~~] casting of  
38 votes.

39 3. It shall be the duty of each board of elections to cause a suffi-  
40 cient number of emergency ballots to be placed at each polling place in

42 event the voting machines or voting systems break down. At any time  
43 during the hour succeeding a breakdown, the inspectors of election may  
44 use such emergency ballots, and if such breakdown lasts more than one  
45 hour, such emergency ballots must be used. The sample ballots may be  
46 used for this purpose in full or reduced size.
