STATE OF NEW YORK

2383

2019-2020 Regular Sessions

IN SENATE

January 24, 2019

Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public service law, in relation to requiring certain information to be filed with the department of public service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 121-b to read as follows:

§ 121-b. Filing of certain information. 1. All persons who intend to construct a gas gathering line or a pipeline facility, shall file with the department spatial mapping data, including but not limited to geographic information system data, detailing the location of such proposed gathering line or pipeline facility.

2. The department, in consultation with the department of environmental conservation, shall establish and maintain a computer mapping system for plotting the location of gathering lines and pipeline facilities. Such maps shall overlay locations subject to the provisions of article twenty-three of the environmental conservation law.

3. For purposes of this section, the following terms shall have the following meanings:

(a) "Gathering line" means a pipeline that transports gas from a current production facility to a transmission line, main, or directly to an end user.

(b) "Pipeline facility" means new and existing pipeline, rights-of-way, and any related equipment, facility, or building, used in the transportation of gas, or in the treatment of gas during the course of transportation, in connection with the production, gathering, treatment or processing of such gas, but does not include any: (i) transmission and distribution system operated by a local distribution company subject to the jurisdiction of the commission for purposes of providing retail

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

utility service; or (ii) transmission pipeline constructed by a natural gas company under the authority of the federal Natural Gas Act (15 U.S.C.A. Section 717 et seq.). The department shall have the option to incorporate any additional information regarding pipeline facilities.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
