1 elect additional procedures so long as such procedures are not incon-  
2 sistent with the procedures developed by the commissioner or supervising  
3 agency and any other requirements set forth in this article. For  
4 purposes of this subdivision, an applicant shall not be deemed rejected

9 require the use of a publicly available electronic automated system for  
10 limited-profit housing companies to store, process, and maintain appli-

12 shall use a method that protects any personally identifiable information  
13 of applicants from being publicly disclosed or accessible to the public.  
14 Such electronic automated system shall also include general information  
15 about each company, including, but not limited to: the name and address  
16 of the company; the management office and address; the number and size  
17 of all units in each building; and information on the status of each  
18 waiting list, including whether the limited-profit housing company is  
19 currently accepting applications and how long applicants may have to  
20 wait.

21 § 2. This act shall take effect June 15, 2021.
