For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed and verified. When completed, one standard card shall be forwarded to and retained by the division of criminal justice services in the executive department, at Albany. A search of the files of such division and written notification of the results of the search to the investigating officer shall be made without unnecessary delay. Thereafter, such division shall notify the licensing officer and the executive department, division of state police, Albany, of any criminal record of the applicant filed therein subsequent to the search of its files. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the investigating police authority. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the investigating police authority. No such fingerprints may be inspected by any person other than a peace officer, who is acting pursuant to his special duties, or a police officer, except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police authority shall report the results to the licensing officer without unnecessary delay.

Except as provided in paragraphs (b) through ~~(f)~~ (e) of this subdivision, the name and address of any person to whom an application for any license has been granted shall be a public record. Upon application by a licensee who has changed his place of residence such records or applications shall be transferred to the appropriate officer at the licensee's new place of residence. A duplicate copy of such application shall be

1 filed by the licensing officer in the executive department, division of
2 state police, Albany, within ten days after issuance of the license. The
3 superintendent of state police may designate that such application shall
4 be transmitted to the division of state police electronically. In the
5 event the superintendent of the division of state police determines that
6 it lacks any of the records required to be filed with the division, it
7 may request that such records be provided to it by the appropriate
8 clerk, department or authority and such clerk, department or authority
9 shall provide the division with such records. In the event such clerk,
10 department or authority lacks such records, the division may request the
11 license holder provide information sufficient to constitute such record

13 tion. Such information shall be limited to the license holder's name,
14 date of birth, gender, race, residential address, social security number
15 and firearms possessed by said license holder. Nothing in this subdivi-
