The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2 of the lien law is amended by adding three new
2 subdivisions 21, 22 and 23 to read as follows:

3 21. Employee. The term "employee", when used in this chapter, shall
4 have the same meaning as "employee" pursuant to articles one, six, nine-
5 teen and nineteen-A of the labor law, as applicable, or the Fair Labor
6 Standards Act, 29 U.S.C. § 201 et. seq., as applicable.

11 23. Wage claim. The term "wage claim", when used in this chapter,

1 related regulations and wage orders promulgated by the commissioner, a
2 claim for wages due to an employee pursuant to an employment contract
3 that were unpaid in violation of that contract, or a claim that an
4 employee has suffered a violation of 29 U.S.C. § 206 or 207.

5 § 2. Section 3 of the lien law, as amended by chapter 137 of the laws
6 of 1985, is amended to read as follows:

7 § 3. Mechanic's lien and employee's lien on [~~real~~] property. 1.
8 Mechanic's lien. A contractor, subcontractor, laborer, materialman,
9 landscape gardener, nurseryman or person or corporation selling fruit or
10 ornamental trees, roses, shrubbery, vines and small fruits, who performs
11 labor or furnishes materials for the improvement of real property with
12 the consent or at the request of the owner thereof, or of his agent,
13 contractor or subcontractor, and any trust fund to which benefits and
14 wage supplements are due or payable for the benefit of such laborers,
15 shall have a lien for the principal and interest, of the value, or the
16 agreed price, of such labor, including benefits and wage supplements due
17 or payable for the benefit of any laborer, or materials upon the real
18 property improved or to be improved and upon such improvement, from the
19 time of filing a notice of such lien as prescribed in this chapter.
20 Where the contract for an improvement is made with a husband or wife and
21 the property belongs to the other or both, the husband or wife contract-
22 ing shall also be presumed to be the agent of the other, unless such
23 other having knowledge of the improvement shall, within ten days after
24 learning of the contract give the contractor written notice of his or
25 her refusal to consent to the improvement. Within the meaning of the
26 provisions of this chapter, materials actually manufactured for but not
27 delivered to the real property, shall also be deemed to be materials
28 furnished.

29 2. Employee's lien. An employee who has a wage claim as that term is
30 defined in subdivision twenty-three of section two of this chapter shall
31 have a lien on his or her employer's interest in property for the value
32 of that employee's wage claim arising out of the employment, including
33 liquidated damages pursuant to subdivision one-a of section one hundred
34 ninety-eight, section six hundred sixty-three or section six hundred
35 eighty-one of the labor law, or 29 U.S.C. § 216 (b), from the time of
36 filing a notice of such lien as prescribed in this chapter. An employ-
37 ee's lien based on a wage claim may be had against the employer's inter-
38 est in real property and against the employer's interest in personal
39 property that can be sufficiently described within the meaning of
40 section 9-108 of the uniform commercial code, except that an employee's
41 lien shall not extend to deposit accounts or goods as those terms are
42 defined in section 9-102 of the uniform commercial code. The department
43 of labor and the attorney general may obtain an employee's lien for the
44 value of wage claims of the employees who are the subject of their
45 investigations, court actions or administrative agency actions.

46 3. As used in this article and unless otherwise specified, a lien
47 shall mean an employee's lien or a mechanic's lien.

48 § 3. Subdivisions 1 and 2 of section 4 of the lien law, subdivision 1
49 as amended by chapter 515 of the laws of 1929 and subdivision 2 as added
50 by chapter 704 of the laws of 1985, are amended to read as follows:

51 (1) [~~Such~~] A mechanic's or employee's lien and employee's lien against
52 real property shall extend to the owner's right, title or interest in
53 the real property and improvements, existing at the time of filing the
54 notice of lien, or thereafter acquired, except as hereinafter in this
55 article provided. If an owner assigns his interest in such real property
56 by a general assignment for the benefit of creditors, within thirty days

1 prior to such filing, the lien shall extend to the interest thus
2 assigned. If any part of the real property subjected to such lien be
3 removed by the owner or by any other person, at any time before the
4 discharge thereof, such removal shall not affect the rights of the
5 lienor, either in respect to the remaining real property, or the part so
6 removed. If labor is performed for, or materials furnished to, a
7 contractor or subcontractor for an improvement, the mechanic's lien
8 shall not be for a sum greater than the sum earned and unpaid on the
9 contract at the time of filing the notice of lien, and any sum subse-
10 quently earned thereon. In no case shall the owner be liable to pay by
11 reason of all mechanic's liens created pursuant to this article a sum
12 greater than the value or agreed price of the labor and materials
13 remaining unpaid, at the time of filing notices of such liens, except as
14 hereinafter provided.

15 (2) [~~Such~~] A mechanic's or employee's lien shall not extend to the
16 owner's right, title or interest in real property and improvements,
17 existing at the time of filing the notice of lien if such lien arises
18 from the failure of a lessee of the right to explore, develop or produce
19 natural gas or oil, to pay for, compensate or render value for improve-
20 ments made with the consent or at the request of such lessee by a
21 contractor, subcontractor, materialman, equipment operator or owner,
22 landscaper, nurseryman, or person or corporation who performs labor or
23 furnishes materials for the exploration, development, or production of
24 oil or natural gas or otherwise improves such leased property. Such
25 mechanic's or employee's lien shall extend to the improvements made for
26 the exploration, development and production of oil and natural gas, and
27 the working interest held by a lessee of the right to explore, develop
28 or produce oil and natural gas.

29 § 4. The opening paragraph of section 4-a of the lien law, as amended
30 by chapter 696 of the laws of 1959, is amended to read as follows:

31 The proceeds of any insurance which by the terms of the policy are
32 payable to the owner of real property improved, and actually received or
33 to be received by him because of the destruction or removal by fire or
34 other casualty of an improvement on which lienors have performed labor
35 or services or for which they have furnished materials, or upon which an
36 employee has established an employee's lien, shall after the owner has
37 been reimbursed therefrom for premiums paid by him, if any, for such
38 insurance, be subject to liens provided by this act to the same extent
39 and in the same order of priority as the real property would have been
40 had such improvement not been so destroyed or removed.

41 § 5. Subdivisions 1, 2 and 5 of section 9 of the lien law, as amended
42 by chapter 515 of the laws of 1929, are amended to read as follows:

43 1. The name of the lienor, and either the residence of the lienor or
44 the name and business address of the lienor's attorney, if any; and if
45 the lienor is a partnership or a corporation, the business address of
46 such firm, or corporation, the names of partners and principal place of
47 business, and if a foreign corporation, its principal place of business
48 within the state.

49 2. The name of the owner of the [~~real~~] property against whose interest
50 therein a lien is claimed, and the interest of the owner as far as known
51 to the lienor.

52 5. The amount unpaid to the lienor for such labor or materials, or the
53 amount of the wage claim if a wage claim is the basis for establishment
54 of the lien, the items of the wage claim and the value thereof which
55 make up the amount for which the lienor claims a lien.

§ 6. Subdivision 1 of section 10 of the lien law, as amended by chapter 367 of the laws of 2011, is amended to read as follows:

1. (a) Notice of mechanic's lien may be filed at any time during the progress of the work and the furnishing of the materials, or, within eight months after the completion of the contract, or the final performance of the work, or the final furnishing of the materials, dating from the last item of work performed or materials furnished; provided, however, that where the improvement is related to real property improved or to be improved with a single family dwelling, the notice of mechanic's lien may be filed at any time during the progress of the work and the furnishing of the materials, or, within four months after the completion of the contract, or the final performance of the work, or the final furnishing of the materials, dating from the last item of work performed or materials furnished; and provided further where the notice of mechanic's lien is for retainage, the notice of mechanic's lien may be filed within ninety days after the date the retainage was due to be released; except that in the case of a mechanic's lien by a real estate broker, the notice of mechanic's lien may be filed only after the performance of the brokerage services and execution of lease by both lessor and lessee and only if a copy of the alleged written agreement of employment or compensation is annexed to the notice of lien, provided that where the payment pursuant to the written agreement of employment or compensation is to be made in installments, then a notice of lien may be filed within eight months after the final payment is due, but in no event later than a date five years after the first payment was made. For purposes of this section, the term "single family dwelling" shall not include a dwelling unit which is a part of a subdivision that has been filed with a municipality in which the subdivision is located when at the time the lien is filed, such property in the subdivision is owned by the developer for purposes other than his personal residence. For purposes of this section, "developer" shall mean and include any private individual, partnership, trust or corporation which improves two or more parcels of real property with single family dwellings pursuant to a common scheme or plan. [~~The~~]

(b) Notice of employee's lien may be filed at any time not later than three years following the end of the employment giving rise to the wage claim.

(c) A notice of lien, other than for a lien on personal property, must be filed in the clerk's office of the county where the property is situated. If such property is situated in two or more counties, the notice of lien shall be filed in the office of the clerk of each of such counties. The county clerk of each county shall provide and keep a book to be called the "lien docket," which shall be suitably ruled in columns headed "owners," "lienors," "lienor's attorney," "property," "amount," "time of filing," "proceedings had," in each of which he shall enter the particulars of the notice, properly belonging therein. The date, hour and minute of the filing of each notice of lien shall be entered in the proper column. Except where the county clerk maintains a block index, the names of the owners shall be arranged in such book in alphabetical order. The validity of the lien and the right to file a notice thereof shall not be affected by the death of the owner before notice of the lien is filed. A notice of employee's lien on personal property must be filed, together with a financing statement, in the filing office as set forth in section 9-501 of the uniform commercial code.

§ 7. Section 11 of the lien law, as amended by chapter 147 of the laws of 1996, is amended to read as follows:

§ 11. Service of copy of notice of lien. 1. Within five days before or thirty days after filing the notice of a mechanic's lien, the lienor shall serve a copy of such notice upon the owner, if a natural person, (a) by delivering the same to him personally, or if the owner cannot be found, to his agent or attorney, or (b) by leaving it at his last known place of residence in the city or town in which the real property or some part thereof is situated, with a person of suitable age and discretion, or (c) by registered or certified mail addressed to his last known place of residence, or (d) if such owner has no such residence in such city or town, or cannot be found, and he has no agent or attorney, by affixing a copy thereof conspicuously on such property, between the hours of nine o'clock in the forenoon and four o'clock in the afternoon; if the owner be a corporation, said service shall be made (i) by delivering such copy to and leaving the same with the president, vice-president, secretary or clerk to the corporation, the cashier, treasurer or a director or managing agent thereof, personally, within the state, or (ii) if such officer cannot be found within the state by affixing a copy thereof conspicuously on such property between the hours of nine o'clock in the forenoon and four o'clock in the afternoon, or (iii) by registered or certified mail addressed to its last known place of business. Failure to file proof of such a service with the county clerk within thirty-five days after the notice of lien is filed shall terminate the notice as a lien. Until service of the notice has been made, as above provided, an owner, without knowledge of the lien, shall be protected in any payment made in good faith to any contractor or other person claiming a lien.

2. Within five days before or thirty days after filing the notice of an employee's lien, the lienor shall serve a copy of such notice upon the employer, if a natural person, (a) by delivering the same to him personally, or if the employer cannot be found, to his agent or attorney, or (b) by leaving it at his last known place of residence or business, with a person of suitable age and discretion, or (c) by registered or certified mail addressed to his last known place of residence or business, or (d) if such employer owns real property, by affixing a copy thereof conspicuously on such property, between the hours of nine o'clock in the forenoon and four o'clock in the afternoon. The lienor also shall, within thirty days after filing the notice of employee's lien, affix a copy thereof conspicuously on the real property identified in the notice of employee's lien, between the hours of nine o'clock in the forenoon and four o'clock in the afternoon. If the employer be a corporation, said service shall be made (i) by delivering such copy to and leaving the same with the president, vice-president, secretary or clerk to the corporation, the cashier, treasurer or a director or managing agent thereof, personally, within the state, or (ii) if such officer cannot be found within the state by affixing a copy thereof conspicuously on such property between the hours of nine o'clock in the forenoon and four o'clock in the afternoon, or (iii) by registered or certified mail addressed to its last known place of business, or (iv) by delivery to the secretary of the department of state in the same manner as required by subparagraph one of paragraph (b) of section three hundred six of the business corporation law. Failure to file proof of such a service with the county clerk within thirty-five days after the notice of lien is filed shall terminate the notice as a lien. Until service of the notice has been made, as above provided, an owner, without knowledge of the lien, shall be protected in any payment made in good faith to any other person claiming a lien.

§ 8. Section 11-b of the lien law, as amended by chapter 147 of the laws of 1996, is amended to read as follows:

§ 11-b. Copy of notice of mechanic's lien to a contractor or subcontractor. Within five days before or thirty days after filing a notice of mechanic's lien in accordance with section ten of this chapter or the filing of an amendment of notice of mechanic's lien in accordance with section twelve-a of this [~~chapter~~] article the lienor shall serve a copy of such notice or amendment by certified mail on the contractor, subcontractor, assignee or legal representative for whom he was employed or to whom he furnished materials or if the lienor is a contractor or subcontractor to the person, firm or corporation with whom the contract was made. A lienor having a direct contractual relationship with a subcontractor or a sub-subcontractor but not with a contractor shall also serve a copy of such notice or amendment by certified mail to the contractor. Failure to file proof of such a service with the county clerk within thirty-five days after the notice of lien is filed shall terminate the notice as a lien. Any lienor, or a person acting on behalf of a lienor, who fails to serve a copy of the notice of mechanic's lien as required by this section shall be liable for reasonable attorney's fees, costs and expenses, as determined by the court, incurred in obtaining such copy.

§ 9. Subdivision 1 of section 12-a of the lien law, as amended by chapter 1048 of the laws of 1971, is amended to read as follows:

1. Within sixty days after the original filing, a lienor may amend his lien upon twenty days notice to existing lienors, mortgagees and the owner, provided that no action or proceeding to enforce or cancel the mechanics' lien or employee's lien has been brought in the interim, where the purpose of the amendment is to reduce the amount of the lien, except the question of wilful exaggeration shall survive such amendment.

§ 10. Subdivision 1 of section 13 of the lien law, as amended by chapter 878 of the laws of 1947, is amended to read as follows:

(1) [~~A~~] An employee's lien, or a lien for materials furnished or labor performed in the improvement of real property, shall have priority over a conveyance, mortgage, judgment or other claim against such property not recorded, docketed or filed at the time of the filing of the notice of such lien, except as hereinafter in this chapter provided; over advances made upon any mortgage or other encumbrance thereon after such filing, except as hereinafter in this article provided; and over the claim of a creditor who has not furnished materials or performed labor upon such property, if such property has been assigned by the owner by a general assignment for the benefit of creditors, within thirty days before the filing of either of such notices; and also over an attachment hereafter issued or a money judgment hereafter recovered upon a claim, which, in whole or in part, was not for materials furnished, labor performed or moneys advanced for the improvement of such real property; and over any claim or lien acquired in any proceedings upon such judgment. Such liens shall also have priority over advances made upon a contract by an owner for an improvement of real property which contains an option to the contractor, his successor or assigns to purchase the property, if such advances were made after the time when the labor began or the first item of material was furnished, as stated in the notice of lien. If several buildings are demolished, erected, altered or repaired, or several pieces or parcels of real property are improved, under one contract, and there are conflicting liens thereon, each lienor shall have priority upon the particular part of the real property or upon the particular building or premises where his labor is performed or his

1 materials are used. Persons shall have no priority on account of the
2 time of filing their respective notices of liens, but all liens shall be
3 on a parity except as hereinafter in section fifty-six of this chapter
4 provided; and except that in all cases laborers for daily or weekly
5 wages with a mechanic's lien, and employees with an employee's lien,
6 shall have preference over all other claimants under this article.

7 § 11. Section 17 of the lien law, as amended by chapter 324 of the
8 laws of 2000, is amended to read as follows:

9 § 17. Duration of lien. 1. (a) No mechanic's lien specified in this
10 article shall be a lien for a longer period than one year after the
11 notice of lien has been filed, unless within that time an action is
12 commenced to foreclose the lien, and a notice of the pendency of such
13 action, whether in a court of record or in a court not of record, is
14 filed with the county clerk of the county in which the notice of lien is
15 filed, containing the names of the parties to the action, the object of
16 the action, a brief description of the real property affected thereby,
17 and the time of filing the notice of lien; or unless an extension to
18 such lien, except for a lien on real property improved or to be improved
19 with a single family dwelling, is filed with the county clerk of the
20 county in which the notice of lien is filed within one year from the
21 filing of the original notice of lien, continuing such lien and such
22 lien shall be redocketed as of the date of filing such extension. Such
23 extension shall contain the names of the lienor and the owner of the
24 real property against whose interest therein such lien is claimed, a
25 brief description of the real property affected by such lien, the amount
26 of such lien, and the date of filing the notice of lien. No lien shall
27 be continued by such extension for more than one year from the filing
28 thereof. In the event an action is not commenced to foreclose the lien
29 within such extended period, such lien shall be extinguished unless an
30 order be granted by a court of record or a judge or justice thereof,
31 continuing such lien, and such lien shall be redocketed as of the date
32 of granting such order and a statement made that such lien is continued
33 by virtue of such order. A lien on real property improved or to be
34 improved with a single family dwelling may only be extended by an order
35 of a court of record, or a judge or justice thereof. No lien shall be
36 continued by court order for more than one year from the granting there-
37 of, but a new order and entry may be made in each of two successive
38 years. If a lienor is made a party defendant in an action to enforce
39 another lien, and the plaintiff or such defendant has filed a notice of
40 the pendency of the action within the time prescribed in this section,
41 the lien of such defendant is thereby continued. Such action shall be
42 deemed an action to enforce the lien of such defendant lienor. The fail-
43 ure to file a notice of pendency of action shall not abate the action as
44 to any person liable for the payment of the debt specified in the notice
45 of lien, and the action may be prosecuted to judgment against such
46 person. The provisions of this section in regard to continuing liens
47 shall apply to liens discharged by deposit or by order on the filing of
48 an undertaking. Where a lien is discharged by deposit or by order, a
49 notice of pendency of action shall not be filed.

50 (b) A lien, the duration of which has been extended by the filing of a
51 notice of the pendency of an action as above provided, shall neverthe-
52 less terminate as a lien after such notice has been canceled as provided
53 in section sixty-five hundred fourteen of the civil practice law and
54 rules or has ceased to be effective as constructive notice as provided
55 in section sixty-five hundred thirteen of the civil practice law and
56 rules.

2. (a) No employee's lien on real property shall be a lien for a longer period than one year after the notice of lien has been filed, unless an extension to such lien is filed with the county clerk of the county in which the notice of lien is filed within one year from the filing of the original notice of lien, continuing such lien and such lien shall be redocketed as of the date of filing such extension. Such extension shall contain the names of the lienor and the owner of the real property against whose interest therein such lien is claimed, a brief description of the property affected by such lien, the amount of such lien, and the date of filing the notice of lien. No lien shall be continued by such extension for more than one year from the filing thereof. In the event an action is not commenced to obtain judgment on the wage claim or to foreclose the lien within such extended period, such lien shall be automatically extinguished unless an order be granted by a court of record or a judge or justice thereof, continuing such lien, and such lien shall be redocketed as of the date of granting such order and a statement made that such lien is continued by virtue of such order.

(b) No employee's lien on personal property shall be a lien for a longer period than one year after the financing statement has been recorded, unless an extension to such lien, is filed with the filing office in which the financing statement is required to be filed pursuant to section 9-501 of the uniform commercial code within one year from the filing of the original financing statement, continuing such lien. Such extension shall contain the names of the lienor and the owner of the property against whose interest therein such lien is claimed, a brief description of the prior financing statement to be extended, and the date of filing the prior financing statement. No lien shall be continued by such extension for more than one year from the filing thereof. In the event an action is not commenced to obtain judgment on the wage claim or to foreclose the lien within such extended period, such lien shall be automatically extinguished unless an order be granted by a court of record or a judge or justice thereof, continuing such lien, and such lien shall be refiled as of the date of granting such order and a statement made that such lien is continued by virtue of such order.

(c) If a lienor is made a party defendant in an action to enforce another lien, and the plaintiff or such defendant has filed a notice of the pendency of the action within the time prescribed in this section, the lien of such defendant is thereby continued. Such action shall be deemed an action to enforce the lien of such defendant lienor. The failure to file a notice of pendency of action shall not abate the action as to any person liable for the payment of the debt specified in the notice of lien, and the action may be prosecuted to judgment against such person. The provisions of this section in regard to continuing liens shall apply to liens discharged by deposit or by order on the filing of an undertaking. Where a lien is discharged by deposit or by order, a notice of pendency of action shall not be filed.

(d) Notwithstanding the foregoing, if a lienor commences a foreclosure action or an action to obtain a judgment on the wage claim within one year from the filing of the notice of lien on real property or the recording of the financing statement creating lien on personal property, the lien shall be extended during the pendency of the action and for one hundred twenty days following the entry of final judgment in such action, unless the action results in a final judgment or administrative order in the lienor's favor on the wage claims and the lienor commences a foreclosure action, in which instance the lien shall be valid during the pendency of the foreclosure action, provided, that the lien will be

1 automatically extinguished if, after a dismissal with prejudice of the
2 wage claims on which it is based, the lienor fails to file a notice of
3 appeal within the prescribed period to file a notice of appeal. If a
4 lien is extended due to the pendency of a foreclosure action or an
5 action to obtain a judgment on the wage claim, the lienor shall file a
6 notice of such pendency and extension with the county clerk of the coun-
7 ty in which the notice of lien is filed, containing the names of the
8 parties to the action, the object of the action, a brief description of
9 the property affected thereby, and the time of filing the notice of
10 lien, or in the case of a lien on personal property shall file such
11 notice with the office authorized to accept financing statements pursu-
12 ant to section 9-501 of the uniform commercial code. For purposes of
13 this section, an action to obtain judgment on a wage claim includes an
14 action brought in any court of competent jurisdiction, the submission of
15 a complaint to the department of labor or the submission of a claim to
16 arbitration pursuant to an arbitration agreement. An action also
17 includes an investigation of wage claims by the commissioner of labor or
18 the attorney general of the state of New York, regardless of whether
19 such investigation was initiated by a complaint.

20 (e) A lien, the duration of which has been extended by the filing of a
21 notice of the pendency of an action as above provided, shall neverthe-
22 less terminate as a lien after such notice has been canceled as provided
23 in section sixty-five hundred fourteen of the civil practice law and
24 rules or has ceased to be effective as constructive notice as provided
25 in section sixty-five hundred thirteen of the civil practice law and
26 rules.

27 § 12. Subdivisions 2 and 4 of section 19 of the lien law, subdivision
28 2 as amended by chapter 310 of the laws of 1962, subdivision 4 as added
29 by chapter 582 of the laws of 2002 and paragraph a of subdivision 4 as
30 further amended by section 104 of part A of chapter 62 of the laws of
31 2011, are amended to read as follows:

32 (2) By failure to begin an action to foreclose such lien or to secure
33 an order continuing it, within one year from the time of filing the
34 notice of lien, unless (i) an action be begun within the same period to
35 foreclose a mortgage or another mechanic's lien upon the same property
36 or any part thereof and a notice of pendency of such action is filed
37 according to law, or (ii) an action is commenced to obtain a judgment on
38 a wage claim pursuant to subdivision two of section seventeen of this
39 article, but a lien, the duration of which has been extended by the
40 filing of a notice of the pendency of an action as herein provided,
41 shall nevertheless terminate as a lien after such notice has been
42 cancelled or has ceased to be effective as constructive notice.

43 (4) Either before or after the beginning of an action by the employer,
44 owner or contractor executing a bond or undertaking in an amount equal
45 to one hundred ten percent of such lien conditioned for the payment of
46 any judgment which may be rendered against the property or employer for
47 the enforcement of the lien:

48 a. The execution of any such bond or undertaking by any fidelity or
49 surety company authorized by the laws of this state to transact busi-
50 ness, shall be sufficient; and where a certificate of qualification has

35 be his said residence or its place of business for the purposes of said
36 service at the time thereof, unless it is shown affirmatively that the
37 person servicing the papers or directing the service had knowledge to
38 the contrary. Notwithstanding the other provisions of this subdivision
39 relating to service of notice, in any case where the mailing address of
40 the lienor is outside the state such service may be made by registered
41 or certified mail, return receipt requested, to such lienor at the mail-

22 court of record, to enforce mechanics' liens and employees' liens on
23 real property, except as otherwise provided in this article. If actions
24 are brought by different lienors in a court of record, the court in
25 which the first action was brought, may, upon its own motion, or upon
26 the application of any party in any of such actions, consolidate all of
27 such actions.

12 deposit, by order of court. 1. A mechanic's lien notice of which has
13 been filed on real property or a bond given to discharge the same may be
14 vacated and cancelled or a deposit made to discharge a lien pursuant to
15 section twenty of this chapter may be returned, by an order of a court
16 of record. Before such order shall be granted, a notice shall be served
17 upon the lienor, either personally or by leaving it at his last known
18 place of residence, with a person of suitable age, with directions to
19 deliver it to the lienor. Such notice shall require the lienor to
20 commence an action to enforce the lien, within a time specified in the
21 notice, not less than thirty days from the time of service, or show
22 cause at a special term of a court of record, or at a county court, in a
23 county in which the property is situated, at a time and place specified
24 therein, why the notice of lien filed or the bond given should not be
25 vacated and cancelled, or the deposit returned, as the case may be.
26 Proof of such service and that the lienor has not commenced the action
27 to foreclose such lien, as directed in the notice, shall be made by
28 affidavit, at the time of applying for such order.

29 2. An employee's lien notice of which has been filed on real property
30 or a bond given to discharge the same may be vacated and cancelled or a
31 deposit made to discharge a lien pursuant to section twenty of this
32 chapter may be returned, by an order of a court of record. Before such

34 personally or by leaving it at his last known place of residence or

36 directions to deliver it to the lienor. Such notice shall require the
37 lienor to commence an action to enforce the lien, or to commence an
38 action to obtain judgment on the wage claim upon which the lien was
39 established, within a time specified in the notice, not less than thirty
40 days from the time of service, or show cause at a special term of a
41 court of record, or at a county court, in a county in which the property
42 is situated, at a time and place specified therein, why the notice of
43 lien filed or the bond given should not be vacated and cancelled, or the
44 deposit returned, as the case may be. Proof of such service and that the
45 lienor has not commenced the action to foreclose such lien or an action

52 after the commencement of an action in a court of record to foreclose or
53 enforce an employee's lien or a mechanic's lien against real property or
54 a public improvement, may at any time up to and including the day
55 preceding the day on which the trial of such action is commenced, make
56 application upon notice to the plaintiff or his attorney in such action,

2 such lienor to be brought in by amendment. If the application is made by
3 any other party in said action to make such lienor or other person a
4 party, the court may in its discretion direct such lienor or other
5 person to be brought in by like amendment. The order to be entered on
6 such application shall provide the time for and manner of serving the
7 pleading of such additional lienor or other person and shall direct that
8 the pleadings, papers and proceedings of the other several parties in
9 such action, shall be deemed amended, so as not to require the making or
10 serving of papers other than said order to effectuate such amendment,
11 and shall further provide that the allegations in the answer of such
12 additional lienor or other person shall, for the purposes of the action,
13 be deemed denied by the other parties therein. The action shall be so
14 conducted by the court as not to cause substantially any delay in the
15 trial thereof. The bringing in of such additional lienor or other
16 person shall be without prejudice to the proceedings had, and if the
17 action be on the calendar of the court, same shall retain its place on
18 such calendar without the necessity of serving a new note of issue and
19 new notices of trial.

40 underpayments found to be due the employee. In any action brought by the
41 commissioner in a court of competent jurisdiction, liquidated damages
42 shall be calculated as an amount equal to one hundred percent of under-
