28 A local government entity shall be eligible for only one payment of 29 funds hereunder per year. A local government entity may seek assistance 30 under the electric generation facility cessation and tax certiorari mitigation fund (i) once a generator has submitted its notice to the 31 federally designated electric bulk system operator (BSO) serving the 32 33 state of New York of its intent to retire the facility or of its intent 34 to voluntarily remove the facility from service subject to any return-35 to-service provisions of any tariff, and that the facility also is inel-36 igible to participate in the markets operated by the BSO; or (ii) once a 37 final judgment or settlement agreement in a tax certiorari proceeding 38 has been filed or executed. The date of submission of a local govern-39 ment entity's application for assistance shall establish the order in 40 which assistance is paid to program applicants, except that in no event shall assistance be paid to a local government entity until such time 41 42 that an electric generating facility has either (i) retired or become 43 ineligible to participate in the markets operated by the BSO, or (ii) a 44 final judgment or settlement agreement in a tax certiorari proceeding 45 has been filed or executed. For purposes of this section, any local government entity seeking assistance under the electric generation 46 47 facility cessation and tax certiorari mitigation fund must submit an attestation to the department of public service that either (i) a facil-48 49 ity is no longer producing electricity and is no longer participating in 50 markets operated by the BSO, or (ii) a final judgment or settlement 51 agreement in a tax certiorari proceeding has been filed or executed. 52 [After] For facilities that have ceased operations after receipt of such 53 attestation, the department of public service shall confirm such infor-54 mation with the BSO. In the case that the BSO confirms to the department
