1 the new high learning standards and assessments, as adopted by the board
2 of regents. Notwithstanding any other provision of law, rule or regu-
3 lation to the contrary, school districts may elect to use one or more of
4 such allowable conference days in units of not less than one hour each
5 to provide staff development activities relating to implementation of
6 the new high learning standards and assessments. A district making such
7 election may provide such staff development during the regularly sched-
8 uled daily session and apply such units to satisfy a deficiency in the
9 length of one or more daily sessions of instruction for pupils as speci-

14 § 2. Subdivision 3 of section 4-104 of the election law, as amended by
15 chapter 694 of the laws of 1989, is amended to read as follows:

16 3. A building exempt from taxation shall be used whenever possible as
17 a polling place if it is situated in the same or a contiguous election
18 district, and may contain as many distinctly separate polling places as
19 public convenience may require. The expense, if any, incidental to its
20 use, shall be paid like the expense of other places of registration and
21 voting. If a board or body empowered to designate polling places chooses
22 a public school building for such purpose, the board or agency which
23 controls such building must make available a room or rooms in such
24 building which are suitable for registration and voting and which are as
25 close as possible to a convenient entrance to such building and must
26 make available any such room or rooms which the board or body designat-
27 ing such building determines are accessible to physically disabled
28 voters as provided in subdivision one-a of this section. Notwithstanding
29 the provisions of any general, special or local law, if a board or body
30 empowered to designate polling places chooses a publicly owned or leased
31 building[~~, other than a public school building,~~] for such purposes the
32 board or body which controls such building must make available a room or
33 rooms in such building which are suitable for registration and voting
34 and which are as close as possible to a convenient entrance to such
35 building, and must make available any such room or rooms which the board
36 or body designating such building determines are accessible to phys-
37 ically disabled voters unless, not later than thirty days after notice
38 of its designation as a polling place, the board or body controlling
39 such building, files a written request for a cancellation of such desig-
40 nation with the board or body empowered to designate polling places on
41 such form as shall be provided by the board or body making such desig-
42 nation. The board or body empowered to so designate shall, within twenty
43 days after such request is filed, determine whether the use of such
44 building as a polling place would unreasonably interfere with the usual
45 activities conducted in such building and upon such determination, may
46 cancel such designation.

47 § 3. This act shall take effect January 1, 2020.
