4 the call or series of calls;

5 (b) "person" means any natural person, firm, organization, partner-  
6 ship, association or corporation, or other entity, whether for-profit or

15 consumer called, or for the purpose of soliciting an extension of credit  
16 for consumer goods or services to the consumer called, or for the  
17 purpose of obtaining information that will or may be used for the direct  
18 solicitation of a sale of consumer goods or services to the consumer  
19 called or an extension of credit for such purposes; provided, however,  
20 that "consumer telephone call" shall not include a call made by a tele-

22 this subdivision, and may permit, subject to such conditions as the  
23 department may prescribe, robocalls to be made to a residential tele-  
24 phone line without prior express consent if such calls are not made for  
25 a commercial purpose.

27 ~~ic dialing-announcing device, such device shall do all of the following~~]  
28 In addition to the provisions of subdivision two-a of this section:

30 uses an artificial or prerecorded voice, such call shall state at the  
31 beginning of the call the nature of the call and the name of the person  
32 or on whose behalf the message is being transmitted and at the end of  
33 such message the address, and telephone number of the person on whose  
34 behalf the message is transmitted, provided such disclosures are not  
35 otherwise prohibited or restricted by any federal, state or local law;  
36 and

37 (b) If a robocall permitted by this section is made using an automatic  
38 dialing device, such device shall disconnect [~~the automatic dialing-an-~~

54 available to any such customer, upon request, and at no additional  
55 charge. Such provider shall also offer to any such customer the ability  
56 to have the provider prevent calls and text messages identified as orig-

1 inating from a particular person from being completed to the called

3 (b) The department, in consultation with the department of public  
4 service, shall promulgate regulations to implement the requirements of  
5 this subdivision, including, if appropriate, a reasonable delay in  
6 requiring implementation and offering of call mitigation technology if  
7 for good cause, taking into account the consumer protection purposes of  
8 this section, and including procedures for addressing incidents in which  
9 a call wanted by the customer is prevented from reaching the customer.  
10 The department may also promulgate regulations allowing for the require-  
11 ments of this subdivision to be waived for existing network facilities  
12 in instances where the telephone service provider can reasonably demon-  
13 strate that call mitigation technology cannot feasibly be implemented on  
14 such facilities due to technological limitations, until such time as it  
15 can be feasibly implemented.

28 two thousand eight hundred one of the public health law, or any adult  
29 care facility as defined by section two of the social services law. It  
30 shall not constitute a violation of this subdivision if the person who  
31 places such a call can affirmatively establish that the call was placed  
32 inadvertently despite good faith efforts on the part of such person to  
33 comply with the provisions of this section and such person has imple-  
34 mented a procedure to prevent subsequent calls from being placed to a  
35 particular prohibited telephone number.

36 6. A telephone solicitor shall not make a consumer telephone call to a  
37 consumer unless the telephone solicitor conforms with subparagraph one  
38 of paragraph b of subdivision six of section three hundred ninety-nine-

40 annul, alter, or affect the provisions of subdivision three of this  
41 section.

43 phone call or [~~who operates an automatic dialing-announcing device~~  
44 robocall] and no employer of any such telephone solicitor or person shall  
45 intentionally cause to be installed, or shall intentionally utilize, any  
46 blocking device or service to prevent the name and/or telephone number  
47 of such solicitor or person, or the name and/or telephone number of his  
48 or her employer, from being displayed on a caller identification device  
49 of the recipient of any such consumer telephone call. A violation of  
50 this subdivision shall be subject to the provisions of subdivision eight  
51 of this section.

52 7. (a) Federal, state or local municipalities, or any subdivision  
53 thereof, [~~using an automatic dialing-announcing device~~] making a robo-  
54 call for emergency purposes shall be exempted from the provisions of  
55 this section.

1 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-  
2 sion, any entity [~~which operates~~] making a robocall for emergency  
3 purposes through the operation of a telephone warning or alert system  
4 [~~which utilizes any such device for emergency purposes~~] shall also be  
5 exempted from the provisions of this section.

6 8. Whenever there shall be a violation of subdivision two, three,  
7 four, four-a, five, six, or six-a of this section, an application may be  
8 made by the attorney general in the name of the people of the state of  
9 New York to a court or justice having jurisdiction to issue an injunc-

19 eighty-three hundred three of the civil practice law and rules, and  
20 direct restitution. Whenever the court shall determine that a violation  
21 of subdivision two, three, four, or five of this section has occurred,  
22 the court may impose a civil penalty of not more than two thousand  
23 dollars per call, up to a total of not more than twenty thousand  
24 dollars, for calls placed in violation of such subdivisions within a  
25 continuous seventy-two hour period. Whenever the court shall determine  
26 that a violation of subdivision four-a of this section has occurred, the  
27 court may impose a civil penalty of not less than five thousand dollars  
28 nor more than ten thousand dollars for each violation. Whenever the  
29 court shall determine that a violation of subdivision six of this  
30 section, or a violation of subdivision six-a of this section, has  
31 occurred, the court may impose a civil penalty of not more than two  
32 thousand dollars. In connection with any such proposed application, the

37 pursuant to this section, any person who has received a telephone call  
38 in violation of subdivision two, three, four, four-a or five of this

47 of this subdivision, if the court finds the defendant willfully or know-  
48 ingly violated such subdivisions. The court [~~may~~] shall award reasonable  
49 attorney's fees to a prevailing plaintiff. Any damages recoverable  
50 pursuant to this section may be recovered in any action which a court  
51 may authorize to be brought as a class action pursuant to article nine  
52 of the civil practice law and rules.
