2019-2020 Regular Sessions

## IN SENATE

February 7, 2019

Introduced by Sen. BIAGGI -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to annual earnings limitations for retired police officers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 212 of the retirement and social security law is  
2 amended by adding a new subdivision 4 to read as follows:

3 4. Notwithstanding the provisions of subdivisions one and two of this  
4 section, such annual earnings limitations for a retired police officer  
5 employed by a school district or a board of cooperative educational  
6 services, in either the classified or unclassified service as a school  
7 resource officer, school safety officer, school security officer or any  
8 other substantially similar position or office that is designed to  
9 provide safety and/or security on school grounds, provided that such  
10 retired police officer is duly qualified, competent and physically fit  
11 for performance of the duties of the position in which he or she is to  
12 be employed as determined by the school district or board of cooperative  
13 educational services and is properly certified where such certification  
14 is required, shall be fifty thousand dollars for the year two thousand  
15 nineteen and thereafter.

16 § 2. This act shall take effect immediately.

FISCAL NOTE: Insofar as this bill will affect the New York State and Local Police and Fire Retirement System (PFRS), this bill will allow retired police officers who are employed by a school district as a school resource officer, school safety officer, school security officer or any other substantially similar position with an annual salary of \$50,000 or less and continue to receive their full retirement benefit. Currently, the salary limit is \$30,000.

If this bill is enacted, we expect few retirees to be affected. There would be negotiable additional annual costs. However, if large numbers

of retirees are hired into such positions, there would be additional annual costs which would be shared by the state of New York and all of the participating employers in the PFRS.
