(3) For taxable years beginning before January first, two thousand 39 ten, a thrift institution shall be allowed as a deduction in computing 40 41 entire net income the amount of a reasonable addition to its reserve for 42 bad debts. This amount shall be equal to the sum of

43 (A) the amount determined to be a reasonable addition to the reserve 44 for losses on nonqualifying loans, computed in the same manner as is 45 provided with respect to additions to the reserves for losses on loans 46 of banks under paragraph one of subsection (i) of this section, plus

47 (B) the amount determined by the taxpayer to be a reasonable addition 48 to the reserve for losses on qualifying real property loans, but such 49 amount shall not exceed the amount determined under paragraph four or five of this subsection, whichever is the larger, but the amount deter-50 51 mined under this subparagraph shall in no case be greater than the larg-52 er of

53 (i) the amount determined under such paragraph five, or

54 (ii) the amount which, when added to the amount determined under subparagraph (A) of this paragraph, equals the amount by which twelve 55 56 percent of the total deposits or withdrawable accounts of depositors of

1	the taxpayer at the close of such year exceeds the sum of its surplus,
2	undivided profits and reserves at the beginning of such year (taking
3	into account any portion thereof attributable to the period before the
4	first taxable year beginning after December thirty-first, nineteen
5	hundred fifty-one).
6	The taxpayer must include in its tax return for each year a computa-
7	tion of the amount of the addition to the bad debt reserve determined
8	under this subsection. The use of a particular method in the return for
9	a taxable year is not a binding election by the taxpayer.
10	(4) (A) Subject to subparagraphs (B) and (C) of this paragraph, the
11	amount determined under this paragraph for the taxable year shall be an amount equal to thirty-two percent of the entire net income for such
12	
13	<u>year.</u> (B) The amount determined under subparagraph (λ) of this paragraph
14 15	(B) The amount determined under subparagraph (A) of this paragraph shall be reduced (but not below 0) by the amount determined under
15 16	subparagraph (A) of paragraph three of this subsection.
	(C) The amount determined under this paragraph shall not exceed the
17 18	amount necessary to increase the balance at the close of the taxable
19	year of the reserve for losses on qualifying real property loans to six
20	percent of such loans outstanding at such time.
20	(D) For purposes of this paragraph, entire net income shall be
22	computed
23	(i) by excluding from income any amount included therein by reason of
24	subparagraph (B) of paragraph eight of this subsection,
25	(ii) without regard to any deduction allowable for any addition to the
26	reserve for bad debts, and
27	(iii) by excluding from income an amount equal to the net gain for the
28	taxable year arising from the sale or exchange of stock of a corporation
29	or of obligations the interest on which is excludable from gross income

33	shall not exceed the lesser of the thrift institution's separately
34	computed entire net income as adjusted pursuant to clauses (i) through
35	(iii) of this subparagraph or the combined group's entire net income as
36	adjusted pursuant to clauses (i) through (iii) of this subparagraph.
37	(5) The amount determined under this paragraph for the taxable year
38	shall be computed in the same manner as is provided under paragraph one
39	of subsection (i) of this section with respect to additions to reserves
40	for losses on loans of banks. Provided, however, that for any taxable
41	year beginning after nineteen hundred ninety-five, for purposes of such
42	computation, the base year shall be the later of (A) the last taxable
43	year beginning in nineteen hundred ninety-five or (B) the last taxable
44	year before the current year in which the amount determined under the
45	provisions of subparagraph (B) of paragraph three of this subsection
46	exceeded the amount allowable under this subparagraph.
47	(6) (A) (i) Each taxpayer described in paragraph one of this
48	subsection shall establish and maintain a New York reserve for losses on
49	qualifying real property loans, a New York reserve for losses on
50	nonqualifying loans and a supplemental reserve for losses on loans. Such
51	reserves shall be maintained for all subsequent taxable years that this
52	subsection applies to the taxpayer. (ii) For purposes of this
53 E4	subsection, such reserves shall be treated as reserves for bad debts,
54 55	but no deduction shall be allowed for any addition to the supplemental
55 56	reserve for losses on loans. (iii) Except as noted below, the balances of each such reserve at the beginning of the first day of the first

A taxpayer which maintained a 7 New York reserve for loan losses on qualifying real property loans in 8 the last tax year beginning before January first, nineteen hundred nine-9 ty-six shall have a continuation of such New York reserve balance in 10 lieu of the amount determined under the preceding sentence. (iv) 11 Notwithstanding clause (ii) of this subparagraph, any amount allocated to the reserve for losses on qualifying real property loans pursuant to 12 13 section 593 (c) (5) of the internal revenue code as in effect immediate-14 ly prior to the enactment of the Tax Reform Act of 1976 shall not be treated as a reserve for bad debts for any purpose other than determin-15 16 ing the amount referred to in subparagraph (B) of paragraph three of this subsection, and for such purpose such amount shall be treated as 17 remaining in such reserve. 18 19 (B) Any debt becoming worthless or partially worthless in respect of a 20 gualifying real property loan shall be charged to the reserve for losses 21 on such loans and any debt becoming worthless or partially worthless in respect of a nonqualifying loan shall be charged to the reserve for 22 losses on nonqualifying loans, except that any such debt may, at the 23 election of the taxpayer, be charged in whole or in part to the supple-24 25 mental reserve for losses on loans. 26 (C) The New York reserve for losses on qualifying real property loans 27 shall be increased by the amount determined under subparagraph (B) of paragraph three of this subsection and the New York reserve for losses 28 29 on nonqualifying loans shall be increased by the amount determined under 30 subparagraph (A) of paragraph three of this subsection. 31 (7) (A) For purposes of this subsection, the term "qualifying real 32 property loan" shall mean any loan secured by an interest in improved 33 real property or secured by an interest in real property which is to be improved out of the proceeds of the loan. Such term shall include any 34 mortgage-backed security which represents ownership of a fractional 35 36 undivided interest in a trust, the assets of which consist primarily of 37 mortgage loans, provided that the real property which serves as security 38 for the loans is (or from the proceeds of the loan, will become) the type of property described in clauses (i) through (v) of subparagraph 39 (B) of paragraph one of this subdivision. However, such term shall not 40 include: (i) any loan evidenced by a security (as defined in section 41 42 165(q) (2) (C) of the internal revenue code); (ii) any loan, whether or 43 not evidenced by a security (as defined in such section 165(g) (2) (C)), the primary obligor of which is (I) a government or political subdivi-44 45 sion or instrumentality thereof, (II) a banking corporation, or (III) 46 any corporation sixty-five percent or more of whose voting stock is owned or controlled, directly or indirectly, by the taxpayer or by a 47 banking corporation or bank holding company that owns or controls, 48 directly or indirectly, sixty-five percent or more of the voting stock 49 of the taxpayer; (iii) any loan, to the extent secured by a deposit in 50 51 or share of the taxpayer; or (iv) any loan which, within a sixty-day 52 period beginning in one taxable year of the creditor and ending in its 53 next taxable year, is made or acquired and then repaid or disposed of, 54 unless the transactions by which such loan was made or acquired and then repaid or disposed of are established to be for bona fide business 55 56 purposes.

1	(B) For purposes of this subsection, the term "nonqualifying loan"
2	<u>shall mean any loan which is not a qualifying real property loan.</u>
3	(C) For purposes of this subsection, the term "loan" shall mean debt,
4	as the term "debt" is used in section 166 of the internal revenue code.
5	(D) A regular or residual interest in a REMIC, as such term is defined
б	in section 860D of the internal revenue code, shall be treated as a
7	qualifying real property loan, except that, if less than ninety-five
8	percent of the assets of such REMIC are qualifying real property loans
9	(determined as if the taxpayer held the assets of the REMIC), such
10	interest shall be so treated only in the proportion which the assets of
11	such REMIC consist of such loans. For purposes of determining whether
12	any interest in a REMIC qualifies under the preceding sentence, any
13	interest in another REMIC held by such REMIC shall be treated as a qual-
14	ifying real property loan under principles similar to the principles of
15	the preceding sentence, except that if such REMICS are part of a tiered
16	structure, they shall be treated as one REMIC for purposes of this para-
17	graph.
18	(8)(A) Any distribution of property (as defined in section 317(a) of
19	the internal revenue code) by a thrift institution to a shareholder with
20	respect to its stock, if such distribution is not allowable as a
21	deduction under section 591 of such code, shall be treated as made
22	(i) first out of its New York earnings and profits accumulated in
23	taxable years beginning after December thirty-first, nineteen hundred
24	fifty-one, to the extent thereof,
25	(ii) then out of the New York reserve for losses on qualifying real
26	property loans, to the extent additions to such reserve exceed the addi-
27	tions which would have been allowed under paragraph five of this
28	subsection,
29	(iii) then out of the supplemental reserve for losses on loans, to the
30	extent thereof,
31	(iv) then out of such other accounts as may be proper.
32	This subparagraph shall apply in the case of any distribution in redemp-
33	tion of stock or in partial or complete liquidation of a thrift institu-
34	tion, except that any such distribution shall be treated as made first
35	out of the amount referred to in clause (ii) of this subparagraph,
36	second out of the amount referred to in clause (iii) of this subpara-
37	graph, third out of the amount referred to in clause (i) of this subpar-
38	agraph and then out of such other accounts as may be proper. This
39	subparagraph shall not apply to any transaction to which section 381 of
40	such code (relating to carryovers and certain corporate acquisitions)
41	applies, or to any distribution to the federal savings and loan insur-
42	ance corporation or the federal deposit insurance corporation in redemp-
43	tion of an interest in an association or institution, if such interest
44	was originally received by the federal savings and loan insurance corpo-
45	ration or the federal deposit insurance corporation in exchange for
46	financial assistance pursuant to section 406(f) of the federal national
47	housing act or pursuant to subsection (c) of section thirteen of the
48	federal deposit insurance act.
	(B) If any distribution is treated under subparagraph (A) of this
49	paragraph as having been made out of the reserves described in clauses
49 50	(ii) and (iii) of such subparagraph, the amount charged against such reserve shall be the amount which, when reduced by the amount of tax

1	(C) (i) For purposes of clause (ii) of subparagraph (A) of this para-
2	graph, additions to the New York reserve for losses on qualifying real
3	property loans for the taxable year in which the distribution occurs
4	shall be taken into account.
5	(ii) For purposes of computing under this subsection the amount of a
6	reasonable addition to the New York reserve for losses on qualifying
7	real property loans for any taxable year, the amount charged during any
8	year to such reserve pursuant to the provisions of subparagraph (B) of
9	this paragraph shall not be taken into account.
10	(9) A taxpayer which maintains a New York reserve for losses on quali-
11	fying real property loans and which ceases to meet the definition of a
12^{11}	thrift institution as defined in paragraph one of this subsection, must
13	include in its entire net income for the last taxable year such para-
14^{13}	graph applied the excess of its New York reserve for losses on qualify-
15	ing real property loans over the greater of (A) its reserve for losses
16	on qualifying real property loans as of the last day of the last taxable
17	year such reserve is maintained for federal income tax purposes or (B)
18	the balance of the New York reserve for losses on qualifying real prop-
19	erty loans which would be allowable to the taxpayer for the last taxable
20	year such taxpayer met such definition of a thrift institution if the
21	taxpayer had computed its reserve balance pursuant to the method
22	described in subparagraph (A) of paragraph one of subsection (i) of this
23	section.
24	(i) (1) For taxable years beginning before January first, two thousand
25	ten, a taxpayer subject to the provisions of section 585(c) of the
26	internal revenue code and not subject to subsection (h) of this section
20 27	may, in computing entire net income, deduct an amount equal to or less
28	than the amount determined pursuant to subparagraph (A) of this para-
29	graph or subparagraph (B) of this paragraph, whichever is greater.
30	Provided, however, in no event shall the deduction be less than the
31	amount determined pursuant to such subparagraph (A).
32	(A) The amount determined pursuant to this subparagraph shall be the
33	amount necessary to increase the balance of its New York reserve for
34	losses on loans (at the close of the taxable year) to the amount which
35	bears the same ratio to loans outstanding at the close of the taxable
36	year as (i) the total bad debts sustained during the taxable year and
37	the five preceding taxable years (or, with the approval of the commis-
38	sioner of taxation and finance, a shorter period), adjusted for recov-
39	eries of bad debts during such period, bears to (ii) the sum of the
40	loans outstanding at the close of such six or fewer taxable years.
41	(B) (i) The amount determined pursuant to this subparagraph shall be
42	the amount necessary to increase the balance of its New York reserve for
43	losses on loans (at the close of the taxable year) to the lower of
44	(I) the balance of the reserve at the close of the base year, or
45	(II) if the amount of loans outstanding at the close of the taxable
46	year is less than the amount of loans outstanding at the close of the
47	base year, the amount which bears the same ratio to loans outstanding at
48	the close of the taxable year as the balance of the reserve at the close
49	of the base year bears to the amount of loans outstanding at the close
50	of the base year.
51	(ii) For purposes of this paragraph, the base year shall be (I) for
52	taxable years beginning in nineteen hundred eighty-seven, the last taxa-
53	ble year before the most recent adoption of the experience method for
54	federal income tax purposes or for purposes of this article, whichever
55	is earlier, and (II) for taxable years beginning after nineteen hundred
55	

-	
1	eighty-seven, the last taxable year beginning before nineteen hundred
2	eighty-eight.
3	(2) (A) For taxable years beginning before January first, two thousand
4	ten, each taxpayer described in paragraph one of this subsection shall
5	establish and maintain a New York reserve for losses on loans. Such
6	reserve shall be maintained for all subsequent taxable years. The
7	balance of the New York reserve for losses on loans at the beginning of
8	the first day of the first taxable year the taxpayer becomes subject to
9	this subsection shall be the same as the balance at the beginning of
10	such day of the reserve for losses on loans maintained for federal
11	income tax purposes. The New York reserve for losses on loans shall be
12	reduced by an amount equal to the deduction allowed, but not more than
13	the amount allowable, for worthless debts for federal income tax
14	purposes pursuant to section 166 of the internal revenue code plus the
15	amount, if any, charged against its reserve for losses on loans pursuant
16	to section 585(c)(4) of such code.
17	(B) For purposes of subparagraph (A) of this paragraph, a taxpayer
18	which had previously been subject to the provisions of subsection (h) of
19	this section shall establish a New York reserve for losses on loans
20	equal to the sum of (i) the greater of (I) the balance of its federal
21	reserve for losses on qualifying real property loans as of the first day
22	of the first taxable year the taxpayer becomes subject to the provisions
23	of this subsection or (II) the greater of the amounts determined under
24	subparagraphs (A) and (B) of paragraph nine of subsection (h) of this
25	section in the year such paragraph applied to the taxpayer, (ii) the
26	greater of (I) the balance in its federal reserve for losses on nonqual-
20 27	ifying loans as of the first day of the first taxable year the taxpayer
27	
	becomes subject to this subsection or (II) the balance in its New York
29	reserve for losses on nonqualifying loans as of the last date the
30	taxpayer was subject to the provisions of subsection (h) of this section
31	and (iii) the balance in its supplemental reserve for losses on loans as
32	of the last date the taxpayer was subject to the provisions of
33	subsection (h) of this section.
34	(3) The determination and treatment of the New York reserve balance,
35	including any additions thereto, subtractions therefrom, or recapture
36	thereof, for
37	(A) any banking corporation which was subject to tax for federal
38	income tax purposes but not subject to tax under this article for prior
39	taxable years,
40	(B) any taxpayer which ceases to be subject to tax under this article,
41	or
42	(C) any other unusual circumstances
43	shall be determined by the commissioner of taxation and finance.
44	Provided, however, any banking corporation which was subject to tax for
45	federal income tax purposes but not subject to tax under this article
46	for prior taxable years shall have as its opening New York reserve for
47	losses on loans the amount determined by applying the provisions of
48	subparagraph (A) of paragraph one of this subsection to loans outstand-
49	ing at the close of its last taxable year for federal income tax
50	purposes ending prior to the first taxable year for which the taxpayer
51	is subject to tax under this article and provided, further, that the
52	provisions of subparagraph (B) of paragraph one of this subsection shall
53	not apply.
54	(j) (1) In the case of property placed in service prior to January
55	first, nineteen hundred seventy-three, for which the taxpayer properly
56	adopted a different method of computing depreciation under section two

hundred nineteen-z or section two hundred nineteen-xx of this chapter 1 (as such sections were in effect on or before December thirty-first, 2 3 nineteen hundred seventy-two) than was adopted for federal income tax 4 purposes with respect to such property, entire net income under this 5 article shall be computed without regard to the amount allowable as a б deduction for depreciation of such property in computing federal taxable 7 income for the taxable year but, in lieu thereof, shall be computed as 8 if such deduction were determined by the method of depreciation adopted 9 with respect to such property under sections two hundred nineteen-z or 10 two hundred nineteen-xx of this chapter (as such sections were in effect 11 on or before December thirty-first, nineteen hundred seventy-two). (2) In computing entire net income, the amount allowable as 12 13 deduction for charitable contributions for federal income tax purposes 14 shall be decreased by any amount allowed as a deduction for federal income tax purposes for the taxable year under section one hundred 15 16 seventy of the internal revenue code as a carryover of excess contrib-17 utions which are not made in such taxable year and which were deductible in computing the tax due under article nine-B or nine-C of this chapter 18 (as such articles were in effect on or before December thirty-first, 19 20 nineteen hundred seventy-two). 21 (3) There shall be excluded from the computation of entire net income any amount allowed as a deduction for federal income tax purposes for 22 the taxable year under section twelve hundred twelve of the internal 23 revenue code as a capital loss carryforward to the taxable year, which 24 25 was deductible as a loss in computing the tax due under article nine-B 26 or nine-C of this chapter (as such articles were in effect on December 27 thirty-first, nineteen hundred seventy-two). 28 (4) There shall be excluded from the computation of entire net income 29 the amount of any income or gain from the sale of real or personal prop-30 erty which is includible in determining federal taxable income for the 31 taxable year pursuant to the installment method under section four 32 hundred fifty-three of the internal revenue code, to the extent that 33 such income or gain was includible in the computation of the tax due 34 under article nine-B or nine-C of this chapter (as such articles were in 35 effect on December thirty-first, nineteen hundred seventy-two). 36 (5) To the extent not otherwise provided in this article, there shall 37 be excluded from entire net income the amount necessary to prevent the 38 taxation under this article of any other amount of income or gain which 39 was properly included in income or gain and was taxable under article nine-B or nine-C of this chapter (as such articles were in effect on or 40 before December thirty-first, nineteen hundred seventy-two) and there 41 42 shall be disallowed as a deduction in computing entire net income any 43 amount which was allowable as a deduction in computing the tax due under such articles (as they were in effect on or before December thirty-44 45 first, nineteen hundred seventy-two). 46 (k) (1) At the election of the taxpayer, there shall be deducted from 47 the portion of its entire net income allocated within the state, depre-48 ciation with respect to any property such as described in paragraph two of this subsection, not exceeding twice the depreciation allowed with 49 respect to the same property for federal income tax purposes. Such 50 51 deduction shall be allowed only upon condition that entire net income be 52 computed without any deduction for depreciation or amortization of the 53 same property, and the total of all deductions allowed under article 54 nine-B or nine-C of this chapter (as such articles were in effect on or before December thirty-first, nineteen hundred seventy-two) and this 55

article in any taxable year or years with respect to the depreciation of 1 2 any such property shall not exceed its cost or other basis. 3 (2) Such deduction shall be allowed only with respect to tangible 4 property which is depreciable pursuant to section one hundred sixty-sev-5 en of the internal revenue code, having a situs in this state and used б in the taxpayer's business, (i) constructed, reconstructed or erected 7 after December thirty-first, nineteen hundred sixty-three, pursuant to a 8 contract which was, on or before December thirty-first, nineteen hundred 9 sixty-seven, and at all times thereafter, binding on the taxpayer or,

property, the physical construction, reconstruction or erection of which 10 began on or before December thirty-first, nineteen hundred sixty-seven 11 or which began after such date pursuant to an order placed on or before 12 13 December thirty-first, nineteen hundred sixty-seven, and then only with 14 respect to that portion of the basis thereof which is properly attribut-15 able to such construction, reconstruction or erection after December 16 thirty-first, nineteen hundred sixty-three, or (ii) acquired after 17 December thirty-first, nineteen hundred sixty-three, pursuant to a contract which was, on or before December thirty-first, nineteen hundred 18 sixty-seven, and at all times thereafter, binding on the taxpayer or 19 20 pursuant to an order placed on or before December thirty-first, nineteen 21 hundred sixty-seven, by purchase as defined in section one hundred 22 seventy-nine (d) of the internal revenue code, if the original use of such property commenced with the taxpayer, commenced in this state and 23 24 commenced after December thirty-first, nineteen hundred sixty-three, or (iii) acquired, constructed, reconstructed, or erected subsequent to 25 26 December thirty-first nineteen hundred sixty-seven, if such acquisition, 27 construction, reconstruction or erection is pursuant to a plan of the taxpayer which was in existence December thirty-first, nineteen hundred 28 29 sixty-seven and not thereafter substantially modified, and such acquisi-30 tion, construction, reconstruction or erection would qualify under the rules in paragraphs four, five or six of subsection (h) of section 31 32 forty-eight of the internal revenue code provided all references in such 33 paragraphs four, five and six to the dates October nine, nineteen hundred sixty-six, and October ten, nineteen hundred sixty-six, shall be 34 read as December thirty-first, nineteen hundred sixty-seven. A taxpayer 35 36 shall be allowed a deduction under clauses (i), (ii) or (iii) of this 37 paragraph only if the tangible property shall be delivered or the 38 construction, reconstruction or erection shall be completed on or before 39 December thirty-first, nineteen hundred sixty-nine, except in the case of tangible property which is acquired, constructed, reconstructed or 40 erected pursuant to a contract which was, on or before December thirty-41 42 first, nineteen hundred sixty-seven, and at all times thereafter, bind-43 ing on the taxpayer. Provided, however, for any taxable year beginning on or after January first, nineteen hundred sixty-eight, a taxpayer 44 45 shall not be allowed a deduction under paragraph one of this subsection 46 with respect to tangible personal property leased by it to any other 47 person or corporation. For purposes of the preceding sentence, any 48 contract or agreement to lease or rent or for a license to use such 49 property shall be considered a lease. With respect to property which the taxpayer uses itself for purposes other than leasing for part of a taxa-50 51 ble year and leases for a part of a taxable year, the taxpayer shall be 52 allowed a deduction under paragraph one of this subsection in proportion 53 to the part of the year it uses such property. 54 (3) If the deduction allowable for any taxable year pursuant to this

55 subsection exceeds the portion of the taxpayer's entire net income allo-56 cated to this state for such year, the excess may be carried over to the

-	
1	following taxable year or years and may be deducted from the portion of
2	the taxpayer's entire net income allocated to this state for such year
3	<u>or years.</u>
4	(4) In any taxable year when property is sold or otherwise disposed
5	of, with respect to which a deduction has been allowed pursuant to this
б	subsection, subdivision twelve of section two hundred nineteen-z or
7	subdivision ten of section two hundred nineteen-xx of this chapter (as
8	such subdivisions were in effect on or before December thirty-first,
9	nineteen hundred seventy-two), the gain or loss entering into the compu-
10	tation of federal taxable income shall be disregarded in computing
11	entire net income, and there shall be added or subtracted from the
12	portion of entire net income allocated within the state the gain or loss
13	upon such sale or other disposition. In computing such gain or loss the
14	basis of the property sold or disposed of shall be adjusted to reflect
15	the deduction allowed with respect to such property pursuant to para-
16	graph one of this subsection. Provided however, that no loss shall be
17	recognized for the purposes of this paragraph with respect to a sale or
18	other disposition of property to a person whose acquisition thereof is
19	not a purchase as defined in section one hundred seventy-nine (d) of the
20	internal revenue code.
21	(k-1) A net operating loss deduction shall be allowed which shall be
22	presumably the same as the net operating loss deduction allowed under
23	section one hundred seventy-two of the internal revenue code, except
24	that in every instance where such deduction is allowed under this arti-
25	cle:
26	(1) any net operating loss included in determining such deduction
27	shall be adjusted to reflect the inclusions and exclusions from entire
28	net income required by the other provisions of this section,
29	(2) such deduction shall not include any net operating loss sustained
30	during any taxable year beginning prior to January first, two thousand
31	one, or during any taxable year in which the taxpayer was not subject to
32	
	the tax imposed by this article,
33	(3) such deduction shall not exceed the deduction for the taxable year
34	allowed under section one hundred seventy-two of the internal revenue
35	code augmented by the excess of the amount allowed as a deduction pursu-
36	ant to subsection (h) or (i) of this section, whichever is applicable,
37	over the amount allowed as a deduction pursuant to section 166 or 585 of
38	the internal revenue code, for each taxable year in which the taxpayer
39	had a net operating loss which is carried to the taxable year of the
40	deduction under this provision, in the aggregate, (except to the extent
41	such excess was previously deducted in computing entire net income), and
42	(4) the net operating loss deduction allowed under section one hundred
43	seventy-two of the internal revenue code shall for purposes of this
44	subsection be determined as if the taxpayer had elected under such
45	section to relinquish the entire carryback period with respect to net
46	operating losses.
47	(1) In the case of a savings and insurance bank which conducts a life
48	insurance business through a life insurance department under the author-
40 49	ity of former article six-A of the banking law, entire net income means
50 E 1	the federal taxable income which such bank is required to report to the
51	United States treasury department under paragraph one of subsection (a)
52	of section five hundred ninety-four of the internal revenue code and the
53	modifications required by this section in computing entire net income
54	shall only be made with respect to such federal taxable income.

1	(m) If the period covered by a return under this article is other than
2	the period covered by the return to the United States treasury depart-
3	ment,
4	(1) except as provided in paragraph two of this subsection, entire net
5	income and alternative entire net income shall be determined by multi-
6	plying the taxable income reported to such department (as adjusted
7	pursuant to the provisions of this article) by the number of calendar
8	months or major parts thereof covered by the return under this article
9	and dividing by the number of calendar months or major parts thereof
10	covered by the return to such department. If it shall appear that such
11	method of determining entire net income or alternative entire net income
12	does not properly reflect the taxpayer's income during the period
13	covered by the return under this article, the commissioner shall be
14	authorized in his or her discretion to determine such entire net income
15	or alternative entire net income solely on the basis of the taxpayer's
16	income during the period covered by its return under this article.
17	(2) in the case of a New York S termination year, an equal portion of
18	entire net income shall be assigned to each day of such year. The
19	portion of such entire net income thereby assigned to the S short year
	and the C short year shall be included in the respective returns for the
20 21	
21 22	<u>S short year and the C short year under this article. However, where</u> paragraph three of subsection (s) of section six hundred twelve of this
23	chapter applies, the portion of such entire net income assigned to the S
24	short year and the C short year shall be determined under normal
25	accounting rules.
26	
	(n) The tax commission may, whenever necessary in order properly to
27	reflect the entire net income of any taxpayer, determine the year or
28	period in which any item of income or deduction shall be included, with-
29	out regard to the method of accounting employed by the taxpayer.
30	(o) QSSS. (1) New York S corporation. In the case of a New York S
31	corporation which is the parent of a qualified subchapter S subsidiary
32	(QSSS) with respect to a taxable year:
33	(A) where the QSSS is not an excluded corporation,
34	(i) in determining the entire net income of such parent corporation,
35	all assets, liabilities, income and deductions of the QSSS shall be
36	treated as assets, liabilities, income and deductions of the parent
37	corporation, and
38	(ii) the QSSS shall be exempt from all taxes imposed by this article,
39	and
40	(B) where the QSSS is an excluded corporation, the entire net income
41	of the parent corporation shall be determined as if the federal QSSS
42	election had not been made.
43	(2) New York C corporation. In the case of a New York C corporation
44	which is the parent of a QSSS with respect to a taxable year:
45	(A) where the QSSS is a taxpayer,
46	(i) in determining the entire net income of such parent corporation,
47	all assets, liabilities, income and deductions of the QSSS shall be
48	treated as assets, liabilities, income and deductions of the parent
49	corporation, and
50	(ii) the QSSS shall be exempt from all taxes imposed by this article,
51	and
52	<u>(B) where the QSSS is not a taxpayer,</u>
53	
	(i) if the QSSS is not an excluded corporation, the parent corporation
54	may make a QSSS inclusion election to include all assets, liabilities,

(ii) in the absence of such election, or where the QSSS is an excluded 1 2 corporation, the entire net income of the parent corporation shall be 3 determined as if the federal QSSS election had not been made. 4 (3) Non-New York S corporation not excluded. not be deducted from the tax otherwise due by reason of the final 1 sentence of this paragraph, any amount of credit or carryovers of such 2 3 credit thus not deductible in such taxable year may be carried over to 4 the following year or years and may be deducted from the tax for such 5 year or years. In addition, the amount of such credit, and carryovers of б such credit to the taxable year, deducted from the tax otherwise due may not, in the aggregate, exceed fifty percent of the tax imposed under 7 8 section fourteen hundred fifty-five of this article computed without 9 regard to any credit provided for under this article. 10 (2-a) Any carryover of a credit from prior taxable years will not be 11 allowed to an empire zone enterprise which is the basis of the credit, if an empire zone retention certificate is not issued to such entity 12 pursuant to subdivision (w) of section nine hundred fifty-nine of the 13 14 general municipal law. (3) Where the stock, partnership interest or other ownership interest 15 arising from a qualified investment as described in subparagraphs (A) 16 17 and (B) of paragraph one of this subsection is disposed of, the taxpayer's entire net income shall be computed, pursuant to regulations 18 19 promulgated by the commissioner, so as to properly reflect the reduced 20 cost thereof arising from the application of the credit provided for 21 herein. 22 (4)(A) Where a taxpayer sells, transfers or otherwise disposes of corporate stock, a partnership interest or other ownership interest 23 arising from the making of a qualified investment which was the basis, 24 in whole or in part, for the allowance of the credit provided for under 25 26 this subsection, or where a contribution or investment which was the 27 basis for such allowance is in any manner, in whole or in part, recovered by such taxpayer, and such disposition or recovery occurs during 28 29 the taxable year or within thirty-six months from the close of the taxa-30 ble year with respect to which such credit is allowed, subparagraph (B) 31 of this paragraph shall apply. 32 (B) The taxpayer shall add back with respect to the taxable year in 33 which the disposition or recovery described in subparagraph (A) of this paragraph occurred the required portion of the credit originally 34 35 allowed. 36 (C) The required portion of the credit originally allowed shall be the 37 product of (i) the portion of such credit attributable to the property 38 disposed of or the payment or contribution recovered and (ii) the appli-39 cable percentage. 40 (D) The applicable percentage shall be: (i) one hundred percent, if the disposition or recovery occurs within 41 42 the taxable year with respect to which the credit is allowed or within 43 twelve months of the end of such taxable year, 44 (ii) sixty-seven percent, if the disposition or recovery occurs more than twelve but not more than twenty-four months after the end of the 45 46 taxable year with respect to which the credit is allowed, or 47 (iii) thirty-three percent, if the disposition or recovery occurs more than twenty-four but not more than thirty-six months after the end of 48 49 the taxable year with respect to which the credit is allowed. (5) If the designation of an area as an empire zone is no longer in 50 51 effect because the designations of all empire zones pursuant to article 52 eighteen-B of the general municipal law have expired, a taxpayer that 53 has made a contribution of money on or before the day immediately 54 preceding the day the empire zones expired to a community development project approved by the commissioner of economic development shall be 55 deemed eligible to claim the empire zone capital credit under subpara-56

1	graph (C) of paragraph one of this subsection for additional contrib-
2	utions made prior to April first, two thousand fourteen and certified by
3	the commissioner of economic development to that community development
4	project as payment of a commitment made by the taxpayer to that communi-
5	ty development project before the empire zones expired.
б	(e) Empire zone wage tax credit. (1) A taxpayer shall be allowed a
7	credit, to be computed as hereinafter provided, against the tax imposed
8	by this article where the taxpayer has been certified pursuant to arti-
9	cle eighteen-B of the general municipal law. The amount of such credit
10	shall be as prescribed in paragraph four hereof.
11	(2) For purposes of this subsection, the following terms shall have
12	the following meanings: (A) "Empire zone wages" means wages paid by the
13	taxpayer for full-time employment, other than to general executive offi-
14	cers, during the taxable year in an area designated or previously desig-
15	nated as an empire zone or zone equivalent area pursuant to article
16	eighteen-B of the general municipal law where such employment is in a
17	job created in the area (i) during the period of its designation as an
18	empire zone, (ii) within four years of the expiration of such desig-
19	nation, or (iii) during the ten year period immediately following the
20	date of designation as a zone equivalent area, provided, however, that
21	if the taxpayer's certification under article eighteen-B of the general
22	municipal law is revoked with respect to an empire zone or zone equiv-
23	alent area, any wages paid by the taxpayer, on or after the effective
24	date of such decertification, for employment in such zone shall not
25	constitute empire zone wages.
26	(B) "Targeted employee" means a New York resident who receives empire
27	zone wages and who is (i) an eligible individual under the provisions of
28	the targeted jobs tax credit (section fifty-one of the internal revenue
29	code), (ii) eligible for benefits under the provisions of the workforce
30	investment act as a dislocated worker or low-income individual (P.L.
31	105-220, as amended), (iii) a recipient of public assistance benefits,
32	(iv) an individual whose income is below the most recently established
33	poverty rate promulgated by the United States department of commerce, or
34	a member of a family whose family income is below the most recently
35	established poverty rate promulgated by the appropriate federal agency
36	or (v) an honorably discharged member of any branch of the armed forces
37	of the United States.
38	An individual who satisfies the criteria set forth in clause (i),
39	(ii), (iv) or (v) of this subparagraph at the time of initial employment
40	in the job with respect to which the credit is claimed, or who satisfies
41	the criterion set forth in clause (iii) of this subparagraph at such
42	time or at any time within the previous two years, shall be a targeted
43	employee so long as such individual continues to receive empire zone
44	wages.
45	(C) "Average number of individuals, excluding general executive offi-
46	cers, employed full-time" shall be computed by ascertaining the number
47	of such individuals employed by the taxpayer on the thirty-first day of
48	March, the thirtieth day of June, the thirtieth day of September and the
49	thirty-first day of December during each taxable year or other applica-
50	ble period, by adding together the number of such individuals ascer-
51	tained on each of such dates and dividing the sum so obtained by the
52	number of such dates occurring within such taxable year or other appli-
53	cable period.
54	(3) The credit provided for herein shall be allowed only where the
55	average number of individuals, excluding general executive officers,
56	employed full-time by the taxpayer in (A) (i) the state and (ii) the

empire zone or area previously constituting such zone or zone equivalent 1 2 area, during the taxable year exceeds the average number of such indi-3 viduals employed full-time by the taxpayer in (B) (i) the state and (ii) 4 such zone or area subsequently or previously constituting such zone or 5 such zone equivalent area, respectively, during the four years immeб diately preceding the first taxable year in which the credit is claimed 7 with respect to such zone or area. Where the taxpayer provided full-time 8 employment within (C) (i) the state or (ii) such zone or area during 9 only a portion of such four-year period, then for purposes of this para-10 graph the term "four years" shall be deemed to refer instead to such 11 portion, if any. The credit shall be allowed only with respect to the first taxable 12 13 year during which payments of empire zone wages are made and the condi-14 tions set forth in this paragraph are satisfied, and with respect to each of the four taxable years next following (but only, with respect to 15 16 each of such years, if such conditions are satisfied), in accordance 17 with paragraph four of this subsection. Subsequent certifications of the taxpayer pursuant to article eighteen-B of the general municipal law, at 18 19 the same or a different location in the same empire zone or zone equiv-20 alent area or at a location in a different empire zone or zone equiv-21 alent area, shall not extend the five taxable year time limitation on the allowance of the credit set forth in the preceding sentence. 22 Provided, further, however, that no credit shall be allowed with respect 23 to any taxable year beginning more than four years following the taxable 24 25 year in which designation as an empire zone expired or more than ten 26 years after the designation as a zone equivalent area. 27 (4) The amount of the credit shall equal the sum of (A) the product of 28 three thousand dollars and the average number of individuals (excluding 29 general executive officers) employed full-time by the taxpayer, computed 30 pursuant to the provisions of subparagraph (C) of paragraph two of this 31 subsection, who (i) received empire zone wages for more than half of the 32 taxable year, (ii) received, with respect to more than half of the peri-33 od of employment by the taxpayer during the taxable year, an hourly wage 34 which was at least one hundred thirty-five percent of the minimum wage 35 specified in section six hundred fifty-two of the labor law, and (iii) 36 are targeted employees; and 37 (B) the product of fifteen hundred dollars and the average number of 38 individuals (excluding general executive officers and individuals described in subparagraph (A) of this paragraph) employed full-time by 39 the taxpayer, computed pursuant to the provisions of subparagraph (C) of 40 paragraph two of this subsection, who received empire zone wages for 41 42 more than half of the taxable year. 43 (C) For purposes of calculating the amount of the credit, individuals 44 employed within an empire zone or zone equivalent area within the imme-45 diately preceding sixty months by a related person, as such term is 46 defined in subparagraph (c) of paragraph three of subsection (b) of section four hundred sixty-five of the internal revenue code, shall not 47 be included in the average number of individuals described in subpara-48 graph (A) or subparagraph (B) of this paragraph, unless such related 49 person was never allowed a credit under this subsection with respect to 50 such employees. For the purposes of this subparagraph, a "related 51 52 person" shall include an entity which would have qualified as a "related 53 person" to the taxpayer if it had not been dissolved, liquidated, merged 54 with another entity or otherwise ceased to exist or operate. (D) If a taxpayer is certified in an empire zone designated under 55 56 subdivision (a) or (d) of section nine hundred fifty-eight of the gener-

59

al municipal law, the dollar amounts specified under subparagraph (A) or 1 (B) of this paragraph shall be increased by five hundred dollars for 2 3 each qualifying individual under such subparagraph who received, during 4 the taxable year, wages in excess of forty thousand dollars. 5 (E) The requirement in this paragraph that an employee must receive б empire zone wages for more than half the taxable year shall not apply in 7 the first taxable year of a taxpayer satisfying the criteria set forth 8 in this subparagraph. In such a case, the credit allowed under this 9 subsection shall be computed by utilizing the number of individuals 10 (excluding general executive officers) employed full time by the taxpay-11 er on the last day of its first taxable year. A taxpayer shall satisfy the following criteria: (i) such taxpayer acquired real or tangible 12 13 personal property during its first taxable year from an entity which is 14 not a related person (as such term is defined in subdivision (g) of section fourteen of this chapter); (ii) the first taxable year of such 15 16 taxpayer shall be a short taxable year of not more than seven months in 17 duration; and (iii) the number of individuals employed full-time on the 18 last day of such first taxable year shall be at least one hundred ninety 19 and substantially all of such individuals must have been previously 20 employed by the entity from whom such taxpayer purchased its assets. 21 Provided, further, however, that the credit provided for herein with 22 respect to the taxable year, and carryovers of such credit to the taxable year, deducted from the tax otherwise due, may not, in the aggre-23 gate, exceed fifty percent of the tax imposed under section fourteen 24 hundred fifty-five computed without regard to any credit provided for 25 26 under this article. 27 (5) The credit and carryovers of such credit allowed under this subsection for any taxable year shall not, in the aggregate, reduce the 28 29 tax due for such year to less than the minimum tax fixed by subsection 30 (b) of section fourteen hundred fifty-five of this article. However, if 31 the amount of credit or carryovers of such credit, or both, allowed 32 under this subsection for any taxable year reduces the tax to such 33 amount, or if any part of the credit or carryovers of such credit may not be deducted from the tax otherwise due by reason of the final 34 35 sentence in paragraph four hereof, any amount of credit or carryovers of such credit thus not deductible in such taxable year may be carried over 36 37 to the following year or years and may be deducted from the taxpayer's 38 tax for such year or years. 39 (5-a) Any carry over of a credit from prior taxable years will not be allowed if an empire zone retention certificate is not issued pursuant 40 41 to subdivision (w) of section nine hundred fifty-nine of the general 42 municipal law to the empire zone enterprise which is the basis of the credit. 43 44 <u>Hire a vet credit. (1) Allowance of credit. For taxable years</u> (e-1) 45 beginning on or after January first, two thousand nineteen and before 46 January first, two thousand twenty-one, a taxpayer shall be allowed a credit, to be computed as provided in this subsection, against the tax 47 48 imposed by this article, for hiring and employing, for not less than one year and for not less than thirty-five hours each week, a qualified 49 veteran within the state. The taxpayer may claim the credit in the year 50 51 in which the qualified veteran completes one year of employment by the taxpayer. If the taxpayer claims the credit allowed under this 52 53 subsection, the taxpayer may not use the hiring of a qualified veteran 54 that is the basis for this credit in the basis of any other credit 55 allowed in this article. 56 (2) Qualified veteran. A qualified veteran is an individual:

60

1	(A) who served on active duty in the United States army, navy, air
2	force, marine corps, coast quard or the reserves thereof, or who served
3	in active military service of the United States as a member of the army
4	national guard, air national guard, New York guard or New York naval
5	militia; who was released from active duty by general or honorable
6	discharge after September eleventh, two thousand one;
7	(B) who commences employment by the qualified taxpayer on or after
8	January first, two thousand fourteen, and before January first, two
9	thousand seventeen; and
10	(C) who certifies by signed affidavit, under penalty of perjury, that
11	he or she has not been employed for thirty-five or more hours during any
12	week in the one hundred eighty day period immediately prior to his or
13	her employment by the taxpayer.
14	(3) Employer prohibition. An employer shall not discharge an employee
15	and hire a qualifying veteran solely for the purpose of qualifying for
16	this credit.
17	(4) Amount of credit. The amount of the credit shall be ten percent of
18	the total amount of wages paid to the qualified veteran during the
19	veteran's first full year of employment. Provided, however, that, if the
20	qualified veteran is a disabled veteran, as defined in paragraph (b) of
21	subdivision one of section eighty-five of the civil service law, the
22	amount of the credit shall be fifteen percent of the total amount of
23	wages paid to the qualified veteran during the veteran's first full year
24	of employment. The credit allowed pursuant to this subsection shall not
25	exceed in any taxable year, five thousand dollars for any qualified
26	veteran and fifteen thousand dollars for any qualified veteran who is a
27	disabled veteran.
28	(5) Carryover. The credit allowed under this subsection for any taxa-
29	ble year shall not reduce the tax due for such year to less than the
	amount prescribed in paragraph three of subsection (b) of section four-
30	teen hundred fifty-five of this article. However, if the amount of cred-
31	
32	it allowable under this subsection for any taxable year reduces the tax
33	to such amount, any amount of credit not deductible in such taxable year
34	may be carried over to the following three years and may be deducted
35	from the taxpayer's tax for such year or years.
36	(f) Credit for employment of persons with disabilities. (1) Allowance
37	of credit. A taxpayer shall be allowed a credit, to be computed as here-
38	inafter provided, against the tax imposed by this article, for employing
39	within the state a qualified employee.
40	(2) Qualified employee. A qualified employee is an individual:
41	(A) who is certified by the education department, or in the case of an
42	individual who is blind or visually handicapped, by the state agency
43	responsible for provision of vocational rehabilitation services to the
44	blind and visually handicapped: (i) as a person with a disability which
45	constitutes or results in a substantial handicap to employment and (ii)
46	as having completed or as receiving services under an individualized
47	written rehabilitation plan approved by the education department or
48	other state agency responsible for providing vocational rehabilitation
49	services to such individual; and
50	(B) who has worked on a full-time basis for the employer who is claim-
51	ing the credit for at least one hundred eighty days or four hundred
52	hours.
53	(3) Amount of credit. Except as provided in paragraph four of this
54	subsection, the amount of credit shall be thirty-five percent of the
55	first six thousand dollars in qualified first-year wages earned by each
56	qualified employee. "Qualified first-year wages" means wages paid or

61 during the taxa

incurred by the taxpayer during the taxable year to qualified employees 1 2 which are attributable, with respect to any such employee, to services rendered during the one-year period beginning with the day the employee 3 4 begins work for the taxpayer. 5 (4) Credit where federal work opportunity tax credit applies. With б respect to any qualified employee whose qualified first-year wages under paragraph three of this subsection also constitute qualified first-year 7 8 wages for purposes of the work opportunity tax credit for vocational 9 rehabilitation referrals under section fifty-one of the internal revenue 10 code, the amount of credit under this subsection shall be thirty-five 11 percent of the first six thousand dollars in qualified second-year wages earned by each such employee. "Qualified second-year wages" means wages 12 paid or incurred by the taxpayer during the taxable year to qualified 13 14 employees which are attributable, with respect to any such employees, to services rendered during the one-year period beginning one year after 15 16 the employee begins work for the taxpayer. 17 (5) Carryover. The credit and carryovers of such credit allowed under this subsection for any taxable year shall not, in the aggregate, reduce 18 the tax due for such year to less than the minimum tax fixed by 19 20 subsection (b) of section fourteen hundred fifty-five of this article. 21 However, if the amount of credit or carryovers of such credit, or both, allowed under this subdivision for any taxable year reduces the tax to 22 such amount, then any amount of credit or carryovers of such credit thus 23 not deductible in such taxable year may be carried over to the following 24 25 year or years and may be deducted from the taxpayer's tax for such year 26 or years. 27 (6) Coordination with federal work opportunity tax credit. The provisions of sections fifty-one and fifty-two of the internal revenue 28 29 code, as such sections applied on October first, nineteen hundred nine-30 ty-six, that apply to the work opportunity tax credit for vocational 31 rehabilitation referrals shall apply to the credit under this subsection 32 to the extent that such sections are consistent with the specific 33 provisions of this subsection, provided that in the event of a conflict 34 the provisions of this subsection shall control. (g) Order of credits. Credits allowable under this article which 35 cannot be carried over and which are not refundable shall be deducted 36 first. Credits allowable under this article which can be carried over, 37 and carryovers of such credits, shall be deducted next, and among such 38 credits, those whose carryover is of limited duration shall be deducted 39 before those whose carryover is of unlimited duration; provided, howev-40 41 er, that the credit allowable under subsection (e) of this section shall 42 be deducted prior to all other credits described in this sentence. 43 Credits allowable under this article which are refundable shall be 44 deducted last. (h) Credits for New York S corporations. Notwithstanding the 45 46 provisions of this section, no carryover of credit allowable in a New 47 York C year shall be deducted from the tax otherwise due under this article in a New York S year, and no credit allowable in a New York S 48 year, or carryover of such credit, shall be deducted from the tax 49 imposed by this article. However, a New York S year shall be treated as 50 51 a taxable year for purposes of determining the number of taxable years 52 to which a credit may be carried over under this section. Notwithstand-53 ing the first sentence of this subsection, however, the credit for the 54 special additional mortgage recording tax shall be allowed as provided 55 in subsection (c) of this section, and the carryover of any such credit

shall be determined without regard to whether the credit is carried from 1 2 a New York C year to a New York S year or vice-versa. 3 (i) Investment tax credit (ITC). (1) A taxpayer shall be allowed a 4 credit, to be computed as hereinafter provided, against the tax imposed 5 by this article. Provided, however, a taxpayer shall not be allowed such б credit provided by this paragraph unless (i) eighty percent or more of the employees performing the administrative and support functions 7 8 resulting from or related to the qualifying uses of such equipment are 9 located in this state, or (ii) the average number of employees that 10 perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this 11 state during the taxable year for which the credit is claimed is equal 12 13 to or greater than ninety-five percent of the average number of employ-14 ees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the cred-15 16 it is claimed, or (iii) the number of employees located in this state 17 during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this 18 19 state on December thirty-first, nineteen hundred ninety-eight or, if the 20 taxpayer was not a calendar year taxpayer in nineteen hundred ninety-21 eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes 22 subject to tax in this state after the taxable year beginning in nine-23 teen hundred ninety-eight, then the taxpayer is not required to satisfy 24 25 the employment test provided in the preceding sentence of this subpara-26 graph for its first taxable year. For the purposes of subparagraph (iii) 27 of this paragraph the employment test will be based on the number of 28 employees located in this state on the last day of the first taxable 29 year the taxpayer is subject to tax in this state. If the uses of the 30 property must be aggregated to determine whether the property is princi-31 pally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must 32 33 be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment 34 adviser using the property. The amount of the credit shall be the 35 36 percent provided for herein below of the investment credit base. The 37 investment credit base is the cost or other basis for federal income tax 38 purposes of tangible personal property and other tangible property, 39 including buildings and structural components of buildings, described in paragraph two of this subsection, less the amount of the nonqualified 40 nonrecourse financing with respect to such property to the extent such 41 42 financing would be excludible from the credit base pursuant to section 43 46(c)(8) of the Internal Revenue Code (treating such property as section 44 thirty-eight property irrespective of whether or not it in fact consti-45 tutes section thirty-eight property). If, at the close of a taxable 46 year following the taxable year in which such property was placed in 47 service, there is a net decrease in the amount of nonqualified nonrecourse financing with respect to such property, such net decrease shall 48 be treated as if it were the cost or other basis of property described 49 in paragraph two of this subsection acquired, constructed, reconstructed 50 51 or erected during the year of the decrease in the amount of nonqualified 52 nonrecourse financing. In the case of a combined report the term invest-53 ment credit base shall mean the sum of the investment credit base of 54 each corporation included on such report. The percentage to be used to 55 compute the credit allowed pursuant to this subsection shall be 56 For taxable years beginning after

..... five percent with 1 1997 respect to the first three hundred fifty million dollars of 2 3 the investment credit base, and four percent with respect to the investment credit base in excess of three hundred fifty 4 5 million dollars. б (2) A credit shall be allowed under this subsection with respect to 7 tangible personal property and other tangible property, including build-8 ings and structural components of buildings, which are: depreciable 9 pursuant to section one hundred sixty-seven of the Internal Revenue 10 Code, have a useful life of four years or more, are acquired by purchase 11 as defined in section one hundred seventy-nine (d) of the Internal Revenue Code, have a situs in this state and are (A) principally used in 12 the ordinary course of the taxpayer's trade or business as a broker or 13 14 dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, 15 16 assignment, termination, or transfer) of stocks, bonds or other securi-17 ties as defined in section four hundred seventy-five (c) (2) of the Internal Revenue Code, or of commodities as defined in section four 18 19 hundred seventy-five (e) of the Internal Revenue Code, or (B) principal-20 ly used in the ordinary course of the taxpayer's trade or business of 21 providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue 22 Code, or lending, loan arrangement or loan origination services to 23 customers in connection with the purchase or sale (which shall include 24 25 but not be limited to the issuance, entering into, assumption, offset, 26 assignment, termination, or transfer) of securities as defined in 27 section four hundred seventy-five (c) (2) of the Internal Revenue Code. For purposes of subparagraphs (A) and (B) of this paragraph, property 28 29 purchased by a taxpayer affiliated with a regulated broker, dealer, or 30 registered investment adviser is allowed a credit under this subsection 31 if the property is used by its affiliated regulated broker, dealer, or registered investment adviser in accordance with this subsection. For 32 33 purposes of determining if the property is principally used in qualify-34 ing uses, the uses by the taxpayer described in subparagraphs (A) and 35 (B) of this paragraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer and registered invest-36 37 ment adviser under either or both of such subparagraphs may be aggre-38 gated. (3) A taxpayer shall not be allowed a credit under this subsection 39 with respect to any property described in paragraph two of this 40 subsection if such property qualifies for the deduction allowed under 41 42 subsection (k) of section one thousand four hundred fifty-three of this 43 article whether or not such amount shall have been deducted. (4) A taxpayer shall not be allowed a credit under this 44 subsection 45 with respect to tangible personal property and other tangible property, 46 including buildings and structural components of buildings, which it leases to any other person or corporation except where a taxpayer leases 47 48 property to an affiliated broker, dealer, or registered investment adviser that uses such property in accordance with subparagraph (A) or 49 (B) of paragraph two of this subsection. For purposes of the preceding 50 51 sentence, any contract or agreement to lease or rent or for a license to 52 use such property shall be considered a lease. 53 (5) Except as otherwise provided in this paragraph, the credit allowed 54 under this subsection for any taxable year shall not reduce the tax due 55 for such year to less than the dollar amount fixed as a minimum tax by 56 subsection (b) of section one thousand four hundred fifty-five of this

64

article. However, if the amount of credit allowable under this 1 subsection for any taxable year reduces the tax to such amount, any 2 3 amount of credit allowed for a taxable year may be carried over to the 4 fifteen taxable years next following such taxable year and may be 5 deducted from the taxpayer's tax for such year or years. In lieu of such б carryover, any such taxpayer which qualifies as a new business under 7 paragraph eight of this subsection may elect to treat the amount of such 8 carryover as an overpayment of tax to be credited or refunded in accord-9 ance with the provisions of section one thousand eighty-six of this 10 chapter, provided, however, the provisions of subsection (c) of section 11 one thousand eighty-eight of this chapter notwithstanding no interest shall be paid thereon. 12 (6) At the option of the taxpayer an eligible business facility for 13 14 which a credit is allowed under subsection (b) of this section may be treated as property (A) principally used in the ordinary course of the 15 16 taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the 17 issuance, entering into, assumption, offset, assignment, termination, or 18 transfer) of stocks, bonds or other securities as defined in section 19 20 four hundred seventy-five (c) (2) of the Internal Revenue Code, or of 21 commodities as defined in section four hundred seventy-five (e) of the 22 Internal Revenue Code, or (B) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory 23 services for a regulated investment company as defined in section eight 24 25 hundred fifty-one of the Internal Revenue Code, or lending, loan 26 arrangement or loan origination services to customers in connection with 27 the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or 28 29 transfer) of securities as defined in section four hundred seventy-five 30 (c) (2) of the Internal Revenue Code provided the property otherwise 31 gualifies under paragraph two of this subsection, in which event a cred-32 it shall not be allowed under subsection (b) of this section. 33 (7)(A) With respect to property which is depreciable pursuant to section one hundred sixty-seven of the Internal Revenue Code but is not 34 subject to the provisions of section one hundred sixty-eight of such 35 36 code and which is disposed of or ceases to be in qualified use prior to 37 the end of the taxable year in which the credit is to be taken, the 38 amount of the credit shall be that portion of the credit provided for in 39 this subsection which represents the ratio which the months of qualified use bear to the months of useful life. If property on which credit has 40 been taken is disposed of or ceases to be in qualified use prior to the 41 42 end of its useful life, the difference between the credit taken and the 43 credit allowed for actual use must be added back in the year of disposition. Provided, however, if such property is disposed of or ceases to be 44 45 in qualified use after it has been in qualified use for more than twelve 46 consecutive years, it shall not be necessary to add back the credit as 47 provided in this subparagraph. The amount of credit allowed for actual use shall be determined by multiplying the original credit by the ratio 48 49 which the months of qualified use bear to the months of useful life. For purposes of this subparagraph, useful life of property shall be the same 50 51 as the taxpayer uses for depreciation purposes when computing his feder-52 al income tax liability. 53 (B) Except with respect to that property to which subparagraph (D) of 54 this paragraph applies, with respect to three-year property, as defined in subsection (e) of section one hundred sixty-eight of the Internal 55 Revenue Code, which is disposed of or ceases to be in qualified use 56

prior to the end of the taxable year in which the credit is to be taken, 1 the amount of the credit shall be that portion of the credit provided 2 3 for in this subsection which represents the ratio which the months of 4 qualified use bear to thirty-six. If property on which credit has been 5 taken is disposed of or ceases to be in qualified use prior to the end б of thirty-six months, the difference between the credit taken and the 7 credit allowed for actual use must be added back in the year of disposition. The amount of credit allowed for actual use shall be determined by 8 9 multiplying the original credit by the ratio which the months of quali-10 fied use bear to thirty-six. 11 (C) Except with respect to that property to which subparagraph (D) of this paragraph applies, with respect to property subject to the 12 13 provisions of section one hundred sixty-eight of the Internal Revenue Code, other than three-year property as defined in subsection (e) of 14 such section one hundred sixty-eight which is disposed of or ceases to 15 16 be in qualified use prior to the end of the taxable year in which the 17 credit is to be taken, the amount of the credit shall be that portion of the credit provided for in this subsection which represents the ratio 18 19 which the months of qualified use bear to sixty. If property on which 20 credit has been taken is disposed of or ceases to be in qualified use 21 prior to the end of sixty months, the difference between the credit taken and the credit allowed for actual use must be added back in the 22 year of disposition. The amount of credit allowed for actual use shall 23 be determined by multiplying the original credit by the ratio which the 24 25 months of qualified use bear to sixty. 26 (D) With respect to any property to which section one hundred sixty-27 eight of the Internal Revenue Code applies, which is a building or a structural component of a building and which is disposed of or ceases to 28 29 be in a qualified use prior to the end of the taxable year in which the 30 credit is to be taken, the amount of the credit shall be that portion of 31 the credit provided for in this subsection which represents the ratio 32 which the months of qualified use bear to the total number of months 33 over which the taxpayer chooses to deduct the property under the Inter-34 nal Revenue Code. If property on which credit has been taken is disposed 35 of or ceases to be in qualified use prior to the end of the period over which the taxpayer chooses to deduct the property under the Internal 36 37 Revenue Code, the difference between the credit taken and the credit 38 allowed for actual use must be added back in the year of disposition. Provided, however, if such property is disposed of or ceases to be in 39 qualified use after it has been in qualified use for more than twelve 40 41 consecutive years, it shall not be necessary to add back the credit as 42 provided in this subparagraph. The amount of credit allowed for actual 43 use shall be determined by multiplying the original credit by the ratio which the months of qualified use bear to the total number of months 44 45 over which the taxpayer chooses to deduct the property under the Inter-46 nal Revenue Code. 47 (E) For taxable years commencing on or after January first, nineteen 48 hundred ninety-eight the amount required to be added back pursuant to 49 this paragraph shall be augmented by an amount equal to the product of such amount and the underpayment rate of interest (without regard to 50 51 compounding), set by the commissioner pursuant to subsection (e) of 52 section one thousand ninety-six of this chapter, in effect on the last 53 day of the taxable year. 54 (F) If, as of the close of the taxable year, there is a net increase

55 with respect to the taxpayer in the amount of nonqualified nonrecourse 56 financing (within the meaning of section 46(c)(8) of the Internal Reven-

Code) with respect to any property with respect to which the credit 1 ue under this subsection was limited based on attributable nonqualified 2 3 nonrecourse financing, then an amount equal to the decrease in such 4 credit which would have resulted from reducing, by the amount of such 5 net increase, the cost or other basis taken into account with respect to б such property must be added back in such taxable year. The amount of 7 nonqualified nonrecourse financing shall not be treated as increased by 8 reason of a transfer of (or agreement to transfer) any evidence of an 9 indebtedness if such transfer occurs (or such agreement is entered into) 10 more than one year after the date such indebtedness was incurred. 11 (8) For purposes of paragraph five of this subsection, a new business shall include any corporation, except a corporation which: 12 13 (A) over fifty percent of the number of shares of stock entitling the 14 holders thereof to vote for the election of directors or trustees is owned or controlled, either directly or indirectly, by a taxpayer 15 16 subject to tax under this article; section one hundred eighty-three, one 17 hundred eighty-four or one hundred eighty-five of article nine; article nine-A or article thirty-three of this chapter; or 18 19 (B) is substantially similar in operation and in ownership to a busi-20 ness entity (or entities) taxable, or previously taxable, under this 21 article; section one hundred eighty-three, one hundred eighty-four or one hundred eighty-five of article nine; article nine-A or article thir-22 ty-three of this chapter; article twenty-three of this chapter or which 23 would have been subject to tax under such article twenty-three (as such 24 25 article was in effect on January first, nineteen hundred eighty) or the 26 income (or losses) of which is (or was) includable under article twen-27 ty-two of this chapter whereby the intent and purpose of this paragraph 28 and paragraph five of this subsection with respect to refunding of cred-29 it to new business would be evaded; or 30 (C) has been subject to tax under this article for more than five taxable years (excluding short taxable years). 31 32 (9)(A)(i) If a taxpayer is required by paragraph seven of this subsection to add back a portion of the credit taken because property 33 was destroyed or ceased to be in qualified use as a direct result of the 34 35 September eleventh, two thousand one terrorist attacks, such taxpayer 36 may elect to defer the amount to be recaptured for all such property to 37 the taxable year next succeeding the taxable year in which the 38 destruction or cessation of qualified use occurred. The taxable year in which the destruction or cessation of qualified use occurred shall be 39 hereinafter referred to as the "recapture event taxable year". If the 40 taxpayer's total employment number in the state on the last day of the 41 42 taxable year next succeeding the recapture event taxable year is a 43 significant percentage of the taxpayer's average total employment number 44 in the state for the taxpayer's recapture event taxable year and the two 45 taxable years immediately preceding the recapture event taxable year, 46 then the taxpayer shall not be required to recapture any credit with 47 respect to such property. If the taxpayer's total employment number in the state on the last day of the taxable year next succeeding the recap-48 ture event taxable year is not a significant percentage of the taxpay-49 er's average total employment number in the state for the taxpayer's 50 51 recapture event taxable year and the two taxable years immediately preceding the recapture event taxable year, the taxpayer shall be 52 53 required to recapture the portion of the credit taken under this 54 subsection, as required by paragraph seven of this subsection, for all of its property destroyed or which ceased to be in qualified use as a 55 56 direct result of the September eleventh, two thousand one terrorist

The amount required to be recaptured shall be augmented as 1 required pursuant to subparagraph (E) of paragraph seven of this 2 3 subsection by using an interest rate equal to two times the rate of 4 interest specified in such subparagraph seven applicable for the taxable 5 year in which the recapture occurs. б (ii) The taxpayer's total employment number shall include all employ-7 ees of the taxpayer employed full-time by the taxpayer in the state. The 8 average total employment number for the recapture event taxable year and 9 the two taxable years immediately preceding the recapture event taxable 10 year shall be computed by determining the taxpayer's total employment 11 number on the thirty-first day of March, the thirtieth day of June, the thirtieth day of September and the thirty-first day of December during 12 13 the applicable taxable years, adding together the number of such indi-14 viduals determined to be so employed on each of such dates and dividing the sum so obtained by the number of such dates occurring within such 15 16 applicable taxable years. However, in the case of the taxable year which 17 included September eleventh, two thousand one, the average total employment number for such taxable year shall be determined by using the total 18 19 employment number on September first, two thousand one in lieu of 20 September thirtieth, two thousand one and, if such taxable year included 21 December thirty-first, two thousand one, by excluding the total employment number on December thirty-first, two thousand one. 22 (B) In lieu of subparagraph (A) of this paragraph, a taxpayer may 23 24 elect to recapture the portion of the credit taken under this subsection, as required by paragraph seven of this subsection, for all 25 26 of its property destroyed or which ceased to be in qualified use as a 27 direct result of the September eleventh, two thousand one terrorist attacks, in the taxable year in which the destruction or cessation of 28 29 qualified use occurred. If the taxpayer makes such election and acquires 30 property (hereinafter referred to as "replacement property") to replace 31 any property destroyed as a direct result of the September eleventh, two 32 thousand one terrorist attacks (regardless of when such property was 33 placed in service and whether a credit was claimed on that property pursuant to this subsection), and such replacement property is similar 34 35 or related in service or use to such destroyed property, the investment 36 credit base of the replacement property shall be determined without 37 regard to any basis reduction required pursuant to section 1033 of the 38 internal revenue code. 39 (C) The election made by the taxpayer under subparagraph (A) or (B) of 40 this paragraph shall be made in the manner and form prescribed by the 41 commissioner. 42 (D) A taxpayer, over fifty percent of whose employees died as a direct 43 result of the September eleventh, two thousand one terrorist attacks, 44 may make the election provided for in subparagraph (A) of this para-45 graph, and shall not be required to recapture any credit with respect to 46 property which was destroyed or which ceased to be in qualified use as a 47 direct result of such attacks, whether or not it meets the employment test specified in clause (i) of subparagraph (A) of this paragraph. 48 49 (j) Credit for purchase of an automated external defibrillator. taxpayer shall be allowed a credit as hereinafter provided, against the 50 51 tax imposed by this article for the purchase, other than for resale, of an automated external defibrillator, as such term is defined in section 52 53 three thousand-b of the public health law. 29	article. However, if the amount of credit or carryovers of such credit,
30	or both, allowed under this subsection for any taxable year reduces the

A declaration of estimated tax and a 9 declaration of estimated tax surcharge shall be filed on or before June 10 fifteenth of the current taxable year in the case of a taxpayer which reports on the basis of a calendar year, except that if the requirements 11 of subsection (a) of this section are first met: 12 13 (1) after May thirty-first and before September first of such current 14 taxable year, the declaration shall be filed on or before September 15 fifteenth, or 16 (2) after August thirty-first and before December first of such current taxable year, the declaration shall be filed on or before Decem-17 18 ber fifteenth. 19 (d) Amendments of declaration. A taxpayer may amend a declaration 20 under regulations of the tax commission. 21 (e) Return as declaration. If, on or before February fifteenth of the succeeding year in the case of a taxpayer whose taxable year is a calen-22 dar year, a taxpayer files its return for the year for which the decla-23 ration is required, and pays therewith the balance, if any, of the full 24 25 amount of the tax or tax surcharge shown to be due on the return: 26 (1) such return shall be considered as its declaration if no declara-27 tion was required to be filed during the taxable year for which the tax or tax surcharge was imposed, but is otherwise required to be filed on 28 29 or before December fifteenth pursuant to paragraph two of subsection (c) 30 of this section, and 31 (2) such return shall be considered as the amendment permitted by subsection (d) of this section to be filed on or before December 32 33 fifteenth if the tax or tax surcharge shown on the return is greater 34 than the estimated tax or estimated tax surcharge, as the case may be, 35 shown on a declaration previously made. (f) Fiscal year. This section shall apply to taxable years of twelve 36 37 months other than a calendar year by the substitutions of the months of 38 such fiscal year for the corresponding months specified in this section. 39 (g) Short taxable period. If the taxable period for which a tax or tax surcharge is imposed by subsection (a) of section fourteen hundred 40 41 fifty-one of this article or section fourteen hundred fifty-five-B of 42 this article, respectively, is less than twelve months, every taxpayer 43 required to make a declaration of estimated tax or a declaration of 44 estimated tax surcharge for such taxable period shall make such a decla-45 ration in accordance with regulations of the commissioner of taxation 46 and finance. 47 (h) Extension of time. The tax commission may grant a reasonable 48 extension of time, not to exceed three months, for the filing of any declaration required pursuant to this section, on such terms and condi-49 50 tions as it may require. 51 <u>§ 1461. Payments of estimated tax. (a) Every taxpayer subject to the</u> 52 tax imposed by section fourteen hundred fifty-one of this article must pay an amount equal to (i) twenty-five percent of the preceding year's 53 tax if the preceding year's tax exceeded one thousand dollars but was 54 equal to or less than one hundred thousand dollars, or (ii) forty 55 56 percent of the preceding year's tax if the preceding year's tax exceeded

74

one hundred thousand dollars. The amount must be paid with the return 1 2 required to be filed for the preceding taxable year or with an applica-3 tion for an extension of the time for filing the return. If the preced-4 ing year's tax under section fourteen hundred fifty-one of this article 5 exceeded one thousand dollars and the taxpayer is subject to the tax б surcharge imposed by section fourteen hundred fifty-five-B of this arti-7 cle, the taxpayer must also pay with the tax surcharge return required 8 to be filed for the preceding taxable year, or with an application for 9 an extension of the time for filing the return, an amount equal to (i) 10 twenty-five percent of the tax surcharge imposed for the preceding year if the preceding year's tax was equal to or less than one hundred thou-11 sand dollars, or (ii) forty percent of the tax surcharge imposed for the 12 13 preceding year if the preceding year's tax exceeded one hundred thousand 14 dollars. 15 (b) Other installments. The estimated tax or estimated tax surcharge 16 for each taxable year with respect to which a declaration of estimated tax or a declaration of estimated tax surcharge, respectively, is 17 required to be filed under this article shall be paid, in the case of a 18 19 taxpayer which reports on the basis of a calendar year, as follows: 20 (1) If the declaration is filed on or before June fifteenth, the esti-21 mated tax or estimated tax surcharge shown thereon, after applying thereto the amount, if any, paid during the same taxable year pursuant to 22 subsection (a) of this section, shall be paid in three equal install-23 ments. One of such installments shall be paid at the time of the filing 24 of the declaration, one shall be paid on the following September 25 26 fifteenth, and one on the following December fifteenth. 27 (2) If the declaration is filed after June fifteenth and not after September fifteenth of such taxable year, and is not required to be 28 filed on or before June fifteenth of such year the estimated tax or 29 30 estimated tax surcharge shown on such declaration, after applying there-31 to the amount, if any, paid during the same taxable year pursuant to 32 subsection (a) of this section, shall be paid in two equal installments. 33 One of such installments shall be paid at the time of the filing of the declaration and one shall be paid on the following December fifteenth. 34 35 (3) If the declaration is filed after September fifteenth of such taxable year, and is not required to be filed on or before September 36 fifteenth of such year, the estimated tax or estimated tax surcharge 37 38 shown on such declaration, after applying thereto the amount, if any, paid in respect of such year pursuant to subsection (a) of this section 39 shall be paid in full at the time of the filing of the declaration. 40 (4) If the declaration is filed after the time prescribed therefor, or 41 42 after the expiration of any extension of time therefor, paragraphs two 43 and three of this subsection shall not apply and there shall be paid at 44 the time of such filing all installments of estimated tax or estimated 45 tax surcharge payable at or before such time, and the remaining install-46 ments shall be paid at the times at which, and in the amounts in which, they would have been payable if the declaration had been filed when due. 47 48 (c) Amendments of declarations. If any amendment of a declaration is filed, the remaining installments, if any, shall be ratably increased or 49 decreased (as the case may be) to reflect any increase or decrease in 50 51 the estimated tax or estimated tax surcharge by reason of such amend-52 ment, and if any amendment is made after September fifteenth of the 53 taxable year, any increase in the estimated tax or estimated tax 54 surcharge by reason thereof shall be paid at the time of making such 55 amendment.

(d) Application of installments based on the preceding year's tax. (1) Any amount paid pursuant to subsection (a) of this section shall be applied as a first installment against the estimated tax or estimated tax surcharge, respectively, of the taxpayer for the taxable year shown on the declaration required to be filed pursuant to section fourteen hundred sixty of this article, or if no declaration of estimated tax or a declaration of estimated tax surcharge is required to be filed by the taxpayer pursuant to such section, any such amount shall be considered a payment on account of the tax or tax surcharge shown on the return

10 required to be filed by the taxpayer for such taxable year. 11 (2) Any amount paid pursuant to paragraph four of subsection (c) of section six hundred fifty-eight of this chapter on behalf of a taxpayer 12 13 subject to tax under this article shall be applied against the estimated 14 tax of the taxpayer for the taxable year shown on the declaration required to be filed pursuant to section fourteen hundred sixty of this 15 16 article, or if no declaration is filed pursuant to such section, any 17 such amount shall be considered a payment on account of tax shown on the return required to be filed by the taxpayer for such taxable year. 18

19 (e) Interest on certain installments based on the preceding year's 20 tax. Notwithstanding the provisions of section one thousand eighty-eight 21 of this chapter or of section sixteen of the state finance law, if an amount paid pursuant to subsection (a) of this section exceeds the tax 22 or tax surcharge, respectively, shown on the return required to be filed 23 by the taxpayer for the taxable year during which the amount was paid, 24 25 interest shall be allowed and paid on the amount by which the amount so 26 paid pursuant to such subsection exceeds such tax or tax surcharge, at 27 the overpayment rate set by the commissioner of taxation and finance pursuant to section one thousand ninety-six of this chapter, or if no 28 29 rate is set, at the rate of six per cent per annum from the date of 30 payment of the amount so paid pursuant to such subsection to the 31 fifteenth day of the third month following the close of the taxable year, provided, however, that no interest shall be allowed or paid under 32 33 this subsection if the amount thereof is less than one dollar.

(f) The preceding year's tax defined. As used in this section, "the 34 35 preceding year's tax" means the tax imposed upon the taxpayer by subsection (a) of section fourteen hundred fifty-one of this article for 36 37 the preceding taxable year, or, for purposes of computing the first 38 installment of estimated tax when an application has been filed for extension of the time for filing the return required to be filed for 39 such preceding taxable year, the amount properly estimated pursuant to 40 41 paragraph one of subsection (b) of section fourteen hundred sixty-three 42 of this article as the tax imposed upon the taxpayer for such taxable 43 <u>year.</u>

44 (g) Application to short taxable period. This section shall apply to a 45 taxable period of less than twelve months in accordance with regulations 46 of the tax commission.

(h) Fiscal year. The provisions of this section shall apply to taxable years of twelve months other than a calendar year by the substitution of the months of such fiscal year for the corresponding months specified in such provisions.

51 (i) Extension of time. The commissioner of taxation and finance may 52 grant a reasonable extension of time, not to exceed six months, for 53 payment of any installment of estimated tax or estimated tax surcharge 54 required pursuant to this section, on such terms and conditions as he 55 may require, including the furnishing of a bond or other security by the 56 taxpayer in an amount not exceeding twice the amount for which any

1	extension of time for payment is granted, provided, however, that inter-
2	est at the underpayment rate set by the commissioner pursuant to section
3	one thousand ninety-six of this chapter, or if no rate is set, at the
4	rate of six per centum per annum for the period of the extension shall
5	be charged and collected on the amount for which any extension of time
6	for payment is granted under this subsection.
7	(j) Payment of installments in advance. A taxpayer may elect to pay
8	any installment of estimated tax or estimated tax surcharge prior to the
9	date prescribed in this section for payment thereof.
10	§ 1462. Returns. (a) Every taxpayer, as well as every other banking
11	corporation having an employee, including any officer, within the state,
12	shall annually on or before the fifteenth day of the third month follow-
13	ing the close of each of its taxable years transmit to the tax commis-
14	sion a return in a form prescribed by it setting forth such information
15	as the tax commission may prescribe and every taxpayer which ceases to
16	exercise its franchise or to be subject to the tax imposed by this arti-
17	cle shall transmit to the tax commission a return on the date of such
18	cessation or at such other time as the tax commission may require cover-
19	ing each year or period for which no return was theretofore filed. In
20	the case of a termination year of an S corporation, the S short year and
20	the C short year shall be treated as separate short taxable years,
22	provided, however, the due date of the report for the S short year shall
	be the same as the due date of the report for the C short year.
23	
24	(b) Every taxpayer shall also transmit such other returns and such
25	facts and information as the tax commission may require in the adminis-
26	tration of this article.
27	(c) The tax commission may grant a reasonable extension of time for
28	filing returns whenever good cause exists. An automatic extension of six
29	months for the filing of its annual return shall be allowed any taxpay-
30	er, if within the time prescribed by subsection (a) of this section,
31	such taxpayer files with the tax commission an application for extension
32	in such form as said commission may prescribe by regulation and pays on
33	or before the date of such filing the amount properly estimated as its
34	tax.
35	(d) Every return shall have annexed thereto a certification by the
36	president, vice president, treasurer, assistant treasurer, chief
37	accounting officer or any other officer of the taxpayer duly authorized
38	so to act to the effect that the statements contained therein are true.
39	The fact that an individual's name is signed on a certification of the
40	return shall be prima facie evidence that such individual is authorized
41	to sign and certify the return on behalf of the corporation. In the case
42	of an association or publicly traded partnership referred to in para-
43	graph one of subsection (f) of this section, such certification shall be
44	made by any person duly authorized so to act on behalf of such associ-
45	ation or publicly traded partnership.
46	(e) If the amount of taxable income or alternative minimum taxable
47	income for any year of any taxpayer (including any taxpayer which has
48	elected to be taxed under subchapter s of chapter one of the internal
49	revenue code) as returned to the United States treasury department is
50	changed or corrected by the commissioner of internal revenue or other
51	officer of the United States or other competent authority, such taxpayer
52	shall report such change or corrected taxable income or alternative
53	minimum taxable income within ninety days (or one hundred twenty days,
54	in the case of a taxpayer making a combined return under this article
55	for such year) after the final determination of such change or
56	correction or as required by the commissioner, and shall concede the

accuracy of such determination or state wherein it is erroneous. Any 1 taxpayer filing an amended return with such department shall also file 2 3 within ninety days (or one hundred twenty days, in the case of a taxpay-4 er making a combined return under this article for such year) thereafter 5 an amended return with the commissioner which shall contain such inforб mation as the commissioner shall require. The allowance of a tentative 7 carryback adjustment based upon a net capital loss carryback pursuant to 8 section sixty-four hundred eleven of the internal revenue code, shall be 9 treated as a final determination for purposes of this subsection. 10 (f) (1) For purposes of this subsection, the term "bank holding compa-11 ny" means any corporation subject to article three-A of the banking law, registered under the federal bank holding company act of nineteen 12 or 13 hundred fifty-six, as amended, or registered as a savings and loan hold-14 ing company (but excluding a diversified savings and loan holding company) under the federal national housing act, as amended. For purposes of 15 16 the preceding sentence, the term "corporation" shall include an associ-17 ation, within the meaning of paragraph three of subsection (a) of section seventy-seven hundred one of the internal revenue code, and a 18 19 publicly traded partnership treated as a corporation for purposes of the 20 internal revenue code pursuant to section seventy-seven hundred four 21 thereof. 22 (2) (i) Any banking corporation or bank holding company which is exercising its corporate franchise or doing business in this state in a 23 24 corporate or organized capacity, and 25 (A) which owns or controls, directly or indirectly, eighty percent or 26 more of the voting stock of one or more banking corporations or bank 27 holding companies, or (B) whose voting stock is eighty percent or more owned or controlled, 28 29 directly or indirectly, by a banking corporation or a bank holding 30 company, shall make a return on a combined basis under this article 31 covering itself and such corporations described in clause (A) or (B) and 32 shall set forth such information as the tax commission may require 33 unless the taxpayer or the tax commission shows that the inclusion of 34 such a corporation in the combined return fails to properly reflect the 35 tax liability of such corporation under this article. Provided, however, 36 that no banking corporation or bank holding company not a taxpayer shall 37 be subject to the requirements of this subparagraph unless the tax 38 commission deems that the application of such requirements is necessary in order to properly reflect the tax liability under this article, 39 because of intercompany transactions or some agreement, understanding, 40 arrangement or transaction of the type referred to in subsection (g) of 41 42 this section. (ii) In the discretion of the tax commission, any banking corporation 43 44 or bank holding company which is exercising its corporate franchise or 45 doing business in this state in a corporate or organized capacity, and (A) which owns or controls, directly or indirectly, sixty-five percent 46 47 or more of the voting stock of one or more banking corporations or bank 48 holding companies, or 49 (B) whose voting stock is sixty-five percent or more owned or controlled, directly or indirectly, by a banking corporation or a bank 50 51 holding company, may be required or permitted to make a return on a combined basis under this article covering itself and such corporations 52 53 described in clause (A) or (B) and shall set forth such information as 54 the tax commission may require; provided, however, that no combined return shall be required or permitted unless the tax commission deems 55

56 such report necessary in order to properly reflect the tax liability

1	under this article of any one or more of such banking corporations or
2	bank holding companies.
3	(iii) In the discretion of the tax commission, banking corporations or
4	bank holding companies which are sixty-five percent or more owned or
5	controlled, directly or indirectly, by the same interest may be permit-
б	ted or required to make a return on a combined basis under this article
7	and shall set forth such information as the tax commission may require,
8	if at least one such banking corporation or bank holding company is
9	exercising its corporate franchise or doing business in this state in a
10	corporate or organized capacity. No combined return shall be required or
11	permitted unless the tax commission deems such report necessary in order
12	to properly reflect the tax liability under this article of any one or
13	more of such banking corporations or bank holding companies.
14	(iv) (A) Notwithstanding any provision of this paragraph, any bank
15	holding company exercising its corporate franchise or doing business in
16	the state may make a return on a combined basis without seeking the
17	permission of the commissioner with any banking corporation exercising
18	its corporate franchise or doing business in the state in a corporate or
19	organized capacity sixty-five percent or more of whose voting stock is
20	owned or controlled, directly or indirectly, by such bank holding compa-
21	ny, for the first taxable year beginning on or after January first, two
22	thousand and before January first, two thousand nineteen during which
23	such bank holding company registers for the first time under the federal
24	bank holding company act, as amended, and also elects to be a financial
25	holding company. In addition, for each subsequent taxable year beginning
26	after January first, two thousand and before January first, two thousand
27	nineteen, any such bank holding company may file on a combined basis
28	without seeking the permission of the commissioner with any banking
29	corporation that is exercising its corporate franchise or doing business
30	in the state and sixty-five percent or more of whose voting stock is
31	owned or controlled, directly or indirectly, by such bank holding compa-
32	ny if either such banking corporation is exercising its corporate fran-
33	chise or doing business in the state in a corporate or organized capaci-
34	ty for the first time during such subsequent taxable year, or sixty-five
35	percent or more of the voting stock of such banking corporation is owned
36	or controlled, directly or indirectly, by such bank holding company for
37	the first time during such subsequent taxable year. Provided however,
38	for each subsequent taxable year beginning after January first, two
39	thousand and before January first, two thousand nineteen, a banking
40	corporation described in either of the two preceding sentences which
41	filed on a combined basis with any such bank holding company in a previ-
42	ous taxable year, must continue to file on a combined basis with such
43	bank holding company if such banking corporation, during such subsequent
44	taxable year, continues to exercise its corporate franchise or do busi-
45	ness in the state in a corporate or organized capacity and sixty-five
46	percent or more of such banking corporation's voting stock continues to
47	be owned or controlled, directly or indirectly, by such bank holding
48	company, unless the permission of the commissioner has been obtained to
49	file on a separate basis for such subsequent taxable year. Provided
50	further, however, for each subsequent taxable year beginning after Janu-
51	ary first, two thousand and before January first, two thousand nineteen,
52	a banking corporation described in either of the first two sentences of
53	this clause which did not file on a combined basis with any such bank
54	holding company in a previous taxable year, may not file on a combined
55	basis with such bank holding company during any such subsequent taxable
55	wasts when same notating company auting any such subsequent canabie

year unless the permission of the commissioner has been obtained to file 1 2 on a combined basis for such subsequent taxable year. 3 (B) Notwithstanding any provision of this paragraph other than clause 4 (A) of this subparagraph, the commissioner may not require a bank hold-5 ing company which, during a taxable year beginning on or after January б first, two thousand and before January first, two thousand nineteen, 7 registers for the first time during such taxable year under the federal 8 bank holding company act, as amended, and also elects to be a financial 9 holding company, to make a return on a combined basis for any taxable 10 year beginning on or after January first, two thousand and before Janu-11 ary first, two thousand nineteen with a banking corporation sixty-five percent or more of whose voting stock is owned or controlled, directly 12 13 or indirectly, by such bank holding company. 14 (v) A banking corporation doing business in this state solely because it meets one or more of the tests in subparagraphs (i) through (v) of 15 16 paragraph one of subsection (c) of section fourteen hundred fifty-one of 17 this article (referred to in this subparagraph as the "credit card bank") will not be included in a combined return pursuant to subpara-18 19 graph (i) of this paragraph with another banking corporation or bank 20 holding company which is exercising its corporate franchise or doing 21 business in this state unless the credit card bank or the commissioner shows that the inclusion of the credit card bank in the combined return 22 is necessary to properly reflect the tax liability of the credit card 23 bank, the banking corporation or bank holding company under this arti-24 25 cle. However, any banking corporation that meets one or more of the 26 tests in subparagraphs (i) through (v) of paragraph one of subsection 27 (c) of section fourteen hundred fifty-one and was included in a combined return for its last taxable year beginning before January first, two 28 29 thousand eight may continue to be included in a combined return for 30 future taxable years, provided that once that banking corporation has 31 been included in a combined return for any taxable year beginning on or 32 after January first, two thousand eight, it must continue to be included 33 in a combined return until it obtains the consent of the commissioner to cease being included in a combined return because the combined return no 34 35 longer properly reflects the tax liability under this article of any of 36 the corporations included in the combined return. Further, the credit 37 card bank will be included in a combined return with (i) any banking 38 corporation not subject to tax under this article sixty-five percent or 39 more of whose voting stock is owned or controlled, directly or indirectly, by the credit card bank, or (ii) any banking corporation or bank 40 holding company not subject to tax under this article which owns or 41 42 controls, directly or indirectly, sixty-five percent or more of the 43 voting stock of the credit card bank, or (iii) any banking corporation 44 not subject to tax under this article sixty-five percent or more of the 45 voting stock of which is owned or controlled, directly or indirectly, by 46 the same corporation or corporations that own or control, directly or 47 indirectly, sixty-five percent or more of the voting stock of the credit 48 card bank, if the corporation or corporations described in clauses (i), (iii) and (iiii) of this subparagraph provide services for or support to 49 the credit card bank's operations, unless the credit card bank or the 50 51 commissioner shows that the inclusion of any of those corporations in 52 the combined return fails to properly reflect the tax liability of the 53 credit card bank. For purposes of this subparagraph, services for or 54 support to the credit card bank's operations include such activities as billing, credit investigation and reporting, marketing, research, adver-55 56 tising, mailing, customer service, information technology, lending and

1	financing sources and communications convises but will not include

3	(vi)(A) For purposes of this subparagraph, the term "closest control-
4	ling stockholder" means the corporation that indirectly owns or controls
5	over fifty percent of the voting stock of a captive REIT or captive RIC,
6	is subject to tax under this article, article nine-A or article thirty-
7	three of this chapter or otherwise required to be included in a combined
8	return under this article, article nine-A or article thirty-three of
9	this chapter, and is the fewest tiers of corporations away in the owner-
10	ship structure from the captive REIT or captive RIC. The commissioner is
11	authorized to prescribe by regulation or published guidance the criteria
12	for determining the closest controlling stockholder.
13	(B) A captive REIT or a captive RIC must be included in a combined
14	return with the banking corporation or bank holding company that direct-
15	ly owns or controls over fifty percent of the voting stock of the
16	captive REIT or captive RIC if that banking corporation or bank holding
17	company is subject to tax or required to be included in a combined
18	return under this article.
19	(C) If over fifty percent of the voting stock of a captive REIT or
20	captive RIC is not directly owned or controlled by a banking corporation
21	or bank holding company that is subject to tax or required to be
22	included in a combined return under this article, then the captive REIT
23	or captive RIC must be included in a combined return or report with the
24	corporation that is the closest controlling stockholder of the captive
25	REIT or captive RIC. If the closest controlling stockholder of the
26	captive REIT or captive RIC is a banking corporation or bank holding
27	company that is subject to tax or otherwise required to be included in a
28	combined return under this article, then the captive REIT or captive RIC

holder of the captive REIT or captive RIC is a member of an affiliated 1 group (1) that does not include any corporation that is engaged in a 2 3 business that a subsidiary of a bank holding company would not be 4 permitted to engage in, unless such business is de minimus, and (2) 5 whose members own assets the combined average value of which does not б exceed eight billion dollars, then the captive REIT or captive RIC must not be included in a combined return under this article or article 7 8 nine-A or article thirty-three of this chapter. In that instance, the 9 captive REIT or captive RIC is subject to the provisions of subdivision five or seven of section two hundred nine of this chapter. The term 10 "affiliated group" means "affiliated group" as defined in section 11 fifteen hundred four of the internal revenue code, but without regard to 12 13 the exceptions provided for in subsection (b) of that section. 14 (vii) (A) For purposes of this subparagraph, the term "closest 15 controlling stockholder" means the corporation that indirectly owns or 16 controls over fifty percent of the voting stock of an overcapitalized

17 captive insurance company, is subject to tax under this article or arti-18 cle nine-A of this chapter or otherwise required to be included in a 19 combined return under this article or article nine-A of this chapter, 20 and is the fewest tiers of corporations away in the ownership structure 21 from the overcapitalized captive insurance company. The commissioner is 22 authorized to prescribe by regulation or published guidance the criteria 23 for determining the closest controlling stockholder.

(B) An overcapitalized captive insurance company must be included in a combined return with the banking corporation or bank holding company that directly owns or controls over fifty percent of the voting stock of the overcapitalized captive insurance company if that banking corporation or bank holding company is subject to tax or required to be included in a combined return under this article.

30 (C) If over fifty percent of the voting stock of an overcapitalized captive insurance company is not directly owned or controlled by a bank-31 32 ing corporation or bank holding company that is subject to tax or 33 required to be included in a combined return under this article, then the overcapitalized captive insurance company must be included in a 34 combined return or report with the corporation that is the closest 35 36 controlling stockholder of the overcapitalized captive insurance compa-37 ny. (E) If an overcapitalized captive insurance company is required under 1 this subparagraph to be included in a combined return with another 2 3 corporation, and that other corporation is required to be included in a 4 combined return with another corporation under other provisions of this 5 subsection, the overcapitalized captive insurance company must be б included in that combined return with those corporations. 7 (3) (i) In the case of a combined return, the tax shall be measured by 8 the combined entire net income, combined alternative entire net income or combined assets of all the corporations included in the return, 9 10 including any captive REIT, captive RIC or overcapitalized captive 11 insurance company. The allocation percentage shall be computed based on the combined factors with respect to all the corporations included in 12 13 the combined return. In computing combined entire net income and 14 combined alternative entire net income intercorporate dividends and all other intercorporate transactions shall be eliminated and in computing 15 16 combined assets intercorporate stockholdings and intercorporate bills, 17 notes and accounts receivable and payable and other intercorporate indebtedness shall be eliminated. 18 19 (ii) In the case of a captive REIT required under this subsection to be included in a combined return, "entire net income" means "real estate 20 21 investment trust taxable income" as defined in paragraph two of subdivision (b) of section eight hundred fifty-seven (as modified by section 22 eight hundred fifty-eight) of the internal revenue code, plus the amount 23 taxable under paragraph three of subdivision (b) of section eight 24 25 hundred fifty-seven of that code, subject to the modifications required 26 by section fourteen hundred fifty-three of this article. In the case of 27 a captive RIC required under this subsection to be included in a combined return, "entire net income" means "investment company taxable 28 income" as defined in paragraph two of subdivision (b) of section eight 29 30 hundred fifty-two (as modified by section eight hundred fifty-five) of 31 the internal revenue code, plus the amount taxable under paragraph three 32 of subdivision (b) of section eight hundred fifty-two of that code, 33 subject to the modifications required by section fourteen hundred fifty-three of this article. However, the deduction under the internal 34 revenue code for dividends paid by the captive REIT or captive RIC to 35 any member of the affiliated group that includes the corporation that 36 directly or indirectly owns over fifty percent of the voting stock of 37 38 the captive REIT or captive RIC will be limited to the following percentages: (A) fifty percent for taxable years beginning on or after 39 January first, two thousand eight and before January first, two thousand 40 nine; (B) twenty-five percent for taxable years beginning on or after 41 42 January first, two thousand nine and before January first, two thousand 43 eleven; and (C) zero percent for taxable years beginning on or after January first, two thousand eleven. The term "affiliated group" means 44 45 "affiliated group" as defined in section fifteen hundred four of the 46 internal revenue code, but without regard to the exceptions provided for 47 in subsection (b) of such section fifteen hundred four. 48 (iii) In the case of an overcapitalized captive insurance company 49 required under this subsection to be included in a combined return, entire net income must be computed as required by section fourteen 50 51 hundred fifty-three of this article. (4) (i) In no event shall an item of income or expense of a corpo-52 53 ration organized under the laws of a country other than the United 54 States be included in a combined return unless it is includible in

13	than five percent and whose total assets are comprised of thirty-three
14	percent or more of mortgages be included in a combined return for those
15	taxable years for which its tax is determined pursuant to subparagraph

24	corporation or any person or firm, whereby the activity, business,
25	income or assets of the taxpayer within the state is improperly or inac-

27	its discretion and in such manner as it may determine, to adjust items
28	of income or deductions in computing entire net income or alternative
29	entire net income and to adjust assets, and to adjust wages, salaries
30	and other personal service compensation, receipts or deposits in comput-

32	alternative entire net income be adjusted accordingly and that any asset
33	directly traceable to the elimination of any receipt be eliminated from
34	assets so as to accurately determine the tax. If however, in the deter-
35	mination of the tax commission, such adjustments do not, or cannot
36	effectively provide for the accurate determination of the tax, the
37	commission shall be authorized to require the filing of a combined
38	report by the taxpayer and any such other corporations. Where (1) any
39	taxpayer conducts its activity or business under any agreement, arrange-

41	benefit its members or stockholders, or any of them, or any person or
42	persons directly or indirectly interested in such activity or business,
43	by entering into any transaction at more or less than a fair price
44	which, but for such agreement, arrangement or understanding, might have
45	been paid or received therefor, or (2) any taxpayer enters into any
46	transaction with another corporation on such terms as to create an
47	improper loss or net income, the tax commission may include in the
48	entire net income or alternative entire net income of the taxpayer the
49	fair profits which, but for such agreement, arrangement or understand-

51	§ 1463. Payment of tax. (a) To the extent the tax imposed by section
52	fourteen hundred fifty-one of this article shall not have been previous-
53	ly paid pursuant to section fourteen hundred sixty-one,
54	(1) such tax, or the balance thereof, shall be payable to the tax
55	commission in full at the time its return is required to be filed, and

(2) such tax, or the balance thereof, imposed on any taxpayer which 1 2 ceased to exercise its franchise or to be subject to the tax imposed by 3 this article shall be payable to the tax commission at the time the 4 return is required to be filed, provided such tax of a domestic corpo-5 ration which continues to possess its franchise shall be subject to б adjustment as the circumstances may require; all other taxes of any such 7 taxpayer, which pursuant to the foregoing provisions of this subsection 8 would otherwise be payable subsequent to the time such return is 9 required to be filed, shall nevertheless be payable at such time. 10 (b) If the taxpayer, within the time prescribed by subsection (c) of 11 section fourteen hundred sixty-two of this article, shall have applied for an automatic extension of time to file its annual return and shall 12 13 have paid to the commissioner of taxation and finance on or before the 14 date such application is filed an amount properly estimated as provided by said subsection the only amount payable in addition to the tax shall 15 16 be interest at the underpayment rate set by the commissioner pursuant to 17 section one thousand ninety-six of this chapter, or if no rate is set, at the rate of six per cent per annum upon the amount by which the tax, 18 or portion thereof payable on or before the date the return was required 19 20 to be filed, exceeds the amount so paid. For the purposes of the preced-21 ing sentence: 22 (1) an amount so paid shall be deemed properly estimated if it is 23 either (i) not less than ninety per cent of the tax as finally determined, or (ii) not less than the tax shown on the taxpayer's return for 24 the preceding taxable year, if such preceding year was a taxable year of 25 26 twelve months; and (2) the time when a return is required to be filed shall be determined 27 28 without regard to any extension of time for filing such return. (c) The tax commission may grant a reasonable extension of time for 29 30 payment of any tax imposed by this article under such conditions as it 31 deems just and proper. 32 § 1466. Deposit and disposition of revenue. All taxes, interest and 33 penalties collected or received by the tax commission under this article 34 shall be deposited and disposed of pursuant to the provisions of section 35 one hundred seventy-one-a of this chapter. 36 § 1467.
