7. (a) The department shall adopt regulations establishing civil penalties of up to ~~[one]~~ five thousand dollars per day per violation to be assessed against all adult care facilities except facilities operated by a social services district for violations of (i) regulations of the department pertaining to the care of residents in such facilities, (ii) paragraph (a) of subdivision three of section four hundred sixty-one-a of this ~~[chapter]~~ article, or (iii) an order issued pursuant to subdivision eight of this section. The regulations shall specify the violations subject to penalty and the amount of the penalty to be assessed in connection with each such violation and shall specify that only civil penalties of up to ~~[one]~~ five thousand dollars per day per violation shall be assessed pursuant to this paragraph against an adult care facility found responsible for an act of retaliation or reprisal against any resident, employee, or other person for having filed a complaint with or having provided information to any long term care ~~[patient]~~ ombudsman functioning in accordance with section ~~[five hundred forty-four or five hundred forty-five]~~ two hundred eighteen of the ~~[executive]~~ elder law.

(b) ~~[(1)]~~ In addition to any other civil or criminal penalty provided by law, the department shall have the power to assess civil penalties in accordance with its regulations adopted pursuant to paragraph (a) of this subdivision, after a hearing conducted in accordance with the procedures established by regulations of the department. Such procedures shall require that notice of the time and place of the hearing, together with a statement of charges of violations, shall be served in person or by certified mail addressed to the facility at least thirty days prior to the date of the hearing. The statement of charges of violations shall set forth the existence of the violations, the amount of penalty for which it may become liable and the steps which must be taken to rectify the violation and, where applicable, a statement that the department contends that a penalty may be imposed under this paragraph regardless of rectification. An answer to the charges of violations, in writing, shall be filed with the department, not less than ten days prior to the date of hearing. The answer shall notify the department of the facility's position with respect to each of the charges and shall include all matters which if not disclosed in the answer would be likely to take the department by surprise. The commissioner, or a member of his staff who is designated and authorized by him to hold such hearing, may in his discretion allow the facility to prove any matter not included in the answer.

(c) (1) Where the facility satisfactorily demonstrates that it either had rectified the violations within thirty days of receiving written notification of the results of the inspection pursuant to section four hundred sixty-one-a of this ~~[chapter]~~ article, or had submitted within ~~[thirty]~~ fourteen days an acceptable plan for rectification and was rectifying the violations in accordance with the steps and within the additional periods of time as accepted by the department in such plan, ~~[no]~~ the department may determine that the penalty under this section shall be reduced from what otherwise would be imposed, or waived, except as provided in subparagraph two of this paragraph, and only after it finds particular circumstances justifying a reduction or waiver of the fine, considering:

(i) the cause of the violation being an isolated incident and not part of a pattern or practice;

(ii) the number of residents affected by the violation;
(iii) the risk of harm or endangerment created by the violation;
(iv) the facility's history of citations and violations;
(v) the promptness of rectification, if delay was occasioned by the department; and
(vi) the specific circumstances of the violations.

~~(2) [Rectification shall not preclude the assessment of a penalty if the department establishes at a hearing that a particular violation, although corrected, endangered or resulted in harm to any resident as the result of.]~~

~~(+i)]~~ No fine shall be reduced or waived for a violation that:

(i) endangered any resident. Endangerment is defined as:

(A) the total or substantial failure of the facility's fire detection or prevention systems, or emergency evacuation procedures prescribed by department safety standard regulations;

~~[(+ii)]~~ (B) the retention of any resident who has been evaluated by the resident's physician as being medically or mentally unsuited for care in the facility or as requiring placement in a hospital or residential health care facility and for whom the operator is not making persistent efforts to secure appropriate placement;

~~[(+iii)]~~ (C) the failure in systemic practices and procedures;

~~[(+iv)]~~ (D) the failure of the operator to take actions as required by department regulations in the event of a resident's illness or accident;

~~[(+v)]~~ (E) the failure of the operator to provide at all times supervision of residents by numbers of staff at least equivalent to the night staffing requirement set forth in department regulations; or

~~[(+vi)]~~ (F) unreasonable threats of retaliation or taking reprisals, including but not limited to unreasonable threats of eviction or hospitalization against any resident, employee or other person who makes a complaint concerning the operation of an adult care facility, participates in the investigation of a complaint or is the subject of an action identified in a complaint[.]

~~The department shall specify in its regulations those regulations to which this subparagraph two shall apply.~~

~~(3) In assessing penalties pursuant to this paragraph, the department shall consider promptness of rectification, delay occasioned by the department, and the specific circumstances of the violations as mitigating factors.~~

~~(e)];~~

(ii) resulted in harm to any resident, including but not limited to:

(A) physical injury;

(B) loss or denial of access to money or other personal property; or

(C) being the object of words or conduct that constitute bullying, harassment, humiliation, infantilization, intimidation, taunt, ridicule, a threat, or derogatory comment; or

(iii) is a repeat violation. Repeat violation is defined as a violation for which the facility was cited by the department at any time in the previous twelve months.

(d) Upon the request of the department, the attorney general may commence an action in any court of competent jurisdiction against any facility subject to the provisions of this section, and against any person or corporation operating such facility, for the recovery of any penalty assessed by the department in accordance with the provisions of this subdivision.

~~[(+d)]~~ (e) Any such penalty assessed by the department may be released or compromised by the department, subject to and consistent with para-

1 graph (c) of this subdivision, before the matter has been referred to
2 the attorney general, and where such matter has been referred to the
3 attorney general, any such penalty may be released or compromised and
4 any action commenced to recover the same may be settled and discontinued
5 by the attorney general, after considering paragraph (c) of this subdivi-
6 vision and with the consent of the department.

7 § 3. Paragraphs (a) and (b) of subdivision 9 of section 460-d of the
8 social services law, paragraph (a) as amended by chapter 558 of the laws
9 of 1999 and paragraph (b) as added by chapter 848 of the laws of 1992,

14 closing of, after notice and opportunity to be heard, any facility which
15 does not possess a valid operating certificate issued by the department
16 and is an adult care facility subject to the provisions of this article
17 and the regulations of the department. A hearing shall be conducted in
18 accordance with procedures established by department regulations which
19 procedures shall require that notice of the determination that the
20 facility is an adult care facility and the reasons for such determi-

22 person on the operator, owner or prime lessor, if any, or by certified
23 mail, return receipt requested, addressed to such person and received at
24 least twenty days prior to the date of the hearing. If such operator,
25 owner or prime lessor, if any, is not known to the department, then
26 service may be made by posting a copy thereof in a conspicuous place
27 within the facility or by sending a copy thereof by certified mail,
28 return receipt requested, addressed to the facility. A written answer to
29 the notice of violation may be filed with the department not less than
30 five days prior to the date of the hearing. Demonstration by the facil-

37 ~~days after the department provides the operator, in writing, with a~~
38 ~~summary of the inspection of the facility by which the department deter-~~
39 ~~mined that he or she is operating an uncertified adult care facility.~~]
40 The submission of an application by the operator for an operating
41 certificate for the facility shall not act as a bar to the imposition of
42 a penalty against the operator of an unlicensed adult care facility.

43 § 4. Paragraph (c) of subdivision 9 of section 460-d of the social
44 services law is amended by adding a new subparagraph (iv) to read as
45 follows:

50 operating certificate issued by the department, and that one or more
51 conditions or activities at such facility constitute or are likely to
52 give rise to an immediate danger to the health of the residents, and
53 awaiting a court order pursuant to subparagraph (iii) of this paragraph
54 would be seriously detrimental to the health of such residents, the
55 department of health may, notwithstanding an objection by the operator,
56 administrator or other person in charge, inspect the entire premises,

1 which shall include access to all dwellings on the said property which
2 house tenants/occupants as well as access to such tenants/occupants, for
3 the purpose of ascertaining whether such danger exists or is likely to
4 arise on an immediate basis. The department of health may request the
5 assistance of local law enforcement for purposes of carrying out such
6 inspection and may take any appropriate action if it determines that
7 such danger exists or is likely to arise, including issuing a written
8 notice directing the operator, administrator or other person in charge
9 of such facility to cease or correct the condition or activity at issue.
10 As promptly as possible thereafter, within a period not to exceed
11 fifteen days, the commissioner shall provide the operator an opportunity
12 to be heard and to present any proof that such condition or activity
13 does not constitute a danger to the health of the residents of such
14 facility. The attorney general, upon request of the department of
15 health, shall be authorized to apply to the supreme court in the county
